IOLET VARONA-LUKENS EXECUTIVE OFFICER

ard of Supervisors

Dear Supervisors:

APPROVAL OF A NEW DEPARTMENT OF MENTAL HEALTH LEGAL ENTITY AGREEMENT WITH FLORENCE CRITTENTON SERVICES OF ORANGE COUNTY. INC., DBA CRITTENTON SERVICES FOR CHILDREN AND FAMILIES FOR FISCAL YEARS 2003-2004, 2004-2005 AND 2005-2006 (ALL SUPERVISORIAL DISTRICTS) (3 VOTES)

IT IS RECOMMENDED THAT YOUR BOARD:

- Approve and instruct the Director of Mental Health to prepare, sign, and execute a 1. new Department of Mental Health (DMH) Legal Entity Agreement, substantially similar to Attachment I, with Florence Crittenton Services of Orange County, Inc., dba Crittenton Services for Children and Families for Fiscal Years (FY) 2003-2004, 2004-2005 and 2005-2006 to provide enhanced mental health services to severely emotionally disturbed (SED) children and adolescents. The annual Maximum Contract Amount will be \$1,750,000 for each of the following FYs 2003-2004, 2004-2005 and 2005-2006. The term of the Agreement will be effective upon Board approval with two automatic one-year renewal periods.
- Delegate authority to the Director of Mental Health to prepare, sign, and execute 2. future amendments to the DMH Legal Entity Agreement with Florence Crittenton Services of Orange County, Inc. provided that: 1) the County's total payments to contractor under the Agreement for each fiscal year shall not exceed a change of twenty percent from the applicable revised Maximum Contract Amount; 2) any increase shall be used to provide additional services or to reflect program and/or policy changes; 3) the Board of Supervisors has appropriated sufficient funds for all changes: 4) approval of County Counsel and the Chief Administrative Officer or his designee is obtained prior to any such Amendment; 5) the parties may by written amendment mutually agree to reduce programs or services without

reference to the twenty percent limitation; and 6) the Director of Mental Health shall notify the Board of Supervisors of Agreement changes in writing within 30 days after execution of each Amendment.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

Board approval is requested to enter into an Agreement with Florence Critttenton Services of Orange County, Inc. to provide enhanced mental health services to SED children and adolescents residing in their Rate Classification Level (RCL) 12 Group Home program under contract with the Los Angeles County Department of Children and Family Services (DCFS) and Probation Department. The RCL 12 Group Home provides for specialized treatment of seriously emotionally disturbed children and youth so that they can maintain their placement and increase their level of functioning.

The County of Orange Health Care Agency (COHCA) is the current contractor and intermediary for mental health services, and has notified DMH and Florence Crittenton Services of Orange County, Inc. of their intention to not renew their current Agreement, which expires June 30, 2003. A direct contractual relationship with Florence Crittenton Services of Orange County, Inc. would ensure uninterrupted delivery of mental health services as well as avoid unnecessary placement to this high-risk population. Florence Crittenton Services of Orange County, Inc., currently provides specialized mental health services to SED minors who are wards and dependents, including pregnant and parenting minors who would otherwise be difficult to place in programs in Los Angeles County.

DCFS and Probation has consistently requested that DMH enhance treatment services beyond what group homes can provide. In an effort to provide all Los Angeles County minors in need of both RCL 12 placement and mental health services, DCFS and Probation Department sought group home programs that were equipped to deliver specialized mental health services that addressed the unique and individualized needs of these minors. As programs geographically located in Los Angeles County have consistently remained filled at or near capacity for years, DCFS and Probation had to go outside their own geographic regions to secure residential treatment resources for minors.

DMH has confirmed that Florence Crittenton Services of Orange County, Inc provides high quality mental health programming and care to the minors, which it serves. Additionally, COHCA confirms the quality of services delivered by Florence Crittenton Services of Orange County, Inc. and that their decision not to continue the contractual relationship is for reasons of convenience.

Implementation of Strategic Plan Goals

The recommended Board Actions are consistent with the County's Fifth Goal – Children And Families' Well-Being. This new Agreement has a direct focus on ensuring that all Los Angeles County children and adolescents receive the full compliment of services to facilitate family reunification and/or placement in a less restrictive level of care where applicable.

FISCAL IMPACT/FINANCING

The Maximum Contract Amount for FY 2003-2004, FY 2004-2005 and FY 2005-2006 is \$1,750,000 annually, funded by Early and Periodic Screening, Diagnosis and Treatment (EPSDT) State General Funds in the amount of \$875,000 and Federal Financial Participation (FFP) Funds in the amount of \$875,000. The funding for FY 2003-2004 will be included in the Final Change Budget. There is no net County cost.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Florence Crittenton Services of Orange, Inc, is an RCL 12 Group Home program, which is licensed for 112 beds. They are one of the few nationally accredited providers, which also provides specialty programs in mental health services, Day Treatment, pregnant/parenting programs, child care and substance abuse. Although minors from other counties throughout California are accepted, minors from Los Angeles County occupy 79% of its residential treatment slots. The proportion of minors placed at this facility has increased since the closure of MacLaren Center.

DMH has long recognized the growing number of SED minors residing in RCL 12 Group Homes, as well as the diminishing numbers of local RCL 12 Group Homes equipped to meet those needs. In addition, there is a population of pregnant/parenting youth for whom there are even fewer beds and long waiting lists. These group homes face increasing challenges to provide adequate mental health treatment and supervision to maintain minors in the least restrictive settings.

Florence Crittenton Services of Orange County, Inc consistently demonstrates a willingness to accept children identified as "difficult to place" and those who have been refused placement by local RCL 12 agencies. They have provided comprehensive mental health services through a contractual relationship with COHCA since FY 2000-2001 demonstrating a commitment to serving Los Angeles County SED minors.

CONTRACTING PROCESS

Florence Critttenton Services of Orange County, Inc. has provided comprehensive mental health services to SED minors since FY 2000-2001 through a subcontract arrangement with the COHCA. Both DMH and COHCA confirm that the level of mental health services provided by Florence Crittenton Services of Orange County, Inc is of high quality and this contractor demonstrates a commitment to serving Los Angeles County minors. This Board Letter converts the ongoing contractual relationship with Florence Crittenton Services of Orange County, Inc. from a subcontract through COHCA to a direct contractual Agreement with DMH.

IMPACT ON CURRENT SERVICES

The Agreement with Florence Crittenton Services of Orange County, Inc. will help ensure that all Los Angeles County children and adolescents receive the full compliment of services to facilitate family reunification and/or placement in a less restrictive level of care where applicable. Los Angeles County's Agreement with Florence Crittenton Services of Orange County, Inc. provides an additional option for its children and adolescents to receive the necessary care when the RCL 12 group homes in our own geographic region become overcrowded and/or contain long waiting lists causing unnecessary delays in care.

CONCLUSION

The Department of Mental Health will need four (4) copies of the Board's action. It is requested that the Executive Officer, Board of Supervisors, notify the Department of Mental Health's Contracts Development and Administration Division at (213) 738-4684, when these documents are available.

Respectfully submitted,

Marvin . Southard, D.S.W. Director of Mental Health

- (7) EPSDT and FFP funds shall be paid by County to Contractor solely in County's capacity as the fiscal intermediary for EPSDT Title XIX Medi-Cal services, Title XIX Short-Doyle/Medi-Cal services, and Title XIX Medi-Cal Administrative Activities. Each Fiscal Year of the term of this Agreement, County shall pay to Contractor FFP funds only to the extent that the applicable Maximum Contract Amount has eligible State and/or local funds which qualify as the match to FFP, as required by Federal and/or State laws, regulations, manuals, guidelines, and directives.
- (8) EPSDT Title XIX Medi-Cal services funds, Title XIX Short-Doyle/Medi-Cal services FFP funds, Title XIX Medi-Cal Administrative Activities FFP funds, shall be paid by County to Contractor solely in County's capacity as the fiscal intermediary for EPSDT Title XIX Medi-Cal services, Title XIX Short-Doyle/Medi-Cal services, Title XIX Medi-Cal Administrative Activities. - (9) Notwithstanding any other provision of this Agreement, in the event that Contractor provides EPSDT Title XIX Medi-Cal services pursuant to the EPSDT provisions of this Agreement in excess of Contractor's EPSDT baseline as identified in Paragraph 4 (FINANCIAL PROVISIONS), Subparagraph A (3) (EPSDT) as calculated with SDMH service approval data, and County does not meet the Fiscal Year 1994-95 base as adjusted by the State, Contractor shall be paid by County from a CGF risk reserve pool established for this purpose. The CGF risk reserve pool funds shall be maintained in accordance with County policies and procedures and shall be for the SDMH general fund portion of the individual Contractor's EPSDT approved services.

Solely to assist the County in expeditiously processing and initially paying Contractor (because of the internal accounting necessity for appropriation authority) for such claims for payment pending reimbursement from the state, the Maximum Contract Amount(s) of this Agreement shall include EPSDT-SGF and/or FFP. This will establish legal authorization by the Board of Supervisors to make expenditures for the services and/or activities identified on the Financial Summary and Service Exhibit(s) of this Agreement, pending reimbursement by the state. To the extent Contractor exceeds the EPSDT-SGF and/or FFP amount(s) included in this Agreement, such excess will be paid to Contractor only upon Contract Amendment approved by the Board of Supervisors, or from an Appropriation Account set up to record the Board's

specific authorization to spend EPSDT-SGF and FFP in excess of the Maximum Contract Amount(s).

1.2

 Contractor understands and agrees that County's assistance in processing and, as an intermediary for the State and Federal governments, initially paying for EPSDT-SGF and FFP in accordance with the above is subject to reimbursement from the State and does not render County in any way responsible for the substantive obligation to be ultimately fiscally responsible for payment for Contractor's claims for payment for these services. Contractor's entitlement to payment for such services, or claimed services, is entirely dependent upon compliance with the law and regulations related to same. In the event of a dispute regarding entitlement for payment, Contractor agrees that County is not liable for payment for such claims and will not pursue any such claims for payment against County.

K. Cash Flow Advance In Expectation of Services/Activities To Be Rendered:

For each month of each fiscal year, County will reimburse Contractor based upon the County and/or State and/or federal government(s) processing of the reimbursement claims for rendered services/activities submitted by Contractor to the County subject to claim edits, and future settlements and audit processes. However, for each month of each fiscal year not to exceed three (3) or five (5) consecutive months, or portion thereof, as described below, and for such month the County and/or State and/or federal government(s) have not made payment, and/or such payment is less than 1/12th of the Maximum Contract Amount, Contractor may request in writing from County a monthly County General Fund Cash Flow Advance as herein described.

Cash Flow Advance shall consist of, and shall be payable only from, the Maximum Contract Amount appropriation approved by County's Board of Supervisors for the particular fiscal year in which the costs are to be incurred and upon which the request(s) is (are) based.

Cash Flow Advance is intended to provide cash flow to Contractor pending Contractor's rendering and billing of eligible services/activities, as identified by Paragraph 3, DESCRIPTION OF SERVICES/ACTIVITIES of this Agreement, to the County and/or State and/or federal government(s), and the County and/or State and/or federal government(s) have made payment for such services/activities. Contractor may request each monthly Cash Flow Advance only for such services/activities and only when there is no reimbursement from other public or private sources for such services/activities.

The Cash Flow Advance amount for any particular month will be reduced by County payments of actual reimbursement claims received by County from the Contractor. The County's claims payment process is initiated immediately upon County receipt from Contractor of a reimbursement claim. If such Contractor reimbursement claim is received at any time during either the initial three (3) or two (2) additional consecutive months, the monthly payment to Contractor will include the payment for such actual reimbursement claim thereby reducing the Cash Flow Advance disbursement amount for that particular month.

Cash Flow Advance is based upon the following:

(1) Each month of each fiscal year not to exceed three (3) consecutive months, or portion
thereof, that this Agreement is in effect, Contractor may request, separately for each month, in writing
from County a monthly County General Fund Cash Flow Advance for any funds which may be part of
the Maximum Contract Amount for such fiscal year as identified on the Financial Summary Page.
Contractor shall specify in their request the amount of the monthly Cash Flow Advance not to exceed
\$ per month and the total Cash Flow Advance for the three (3) months shall not exceed
\$ The Cash Flow Advance monthly amount is 1/12th of Maximum Contract Amount as
identified on the Financial Summary Page, annualized Maximum Contract Amount if a partial year.

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.

It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.

Sin pena.

Sin culpa. Sin peligro.

Los recién nacidos pueden ser entregados en forma segura en la sala de emergencia de cualquier hospital o en un cuartel de bomberos del Condado de Los Angeles.

¿Qué es la Ley de Entrega de Bebés Sin Peligro?

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden empezar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

¿Los padres deben llamar antes de llevar al bebé?

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

¿Qué ocurrirá con el bebé?

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

¿Qué pasará con el padre/madre?

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

¿Por qué California hace esto?

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

Historia de un bebé

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

Cada recién nacido merece una oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele qué otras opciones tiene.

Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.
