

LACDMH Values

Integrity: We conduct ourselves professionally according to the highest ethical standards.

Respect: We recognize the uniqueness of every individual and treat all people in a way that affirms their personal worth and dignity.

Accountability: We take responsibility for our choices and their outcomes.

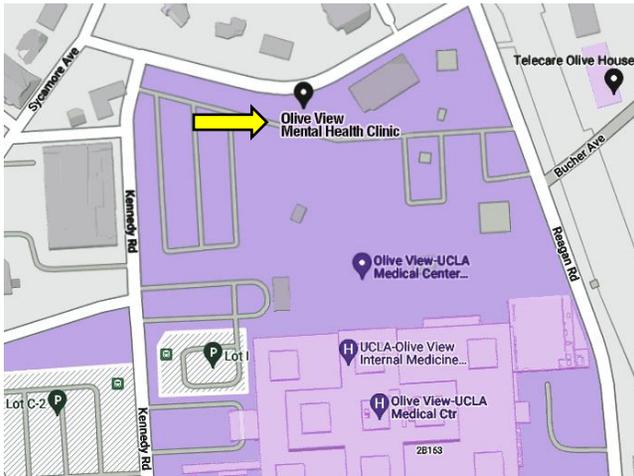

Collaboration: We work together toward common goals by partnering with our clients, community, sharing knowledge, building strong consensus, and sharing decision-making.

Dedication: We will do whatever it takes to improve the lives of our clients and communities.

Transparency: We openly convey our ideas, decisions, and outcomes to ensure trust in our organization.

Quality and Excellence: We identify the highest personnel, organizational, professional, and clinical standards. In addition, commit to achieving those standards by continuously improving every aspect of our performance.

Mental Health

Olive View Mental Health Clinic

14238 Saranac Lane
Sylmar, CA 91342

LOS ANGELES COUNTY
**DEPARTMENT OF
MENTAL HEALTH**
hope. recovery. wellbeing.

About

Established in 2005 as part of the network of mental health urgent care-centers in Los Angeles County. The goal of Olive View Mental Health Clinic (Olive View MHC) is to identify the critical needs of every consumer who comes to the program, and to address those needs as quickly as possible.

Olive View MHC aims to provide affirming, culturally responsive mental health services that honor the needs and strengths of Los Angeles County's diverse communities, including Black, Indigenous, and People of Color (BIPOC), Lesbian, Gay, Bisexual, Transgender, Queer, Intersex, Asexual and Two-Spirit (LGBTQIA2-S) communities, and individuals with varying accessibility needs.

Services Provided

- Adults ages 18 and older with a serious mental and persistent mental illness that results in difficulty functioning.
- Provide screening and triage.
- Phone, video, or in-person appointments.
- Medication support services with psychiatrists, nurses, residents, and NPs.
- Specialty mental health services.
- Targeted case management and information on available resources.
- Individual and group treatment.
- Peer Resource Center provides coping skills for daily life stressors through education, groups, resources, and support.
- Linkage to community providers for ongoing services.
