The Los Angeles County Regional Park and Open Space District (RPOSD) is pleased to release the following Competitive Grant Programs funded by Measure A:

RECREATION ACCESS

For programs that aim to increase Los Angeles County residents' accessibility to public lands and park facilities, including education, interpretive services, safety information, transportation, and other activities, especially for those in high and very high-need areas.

YOUTH AND VETERAN JOB TRAINING & PLACEMENT

For programs that provide education, skills training (career development), certification, and job placement in the field of parks and recreation to youths and veterans across Los Angeles County.

RPOSD is collaborating with the Los Angeles County Metropolitan Transportation Authority (Metro) to provide an additional \$1 million in Metro funding towards the Recreation Access program to fund transit to parks programs and initiatives as well as service improvements that directly connect the communities to high quality park facilities.
