DESCRIPTION: This training, coordinated by the Department of Mental Health's Employment & Education Staff, will provide information regarding community resources to assist participants in achieving employment and education goals. Included in the training are the following: accessing career exploration resources, how to utilize local labor market information data, success stories and other information relevant to employment assistance. Representatives from several employment and education resources in communities throughout Los Angeles County are scheduled to present. Each presenter will discuss strategies for assisting consumers to access services, highlight program compliance requirements, identify available disability supports, and provide additional information relevant to resources.

TARGET AUDIENCE: DMH Employees and Contracted Staff.

OBJECTIVES: As a result of attending this training, participants should be able to:

1. Describe how to access a range of career exploration resources and programs.
2. Explain how labor market information can be used to assist consumers with their job searches.
3. Identify linkages to employment and education resources using a cultural awareness lens.
