HEALTH

About

Prevent Homelessness Promote Health (PH)² is a joint program between the L.A. County Departments of Mental Health and Health Services Housing for Health. (PH)² works with adults and families countywide to address risk factors and build skills that support the maintenance of permanent and stable housing.

Homelessness is Preventable

Services consist of brief interventions and other appropriate treatment modalities which are provided by an integrated team of mental health clinicians and physical health care staff and providers.

Services Offered

Single adults and families who are at risk of eviction are eligible for the following services:

- Mental Health Stabilization
 - If currently linked to MHS, ensuring individual is actively participating in appropriate level of services
- Identify and link to appropriate housing
- Building communication and problem solving skills
- Crisis/conflict resolution
- Harm reduction education

As Available:

- RN assessment for home safety modifications
- RN support for chronic disease management/ medication adherence/health literacy
- RN coordination support for higher levels of care

In order to end homelessness, we must support people’s overall health in their homes.

Criteria include: mental health need, resident of Los Angeles County, currently in permanent supportive housing or licensed residential facility and at risk of eviction.
