DESCRIPTION: The Department of Mental Health is coordinating the Resources to Assist Reentry/Justice-Impacted Individuals with Employment and Education training specific to Los Angeles County directly operated and DMH contractor personnel. The training will provide information regarding community resources to assist reentry/justice-impacted clients to achieve their employment and/or educational goals. Included in the training are the following: local labor market information, success stories and other information relevant to employment assistance. Representatives from several employment and education community resources from throughout Los Angeles County are scheduled to present. Each presenter will discuss strategies for assisting clients to access services, highlight program compliance requirements, identify available disability supports, and provide additional information relevant to resources.

TARGET AUDIENCE: DMH and contract providers.

OBJECTIVES: **As a result of attending this training, participants should be able to:**

1. Identify resources to assist reentry/justice-impacted individuals with employment.
2. Describe how to access a range of employment and education resources and programs.
3. Describe how culture may influence the job search and employment process.
4. Describe how labor market information can be used to assist clients with their job searches.
