- Open forum for members to discuss topics of concern, issues, and provide information relevant to SA3:
 1. Care Court. Governor Newsome hopes to get votes on this and the status of preparation for non ADH which effects mental health and should be on the top of every Agenda especially SALT meetings.

VI. Future Agenda Items and other Calendar Events.

- October 2022, Suicide Prevention is planning another mental health community event in the City of Baldwin Park. This will be at the same location SALT had their event. They are hoping to flood Los Angeles County with information on suicide and mental health and hoping this will be a bigger than the last events.

- Wednesday June 15th, SPA Spirit Prevention and Aftercare will host a SPA 3 collaborative bi-monthly meeting on zoom from 10:30 a.m. to 12:00 p.m. There will be two presenters and will be a great networking opportunity. There is also space for presentations if anyone interested.
- SALT is also looking for another Co-Chair for SA 3. If anyone interested, please let LaVon Robinson or Jaime Renteria know so they can put in a vote with the rest of the members. It will be a rewarding busy job where you will learn a lot about the San Gabriel Valley.
