Dear Supervisors:

**DEPARTMENT OF MENTAL HEALTH: APPROVAL TO SUPERSEDE
FOUR EXISTING TEMPORARY PSYCHIATRIST SERVICES AGREEMENTS
BETWEEN LOCUM TENENS CONTRACTORS AND
THE DEPARTMENT OF MENTAL HEALTH
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and instruct the Director of Mental Health or his designee to sign and execute the supersession of four existing Temporary Psychiatrist Services Agreements (Agreements), as listed in Attachment I, and substantially similar to Attachment II, with Locum Tenens (LT) contractors to enable the Department of Mental Health (DMH) to ensure that revised and new provisions affected by the enactment of Senate Bill 279 (SB 279) that redefines LT psychiatrists from employees to independent contractors/subcontractors of LT contractors are included in the Agreements. The term of these agreements will be effective upon Board approval through June 30, 2009.
2. Approve an increased contracted rate of \$950 per day (hourly rate of \$118.75) for general psychiatrists and \$1,050 per day (hourly rate or \$131.25) for child and adolescent psychiatrists and general psychiatrists assigned to difficult to recruit work sites for LT contractors. The increased contracted rate is consistent with the prevailing LT rate structure in other California counties. Funding for the increased contracted rate is derived from utilization of vacant budgeted psychiatrist positions which have been unfilled due to critical hiring shortages.

3. Delegate authority to the Director of Mental Health or his designee to sign and execute future agreements with other qualified LT contractors, and to sign and execute amendments to the agreements, provided that: 1) the Board of Supervisors has appropriated sufficient funds for all changes; 2) approval of County Counsel and the Chief Executive Officer (CEO) or their designees is obtained prior to any such amendment.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

Board approval is required to supersede the existing Temporary Psychiatrist Services Agreement with a revised format that redefines LT psychiatrists from employees to independent contractors/subcontractors, pursuant to the October 5, 2005, enactment of SB 279 as codified in Chapter 5 of Division 2 of the California Business and Professions Code Section 2418. Therefore, LT contractors deem their LT psychiatrists as independent contractors/subcontractors and not employees, and do not pay for Social Security and workers' compensation/unemployment benefits. They also do not provide general liability (GL) or automobile liability insurance to their contracted LT psychiatrists.

Additionally, Board approval of a \$950 per day rate is justified for LT contractors who contract/subcontract with LT general psychiatrists and child and adolescent psychiatrists. This rate increase from \$900 per day to \$950 per day is consistent with the prevailing LT rate structure in other California counties, which utilize Board of Medical Examiners' eligible or certified general psychiatrists and child and adolescent psychiatrists. The \$1,050 per day rate is also requested to compensate LT contractors who locate and assign independent/subcontract psychiatrists willing to work in difficult-to-recruit work sites/conditions, such as the Jail Mental Health Services, Antelope Valley, and South Los Angeles.

Implementation of Strategic Plan Goals

The recommended Board actions are consistent with the principles of the Countywide Strategic Plan's Programmatic Goal No. 7, "Health and Mental Health." The ability to meet DMH's critical psychiatrist staffing needs on a temporary and intermittent basis will enhance DMH's effectiveness in service delivery.

FISCAL IMPACT/FINANCING

There is no increase in net County cost with the supersession of existing agreements with a revised Agreement format. Funding for these costs is included in DMH's Fiscal Year (FY) 2007-08 Adopted Budget. Funding for FY 2008-09 will be requested during DMH's annual budget process.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Pursuant to SB 279, an LT contractor, for purposes of California law, is not considered an employment agency for psychiatrists, nor is it an employer of psychiatrists. Because of this change in State law, these LT contractors engage the services of individual psychiatrists as independent contractors/subcontractors. Thus, neither County nor LT contractors assume responsibility for Social Security payments and workers' compensation insurance/unemployment insurance for LT contractors' independent contracted/subcontracted psychiatrists placed at County's facilities on a temporary basis.

Since July 1, 2001, DMH has utilized the services of LT contractors to provide qualified psychiatrists, on a temporary and intermittent basis, to perform psychiatric evaluations, medication support, and crisis intervention to Seriously Mentally Ill (SMI) adults, Seriously Emotionally Disturbed (SED) children, adolescents, and their families as well as to provide consultation and training to mental health professionals. The use of these LT contractors' independent contracted/subcontracted psychiatrists, on an as needed basis, is necessary to meet emergent or unanticipated needs when existing County employees are unavailable, cannot be transferred from other locations, or vacant positions cannot be filled timely with permanent new hires.

Consistent with the change in California State law by the enactment of SB 279, a standard provision on Subcontracting and a revised provision on Independent Status of Contractor have been added to the Agreement.

Under the superseded Agreements, LT contractors will be paid an established daily rate increase from \$900 per day to \$950 per day (an hourly increase from \$112.50 to \$118.75 per hour) for the provision of LT general psychiatrists and from \$900 per day to \$1,050 per day (hourly rate of \$131.25) for LT child and adolescent psychiatrists and general psychiatrist assigned to difficult to recruit sites, as described in Exhibit B of the Agreements (Attachment II). The rate increase will correspond with the prevailing rates in other California counties, thereby allowing LT contractors to subcontract with psychiatrists and successfully place them at DMH locations. The ongoing shortage of psychiatrists seriously impairs the Department's ability to provide timely access to services and quality care within these communities.

The Department surveyed a total of 27 counties in California regarding utilization of LT contracts. Of the 27 counties, 13 have no current LT contracts, and 14 counties have existing LT contracts. Overall survey results reflect that nine counties pay differential rates to general and child and adolescent psychiatrists, and 12 counties pay higher contracted rates than Los Angeles County for LT psychiatrists. Counties also vary

substantially in their indemnification and insurance coverage requirements for LT contractors and their independent LT psychiatrists. In some cases, it appears that some counties are not requiring their LT contractors to indemnify or maintain professional liability/malpractice and GL insurance for their independent LT psychiatrists.

Four of the County's existing LT contractors and five prospective LT contractors have advised that the independent psychiatrists do not maintain their own GL coverage. The nine existing and prospective contractors have agreed to carry GL insurance with limits of \$1 million each occurrence covering liability for bodily and personal injury arising from the activities of their own employees. However, all nine firms indicate they are unable or unwilling to cover the independent psychiatrists under their own GL insurance policies. The nine firms have agreed to provide professional liability (malpractice) insurance with limits of \$1 million per claim to cover the acts and/or omissions of the independent psychiatrists. The Department of Mental Health also has negotiated a requirement that all LT contractors and their independent psychiatrists will carry automobile liability insurance policy coverage with limits of \$300,000 per accident.

The Department, after considerable discussion and negotiation with these parties, has made a business decision to agree to these terms, subject to approval by your Board, as professional liability/malpractice insurance should cover the most significant risk associated with the provision of psychiatrist services. The Department believes the additional financial risk posed by these deviations from the standard contract provisions is nominal in comparison with the critical need to obtain temporary psychiatrist services, and as the independent LT psychiatrists will not transport clients and their use of vehicles is limited to driving to and from County facilities.

Attachment I provides information regarding LT contractor names, locations, Supervisorial Districts, and Agreement term. Attachment II is the Agreement, and Attachment III provides information regarding Contracting with Minority/Women-Owned Firms, Percentages of Ownership in firms contracting with the County.

The proposed actions and Agreement provisions have been reviewed by the CEO, including its Risk Management Branch, and County Counsel, and they concur with the Department's recommendation.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Without Board approval of the supersession of existing LT agreements with a revised Agreement, LT contractors are unwilling to continue providing temporary psychiatrist services due to the expenses they would otherwise incur to satisfy the County's indemnification and insurance requirements. These LT contractors have successfully negotiated LT contracts with other County, State, and Federal departments/agencies throughout California which include rate adjustments, as well as modified indemnification and insurance requirements. Without the availability of these temporary LT contractors' services, DMH would experience continual hardships in handling critical manpower shortages and meeting emergent or unanticipated client needs when the hiring process of psychiatrists is delayed or lengthy.

CONCLUSION

The Department of Mental Health will need one copy of the adopted Board's action. It is requested that the Executive Officer, Board of Supervisors, notify the Department of Mental Health, Contracts Development and Administration Division, at (213) 738-4684 when this document is available.

Respectfully submitted,

WILLIAM T FUJIOKA

3 PREAMBLE
4

5 For nearly a decade, the County has collaborated with its community partners to
6 enhance the capacity of the health and human services system to improve the lives of
7 children and families. These efforts require, as a fundamental expectation, that the
8 County's contracting partners share the County and community's commitment to provide
9 health and human services that support achievement of the County's vision, goals,
10 values, and adopted outcomes. Key to these efforts is the integration of service delivery
11 systems and the adoption of the Customer Service and Satisfaction Standards.

12 The County of Los Angeles' Vision is to improve the quality of life in the County by
13 providing responsive, efficient, and high quality public services that promote the self-
14 sufficiency, well-being and prosperity of individuals, families, business and communities.
15 This philosophy of teamwork and collaboration is anchored in the shared values of:

Responsiveness	Integrity
Professionalism	Commitment
Accountability	A Can-Do Attitude
Compassion	Respect for Diversity

16 These shared values are encompassed in the County Strategic Plan's eight goals:
17 1) Service Excellence; 2) Workforce Excellence; 3) Organizational Effectiveness; 4)
18 Fiscal Responsibility; 5) Children and Families' Well-Being; 6) Community Services; 7)
19 Health and Mental Health; and 8) Public Safety. Improving the well-being of children and
20 families requires coordination, collaboration, and integration of services across functional
21 and jurisdictional boundaries, by and between County departments/agencies, and
22 community and contracting partners.

23 The basic conditions that represent the well-being we seek for all children and
24 families in Los Angeles County are delineated in the following five outcomes, adopted by
25 the Board of Supervisors in January 1993.

- 26 • Good Health;
- 27 • Economic Well-Being;
- 28 • Safety and Survival;
- 29 • Emotional and Social Well-Being; and

1 • Education and Workforce Readiness.

2 Recognizing no single strategy - in isolation - can achieve the County's outcomes
3 of well-being for children and families, consensus has emerged among County and
4 community leaders that making substantial improvements in integrating the County's
5 health and human services system is necessary to significantly move toward achieving
6 these outcomes. The County has also established the following values and goals for
7 guiding this effort to integrate the health and human services delivery system:

- 8 ✓ Families are treated with respect in every encounter they have with the
9 health, educational, and social services systems.
- 10 ✓ Families can easily access a broad range of services to address their
11 needs, build on their strengths, and achieve their goals.
- 12 ✓ There is no "wrong door": wherever a family enters the system is the right
13 place.
- 14 ✓ Families receive services tailored to their unique situations and needs.
- 15 ✓ Service providers and advocates involve families in the process of
16 determining service plans, and proactively provide families with
17 coordinated and comprehensive information, services, and resources.
- 18 ✓ The County service system is flexible, able to respond to service demands
19 for both the Countywide population and specific population groups.
- 20 ✓ The County service system acts to strengthen communities, recognizing
21 that just as individuals live in families, families live in communities.
- 22 ✓ In supporting families and communities, County agencies work seamlessly
23 with public and private service providers, community-based organizations,
24 and other community partners.
- 25 ✓ County agencies and their partners work together seamlessly to
26 demonstrate substantial progress towards making the system more
27 strength-based, family-focused, culturally-competent, accessible, user-
28 friendly, responsive, cohesive, efficient, professional, and accountable.
- 29 ✓ County agencies and their partners focus on administrative and operational
30 enhancements to optimize the sharing of information, resources, and best
31 practices while also protecting the privacy rights of families.

- ✓ County agencies and their partners pursue multi-disciplinary service delivery, a single service plan, staff development opportunities, infrastructure enhancements, customer service and satisfaction evaluation, and revenue maximization.
- ✓ County agencies and their partners create incentives to reinforce the direction toward service integration and a seamless service delivery system.
- ✓ The County human service system embraces a commitment to the disciplined pursuit of results accountability across systems. Specifically, any strategy designed to improve the County human services system for children and families should ultimately be judged by whether it helps achieve the County's five outcomes for children and families: good health, safety and survival, economic well-being, social and emotional well-being, and education and workforce readiness.

The County, its clients, contracting partners, and the community are working together to develop practical ways to make County services more accessible, customer friendly, better integrated, and outcome-focused. Several departments have identified shared themes in their strategic plans for achieving these goals including: making an effort to become more consumer/client-focused; valuing community partnerships and collaborations; emphasizing values and integrity; and using a strengths-based and multi-disciplinary team approach. County departments are also working to provide the Board of Supervisors and the community with a better understanding of how resources are being utilized, how well services are being provided, and what are the results of the services: is anyone better off?

The County of Los Angeles health and human service departments and their partners are working together to achieve the following *Customer Service And Satisfaction Standards* in support of improving outcomes for children and families.

Personal Service Delivery

The service delivery team – staff and volunteers – will treat customers and each other with courtesy, dignity, and respect.

- Introduce themselves by name

The basis for all County health and human services contracts is the provision of the highest level of quality services that support improved outcomes for children and families. The County and its contracting partners must work together and share a commitment to achieve a common vision, goals, outcomes, and standards for providing services.

3 of this Agreement or any directions by or on behalf of County issued pursuant hereto.

4 Director may also terminate this Agreement, immediately if Contractor, its officers,
5 employees or agents, including its independent contractors, engage in, or if Director has
6 reasonable justification to believe that Contractor, or such employees or agents,
7 including Contractor's independent contractors, may be engaging in a course of conduct
8 which poses an imminent danger to the life or health of County patients.

9 County's failure to exercise this right of termination shall not constitute waiver of
10 such right, and the same may be exercised at any subsequent time.

11 Immediate termination hereunder shall be effected by delivery to Contractor of a
12 written "Notice of Immediate Termination" which shall be effective upon Contractor's
13 receipt of such "Notice of Immediate Termination".

14 In addition, the performance of services under this Agreement may be terminated
15 when such action is deemed by County to be in its best interest. Termination of services
16 shall be effected by delivery to Contractor of a written "Notice of Termination" specifying
17 the extent to which performance of services under this Agreement is terminated, and the
18 date upon which such termination becomes effective.

19 After receipt of the "Notice of Termination", and except as otherwise directed by
20 County, Contractor shall stop services under this Agreement on the date and to the
21 extent specified in such "Notice of Termination."

22 A. Suspension of Payments: Payments to Contractor under this Agreement
23 shall be suspended if Director, for good cause, determines that Contractor is in default
24 under any of the provisions of this Agreement. Except in cases of alleged fraud or
25 similar intentional wrongdoing, at least 30 calendar days notice of such suspension shall
26 be provided to Contractor, including a statement of the reason(s) for such suspension.
27 Thereafter, Contractor may, within 15 calendar days, request reconsideration of the
28 Director's decision. Payments shall not be withheld pending the results of the
29 reconsideration process.

30 2. ADMINISTRATION: Director shall have the authority to administer this
31 Agreement on behalf of County. Contractor shall designate in writing a Contract

1 Manager who shall function as liaison with County regarding Contractor's performance
2 hereunder.

3 3. **DESCRIPTION OF SERVICES:** Contractor agrees to provide DMH upon request,
4 with the services described in Exhibit A, attached hereto and incorporated herein by
5 reference.

6 4. **BILLING AND PAYMENT:** All billings by Contractor for services provided
7 pursuant to this Agreement shall be in accordance with the terms, conditions and rates
8 set forth in Exhibit B, attached hereto and incorporated herein by reference.

9 A. **No Payment for Services Provided Following Expiration/Termination of**
10 **Contract:** Contractor shall have no claim against County for payment of any money or
11 reimbursement, of any kind whatsoever, for any service provided by Contractor after
12 the expiration or other termination of this Contract. Should Contractor receive any
13 such payment, it shall immediately notify County and shall immediately repay all such
14 funds to County. Payment by County for services rendered after expiration/termination
15 of this Contract shall not constitute a waiver of County's right to recover such payment
16 from Contractor. This provision shall survive the expiration or other termination of this
17 Contract.

18 B. **Six Months Notification of Agreement Expiration:** Contractor shall notify
19 County when this Agreement is within six (6) months of expiration. Contractor shall send
20 such notice to those persons and addresses which are set forth in Paragraph 59
21 (NOTICES).

22 C. **Budget Reductions:** In the event that the County's Board of Supervisors
23 adopts, in any fiscal year, a County Budget which provides for reductions in County
24 contracts, the County reserves the right to reduce its payment obligation under this
25 Agreement to implement such Board reductions for that fiscal year and any subsequent
26 fiscal year during the term of this Agreement (including any extensions), and the services
27 to be provided by the Contractor under this Agreement shall also be reduced
28 correspondingly. The County's notice to the Contractor regarding said reduction in
29 payment obligation shall be provided within thirty (30) calendar days of the Board's
30 approval of such action. Except as set forth in the preceding sentence, the Contractor
31 shall continue to provide all of the services set forth in this Agreement.

1 **5. NONEXCLUSIVITY CONTRACTOR'S EXCLUSION FROM PARTICIPATION IN**
2 **A FEDERALLY FUNDED PROGRAM:** Contractor hereby warrants that neither it nor

3 any of its staff members is restricted or excluded from providing services under any
4 health care program funded by the Federal government, directly or indirectly, in whole or
5 in part, and that Contractor will notify Director within 30 calendar days in writing of: (1)
6 any event that would require Contractor or a staff member's mandatory exclusion from
7 participation in a Federally funded health care program; and (2) any exclusionary action
8 taken by any agency of the Federal government against Contractor or one or more staff
9 members barring it or the staff members from participation in a Federally funded health
10 care program, whether such bar is direct or indirect, or whether such bar is in whole or in
11 part.

12 There are a variety of different reasons why an individual or entity may be excluded from
13 participating in a Federally funded health care program. Sometimes, the exclusion is
14 mandatory and in other cases the Office of Inspector General (OIG) has the discretion
15 not to exclude.

16 The mandatory bases for exclusion include: (1) felony convictions for program related

22 independent contractors the requisite subcontract as described in Paragraph 22.

23 21. **DELEGATION AND ASSIGNMENT BY CONTRACTOR:**

24 A. Contractor shall not assign its rights or delegate its duties under this
25 Agreement, or both, whether in whole or in part, without the prior written consent of
26 County, in its discretion, and any attempted assignment or delegation without such
27 consent shall be null and void. For purposes of this paragraph, County consent shall
28 require a written amendment to this Agreement, which is formally approved and
29 executed by the parties. Any payments by County to any approved delegate or assignee
30 on any claim under this Agreement shall be deductible, at County's sole discretion,
31 against the claims which Contractor may have against County.

1 B. Shareholders, partners, members, or other equity holders of Contractor
2 may transfer, sell, exchange, assign, or divest themselves of any interest they may have
3 therein. However, in the event any such sale, transfer, exchange, assignment, or
4 divestment is effected in such a way as to give majority control of Contractor to any
5 person(s), corporation, partnership, or legal entity other than the majority controlling
6 interest therein at the time of execution of this Agreement, such disposition is an
7 assignment requiring the prior written consent of County in accordance with applicable
8 provisions of this Agreement.

9 C. Any assumption, assignment, delegation, or takeover of any of the
10 Contractor's duties, responsibilities, obligations, or performance of same by any entity
11 other than the Contractor, whether through assignment, subcontract, delegation, merger,
12 buyout, or any other mechanism, with or without consideration for any reason
13 whatsoever without County's express prior written approval, shall be a material breach of
14 this Agreement which may result in the termination of this Agreement. In the event of
15 such termination, County shall be entitled to pursue the same remedies against
16 Contractor as it could pursue in the event of default by Contractor.

17 22. **SUBCONTRACTING:**

18 A. No performance of this Agreement, or any portion thereof, shall be
19 subcontracted by Contractor without the prior written consent of County as provided in
20 this Paragraph 22. Any attempt by Contractor to subcontract any performance,
21 obligation, or responsibility under this Agreement, without the prior written consent of
22 County, shall be null and void and shall constitute a material breach of this Agreement.
23 Notwithstanding any other provision of this Agreement, in the event of any such breach
24 by Contractor, this Agreement may be terminated forthwith by County. Notwithstanding
25 any other provision of this Agreement, the parties do not in any way intend that any
26 person or entity shall acquire any rights as a third party beneficiary of this Agreement.

27 B. If Contractor desires to subcontract any portion of its performance,
28 obligations, or responsibilities under this Agreement, Contractor shall make a written
29 request to County for written approval to enter into the particular subcontract.
30 Contractor's request to County shall include:

- 31 (1) The reasons for the particular subcontract.

1 (2) A detailed description of the services to be provided by the
2 subcontract.

3 (3) Identification of the proposed subcontractor and an explanation of
4 why and how the proposed subcontractor was selected, including the degree of
5 competition involved.

6 (4) A description of the proposed subcontract amount and manner of
7 compensation, together with Contractor's cost or price analysis thereof.

8 (5) A copy of the proposed subcontract which shall contain the
9 following provision:

10 "This contract is a subcontract under the terms of the prime contract with
11 the County of Los Angeles and shall be subject to all of the provisions of
12 such prime contract."

13 (6) A copy of the proposed subcontract, if in excess of \$10,000 and
14 utilizes State funds, shall also contain the following provision:

15 "The contracting parties shall be subject to the examination and audit of
16 the Auditor General for a period of three (3) years after final payment
17 under contract (Government Code, Section 8546.7)."

18 The Contractor will also be subject to the examination and audit of
19 the State Auditor General for a period of three (3) years after final payment under
20 contract (Government Code, Section 8546.7).

21 (7) Any other information and/or certifications requested by County.

22 C. County shall review Contractor's request to subcontract and shall
23 determine, in its sole discretion, whether or not to consent to such request on a
24 case-by-case basis.

25 D. Contractor shall indemnify and hold harmless County, its officers,
26 employees, and agents, from and against any and all liability, damages, costs, and
27 expenses, including, but not limited to, defense costs and legal fees, arising from or
28 related to Contractor's use of any subcontractor, including any officers, employees, or
29 agents of any subcontractor, in the same manner as required for Contractor, its officers,
30 employees, and agents, under this Agreement.

31 E. Notwithstanding any County consent to any subcontracting, Contractor

1 shall remain fully liable and responsible for any and all performance required of it under
2 this Agreement, and no subcontract shall bind or purport to bind County. Further,
3 County approval of any subcontract shall not be construed to limit in any way
4 Contractor's performance, obligations, or responsibilities, to County, nor shall such
5 approval limit in any way any of County's rights or remedies contained in this Agreement.
6 Additionally, County approval of any subcontract shall not be construed in any way to
7 constitute the determination of the allowability or appropriateness of any cost or payment
8 under this Agreement.

9 F. In the event that County consents to any subcontracting, such consent
10 shall be subject to County's right to give prior and continuing approval of any and all
11 subcontractor personnel providing services under such subcontract. Contractor shall
12 assure that any subcontractor personnel not approved by County shall be immediately
13 removed from the provision of any services under the particular subcontract or that other
14 action is taken as requested by County. County shall not be liable or responsible in any
15 way to Contractor, to any subcontractor, or to any officers, employees, or agents of
16 Contractor or any subcontractor, for any liability, damages, costs or expenses arising
17 from or related to County's exercise of such right.

18 G. In the event that County consents to any subcontracting, such consent
19 shall be subject to County's right to terminate, in whole or in part, any subcontract at any
20 time upon written notice to Contractor when such action is deemed by County to be in its
21 best interest. County shall not be liable or responsible in any way to Contractor, to any
22 subcontractor, or to any officers, employees, or agents of Contractor or any
23 subcontractor, for any liability, damages, costs, or expenses arising from or related to
24 County's exercise of such right.

25 H. In the event that County consents to any subcontracting, each and all of
26 the provisions of this Agreement and any amendment thereto shall extend to, be binding
27 upon, and inure to the benefit of, the successors or administrators of the respective
28 parties.

29 I. In the event that County consents to any subcontracting, such consent
30 shall apply to each particular subcontract only and shall not be, or be construed to be, a
31 waiver of this Paragraph 23 or a blanket consent to any further subcontracting.

1 J. In the event that County consents to any subcontracting, Contractor shall
2 be solely liable and responsible for any and all payments and/or other compensation to
3 all subcontractors and their officers, employees, and agents. County shall have no
4 liability or responsibility whatsoever for any payment and/or other compensation for any
5 subcontractors or their officers, employees, and agents.

6 K. Contractor shall deliver to the Chief of DMH's Contracts Development and
7 Administration Division a fully executed copy of each subcontract entered into by
8 Contractor pursuant to this Paragraph 22, on or immediately after the effective date of
9 the subcontract but in no event later than the date any services are performed under the
10 subcontract.

11 L. In the event that County consents to any subcontracting, Contractor shall
12 obtain and maintain on file an executed Subcontractor Employee Acknowledgment of
13 Employer, in the form as contained in Contractor's Negotiation Package for the
14 Agreement, for each of the subcontractor's employees performing services under the
15 subcontract. Such Acknowledgments shall be delivered to the Chief of DMH's Contracts
16 Development and Administration Division on or immediately after the commencement
17 date of the particular subcontract but in no event later than the date such employee first
18 performs any services under the subcontract.

19 M. County shall have no liability or responsibility whatsoever for any payment
20 or other compensation for any subcontractor or its officers, employees, and agents.

21 N. Director is hereby authorized to act for and on behalf of County pursuant to
22 this Paragraph 22, including, but not limited to, consenting to any subcontracting.

23 **23. GOVERNING LAW, JURISDICTION AND VENUE:** This Agreement shall be
24 governed by, and construed in accordance with, the laws of the State of California.
25 Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of
26 California for all purposes regarding this Agreement and further agrees and consents
27 that venue of any action brought hereunder shall be exclusively in the County of Los
28 Angeles, California. Further, this Agreement shall be governed by, and construed in
29 accordance with, all laws, regulations, and contractual obligations of County under its
30 agreement with the State.

10 facilities.

11 **26. TERMINATION FOR DEFAULT:**

12 A. County may, by written notice of default to Contractor, terminate this
13 Agreement immediately in any one of the following circumstances:

14 (1) If, as determined in the sole judgment of County, Contractor fails to
15 perform any services within the times specified in this Agreement or any extension
16 thereof as County may authorize in writing; or

17 (2) If, as determined in the sole judgment of County, Contractor fails to

6 used in this Agreement are for convenience only and are not a part of this Agreement
7 and shall not be used in construing this Agreement.

8 31. **WAIVER**: No waiver by County of any breach of any provision of this Agreement
9 shall constitute a waiver of any other breach of such provision. Failure of County to
10 enforce at any time, or from time to time, any provision of this Agreement shall not be
11 construed as a waiver thereof. The rights and remedies set forth in this Paragraph 29
12 shall not be exclusive and are in addition to any other rights and remedies provided by
13 law or under this Agreement.

14 32. **EMPLOYMENT ELIGIBILITY VERIFICATION**: Contractor warrants that it fully
15 complies with all Federal statutes and regulations regarding employment of aliens and
16 others and that all its employees performing services hereunder meet the citizenship or
17 alien status requirements set forth in Federal statutes and regulations. Contractor shall
18 obtain, from all covered employees performing services hereunder, all verification and

31 actual authority.

24 A. **Contractor's Warranty of Adherence to County's Child Support Compliance**
25 **Program:** Contractor acknowledges that County has established a goal of ensuring that
26 all individuals who benefit financially from County through contract are in compliance with
27 their court-ordered child, family, and spousal support obligations in order to mitigate the
28 economic burden otherwise imposed upon County and its taxpayers.

29 As required by County's Child Support Compliance Program (County Code
30 Chapter 2.200) and without limiting Contractor's duty under this Agreement to comply
31 with all applicable provisions of law, Contractor warrants that it is now in compliance and

9 Child Support Compliance Program: Failure of Contractor to maintain compliance with
10 the requirements set forth in Subparagraph A (Contractor's Warranty of Adherence to
11 County's Child Support Compliance Program) shall constitute default under this
12 Agreement. Without limiting the rights and remedies available to County under any other
13 provision of this Agreement, failure of Contractor to cure such default within 90 calendar
14 days of written notice shall be grounds upon which County may terminate this
15 Agreement pursuant to Paragraph 34 (TERMINATION FOR DEFAULT) and pursue
16 debarment of Contractor, pursuant to County Code Chapter 2.202.

17 38. NOTICE TO EMPLOYEES REGARDING THE FEDERAL EARNED INCOME
18 CREDIT: Contractor shall notify its employees, and shall require each subcontractor to

22 39. USE OF RECYCLED-CONTENT PAPER PRODUCTS: Consistent with the
23 Board of Supervisors' policy to reduce the amount of solid waste deposited at the County
24 landfills, the Contractor agrees to use recycled-content paper to the maximum extent
25 possible on the Project.

26 40. CONTRACTOR RESPONSIBILITY AND DEBARMENT:

27 A. A responsible Contractor is a Contractor who has demonstrated the
28 attribute of trustworthiness, as well as quality, fitness, capacity and experience to
29 satisfactorily perform the contract. It is the County's policy to conduct business only with
30 responsible contractors.

31 B. The Contractor is hereby notified that, in accordance with Chapter 2.202 of

1 the County Code, if the County acquires information concerning the performance of the
2 Contractor on this or other Agreements which indicates that the Contractor is not
3 responsible, the County may, in addition to other remedies provided in the Agreement,
4 debar the Contractor from bidding or proposing on, or being awarded, and/or performing
5 work on County Agreements for a specified period of time, which generally will not
6 exceed five years but may exceed five years or be permanent if warranted by the
7 circumstances, and terminate any or all existing Agreements the Contractor may have
8 with the County.

9 C. The County may debar a Contractor if the Board of Supervisors finds, in its
10 discretion, that the Contractor has done any of the following: (1) violated a term of an
11 Agreement with the County or a nonprofit corporation created by the County; (2)
12 committed an act or omission which negatively reflects on the Contractor's quality,
13 fitness or capacity to perform a contract with the County, any other public entity, or a
14 nonprofit corporation created by the County, or engaged in a pattern or practice which
15 negatively reflects on same; (3) committed an act or offense which indicates a lack of
16 business integrity or business honesty; or (4) made or submitted a false claim against
17 the County or any other public entity.

18 D. If there is evidence that the Contractor may be subject to debarment, the
19 Department will notify the Contractor in writing of the evidence which is the basis for the
20 proposed debarment and will advise the Contractor of the scheduled date for a
21 debarment hearing before the Contractor Hearing Board.

22 E. The Contractor Hearing Board will conduct a hearing where evidence on
23 the proposed debarment is presented. The Contractor and/or the Contractor's
24 representative shall be given an opportunity to submit evidence at that hearing. After the
25 hearing, the Contractor Hearing Board shall prepare a tentative proposed decision,
26 which shall contain a recommendation regarding whether the contractor should be
27 debarred, and, if so, the appropriate length of time of the debarment. The Contractor
28 and the Department shall be provided an opportunity to object to the tentative proposed
29 decision prior to its presentation to the Board of Supervisors.

30 F. After consideration of any objections, or if no objections are submitted, a
31 record of the hearing, the proposed decision and any other recommendation of the

1 Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of
2 Supervisors shall have the right to modify, deny or adopt the proposed decision and
3 recommendation of the Hearing Board.

4 G. If a Contractor has been debarred for a period longer than five years, that
5 Contractor may, after the debarment has been in effect for at least five years, submit a
6 written request for review of the debarment determination to reduce the period of
7 debarment or terminate the debarment. The County may, in its discretion, reduce the
8 period of debarment or terminate the debarment if it finds that the Contractor has
9 adequately demonstrated one or more of the following: (1) elimination of the grounds for
10 which the debarment was imposed; (2) a bona fide change in ownership or
11 management; (3) material evidence discovered after debarment was imposed; or (4) any
12 other reason that is in the best interest of the County.

13 H. The Contractor Hearing Board will consider a request for review of a
14 debarment determination only where (1) the Contractor has been debarred for a period
15 longer than five years; (2) the debarment has been in effect for at least five years; and
16 (3) the request is in writing, states one or more of the grounds for reduction of the
17 debarment period or termination of the debarment, and includes supporting
18 documentation. Upon receiving an appropriate request, the Contractor Hearing Board
19 will provide notice of the hearing on the request. At the hearing, the Contractor Hearing
20 Board shall conduct a hearing where evidence on the proposed reduction of debarment
21 period or termination of debarment is presented. This hearing shall be conducted and
22 the request for review decided by the Contractor Hearing Board pursuant to the same
23 procedures as for a debarment hearing.

24 I. The Contractor Hearing Board's proposed decision shall contain a
25 recommendation on the request to reduce the period of debarment or terminate the
26 debarment. The Contractor Hearing Board shall present its proposed decision and
27 recommendation to the Board of Supervisors. The Board of Supervisors shall have the
28 right to modify, deny, or adopt the proposed decision and recommendation of the
29 Contractor Hearing Board.

30 J. These terms shall also apply to subcontractors of County Contractors.

13 immediately notify County in writing, during the term of this Agreement, should it or any
14 of its subcontractors or any principals of either be suspended, debarred, ineligible, or

22 continuing and that may place performance of the Agreement in jeopardy if not corrected
23 will be reported to the Board of Supervisors. The report will include
24 improvement/corrective action measures taken by the County and Contractor. If
25 improvement does not occur consistent with the corrective action measures, County may
26 terminate this Agreement or impose other penalties as specified in this Agreement.

27 43. **REPORTS**: Contractor shall make reports as required by Director regarding
28 Contractor's activities and operations as they relate to Contractor's performance of this

12 such employment openings to participants in the County's Department of Public Social
13 Services' Greater Avenues for Independence (GAIN) Program who meet Contractor's
14 minimum qualifications for the open position. The County will refer GAIN participants by
15 job category to the contractor.

16 **46. THIRD PARTY BENEFICIARIES:** Notwithstanding any other provision of this
17 Agreement, the parties do not in any way intend that any person or entity shall acquire
18 any rights as a third party beneficiary of this Agreement.

19 **47. ALTERATION OF TERMS:** No addition to, or alteration of, the terms of the
20 body of this Agreement, or Statement of Work or Fee Schedule hereto, whether by
21 written or oral understanding of the parties, their officers, employees or agents, shall
22 be valid and effective unless made in the form of a written amendment to this
23 Agreement which is formally approved and executed by the parties in the same
24 manner as this Agreement.

25 The County's Board of Supervisors or Chief Administrative Officer or designee
26 may require the addition and/or change of certain terms and conditions in the
27 Agreement during the term of this Agreement. The County reserves the right to add
28 and/or change such provisions as required by the County's Board of Supervisors or
29 Chief Administrative Officer. To implement such orders, an Amendment to the
30 Agreement shall be prepared and executed by the Contractor and by the Director of
31 Mental Health.

1 48. **ENTIRE AGREEMENT:** The body of this Agreement and Exhibits A, B, C, D,E,F
2 and G attached hereto and incorporated herein by reference, shall constitute the
3 complete and exclusive statement of understanding between the parties which
4 supersedes all previous agreements, written or oral, and all other communications
5 between the parties relating to the subject matter of this Agreement. In the event of any
6 conflict or inconsistency in the definition or interpretation of any word, responsibility, or
7 schedule, or the contents or description of any service or other work, or otherwise,
8 between the body of this Agreement and the exhibits, such conflict or inconsistency shall
9 be resolved by giving precedence first to the body of this Agreement and then to such
10 other documents according to the following priority:

11 Exhibit A--DESCRIPTION OF SERVICES

12 Exhibit B--BILLING, PAYMENT AND SCHEDULE OF RATES

13 Exhibit C--ATTESTATION REGARDING FEDERALLY FUNDED PROGRAMS

20 49. **PERFORMANCE UNDER EMERGENCY CONDITIONS:**

21 A. **FORCE MAJEURE:** In the event that performance by either party is
22 rendered impossible (permanent or temporarily) by governmental restrictions, regulation
23 or controls or other causes beyond the reasonable control of such party, said event shall
24 excuse performance by such party, or in the case of temporary impossibility, shall
25 excuse performance only for a period commensurate with the period of impossibility.
26 Notwithstanding the foregoing, County shall have the right to terminate this Agreement
27 upon any event which renders performance impossible. In such case, County shall be
28 responsible for payment of all expenses incurred to the point at which this Agreement is
29 terminated.

30 B. **CONTRACTOR'S PERFORMANCE DURING CIVIL UNREST OR**
31 **DISASTER:** Contractor and its subcontractor(s) recognize that health care facilities (e.g.,

1 residential health care facilities) maintained by County, and the participants that they
2 serve, provide care that is essential to the residents of the community they serve, and
3 that these services are of particular importance at the time of riot, insurrection, civil
4 unrest, natural disaster, or similar event. Notwithstanding any other provision of the
5 Agreement, full performance by Contractor and its subcontractor(s) during any riot,
6 insurrection, civil unrest, natural disaster or similar event is not excused if such
7 performance remains physically possible. Failure to comply with this requirement shall be
8 considered a material breach by Contractor for which Director may suspend of County
9 may immediate terminate this Agreement.

10 C. EMERGENCY AND DISASTER PREPAREDNESS: Notwithstanding
11 Contractor's and County's contractual objective to provide services to eligible persons,
12 Contractor shall make program services available to any person impacted during the
13 event of a State/nationally declared emergency, contingent upon the availability and
14 commitment of Federal Emergency Management Agency (FEMA) or State Office of
15 Emergency Services (OES) funds with which to reimburse Contractor for funds
16 expended.

17 50. CONTRACTOR'S OBLIGATION AS A BUSINESS ASSOCIATE UNDER THE
18 HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT OF 1996: Under
19 this Agreement, Contractor ("Business Associate") provides services ("Services") to
20 County ("Covered Entity") and Business Associate receives, has access to, or creates
21 Protected Health Information in order to provide those Services. Covered Entity is
22 subject to the Administrative Simplification requirements of the Health Insurance
23 Portability and Accountability Act of 1996 ("HIPAA"), and regulations promulgated
24 thereunder, including the Standards for Privacy of Individually Identifiable Health
25 Information ("the Privacy Regulations") and the Health Insurance Reform: Security
26 Standards ("the Security Regulations") at 45 Code of Federal Regulations Parts 160 and
27 164 ("together, the "Privacy and Security Regulations").

28 The Privacy and Security Regulations require Covered Entity to enter into a
29 contract with Business Associate in order to mandate certain protections for the privacy
30 and security of Protected Health Information, and those Regulations prohibit the
31 disclosure to or use of Protected Health Information by Business Associate if such a

1 contract is not in place.

2 Therefore, the parties agree as follows:

3 DEFINITIONS

4 1.1 "Disclose" or "Disclosure" means, with respect to Protected Health
5 Information, the release, transfer, provision of access to, or divulging in any other
6 manner of Protected Health Information outside Business Associate's internal operations
7 or to other than its employees.

8 1.2 "Electronic Media" has the same meaning as the term "electronic media" in
9 45 C.F.R. § 160.103. Electronic Media means (1) Electronic storage media including
10 memory devices in computers (hard drives) and any removable/transportable digital
11 memory medium, such as magnetic tape or disk, optical disk, or digital memory card; or
12 (2) Transmission media used to exchange information already in electronic storage
13 media. Transmission media include, for example, the internet (wide-open), extranet
14 (using internet technology to link a business with information accessible only to
15 collaborating parties), leased lines, dial-up lines, private networks, and the physical
16 movement of removable/transportable electronic storage media. Certain transmissions,
17 including of paper, via facsimile, and of voice, via telephone, are not considered to be
18 transmissions via electronic media, because the information being exchanged did not
19 exist in electronic form before the transmission.

20 1.3 "Electronic Protected Health Information" has the same meaning as the
21 term "electronic protected health information" in 45 C.F.R. § 160.103. Electronic
22 Protected Health Information means Protected Health Information that is (i) transmitted
23 by electronic media; (ii) maintained in electronic media.

24 1.4 "Individual" means the person who is the subject of Protected Health
25 Information and shall include a person who qualifies as a personal representative in
26 accordance with 45 C.F.R. § 164.502(g).

27 1.5 "Protected Health Information" has the same meaning as the term
28 "protected health information" in 45 C.F.R. § 160.103, limited to the information created
29 or received by Business Associate from or on behalf of Covered Entity. Protected Health
30 Information includes information, whether oral or recorded in any form or medium, that (i)
31 relates to the past, present, or future physical or mental health or condition of an

1 Individual; the provision of health care to an Individual, or the past, present or future
2 payment for the provision of health care to an Individual; (ii) identifies the Individual (or
3 for which there is a reasonable basis for believing that the information can be used to
4 identify the Individual); and (iii) is received by Business Associate from or on behalf of
5 Covered Entity, or is created by Business Associate, or is made accessible to Business
6 Associate by Covered Entity. "Protected Health Information" includes Electronic Health
7 Information.

8 1.6 "Required By Law" means a mandate contained in law that compels an
9 entity to make a Use or Disclosure of Protected Health Information and that is
10 enforceable in a court of law. Required by law includes, but is not limited to, court orders
11 and court-ordered warrants; subpoenas or summons issued by a court, grand jury, a
12 governmental or tribal inspector general, or any administrative body authorized to require
13 the production of information; a civil or an authorized investigative demand; Medicare
14 conditions of participation with respect to health care providers participating in the
15 program; and statutes or regulations that require the production of information, including
16 statutes or regulations that require such information if payment is sought under a
17 government program providing benefits.

18 1.7 "Security Incident" means the attempted or successful unauthorized
19 access, Use, Disclosure, modification, or destruction of information in, or interference
20 with system operations of, an Information System which contains Electronic Protected
21 Health Information. However, Security Incident does not include attempts to access an
22 Information System when those attempts are not reasonably considered by Business
23 Associate to constitute an actual threat to the Information System.

24 1.8 "Services" has the same meaning as in the body of this Agreement.

25 1.9 "Use" or "Uses" means, with respect to Protected Health Information, the
26 sharing, employment, application, utilization, examination or analysis of such Information
27 within Business Associate's internal operations.

28 1.10 Terms used, but not otherwise defined in this Paragraph shall have the
29 same meaning as those terms in the HIPAA Regulations.

30 **OBLIGATIONS OF BUSINESS ASSOCIATE**

31 2.1 Permitted Uses and Disclosures of Protected Health Information.

1 Business Associate:

2 (a) shall Use and Disclose Protected Health Information as necessary
3 to perform the Services, and as provided in Sections 2.3, 2.4, 2.5, 2.6, 2.7, 2.8, 4.3 and
4 5.2 of this Agreement;

5 (b) shall Disclose Protected Health Information to Covered Entity upon
6 request;

7 (c) may, as necessary for the proper management and administration

13 purpose.

14 2.2 Adequate Safeguards for Protected Health Information. Business
15 Associate:

16 (a) shall implement and maintain appropriate safeguards to
17 prevent the Use or Disclosure of Protected Health Information in any
18 manner other than as permitted by this Paragraph. Business Associate
19 agrees to limit the Use and Disclosure of Protected Health Information to
20 the minimum necessary in accordance with the Privacy Regulation's
21 minimum necessary standard.

22 (b) effective as of April 20, 2005, specifically as to Electronic Health
23 Information, shall implement and maintain administrative, physical, and
24 technical safeguards that reasonably and appropriately protect the
25 confidentiality, integrity, and availability of Electronic Protected Health
26 Information.

27 2.3 Reporting Non-Permitted Use or Disclosure and Security Incidents.
28 Business Associate shall report to Covered Entity each Use or Disclosure that is made
29 by Business Associate, its employees, representatives, agents or subcontractors but is
30 not specifically permitted by this Agreement, and effective as of April 20, 2005, shall
31 report to Covered Entity each Security Incident of which Business Associate becomes

1 aware. The initial report shall be made by telephone call to the Department of Mental
2 Health's Privacy Officer, telephone number 1(213) 738-4864 within forty-eight (48) hours
3 from the time the Business Associate becomes aware of the non-permitted Use or
4 Disclosure or Security Incident, followed by a full written report no later than ten (10)
5 business days from the date the Business Associate becomes aware of the non-
6 permitted Use or Disclosure or Security Incident to the Chief Privacy Officer at:

7 Chief Privacy Officer, County of Los Angeles

8 Kenneth Hahn Hall of Administration

9 500 West Temple Street.

10 Suite 525

11 Los Angeles, CA 90012

12 2.4 Mitigation of Harmful Effect. Business Associate agrees to mitigate, to the
13 extent practicable, any harmful effect that is known to Business Associate of a Use or
14 Disclosure of Protected Health Information by Business Associate in violation of the
15 requirements of this Paragraph.

16 2.5 Availability of Internal Practices, Books and Records to Government
17 Agencies. Business Associate agrees to make its internal practices, books, and records
18 relating to the Use and Disclosure of Protected Health Information available to the
19 Secretary of the federal Department of Health and Human Services for purposes of
20 determining Covered Entity's compliance with the Privacy and Security Regulations.
21 Business Associate shall immediately notify Covered Entity of any requests made by the
22 Secretary and provide Covered Entity with copies of any documents produced in
23 response to such request.

24 2.6 Access to Protected Health Information. Business Associate shall, to the
25 extent Covered Entity determines that any Protected Health Information constitutes a
26 "designated record set" as defined by 45 C.F.R. § 164.501, make the Protected Health
27 Information specified by Covered Entity available to the Individual(s) identified by
28 Covered Entity as being entitled to access and copy that Protected Health Information.
29 Business Associate shall provide such access for inspection of that Protected Health
30 Information within two (2) business days after receipt of request from Covered Entity.
31 Business Associate shall provide copies of that Protected Health Information within five

1 (5) business days after receipt of request from Covered Entity.

2 2.7 Amendment of Protected Health Information. Business Associate shall, to
3 the extent Covered Entity determines that any Protected Health Information constitutes a
4 "designated record set" as defined by 45 C.F.R. § 164.501, make any amendments to
5 Protected Health Information that are requested by Covered Entity. Business Associate
6 shall make such amendment within ten (10) business days after receipt of request from
7 Covered Entity in order for Covered Entity to meet the requirements under 45 C.F.R. §
8 164.526.

9 2.8 Accounting of Disclosures. Business Associate agrees to maintain
10 documentation of the information required to provide an accounting of Disclosures of
11 Protected Health Information in accordance with 45 C.F.R. § 164.528, and to make this
12 information available to Covered Entity upon Covered Entity's request, in order to allow
13 Covered Entity to respond to an Individual's request for accounting of disclosures.
14 However, Business Associate is not required to provide an accounting of Disclosures
15 that are necessary to perform its Services if such Disclosures are for either payment or
16 health care operations purposes, or both. Additionally, such accounting is limited to
17 disclosures that were made in the six (6) years prior to the request (not including
18 disclosures that were made prior to the compliance date of the Privacy Rule, April 14,
19 2003) and shall be provided for as long as Business Associate maintains the Protected
20 Health Information.

21 Any accounting provided by Business Associate under this Section 2.8 shall
22 include: (a) the date of the Disclosure; (b) the name, and address if known, of the entity
23 or person who received the Protected Health Information; (c) a brief description of the
24 Protected Health Information disclosed; and (d) a brief statement of the purpose of the
25 Disclosure. For each Disclosure that could require an accounting under this Section 2.8,
26 Business Associate shall document the information specified in (a) through (d), above,
27 and shall securely maintain the information for six (6) years from the date of the
28 Disclosure. Business Associate shall provide to Covered Entity, within ten (10) business
29 days after receipt of request from Covered Entity, information collected in accordance
30 with this Section 2.8 to permit Covered Entity to respond to a request by an Individual for
31 an accounting of disclosures of Protected Health Information in accordance with 45

1 C.F.R. § 164.528.

2 **OBLIGATION OF COVERED ENTITY**

3 3.1 Obligation of Covered Entity. Covered Entity shall notify Business
4 Associate of any current or future restrictions or limitations on the use of Protected
5 Health Information that would affect Business Associate's performance of the Services,
6 and Business Associate shall thereafter restrict or limit its own uses and disclosures
7 accordingly.

8 **TERM AND TERMINATION**

9 4.1 Term. The term of this Paragraph shall be the same as the term of this
10 Agreement. Business Associate's obligations under Sections 2.1 (as modified by
11 Section 4.2), 2.3, 2.4, 2.5, 2.6, 2.7, 2.8, 4.3 and 5.2 shall survive the termination or
12 expiration of this Agreement.

13 4.2 Termination for Cause. In addition to and notwithstanding the termination
14 provisions set forth in this Agreement, upon Covered Entity's knowledge of a material
15 breach by Business Associate, Covered Entity shall either:

16 (a) Provide an opportunity for Business Associate to cure the breach or
17 end the violation and terminate this Agreement if Business Associate does not cure the
18 breach or end the violation within the time specified by Covered Entity;

19 (b) Immediately terminate this Agreement if Business Associate has
20 breached a material term of this Paragraph and cure is not possible; or

21 (c) If neither termination nor cure is feasible, Covered Entity shall report the
22 violation to the Secretary of the federal Department of Health and Human Services.

23 4.3 Disposition of Protected Health Information Upon Termination or
24 Expiration. (a) Except as provided in paragraph (b) of this section, upon termination for
25 any reason or expiration of this Agreement, Business Associate shall return or destroy all
26 Protected Health Information received from Covered Entity, or created or received by
27 Business Associate on behalf of Covered Entity. This provision shall apply to Protected
28 Health Information that is in the possession of subcontractors or agents of Business
29 Associate. Business Associate shall retain no copies of the Protected Health
30 Information.

31 (b) In the event that Business Associate determines that returning or

1 destroying the Protected Health Information is infeasible, Business Associate shall
2 provide to Covered Entity notification of the conditions that make it infeasible. If return or
3 destruction is infeasible, Business Associate shall extend the protections of this
4 Agreement to such Protected Health Information and limit further Uses and Disclosures
5 of such Protected Health Information to those purposes that make the return or
6 destruction infeasible, for so long as Business Associate maintains such Protected
7 Health Information.

8 MISCELLANEOUS

9 5.1 No Third Party Beneficiaries. Nothing in this Paragraph shall confer upon
10 any person other than the parties and their respective successors or assigns, any rights,
11 remedies, obligations, or liabilities whatsoever.

12 5.2 Use of Subcontractors and Agents. Business Associate shall require each
13 of its agents and subcontractors that receive Protected Health Information from Business
14 Associate, or create Protected Health Information for Business Associate, on behalf of
15 Covered Entity, to execute a written agreement obligating the agent or subcontractor to
16 comply with all the terms of this Paragraph.

17 5.3 Relationship to Services Agreement Provisions. In the event that a
18 provision of this Paragraph is contrary to another provision of this Agreement, the
19 provision of this Paragraph shall control. Otherwise, this Paragraph shall be construed
20 under, and in accordance with, the terms of this Agreement.

21 5.4 Regulatory References. A reference in this Paragraph to a section in the
22 Privacy or Security Regulations means the section as in effect or as amended.

23 5.5 Interpretation. Any ambiguity in this Paragraph shall be resolved in favor of
24 a meaning that permits Covered Entity to comply with the Privacy and Security
25 Regulations.

26 5.6 Amendment. The parties agree to take such action as is necessary to
27 amend this Paragraph from time to time as is necessary for Covered Entity to comply
28 with the requirements of the Privacy and Security Regulations."

29 51. COMPLIANCE WITH JURY SERVICE PROGRAM:

30 A Jury Service Program: This Agreement is subject to the provisions of the
31 County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program")

1 as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

2 B Written Employee Jury Service Policy:

3 1.1 Unless Contractor has demonstrated to the County's satisfaction
4 either that Contractor is not a "Contractor" as defined under the Jury Service Program
5 (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to
6 the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall
7 have and adhere to a written policy that provides that its Employees shall receive from
8 the Contractor, on an annual basis, no less than five days of regular pay for actual jury
9 service. The policy may provide that Employees deposit any fees received for such
10 jury service with the Contractor or that the Contractor deduct from the Employee's
11 regular pay the fees received for jury service.

12 1.2 For purposes of this Section, "Contractor" means a person,
13 partnership, corporation or other entity which has an Agreement with the County or a
14 subcontract with a County Contractor and has received or will receive an aggregate sum
15 of \$50,000 or more in any 12-month period under one or more County Agreements or
16 subcontracts. "Employee" means any California resident who is a full-time employee of
17 Contractor. "Full-time" means 40 hours or more worked per week or a lesser number of
18 hours if: 1) the lesser number is a recognized industry standard as determined by the
19 County, or 2) Contractor has a long-standing practice that defines the lesser number of
20 hours as full-time. Full-time employees providing short-term, temporary services of 90
21 days or less within a 12-month period are not considered full-time for purposes of the
22 Jury Service Program. If Contractor uses any subcontractor to perform services for the
23 County under the Agreement, the subcontractor shall also be subject to the provisions of
24 this Section. The provisions of this Section shall be inserted into any such subcontract
25 Agreement and a copy of the Jury Service Program shall be attached to the Agreement.

26 1.3 If Contractor is not required to comply with the Jury Service
27 Program when the Agreement commences, Contractor shall have a continuing obligation
28 to review the applicability of its "exception status" from the Jury Service Program, and
29 Contractor shall immediately notify County if Contractor at any time either comes within
30 the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies
31 for an exception to the Program. In either event, Contractor shall immediately implement

1 a written policy consistent with the Jury Service Program. The County may also require,
2 at any time during the Agreement and at its sole discretion, that Contractor demonstrate
3 to the County's satisfaction that Contractor either continues to remain outside of the Jury
4 Service Program's definition of "Contractor" and/or that Contractor continues to qualify
5 for an exception to the Program.

6 1.4 Contractor's violation of this section of the Agreement may
7 constitute a material breach of the Agreement. In the event of such material breach,
8 County may, in its sole discretion, terminate the Agreement and/or bar Contractor from
9 the award of future County Agreements for a period of time consistent with the
10 seriousness of the breach.

11 52. **WARRANTY:** Contractor represents and warrants that its signatory to this
12 Agreement is fully authorized to obligate the Contractor and that all acts necessary to the
13 execution of this Agreement have performed.

14 53. **NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY**
15 **LAW:** The Contractor shall notify and provide to its employees, and shall require each
16 subcontractor to notify and provide to its employees, a fact sheet regarding the Safely
17 Surrendered Baby Law, its implementation in Los Angeles County, and where and how
18 to safely surrender a baby. The fact sheet is set forth in **Attachment VII** of this
19 Agreement and is also available on the Internet at www.babysafela.org for printing
20 purposes.

21 54. **CONTRACTOR'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO**
22 **THE SAFELY SURRENDERED BABY LAW:** The Contractor acknowledges that the
23 County places a high priority on the implementation of the Safely Surrendered Baby Law.
24 The Contractor understands that it is the County's policy to encourage all County
25 Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a
26 prominent position at the Contractor's place of business. The Contractor will also
27 encourage its subcontractors, if any, to post this poster in a prominent position in the
28 subcontractor's place of business. The County's Department of Children and Family
29 Services will supply the Contractor with the poster to be used.

30 55. **COUNTY'S OBLIGATION FOR CURRENT AND FUTURE FISCAL YEARS:**

31 Notwithstanding any other provision of this Agreement, this Agreement shall not be

1 effective and binding upon the parties unless and until County's Board of Supervisors
2 appropriates funds for purposes hereof in County's Budget for County's current Fiscal
3 Year. Further, County shall not be obligated for Contractor's performance hereunder or
4 by any provision of this Agreement during any of County's future Fiscal Years unless and
5 until County's Board of Supervisors appropriates funds for purposes hereof in County's
6 Budget for each such future Fiscal Year. In the event that funds are not appropriated for
7 this Agreement, then this Agreement shall terminate as of June 30 of the last Fiscal Year
8 for which funds were appropriated.

9 **56. LIMITATION OF COUNTY'S OBLIGATION DUE TO NON-APPROPRIATION OF**
10 **FUNDS:**

11 Notwithstanding any other provision of this Agreement, COUNTY shall not be obligated
12 for CONTRACTOR's performance hereunder or by any provision of this Agreement
13 during this or any of COUNTY's future fiscal years unless and until COUNTY's Board of
14 Supervisors appropriates funds for this Agreement in COUNTY's Budget for each such
15 fiscal year. Should COUNTY, during this or any subsequent fiscal year impose
16 budgetary restrictions which appropriate less than the amount provided for in this
17 Agreement, COUNTY shall reduce services under this Agreement consistent with such
18 imposed budgetary reductions. In the event funds are not appropriated for this
19 Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for
20 which funds were appropriated. COUNTY shall notify CONTRACTOR of any such
21 changes in allocation of funds at the earliest possible date.

22 **57. CONTRACTOR'S EXCLUSION FROM PARTICIPATION IN A FEDERALLY**
23 **FUNDED PROGRAM:**

24 Contractor hereby warrants that neither it nor any of its staff
25 members is restricted or excluded from providing services under any health care
26 program funded by the Federal government, directly or indirectly, in whole or in part, and
27 that Contractor will notify Director within 30 calendar days in writing of: (1) any event that
28 would require Contractor or a staff member's mandatory exclusion from participation in a
29 Federally funded health care program; and (2) any exclusionary action taken by any
30 agency of the Federal government against Contractor or one or more staff members
31 barring it or the staff members from participation in a Federally funded health care
program, whether such bar is direct or indirect, or whether such bar is in whole or in part.

1 There are a variety of different reasons why an individual or entity may be
2 excluded from participating in a Federally funded health care program. Sometimes, the
3 exclusion is mandatory and in other cases the OIG has the discretion not to exclude.

4 The mandatory bases for exclusion include: (1) felony convictions for program
5 related crimes, including fraud or false claims, or for offenses related to the dispensing or
6 use of controlled substances, or (2) convictions related to patient abuse.

7 Permissive exclusions may be based on: (1) conviction of a misdemeanor related
8 to fraud or financial misconduct involving a government program; (2) obstructing an
9 investigation; (3) failing to provide access to documents or premises as required by
10 federal healthcare program officials; (4) conviction of a misdemeanor related to
11 controlled substances; (5) failing to disclose information about the entity itself, its
12 subcontractors or its significant business transactions; (6) loss of a state license to
13 practice a healthcare profession; (7) default on a student loan given in connection with
14 education in a health profession; (8) charging excessive amounts to a Federally funded
15 health care program or furnishing services of poor quality or which are substantially in
16 excess of the needs of the patients; (9) paying a kickback or submitting a false or
17 fraudulent claim. Persons controlling or managing excluded entities who knew of the
18 conduct leading to the exclusion can themselves be excluded, and entities which are
19 owned and controlled by excluded individuals can also be excluded.

20 Contractor shall indemnify and hold County harmless against any and all loss or
21 damage County may suffer arising from any Federal exclusion of Contractor or its staff
22 members from such participation in a Federally funded health care program. Contractor
23 shall provide the certification set forth in Exhibit E as part of its obligation under this
24 Paragraph.

25 Failure by Contractor to meet the requirements of this Paragraph shall constitute
26 a material breach of Agreement upon which County may immediately terminate or
27 suspend this Agreement.

28 **58. PERFORMANCE STANDARDS AND OUTCOME MEASURES:** The Contractor
29 shall comply with all applicable Federal, State, and County policies and procedures
30 relating to performance standards and outcome measures. This is applicable
31 whenever specific Federal or State funding, which has policies or procedures for

1 performance standards and/or outcome measures has been included as part of the
2 Contractor's contract and shall apply for all County policies, procedures, or
3 departmental bulletins approved by the Director or his designee for performance
4 standards and/or outcome measures. County will notify Contractor whenever County
5 policies or procedures are to apply to this contract provision (e.g., AB 2034 grant) at
6 least, where feasible, 30 calendar days prior to implementation.

7 These Federal, State or County performance standards and/or outcome
8 measures will be used as part of the determination of the effectiveness of the services

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.

It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.

Sin pena. Sin culpa. Sin peligro.

¿Qué es la Ley de Entrega de Bebés Sin Peligro?

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden empezar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

¿Los padres deben llamar antes de llevar al bebé?

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

¿Qué ocurrirá con el bebé?

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

¿Qué pasará con el padre/madre?

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

¿Por qué California hace esto?

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

Historia de un bebé

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

**Cada recién nacido merece una
oportunidad de tener una vida saludable.
Si alguien que usted conoce está pensando
en abandonar a un recién nacido, infórmele
qué otras opciones tiene.**

Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.
