Student Professional Development Program	

Description of Site: *(Please describe the type of Agency setting and services offered)*

East San Gabriel Valley Mental Health Full-Service Partnership provides intensive mental health services including therapy, rehabilitation, case management, psychiatry, crisis intervention and after hours on call services. These services are provided to adult clients in the home, at FSP clinic, in the community and other locations if need be. Embedded in Full-Service Partnerships is a commitment to deliver services in ways that re culturally and linguistically competent and appropriate for each client. The foundation of Full-Service Partnership is doing "whatever it takes" to help individuals on their path to recovery and wellness.
