Los Angeles County Regional Park and Open Space (RPOSD) is pleased to release the following Competitive Grant Programs funded by  Measure A:

Natural Lands, Local Beaches, Water Conservation and Protection for projects that improve and protect open space, watersheds, and water resources through planning, acquisition, development, improvement, and restoration of multi-benefit parks.

Regional Recreation Facilities, Multi-use Trails and Accessibility for acquisition, development, improvement, restoration, or rehabilitation projects that improve, connect, and protect regional recreational facilities, trails, and accessibility.

Acquisition-Only for acquisition-only projects that meet the goals of the Natural Lands, Local Beaches, Water Conservation and Protection Competitive Grants Program or the Regional Recreation, Multi-use Trails and Accessibility Competitive Grant Programs. This program prioritizes urgent acquisitions in Study Areas with High or Very High Park Need as well as trails connections and access, wildlife corridors, and critical habitat.

Next Steps

1. Read the Guidelines.

Each program's guidelines will be posted on the [Competitive Grant Programs Webpage](#).

2. Attend a Workshop.

Register on [Eventbrite!](#) Details for the Application Workshops are announced on the webpage and via email. [Subscribe to RPOSD's mailing list here.](#)

3. Submit a Question.

The Submission Period for Questions & Answers (Q&A) regarding this competitive opportunity will be from **April 30th to September 30th**. Answers will be posted on the [Competitive Grant Programs Webpage](#).

4. APPLY ONLINE!

Applications can be accessed via the [Grants Management System \(GMS\)](#) and should be submitted by the deadline.
