### Student Professional Development Program

**Description of Site:** *(Please describe the type of Agency setting and services offered)*

Hollywood 2.0 is a pilot project that works with individuals living with severe mental illness within the Hollywood area. We oversee two interim housing sites and partner with a board and care facility. Our teams are field based, providing care on the streets and at the housing sites. We work closely with our community partners in Hollywood to coordinate care and share resources.

**Target population and types of services provided:** *(please check all that apply)*
