County of Los Angeles Department of Mental Health

Student Professional Development Program 2022-2022 Academic Year

Description of Site: *(Please describe the type of Agency setting and services offered)*

The Olive View Urgent Care Center strives to provide needed services in a timely manner to all consumers that present for services. The UCC is a walk in clinic. All consumers that come to the UCC are triaged by the staff and it is determined what services they need that day. If needed consumers are referred for same day medication support with a psychiatrist. Consumers are also given an intake appointment at an outpatient mental health clinic close to home. Within the UCC there is also a crisis stabilization unit where consumers are admitted if they meet criteria for 5150 hold.
*****THIS CLINIC WILL BE MOVING TO A NEW LOCATION AND SERVICES WILL MIRROR THOSE OF A TRADITIONAL OUTPATIENT CLINIC
