Dear Supervisors:

**APPROVAL OF REQUEST FOR APPROPRIATION ADJUSTMENT FOR PAYMENT
TO CALIFORNIA MENTAL HEALTH DIRECTORS ASSOCIATION (CMHDA) FOR
STATE PASS THROUGH ADMINISTRATIVE SUPPORT FUNDS
(ALL SUPERVISORIAL DISTRICTS)
(4 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve the Request for Appropriation Adjustment (Attachment I) for \$45,000 for Fiscal Year (FY) 2003-2004. The appropriation increase will provide spending authority to the Department of Mental Health (DMH) to accept \$45,000 from the State and to pass through \$45,000 to the California Mental Health Directors Association (CMHDA). In accordance with a November 12, 2003 revised FY 2003-2004 Allocation Worksheet from the California Department of Mental Health (CDMH) (Attachment II), the \$45,000 is an adjustment to the California budget reflecting an increase of \$45,000 to provide CMHDA administrative support for the fiscal year ending June 30, 2004.
2. Approve and instruct the Chairman of your Board to execute a contract (Attachment III - Letter of Agreement) with CMHDA, in order to pass through the monies to CMHDA, effective upon Board approval.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS:

In November 2003, DMH received \$45,000 from CDMH which reflected monies to be passed through to CMHDA for administrative support activities. Per State public policy procedures, the monies are allocated to the county of the current CMHDA President; in turn, that county then passes through the monies to CMHDA. With Dr. Marvin J. Southard serving as the CMHDA President in FY 2003-2004, Los Angeles County has received the funds from the State and is expected to pass through the monies to CMHDA in support of its administrative activities.

This request for appropriation adjustment and approval of contract will allow DMH to accept from the State the \$45,000 and to pass through the funds to CMHDA.

Implementation of Strategic Plan Goals:

The recommended Board action is consistent within the County's fourth goal - "Fiscal Responsibility" within the Countywide Strategic Plan. The approved action will allow for State monies to be passed through to CMHDA to support administrative activities associated with its responsibilities to its membership and in carrying out its mission.

FISCAL IMPACT/FINANCING:

There is no impact on net County cost. For FY 2003-2004 the appropriation increase of \$45,000 is fully funded with monies received from the State's Budget Item 4440-101-0001(1), Community Services - Other Treatment.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

CMHDA is a membership organization composed of representatives of all 61 county mental health departments in California whose mission is to ensure the accessibility of quality, cost-effective mental health care for the people of the State of California, and to provide the leadership, advocacy, and support for quality care necessary to meet its vision and values for the public mental health system. Historically, CMHDA has worked from a business model developed during the late 1980's with a focus on general mental health advocacy and legislative lobbying. As responsibilities for mental health system development and management shifted from the State to the counties, CMHDA modified its role to better serve the needs of its membership. CMHDA has become an ideal and unique conduit of information about practical and successful approaches used in other counties, and has increasingly served as a linkage point between counties and consultants who can provide technical assistance and expertise in various areas.

The Honorable Board of Supervisors
March 4, 2004
Page 3

Consistent with past public policy procedures, CDMH allocates monies to the county of CMHDA's current president; the county in turn passes through the monies to CMHDA. With Dr. Southard serving as CMHDA's president in FY 2003-2004, Los Angeles County has received \$45,000 from the State and is expected to pass through the funds to CMHDA. This Board action will allow for the \$45,000 to be encumbered by DMH and then disbursed to CMHDA.

CONTRACTING PROCESS:

A contract between CMHDA and the County of Los Angeles will ensure that the \$45,000 will be passed through to CMHDA as intended by the State.

IMPACT ON CURRENT SERVICES:

There is no impact on current services.

CONCLUSION:

The Department of Mental Health will need one (1) copy of the adopted Board action. It is requested that the Executive Officer of the Board notifies the Department of Mental Health's Contracts Development and Administration Division at (213) 738-4684, when this document is available.

Respectfully submitted,

Marvin J. Southard, D.S.W.
