The Honorable Board of Supervisors County of Los Angeles 383 Kenneth Hahn Hall of Administration 500 West Temple Street Los Angeles, CA 90012

Dear Supervisors:

JUN 1 2 2007

APPROVAL OF THE TERMINATION OF THE DEPARTMENT OF MENTAL HEALTH'S LEGAL ENTITY AND COMMUNITY CARE RESIDENTIAL FACILITY AGREEMENTS WITH PORTALS HOUSE AND

THE EFFECTUATION OF A MUTUALLY AGREED UPON MERGER BETWEEN PORTALS HOUSE AND PACIFIC CLINICS ALL SUPERVISORIAL DISTRICTS (3 VOTES)

#### IT IS RECOMMENDED THAT YOUR BOARD:

1. Authorize the Director of Mental Health or his designee to effectuate a mutually agreed upon termination of the Department of Mental Health's (DMH) Legal Entity (LE) Agreement No. MH120145 and Community Care Residential Facility (CCRF) Agreement No. MH160013 with Portals House (Portals), contingent upon implementation of a mutually agreed upon merger (Attachment I) by and between Portals and Pacific Clinics. DMH, under delegated authority approved by your Board on June 20, 2006, will enter into a new CCRF Agreement with Pacific Clinics to continue uninterrupted basic care services.

The quantity and quality of services previously provided separately by Portals will not be diminished, and Pacific Clinics will assume all past, present, and future responsibilities and obligations of Portals. The currently anticipated merger effective date is July 1, 2007.

- 2. Approve and instruct the Director of Mental Health or his designee to prepare, sign, and execute an Amendment (substantially similar to Attachment II) to DMH's LE Agreement No. MH120144 with Pacific Clinics, the surviving entity after the merger, for the continuation of mental health services to clients who were previously receiving services from Portals. This Amendment will increase the Maximum Contract Amount (MCA) by \$14,400,400 for each Fiscal Year (FY) 2007-08 and 2008-09. The MCA will increase from \$63,723,000 to \$78,123,400 for each FY. This increase includes a combined 12-month MCA for Pacific Clinics and Portals for each fiscal year.
- 3. Delegate authority to the Director of Mental Health or his designee to prepare, sign, and execute future amendments to the Agreement with Pacific Clinics and establish as a new MCA the aggregate of all amendments provided that: 1) the County's total payments to the Contractor under the Agreement for each fiscal year shall not exceed an increase of 20 percent from the applicable MCA; 2) any such increase shall be used to provide additional services or to reflect program and/or policy changes; 3) the Board of Supervisors has appropriated sufficient funds for all changes; 4) approval of County Counsel and the Chief Administrative Officer (CAO) or their designee is obtained prior to any such Amendment; 5) the parties may, by written Amendment, mutually agree to reduce programs or services without reference to the 20 percent limitation; and 6) the Director of Mental Health shall notify the Board of Supervisors of Agreement changes in writing within 30 days after execution of each Amendment.

#### PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

The purpose of the recommended actions is to accomplish the termination of Portals, DMH LE Agreement No. MH120145 and CCRF Agreement No. MH160013, and to effectuate and implement the merger of Portals and Pacific Clinics into Pacific Clinics DMH LE Agreement No. MH120144 and to enter into a new CCRF Agreement, as requested by these entities. It is understood that the merger, as set forth herein, will not diminish the quantity and quality of services previously provided separately by Portals, and that Pacific Clinics will be fiscally responsible for all of Portals obligations, past, present, and future. In particular, and without in any way limiting the scope of the financial obligations assumed, Pacific Clinics understands and agrees: (1) that it will be entirely responsible for any and all audit exceptions applied at any time against the previous entity, Portals, through any of its agreements with County or any department thereof, whether assessed by federal, State, or County audit(s); and (2) that these audit exceptions may arise and become payable before and after the effective date of the

merger and the cessation of the existence of Portals. The parties agree that all applicable review and dispute resolution procedures under the contract at issue shall apply.

## Implementation of Strategic Plan Goals

The recommended Board actions are consistent with the principles of the Countywide Strategic Plan Programmatic Goals No. 1, "Service Excellence" and No. 6, "Community Services." Board approval of these actions will allow for continuity of services currently provided by Portals.

## FISCAL IMPACT/FINANCING

There is no increase in net County cost.

The merger will increase the MCA of Pacific Clinics by \$14,400,400 for a total of \$78,123,400. The funding for FY 2007-08 is included in DMH's Proposed Budget. The funding for FY 2008-09 will be requested during DMH's annual budget process.

#### FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Portals, through its current contract with DMH, provides mental health care for adolescents, adults, and their families in Supervisorial Districts 1 and 2. Portals has provided mental health treatment services to communities within Los Angeles since 1950. The agency's primary administrative site is located at 679 South New Hampshire Avenue, Los Angeles, CA 90005. The program accepts referrals from DMH, the Department of Public Social Services (DPSS), the Probation Department, school districts, and other family service agencies.

In addition, Portals provides Medi-Cal Administrative Activities and Basic Care Services.

Pacific Clinics, through its current contract with DMH, provides mental health care for children, adolescents, adults, and their families in Supervisorial Districts 1, 3, 4, and 5. The agency has served the greater Pasadena area since 1926. Services are delivered in Altadena, Commerce, Covina, Downey, El Monte, Glendale, Glendora, Irwindale, La Puente, Monrovia, Norwalk, Pasadena, Pico Rivera, Pomona, Rosemead, Santa Fe Springs, Sierra Madre, and West Covina. The agency's primary administrative site is located at 800 South Santa Anita Avenue, Arcadia, CA 91006. The program accepts referrals from DMH, the Department of Children and Family Services, DPSS, the Probation Department, school districts, Wraparound, Systems of Care, and other family service agencies.

The treatment components offered by Pacific Clinics under the DMH contract include:

## **Day Services**

- Socialization
- Day Treatment Intensive: Half Day
- Day Treatment Intensive: Full Day
- Day Rehabilitation: Half Day
  - Day Rehabilitation: Full Day

## **Outpatient Services**

- Targeted Case Management Services
- Mental Health Services
- Therapeutic Behavioral Services (TBS)
- Medication Support
- Crisis Intervention

#### **Outreach Services**

- Mental Health Promotion
- Community Client Services

## **Support Services**

Client Supportive Services

In addition, in March 2007, Pacific Clinics was awarded a Consultant Agreement, MH050008 to provide Family Crisis Services/Respite Care Program. The merged Pacific Clinics will provide Family Crisis Services/Respite Care Program under this Agreement for FY 2007-08.

The proposed merger of Portals and Pacific Clinics into Pacific Clinics will result in administrative and service delivery efficiencies that will benefit the communities and clients currently being served by each agency as separate legal entities. Pacific Clinics will be administratively headquartered at the site of Pacific Clinics' current headquarters located at 800 South Santa Anita Avenue, Arcadia, CA 91006. The current Portals headquarters at 679 South New Hampshire Avenue, Los Angeles, CA 90005 will cease operations as an administrative headquarters but will continue solely as an administrative satellite site. The consolidation of administrative functions will include streamlining of tasks and elimination of redundant administrative positions that result from this proposed merger. The streamlining of administrative overhead and elimination of redundancy will result in a shift of available resources to increase service delivery capacity without additional net County cost. The surviving entity expects to expand service delivery capacity to provide mental health services to approximately 16,242 unduplicated clients annually. This represents an approximate 8 percent increase over FY 2005-06, the last full fiscal year for which data is available.

Under the proposed merger, Pacific Clinics will continue to deliver the same array of services at the Medi-Cal certified sites currently used by Portals and Pacific Clinics. The quantity and quality of services previously provided separately by Portals will not be diminished. This will minimize any unintended consequences related to continuity of care for clients and service delivery staff.

The attached Amendment format has been approved as to form by County Counsel. The CAO has reviewed the proposed actions. Clinical and Administrative staff of DMH will also continue to administer and supervise the Agreement, evaluate programs to ensure that quality services are being provided to clients, and ensure that Agreement provisions and Departmental policies are being followed.

#### IMPACT ON CURRENT SERVICES

Under the merger of Pacific Clinics and Portals, Board approval of these actions will allow for a smooth transition in the provision of mental health services, with Portals clients being able to continue to receive services at the same locations and from their same clinicians. It is anticipated that service levels and quality will be maintained so that there will be no negative impact on current services.

## CONCLUSION

The Department of Mental Health will need one (1) copy of the adopted Board actions. It is requested that the Executive Officer of the Board notify the DMH Contracts Development and Administration Division at (213) 738-4684 when this document is available.

Respectfully submitted
