SUBJECT

Request approval of sole source Amendment Number Eight to Agreement Number 77676 with Netsmart Technologies, Inc., to extend the existing agreement on a sole source basis for the continued provision of the Integrated Behavioral Health Information System.

IT IS RECOMMENDED THAT THE BOARD:

1. Approve and authorize the Director of Mental Health (Director), or designee, to negotiate, sign, and execute a sole source Amendment, substantially similar to Attachment I, with Netsmart Technologies, Inc., (Netsmart) to extend the existing agreement in order to continue the provision of the Integrated Behavioral Health Information System (IBHIS). The Amendment to Agreement 77676 with Netsmart Technologies, Inc., will be effective December 24, 2024 to: a) extend the agreement for two years with three optional one-year extensions; b) add \$2,498,288 in Pool Dollars and \$10,323,352 for system maintenance for year one; and c) add \$2,573,236 in Pool Dollars and \$10,633,053, for system maintenance for year two, a total increase of \$ 26,027,929, funded by Mental Health Services Act and other departmental operating revenues, for a revised Total Contract Sum (TCS) of \$ 151,994,692.

2. Delegate authority to the Director, or designee, to prepare, sign, and execute future amendments to the Agreement described in Recommendation 1 to revise Agreement language, add, delete, modify, or replace Other Professional Services/Change Notices and Service Level Requirements; allow for the rollover of unspent funds; and/or reflect federal, State, and County regulatory and/or policy changes; increase the TCS provided that: 1) the increase does not exceed ten percent of the TCS approved by your Board in Recommendation 1; and 2) sufficient funds are available. These amendments will be subject to prior review and approval as to form by County Counsel and County Chief Information Officer (CCIO), if applicable, with written notice to the Board and the Chief Executive Officer (CEO).

3. Delegate authority to the Director, or designee, to terminate the contract described in Recommendation 1 in accordance with the Contract's termination provisions, including Termination for Convenience. The Director, or designee, will notify your Board and CEO, in writing, of such termination action.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Board approval of Recommendation 1 will allow Department of Mental Health (DMH) to amend the existing Agreement with Netsmart to extend the agreement for two years with three optional one-year extensions and to increase pool dollars by \$5,071,524 and \$20,956,405 for system maintenance for a total increase of \$26,027,929 and a revised TCS of \$151,994,692.

Board approval of Recommendation 2 will enable DMH to revise Agreement language; add, delete, modify, or replace Other Professional Services/Change Notices and Service Level Requirements; allow for the rollover of unspent funds; reflect federal, State, and County regulatory and/or policy changes; and increase the contract sum not to exceed ten percent of the Board adopted contract sum in Recommendation 1.

Board approval of Recommendation 3 will allow DMH to terminate the agreement in accordance with the termination provisions, including Termination for Convenience, in a timely manner, as necessary.

Implementation of Strategic Plan Goals

The recommended actions support the County's Strategic Plan North Star 3, Realize Tomorrow's Government Today, via Focus Area Goal F. Flexible and Efficient Infrastructure strategy ii: Modernize Infrastructure.

FISCAL IMPACT/FINANCING

The TCS increase of \$26,027,929 is funded as follows:

The increase for year one is \$12,821,640 primarily funded by Mental Health Services Act as well as other departmental operating revenues. Sufficient funding is included in DMH's Adopted Budget for Fiscal Year (FY) 2024-25 for this action.

The increase for year two of \$13,206,289 will be included in DMH FY 2025-26 Budget Request.

Additional funding for future years will be requested through the succeeding DMH annual budget process.

There is no net County cost impact associated with the recommended actions.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

IBHIS is a web-enabled fully integrated software system that currently provides clinical, administrative, financial, and secure data sharing functionality to support the State of California Department of Health Care Services (DHCS) Medi-Cal and Federal Medicare programs. DMH's implementation of IBHIS has proven to be the most comprehensive solution in serving the largest mental health population in the country. DHCS and Los Angeles County (County) have a highly complex set of requirements, processes, and policies for medical billing and mental health providers. Over the span of ten years, the County has invested nearly \$124 million in the existing IBHIS, as it has been customized to fit the complex needs of the state and County. DHCS encouraged counties to use a common Electronic Health Record (EHR) System. The California Mental Health Services Authority (CalMHSA), an independent administrative and fiscal public entity representing California Counties, took the State's guidance and procured a semi-Statewide EHR system, SmartCare by Streamline. In order to meet the State and County requirements for this transition, DMH will require more time to evaluate system features and functionality of Streamline's system. In addition, DMH requires time to perform a gap analysis between IBHIS and SmartCare during which time DMH must have an EHR system in place until it can determine the feasibility of DMH transitioning to the system procured by CalMHSA or posting a solicitation to procure a new system which meets DMH's requirements.

The sole source amendment (Attachment I) has been reviewed and approved as to form by County Counsel. In compliance with Board Policy 6.020 "Chief Information Office Board Letter Approval", the Office of the Chief Information Officer has reviewed this Board Letter and recommends approval. The CIO determined that because no new technology is being implemented and the request is only to extend the term of the agreement to allow DMH sufficient time to evaluate the new system procured by CalMHSA and add to the Total Contract Sum, no formal CIO Analysis is required.

In accordance with Board Policy No. 5.100 (Sole Source Contracts and Amendments), DMH is required to notify your Board at least six months prior to the expiration of an existing contract when there is no delegated authority to amend. On December 14, 2023, DMH Notified your Board (Attachment II) of its intent to execute a sole source amendment with Netsmart to extend the term and increase the total contract sum. The Board notification was reviewed by CIO prior to being briefed at the Operations Cluster on December 13, 2023. The required Sole Source Checklist (Attachment III), as approved by CEO, is also attached.

As mandated by your Board, the performance of all contractors is evaluated by DMH on an annual basis to ensure compliance with all Contract terms and performance standards.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Board approval of the recommended actions will allow DMH to have a system in place while further evaluating the semi-Statewide EHR System, Streamline, and performing a gap analysis between IBHIS and Streamline.

15. OBLIGATIONS OF COVERED ENTITY

15.1 Covered Entity shall notify Business Associate of any current or future restrictions or limitations on the Use or Disclosure of Protected Health Information that would affect Business Associate's performance of the Services, and Business Associate shall thereafter restrict or limit its own Uses and Disclosures accordingly.

15.2 Covered Entity shall not request Business Associate to Use or Disclose Protected Health Information in any manner that would not be permissible under Subpart E of 45 C.F.R. Part 164 if done by Covered Entity, except to the extent that Business Associate may Use or Disclose Protected Health Information as provided in Sections 2.3, 2.5, and 2.6.

16. TERM

16.1 The term of this Business Associate Agreement shall be the same as the term of the applicable underlying Agreement, Contract, Master Agreement, Work Order, Purchase Order, or other service arrangement, with or without payment, that gives rise to Contractor's status as a Business Associate.

16.2 Notwithstanding Section 16.1, Business Associate's obligations under Sections 11, 14, and 17 shall survive the termination or expiration of this Business Associate Agreement.

17. DISPOSITION OF PROTECTED HEALTH INFORMATION UPON TERMINATION OR EXPIRATION

17.1 Except as provided in Section 17.3, upon termination for any reason or expiration of this Business Associate Agreement, Business Associate shall return or, if agreed to by Covered entity, shall destroy as provided for in Section 17.2, all Protected Health Information received from Covered Entity, or created, maintained, or received by Business Associate on behalf of Covered Entity, that Business Associate, including any Subcontractor, still maintains in any form. Business Associate shall retain no copies of the Protected Health Information.

17.2 Destruction for purposes of Section 17.2 and Section 6.6 shall mean that media on which the Protected Health Information is stored or recorded has been destroyed and/or electronic media have been cleared, purged, or destroyed in accordance with the use of a technology or methodology specified by the Secretary in guidance for rendering Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals.

17.3 Notwithstanding Section 17.1, in the event that return or destruction of Protected Health Information is not feasible or Business Associate determines that any such Protected Health Information is necessary for Business Associate to continue its proper management and administration or to carry out its legal responsibilities, Business Associate may retain that Protected Health Information for which destruction or return is infeasible or that Protected Health Information which is necessary for Business Associate to continue its proper management and administration or to carry out its legal responsibilities and shall return or destroy all other Protected Health Information.

17.3.1 Business Associate shall extend the protections of this Business Associate Agreement to such Protected Health Information, including continuing to use appropriate safeguards and continuing to comply with Subpart C of 45 C.F.R Part 164 with respect to Electronic Protected Health Information, to prevent the Use or Disclosure of such information other than as provided for in Sections 2.5 and 2.6 for so long as such Protected Health Information is retained, and Business Associate shall not Use or Disclose such Protected Health Information other than for the purposes for which such Protected Health Information was retained.

17.3.2 Business Associate shall return or, if agreed to by Covered entity, destroy the Protected Health Information retained by Business Associate when it is no longer needed by Business Associate for Business Associate's proper management and administration or to carry out its legal responsibilities.

17.4 Business Associate shall ensure that all Protected Health Information created, maintained, or received by Subcontractors is returned or, if agreed to by Covered entity, destroyed as provided for in Section 17.2.

18. AUDIT, INSPECTION, AND EXAMINATION

18.1 Covered Entity reserves the right to conduct a reasonable inspection of the facilities, systems, information systems, books, records, agreements, and policies and procedures relating to the Use or Disclosure of Protected Health Information for the purpose determining whether Business Associate is in compliance with the terms of this Business Associate Agreement and any non-compliance may be a basis for termination of this Business Associate Agreement and the applicable underlying Agreement, Contract, Master Agreement, Work Order, Purchase Order or other services arrangement, with or without payment, that gives rise to Contractor's status as a Business Associate, as provided for in the underlying agreement.

18.2 Covered Entity and Business Associate shall mutually agree in advance upon the scope, timing, and location of any such inspection.

18.3 At Business Associate's request, and to the extent permitted by law, Covered Entity shall execute a nondisclosure agreement, upon terms and conditions mutually agreed to by the parties.

18.4 That Covered Entity inspects, fails to inspect, or has the right to inspect as provided for in Section 18.1 does not relieve Business Associate of its responsibility to comply with this Business Associate Agreement and/or the HIPAA Rules or impose on Covered Entity any responsibility for Business Associate's compliance with any applicable HIPAA Rules.

18.5 Covered Entity's failure to detect, its detection but failure to notify Business Associate, or its detection but failure to require remediation by Business Associate of an unsatisfactory practice by Business Associate, shall not constitute acceptance of such practice or a waiver of Covered Entity's enforcement rights under this Business Associate Agreement or the applicable underlying Agreement, Contract, Master Agreement, Work Order, Purchase Order or other

services arrangement, with or without payment, that gives rise to Contractor's status as a Business Associate.

- 18.6 Section 18.1 is not intended by the parties to limit in any way the scope of Business Associate's obligations related to Inspection and/or Audit and/or similar review in the applicable underlying Agreement, Contract, Master Agreement, Work Order, Purchase Order, or other services arrangement, with or without payment, that gives rise to Contractor's status as a Business Associate.

19. MISCELLANEOUS PROVISIONS

- 19.1 Disclaimer. Covered Entity makes no warranty or representation that compliance by Business Associate with the terms and conditions of this Business Associate Agreement will be adequate or satisfactory to meet the business needs or legal obligations of Business Associate.
- 19.2 HIPAA Requirements. The Parties agree that the provisions under HIPAA Rules that are required by law to be incorporated into this Amendment are hereby incorporated into this Agreement.
- 19.3 No Third Party Beneficiaries. Nothing in this Business Associate Agreement shall confer upon any person other than the parties and their respective successors or assigns, any rights, remedies, obligations, or liabilities whatsoever.
- 19.4 Construction. In the event that a provision of this Business Associate Agreement is contrary to a provision of the applicable underlying Agreement, Contract, Master Agreement, Work Order, Purchase Order, or other services arrangement, with or without payment, that gives rise to Contractor's status as a Business Associate, the provision of this Business Associate Agreement shall control. Otherwise, this Business Associate Agreement shall be construed under, and in accordance with, the terms of the applicable underlying Agreement, Contract, Master Agreement, Work Order, Purchase Order or other services arrangement, with or without payment, that gives rise to Contractor's status as a Business Associate.
- 19.5 Regulatory References. A reference in this Business Associate Agreement to a section in the HIPAA Rules means the section as in effect or as amended.
- 19.6 Interpretation. Any ambiguity in this Business Associate Agreement shall be resolved in favor of a meaning that permits the parties to comply with the HIPAA Rules.

19.7 Amendment. The parties agree to take such action as is necessary to amend this Business Associate Agreement from time to time as is necessary for Covered Entity or Business Associate to comply with the requirements of the HIPAA Rules and any other privacy laws governing Protected Health Information.

A copy of the log needs to be emailed securely to DMH on a quarterly basis (September 30th, December 31st, March 31st and June 30th): mhsadmin@dmh.lacounty.gov.

CONTRIBUTION AND AGENT DECLARATION FORM

This form must be completed separately by all bidders/proposers, including all prime contractors and subcontractors, and by all applicants for licenses, permits, and other entitlements for use issued by the County of Los Angeles ("County").

Pursuant to the Levine Act (Government Code section 84308), a member of the Board of Supervisors, other elected County officials (the Sheriff, Assessor, and the District Attorney), and other County employees and/or officers ("County Officers") are disqualified and not able to participate in a proceeding involving contracts, franchises, licenses, permits and other entitlements for use if the County Officer received more than \$250 in contributions in the past 12 months from the bidder, proposer or applicant, any paid agent of the bidder, proposer, or applicant, or any financially interested participant who actively supports or opposes a particular decision in the proceeding.

State law requires you to disclose information about contributions made by you, your company, and lobbyists and agents paid to represent you. Failure to complete the form in its entirety may result in significant delays in the processing of your application and potential disqualification from the procurement or application process.

You must fully answer the applicable questions below. You ("Declarant"), or your company, if applicable, including all entities identified below (collectively, "Declarant Company") must also answer the questions below. The term "employee(s)" shall be defined as employees, officers, partners, owners, or directors of Declarant Company.

An affirmative response to any questions will not automatically cause the disqualification of your bid/proposal, or the denial of your application for a license, permit or other entitlement. However, failure to answer questions completely, in good faith, or providing materially false answers may subject a bidder/proposer to disqualification from the procurement.

This material is intended for use by bidders/proposers, including all prime contractors and subcontractors, and by all applicants for licenses, permits, and other entitlements for use issued by the County of Los Angeles and does not constitute legal advice. If you have questions about the Levine Act and how it applies to you, you should call your lawyer or contact the Fair Political Practices Commission for further guidance.

**SUBJECT: NOTICE OF INTENT TO EXTEND THE TERM OF AGREEMENT
NUMBER 77676 WITH NETSMART TECHNOLOGIES, INC., FOR THE
CONTINUED PROVISION OF THE INTEGRATED BEHAVIORAL
HEALTH INFORMATION SYSTEM**

In accordance with the Los Angeles County Board of Supervisors' (Board) Policy No. 5.100 (Sole Source Contracts), the Department of Mental Health (DMH) is informing the Board that it intends to extend the current contract with Netsmart Technologies, Inc. (Netsmart), to continue the provision of the Integrated Behavioral Health Information System (IBHIS).

DMH will request that your Board approve an amendment to extend the term of Agreement Number 77676 with Netsmart on a sole source basis for two years, effective December 24, 2024, through December 23, 2026, with three optional one-year extensions. The Total Contract sum for Fiscal Years 2024-25 and 2025-26 is \$26,458,037, fully funded by the State Mental Health Services Act revenue.

NOTIFICATION TIMELINE

Pursuant to Board Policy No. 5.100, DMH is required to provide advance written notice and justification to the Board at least six months prior to the expiration of an existing contract to amend the contracts when departments do not have delegated authority to execute such amendments. The Chief Information Office has reviewed and concurs with this sole source justification. In addition, this matter was briefed at the Operations Cluster

Each Supervisor

Meeting on December 13, 2023. Unless otherwise instructed by your Board Office within four weeks of this notice, DMH will begin contract negotiations and after the six month notification period, DMH will present to your Board a letter for approval to execute a sole source extension amendment with Netsmart.

JUSTIFICATION

DMH's implementation of IBHIS has proven to be the most comprehensive solution in serving the largest mental health population in the country. IBHIS is a fully integrated, web-enabled software system that supports multiple simultaneous users and securely interfaces with several County information systems and other healthcare organizations. IBHIS provides clinical, administrative, financial, and secure data sharing functionality to support the State of California Department of Health Care Services (DHCS) Medi-Cal and Federal Medicare programs. The DHCS and the County have a highly complex set of requirements, processes, and policies, for medical billing and mental health providers. The County has invested nearly \$124 million in the existing IBHIS, and it has been customized to fit the complex needs of the State and County during the last 10 years.

However, the DHCS is encouraging counties to use a common Electronic Health Record (EHR) System which will enable the State's view of having a wholistic county behavioral health data aggregation and interoperability. The California Mental Health Services Authority, an independent administrative and fiscal public entity representing California counties, took the State's guidance and procured a semi-statewide EHR System (Streamline). Currently there are 23 counties participating in the semi-statewide EHR system. However, to ensure that all State and County requirements are met for this transition, DMH requires more time to evaluate system features and functionality. In particular, the County is most interested in system performance since Streamline is intended to be used by all counties. As such, a comprehensive assessment of Streamline will need to be performed to determine baseline features and functionality offered to participating California counties. In addition, DMH will need time to perform a gap analysis between IBHIS and Streamline and during this process DMH must have an EHR system in place until it has been decided if we can use the State's system.
