

Assurance of Confidentiality Statement

This is to assure you as a consumer receiving mental health services through the Los Angeles County Department of Mental Health that the consumer perception survey that you are about to complete is confidential. Your therapist will not see this and your responses will in no way affect your right to services. Because the Department will use the results to improve the quality of services, we are interested in your honest opinions, whether they are positive and/or negative. Thank you for your cooperation and help in improving our services to you.

If you have any issues or concerns that are serious and sensitive, please discuss/report these concerns immediately to the program manager who will assist you!
