

▶▶ Community Leadership Team (CLT) Quarterly Meeting

Presentation on LPS reform and a conversation with special guest, Sacramento Mayor, Darrell Steinberg.

Tuesday, November 23, 2021
2:00 – 4:00 PM

The Community Leadership Team (CLT) brings together leadership from important networks of stakeholders: the Service Area Leadership Teams (SALTs), the Underserved Cultural Community Groups (UsCCs), and the Cultural Competency Committee (CCC) among others, to gather input about experiences with programs in the current mental health system; gauge the overall impact and effectiveness of programs; drive recommendations for improvement of programs and processes; and acknowledge feedback regarding future and/or unmet needs.

Mayor Darrell Steinberg has served the City of Sacramento for more than 20 years. During his tenure he championed economic development, education reform, building sustainable communities and major investments in healthcare and education. He authored the Mental Health Services Act, the first of its kind in the nation and has made unprecedented commitments to address homelessness.
