

FROM THE LOS ANGELES COUNTY DEPARTMENT OF MENTAL HEALTH

RE: LACDMH POLICY ON PROTECTING CONFIDENTIAL PERSONAL INFORMATION

January 22, 2025

This letter is to assure you that the confidential personal information you have entrusted with us at the Los Angeles County Department of Mental Health (LACDMH) is protected by various state and federal privacy laws. Moreover, the Los Angeles County Board of Supervisors is committed to protecting the confidential personal information of its residents regardless of their immigration status as required by law.

We at LACDMH are committed to our clients as well as our clients' safety and confidentiality. We will, at all times, take the steps necessary to protect our clients' confidential personal information. We will not release such information to Immigration and Customs Enforcement (ICE) entities or personnel unless authorized and required by law.

We understand that these are difficult and confusing times. We are committed to serving you to the best of our ability with quality care for your mental health needs.

Should you have any questions regarding the content of this letter, please contact your case manager or primary therapist.
