**DESCRIPTION:** The Department of Mental Health (DMH) is coordinating the Employment & Education Resources Training specific to Service Area (SA) 8 directly operated and DMH contracted staff. The training will provide information regarding community resources to better assist consumers with achievement of employment and/or educational goals. This training will also cover the impact of employment on Social Security disability benefits, local labor market information, success stories and other information relevant to employment assistance. Representatives from several employment and education community resources from SA 8 are scheduled to present. Each presenter will discuss strategies for assisting consumers to access services, highlight program compliance requirements, identify available disability supports, and provide additional information relevant to resources.

**TARGET AUDIENCE:** Service Area 8 DMH and contract provider staff

**OBJECTIVES:** As a result of attending this training, participants should be able to:

1. Identify a disability benefits planning expert to assist consumers interested in working.
2. Describe how to access a range of employment and education resources and programs.
3. Identify community employment and education support for individuals with psychiatric disabilities.
4. Describe how culture may influence the job search and employment process.
5. Identify resources to assist special populations with employment such as youth, justice-involved, and individuals experiencing homelessness.
