2.0 GENERAL INFORMATION

Purpose

- 2.1** The Los Angeles County (LAC or County) Department of Mental Health (DMH or Department) is issuing this Work Order Solicitation (WOS) to solicit bids for services provided during extended hours of operations at Transitional Age Youth (TAY) Drop-In Centers in all eight (8) County Service Areas (SAs), serving youth ages 16-25. LACDMH intends to award 10 TAY Drop-In Center Work Orders (WOs) as follows: SA 1 (2 sites); SA 2 (1 site); SA 3 (1 site); SA 4 (1 site); SA 5 (1 site); SA 6 (2 sites); SA 7 (1 site); and SA 8 (1 site). The services provided under the WOS will be funded with Mental Health Services Act (MHSA) Community Services and Supports (CSS) and Prevention and Early Intervention (PEI) revenue. Each Drop-In Center must serve a minimum of 300 unduplicated TAY annually. Services provided through these WOs will be billed through manual invoicing.
- 2.2** The LAC Board of Supervisors (Board or BOS) approved a motion that instructed LACDMH to utilize MHSA CSS and PEI funding to provide temporary safety and serve as an entry point to the mental health system for TAY, who often experience complex trauma as victims of abuse in their homes, streets, and communities. The complex trauma may manifest in TAY's inability to maintain relationships, keep jobs, or stay in school, often putting them at risk of unemployment, school dropout, incarceration, and homelessness.

4.0 COUNTY'S RIGHTS AND RESPONSIBILITIES

4.1 County's Right to Amend Work Order Solicitation

The County has the right to amend the WOS by written addendum. The County is responsible only for that which is expressly stated in the solicitation document and any authorized written addenda thereto. Such addendum will be made available to each person or organization which County records indicate has received this WOS. Should such addendum require additional information not previously requested, failure to address the requirements of such addendum may result in the bid not being considered, as determined in the sole discretion of the County. The County is not responsible for and will not be bound by any representations otherwise made by any individual acting or purporting to act on its behalf.

4.2 Final Contract or Work Order Award by the Board of Supervisors

Notwithstanding a recommendation of a Department, agency, individual, or other, the Board retains the right to exercise its judgment concerning the selection of a bid and the terms of any resultant agreement or work order, and to determine which bid best serves the interests of the County. The Board is the ultimate decision-making body and makes the final determinations necessary to arrive at a decision to award, or not award, a contract or work order.

4.3 County Option to Reject Bids

The County may, at its sole discretion, reject any or all bids submitted in response to this WOS. The County will not be liable for any costs incurred by a Bidder in connection with the preparation and submission of any bid. The County reserves the right to waive inconsequential disparities in a submitted bid.

4.4 Background and Security Investigations

Background and security investigations of selected Contractors' staff may be required at the discretion of the County as a condition of beginning and continuing work under any resulting contract or work order. The cost of background checks is the responsibility of the Selected Contractor.

5.0 NOTIFICATION TO BIDDERS

5.1 Public Records Act

5.1.1 Responses to this solicitation will become the exclusive property of the County. Absent extraordinary circumstances, the recommended Bidder's bid will become a matter of public record when (1) contract/work order negotiations are complete; (2) the Department receives a letter from the recommended Bidder's authorized officer that the negotiated contract or work order is the firm offer of the recommended Bidder; and (3) the Department releases a copy of the recommended Bidder's bid in response to a Notice of Intent to Request a Proposed Contractor Selection under Board Policy No. 5.055 ([Services Contract Solicitation Protest](#)).

Notwithstanding the above, absent extraordinary circumstances, all bids will become a matter of public record when the Department's Bidder recommendation appears on the Board agenda.

Exceptions to disclosure are those parts or portions of all bids that are justifiably defined as business or trade secrets, and plainly marked by the Bidder as "Trade Secret," "Confidential," or "Proprietary."

5.1.2 The County will not, in any way, be liable or responsible for the disclosure of any such record or any parts thereof, if disclosure is required or permitted under the California Public Records Act or otherwise by law. A blanket statement of confidentiality or the marking of each page of the bid as confidential will not be deemed sufficient notice of exception. The Bidders must specifically label only those provisions of their respective bid which are "Trade Secrets," "Confidential," or "Proprietary" in nature.

5.2 Contact with County Personnel

Any contact regarding this WOS or any matter relating thereto must be in writing and e-mailed to:

Janet Betton, ASM II
SolicitationsTeam@dmh.lacounty.gov

If it is discovered that Bidder contacted and received information from any County personnel, other than the person specified above, regarding this solicitation, County, in its sole determination, may disqualify their bid from further consideration.

5.3 Mandatory Requirement to Register on County's WebVen

Prior to contract or work order award, all potential Contractors must register in the County's WebVen. The WebVen contains the Bidder's business profile and identifies the goods/services the business provides. Registration can be accomplished online via the Internet by accessing the County's home page at <http://camisvr.co.la.ca.us/webven/>.

5.4 Protest Process

5.4.1 Under Board Policy No. 5.055 ([Services Contract Solicitation Protest](#)), any prospective Bidder may request a review of the requirements under a solicitation for a Board-approved services contract, as described in Section 5.4.3 below. Additionally, any actual Bidder may request a review of a disqualification or of a proposed contract award under such solicitation as described respectively in the Section below. It is the responsibility of the Bidder challenging the decision of a County department committed a sufficiently material error in the solicitation process to justify invalidation of a proposed contract award.

5.4.2 Throughout the review process, the County has no obligation to delay or otherwise postpone an award of contract or work order based on a Bidder protest. In all cases, the County reserves the right to make an award when it is determined to be in the best interest of the County of Los Angeles to do so.

5.4.3 Grounds for Review

Unless state or federal statutes or regulations otherwise provide, the grounds for review of any Departmental determination or action should be limited to the following:

5.4.3.1 Review of Solicitation Requirements (Reference Paragraph 9.1)

5.4.3.2 Review of a Disqualified Bid (Reference Paragraph 9.2)

5.4.3.3 Review of Department's Proposed Contractor Selection (Reference Paragraph 9.3)

5.5 Conflict of Interest

No County employee whose position in the County enables him/her to influence the selection of a Contractor for this WOS, or any competing WOS, nor any spouse of economic dependent of such employees, will be employed in any capacity by a Bidder or have any other direct or indirect financial interest in the selection of a Contractor. Bidder must certify that he/she is aware of and has read [Section 2.180.010 of the Los Angeles County Code](#) as stated in Exhibit 2 (Certification of Compliance) of Appendix B (Required Forms).

5.6 Determination of Bidder Responsibility

5.6.1 A responsible Bidder is a Bidder who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible Bidders.

5.6.2 Bidders are hereby notified that, in accordance with [Chapter 2.202 of the County Code](#), the County may determine whether the Bidder is responsible based on a review of the Bidder's performance on any contracts or work orders, including but not limited to County contracts and work orders. Particular attention will be given to violations of labor

laws related to employee compensation and benefits, and evidence of false claims made by the Bidder against public entities. Labor law violations which are the fault of the subcontractors and of which the Bidder had no knowledge will not be the basis of a determination that the Bidder is not responsible.

5.6.3 The County may declare a Bidder to be non-responsible for purposes of this WO if the Board, in its discretion, finds that the Bidder has done any of the following: (1) violated a term of a contract or work order with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Bidder's quality, fitness or capacity to perform a contract or work order with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or omission which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.

5.6.4 If there is evidence that the apparent highest ranked Bidder may not be responsible, the Department will notify the Bidder in writing of the evidence relating to the Bidder's responsibility, and its intention to recommend to the Board that the Bidder be found not responsible. The Department will provide the Bidder and/or the Bidder's representative with an opportunity to present evidence as to why the Bidder should be found to be responsible and to rebut evidence which is the basis for the Department's recommendation.

5.6.5 If the Bidder presents evidence in rebuttal to the Department, the Department will evaluate the merits of such evidence, and based on that evaluation, make a recommendation to the Board. The final decision concerning the responsibility of the Bidder will reside with the Board.

5.6.6 These terms will also apply to proposed Subcontractors of Bidders on County contracts.

5.7 Bidder Debarment

5.7.1 The Bidder is hereby notified that, in accordance with [Chapter 2.202 of the County Code](#), the County may debar the Bidder from bidding or proposing on, or being awarded, and/or performing work on other County contracts or work orders for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and the County may terminate any or all of the Bidder's existing contracts and work orders with County, if the Board finds, in its discretion, that the Bidder has done any of the following: (1) violated a term of a contract or work order with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Bidder's quality, fitness or capacity to perform a contract or work order with the County, any other public entity, or a nonprofit corporation created by the

County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or offense which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity. These terms will also apply to proposed Subcontractors of Bidders on County contracts and work orders.

- 5.7.2** A listing of Contractors that are currently on the Debarment List for Los Angeles County may be obtained on the following website: <https://doingbusiness.lacounty.gov/listing-of-contractors-debarred-in-los-angeles-county/>.

5.8 Improper Considerations

5.8.1 Attempt to Secure Favorable Treatment

It is improper for any County officer, employee, or agent to solicit consideration, in any form, from a Bidder with the implication, suggestion or statement that the Bidder's provision of the consideration may secure more favorable treatment for the Bidder in the award of a contract or work order or that the Bidder's failure to provide such consideration may negatively affect the County's consideration of the Bidder's submission. A Bidder must not offer or give either directly or through an intermediary, consideration, in any form, to a County officer, employee, or agent for the purpose of securing favorable treatment with respect to the award of a contract or work order.

5.8.2 Notification to County

A Bidder must immediately report any attempt by a County officer, employee, or agent to solicit such improper consideration. The report must be made to the Los Angeles County Fraud Hotline at (800) 544-6861 or <https://fraud.lacounty.gov/>. Failure to report such a solicitation may result in the Bidder's submission being eliminated from consideration.

5.8.3 Form of Improper Consideration

Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

5.9 County Lobbyist Ordinance

The County has enacted an ordinance regulating the activities of persons who lobby County officials. This ordinance, referred to as the "Lobbyist Ordinance", defines a County Lobbyist and imposes certain registration requirements upon individuals meeting the definition. The complete text of the ordinance can be found in [County Code Chapter 2.160](#). In effect, each person, corporation or other entity that seeks a County permit, license, franchise or contract must certify compliance with the ordinance. As part of this solicitation process, it will be the responsibility of each Bidder to review the ordinance independently as the text of said ordinance is not contained within this WOS. Thereafter, each person, corporation or other

entity submitting a response to this solicitation, must certify that each County Lobbyist, as defined by [Los Angeles County Code Section 2.160.010](#), retained by the Bidder is in full compliance with [Chapter 2.160 of the Los Angeles County Code](#) and each such County Lobbyist is not on the Executive Office's List of Terminated Registered Lobbyists.

5.10 Consideration of GAIN/START Participants for Employment

5.10.1 As a threshold requirement for consideration for contract or work order award, Bidders must demonstrate a proven record of hiring participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) or Skills and Training to Achieve Readiness for Tomorrow (START) Programs or must attest to a willingness to consider GAIN/START participants for any future employment openings if the participants meet the minimum qualifications for that opening. Bidders must attest to a willingness to provide employed GAIN/START participants access to the Bidder's employee mentoring program, if available, to assist these individuals in obtaining permanent employment and/or promotional opportunities.

5.10.2 Bidders who are unable to meet this requirement will not be considered for contract or work order award. Bidders must complete and return Exhibit 2 (Certification of Compliance) of Appendix B (Required Forms), along with their bid.

5.11 Jury Service Program

5.11.1 The prospective work order is subject to the requirements of the County's Contractor Employee Jury Service Ordinance ("Jury Service Program") ([Los Angeles County Code, Chapter 2.203](#)). Prospective Contractors should carefully review the Jury Service Ordinance and Paragraph 8.7 (Compliance with County's Jury Service Program) of the MHSA MA, both of which are incorporated by reference into and made a part of this WOS. The Jury Service Program applies to both Contractors and their Subcontractors.

Bids that fail to comply with the requirements of the Jury Service Program will be considered non-responsive and excluded from further consideration.

5.11.2 Contractor must certify compliance with County's Contractor Employee Jury Service Ordinance in Exhibit 2 (Certification of Compliance) of Appendix B (Required Forms). If a Contractor does not fall within the Jury Service Program's definition of "Contractor" or if it meets any of the exceptions to the Jury Service Program, then the Contractor must so indicate in Exhibit 2 (Certification of Compliance) of Appendix B (Required Forms), and include with its submission all necessary documentation to support the claim such as tax returns or a collective bargaining agreement, if applicable. Upon reviewing the Contractor's application, the County will determine, in its sole discretion, whether the Contractor falls within the definition of Contractor or meets any of the

exceptions to the Jury Service Program. The County's decision will be final.

5.12 Pending Acquisitions/Mergers by Bidding Company

The Bidder must notify the County of any pending acquisitions/mergers of its company unless otherwise legally prohibited from doing so. If the Bidder is restricted from legally notifying the County of pending acquisitions/mergers, then it should notify the County of the actual acquisitions/mergers as soon as the law allows and provide to the County the legal framework that restricted it from notifying the County prior to the actual acquisitions/mergers. This information must be provided by the Bidder in Exhibit 1 (Organization Questionnaire/Affidavit) of Appendix B (Required Forms). Failure of the Bidder to provide this information may eliminate its bid from any further consideration. Bidder will have a continuing obligation to notify the County and update any changes to its response in Exhibit 1 (Organization Questionnaire/Affidavit) of Appendix B (Required Forms) during the solicitation.

5.13 Charitable Contributions Compliance

5.13.1 California's "Supervision of Trustees and Fundraisers for Charitable Purposes Act" regulates receiving and raising charitable contributions. Among other requirements, those subject to the Charitable Purposes Act must register. The 2004 Nonprofit Integrity Act (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. Prospective contractors should carefully read the Background and Resources: California Charities Regulation, Appendix D. These rules cover California public benefit corporations, unincorporated associations, and trustee entities and may include similar foreign corporations doing business or holding property in California. The Nonprofit Integrity Act contains substantive requirements affecting executive compensation, fund-raising practices and documentation. Charities with over \$2 million of revenues (excluding funds that must be accounted for to a governmental entity) also have specific audit requirements.

5.13.2 All prospective Contractors must determine if they receive or raise charitable contributions which subject them to the Charitable Purposes Act and complete the Charitable Contributions Certification, Exhibit 2 (Certification of Compliance) in Appendix B (Required Forms). A completed Exhibit 2 (Certification of Compliance) of Appendix B (Required Forms) is a required part of any agreement or work order with the County.

5.13.3 Prospective County contractors that do not complete Exhibit 2 (Certification of Compliance) of Appendix B (Required Forms) as part of the solicitation process may, in the County's sole discretion, be disqualified from contract or work order award. A County contractor that fails to comply with its obligations under the Charitable Purposes Act is subject to either contract termination or debarment proceedings or both. ([County Code Chapter 2.202](#)).

5.14 Defaulted Property Tax Reduction Program

5.14.1 The prospective work order is subject to the requirements of the County's Defaulted Property Tax Reduction Program ("Defaulted Tax Program") ([Los Angeles County Code, Chapter 2.206](#)). Prospective Contractors should reference the pertinent provisions in Paragraphs 8.50 (Warranty of Compliance with County's Defaulted Property Tax Reduction Program) and 8.51 (Termination for Breach of Warranty to Maintain Compliance with County's Defaulted Tax Program) of the MHSA MA both of which are incorporated by reference into and made a part of this solicitation. The Defaulted Tax Program applies to both Contractors and their Subcontractors.

5.14.2 Bidders will be required to certify that they are in full compliance with the provisions of the Defaulted Tax Program and must maintain compliance during the term of any contract or work order that may be awarded pursuant to this solicitation or must certify that they are exempt from the Defaulted Tax Program by completing Exhibit 2 (Certification of Compliance) in Appendix B (Required Forms). Failure to maintain compliance, or to timely cure defects, may be cause for termination of a contract or work order or initiation of debarment proceedings against the non-compliance contractor ([Los Angeles County Code, Chapter 2.202](#)).

5.14.3 Bids that fail to comply with the certification requirements of the Defaulted Tax Program will be considered non-responsive and excluded from further consideration.

5.15 County's Commitment to Zero Tolerance Policy on Human Trafficking

5.15.1 On October 4, 2016, the County approved a motion taking significant steps to protect victims of human trafficking by establishing a zero tolerance policy on human trafficking. The policy prohibits contractors engaged in human trafficking from receiving contract or work order awards or performing services under a County contract or work order.

5.15.2 Contractors are required to complete Exhibit 2 (Certification of Compliance) in Appendix B (Required Forms), certifying that they are in full compliance with the County's Zero Tolerance Policy on Human Trafficking provision as defined in Paragraph 8.53 (Compliance with County's Zero Tolerance Policy on Human Trafficking) of the MHSA MA. Further, contractors are required to comply with the requirements under said provision for the term of any contract or work order awarded pursuant to this solicitation.

5.16 Integrated Pest Management (IPM) Program Compliance – Intentionally Omitted

5.17 Default Method of Payment: Direct Deposit or Electronic Funds Transfer (EFT)

5.17.1 The County, at its sole discretion, has determined that the most efficient and secure default form of payment for goods and/or services provided

under an agreement/contract/work order with the County will be Electronic Funds Transfer (EFT) or direct deposit, unless an alternative method of payment is deemed appropriate by the Auditor-Controller (A-C).

5.17.2 Upon contract or work order award or at the request of the A-C and/or the contracting department, the Contractor must submit a direct deposit authorization request with banking and vendor information, and any other information that the A-C determines is reasonably necessary to process the payment and comply with all accounting, record keeping, and tax reporting requirements.

5.17.3 Any provision of law, grant, or funding agreement requiring a specific form or method of payment other than EFT or direct deposit will supersede this requirement with respect to those payments.

5.17.4 Upon contract or work order award or at any time during the duration of the agreement/ contract/work order, a Contractor may submit a written request for an exemption to this requirement. The A-C, in consultation with the contracting department(s), will decide whether to approve exemption requests.

5.18 Bidder's Acknowledgement of County's Commitment to Fair Chance Employment Hiring Practices

5.18.1 On May 29, 2018, the County approved a Fair Chance Employment Policy in an effort to remove job barriers for individuals with criminal records. The policy requires businesses that contract with the County to comply with fair chance employment hiring practices set forth in [California Government Code Section 12952](#).

5.18.2 Contractors are required to complete Exhibit 2 (Certification of Compliance) in Appendix B (Required Forms), certifying that they, and their Subcontractors are in full compliance with [Section 12952](#), as indicated in the Contract or Work Order. Further, Contractors are required to comply with the requirements under [Section 12952](#) for the term of any contract or work order awarded pursuant to this solicitation.

5.19 Contractor Alert Reporting Database

5.19.1 The County maintains the Contractor Alert Reporting Database (CARD), which is used to track/monitor poorly performing contractors. When a County department identifies a significant performance/non-compliance issue(s) with a contractor, the department will provide notice to the contractor and will give the contractor an opportunity to correct the issue(s). If the contractor does not take any appropriate steps to correct the issue(s), the County department will enter the contractor, along with any other relevant information pertaining to the contractor's performance issue(s), into CARD.

5.19.2 The information entered into CARD can be accessed by all County departments, and will be used, along with any other relevant information

not included in CARD, in determining bidder responsibility. If a department reviews this information and determines that a finding of non-responsibility should be pursued, the department will adhere to the guidelines specified in the [Los Angeles County Code Chapter 2.202](#), and the County's [Implementation Procedures for Determinations of Contractor Non-Responsibility and Contractor Debarment](#).

5.20 Prohibition from Participation in Future Solicitation(s)

A Bidder, or a Contractor or its subsidiary or Subcontractor ("Bidder/Contractor"), is prohibited from submitting a bid or proposal in a County solicitation if the Bidder/Contractor has provided advice or consultation for the solicitation. A Bidder/Contractor is also prohibited from submitting a bid or proposal in a County solicitation if the Bidder/Contractor has developed or prepared any of the solicitation materials on behalf of the County. A violation of this provision will result in the disqualification of the Contractor/Bidder from participation in the County solicitation or the termination or cancellation of any resultant County contract or work order. ([Los Angeles County Code, Chapter 2.202](#)).

5.21 Community Business Enterprise (CBE) Participation

The County has adopted a Community Business Enterprise (CBE) Program, which includes business enterprises certified as disadvantaged business enterprises disabled veteran-owned, minority-owned, women-owned, and lesbian, gay, bisexual, transgender, queer, and questioning-owned business types. The County has established a collective 25% participation goal for CBE certified firms, calculated on the eligible procurement dollars. The program maintains data on the types of businesses registered as CBEs and their utilization. The Bidder's CBE participation must be reflected in Exhibit 5 (Community Business Enterprise (CBE) Information) form in Appendix B (Required Forms).

All Bidders must document efforts it has taken to assure that CBEs are utilized when possible to provide supplies, equipment, technical services, and other services under this WO. The Bidder must make documents related to these efforts available to the County upon request.

The County strongly encourages participation by CBEs; however, the final selection will be made without regard to race, color, creed, or gender. The final selection will be based on the Bidder's ability to provide the best service and value to the County.

To obtain a list of the County's CBE certified firms, e-mail the request to the County of Los Angeles Department of Economic Opportunity at CBESBE@opportunity.lacounty.gov with the subject "Request for CBE Listing." For additional information contact the Office of Small Business at: (844) 432-4900 or at OSB@opportunity.lacounty.gov.

5.22 Contribution and Agent Declaration

[Government Code Section 84308](#) requires a party to a contract proceeding to disclose any contribution of more than \$250 made to a County officer within the preceding twelve (12) months by the party or their agent. State regulations require

this disclosure to be made at the time an application is filed, and, if a contribution is made during the contract proceeding, within 30 days of making a contribution or on the date on which the party first appears before or communicates with the agency regarding the proceeding after making the contribution, whichever is earliest. All Bidders are advised that they and all of their Subcontractors must complete and return as part of the bid, the Contribution and Agent Declaration included in Exhibit 10 (Contribution and Agent Declaration Form) of Appendix B (Required Forms). Bidders are further advised that they and their Subcontractors must update the Contribution and Agent Declaration Form throughout the pendency of the solicitation if a contribution is made after the initial disclosure when the bid is submitted, and as requested at any time by the County prior to contract or work order award. Failure by the Bidders or any Subcontractor(s) to complete and submit the required Contribution and Agent Declaration Form in Exhibit 10, and failure by the Bidder or any Subcontractor(s) to update the declaration as required by law or as otherwise requested by the County, may eliminate the bid from further consideration and/or the Bidder may be disqualified from a contract or work order award, as determined in the County's sole discretion. Further, all Bidders and their Subcontractors are prohibited under [Government Code Section 84308](#) from making a contribution of more than \$250 to a County officer for twelve (12) months after the date a final decision is made in the contract proceeding involving this solicitation.

5.23 Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transactions (45 C.F.R. Part 76)

5.23.1 Pursuant to federal law, the County is prohibited from contracting with parties that are suspended, debarred, ineligible, or excluded, or whose principals are suspended, debarred, or excluded from securing federally funded contracts. At the time of Bidder's response to this WOS, Bidder must submit a certification, as set forth in Exhibit 9 (Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transactions [45 C.F.R. Part 76]) in Appendix B (Required Forms), attesting that neither it, as an organization, nor any of its owners, officers, partners, directors, or other principals are currently suspended, debarred, ineligible, or excluded from securing federally funded contracts or work orders. Should a bid response to this WOS identify prospective Subcontractors, or should Bidder intend to use Subcontractors in the provision of services under any subsequent contract or work order, Bidder must submit a certification, completed by each Subcontractor, attesting that neither the Subcontractor, as an organization, nor any of its owners, officers, partners, directors, or other principals are currently suspended, debarred, ineligible, or excluded from securing federally funded contracts.

5.23.2 Failure to provide the required certification may eliminate Bidder's response to WOS from consideration.

5.23.3 In the event that Bidder and/or its Subcontractor(s) is or are unable to provide the required certification, Bidder instead will provide a written

explanation concerning its and/or its Subcontractor's inability to provide the certification. Bidder's written explanation must describe the specific circumstances concerning the inability to certify. It further must identify any owner, officer, partner, director, or other principal of the Bidder and/or Subcontractor who is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Finally, the written explanation must provide that person's or those persons' job description(s) and function(s) as they relate to the work order which is being solicited by this WOS.

- 5.23.4** The written explanation will be examined by the County to determine, in its full discretion, whether further consideration of the Bid response to this WOS is appropriate under the federal law.

7.0 WORK ORDER REQUIREMENTS

This Section contains key project activities as well as instructions to Bidders in how to prepare and submit their bid.

7.1 County Responsibility

The County is not responsible for representations made by any of its officers or employees prior to the execution of the WO unless such understanding or representation is included in the WO.

7.2 Truth and Accuracy of Representations

False, misleading, incomplete, or deceptively unresponsive statements in connection with a bid will be sufficient cause for rejection of the bid. The evaluation and determination in this area will be at the Department's sole judgment and their judgment will be final.

7.3 Bidders' Questions

7.3.1 Bidders may submit written questions regarding this WOS by e-mail to: Janet Betton at SolicitationsTeam@dmh.lacounty.gov. 7.5 Preparation of the Bid

One bid must be submitted, via electronic mail (e-mail) to: SolicitationsTeam@dmh.lacounty.gov by the date and time listed in Paragraph 1.0 (Solicitation Information and Minimum Mandatory Requirements).

The maximum number of possible points will be awarded to the lowest cost bid for the total of three (3) years. All other bids will be compared to the lowest cost and points awarded accordingly.

However, should one or more of the Bidders request and be granted the preference, the cost component points will be determined as follows:

- 15% of the lowest cost proposed will be calculated, not to exceed \$150,000, and that amount will be deducted from the cost submitted by all bidders who requested and were granted the preference.

In no case will any preference be combined to exceed fifteen percent (15%) of the lowest responsible bid meeting specifications.

The estimated budget submitted in response to this WOS shall be used to award a WO. The final budgeted amount in the final WO may differ depending on negotiations with the awarded entities.

This section will be scored on a pass/fail basis. If Bidder does not have items to report, please indicate this. Do not leave this section blank as bid will be considered incomplete.

Upon receipt of this information, LACDMH will conduct a review of the items reported. Depending on the scope and size of items reported, LACDMH may disqualify the bid in its entirety.

8.0 SELECTION PROCESS OVERVIEW

8.1 Review Process

The lowest price bid will be reviewed to determine whether it is responsive and responsible.

8.2 Adherence to Minimum Mandatory Requirements (Pass-Fail)

County will review all items submitted in response to Paragraph 3.0 (Minimum Mandatory Requirements) to determine if the Bidder meets all the Minimum Mandatory Requirements of this WOS.

Failure of the Bidder to comply with the minimum requirements may eliminate its bid from any further consideration. The County may elect to waive any informality in a bid if the sum and substance of the bid is present.

9.0 PROTEST PROCESS OVERVIEW

9.1 Solicitation Requirements Review

Any person or entity may seek a Solicitation Requirements Review by submitting Appendix C (Solicitation Requirements Review (SRR) Request) to the Department conducting the solicitation. A request for a SRR may be denied, in the Department's sole discretion, if the request does not satisfy all the following criteria:

- 9.1.1 The request is made within the time frame identified in the solicitation document;
- 9.1.2 The request includes documentation (e.g., letterhead, business card, etc.), which identifies the underlying authority of the person or entity to submit a bid;
- 9.1.3 The request Review itemizes in appropriate detail, each matter contested and factual reasons for the requested review; and
- 9.1.4 The request asserts either that:
 - 9.1.4.1 application of the Minimum Mandatory Requirements, and/or evaluation criteria unfairly disadvantages the person or entity;
 - or,

- 9.1.4.2** due to unclear instructions, the process may result in the County not receiving the best possible responses from prospective Bidder.

The SRR will be completed and the Department's determination will be provided to the requesting person or entity, in writing, within a reasonable time prior to the bid due date.

9.2 Disqualification Review

A bid may be disqualified from consideration because a Department determined it was a non-responsive bid at any time during the review/evaluation process. If a Department determines that a Bid was disqualified due to non-responsiveness, the Department will notify the Bidder in writing.

Upon receipt of the written determination of non-responsiveness, the Bidder may submit a written request for a Disqualification Review within the timeframe specified in the written determination.

A request for a Disqualification Review may, in the Department's sole discretion, be denied if the request does not satisfy all of the following criteria:

- 9.2.1** The request for a Disqualification Review is submitted timely (i.e., by the date and time specified in the written determination); and
- 9.2.2** The request for a Disqualification Review asserts that the Department's determination of disqualification due to non-responsiveness was erroneous (e.g. factual errors, etc.) and provides factual support on each ground asserted as well as copies of all documents and other material that support the assertions.

The Disqualification Review must be completed and the determination will be provided to the requesting Bidder, in writing, prior to the conclusion of the evaluation process.

9.3 Proposed Contractor Selection Review (PCSR)

Any Bidder that has timely submitted a notice of its intent to request a Proposed Contractor Selection Review (PCSR) as described in this Paragraph may submit a written request for a PCSR, in the manner and timeframe as will be specified by the department.

A request for a PCSR may, in the department's sole discretion, be denied if the request does not satisfy all of the following criteria:

- 9.3.1** The request for a PCSR is submitted timely (i.e., by the date and time specified by the department);
- 9.3.2** The person or entity requesting a PCSR asserts in appropriate detail with factual reasons one or more of the following grounds for review:
 - 9.3.2.1** The Department materially failed to follow procedures specified in its solicitation document. This includes:

- 1) Failure to correctly apply the standards for reviewing the bid format requirements.
- 2) Failure to correctly apply the standards, and/or follow the prescribed methods, for evaluating the bids as specified in the solicitation document.
- 3) Use of evaluation criteria that were different from the evaluation criteria disclosed in the solicitation document.

9.3.2.2 The Department made identifiable mathematical or other errors in evaluating bids, resulting in the Bidder receiving an incorrect score and not being selected as the recommended contractor.

9.3.2.3 Another basis for review as provided by state or federal law; and

9.3.3 The request for a PCSR sets forth sufficient detail to demonstrate that, but for the department's alleged failure, the Bidder would have been the lowest cost, responsive and responsible bid or the highest-scored bid, as the case may be.

Upon completing the PCSR, the department representative will issue a written decision to the Bidder within a reasonable time following receipt of the request for a PCSR, and always before the date the contract award recommendation is to be heard by the Board. The written decision will additionally instruct the Bidder of the manner and timeframe for requesting a County Independent Review see Paragraph 9.4 below.

9.4 County Independent Review (CIR)

Any Bidder that is not satisfied with the results of the PCSR may submit a written request for a County Independent Review (CIR) in the manner and timeframe specified by the Department in the Department's written decision regarding the PCSR.

The request for a CIR may, in the County's sole discretion, be denied if the request does not satisfy all of the following criteria:

9.4.1 The request for a CIR is submitted timely (i.e., by the date and time specified by the Department); and

9.4.2 The person or entity requesting the CIR has limited the request to items raised in the PCSR as listed in Paragraph 9.3 (Proposed Contractor Selection Review) above.

Upon completion of the CIR, Internal Services Department will forward the report to the Department, which will provide a copy to the Bidder.
