Healthy Way LA Members are NOW Medi-Cal!

As a reminder, on January 1, 2014, all Healthy Way LA (HWLA) members who were enrolled in HWLA as of December 31, 2013 were automatically enrolled into Medi-Cal.

This former HWLA population now belongs to the Medicaid (Medi-Cal in California) Expansion also known as MCE. The MCE population is the same as any Medi-Cal beneficiary; you would submit your claim the exact same way as you would for all Medi-Cal beneficiaries. There is no special handling necessary to identify these beneficiaries in the Integrated System (IS) or in the Integrated Behavioral Health Information System (IBHIS) other than processing their claims as Medi-Cal.

Please note that your business practice should include verifying Medi-Cal eligibility prior to delivering services to any client.
