## 2 INTRODUCTION

- 2.1 The Los Angeles County (LAC or County) Department of Mental Health (Department or DMH) is issuing this Request for Services (RFS) to solicit proposals from current LACDMH Mental Health Services Legal Entity (LE) contractors to expand Early Psychosis (EP) services through the provision of the Early Psychosis Intervention - Los Angeles (EPI-LA) program (formerly the Portland Identification and Early Referral [PIER] Model). LACDMH will expand its EP services for adolescents and young adults ages 12 through 25 within the first two years of their first episode of psychosis by utilizing the evidence-based Coordinated Specialty Care (CSC) Model.
- 2.2 LACDMH seeks to award one (1) contract per LAC Service Area (SA) for SAs 1, 6 and 8. The estimated annual budget amount per contract is anticipated to be \$800,000 per year. These services will be reimbursed through claims submitted in LACDMHs electronic information system per Exhibit A- Financial Exhibit (Financial Provisions) of the current LE contract.
- 2.3 Titles, captions, and headings contained in this solicitation are inserted as a matter of convenience and for reference and are not intended and must not be deemed or construed to define, limit, extend or otherwise describe the scope or any provision of this solicitation.

## 3 PURPOSE – EARLY PSYCHOSIS INTERVENTION – LA SERVICES

### 3.1 Statement of Work (SOW)

The selected Contractor is expected to implement the requirements outlined in Exhibit A (SOW and Attachments) of this RFS.

### 3.2 Sample LACDMH Mental Health Services LE Agreement

Selected Contractor is expected to implement the requirements outlined in the current LE Agreement.

#### 3.2.1 Anticipated Program Term

The EPI-LA Program services are anticipated to last three (3) years unless County terminates them at the County's sole discretion.

#### 3.2.2 Contract Rates for EPI-LA Program Services

The implementation of California Advancing and Innovating Medi-Cal (CalAIM) became effective on July 1, 2023. LACDMH adheres to the California Department of Health Care Services requirements for claiming and reporting.

The selected Contractor's budgeted amount for the EPI-LA Program is established and will remain firm and fixed for the term of the Contract unless otherwise revised through a formal amendment.

#### 3.2.3 Days of Operation

The selected Contractor is required to provide EP services during the hours outlined in Exhibit A (SOW and Attachments).

## 4 PROPOSER'S MINIMUM MANDATORY REQUIREMENTS

Interested and qualified Proposers that can demonstrate their ability and qualifications to successfully provide the required services outlined in Exhibit A (SOW and Attachments) are invited to submit a proposal, provided Proposer meets all the following mandatory requirements at the time of proposal submission:

- 4.1 Proposal must be submitted by the proposal due date and time identified in Paragraph 1.0 (Solicitation Information and Minimum Mandatory Requirements).

*LACDMH will verify.*

- 4.3 Proposer must EITHER be a current provider of PIER services through the LE contract in paragraph 4.2 above OR currently providing any type of EBPs to Transition-Age Youth (TAY).

*Submission is not required. LACDMH will verify.*

*Submission is not required. LACDMH will verify.*

## 5 COUNTY'S RIGHTS AND RESPONSIBILITIES

### **5.1 Representations Made Prior to Contract Execution**

The County is not responsible for representations made by any of its officers or employees prior to the execution of the contract unless such understanding or representation is included in the contract.

### **5.2 Final Contract Award by the Board of Supervisors**

Notwithstanding a recommendation of a Department, agency, individual, or other, the Board of Supervisors retains the right to exercise its judgment concerning the selection of a proposal and the terms of any resultant agreement, and to determine which proposal best serves the interests of the County. The Board is the ultimate decision-making body and makes the final determinations necessary to arrive at a decision to award, or not award, a contract.

### **5.3 County's Option to Reject Proposals**

Proposers are hereby advised that this RFS is a solicitation for proposals only, and is not intended, and is not to be construed as, an offer to enter into a contract or as a promise to engage in any formal competitive bidding or negotiations pursuant to any statute, ordinance, rule, or regulation. The County may, at its sole discretion, reject any or all proposals submitted in response to this RFS or may, in its sole discretion, reject all proposals and cancel this RFS in its entirety. The County will not be liable for any costs incurred by the proposer in connection with the preparation and submission of any proposal. The County reserves the right to waive inconsequential disparities in a submitted proposal.

### **5.4 County's Right to Amend Request for Services**

The County has the right to amend the RFS by written addendum. The County is responsible only for that which is expressly stated in the solicitation document and any authorized written addenda thereto. Such addendum will be made available to each person or organization which County records indicate has received this RFS. Should such addendum require additional information not previously requested, failure to address the requirements of such addendum may result in the proposal being found non-responsive and not being considered, as determined in the sole discretion of the County. The County is not responsible for and will not be bound by any representations otherwise made by any individual acting or purporting to act on its behalf.

### **5.5 Background and Security Investigations**

Background and security investigations of the selected Contractor's staff may be required at the discretion of the County as a condition of beginning and continuing work under any resulting contract. The cost of background checks is the responsibility of the selected Contractor.

## **6 NOTIFICATION TO PROPOSERS**

## **6.1 Notice to Proposers Concerning the Public Records Act**

**6.1.1** Responses to this solicitation will become the exclusive property of the County. Absent extraordinary circumstances, the recommended Proposer's proposal will become a matter of public record when 1) contract negotiations are complete; 2) LACDMH receives a letter from the recommended Proposer's authorized officer that the negotiated contract is the firm offer of the recommended Proposer; and 3) LACDMH releases a copy of the recommended Proposer's proposal in response to a Notice of Intent to Request a Proposed Contractor Selection Review under Board Policy No. 5.055 ([Services Contract Solicitation Protest](#)).

Notwithstanding the above, absent extraordinary circumstances, all proposals will become a matter of public record when LACDMH's proposer recommendation appears on the Board agenda.

Exceptions to disclose are those parts or portions of all proposals that are justifiably defined as business or trade secrets, and plainly marked by the proposer as "Trade Secret", "Confidential", or "Proprietary".

**6.1.2** In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "Confidential", "Trade Secrets", or "Proprietary", Proposer agrees to defend and indemnify County from all costs and expenses, including reasonable attorneys' fees, incurred in connection with any action, proceedings, or liability arising in connection with the Public Records Act request.

## **6.2 Contact with County Personnel**

All contact regarding this RFS or any matter relating thereto must be in writing, and e-mailed to:

Kiki Helland, ASM II  
[SolicitationsTeam@dmh.lacounty.gov](mailto:SolicitationsTeam@dmh.lacounty.gov)

If it is discovered that a Proposer contacted and received information from any County personnel, other than the person specified above, regarding this solicitation, County, in its sole determination, may disqualify their proposal from further consideration.

## **6.3 Mandatory Requirement to Register on County's WebVen**

Prior to a contract award, all potential Contractors must register in the County's WebVen. WebVen contains the vendor's business profile and identifies the goods/services the business provides. Registration can be accomplished online via the Internet by accessing the County's home page at:

<http://camisvr.co.la.ca.us/webven/>

## **6.4 Protest Policy Review Process**

**6.4.1** Under Board Policy No. 5.055 ([Services Contract Solicitation Protest](#)) any prospective Proposer may request a review of the requirements under a solicitation for a Board-approved services contract, as described in Paragraph 6.4.3 (Grounds for Review) below. Additionally, any actual Proposer may request a review of a disqualification or of a proposed contract award under such a solicitation, as described respectively in the paragraphs below. It is the responsibility of the Proposer challenging LACDMH's decision to demonstrate that LACDMH committed a sufficiently material error in the solicitation process to justify invalidation of a proposed contract award.

**6.4.2** Throughout the review process, the County has no obligation to delay or otherwise postpone an award of contract based on a Proposer protest. In all cases, the County reserves the right to make an award when it is determined to be in the best interest of the County of Los Angeles to do so.

### **6.4.3 Grounds for Review**

Unless State or federal statutes or regulations otherwise provide, the grounds for review of a solicitation for a Board-approved services contract provided for under Board Policy No. 5.055 ([Services Contract Solicitation Protest](#)) are limited to the following:

**6.4.3.1** Solicitation Requirements Review (referenced in Paragraph 10.1)

**6.4.3.2** Disqualification Review (referenced in Paragraph 10.2)

**6.4.3.3** LACDMH's Proposed Contractor Selection Review (referenced in Paragraph 10.3)

**6.4.3.4** County Independent Review (referenced in Paragraph 10.4)

## **6.5 Conflict of Interest**

**6.5.1** No County employee whose position in the County enables them to influence the selection of a contractor for this RFS, or any competing RFS, nor any spouse or economic dependent of such employees, will be employed in any capacity by a Proposer or have any other direct or indirect financial interest in the selection of a Contractor. Proposer must certify that they are aware of and have read [Section 2.180.010 of the Los Angeles County Code](#) as stated in Exhibit 2 (Certification of Compliance) of Appendix B (Required Forms).

## **6.6 Determination of Proposer Responsibility**

**6.6.1** A responsible Proposer is a Proposer who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and

experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible Proposers.

**6.6.2** Proposers are hereby notified that, in accordance with [Chapter 2.202 of the County Code](#), the County may determine whether the Proposer is responsible based on a review of the Proposer's performance on any contract, including but not limited to County contracts. Particular attention will be given to violations of labor laws related to employee compensation and benefits, and evidence of false claims made by the Proposer against public entities. Labor law violations which are the fault of subcontractors and of which the Proposer had no knowledge will not be the basis of a determination that the Proposer is not responsible.

**6.6.3** The County may declare a Proposer to be non-responsible for purposes of this proposed contract if the Board of Supervisors, in its discretion, finds that the Proposer has done any of the following: 1) violated a term of a contract with the County or a nonprofit corporation created by the County; 2) committed an act or omission which negatively reflects on the Proposer's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; 3) committed an act or omission which indicates a lack of business integrity or business honesty; or 4) made or submitted a false claim against the County or any other public entity.

**6.6.4** If there is evidence that the apparent highest ranked Proposer may not be responsible, LACDMH will notify the Proposer in writing of the evidence relating to the Proposer's responsibility, and its intention to recommend to the Board of Supervisors that the Proposer be found not responsible. LACDMH will provide the Proposer and/or the Proposer's representative with an opportunity to present evidence as to why the Proposer should be found to be responsible and to rebut evidence which is the basis for LACDMH's recommendation.

**6.6.5** If the Proposer presents evidence in rebuttal to LACDMH, LACDMH will evaluate the merits of such evidence, and based on that evaluation, make a recommendation to the Board of Supervisors. The final decision concerning the responsibility of the Proposer will reside with the Board of Supervisors.

**6.6.6** These terms will also apply to proposed subcontractors of Proposers on County contracts.

## **6.7 Proposer Debarment**

**6.7.1** The Proposer is hereby notified that, in accordance with [Chapter 2.202 of the County Code](#), the County may debar the Proposer from bidding or proposing on, or being awarded, and/or performing work on other

County contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and the County may terminate any or all of the Proposer's existing contracts with County, if the Board finds, in its discretion, that the Proposer has done any of the following: 1) violated a term of a contract with the County or a nonprofit corporation created by the County; 2) committed an act or omission which negatively reflects on the Proposer's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; 3) committed an act or offense which indicates a lack of business integrity or business honesty; or 4) made or submitted a false claim against the County or any other public entity. These terms will also apply to proposed subcontractors of Proposers on County contracts.

- 6.7.2** A listing of Contractors that are currently on the Debarment List for Los Angeles County may be obtained on the following website: <https://doingbusiness.lacounty.gov/listing-of-contractors-debarred-in-los-angeles-county/>.

## **6.8 Improper Considerations**

### **6.8.1 Attempt to Secure Favorable Treatment**

It is improper for any County officer, employee or agent to solicit consideration, in any form, from a Proposer with the implication, suggestion or statement that the Proposer's provision of the consideration may secure more favorable treatment for the Proposer in the award of the contract or that the Proposer's failure to provide such consideration may negatively affect the County's consideration of the Proposer's submission. A Proposer must not offer or give either directly or through an intermediary, consideration, in any form, to a County officer, employee or agent for the purpose of securing favorable treatment with respect to the award of the contract.

### **6.8.2 Proposer Notification to County**

A Proposer must immediately report any attempt by a County officer, employee or agent to solicit such improper consideration. The report must be made to the Los Angeles County Fraud Hotline at (800) 544-6861 or <https://fraud.lacounty.gov/>. Failure to report such a solicitation may result in the Proposer's submission being eliminated from consideration.

### **6.8.3 Form of Improper Consideration**

Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

## **6.9 Notice to Proposers Regarding the County Lobbyist Ordinance**

The County has enacted an ordinance regulating the activities of persons who lobby County officials. This ordinance, referred to as the "Lobbyist Ordinance", defines a County Lobbyist and imposes certain registration requirements upon individuals meeting the definition. The complete text of the ordinance can be found in County Code Chapter 2.160. In effect, each person, corporation or other entity that seeks a County permit, license, franchise or contract must certify compliance with the ordinance. As part of this solicitation process, it will be the responsibility of each Proposer to review the ordinance independently as the text of said ordinance is not contained within this RFS. Thereafter, each person, corporation or other entity submitting a response to this solicitation, must certify that each County Lobbyist, as defined by Los Angeles County Code Section 2.160.010, retained by the Proposer is in full compliance with Chapter 2.160 of the Los Angeles County Code and each such County Lobbyist is not on the Executive Office's List of Terminated Registered Lobbyists.

## **6.10 Consideration of GAIN-START Participants for Employment**

**6.10.1** As a threshold requirement for consideration for contract award, proposers must demonstrate a proven record of hiring participants in the County's [Department of Public Social Services Greater Avenues for Independence \(GAIN\) or Skills and Training to Achieve Readiness for Tomorrow \(START\) Programs](#) or must attest to a willingness to consider GAIN/START participants for any future employment openings if they meet the minimum qualifications for that opening. Proposers must attest to a willingness to provide employed GAIN/START participants access to the Proposers' employee mentoring program, if available, to assist these individuals in obtaining permanent employment and/or promotional opportunities.

**6.10.2** Proposers who are unable to meet this requirement will not be considered for contract award. Proposers must submit a completed Exhibit 2 (Certification of Compliance) of Appendix B (Required Forms), along with their proposal.

## **6.11 Jury Service Program**

**6.11.1** The prospective contract is subject to the requirements of the County's Contractor Employee Jury Service Ordinance ("Jury Service Program") ([Los Angeles County Code, Chapter 2.203](#)). Prospective Contractors should carefully review Paragraph 8.8 (Compliance with the County's Jury Service Program) of Appendix A (Sample LE Contract), both of which are incorporated by reference into and made a part of this RFS. The Jury Service Program applies to both Contractors and their subcontractors.

Proposals that fail to comply with the requirements of the Jury Service Program will be considered non-responsive and excluded from further consideration.

**6.11.2** Contractor must certify compliance with County’s Contractor Employee Jury Service Ordinance in Exhibit 2 (Certification of Compliance) of Appendix B (Required Forms). If a Contractor does not fall within the Jury Service Program’s definition of “Contractor” or if it meets any of the exceptions to the Jury Service Program, then the Contractor must so indicate in Exhibit 2 (Proposer’s Certification of Compliance) of Appendix B (Required Forms) and include with its submission all necessary documentation to support the claim such as tax returns or a collective bargaining agreement, if applicable. Upon reviewing the contractor’s application, the County will determine, in its sole discretion, whether the Contractor falls within the definition of Contractor or meets any of the exceptions to the Jury Service Program. The County’s decision will be final.

**6.12 Notification to County of Pending Acquisitions/Mergers by Proposing Company**

Each Proposer must notify the County of any pending acquisitions/mergers of its company unless otherwise legally prohibited from doing so. If the Proposer is restricted from legally notifying the County of pending acquisitions/mergers, then it should notify the County of the actual acquisitions/mergers as soon as the law allows and provide to the County the legal framework that restricted it from notifying the County prior to the actual acquisitions/mergers. This information must be provided. Failure of the Proposer to provide this information may eliminate its proposal from any further consideration. Proposer will have a continuing obligation to notify the County and update any changes during the solicitation.

**6.13 Proposer’s Charitable Contributions Compliance**

**6.13.1** California’s “Supervision of Trustees and Fundraisers for Charitable Purposes Act” regulates receiving and raising charitable contributions. Among other requirements, those subject to the Charitable Purposes Act must register. The 2004 Nonprofit Integrity Act (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. Prospective contractors should carefully read Appendix D (Background and Resources: California Charities Regulation). These rules cover California public benefit corporations, unincorporated associations, and trustee entities and may include similar foreign corporations doing business or holding property in California. The Nonprofit Integrity Act contains substantive requirements affecting executive compensation, fund-raising practices and documentation. Charities with over two million dollars (\$2,000,000) of revenues (excluding funds that must be

accounted for to a governmental entity) also have specific audit requirements.

**6.13.2** All prospective Contractors must determine if they receive or raise charitable contributions which subject them to the Charitable Purposes Act and complete the certification form attached as Exhibit 2 (Certification of Compliance) in Appendix B (Required Forms). A completed Exhibit 2 (Certification of Compliance) of Appendix B (Required Forms) is a required part of any agreement with the County.

**6.13.3** Prospective County Contractors that do not complete Exhibit 2 (Certification of Compliance) of Appendix B (Required Forms) as part of the solicitation process may, in the County's sole discretion, be disqualified from contract award. A County Contractor that fails to comply with its obligations under the Charitable Purposes Act is subject to either contract termination or debarment proceedings or both. ([County Code Chapter 2.202](#)).

#### **6.14 Defaulted Property Tax Reduction Program**

**6.14.1** The prospective contract is subject to the requirements of the County's Defaulted Property Tax Reduction Program ("Defaulted Tax Program"), ([Los Angeles County Code, Chapter 2.206](#)). Prospective Contractors should reference the pertinent provisions in Paragraph 8.51 (Warranty of Compliance with County's Defaulted Property Tax Reduction Program) and 8.52 (Termination for Breach of Warranty to Maintain Compliance with County's Defaulted Property Tax Deduction Program) of Appendix A (Sample LE Contract), both of which are incorporated by reference into and made a part of this solicitation. The Defaulted Tax Program applies to both Contractors and their subcontractors.

**6.14.2** Proposers will be required to certify that they are in full compliance with the provisions of the Defaulted Tax Program and must maintain compliance during the term of any contract that may be awarded pursuant to this solicitation or must certify that they are exempt from the Defaulted Tax Program by completing Exhibit 2 (Certification of Compliance) in Appendix B (Required Forms). Failure to maintain compliance, or to timely cure defects, may be cause for termination of a contract or initiation of debarment proceedings against the non-compliant contractor ([Los Angeles County Code, Chapter 2.202](#)).

**6.14.3** Proposals that fail to comply with the certification requirements of the Defaulted Tax Program will be considered non-responsive and excluded from further consideration.

## **6.15 Proposer's Acknowledgement of County's Commitment to Zero Tolerance Policy on Human Trafficking**

**6.15.1** On October 4, 2016, the Los Angeles County Board of Supervisors approved a motion taking significant steps to protect victims of human trafficking by establishing a zero-tolerance policy on human trafficking. The policy prohibits Contractors engaged in human trafficking from receiving contract awards or performing services under a County contract.

**6.15.2** Contractors are required to complete Exhibit 2 (Certification of Compliance) in Appendix B (Required Forms), certifying that they are in full compliance with the County's Zero Tolerance Policy on Human Trafficking provision as defined in Paragraph 8.54 (Compliance with County's Zero Tolerance Policy on Human Trafficking) of Appendix A (Sample LE Contract). Further, Contractors are required to comply with the requirements under said provision for the term of any contract awarded pursuant to this solicitation.

## **6.16 Intentionally Omitted**

### **6.17 Default Method of Payment: Direct Deposit or Electronic Funds Transfer (EFT)**

**6.17.1** The County, at its sole discretion, has determined that the most efficient and secure default form of payment for goods and/or services provided under an agreement/contract with the County must be Electronic Funds Transfer (EFT) or direct deposit, unless an alternative method of payment is deemed appropriate by the Auditor-Controller (A-C).

**6.17.2** Upon contract award or at the request of the A-C and/or DMH, the selected contractor must submit a direct deposit authorization request with banking and vendor information, and any other information that the A-C determines is reasonably necessary to process the payment and comply with all accounting, record keeping, and tax reporting requirements.

**6.17.3** Any provision of law, grant, or funding agreement requiring a specific form or method of payment other than EFT or direct deposit will supersede this requirement with respect to those payments.

**6.17.4** Upon contract award or at any time during the duration of the agreement/contract, a Contractor may submit a written request for an exemption to this requirement. The A-C, in consultation with DMH, will decide whether to approve exemption requests.

## **6.18 Proposer's Acknowledgement of County's Commitment to Fair Chance Employment Hiring Practices**

**6.18.1** On May 29, 2018, County approved a Fair Chance Employment Policy in an effort to remove job barriers for individuals with criminal records. The policy requires businesses that contract with the County to comply with fair chance employment hiring practices set forth in California Government Code [Section 12952](#).

**6.18.2** Contractors are required to complete Exhibit 2 (Certification of Compliance) in Appendix B (Required Forms), certifying that they, and their subcontractors, are in full compliance with Government Code [Section 12952](#), as indicated in Appendix A (Sample LE Contract). Further, selected contractors are required to comply with the requirements under Government Code [Section 12952](#) for the term of any contract awarded pursuant to this solicitation.

## **6.19 Prohibition from Participation in Future Solicitation(s)**

A Proposer, or a Contractor or its subsidiary or subcontractor ("Proposer/Contractor"), is prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has provided advice or consultation for the solicitation. A Proposer/Contractor is also prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has developed or prepared any of the solicitation materials on behalf of the County. A violation of this provision will result in the disqualification of the Proposer/Contractor from participation in the County solicitation or the termination or cancellation of any resultant County contract. (Los Angeles County Code, Chapter 2.202).

## **6.20 Community Business Enterprise (CBE) Participation**

The County has adopted a Community Business Enterprise (CBE) Program, which includes business enterprises certified as disadvantaged business enterprises disabled veterans-owned, minority-owned, women-owned, and lesbian, gay, bisexual, transgender, queer, and questioning-owned business types. The County has established a collective 25% participation goal for CBE certified firms, calculated on the eligible procurement dollars. The program maintains data on the types of businesses registered as CBEs and their utilization. The Proposer's CBE participation must be reflected in Exhibit 5 (Community Based Enterprise (CBE) Information) form in Appendix B (Required Forms).

All Proposers must document efforts it has taken to assure that CBEs are utilized, when possible, to provide supplies, equipment, technical services, and other services under this contract. Proposers must make documents related to these efforts available to the County upon request.

The County strongly encourages participation by CBEs; however, the final selection will be made without regard to race, color, creed, or gender. The final

selection will be based on the Proposer's ability to provide the best service and value to the County.

To obtain a list of the County's CBE certified firms, e-mail the request to the County of Los Angeles Department of Economic Opportunity at [CBESBE@opportunity.lacounty.gov](mailto:CBESBE@opportunity.lacounty.gov) with the subject "Request for CBE Listing."

## **6.21 Contribution and Agent Declaration**

[Government Code Section 84308](#) requires a party to a contract proceeding to disclose any contribution of more than \$250 made to a County officer within the preceding twelve (12) months by the party or their agent. State regulations require this disclosure to be made at the time an application is filed, and, if a contribution is made during the contract proceeding, within 30 days of making a contribution or on the date on which the party first appears before or communicates with the agency regarding the proceeding after making the contribution, whichever is earliest. All Proposers are advised that they and all of their Subcontractors must complete and return as part of the proposal, the Contribution and Agent Declaration included in Exhibit 9 (Contribution and Agent Declaration Form) of Appendix B (Required Forms). Proposers are further advised that they and their Subcontractors must update the Contribution and Agent Declaration Form throughout the pendency of the solicitation if a contribution is made after the initial disclosure when the proposal is submitted, and as requested at any time by the County prior to contract award. Failure by the Proposer or any Subcontractor(s) to complete and submit the required Contribution and Agent Declaration Form in Exhibit 9, and failure by the Proposer or any Subcontractor(s) to update the declaration as required by law or as otherwise requested by the County, may eliminate the proposal from further consideration and/or the Proposer may be disqualified from a contract award, as determined in the County's sole discretion. Further, all Proposers and their Subcontractors are prohibited under [Government Code Section 84308](#) from making a contribution of more than \$250 to a County officer for twelve (12) months after the date a final decision is made in the contract proceeding involving this solicitation.

## **6.22 Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transactions (45 C.F.R. Part 76)**

**6.22.1** Pursuant to federal law, the County is prohibited from contracting with parties that are suspended, debarred, ineligible, or excluded, or whose principals are suspended, debarred, or excluded from securing federally funded contracts. At the time of Proposer's response to this RFS, Proposer must submit a certification, as set forth in Exhibit 11 (Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transactions [45 C.F.R. Part

76]) in Appendix B (Required Forms), attesting that neither it, as an organization, nor any of its owners, officers, partners, directors, or other principals are currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Should a proposal response to this RFS identify prospective subcontractors, or should Proposer intend to use subcontractors in the provision of services under any subsequent contract, Proposer must submit a certification, completed by each subcontractor, attesting that neither the subcontractor, as an organization, nor any of its owners, officers, partners, directors, or other principals are currently suspended, debarred, ineligible, or excluded from securing federally funded contracts.

- 6.22.2** Failure to provide the required certification may eliminate Proposer's response to RFS from consideration.
- 6.22.3** In the event that Proposer and/or its subcontractor(s) is or are unable to provide the required certification, Proposer instead will provide a written explanation concerning its and/or its subcontractor's inability to provide the certification. Proposer's written explanation must describe the specific circumstances concerning the inability to certify. It further must identify any owner, officer, partner, director, or other principal of the Proposer and/or subcontractor who is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Finally, the written explanation must provide that person's or those persons' job description(s) and function(s) as they relate to the contract which is being solicited by this RFS.
- 6.22.4** The written explanation will be examined by the County to determine, in its full discretion, whether further consideration of the proposal response to this RFS is appropriate under the federal law.

### **7.1 Overview of County's Preference Programs**

- 7.1.1** The County of Los Angeles has three preference programs: The Local Small Business Enterprise (LSBE), Disabled Veteran Business Enterprise (DVBE), and Social Enterprise (SE). - 7.1.2** The Preference Programs (LSBE, DVBE, and SE) require that a business complete certification prior to requesting a preference in a solicitation. This program and how to obtain certification are further explained in paragraph 6.2, 6.4, and 6.5 of this solicitation. Additional information on the County's preference programs is also available on

the Department of Consumer and Business Affairs (DCBA) website at: <http://dcba.lacounty.gov>.

## **8 PROPOSAL REQUIREMENTS AND EVALUATION**

This Paragraph contains key project activities, provides Proposers with proposal submission requirements and submittal instructions, and identifies evaluation criteria.

### **8.1 Truth and Accuracy of Representations**

False, misleading, incomplete, or deceptively unresponsive statements in connection with a proposal will be sufficient cause for rejection of the proposal. The evaluation and determination in this area will be at the LACDMH's sole judgment and their judgment will be final. Proposals may be withdrawn from consideration at any time by sending written notice to [SolicitationsTeam@dmh.lacounty.gov](mailto:SolicitationsTeam@dmh.lacounty.gov).

Mandatory Letters of Intent must include: 1) Full business name of agency; 2) Business address of agency; 3) Contact Person for agency; 4) LAC Service Area for Proposal; and 5) a Statement of intent to submit a proposal in response to RFS Bid No. DMH08082024B1.

## **9 SELECTION PROCESS OVERVIEW**

### **9.1 Adherence to Minimum Requirements (Pass-Fail)**

LACDMH will review Proposal to determine if the Proposer meets all the minimum requirements as outlined in Section 4.0 (Minimum Mandatory Requirements) of this RFS.

Failure of the Proposer to comply with the minimum requirements may eliminate its proposal from any further consideration. LACDMH may elect to waive any informality in a proposal if the sum and substance of the proposal is present.

### **9.2 Selection Process**

LACDMH reserves the sole right to judge the contents of the proposals submitted pursuant to this RFS and to review, evaluate and select the successful proposal(s). The selection process will begin with receipt of the proposal on the date outlined in Paragraph 1 (Solicitation Information and Minimum Mandatory Requirements) of this RFS.

Evaluation of the proposals will be made by an Evaluation Committee selected by LACDMH. The Committee will evaluate the proposals and will use the evaluation approach described in this RFS to select a prospective Contractor.

#### **Evaluation of Proposals**

All proposals will be evaluated based on the criteria listed in Section 8 (Proposal Requirements and Evaluation) and will be scored and ranked in numerical sequence from high to low.

#### **Determination of Highest-Overall Rated Proposer**

LACDMH will use informed averaging scoring to arrive at a total cumulative (or “final”) score, which will be used to determine and select the highest-overall rated Proposer.

After a prospective Contractor(s) has been selected, LACDMH and the prospective Contractor(s) will negotiate a contract for submission to the Board of Supervisors for its consideration and possible approval. If a satisfactory contract cannot be negotiated, LACDMH may, at its sole discretion, begin contract negotiations with the next qualified Proposer who submitted a proposal, as determined by LACDMH.

The recommendation to award a contract will not bind the Board of Supervisors to award a contract to the prospective Contractor.

LACDMH retains the right to select a proposal other than the proposal receiving the highest number of points if LACDMH determines, in its sole discretion, another proposal is the most overall qualified, cost-effective, responsive, responsible and in the best interests of the County.

## **10 PROTEST PROCESS OVERVIEW**

## **10.1 Solicitation Requirements Review**

Any person or entity may seek a Solicitation Requirements Review by submitting Appendix C (Transmittal Form to Request a Solicitation Requirements Review) to LACDMH. A request for a Solicitation Requirements Review may be denied, in LACDMH's sole discretion, if the request does not satisfy all the following criteria:

- 10.1.1** The request is made within the time frame identified in the solicitation document (generally within 10 business days of the issuance of the solicitation document);
- 10.1.2** The request includes documentation (e.g., letterhead, business card, etc.), which identifies the underlying authority of the person or entity to submit a proposal.
- 10.1.3** The request itemizes in appropriate detail, each matter contested and factual reasons for the requested review; and
- 10.1.4** The request asserts either that:
  - 10.1.4.1** application of the minimum requirements, evaluation criteria and/or business requirements unfairly disadvantages the person or entity; or
  - 10.1.4.2** due to unclear instructions, the process may result in the County not receiving the best possible responses from prospective Proposers.

The Solicitation Requirements Review will be completed, and LACDMH's determination will be provided to the requesting person or entity, in writing, within a reasonable time prior to the proposal due date.

## **10.2 Disqualification Review**

A proposal may be disqualified from consideration because LACDMH determined it was non-responsive at any time during the review/evaluation process. If LACDMH determines that a proposal is disqualified due to non-responsiveness, DMH will notify the proposer in writing.

Upon receipt of the written determination of non-responsiveness, the proposer may submit a written request for a Disqualification Review within the timeframe specified in the written determination.

A request for a Disqualification Review may, in LACDMH's sole discretion, be denied if the request does not satisfy all of the following criteria:

- 10.2.1** The request for a Disqualification Review is submitted timely (i.e., by the date and time specified in the written determination); and
- 10.2.2** The request for a Disqualification Review asserts that LACDMH's determination of disqualification due to non-responsiveness was erroneous (e.g., factual errors, etc.) and provides factual support on

each ground asserted as well as copies of all documents and other material that support the assertions.

The Disqualification Review must be completed, and the determination will be provided to the requesting Proposer, in writing, prior to the conclusion of the evaluation process.

Proposer can also be disqualified for Paragraph 6.6 (Determination of Proposer Responsibility).

### **10.3 Department's Proposed Contractor Selection Review**

#### **10.3.1 Departmental Debriefing Process**

Upon completion of the evaluation, LACDMH will notify the remaining Proposers in writing that LACDMH is entering negotiations with another Proposer. Upon receipt of the letter, any non-selected Proposer may submit a written request for a Debriefing within the timeframe specified in the letter. A request for a Debriefing may, in LACDMH's sole discretion, be denied if the request is not received within the specified timeframe.

The purpose of the Debriefing is to compare the requesting Proposer's response to the solicitation document with the evaluation document. The requesting Proposer will be debriefed only on its response. Because contract negotiations are not yet complete, responses from other Proposers will not be discussed, although LACDMH may inform the requesting Proposer of its relative ranking.

During or following the Debriefing, LACDMH will instruct the requesting Proposer of the manner and timeframe in which the requesting Proposer must notify LACDMH of its intent to request a Proposed Contractor Selection Review (see Paragraph 10.3.2 Proposed Contractor Selection Review) if the requesting Proposer is not satisfied with the results of the Debriefing.

#### **10.3.2 Proposed Contractor Selection Review**

Any Proposer that has timely submitted a notice of its intent to request a Proposed Contractor Selection Review as described below may submit a written request for a Proposed Contractor Selection Review, in the manner and timeframe as will be specified by LACDMH.

A request for a Proposed Contractor Selection Review may, in LACDMH's sole discretion, be denied if the request does not satisfy all of the following criteria:

**10.3.2.1** The request for a Proposed Contractor Selection Review is submitted timely (i.e., by the date and time specified by LACDMH).

**10.3.2.2** The person or entity requesting a Proposed Contractor Selection Review asserts in appropriate detail with factual reasons one or more of the following grounds for review:

- 1) LACDMH materially failed to follow procedures specified in its solicitation document. This includes:
  - Failure to correctly apply the standards for reviewing the proposal format requirements.
  - Failure to correctly apply the standards, and/or follow the prescribed methods, for evaluating the proposals as specified in the solicitation document.
  - Use of evaluation criteria that were different from the evaluation criteria disclosed in the solicitation document.
- 2) LACDMH made identifiable mathematical or other errors in evaluating proposals, resulting in the Proposer receiving an incorrect score and not being selected as the recommended contractor.
- 3) A member of the Evaluation Committee demonstrated bias in the conduct of the evaluation.
- 4) Another basis for review as provided by state or federal law; and

**10.3.2.3** The request for a Proposed Contractor Selection Review sets forth sufficient detail to demonstrate that, but for LACDMH's alleged failure, the Proposer would have been the lowest cost, responsive and responsible bid or the highest-scored proposal, as the case may be.

Upon completing the Proposed Contractor Selection Review, LACDMH representative will issue a written decision to the Proposer within a reasonable time following receipt of the request for a Proposed Contractor Selection Review, and always before the date the contract award recommendation is to be heard by the Board. The written decision will additionally instruct the Proposer of the manner and timeframe for requesting a County Independent Review. (See Paragraph 10.4 (County Independent Review) below.

#### **10.4 County Independent Review**

Any Proposer that is not satisfied with the results of the Proposed Contractor Selection Review may submit a written request for a County Independent Review

in the manner and timeframe specified by LACDMH in LACDMH's written decision regarding the Proposed Contractor Selection Review.

A request for County Independent Review may, in the County's sole discretion, be denied if the request does not satisfy all of the following criteria:

**10.4.1** The request for a County Independent Review is submitted timely (i.e., by the date and time specified by LACDMH); and

**10.4.2** The person or entity requesting review by a County Independent Review has limited the request to items raised in the Proposed Contractor Selection Review as listed in Paragraph 10.3.2 (Proposed Contractor Selection Review) above.

Upon completion of the County Independent Review, Internal Services Department will forward the report to LACDMH, which will provide a copy to the Proposer.
