DMH Constituent Referral Report for the July 2024 Mental Health Commission Meeting

DMH received five constituent referrals from the Mental Health Commission during the month of June 2024. Four of the referrals were for mental health services, and one for mental health and housing services. Two were from concerned family members/loved ones. The constituents were contacted and assisted with their requests. In the referrals regarding family members/loved ones, both the requester and the individuals of concern were contacted.
