## YourDMH Initiative

Your voice matters to LACDMH! LACDMH takes a collaborative and inclusive approach to understanding community priorities and improving services. Our community-driven partnership – known as YourDMH – connects various stakeholder groups and provides ongoing opportunities for input. Together, we are working towards a shared goal of hope, recovery, and wellbeing across the County.

## Why is Community Engagement So Important?

Your input makes LACDMH better. The YourDMH partnership, which ensures that community voices are heard, is part of the department's ongoing reform effort to strengthen all aspects of our work – including services as well as policies, program designs, information technology supports, quality monitoring activities and more.

## How You Can Help

SALT members reflect the rich diversity of the community. They are from all age groups, ethnic backgrounds, neighborhoods, and communities. Members of SALT may be individuals diagnosed with a mental illness or dealing with both mental illness and substance abuse. Whether you are a consumer, family member, community representative or representative of a local government agency.

## Become an Advocate for Mental Health in Your Community

- Provide feedback to LACDMH on the quality of its programs and services
- Participate in LACDMH planning efforts
- Educate the community on mental health issues
- Erase the stigma associated with mental health
- Provide feedback and help determine the community's mental health needs
- Share your unique perspective on mental health issues
- Attend monthly meetings and learn about mental health issues
- Meet other stakeholders of mental health advocating in your community
- Work to address special needs that encourage the development of meaningful, responsive services
- Advocate with other interested community members and representatives of local governments

## Who Can Join?

Consumers, family members of consumers, community organizations, mental health service providers, interested community members and representatives of local governments; everyone is encouraged to join!

## What is SALT?

Service Area Leadership Team 1 (SALT 1) functions as a local forum of consumers, families, service providers and community representatives to provide LACDMH with information, advice and recommendations regarding:

- The functioning of local service systems
- The mental health service needs of their geographic area
- The most effective/efficient use of available resources
- The maintenance of two-way communication between the LACDMH and various groups and geographic communities
