Non-Client Enrollment into Healthy Way LA

Healthy Way LA (HWLA) is a no cost health care program available to Los Angeles County residents. The requirement through the Department of Mental Health (DMH) is that the client must have an open episode in the Integrated System (IS) to be considered eligible for enrollment through DMH. This requirement however, does not prevent a non-client from applying for HWLA through the Department of Health Services (DHS).

The attached DHS Enrollment Information Sheet may be provided to clients and visitors at DMH provider sites. This information will assist non-clients with the enrollment requirements for HWLA and will provide them with the locations where they may apply. Please make copies of the HWLA Enrollment Information Sheet and place them in the waiting room where both clients and visitors will see the flyer and take a copy if they would like.

We're here to help you...

If you have any questions or require further information, please contact RMD at (213) 480-3444 or RevenueManagement@dmh.lacounty.gov.
