Dear Supervisors:

**APPROVAL TO AMEND EXISTING LEGAL ENTITY AND 24-HOUR RESIDENTIAL TREATMENT CONTRACTS TO INCREASE THEIR MAXIMUM CONTRACT AMOUNTS FOR FISCAL YEAR 2025-26 FOR THE CONTINUOUS PROVISION AND EXPANSION OF SPECIALTY MENTAL HEALTH SERVICES
(SUPERVISORIAL DISTRICTS 1, 2, and 3)
(3 VOTES)**

SUBJECT

Request approval to amend existing Department of Mental Health Legal Entity and 24-Hour Residential Treatment contracts to increase their Maximum Contract Amounts for Fiscal Year 2025-26 for the continuous provision and expansion of specialty mental health services.

IT IS RECOMMENDED THAT THE BOARD:

1. Approve and authorize the Director of Mental Health (Director), or designee, to prepare, sign, and execute amendments similar to Attachment I to existing Department of Mental Health (DMH) Legal Entity (LE) contracts as identified on Attachment III, to increase and reset the Maximum Contract Amounts (MCAs) for Fiscal Year (FY) 2025-26. The amendments will be effective upon Board approval; and the total increase is estimated to be \$3 million, fully funded by Federal Financial Participation (FFP), State Mental Health Services Act (MHSA), and 2011 Realignment revenues.
2. Approve and authorize the Director, or designee, to prepare, sign, and execute amendments similar to Attachment II to the existing DMH 24-Hour Residential Treatment contracts as identified on Attachment III, to increase and reset the MCA for FY 2025-26. The amendments will be effective upon Board approval; and the total increase is \$835,036, fully funded by MHSA revenue.

3. Delegate authority to the Director, or designee, to prepare, sign, and execute future amendments to the LE and/or 24-Hour Residential Treatment contracts in Recommendations 1 and 2 to revise the boilerplate language; revise the annual MCAs; add, delete, modify, or replace the Service Exhibit(s) and/or Statement(s) of Work; and/or reflect federal, State, and County regulatory and/or policy changes provided that: 1) any increase to the Board-approved MCA in Recommendations 1 and 2 will not exceed 25 percent, and 2) sufficient funds are available. The amendments will be subject to prior review and approval as to form by County Counsel, with written notice to the Board and the Chief Executive Office (CEO).

4. Delegate authority to the Director, or designee, to make non-material modifications to the LE and/or 24-Hour Residential Treatment contracts in Recommendations 1 and 2 through administrative amendments or change notices for the following and other similar reasons, as appropriate: change the contractors' business name and/or headquarter address; change, revise, add, or delete the contractors' provider site address(es), site number(s), site name(s), and/or services for an existing or new provider site; make technical corrections; revise County and Contractor Administration Exhibits; and/or shift funds between currently contracted funded programs, so long as such shift(s) will not cause an increase in the MCA.

5. Delegate authority to the Director, or designee, to terminate the contracts described in Recommendations 1 and 2 in accordance with the termination provisions of the contracts, including Termination for Convenience. The Director, or designee, will provide written notification to your Board and CEO of such termination action.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Board approval of Recommendation 1 will allow DMH to amend the existing LE contracts identified in Attachment III to increase the MCAs to provide Specialty Mental Health (SMH) Day Treatment Intensive (DTI) Program services and to support contractors' capacity in expanding services to new and existing beneficiaries since the LE contracts have reached their previously Board-approved delegated authority for FY 2025-26.

Board approval of Recommendation 2 will allow DMH to amend the existing 24-Hour Residential Treatment contracts identified on Attachment III to increase their MCAs for the continuous delivery of sub-acute psychiatric residential services for Medi-Cal beneficiaries and/or uninsured clients since the 24-Hour Residential Treatment contracts have reached their previously Board-approved 25 percent delegated authority for FY 2025-26.

Board approval of Recommendations 3 and 4 will allow DMH to amend the contracts in Recommendations 1 and 2 in a timely manner, as necessary, for the continuous provision and expansion of Specialty Mental Health Services (SMHS) and administrative corrections without interruption to clients in need of these services.

Board approval of Recommendation 5 will allow DMH to terminate the contracts in accordance with the contracts' termination provisions, including Termination for Convenience, in a timely manner, as necessary.

Implementation of Strategic Plan Goals

The recommended actions are consistent with the County's Strategic Plan North Star 1, Make Investments that Transform Lives, specifically Focus Area Goal A. Healthy Individuals and Families; and North Star 3. Realize Tomorrow's Government Today, specifically Focus Area Goal E. Data Driven Decision Making.

FISCAL IMPACT/FINANCING

The total increase for the LE contracts is estimated to be \$3 million for FY 2025-26, fully funded by FFP, MHSA, and 2011 Realignment revenues.

The total increase for the 24-Hour Residential Treatment contracts for FY 2025-26 is \$835,036, fully funded by MHSA revenue.

Funding for future fiscal years will be requested through DMH's annual budget process.

There is no net County cost impact associated with the recommended actions.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

On May 7, 2024, your Board authorized the Director to extend the term of LE contracts, including contractors listed on Attachment III. The same Board letter also delegated authority to DMH to amend the LE contracts to increase their MCAs up to 25 percent of their approved MCAs. As such, using the authority delegated, DMH amended these LE contracts up to the allowed 25 percent and is now returning to your Board for authority to further amend the contracts to increase their MCAs for FY 2025-26. The increase of funds is for the provision of SMH DTI Program services including assessments, treatment planning, therapy and psychosocial rehabilitation.

On May 3, 2022, your Board authorized the Director to execute 24-Hour Residential Treatment contracts, which included the contractors listed on Attachment III. The same Board letter also delegated authority to DMH to amend the 24-Hour Residential Treatment contracts to increase their MCAs up to 25 percent of their approved MCAs. The contracts listed on Attachment III have reached their 25 percent delegated authority for FY 2025-26 and DMH is seeking your Board's authority to amend these contracts to increase their MCAs for that fiscal year. Additional funding is necessary to sustain the clinical and programmatic services and allow the contractors to maintain full capacity service levels.

On February 2, 2026, DMH requested exemption to Board Policy No. 5.120 (Authority to Approve Increases to Board-Approved Contract Amounts) (Attachment IV) from your Board for Medi-Cal funding in DMH's LE and 24-Hour Residential Treatment contracts, and, in accordance with the Policy, DMH considers this request approved, as no objections were received from the Board offices.

Under Board Policy No. 5.100 (Sole Source Contracts and Amendments), DMH is required to notify your Board six months in advance of amendments to existing contracts when DMH does not have delegated authority to increase the maximum amount of the current contracts. On May 7, 2024, your Board adopted a Board letter exempting DMH LE and 24-Hour Residential Treatment contracts from Board Policy No. 5.100 as these contracts provide federal entitlement services to Medi-Cal members.

This exemption will allow DMH to meet the federal requirement under the Parity Rule and allow DMH to amend the LE contracts in a timely manner for the continuous provision and expansion of mental health services without interruption to clients who need the services/programs.

The amendment formats (Attachments I and II) have been approved as to form by County Counsel. Attachment III lists the LE and 24-Hour Residential Treatment contractors, along with their headquarter addresses, Supervisorial District(s), Service Area(s), and current MCAs.

As mandated by your Board, the performance of all contractors is evaluated by DMH on an annual basis to ensure compliance with all contract terms and performance standards.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Board approval of the recommended actions will allow the LE and 24-Hour Residential Treatment contractors to provide ongoing SMHS services and allow DMH to make revisions/updates to the work provided by the contractors in a timely manner.

Respectfully submitted,

LISA H. WONG, Psy.D.

Director

SUBJECT: **NOTICE OF INTENT TO REQUEST DELEGATED AUTHORITY FOR A PERCENTAGE INCREASE EXCEEDING TEN PERCENT OF THE MAXIMUM CONTRACT AMOUNT FOR THE DEPARTMENT OF MENTAL HEALTH'S LEGAL ENTITY AND 24-HOUR RESIDENTIAL TREATMENT CONTRACTS**

In accordance with the Los Angeles County Board of Supervisors' (Board) Policy No. 5.120 (Authority To Approve Increases To Board-Approved Contract Amounts), the Department of Mental Health (DMH) is notifying your Board of our Department's intent to request delegated authority for a percentage increase exceeding ten percent of the Maximum Contract Amount (MCA) for certain existing Legal Entity (LE) and 24-Hour Residential Treatment contracts. DMH will request delegated authority for a 25 percent increase of their MCAs for the existing LE and 24-Hour Residential Treatment contracts for Fiscal Year (FY) 2025-26.

JUSTIFICATION

DMH will present your Board a letter for approval to amend the LE and 24-Hour Residential Treatment contracts for FY 2025-26 to increase their MCAs as the contractors have reached their previously Board-approved 25 percent delegated authority. The total increase for the LE contracts is estimated to be \$3 million, fully funded by Federal Financial Participation (FFP), State Mental Health Services Act (MHSA), and 2011 Realignment revenues.

Each Supervisor
February 2, 2026
Page 2

The total increase for the 24-Hour Residential Treatment contract is \$283,630 for FY 2025-26, fully funded by MHSA revenue.

The authority to increase the percentage exceeding ten percent allows DMH to amend the LE and 24-Hour Residential Treatment contracts in a timely manner for the provision and expansion of specialty mental health services without interruption to clients who need these services.

NOTIFICATION TIMELINE

Board Policy No. 5.120 requires departments to provide written notice to your Board, with a copy to the Chief Executive Office, at least two weeks prior to the Board Meeting at which the request to exceed ten percent of the MCA will be presented. In compliance with this policy, DMH is notifying your Board of our intent to request delegated authority for up to 25 percent of the MCA through a Board letter to be presented on March 3, 2026.
