

SUBMISSION OF FY 2024-25 SPECIALTY MENTAL HEALTH SERVICE CLAIMS NOW AVAILABLE

The California Department of Health Care Services (DHCS) has updated the code set used for claiming specialty mental health services to Medi-Cal. These changes were effective July 1, 2024. While the Integrated Behavioral Health Information System (IBHIS) claims adjudication system was being updated to support the changes DHCS made to the code set, all providers were instructed to hold Fiscal Year (FY) 2024-25 claims. (For more information, see [CBO Bulletin NGA 24-009](#).)

The Los Angeles County Department of Mental Health (LACDMH) has completed its updates to IBHIS. IBHIS is now able to process FY 2024-25 claims under the new claiming requirements. Legal Entity (LE) contract providers may begin submitting claims for services on or after July 1, 2024 effective Friday, August 9, 2024. The updates to IBHIS supporting FY 2024-25 services did not affect claiming for prior fiscal years. Submission of claims for dates of service on or before June 30, 2024 may continue uninterrupted.
