## CaliforniaKids is Now Open for Enrollment

The CaliforniaKids (CalKids) is an independent non-profit program that provides comprehensive preventive and primary health care services for children ages 2-18. Children enrolled in this program receive medical and dental care.

The program is open for enrollment in Los Angeles County. Families may apply by calling (818) 755-9700 or online at <http://www.californiakids.org>.

### Who is eligible?

- Children ages 2 through 18. Children must not be married and they must reside full-time with their applying parent/guardian. If they are of school age, they must be in school.
- Children may be enrolled in California Children Services (CCS) for specialty services and/or Emergency Medi-Cal and still be eligible for CalKids basic outpatient services.

### What are the limits/restrictions?

- There are no income or resource limits.
- Immigration status is not used to determine eligibility for CaliforniaKids.

### What is the cost?

- There is a monthly premium of \$75 per child and a one time processing fee of \$10.
- Co-payments depend on the service.

### What is covered under the plan?

- Medical services
- Prescription drugs
- Behavioral health
- Dental care
- Vision, hospitalization and major surgery are **not** covered.

Remember that if your client is enrolled in the CaliforniaKids program, then the rules for Other Health Coverage apply.
