What are the most frequent diagnostic categories of your client population?

Chronic Mentally Ill (i.e. schizophrenia, bipolar disorder, major depression, etc.), unhoused, substance misuse populations, as well as those impacted by trauma.

What specific (perhaps unique) training opportunities do students have at your agency?

Weekly supervision, weekly didactic, case consultation and presentations.

What evidence based practices or theoretical orientations will students be exposed to at this site?

Both Practicum and Internship will focus on aspects of psychological assessment. Practicum (externs) will be provided experience in psychodiagnostic assessment (i.e. cognitive assessment, personality assessment, disability assessment, and differential diagnosis). Internship will involve providing both treatment interventions (i.e. CBT, ACT) along with a neuropsychological track, assessing brain and behavior relationships.

Do students have the opportunity to work in a multidisciplinary team environment that includes those with lived experience?

Social Workers, Psychologists, Psychiatrist, Case Managers, Peer Advocates and Substance Abuse Counselors

List locations where students will be providing services **other than agency**?
