PEI Data Transition from CiMH to PEI OMA

	Data Elements Collected	Triple P Data already submitted to CiMH on spreadsheets by 1/31/14	Triple P Data to be entered into PEI OMA
Beginning of Treatment Info	Client ID	Match done with the IS to derive client information, DOB had to match	User will do a client search
	Last Name	Derived from client ID	Derived from selected client ID
	First Name	Derived from client ID	Derived from selected client ID
	Provider #	Indicated on spreadsheet (needed to be a valid DMH provider #)	User will select associated provider # from dropdown list
	Therapist ID/ Staff Code	Indicated on spreadsheet, matched to valid staff codes list	User will select from dropdown list
	DSM IV Axis I Principle Diagnosis at Intake	Indicated on spreadsheet, matched to a DSM Code list	User will select from dropdown list
	Date of First EBP Treatment Session (DOFS)	Indicated on spreadsheet - must have a value that is in acceptable date format. No future dates. No dates prior to 9/1/09.	User will enter a date or select from calendar picker. Cannot be prior to 9/1/09 or be a future date
	Level/ Type	Indicated on spreadsheet. Value could not be blank	User will select from dropdown list
Questionnaires Pre/Update(s)/Post	Questionnaire Administration Date (QAD)	Not previously reported to CiMH. Derived from Date of First Session for Pres and Date of Last Session for Posts for general questionnaire. Pre QAD derived from Focus start date and Post QAD derived Focus end date for specific questionnaires.	User will enter date. DOFS will be visible on the page for entering Pres and DOLS will be visible for entering Posts for reference dates if needed. QADs for Pres must be in 21 day window (7 days prior to DOFS and up to 14 days after DOFS). QADs for Posts must be in 21 day window (7 days prior to DOLS and up to 14 days after DOLS).
	Scaled Scores	All scores required to save questionnaire	User will enter all required scores or select unable to collect
	Unable to Collect	Not previously reported to CiMH.	If unable to collect is selected, no scores will be saved and UCS reason must be selected from dropdown
	Unable to Collect Scores Reason	Treatment cycles with start dates prior to 1/31/14 will have an UCS Reason of "Never Collected (CiMH)" to choose if reason is not known due to never being collected prior to transition.	Users will select reason from dropdown list.
