DESCRIPTION: The Department of Mental Health is coordinating the Community Volunteer Resources Training specific to Los Angeles County directly operated and DMH contractor personnel. The training will provide information regarding resources to assist consumers to access volunteer opportunities in the community. Included in the training are success stories and other information relevant to accessing volunteer opportunities. Representatives from several community organizations with volunteer opportunities and resources throughout Los Angeles County are scheduled to present. Each presenter will discuss strategies for assisting consumers to access services, highlight program compliance requirements, identify available disability supports, and provide additional information relevant to resources.

TARGET AUDIENCE: DMH Employees and Contracted Staff

OBJECTIVES: As a result of attending this training, participants should be able to:

1. Identify resources to assist consumers with volunteering.
2. Describe how to access a range of volunteer resources and programs.
3. Identify linkages to volunteer opportunities using a cultural awareness lens.
4. Describe how volunteering can be beneficial to the consumer on the path toward seeking employment.
