Locations of Publicly Funded Mental Health Services in Los Angeles County

### Locations of Publicly Funded Mental Health Services in the County of Los Angeles

**Accessible By** - The method in which services can be accessed at the provider site.

1. REFERRAL ONLY: Provider site only accepts clients who meet specific criteria; Community members cannot walk-in or call to request services.
2. PHONE/WALK-INS: Provider site accepts anyone interested in services either by phone, walk-in or other means.
3. PHONE ONLY: Provider site only accepts telephone calls to schedule an appointment.
4. EMERGENCY RESPONSE ONLY: Provider site only accepts individuals in crisis; does not provide on-going treatment.

**DSM5 Practice Focus** - Categories of mental health diagnoses that a site and/or practitioner at a site may concentrate on in treatment. All sites and practitioners are generalists in mental health diagnoses.

**Language** - Specific languages spoken by practitioners at the provider. Languages not listed can be made available through an interpreter.

**Operation** - Type of relationship the provider site has with the Los Angeles County Department of Mental Health.

**Programs** - A Program is a specific method of providing services to a particular population.

**Services** - Services offered at this location.

1. Day Treatment/Rehab - A structured, multi-disciplinary program lasting less than 24 hours to avoid placement in a more restrictive setting. Program activities may include progress groups, skill-building, and/or therapy.
2. Crisis Stabilization - Activities lasting less than 24 hours to stabilize a crisis situation that cannot be safely addressed in a community setting (e.g. home or office setting)
3. Crisis Intervention - Activities to immediately address a mental health crisis while in a community setting (e.g. home or office setting)
4. Medication Support Services - Medication related activities such as prescribing, administering, and monitoring medications to improve mental wellbeing.
5. Mental Health Services - Individual, group or family-based activities to improve mental wellbeing. Includes assessment, plan development, therapy, rehabilitation (skill-building), and/or assisting significant supports.
6. Targeted Case Management - Activities to assist in accessing needed community services such as medical, educational, social or vocational services.
7. Therapeutic Behavioral Services - Individualized one-to-one intensive activities available to those under 21 years of age to help manage behaviors in the home, school or other setting.
8. Community Outreach Services - Outreach and engagement activities to reach more people in the community and work with other community agencies to foster mental wellbeing
9. Residential - Structured activities available 24 hours a day, seven days a week and provided in a non-hospital, residential setting

for individuals at risk of hospitalization.

10. Inpatient - Activities in a hospital setting provide 24 hour care and address severe mental health conditions

**Special Population** - Specific cultures that a site and/or practitioner may concentrate on in treatment. All sites and practitioners are trained in cultural competency.
