RMD BULLETINS ISSUED IN 2012

It is Revenue Management Division's (RMD) goal to enhance the quality and outcome of billing and claiming services and operational performance for all Los Angeles County Short-Doyle mental health providers. RMD Bulletins have been created to provide useful tips and information regarding the reporting of services as well as to share billing information and best billing practice guidelines. Below is a list of all RMD Bulletins that were issued to contract providers in 2012. This list will help providers ensure that they have received all Bulletins published last year.
