Ride Free on California Clean Air Day

California Clean Air Day is Oct. 2. To celebrate, many regional and municipal transit agencies will offer free rides to encourage people to leave their vehicles at home and opt for a more sustainable alternative.

You can board Metrolink free all day on Clean Air Day.

Rides will also be free on Metro Bus and Rail, OC Bus and all San Bernardino County and Ventura County transit agencies, among others.

Visit cleanairday.org for details and to take the Clean Air Pledge.

Rideshare & Win During Rideshare Week

Choose an alternative to driving alone during Rideshare Week, Oct. 7-11, for a chance to win great prizes. Here's what's happening:

Los Angeles County

Track your rideshare days using the Commute Calendar at ridematch.info during Rideshare Week. You could win prizes including gift cards valued at \$25 to \$100 at Macy's, Target, Uniqlo, District Restaurant, Joey DTLA Restaurant and more.

Orange County

Rideshare at least one day during Rideshare Week for a chance to win a Happy Commuter Kit. It includes a set of AirPods Pro, battery charger, water bottle, Kindle and a travel backpack.

To enter, visit octa.net/rideshareweek.

Riverside/San Bernardino Counties

Log your rideshare trips and/or telework days throughout the month of October on IECommuter.org to earn chances to win any of dozens of prizes, including an iPad mini, Apple Watch or a stay at the Soboba Casino Resort.

Visit IECommuter.org/rideshareweek for details.

Ventura County

Pledge to rideshare for a chance to win one of four \$250 Amazon gift cards. Find out more at goventura.org.

SB Express Lanes Now Open

The new SB Express lanes on the I-10 Freeway—which run from the Los Angeles County Line to I-15 in San Bernardino County—are officially open.

Carpools with three or more occupants can travel in the lanes toll free when using a FasTrak Flex (switchable transponder).

For more information, visit sbexpresslanes.com.

Improved Metrolink Service Starts Oct. 21

Metrolink will launch major service changes on Oct. 21.

They'll be adding 32 weekday trains—a nearly 23% increase in service.

The new schedule will also streamline connections between lines, making it easier for riders to navigate Metrolink's six-county service area.

With a more than 300% increase in the number of connections planned, most customers will experience wait periods of just 10 to 20 minutes when transferring.

Find out more at metrolinktrains.com.
