What are the most frequent diagnostic categories of your client population?

The most frequent diagnostic categories of our client population are mood disorders such as depression and bi-polar disorder, anxiety disorders such as PTSD and psychotic disorders such as Schizophrenia and Schizoaffective disorder.

What specific (perhaps unique) training opportunities do students have at your agency?

Students can avail of the multitude of training opportunities through DMH such as crisis intervention, suicide screening, evidence based practices.

What evidence based practices or theoretical orientations will students be exposed to at this site?

Cognitive Behavioral Therapy, Seeking Safety, Motivational Interviewing, Dialectical Behavior Therapy and ASSIST.

Do students have the opportunity to work in a multidisciplinary team environment that includes those with lived experience?

Yes. Students will be able to interact with psychiatrists, nurses, clinical social workers, community workers, psychiatric technicians, and volunteers with lived experience.

List locations where students will be providing services **other than agency?**

Students will be providing services in the clinic. They will not be field based.

Does your agency allow students to videotape and/or audiotape clients for the purpose of presenting cases in their academic classes? Yes No

Student Professional Development Program

Supervision:

What types of supervision will be provided for the students and what is the licensure/discipline of the supervisor? Please specify below.

Type	Hours Per Week	On Site Supervisor Degree/Discipline
Individual:	1 hour/week	Licensed Clinical Social Worker
Group:	TBD	

What is the minimum ratio of supervision to client contact hours?

1 hour/5 client contact hrs

Does your agency require a particular range of previous experience or specific prerequisite coursework? *If so, please explain.*

No. However, we would prefer second year or advanced placement students only.

Agency Application Process

Mandatory requirements: *Only students from academic institutions who have a current affiliation agreement with the Los Angeles County Department of Mental Health may be extended a placement opportunity. All students are processed through Human Resources Bureau. All prospective interns must obtain live scan clearance. All interns are required to complete a mandatory HIPAA Compliance and Sexual Harassment Prevention Training (for line staff) as part as the terms of their internship.*
