

## ▶▶ Service Area 1 AV Child and Adolescent Program Trans-Parent Support Group

**Every Thursday starting on October 16, 2025  
5:00 – 6:30 PM**

Parenting a trans or gender-expansive child can feel overwhelming, but you don't have to do it alone. This group offers connection, encouragement, and resources from others who understand. Together, we can support one another so we can better support our kids.
