## CBO BULLETINS ISSUED IN 2023

The Central Business Office (CBO) issues notices to provide useful tips and information related to reporting services, submitting claims, payment, financial screening and financial operations workflow, benefits establishment, and best business practices. The goal of CBO's informational bulletins is to enhance operational workflows as well as the quality and outcome of billing and claiming for services by all Short-Doyle specialty mental health providers in Los Angeles County. Below is a list of the CBO Bulletins that were issued to Legal Entity/Non-Governmental Agency contract provider programs in 2023.
