59

00:04:58.310 --> 00:05:07.320

AUDIO VIDEO Main: CFCI Advisory Committee Land Acknowledgement recording, and immediately following that, Agenda item number 5, play the labor acknowledgement recording.

60

00:05:08.350 --> 00:05:24.490

Audio shared by Kassy Angel, JCOD (she/her): The County of Los Angeles recognizes that we occupy land originally and still inhabited and cared for by the Tongva, Tatavium, Serrano, Quiche, and Chumash peoples. We

honor and pay respect to their elders and descendants, past, present, and emerging.

61

00:05:24.490 --> 00:05:40.530

Audio shared by Kassy Angel, JCOD (she/her): as they continue their stewardship of these lands and waters. We acknowledge that settler colonization resulted in land seizure, disease, subjugation, slavery, relocation, broken promises, genocide, and multi-generational trauma.

62

00:05:40.530 --> 00:05:57.559

Audio shared by Kassy Angel, JCOD (she/her): This acknowledgement demonstrates our responsibility and commitment to truth, healing, and reconciliation, and to elevating the stories, culture, and community of the original inhabitants of Los Angeles County. We are grateful to have the opportunity to live and work on these ancestral lands.

63

00:05:57.580 --> 00:06:12.869

Audio shared by Kassy Angel, JCOD (she/her): We are dedicated to growing and sustaining relationships with Native peoples and local tribal governments, including, in no particular order, Fernando Tatavium Band of Mission Indians, Gabrielino Tongva Indians of California Tribal Council.

64

00:06:12.870 --> 00:06:22.589

Audio shared by Kassy Angel, JCOD (she/her): Gabrielleno, Tongva San Gabriel Band of Mission Indians, Gabrielino Band of Mission Indians, Quiche Nation, Yahaviatum of San Manuel Nation.

65

00:06:22.640 --> 00:06:32.289

Audio shared by Kassy Angel, JCOD (she/her): San Fernando Band of Mission Indians, Coastal Band of Chumash Nation, Gabrielino Tongva Nation, Gabrielino Tongva Tribe.

66

00:06:32.360 --> 00:06:43.720

Audio shared by Kassy Angel, JCOD (she/her): To learn more about the First Peoples of Los Angeles County, please visit the Los Angeles City-County Native American Indian Commission website at laIC.lACounty.gov.

67

00:06:47.620 --> 00:07:02.190

Audio shared by Kassy Angel, JCOD (she/her): Most modern-day U.S. institutions have benefited from the unaddressed legacy of stolen labor at the foundation of this nation and its vast and inequitable wealth. We respectfully acknowledge our debt to the enslaved people, primarily of African descent.

68

00:07:02.190 --> 00:07:08.710

Audio shared by Kassy Angel, JCOD (she/her): Whose labor and suffering built and grew the economy and infrastructure of a nation that refused to recognize their humanity.

69

00:07:08.710 --> 00:07:21.529

Audio shared by Kassy Angel, JCOD (she/her): While the 13th Amendment to the Constitution technically ended slavery in the U.S, we know that slavery's ongoing impacts are still felt by countless people forced, through violence, threats, and coercion, to work in the U.S.

70

00:07:21.590 --> 00:07:29.389

Audio shared by Kassy Angel, JCOD (she/her): We recognize our debt to exploited workers, past and present, whose labor was and continues to be stolen through unjust practices.

71

00:07:29.400 --> 00:07:45.509

Audio shared by Kassy Angel, JCOD (she/her): We acknowledge our collective debt to the indigenous peoples of this land whose labor was forced and exploited, the Chinese immigrants who built railroads and allowed for westward American development, Japanese Americans whose properties and livelihoods were taken from them while incarcerated during World War II,

72

00:07:45.510 --> 00:07:53.370

Audio shared by Kassy Angel, JCOD (she/her): and migrant workers from the Philippines, Mexico, and Central and South America who have worked Pacific Northwest farms and canneries.

73

00:07:53.610 --> 00:08:05.180

Audio shared by Kassy Angel, JCOD (she/her): We recognize the immigrant and American-born workers of African, Asian, and Central and South American descent whose labor remains hidden in the shadows, but still contributes to the well-being of our collective community.

74

00:08:05.640 --> 00:08:20.709

Audio shared by Kassy Angel, JCOD (she/her): We recognize that our economy continues to rely on the exploited labor of incarcerated people, largely people of color, who earn pennies an hour while generating billions in goods and services each year. And we know there are many other people too numerous to mention.

75

00:08:20.710 --> 00:08:30.560

Audio shared by Kassy Angel, JCOD (she/her): who are prevented from reaping the true value of their labor by unjust systems and cruel practices. We mourn their loss of life, liberty, and opportunity.

76

00:08:30.570 --> 00:08:42.279

Audio shared by Kassy Angel, JCOD (she/her): We acknowledge that the theft of labor is the theft of generational progress. Nearly all people of color have been robbed of the opportunity and wealth that their ancestors might otherwise have passed on to them.

77

00:08:44.200 --> 00:08:52.829

AUDIO VIDEO Main: Thank you. Moving to agenda item number 6, Community Agreement. I'm gonna ask us, given what's before us today, and the fact that there'll be multiple perspectives.

78

00:08:52.910 --> 00:09:04.660

AUDIO VIDEO Main: and you may not all agree, to really pay attention to what we've all committed to as a body, to exhibit in terms of our behaviors as we're communicating, deliberating, and making decisions. So if you all

79

00:09:04.700 --> 00:09:18.290

AUDIO VIDEO Main: are so inclined, please help me, read out the 16 community agreements we have in terms of how we interact with one another and the community at large. I'll begin. Be respectful of the diverse voices being represented, and remain open-minded.

80

00:09:21.080 --> 00:09:31.470

AUDIO VIDEO Main: Be mindful of power dynamics in this space, as well as the historical disenfranchisement of Black and Indigenous communities, accordingly prioritize and defer to community throughout this process.

81

00:09:32.140 --> 00:09:37.180

AUDIO VIDEO Main: Be mindful of the diverse audiences you're presenting to, and make sure you speak with clarity.

82

00:09:38.080 --> 00:09:41.200

AUDIO VIDEO Main: Be collaborative. Assume best intentions.

83

00:09:41.820 --> 00:09:43.890

AUDIO VIDEO Main: Challenge the idea, not the person.

84

00:09:44.290 --> 00:09:56.540

AUDIO VIDEO Main: Remember why we're here, to center the Black, Brown, and Indigenous communities, and other communities that have been most impacted by the carceral system, low-income communities, trans and gender non-conforming folks, etc.

85

00:09:56.770 --> 00:09:58.530

AUDIO VIDEO Main: Defer to community.

86

00:09:59.960 --> 00:10:02.130

AUDIO VIDEO Main: Transparency and follow-through.

87

00:10:02.390 --> 00:10:06.570

AUDIO VIDEO Main: Be intentional about hearing and allowing space for additional voices to be uplifted.

88

00:10:08.390 --> 00:10:15.160

AUDIO VIDEO Main: Be an active participant and try to be succinct in your thoughts and contributions. Let equity lead the way.

89

00:10:16.700 --> 00:10:19.010

AUDIO VIDEO Main: Make spaces for youth voices.

90

00:10:21.560 --> 00:10:27.539

AUDIO VIDEO Main: As much as possible, allow community members to finish their sentences and thoughts during public comment.

91

00:10:28.310 --> 00:10:32.459

AUDIO VIDEO Main: Review community agreements before every meeting and amend them as needed.

92

00:10:35.800 --> 00:10:52.759

AUDIO VIDEO Main: Begin CFCI Advisory Committee meetings with a land acknowledgement statement recognizing and respecting the Indigenous peoples of the land we now call Los Angeles County. Thank you all. Moving to agenda item number 7, I just have a couple of things under administrative reminders so we can get into the reason why we're here.

93

00:10:52.760 --> 00:11:05.939

AUDIO VIDEO Main: One, we want to, let you know that, as you all know, as soon as we wrap this process up, we begin the Round 7 process, and so JCOD has contracted with,

94

00:11:06.060 --> 00:11:25.079

AUDIO VIDEO Main: the community engagement firm, myself and Vice Chair Carbajal and JCOD had a conversation yesterday so we could all get on the same page, and so you can expect to hear from them and be able to weigh in related to the credible messengers and their plan, their implementation plan, in our September meeting. But they have been hired, and they're actively working towards

95

00:11:25.080 --> 00:11:30.029

AUDIO VIDEO Main: developing an implementation plan and bringing that to you in September so they can get your input.

96

00:11:30.030 --> 00:11:43.270

AUDIO VIDEO Main: And then we also... we have a new member to our committee, and so we want to welcome, member Nicole Blackwood, who has been appointed to our body from Supervisorial District 5. Welcome, Member Blackwood. Do you want to say anything?

97

00:11:44.720 --> 00:11:51.239

AUDIO VIDEO Main: Was just sharing with several of us in the room how meaningful this work is, and so excited to be here. Thank you.

98

00:11:51.480 --> 00:11:53.780

AUDIO VIDEO Main: Thank you so much, and welcome.

99

00:11:53.970 --> 00:11:55.740

AUDIO VIDEO Main: Welcome to the team!

100

00:11:55.980 --> 00:12:05.569

AUDIO VIDEO Main: All right, and we will do minutes next time, because I was trying to make as much time as possible. Okay, so moving us to agenda item number 8, I want to,

101

00:12:05.570 --> 00:12:12.940

AUDIO VIDEO Main: do a little bit of framing. Some of you who have come in, who haven't been a part of all the foundational and building blocks of

102

00:12:12.940 --> 00:12:28.300

AUDIO VIDEO Main: that we've been working on to get us to this point today. If something is unclear, feel free to raise your hand, but just know we have, done an iterative process, and so, I am going to be mindful to move us forward. We do need to get to a vote today.

103

00:12:28.360 --> 00:12:39.889

AUDIO VIDEO Main: So, similar to what I said last time, if I, am sensing that some conversations, while important, may be taking us in circles and not moving us ahead, I am going to take the liberty to

104

00:12:39.890 --> 00:13:03.939

AUDIO VIDEO Main: move the conversation forward. But it's imperative, based on the timeline I shared with you all a couple of weeks ago, that we move this vote forward, so that CEO can deliberate, come up with their

final recommendations to the board, and we can get this before the board on October 27th with the budget hearing. So, I am going to be facilitating this conversation to get us to that point, which is why we have the additional hour.

105

00:13:04.010 --> 00:13:16.979

AUDIO VIDEO Main: There have been a lot of conversations that, myself, and in some cases, our vice chairs have had with, JCOD, with JCD, with other folks, to just really try to.

106

00:13:16.980 --> 00:13:30.000

AUDIO VIDEO Main: make sure we're clear and are as thoughtful as possible, and so you're about to see the slide deck that has updates. You do have the printout. I'm glad many of you have your laptop so you can follow along, because as you know, we're going to be updating that... that Excel sheet.

107

00:13:30.000 --> 00:13:54.939

AUDIO VIDEO Main: In real time. I just got one update today, like, 5 minutes ago, that's unfortunately not reflected in the PowerPoint, but I'll share what that is. But we've done a lot of work behind the scenes. I personally have spent hours behind the scenes trying to make sure we have the most meaningful discussion, and that the information is as clear as possible to you all, so we all understand the decisions that we're making. And with that, JCOD, I hope I'm a co-host, because I'm

108

00:13:54.940 --> 00:13:56.799

AUDIO VIDEO Main: I'm about to share my screen.

109

00:13:57.320 --> 00:13:58.579

AUDIO VIDEO Main: on the Zoom.

110

00:14:04.110 --> 00:14:05.709

AUDIO VIDEO Main: Okay, here we go.

111

00:14:20.660 --> 00:14:25.600

AUDIO VIDEO Main: Alright, so, as a reminder.

112

00:14:25.730 --> 00:14:36.300

AUDIO VIDEO Main: In the last meeting, we voted on two of the 6 funding area that our committee has decided that it wants to include in this Round 6.

113

00:14:37.160 --> 00:14:45.639

AUDIO VIDEO Main: spending recommendation that we're about to make to the CEO's office, and thereafter the board offices, and so I want to...

114

00:14:45.880 --> 00:14:51.580

AUDIO VIDEO Main: Sorry, my screen is doing some weird stuff. Okay.

115

00:14:51.690 --> 00:14:58.830

AUDIO VIDEO Main: And so this is moving the conversation forward to the next phase of that.

116

00:14:59.610 --> 00:15:18.650

AUDIO VIDEO Main: So today, we're going to remind everybody about the Conflict of interest protocol. I'm not going to read everything. We had what I feel is robust conversation, but I will share the language up on the screen so everybody is clear. If you have any questions for County Council, please ask them. And then we talked about the memo that had just...

117

00:15:18.690 --> 00:15:20.470

AUDIO VIDEO Main: Been released.

118

00:15:23.170 --> 00:15:30.539

AUDIO VIDEO Main: Or, yeah, it actually didn't formally come out, but the priorities that the board has set forth related to

119

00:15:30.760 --> 00:15:44.730

AUDIO VIDEO Main: the effort to close Mid Central Jail. So I'll have an update on that. Again, met with JCD. JCD is here, actually, because I asked him to be here to provide a little bit more context and answer some questions if need be. So I want to give an update on that, and I actually have a recommendation based on all of the

120

00:15:44.990 --> 00:15:52.079

AUDIO VIDEO Main: Work we've been doing to understand what's going on and how it can fit into what our process and plans already were.

121

00:15:52.080 --> 00:16:06.420

AUDIO VIDEO Main: And then, we have the confirmed amount for underspan, which is higher than we thought, so I want to share what that means, and what that means for the dollar amounts that are available in the respective

122

00:16:06.420 --> 00:16:11.270

AUDIO VIDEO Main: Funding categories, which means we got a little bit more money for the two we already approved to add.

123

00:16:11.290 --> 00:16:27.980

AUDIO VIDEO Main: to other programs, or to add to the existing programs. And then, obviously, the bulk of the conversation today is really deliberation. We are going to do the same thing in terms of going funding area by funding area, but I have made some adjustments to it that I'll describe to you in just a few minutes. And then, if we get time for this.

124

00:16:27.980 --> 00:16:33.979

AUDIO VIDEO Main: then I'll get you all's input. It's not a vote, but I just... I share the draft letter, it's in your materials.

125

00:16:33.980 --> 00:16:48.450

AUDIO VIDEO Main: That will come for our committee, and definitely if you have any input, I'll take that. If we don't have time for that, then that's okay. You all can give me input. It's not an actionable item, but I did want you to see it, since I'm sitting on behalf of the committee, but we may not have time for that, and that's okay. You all can share your thoughts.

126

00:16:48.660 --> 00:16:49.989

AUDIO VIDEO Main: In a different way.

127

00:16:51.570 --> 00:16:52.560

AUDIO VIDEO Main: Alright.

128

00:16:53.530 --> 00:17:07.419

AUDIO VIDEO Main: So, the objectives, the actual votes we're looking to take today, one, again, I'm about to... I'm going to give you some updates about, the Men's Central Jail's \$28 or so million dollar priorities, and I,

129

00:17:08.109 --> 00:17:28.769

AUDIO VIDEO Main: propose something and see if you all want to move it forward. If not, then, you know, it shifts some of the numbers, but that's going to be the first thing we talk about, because that's going to determine the remaining balance of dollars, and so, and then we... after we finish the program areas, we need to go back through and, determine TPA or a county department.

130

00:17:28.800 --> 00:17:32.070

AUDIO VIDEO Main: For the program areas that the body has agreed to.

131

00:17:34.520 --> 00:17:37.099

AUDIO VIDEO Main: Alright, so here's the conflict of interest.

132

00:17:37.200 --> 00:17:55.409

AUDIO VIDEO Main: information again, members, is in front of you. I'm not going to read it again, but I just want to put it on the screen to make sure everybody's clear. And at this time, after you look at the information, I want to pause to see if anybody is going to or would like to recuse themselves from the discussion at this time.

133

00:18:00.490 --> 00:18:01.410

AUDIO VIDEO Main: Okay?

134

00:18:02.070 --> 00:18:04.650

AUDIO VIDEO Main: Any questions before I keep going?

135

00:18:06.410 --> 00:18:07.530

AUDIO VIDEO Main: All right.

136

00:18:08.610 --> 00:18:12.790

AUDIO VIDEO Main: Alright, so, I'm not gonna recount everything.

137

00:18:12.790 --> 00:18:31.509

AUDIO VIDEO Main: We've talked about it, but ultimately, you all know that this body exists, and lots of our efforts are tied to reducing incarceration, and also, specifically, closing men's Central Jail. We received a memo from the CEO's office, an updated memo to the original set-aside memo that we've had since July.

138

00:18:31.510 --> 00:18:35.819

AUDIO VIDEO Main: That, that very clearly identify the priorities.

139

00:18:35.820 --> 00:18:50.250

AUDIO VIDEO Main: That amounted to, you know, somewhere around \$28 million, and about 25-plus million have been identified as being appropriate, to be funded by CFCI as an option. The letter...

140

00:18:50.380 --> 00:18:56.499

AUDIO VIDEO Main: or the board directive does not say all the money has to come from CFCI, to be clear. The CEO's office

141

00:18:56.680 --> 00:18:58.900

AUDIO VIDEO Main: letters, very CFCI.

142

00:18:59.320 --> 00:19:16.330

AUDIO VIDEO Main: forward, but after our conversation, it's clear that they're having conversations with other offices, and the board did not say the money all has to come from CFCI. But obviously, we should support some of that effort, given that it's at the core of the essence of why CFCI exists. And so, some of the things we've learned

143

00:19:17.090 --> 00:19:32.130

AUDIO VIDEO Main: that I want to share with you all, in the last two weeks is that, and this came up, the JCD staff and operations are not funded through CFCI. Y'all remember I asked that question, it's funded through NetCounty calls and others, so JCD does not take any administrative dollars from CFCI.

144

00:19:32.200 --> 00:19:44.090

AUDIO VIDEO Main: And one of the things we clarified, right, because some of us felt like we were being strong-armed, like, there's all kinds of feelings about it, but one of the things we clarified, that I think is...

145

00:19:44.090 --> 00:20:05.380

AUDIO VIDEO Main: helps us not completely derail our existing plan is that, Jason and the board are looking for ongoing funds to support these programs. They're not appropriate to be supported by one-time funds. As a reminder, the delineation of our dollars is one-time versus ongoing, and there's only \$11 million worth of ongoing funds. The rest is one-time.

146

00:20:05.950 --> 00:20:15.639

AUDIO VIDEO Main: So, all of the priority programs listed on the memo, that's a part of the handout you have today, and a part of the links for the community members. If we were to consider

147

00:20:15.980 --> 00:20:27.610

AUDIO VIDEO Main: using Round 6 to fund some of them, we would only be able to consider the ongoing funds, so up to \$11 million. I'll talk a little bit more about that in a minute. And,

148

00:20:28.050 --> 00:20:28.910

AUDIO VIDEO Main: If...

149

00:20:30.310 --> 00:20:41.579

AUDIO VIDEO Main: we allocate dollars to JCD, then they would be working with the departments directly to allocate and prorate, depending on, like, with the scalability.

150

00:20:41.580 --> 00:21:00.630

AUDIO VIDEO Main: Of what the full scope of the dollar amounts, equate to versus, like, how much folks could do in terms of expanding communities,

expanding slots, etc, if they had a reduced amount. We would not be doing that work here. But we did have an honest conversation with the JCOD leadership about the fact that our committee and our leadership has to be involved.

151

00:21:00.630 --> 00:21:17.709

AUDIO VIDEO Main: and has to work closely with them on this effort. We haven't necessarily had the opportunity, there's been a leadership shift, there's a very different perspective now, and so there's a commitment from JCD, really regardless of what happens today, but to work more closely in a structured way with the CFCI committee on how this Men's Central Drill effort

152

00:21:17.710 --> 00:21:21.900

AUDIO VIDEO Main: it's going. So, with all of that said, and

153

00:21:22.400 --> 00:21:40.939

AUDIO VIDEO Main: if you all recall, I asked the CEO's office to include board priorities because we wanted to know what they are, not because they require us to do... to list... to include them all, but we should know, because ultimately, we are an advisory body. The CEO makes the ultimate decisions about what they're going to put forth before the board.

154

00:21:40.940 --> 00:21:50.610

AUDIO VIDEO Main: And the board makes the ultimate decision. And given that, I think everybody in here agrees with we need to see some actual movement towards

155

00:21:52.510 --> 00:22:06.859

AUDIO VIDEO Main: programs and efforts to try to move towards closing mid-central Jr. I think there's a general idea that the committee wants to support that. Whether or not you want to support it in Round 6 is the biggest question mark, right? But based on all of the information I've gathered.

156

00:22:06.860 --> 00:22:15.519

AUDIO VIDEO Main: I want to recommend that we allocate the \$11 million, and let me get to the next slide. I'm going to do the next slide before I take any comments.

157

00:22:15.520 --> 00:22:18.909

AUDIO VIDEO Main: That we allocate the full \$11 million of ongoing to...

158

00:22:20.200 --> 00:22:29.269

AUDIO VIDEO Main: the Men's Central Jail effort. I'm gonna go to the next slide, and then I'll take your comments. So, initially, we thought the confirmed amount,

159

00:22:29.670 --> 00:22:43.330

AUDIO VIDEO Main: of underspend was \$30 million. It's 13... a little over \$13 million more. \$13.5 million more than we thought it was. So we have \$13.5 million more to work with, so it would not reduce the allocations

160

00:22:43.500 --> 00:22:45.539

AUDIO VIDEO Main: For any of the other programs.

161

00:22:45.770 --> 00:22:51.009

AUDIO VIDEO Main: Or any of the other, excuse me, funding areas that we had already,

162

00:22:51.010 --> 00:23:09.419

AUDIO VIDEO Main: assigned percentages to, although, obviously, the Men's Central Jail effort crosses over, right, primarily with the non-custodial funding area and the restorative justice funding area, but none of the funding areas and the amounts tied to those funding areas will be reduced by funding the \$11 million. The only thing is that all of those programs will be one-time funding.

163

00:23:09.420 --> 00:23:16.320

AUDIO VIDEO Main: Which, there's a potential fix for that in the Round 7. And... and...

164

00:23:18.330 --> 00:23:29.449

AUDIO VIDEO Main: Actually, there's more money available in all of the funding areas than we initially thought, because there's extra money, even above the \$11 million, if the committee decides to allocate it, to JCD.

165

00:23:29.820 --> 00:23:36.729

AUDIO VIDEO Main: And there, are... I'm gonna reduce the size of this, because it's cut off a little bit.

166

00:23:38.130 --> 00:23:40.290

AUDIO VIDEO Main: They're,

167

00:23:40.640 --> 00:23:48.069

AUDIO VIDEO Main: So I'll pause there. I'll do the last bullet after that. So let me hear your comments and thoughts about everything I just shared around...

168

00:23:48.610 --> 00:23:53.200

AUDIO VIDEO Main: committing the entire ongoing amount, \$11 million, to the JCD.

169

00:23:53.490 --> 00:23:56.879

AUDIO VIDEO Main: Really, it's the men's Central Jail effort.

170

00:23:57.040 --> 00:24:03.490

AUDIO VIDEO Main: That would be coordinated with other departments by JC. So, let's hear your comments and thoughts about that before we move on any further.

171

00:24:04.710 --> 00:24:05.970

AUDIO VIDEO Main: Member Williams?

172

00:24:07.390 --> 00:24:09.379

AUDIO VIDEO Main: Yeah, I'll make this brief.

173

00:24:10.310 --> 00:24:21.560

AUDIO VIDEO Main: I think everyone knows my sentiments around incarceration, considering lived experience and representing the Native American community. But I also think that we gotta pay a lot of attention,

174

00:24:21.600 --> 00:24:39.450

AUDIO VIDEO Main: to the timeline, I know that our folks over at Reimagine LA put out a timeline today that initially, in 2020, it was one-year closure, 2022, it was a two-year closure. Then by 2024, it was a five-year closure, and now it's a 2031.

175

00:24:39.450 --> 00:24:42.400

AUDIO VIDEO Main: So, it went from 1 year to...

176

00:24:42.500 --> 00:24:52.449

AUDIO VIDEO Main: lots of years. And I only say that to say this, if you look at the public comments today, if you read them all, there is a program there called PD Heal.

177

00:24:52.450 --> 00:25:03.149

AUDIO VIDEO Main: And I don't know them from Tom. All I know is I've had a public defender. They weren't that good. But I know is that the more resources we have to defend these cases, and the work that they do.

178

00:25:03.150 --> 00:25:08.989

AUDIO VIDEO Main: the more opportunities our people are going to have to get out and to be thriving. So, and I don't know if...

179

00:25:09.040 --> 00:25:16.780

AUDIO VIDEO Main: you know, I've met with Jason's leadership, the new leadership, I've met with Steven, and I like the direction they're going, but it just feels like

180

00:25:16.990 --> 00:25:26.709

AUDIO VIDEO Main: it's a never-ending timeline of when the jail's gonna close. When the board... if I was a board member and I ordered something closed in a year and it didn't happen, I'd be pissed.

181

00:25:26.770 --> 00:25:38.489

AUDIO VIDEO Main: And it doesn't seem that they're pissed. It seems they're kicking the can down the road. So, are we gonna be part of kicking the can down the road? You know, I'm willing to go with the majority of folks, obviously, but it's also, like, is this the...

182

00:25:38.690 --> 00:25:45.870

AUDIO VIDEO Main: if we're gonna fund something like this, I think we also have to fill... fill... fund something like PD HEAL that's inside of the...

183

00:25:45.910 --> 00:26:04.910

AUDIO VIDEO Main: the public comment, so... just, putting that out there. Okay. Hill is actually a part of it. Oh, are they? Alright, cool. Yeah. Cool. Hill is a part of it. I have a feeling it's gonna come up, because they're probably gonna want some one-time money, too. I'm waiting for that comment later. But thank you for saying that. The one thing I want to offer, and we'll come to you, Member Coats, is that I don't know if you all listened in to the board meeting last Tuesday?

184

00:26:05.280 --> 00:26:12.409

AUDIO VIDEO Main: Where JCD and JCOD and... ODR, and there's a few more departments I'll think of an update.

185

00:26:12.460 --> 00:26:29.189

AUDIO VIDEO Main: I re... I went back and listened to it, and some of the supervisors are pissed, Member Williams, and they're frustrated, and are pushing to move this thing forward. I think we need to walk alongside them to make sure there's accountability, but there is a lot of frustration, and this certainly will not resolve

186

00:26:29.300 --> 00:26:41.769

AUDIO VIDEO Main: this will not close Minister Jr. That's \$11 million, nor will the \$28 million, right? But I think, they are tangible programs that are going to be measured in ways for us to really understand what the full scale and scope is, but it's a...

187

00:26:41.770 --> 00:26:51.999

AUDIO VIDEO Main: means to an end to begin to start to actually see. And obviously, there's several programs that have already done that work, and I think this is just expanding those programs, but the few providers are frustrated, at least some of them.

188

00:26:52.040 --> 00:26:57.120

AUDIO VIDEO Main: By the same thing you just said, and they expressed it very clearly. Member Colts and then member home?

189

00:26:57.630 --> 00:27:18.299

AUDIO VIDEO Main: Yeah, it might be helpful at some point, maybe now, or when we get to that item, to have an overview of what is encompassed in that first-year plan, because, you know, PDHeal is one of the things that is in there. Steven is here, and then Will is gonna join, remotely, I think he's on. Okay, so we can... I just wanted to get a sense as to whether or not this is something you all want to do.

190

00:27:18.300 --> 00:27:23.700

AUDIO VIDEO Main: And then we'll hear from them briefly, but yeah, I'll pull it up, and then they're here so they can answer questions.

191

00:27:24.980 --> 00:27:25.880

AUDIO VIDEO Main: Okay.

192

00:27:26.320 --> 00:27:29.710

AUDIO VIDEO Main: Any other thoughts? Does anybody feel like, I don't want to do that?

193

00:27:29.990 --> 00:27:31.549

AUDIO VIDEO Main: I object to that.

194

00:27:31.810 --> 00:27:38.620

AUDIO VIDEO Main: And it's okay. I mean, I'm not encouraging, but I'm just saying, this is... this is a safe space, so everybody can express their perspective.

195

00:27:38.660 --> 00:27:48.249

AUDIO VIDEO Main: their perspectives and their opinions. So, any other comments before we hear briefly from Jason? Member Clark, are they going to cover what this \$11 million is for?

196

00:27:48.260 --> 00:28:01.740

AUDIO VIDEO Main: Yes, and I'll also flag, the memo was sent out to this full body on August 10th, when it was released. The CEO's office sent it directly, and I believe JCOD actually sent it as well. And then it's... if you all go to the attachment.

197

00:28:01.790 --> 00:28:16.699

AUDIO VIDEO Main: JCOD, if you can hold it up or direct people on where it is in this booklet, you all have it in front of you. It's the first 5 or 6 programs in the set-aside memo, in your attachment. I think it's either right behind the slide deck, or...

198

00:28:16.970 --> 00:28:20.790

AUDIO VIDEO Main: Maybe it's right behind my draft letter. Is that correct, JCOD team?

199

00:28:20.990 --> 00:28:22.889

AUDIO VIDEO Main: Where does it sit in the handouts?

200

00:28:23.300 --> 00:28:29.459

AUDIO VIDEO Main: It is behind your draft letter, so it's the very last attachment in the agenda handout.

201

00:28:30.950 --> 00:28:31.990

AUDIO VIDEO Main: Okay.

202

00:28:32.900 --> 00:28:36.009

AUDIO VIDEO Main: So I'll hold it up as well, just to make sure folks are...

203

00:28:36.410 --> 00:28:41.219

AUDIO VIDEO Main: Claire, there were no members online that want to say anything, right?

204

00:28:41.960 --> 00:28:42.780

AUDIO VIDEO Main: Okay.

205

00:28:44.110 --> 00:28:49.599

AUDIO VIDEO Main: So, it starts with the letter, but it's the attachments. Keep flipping till you see the table.

206

00:28:49.890 --> 00:28:58.100

AUDIO VIDEO Main: Right, and it's... we saw one of these in July, and this one was the one that was sent to our entire committee, and it was made public as well on August 10th.

207

00:28:58.420 --> 00:29:07.840

AUDIO VIDEO Main: So, it's on page 1 of 6. There's a... you see this? There's some grayed-out programs right here. Those are the ones we're talking about.

208

00:29:08.250 --> 00:29:13.499

AUDIO VIDEO Main: The grayed-out program's on page 2 of 6 on the CEO's attachment to their memo.

209

00:29:13.720 --> 00:29:15.210

AUDIO VIDEO Main: Everybody got it?

210

00:29:15.660 --> 00:29:17.670

AUDIO VIDEO Main: Anybody need help finding it?

211

00:29:18.690 --> 00:29:23.670

AUDIO VIDEO Main: Okay. So, Jason, very... Very, very briefly.

212

00:29:24.470 --> 00:29:31.080

AUDIO VIDEO Main: I want to also flag that two of these were already on the priority list that you all have been looking at since July.

213

00:29:31.370 --> 00:29:32.660

AUDIO VIDEO Main: RPD?

214

00:29:33.090 --> 00:29:41.990

AUDIO VIDEO Main: RRDP? Rapid Diversion Program, it was in my head. And, there's a second one.

215

00:29:43.420 --> 00:29:55.800

AUDIO VIDEO Main: oh, and the ODR P2P3 program. So some of these are not new to the set-aside list, they've just been prioritized. Okay, JC, very briefly. Wil just very, very briefly...

216

00:29:55.800 --> 00:30:11.940

AUDIO VIDEO Main: Can you share with them what you shared with me about how you all are gonna go about prorating, right, and getting money to

the... all the different programs with \$11 million versus \$28 million? And then, if you all have questions about the programs, we'll answer them. I'm not gonna have them walk through the programs.

217

00:30:11.940 --> 00:30:28.939

AUDIO VIDEO Main: Because we... I went through the initial set-aside amendment with you all two meetings ago. So, Will, if you could just share kind of your process that you're gonna undergo, should this committee, and obviously, ultimately, the board, decide to award these dollars? Like, how you're going to make decisions about what gets... who gets what, and all that kind of stuff.

218

00:30:29.420 --> 00:30:36.060

Wil Pinkney Jr. LA: Well, good evening. Thank you for having me. Just really quickly, we are... we've met with all the departments.

219

00:30:36.150 --> 00:30:42.990

Wil Pinkney Jr. LA: In our report, we had an initial 5-year budget for each of these programs, so we've met with the departments in the last week.

220

00:30:42.990 --> 00:31:02.740

Wil Pinkney Jr. LA: to go back over those five-year budgets to, number one, figure out how much money would be spent if we were able to get the money in this current fiscal year, but then to also think about what would make sense for each program if they were to get less than was originally requested, or was originally in our 5-year ramp-up. And we're going to use that to then, instead of

221

00:31:02.740 --> 00:31:18.890

Wil Pinkney Jr. LA: prioritizing one program over another, we would look to fund the programs at lower rates, which would mean, obviously, that they may serve less people in the current fiscal year. But, you know, all the programs are important. They play complementary roles, so we don't want to...

222

00:31:18.890 --> 00:31:28.549

Wil Pinkney Jr. LA: look at one over the other. We want to make sure that as much work as can get done, does get done, and so we will fund them, you know, proportionately, so...

223

00:31:28.710 --> 00:31:31.969

Wil Pinkney Jr. LA: And if there's any questions, Steven's there, he can go through stuff as well.

224

00:31:33.530 --> 00:31:42.270

AUDIO VIDEO Main: Okay, so any questions about the... any of the... again, I'm not gonna have them walk through, but any questions about any of the priority programs on the grayed-out list?

225

00:31:44.110 --> 00:31:47.119

AUDIO VIDEO Main: And then, Member Hong, I'll come to you if you still wanted to make your comment.

226

00:31:49.620 --> 00:31:56.590

AUDIO VIDEO Main: Member Bettino? Just quick clarification, Will and Steven, I see two of them is here as well,

227

00:31:56.960 --> 00:32:00.930

AUDIO VIDEO Main: Would we just be dividing by 5, essentially, or are there particular...

228

00:32:01.180 --> 00:32:03.119

AUDIO VIDEO Main: Are there... do we have the math?

229

00:32:03.450 --> 00:32:07.310

AUDIO VIDEO Main: That shows the allocation to the \$11 million as opposed to the \$28.

230

00:32:07.990 --> 00:32:22.240

Wil Pinkney Jr. LA: No, we do not have the math yet. It wouldn't be dividing by 5. The programs serve different people, they have different... so it's a good question, Adam. Thank you for the question. You know, different... they're at different scales, so no, it would be proportional, for the programs.

231

00:32:24.170 --> 00:32:29.260

AUDIO VIDEO Main: proportionate some... and somewhat... what I heard you say earlier this week was based on

232

00:32:29.610 --> 00:32:35.610

AUDIO VIDEO Main: The scalability or reduction, right, related to expansion of communities versus the number of slots

233

00:32:35.750 --> 00:32:39.299

AUDIO VIDEO Main: Like, yeah, it's not as simple as 9x5.

234

00:32:39.330 --> 00:32:40.220

Wil Pinkney Jr. LA: Yes.

235

00:32:40.890 --> 00:32:42.080

AUDIO VIDEO Main: Remember, Hong?

236

00:32:42.910 --> 00:32:51.959

AUDIO VIDEO Main: Thanks. Director Pinkney, I just had a question, because one thing I'm aware of is that the spending plan didn't reflect unmet needs requests, and

237

00:32:52.020 --> 00:33:08.889

AUDIO VIDEO Main: ODR has an unmet needs request that is significant, that isn't incorporated. The ODR component is small within the proposed \$28 million in the JCD, so how would you factor that in to the allocation of the funding, right? The unmet needs pieces that are not incorporated?

238

00:33:10.380 --> 00:33:22.739

Wil Pinkney Jr. LA: And we'll have some conversations about this probably next week, but with you guys. But given, the, amount of money there will be, we're probably gonna have to look at,

239

00:33:22.960 --> 00:33:29.970

Wil Pinkney Jr. LA: A scenario where, as if the unmet needs doesn't come into play, what a ramp-up would be to get you back to the level at which

240

00:33:30.030 --> 00:33:49.430

Wil Pinkney Jr. LA: the unmet needs would have gotten you, but we'll have to talk through that. But that is a challenge in that that unmet need is out there. Now, I know the CEO budget and the CEO are going through some discussions now around a supplemental budget, so I don't know where that's gonna land in terms of the unmet need itself, but we're gonna have to,

241

00:33:49.550 --> 00:33:53.049

Wil Pinkney Jr. LA: look at a scenario, in that case, I would say.

242

00:33:55.690 --> 00:34:12.710

AUDIO VIDEO Main: Okay. The reason why I'm raising is because, obviously, when we go into the funding allocation parts of this, like, it would help to be clear how much funding would be available in this JCIT pot for ODR housing as a program, because it's on the list, right? Whereas some of those are not. Yeah, we are... well, there's two different...

243

00:34:13.350 --> 00:34:21.499

AUDIO VIDEO Main: So, the P2P3 very... or P3V4, I think maybe it is, like, that's on this 11 million list.

244

00:34:21.610 --> 00:34:34.040

AUDIO VIDEO Main: There's your interim housing plus for consideration on the separate list. That would be one time, which, of course, we can address one time always later, but those are two different things. They're not... that one is not tied to this one.

245

00:34:34.110 --> 00:34:46.059

AUDIO VIDEO Main: I... we... we are not deliberating how that \$11 million is split, because the recommendation is to... because we... unfortunately, we just don't have time. So, the recommendation is to issue it to Jay said, and Jay said, work with our committee and the leadership of the committee.

246

00:34:46.560 --> 00:34:52.440

AUDIO VIDEO Main: and keep us abreast, but I don't... we're not having that deliberation about the split of the \$11 million, or at least that's the intention.

247

00:34:52.639 --> 00:34:53.909

AUDIO VIDEO Main: So, I would...

248

00:34:57.230 --> 00:35:10.309

AUDIO VIDEO Main: I would encourage you to think of a conservative allocation to your program that's listed on the priorities as you speak up about the other ones that are on the list outside of this allocation. Does that make sense?

249

00:35:13.400 --> 00:35:19.890

AUDIO VIDEO Main: Well... Consider the... that you all would get the...

250

00:35:20.170 --> 00:35:30.960

AUDIO VIDEO Main: the lowest amount possible, like, even if they're not going to divide it so that, if the committee agrees that the other program that's complementary to it, you can talk about dollar amounts

251

00:35:34.610 --> 00:35:38.599

AUDIO VIDEO Main: I can't say more than that, but... Okay, Member Williams?

252

00:35:39.090 --> 00:35:45.040

AUDIO VIDEO Main: Yeah, question, do we have a estimated date of closure for Men's Central?

253

00:35:45.120 --> 00:35:49.639

AUDIO VIDEO Main: jail, and then I also want to give, a shout-out.

254

00:35:49.640 --> 00:35:57.189

AUDIO VIDEO Main: I know initially when the former leaders of JC came, had referred to the TGI committee as others or them folks.

255

00:35:57.190 --> 00:36:21.489

AUDIO VIDEO Main: And, just the fact that they put... have put TGI and the priorities in there, I think, is a big step, because we know that our communities, TGI communities, Native and Black communities, are the ones that are incarcerated the most. So, we're definitely hitting our priorities in here on the population, maybe not in the best sense. And the last question is, is any of these funds going to law enforcement? Because any CFC funds are not to go to law enforcement in any way, shape, or form.

256

00:36:23.900 --> 00:36:39.740

Wil Pinkney Jr. LA: So, no, date for closure. We gave a timeline of 5 years. We analyzed the programs that we put forth now required actions, and that... what we found so far doesn't get us there in 5 years, but we're still continuing. We have other,

257

00:36:40.470 --> 00:36:59.540

Wil Pinkney Jr. LA: programs and initiatives that we're looking at. I... the second one wasn't a question, it was just an acknowledgement, I think, of the GRAC spending, that we have in our... I don't know if it's in that document, but we are, working with the, GRAC committee on their recommendations to make sure they're realized.

258

00:36:59.730 --> 00:37:03.529

Wil Pinkney Jr. LA: And... Repeat the last one again, sir, I'm sorry.

259

00:37:04.830 --> 00:37:09.230

AUDIO VIDEO Main: Yeah, funds for law enforcement, that none of the funds will be spent for law enforcement, or...

260

00:37:09.230 --> 00:37:23.000

Wil Pinkney Jr. LA: Yeah, we're aware, very aware of, the, guidelines around the spending, so no, no money's going to law enforcement. In fact, the, I think the initial year one funding, and Steven can speak to this, was \$28 million, but

261

00:37:23.000 --> 00:37:38.009

Wil Pinkney Jr. LA: Included in that was some costs for the Rapid Diversion Program related to the DA, so that was deducted from that \$28 million amount, for this conversation, in terms of CFCI funds. So, yeah, none of the funds are going to law enforcement.

262

00:37:38.650 --> 00:37:46.680

AUDIO VIDEO Main: Thank you. Great questions. I want to walk through, a couple more slides, and then if there's more questions for Jason, we could take them at that time.

263

00:37:48.960 --> 00:37:58.330

AUDIO VIDEO Main: So... or... finish walking through these slides. So, you know, at some point during our Round 7 conversation, we may come back to some of the other uncovered costs.

264

00:37:58.380 --> 00:38:09.039

AUDIO VIDEO Main: I'm not suggesting I believe CFCI should cover all of it, I don't think that necessarily, but we certainly can continue the conversation when we get to the Round 7 discussion. And...

265

00:38:10.230 --> 00:38:16.640

AUDIO VIDEO Main: I won't... I'mma skip that. So I just want to show you this. This is the revised version. You all should be used to this.

266

00:38:17.100 --> 00:38:23.659

AUDIO VIDEO Main: layout by now, it's the third time you're seeing it. So, based on... so if this committee were to vote.

267

00:38:24.150 --> 00:38:29.729

AUDIO VIDEO Main: for the \$11 million to go to JCD for the Men's Central General Closure Effort.

268

00:38:29.940 --> 00:38:44.029

AUDIO VIDEO Main: With the additional \$13 million we weren't expecting now that we have the confirmed number for underspend, right? For those who just got here, so we have two different pots of money going into the spending plan really quickly. We have the set-aside, which is determined by the projected revenue.

269

00:38:44.320 --> 00:38:50.689

AUDIO VIDEO Main: And that's where the, ongoing is coming out of. And then we have underspend, which we just got confirmed yesterday.

270

00:38:50.780 --> 00:39:12.249

AUDIO VIDEO Main: So we have a total of \$70 million, 220,000... \$70,220,000. The JCOD admin dollars is actually going to go down by \$648, so I just learned that 10 minutes ago. So we'll have \$648 more, \$648,000 more, and then if we do the \$11 million, if this body goes to do that, then we'll have,

271

00:39:12.250 --> 00:39:33.690

AUDIO VIDEO Main: just shy of \$56 million for the entire pot. So again, we have more in the pot than we did before. The JCD allocation does not take any of the money away from the other allocations we had already done. And actually, because of the increase, so the \$13 million, we have more money in each of the categories than we had last time. Everybody clear about that? So here are...

272

00:39:33.690 --> 00:39:35.120

AUDIO VIDEO Main: The new amounts?

273

00:39:35.440 --> 00:39:49.130

AUDIO VIDEO Main: So they've all gone up proportionately to the available amount for all of the six funding areas. So that means, in addition to the 4 funding areas we're gonna spend the bulk of the time on for the next couple of hours, we also have extra money in the...

274

00:39:49.350 --> 00:40:02.179

AUDIO VIDEO Main: the youth and workforce development one that we have to allocate, because we have more money than we had two weeks ago. Is everybody with me? It's okay if you're not, because I... we're about to be doing a lot, so I want to make sure everybody understands.

275

00:40:02.300 --> 00:40:03.660

AUDIO VIDEO Main: Remember Bettino?

276

00:40:04.260 --> 00:40:12.659

AUDIO VIDEO Main: I apologize, Chair Luce. I wanted to add a little bit more clarification about the 648 from CEO, just quickly, so we can...

277

00:40:12.940 --> 00:40:19.040

AUDIO VIDEO Main: address it, move on. So I'm gonna ask the CEO to clarify this point.

278

00:40:19.260 --> 00:40:24.850

AUDIO VIDEO Main: Because I think I misspoke earlier. Again, I apologize. Also, so these numbers are correct?

279

00:40:27.310 --> 00:40:28.020

AUDIO VIDEO Main: Minus?

280

00:40:34.340 --> 00:40:48.579

AUDIO VIDEO Main: Hi, yes, Chair Lewis, you and I had confirmed these numbers, I think, a couple of weeks ago, and I believe that is still correct, that... That the 648 comes out of this... Comes out of the 26.7, right? Okay. So, without the 648, it's about 26.02, I believe?

281

00:40:49.050 --> 00:40:53.559

AUDIO VIDEO Main: Jack is nodding his head from CEO. So these numbers are correct.

282

00:40:53.720 --> 00:40:54.700

AUDIO VIDEO Main: Yes?

283

00:40:55.620 --> 00:40:57.459

AUDIO VIDEO Main: Yes. Yee Snemper.

284

00:40:58.060 --> 00:41:10.850

AUDIO VIDEO Main: Yeah. Yes, even with my glasses, I gotta zoom in, but it's... it was \$26.668 million of the set-aside dollars, of which we took out the \$648 to make JCOD whole because of the prior

285

00:41:10.930 --> 00:41:20.819

AUDIO VIDEO Main: adjustment that we had done to hold CFCI harmless, and because of that adjustment, the dollar amount is now down to \$26.02 million.

286

00:41:21.630 --> 00:41:33.969

AUDIO VIDEO Main: Yeah, but I accounted for the full amount, so our committee can see where everything is going. So I have set aside a \$26.7 million, which is why I included the \$648. Understood. So these numbers are correct, right?

287

00:41:34.240 --> 00:41:44.510

AUDIO VIDEO Main: So we don't have an extra \$648. Even still, all of the 6 areas get more money than we originally thought. Everybody with me? So this chart is right.

288

00:41:45.180 --> 00:41:46.130

AUDIO VIDEO Main: Okay.

289

00:41:46.760 --> 00:41:56.059

AUDIO VIDEO Main: Yes, because I was just told we didn't have to include the 648, but it is appropriate that it's accounted for, because I accounted for the full set-aside amount.

290

00:41:56.430 --> 00:41:58.130

AUDIO VIDEO Main: I'll... okay.

291

00:41:58.520 --> 00:42:05.279

AUDIO VIDEO Main: These are the dollar amounts available for each of the funding areas, okay? So, any questions on this?

292

00:42:05.450 --> 00:42:11.530

AUDIO VIDEO Main: Because again, the Men's Future Jail, I'm about to put a motion forward, because that determines everything else we talk about.

293

00:42:11.670 --> 00:42:13.639

AUDIO VIDEO Main: So, any questions about this?

294

00:42:14.080 --> 00:42:21.210

AUDIO VIDEO Main: There's a... there's a table later if you want to flip ahead, that actually shows you how much, you know, how much more we have to add to those other two categories, etc.

295

00:42:21.330 --> 00:42:22.300

AUDIO VIDEO Main: All right.

296

00:42:22.830 --> 00:42:27.100

AUDIO VIDEO Main: So again, back to my recommendation, I want to move.

297

00:42:27.220 --> 00:42:37.910

AUDIO VIDEO Main: that the \$11 million available from the set-aside dollars for ongoing funds be, allocated to JCD for men's Central Jail closure efforts.

298

00:42:38.330 --> 00:42:48.339

AUDIO VIDEO Main: where they will coordinate directly with the departments, and JCD has committed again to coordinate directly with CFCI leadership and the committee on those efforts. Is there a second for that?

299

00:42:52.680 --> 00:43:11.119

AUDIO VIDEO Main: Members Steele seconded it. Okay, let's take public comment. You'll have time to make comments again before we take the vote. Let's take public comment. We have multiple votes under this agenda item number 8, so... but I do want to take public comment before, you know, we take this vote, and we'll probably take it again before we vote on the spending plan as a whole.

300

00:43:27.170 --> 00:43:44.890

AUDIO VIDEO Main: This commences the public comment period for agenda item number 8 regarding the 2026 CFCI underspent and set-aside allocation. The public comment per period will be 1 minute per person. Please indicate at this time if you'd like to participate.

301

00:43:45.780 --> 00:43:53.119

AUDIO VIDEO Main: For those online, please use the raise hand feature now. For those on the telephone, please dial star 9 to raise your hand.

302

00:43:53.280 --> 00:43:56.589

AUDIO VIDEO Main: For those in person, please form a line at the microphone.

303

00:44:10.770 --> 00:44:13.429

AUDIO VIDEO Main: Please state your name for the record. You have one minute.

304

00:44:13.940 --> 00:44:29.899

AUDIO VIDEO Main: Hi, my name's Anthony Robles, I'm a resident of District 1, I'm also at Dignity Empower Now and Justice LA, and at the statewide level, we organize CareFirst California Coalition, fully in support of funding, year one of the JCP plan.

305

00:44:30.120 --> 00:44:44.710

AUDIO VIDEO Main: Yeah, as was mentioned by Joey Williams, that this, it's... the plan keeps getting longer and longer and longer, but it's time to take action, and these are the first steps that we can begin to start, closing the door to Mint Central Jail, and eventually

306

00:44:44.990 --> 00:44:55.079

AUDIO VIDEO Main: knock it down. Expanding diversion, expanding other services. I think it's really important for us to also think about

307

00:44:55.360 --> 00:45:07.809

AUDIO VIDEO Main: how... how the board can fund other... can fund other ways of closing this jail, beyond just the funding here in CFCI. Maybe that's not the job of CFCI, but,

308

00:45:08.080 --> 00:45:22.039

AUDIO VIDEO Main: there's a lot of things that we can do, and we can fund. There's stuff coming from the state level. There's the \$5 million justice to jobs that are coming down for workforce development, diversion, so there's a lot of opportunities here, and it's time that we just,

309

00:45:22.040 --> 00:45:34.870

AUDIO VIDEO Main: you know, started nailing down on shutting down this jail. Appreciate this body's work, and I, again, strongly encourage you all, and strongly urge you all to, vote yes on

310

00:45:34.870 --> 00:45:42.440

AUDIO VIDEO Main: funding, Jason's plan, and, yeah, we could do more, so thank you.

311

00:45:46.560 --> 00:45:47.600

AUDIO VIDEO Main: Thank you.

312

00:45:51.070 --> 00:45:58.630

AUDIO VIDEO Main: Hey, everybody. I'm John Matthews, I'm Chief of Staff of the LAC County Public Defender's Office. I just wanted to address Member Williams' comments. I just really appreciate you

313

00:45:58.630 --> 00:46:19.879

AUDIO VIDEO Main: Both advocating for jail closure and also recognizing that, and being honest about your experience. You know, our goal was to make sure everybody has the best representation. We're full partners in jail closure. I remember filling the boardroom and demanding jail closure without a replacement, so I just really appreciate the work and the hours you all are putting in, and thank you. It's good to see you.

314

00:46:26.310 --> 00:46:31.959

AUDIO VIDEO Main: We have 7 hands raised online. I will go in the order that the hands are raised.

315

00:46:32.360 --> 00:46:34.490

AUDIO VIDEO Main: Jeanette Asante.

316

00:46:34.620 --> 00:46:40.420

AUDIO VIDEO Main: You've been unmuted. Do you have the floor. Please state your first and last name for the record. You have 60 seconds to speak.

317

00:46:40.420 --> 00:47:05.370

Janet Asante (she/her): Hi, my name is Janet Asante. I'm with Dignity and Power now, and I lead the Justice LA Coalition. I am in full support of allocating CFCI funds towards JCD's plan, and I also want to speak to what some of the members have stated. A big reason why I believe that JCD's plan has continued past the five-year mark is because they are now, relying more heavily on jail expansion efforts. We know that jail expansion

318

00:47:05.370 --> 00:47:16.230

Janet Asante (she/her): is slow, and costly, and ineffective, and more expensive, which means that it's up to CFCI to allocate the funding to the appropriate places, but also

319

00:47:16.230 --> 00:47:40.590

Janet Asante (she/her): As we know, Measure J only needed to happen because this county was not putting their money where it needed to go. We don't just need to sustain ODR, we need to expand rapidly. We don't just need some funding for RDP. The \$28 million for the first year of jail closure is less than 1% of that sheriff's Department budget annually, and we know that they're still funding deputy gangs. We've already reached 25 deaths in custody this year.

320

00:47:40.750 --> 00:47:45.110

Janet Asante (she/her): The CFCI funding is super important to get us started year one, but we know.

321

00:47:45.110 --> 00:47:46.499

AUDIO VIDEO Main: Has expired, thank you.

322

00:47:46.500 --> 00:47:47.510

Janet Asante (she/her): Thank you.

323

00:47:50.700 --> 00:47:54.990

AUDIO VIDEO Main: Anthony Arenas, you've been unmuted. Please state your first and last name for the record.

324

00:47:56.480 --> 00:47:57.920

AUDIO VIDEO Main: I'm 6 days.

325

00:47:57.920 --> 00:48:16.910

Anthony Arenas: Hi, my name is Anthony Arenas, lifelong resident of District 3, and with the Justice LA Coalition. I strongly support any efforts to fully fund Year 1 of JCD's closure plan, and all efforts to bring us closer to closing Men's Central Jail with absolutely no replacement.

326

00:48:16.910 --> 00:48:28.900

Anthony Arenas: But more than year one funding, we really need a timeline with benchmarks, which the supervisors requested of Jason. The community cannot afford to wait.

327

00:48:28.920 --> 00:48:48.859

Anthony Arenas: Just last week, a 25th person died in custody. Supervisor Mitchell is agendizing deputy gangs who run our jails and have a history of brutalizing our community as recently as 2020, with the beating of Joseph Perez by the Industry Indians during a mental health crisis.

328

00:48:48.860 --> 00:48:55.979

Anthony Arenas: The time is now to fully commit to jail closure and to fight fiercely for the funding necessary. No more delays.

329

00:48:55.980 --> 00:48:57.069

Anthony Arenas: Close them, CJ.

330

00:48:57.070 --> 00:48:58.729

AUDIO VIDEO Main: Time has expired, thank you.

331

00:49:00.380 --> 00:49:07.830

AUDIO VIDEO Main: Marcella Rosen, you've been unmuted. Do you have 60 seconds to speak? Please state your first and last name for the record.

332

00:49:09.150 --> 00:49:25.239

Marcella Rosen : Hi, my name is Marcella Rosen. I'm a resident of District 3. I'm calling in support of CFCI funding being used for jail closure. We all know that the way that jails get closed is by funding community care.

333

00:49:25.250 --> 00:49:38.479

Marcella Rosen : And that's exactly what CFCI is supposed to do. I would like to see a solid timeline, much like my colleagues said for closure. I don't think we need to be talking about maybe 5 years. I think if we act

334

00:49:38.680 --> 00:49:52.139

Marcella Rosen : swiftly and don't rely on jail expansion. We can close the jail much faster than that. People are dying inside, it's very critical. Thank you to, this committee for sensing the importance of jail closure.

335

00:50:02.380 --> 00:50:08.500

AUDIO VIDEO Main: Helen Jones, you've been unmuted, you have 60 seconds to speak. Please state your first and last name for the record.

336

00:50:10.130 --> 00:50:27.460

Helen jones: Thank you. My name is Helen Jones. I'm with Dignity and Power Now in Justice LA. I'm also the mother of John Horton, who was

murdered by the 3,000 boys deputy sheriff Gang in Manchester Jail March 30th, 2009. He was beat to death.

337

00:50:27.460 --> 00:50:51.759

Helen jones: and his death was covered up with a, stage suicide. I fully support the, closure, JCD jail closure plan, and I just also ask, I hope that y'all also be looking to the community for some of the, some of the organizations that's doing really meaningful work in the community when y'all start, you know, picking folks to work with.

338

00:50:51.760 --> 00:51:16.620

Helen jones: I also want to say that somebody that would walk in MCJ would never make it back home to their family. There's so many folks that's dying in the jail each week, and lives can't... people can't wait, no 5... over 5 years for this jail to close. So, I just want to say, please do all you can to get this jail closed in 5 years, because some loved one would never make it back home once they enter the MCJ.

339

00:51:16.620 --> 00:51:20.469

Helen jones: J1, MCJ, thank you so much.

340

00:51:22.390 --> 00:51:25.459

AUDIO VIDEO Main: We'll take these last three public comments and then close public comment.

341

00:51:26.370 --> 00:51:31.849

AUDIO VIDEO Main: Sarah W, you've been unmuted. Please state your first and last name for the record.

342

00:51:32.250 --> 00:51:32.960

Saharra W: Alright, Margie.

343

00:51:32.960 --> 00:51:33.679

AUDIO VIDEO Main: Mr. Speaker.

344

00:51:33.870 --> 00:51:49.569

Saharra W: Hi, my name is Sahara. I'm with Dignity and Power Now in Justice LA. I'm also an impacted family member myself. I lost my partner, which is my oldest daughter's father, back on March 9th of 2018, inside a Twin Towers correctional facility in a one-man cell.

345

00:51:49.570 --> 00:52:02.620

Saharra W: This county has already had 12 different reports outlining pathways to close MCJ, but the board, the CEO's office, you guys keep delaying real action, honestly. We don't need another report, we need

346

00:52:02.620 --> 00:52:27.160

Saharra W: a real solid timeline. We need you to close the doors, period. Stop allowing people to even enter Mid-Central Jail if you know the conditions that people are... that are already in there are living in. The jail closure implementation team was created 5 years ago to close this jail down, so what are we waiting for? And the people have spoken, and we will continue to speak until our demands are met. LA County residents do not want another facility ran by LESD.

347

00:52:27.170 --> 00:52:30.469

Saharra W: We want real alternatives to incarceration. Thank you.

348

00:52:34.300 --> 00:52:39.310

AUDIO VIDEO Main: Phone number ending in 5065.

349

00:52:39.610 --> 00:52:44.399

AUDIO VIDEO Main: You've been unmuted. Please state your first and last name for the record. You have 60 seconds to speak.

350

00:52:50.000 --> 00:53:07.339

13109245065: Yeah, how you doing? My name is James Nelson, I'm with Dignity and Power Now, Justice LA. I'm formerly incarcerated, and I support your, one-year funding for the, JCD. You know, like so many of my other, colleagues have said, that

351

00:53:07.460 --> 00:53:21.230

13109245065: you know, this jail was supposed to have been closed almost 6 years ago now, and I heard somebody else say, it's like, we just keep kicking the can down the road, and I definitely don't want to be the one a part of anybody that's kicking the can down the road.

352

00:53:21.230 --> 00:53:28.499

13109245065: Even going back to Measure J, when we fought for that, for community members that was already rendering service in the communities.

353

00:53:28.590 --> 00:53:43.960

13109245065: And was doing great work, because we know them. They're in the community. They wouldn't... couldn't get funding because they wasn't in contracts or relationship with other entities. So that's why all that came about. So, again, folks has died in that county jail.

354

00:53:43.960 --> 00:53:56.340

13109245065: that jail should have been closed, and again, it's just a bunch of bureaucracy ever since we shipped the narrative here in LA from incarceration into alternative to incarceration. When we stopped

355

00:53:56.340 --> 00:54:09.389

13109245065: three jails at \$4.5 billion from being built. You know, it's just... people... it's playing games, but people are still dying inside that county jail. There's no accountability for the deputy gangs that's in there, and

356

00:54:09.390 --> 00:54:11.030

AUDIO VIDEO Main: One minute, could you please wrap up?

357

00:54:12.420 --> 00:54:14.040

13109245065: Yes, but...

358

00:54:14.040 --> 00:54:14.390

AUDIO VIDEO Main: Thank you.

359

00:54:14.390 --> 00:54:20.030

13109245065: anyway, but do the right thing, and fund this one year, and, let's set a benchmark. Thank you.

360

00:54:23.670 --> 00:54:27.850

AUDIO VIDEO Main: James Takamatsu, you're the last, public comment.

361

00:54:30.520 --> 00:54:31.250

AUDIO VIDEO Main: Nope.

362

00:54:32.820 --> 00:54:35.859

AUDIO VIDEO Main: Please state your first and last name for the record. You've been unmuted.

363

00:54:36.610 --> 00:54:49.689

James Takamatsu: Hi, yeah, my name is James Takamatsu. I'm with Dignity and Power Now and the Justice LA Coalition. Strongly in support of this motion of funding year one of the JCP plan. Thank you, Commissioners, for all the work you guys do.

364

00:54:49.710 --> 00:55:05.480

James Takamatsu: But like folks have said, Measure J passed in 2020. This funding is supposed to go to exactly this, getting MCJ closed, and not just closing the jail, but building out a system of alternatives to incarceration that better supports our community members. We see how much

365

00:55:05.540 --> 00:55:19.339

James Takamatsu: support and better results we get when people actually get services and get the resources that they need. It also comes at a fraction of the price, so please do the right thing, agree to fund year one of the JCD plan. Thank you.

366

00:55:24.380 --> 00:55:38.020

AUDIO VIDEO Main: That concludes the online public comment. Thank you, thank you to all of the community members who care enough to be here in person or online, and thank you to those of you, who share your heart-wrenching stories about,

367

00:55:38.180 --> 00:55:43.720

AUDIO VIDEO Main: how your families have been impacted. We appreciate you being here and sharing your experiences with us.

368

00:55:43.880 --> 00:55:51.309

AUDIO VIDEO Main: So we have a motion on the table. Any other questions or comments about the motion on the table before we take the vote?

369

00:55:52.860 --> 00:55:58.910

AUDIO VIDEO Main: No one, that's... Yes. Thank you, everyone, for public comments as well. I think,

370

00:55:59.310 --> 00:56:06.890

AUDIO VIDEO Main: for me, is when I'm hearing in the community about any allocation of funds we do, I want to remind us, like Chair Lewis did, about our

371

00:56:06.950 --> 00:56:21.149

AUDIO VIDEO Main: agreements here, and number 7, actually, 12, letting equity lead the way, because I'm hearing from community about the grants, is that there's a lot of restrictions and bureaucracy and tape still, and that the folks who are allocating grants say it's CFCI that's putting

372

00:56:21.150 --> 00:56:29.889

AUDIO VIDEO Main: the restrictions or these things on those folks, and I know that's not true, because I've never heard about us. We've been trying to alleviate barriers and trying to...

373

00:56:29.890 --> 00:56:33.370

AUDIO VIDEO Main: do that. So, I also wanted to just...

374

00:56:33.370 --> 00:56:48.570

AUDIO VIDEO Main: think, because like the brother mentioned earlier, the same folks who did the work to make these things happen haven't been able to access those grants. So how are we getting the equity out there for these \$11 million? And whoever, Jason's going to be contracting with the community to get it out there, so I just...

375

00:56:48.570 --> 00:56:54.689

AUDIO VIDEO Main: think about alleviating red tape and barriers still. There's still a lot of them, from what I'm hearing from community partners, and

376

00:56:54.820 --> 00:57:14.580

AUDIO VIDEO Main: In my specific populations I work with the Native American community. Yeah, for clarity, JCD will be distributing the money to the county departments who will be contracting, so everything you said applies to the... all the different county departments that are touching these dollars. Members Steele never gonna take the vote? I'll be, really brief. What's up, everybody? How y'all doing?

377

00:57:14.900 --> 00:57:17.850

AUDIO VIDEO Main: I just... to Member Williams' point.

378

00:57:17.990 --> 00:57:24.830

AUDIO VIDEO Main: It's also being made even more difficult for our third-party administrators just to kind of, like.

379

00:57:25.090 --> 00:57:31.359

AUDIO VIDEO Main: Administer resources and funds in a way that is supposed to be straightforward and simple in the way that we envisioned it.

380

00:57:31.630 --> 00:57:37.990

AUDIO VIDEO Main: And I just... for all the organizers out there who might be listening to this call, it's the Auditor Controller's office, bro.

381

00:57:38.230 --> 00:57:50.460

AUDIO VIDEO Main: We need to point the... we need to point the mission to make sure that the changes in the county contracting is also pointed in their direction, because all the bureaucracy is coming from them.

382

00:57:50.460 --> 00:58:07.249

AUDIO VIDEO Main: The third-party administrators have to actually do all this extra work to try to be audit-ready for the hundreds of grants that they're actually trying to put out the door, because the auditor

controller at any moment can come and audit them, and every contract that they have has to be able to be audit ready.

383

00:58:07.250 --> 00:58:24.659

AUDIO VIDEO Main: So that's the reason why every single month, you gotta put forth audited-level, like, backup documentation every time you turn it. It's crazy. And it's the auditor-controller, that's who we need to organize against, so I'm just putting it out there. Thanks for the clarity, and I think that, to be clear for anybody listening, like, everybody here

384

00:58:24.900 --> 00:58:27.780

AUDIO VIDEO Main: I think believes that these dollars

385

00:58:27.910 --> 00:58:40.900

AUDIO VIDEO Main: There should be accountability, there should be metrics, there should be due diligence, they should be monitored. None of us are saying, don't do that. What we're saying is indemnity is the language that the county speaks.

386

00:58:41.000 --> 00:58:59.860

AUDIO VIDEO Main: at the expense of sometimes folks that are doing the good work being able to access it, and at the expense of the third-party administrators, and we need to strike a balance. I just want to say that, because nobody's saying take away accountability. We're saying there's a balanced approach, and we're still working towards that, and we've been working towards it for 6 years, quite frankly.

387

00:58:59.900 --> 00:59:01.420

AUDIO VIDEO Main: Let's call the vote, please.

388

00:59:07.390 --> 00:59:14.230

AUDIO VIDEO Main: We will now conduct a vote for the motion to allocate \$11 million of ongoing funding to JC.

389

00:59:15.050 --> 00:59:26.159

AUDIO VIDEO Main: Members who have conflict of interest must recuse themselves from the vote. Members who are unsure if there is a conflict of interest or believe there is a potential conflict of interest should consider abstaining.

390

00:59:29.400 --> 00:59:34.410

AUDIO VIDEO Main: When I call on your name, please indicate your vote of either yes, no, or abstain.

391

00:59:34.620 --> 00:59:43.570

AUDIO VIDEO Main: Before we begin, please note that there are 17 of the required 13 voting members in attendance in person to establish quorum.

392

00:59:44.660 --> 00:59:47.830

AUDIO VIDEO Main: Charlie Lewis, does the motion align with what's been said?

393

00:59:51.920 --> 00:59:53.810

AUDIO VIDEO Main: I'm sorry, I don't understand your question.

394

00:59:54.770 --> 00:59:57.940

AUDIO VIDEO Main: to allocate \$11 million of ongoing funding to JCIT.

395

00:59:58.630 --> 00:59:59.970

AUDIO VIDEO Main: Yes, okay.

396

01:00:08.690 --> 01:00:10.580

AUDIO VIDEO Main: Member bought to your alternate?

397

436
01:02:10.690 --> 01:02:11.430
AUDIO VIDEO Main: Yes.

437
01:02:14.620 --> 01:02:17.140
AUDIO VIDEO Main: Motion passes with 20 votes, thank you.

438
01:02:17.810 --> 01:02:19.210
AUDIO VIDEO Main: Thank you.

439
01:02:20.600 --> 01:02:22.339
AUDIO VIDEO Main: Thank you all.

440
01:02:24.610 --> 01:02:30.160
AUDIO VIDEO Main: Alright, so we're about to go into the deliberations for the remaining categories.

441
01:02:30.290 --> 01:02:49.920
AUDIO VIDEO Main: I want to remind... I'm not going to walk through this, because it's been up every time, I just want to remind you about what, the priority populations are based on our conversations and based on the community input. And also, so here is the table I was referencing earlier, and we have 37,882... 37,882

442
01:02:50.090 --> 01:02:53.270
AUDIO VIDEO Main: 1,000 plus 2 program.

443

01:02:53.530 --> 01:02:59.859

AUDIO VIDEO Main: Between now and 7 o'clock. If you look at the table that's on the screen, you'll see that

444

01:03:01.310 --> 01:03:02.539

AUDIO VIDEO Main: No, that's too big.

445

01:03:02.680 --> 01:03:13.369

AUDIO VIDEO Main: You know, for the four funding areas we haven't done yet, the full amount is available, but just to flag for you, so for funding area number 2, this one.

446

01:03:13.430 --> 01:03:26.090

AUDIO VIDEO Main: the job training, the workforce development one, we have an additional \$453,000 from what we programmed last time. I'm not gonna do those first, I'm gonna come back to those at the end. And then for,

447

01:03:26.330 --> 01:03:43.870

AUDIO VIDEO Main: the youth-based programs, we have an additional \$378,000, so I'm going to do those two at the end, since we're going to need the majority of the deliberation for the other four areas, but I just want to flag it, because we can be thinking about, do you just want to distribute it across the existing programs? Do you all want to offer another one? But here are the dollar amounts.

448

01:03:43.870 --> 01:03:48.020

AUDIO VIDEO Main: And then I just want to flag a couple of things that changed.

449

01:03:48.020 --> 01:04:00.610

AUDIO VIDEO Main: on the spending plan from the last time you saw it, and so I just, in the event you voted for it, the \$11 million was added into that already, so it's already reflected. I'm on slide 6, I just went back up, if you're following along.

450

01:04:00.650 --> 01:04:02.749

AUDIO VIDEO Main: And then,

451

01:04:02.840 --> 01:04:20.570

AUDIO VIDEO Main: We had \$275,648,000 of admin for JCOD. You can look at the nuances on the table, programmed as one time... as ongoing. I moved it to one time. For now, we can fix it on the back end so that we can pass the full \$11 million through.

452

01:04:20.570 --> 01:04:33.870

AUDIO VIDEO Main: to the Men's Central Jail process. I did talk to JCOD to make sure we could figure out, you know, how to address the long-term support, but I moved it so we could move that full \$11 million available. And then a couple of things on the bottom, but...

453

01:04:33.870 --> 01:04:47.790

AUDIO VIDEO Main: is, on the program areas, and so, I updated... it initially said, DHS ODR Permanent housing program, and for a variety of reasons, it was updated to Interim Housing Plus.

454

01:04:48.200 --> 01:04:54.079

AUDIO VIDEO Main: Which is more appropriate for, one-time funding, just the short version of it.

455

01:04:54.160 --> 01:04:56.529

AUDIO VIDEO Main: And then...

456

01:04:56.530 --> 01:05:17.099

AUDIO VIDEO Main: part of the work that's been happening between these meetings is lots of coordination with JCOD and coordination with the County Council as well, because when we submit these recommendations and the CEO reviews them, we want to minimize delays as much as possible. So, one of the recommendations, this does not, change the scope of the project, but the name of the TGI Plus Focus project, we shifted it.

457

01:05:17.100 --> 01:05:20.839

AUDIO VIDEO Main: And they gave us suggested language. You'll see that in the...

458

01:05:21.100 --> 01:05:36.940

AUDIO VIDEO Main: You'll see the, adjustments both in the program area title as well as the description, but it does not change the scope and the target population. I want to be clear about that. But it adjusted to, mitigate challenges related to Prop 209.

459

01:05:37.540 --> 01:05:49.369

AUDIO VIDEO Main: And then, the third program area update is that, just a little bit more detailed language for the Breaking Barriers program, but that's all that's been shifted so far.

460

01:05:49.730 --> 01:05:54.290

AUDIO VIDEO Main: Okay. With that said, I am moving to the...

461

01:05:55.260 --> 01:06:07.439

AUDIO VIDEO Main: sheet, and so we're gonna, the first category... again, I'm gonna come back to the two categories and have additional funding. We'll do that at the end. So the first category we're starting with is...

462

01:06:07.570 --> 01:06:08.730

AUDIO VIDEO Main: Housing.

463

01:06:09.030 --> 01:06:28.069

AUDIO VIDEO Main: which formally is the Direct Community Investment entitled Rental Assistance. It's the green one on your sheet if you're following along on your laptop or on the very small font-printed legal size page. Rental assistance, housing vouchers, and accompanying supportive services to those at risk of losing their housing or without stable housing. So...

464

01:06:28.810 --> 01:06:34.170

AUDIO VIDEO Main: There are... I'm gonna read through the four... 3...

465

01:06:34.410 --> 01:06:53.469

AUDIO VIDEO Main: ideas, and you all can respond to those. Again, I want to remind you, these conversations build. I know there's a lot that happens in our lives and our professional lives, between meetings, but for me, I gotta keep building on the block, and hopefully you all are doing the same, but as a reminder, we had a whole conversation about external landscape.

466

01:06:53.470 --> 01:07:06.199

AUDIO VIDEO Main: pressures and considerations, and so this is responsive to that, as well as the community, input. So, Row 9, if you're following on your laptop, is, a guaranteed income

467

01:07:06.240 --> 01:07:17.259

AUDIO VIDEO Main: program, by DPSS. They currently are doing it, but it's only for... currently, it's only... the pilot is only funding, transitional age youth.

468

01:07:17.280 --> 01:07:29.289

AUDIO VIDEO Main: and older adults. And so, other adults are left out of the pilot, and so that's what that is. And then row 10, the next one, rehousing and Jobs Program. So this is...

469

01:07:29.290 --> 01:07:39.600

AUDIO VIDEO Main: Breaking Barriers is a more common name. Many of you know it's the Time Limited Rental Assistance and Jobs program, specifically for folks, that are returning home, and so this would expand the slots.

470

01:07:39.620 --> 01:07:44.679

AUDIO VIDEO Main: And it's a, it's a time limit, so folks that can ultimately eventually pay their own rent.

471

01:07:44.770 --> 01:07:52.499

AUDIO VIDEO Main: That's what this is for. If you all move that forward. And then the final one under,

472

01:07:53.800 --> 01:08:06.290

AUDIO VIDEO Main: the housing funding area is, Row 11 Emergency Rental Assistance Program, and so this would expand some of the rental assistance stabilization work.

473

01:08:06.290 --> 01:08:18.170

AUDIO VIDEO Main: Potentially, coming out of DCBA, since they already have the infrastructure for it. So, want to get your reaction to these three, and then if there's things that are missing, as a reminder, there is...

474

01:08:18.500 --> 01:08:24.129

AUDIO VIDEO Main: For this category, what number is this one?

475

01:08:25.330 --> 01:08:30.819

AUDIO VIDEO Main: What number is this for? There's 12.165 million available.

476

01:08:32.920 --> 01:08:40.810

AUDIO VIDEO Main: And housing has been... is one of the top priorities from the community. You all have... you have the background information between your seats, if you want to look at the...

477

01:08:41.029 --> 01:08:54.300

AUDIO VIDEO Main: community input stuff, and then also, we talked about the, the real, economic and housing instability pressure, so let's comment on these first, right? Like, take that off, I like it. If you want to make a suggestion about,

478

01:08:55.640 --> 01:09:06.870

AUDIO VIDEO Main: dollar amounts, if there's things... is there something that you think is missing here? I am going to be monitoring our time. The ODR housing stuff is not in here, it's under the non-custodial. It's housing, but it's...

479

01:09:07.479 --> 01:09:12.769

AUDIO VIDEO Main: you all know these are not linear, right? But I'm just saying that, so people are like, where's ODR? They appear.

480

01:09:12.910 --> 01:09:18.239

AUDIO VIDEO Main: In the \$11 million we just approved, as well as a separate program that's under a different category. All right.

481

01:09:18.740 --> 01:09:20.890

AUDIO VIDEO Main: Doc, member home?

482

01:09:21.840 --> 01:09:32.779

AUDIO VIDEO Main: I guess one question I have is, is that what makes sense? I mean, some of these programs are income sort of programs, and should we be thinking about housing a little bit differently, right, in terms of

483

01:09:32.910 --> 01:09:39.860

AUDIO VIDEO Main: ODR housing, for instance, could fit here, it could fit in diversion, it could fit in treatment, right? So it can fit in all those areas, so I'm just curious, like.

484

01:09:40.470 --> 01:09:57.259

AUDIO VIDEO Main: how we want to look at this bucket. Because I think when we started, we were thinking about permanent supportive housing, right, and the need for that. And now the ongoing dollars are gone, so we're looking at just one-time investments, and it's hard to find, like, long-term subsidies, so I understand why some of these programs make sense, because they're time-limited.

485

01:09:57.320 --> 01:10:03.140

AUDIO VIDEO Main: But do we want to think about this housing bucket a little bit differently, I guess, is the question. Given that, you know.

486

01:10:04.020 --> 01:10:05.029

AUDIO VIDEO Main: some of the...

487

01:10:05.180 --> 01:10:12.130

AUDIO VIDEO Main: like, there's housing programs in other buckets, and there may be less, right? There may be more programs in those other buckets, right, in terms of how we allocate.

488

01:10:12.370 --> 01:10:13.500

AUDIO VIDEO Main: Yeah.

489

01:10:13.500 --> 01:10:36.260

AUDIO VIDEO Main: I mean, I don't think that... for me, the housing funding area is very broad, so PSH is one part of it, but it's interim housing, it's other forms of temporary housing, etc. I mean, I didn't read the description, but for example, this first one is directly tied to housing stability, right? It's not just general. But obviously, there's different models across the country now that show that if you give them the dollars, they stabilize, but it's definitely tied to housing stability.

490

01:10:36.260 --> 01:10:44.650

AUDIO VIDEO Main: If you want to make a recommendation about moving something from one funding area to another, then can you more plainly say that? Or if you're just making a comment, then...

491

01:10:44.970 --> 01:10:54.990

AUDIO VIDEO Main: I think it's challenging. I think what I would propose is that housing programs in other buckets, like ODR interim housing, could be considered as a part of this housing bucket as well.

492

01:10:55.350 --> 01:10:56.640

AUDIO VIDEO Main: Just cause...

493

01:10:56.640 --> 01:11:21.620

AUDIO VIDEO Main: once we get to diversion, maybe we want more of the money to go to different programs, right? So it's hard for us to, like, just choose that one bucket, because then you make a decision and you maybe allocate more funding than we would want in this bucket, and then now there's less money for diversion programs, which is really aligned with our priorities. So I just want us, as a committee, to, like, take that up at the front, right? Rather than make a decision on one bucket, and all of a sudden we don't have enough money in another, right? So I'm just kind of thinking through how to do that.

494

01:11:21.620 --> 01:11:28.629

AUDIO VIDEO Main: if you have an actual, like, direct recommendation, but one thing I will say is that we just allocated \$11 million to non-custodian restorative programs.

495

01:11:28.630 --> 01:11:38.069

AUDIO VIDEO Main: In addition to this. It's directly tied to the Meza to Joe effort, but, technically, that means we're going to be attaching \$22 million.

496

01:11:38.200 --> 01:11:52.200

AUDIO VIDEO Main: between this non-custodial one and the non-custodial restorative ones, and so we're... just want to flag that. But if there's

something specific you want to lift up as a recommendation, please feel free. If you want to noodle on it a little bit more, I'll come to members Steele, and then we can come back to you.

497

01:11:52.200 --> 01:12:06.050

AUDIO VIDEO Main: But if you want to say, like, please consider this under that category, then that would be helpful. I would suggest we also consider the interim housing in the ODR program under this category that's focused on housing, because it's a housing program as well.

498

01:12:07.740 --> 01:12:16.889

AUDIO VIDEO Main: And then I just had one other comment that I can provide later. Okay, and there's currently just two programs under the non-custodial category? Oh, there's only two?

499

01:12:17.040 --> 01:12:20.860

AUDIO VIDEO Main: Because I removed the ones... I removed the ones that are...

500

01:12:21.310 --> 01:12:33.509

AUDIO VIDEO Main: So, I said that before, I know I threw a lot at you, but there were two that overlapped already with the Men's Central Jail, so I took those out because they're already part of everybody clear. So, there's only two left here.

501

01:12:33.510 --> 01:12:44.920

AUDIO VIDEO Main: Okay, we can just leave it then, it's fine. I thought you might. Yeah. Okay. Can I... and my other comment is just, I wondered whether DPSS is here, and whether... one of the issues that I think could be really good from a housing perspective is

502

01:12:45.030 --> 01:12:54.830

AUDIO VIDEO Main: SSI and SSDI, like, sort of applications, like, speeding it up, getting more people SSI and SSDI, because it can pay for rent, it's also income.

503

01:12:54.830 --> 01:13:09.210

AUDIO VIDEO Main: Right? And for people who are sick, right, because they have functional impairments, right, they have disabilities, and so I wondered whether, and it's obviously a question for DPSS, there's an opportunity to either expedite or get more people on SSISDI as an initiative.

504

01:13:09.330 --> 01:13:27.389

AUDIO VIDEO Main: There's so many benefits, like, work requirements are coming, SSDI folks are going to be excluded from work requirements for

Medicaid and CalFresh, and, like, there's a million reasons why if we can get more people who qualify on SSI, that it could actually be really helpful in the housing space, so I'm just curious whether they have any comments on that. Is it okay? Yeah, Member Blanchett, and then we'll go to a member Steele after that. Okay.

505

01:13:27.470 --> 01:13:47.150

AUDIO VIDEO Main: So, just appreciate the question, and just know, in our partnership with the Poverty Alleviation Alliance Initiative, those are the kinds of things that we're actively thinking about, both for those that are in the pilot now, but also as we think about trying to expand this to the largest proportion of,

506

01:13:47.150 --> 01:14:00.850

AUDIO VIDEO Main: working-age adults, that's 700 that we're hoping to get through this, expansion of the pilot. So, you know, my team is listening, Dr. Contreras is listening, and so we'll definitely keep thinking about opportunities like that.

507

01:14:02.500 --> 01:14:04.570

AUDIO VIDEO Main: Okay, members still?

508

01:14:11.380 --> 01:14:16.810

AUDIO VIDEO Main: I listened to Member Hong actually kind of...

509

01:14:17.170 --> 01:14:27.910

AUDIO VIDEO Main: back off what he was already saying about the ODR piece, I just want to be reminded... remind the folks... I know we... especially when we get into these spaces.

510

01:14:28.150 --> 01:14:34.240

AUDIO VIDEO Main: of trying to make these decisions, I always just want to make sure that we remember that we have allocated

511

01:14:34.390 --> 01:14:41.790

AUDIO VIDEO Main: Funding, ongoing funding, and other... in previous years, for different categories.

512

01:14:42.040 --> 01:14:46.930

AUDIO VIDEO Main: And when I think about the one-time funding,

513

01:14:47.900 --> 01:14:50.949

AUDIO VIDEO Main: That, you know, this is under consideration of...

514

01:14:51.100 --> 01:14:56.969

AUDIO VIDEO Main: You know, I am also thinking about the impacts of HR1 and some of the things that we're already kind of seeing.

515

01:14:57.080 --> 01:15:05.149

AUDIO VIDEO Main: In community with the affordability issue. You know, the housing stability for incarcerated.

516

01:15:05.460 --> 01:15:17.179

AUDIO VIDEO Main: GR participants. Like, one of the things that you mentioned when you were reading this is about the narrowing focus of who is qualified to be able to get these funds.

517

01:15:17.680 --> 01:15:24.899

AUDIO VIDEO Main: You know, and I'm grateful that we have the emergency rental program as well.

518

01:15:25.060 --> 01:15:34.050

AUDIO VIDEO Main: And because I feel that one is a little bit more general in who can actually apply for them, which I think is an important aspect of this.

519

01:15:34.210 --> 01:15:37.130

AUDIO VIDEO Main: Because, we got a tsunami that's coming.

520

01:15:37.270 --> 01:15:51.400

AUDIO VIDEO Main: You know, yeah, it was already... it was already here. You know, I'm thinking about what's going on in Indiana, and we got the El Nino coming, too, and like, I don't know what is going... what the future's gonna hold.

521

01:15:51.440 --> 01:15:57.450

AUDIO VIDEO Main: But I just want to make sure that we can try to do what we can to kind of be ready for it. So as we consider this.

522

01:15:57.620 --> 01:16:04.849

AUDIO VIDEO Main: I just want to make sure that we're thinking a little bit more general in how the funds can actually be accessed by people who are going to need it.

523

01:16:05.020 --> 01:16:20.920

AUDIO VIDEO Main: you know, rather than being, yes, we want to prioritize populations, and of course the ATI populations are prioritized with these funds, but as we go forward with the DCI piece of this.

524

01:16:20.920 --> 01:16:28.630

AUDIO VIDEO Main: Just making sure that we're thinking about the greater community that are gonna... that are, inevitably, gonna need these resources.

525

01:16:31.780 --> 01:16:37.189

AUDIO VIDEO Main: So, basically, the recommendation I'm saying, to get to your point, I just want to make sure that we, out of this.

526

01:16:37.410 --> 01:16:46.960

AUDIO VIDEO Main: \$12.165 million that we put a significant amount, needed, in spaces where there's more general

527

01:16:47.070 --> 01:16:57.000

AUDIO VIDEO Main: populations who can actually achieve resources. Right. The second two. Well, really... Yeah, the second two. Well, really, the middle one for justice involved and...

528

01:16:57.270 --> 01:17:04.230

AUDIO VIDEO Main: some conversations about breaking barrier, I think we need to have, but yeah, the second... the middle one and the second one. Exactly, yeah.

529

01:17:04.550 --> 01:17:13.500

AUDIO VIDEO Main: Member, yeah, Member Blanchett, and then we'll come to you, if that's okay. I just wanted to offer that, I'm not sure if it's, it's highlighted in the summary, but,

530

01:17:13.690 --> 01:17:25.359

AUDIO VIDEO Main: of the GR population that we're talking about, about 70% are experiencing homeless, and about 30% are justice-involved. And so, I just wanted to make sure that that... that was out there as well.

531

01:17:25.460 --> 01:17:26.370

AUDIO VIDEO Main: Thank you.

532

01:17:27.480 --> 01:17:38.630

AUDIO VIDEO Main: I just wanted to make a quick note. We just opened up our waiting list for public housing on Monday. We had 27,000 calls on the first day. Historically, that is the highest.

533

01:17:38.830 --> 01:17:41.490

AUDIO VIDEO Main: It flooded our system, system shut down.

534

01:17:41.850 --> 01:17:45.610

AUDIO VIDEO Main: But that's the reality, and...

535

01:17:45.780 --> 01:17:52.190

AUDIO VIDEO Main: Even with our existing residents, Section 8 and public housing, they need rental assistance.

536

01:17:52.310 --> 01:18:00.050

AUDIO VIDEO Main: And for me, that's just something that I wanted to make a note of, because we would refer them to DCBA in previous rounds.

537

01:18:00.490 --> 01:18:05.389

AUDIO VIDEO Main: This most recent round was going to fire survivors, and a very small amount went to

538

01:18:05.760 --> 01:18:15.640

AUDIO VIDEO Main: you know, just regular... the regular community, if you were not a fire survivor. So I just wanted to say that, because rental assistance is needed. HUD does not forgive rent.

539

01:18:15.800 --> 01:18:20.850

AUDIO VIDEO Main: So, we are in a very difficult position with having to possibly evict residents.

540

01:18:23.650 --> 01:18:26.769

AUDIO VIDEO Main: I... Thank you for sharing that perspective.

541

01:18:27.090 --> 01:18:33.500

AUDIO VIDEO Main: So I want to... I'm over here doing some math. Those of y'all have been around me long enough, you know I like to do the math.

542

01:18:33.990 --> 01:18:36.559

AUDIO VIDEO Main: So...

543

01:18:39.310 --> 01:18:51.229

AUDIO VIDEO Main: I wanted to propose a percentage breakdown between the... I didn't hear anybody say anything else about any other programs. I think the second two are obviously for the broader public. We just heard that 30% of folks

544

01:18:51.660 --> 01:18:56.729

AUDIO VIDEO Main: are... I see that Member Jackson was unmuted. Did you want to say something?

545

01:18:57.850 --> 01:18:59.129

Mercedes Jackson: No, I'm sorry.

546

01:18:59.650 --> 01:19:03.070

AUDIO VIDEO Main: No, it's okay, I just wanted to make sure you had your time if you wanted to.

547

01:19:03.210 --> 01:19:16.029

AUDIO VIDEO Main: So I want to... I want to recommend... I want to throw out some percentages just to get us started. So, what do you all think about... so, to Member Steele's point, obviously,

548

01:19:16.800 --> 01:19:24.109

AUDIO VIDEO Main: And, what we heard from Member Clark, there's... we know there's a desperate need, we talked about it, and people just cannot make ends meet.

549

01:19:24.830 --> 01:19:42.380

AUDIO VIDEO Main: folks cannot make ends meet, right? And so, and that 27,000 number is just folks who got to do it in time, right? So far, there's a lot more unmet need, and people who just, you know, people used to piecemeal, but they can't bring the two pieces together. So, what do you all think about,

550

01:19:46.280 --> 01:19:57.220

AUDIO VIDEO Main: 50% to the rehousing and jobs, 40% to the emergency rental assistance, and 10% to the guaranteed basic income.

551

01:19:57.660 --> 01:20:00.610

AUDIO VIDEO Main: Or 40, 40, and 20.

552

01:20:01.460 --> 01:20:02.920

AUDIO VIDEO Main: What do you all think about?

553

01:20:03.610 --> 01:20:04.870

AUDIO VIDEO Main: Either of those.

554

01:20:05.190 --> 01:20:11.159

AUDIO VIDEO Main: So 20... 10 to 20% to the guaranteed income for GR participants that are just as impacted.

555

01:20:11.350 --> 01:20:19.380

AUDIO VIDEO Main: I'm saying 10% just given the numbers that we just heard, but 10-20%, and then a split of the remaining balance in the other two programs.

556

01:20:22.070 --> 01:20:28.660

AUDIO VIDEO Main: I gave two different scenarios, that may be confusing. So, 10%.

557

01:20:30.420 --> 01:20:36.000

AUDIO VIDEO Main: to the guaranteed income. That's, like, one point... Two-something million.

558

01:20:36.130 --> 01:20:37.609

AUDIO VIDEO Main: And then... 9?

559

01:20:39.250 --> 01:20:43.419

AUDIO VIDEO Main: Yes, row 9, and then,

560

01:20:44.520 --> 01:20:49.940

AUDIO VIDEO Main: I said 50% to Brecken Barriers and 40% to the DCVA one.

561

01:20:52.350 --> 01:20:54.450

AUDIO VIDEO Main: 10, 50, 40.

562

01:20:56.140 --> 01:20:58.449

AUDIO VIDEO Main: Just to get us started, because, right, we got...

563

01:20:58.560 --> 01:21:02.870

AUDIO VIDEO Main: We have, 3 more categories to go through, and we gotta circle back to the other 2, so...

564

01:21:03.320 --> 01:21:04.730

AUDIO VIDEO Main: Thoughts about that?

565

01:21:06.040 --> 01:21:07.680

AUDIO VIDEO Main: 10, 50, 40?

566

01:21:08.880 --> 01:21:11.549

AUDIO VIDEO Main: Okay, let's do the post checks!

567

01:21:12.580 --> 01:21:14.190

AUDIO VIDEO Main: So, thumbs up!

568

01:21:16.230 --> 01:21:19.299

AUDIO VIDEO Main: Okay, anybody have any other ideas, or we wanna...

569

01:21:19.660 --> 01:21:21.499

AUDIO VIDEO Main: You ready to move forward with that?

570

01:21:22.990 --> 01:21:27.740

AUDIO VIDEO Main: Okay, so I'm gonna put the former... formulas in,

571

01:21:27.910 --> 01:21:30.610

AUDIO VIDEO Main: Can somebody give me the dollar amount, the exact dollar amount?

572

01:21:34.140 --> 01:21:37.050

AUDIO VIDEO Main: Oh, it's 12... 6, 5, 7, 8.

573

01:21:59.410 --> 01:22:03.459

AUDIO VIDEO Main: Okay. What is that? What number is that? Okay.

574

01:22:03.660 --> 01:22:05.920

AUDIO VIDEO Main: Let's keep going.

575

01:22:06.130 --> 01:22:23.230

AUDIO VIDEO Main: So we're moving to the next category, which is, funding area number 3, the direct community investment, access to capital for small business minority-owned businesses. We had a lot of conversation, there was a lot of interest, we even shifted some of the percent... or, you know, talked about it at some point, shifting the percentages.

576

01:22:23.230 --> 01:22:35.230

AUDIO VIDEO Main: General... the program is General Access to Funding for Small Minority-Owned Businesses. This language is broad enough. If you... if you're looking at the screen on row 12, you can see that it says Small Business Sustainability in blue, right?

577

01:22:35.230 --> 01:22:37.040

AUDIO VIDEO Main: Because we added that.

578

01:22:37.300 --> 01:22:49.179

AUDIO VIDEO Main: To make sure this is supporting small businesses that are flailing and struggling, but this is a very broad description that allows for some flexible support to small minority-owned businesses.

579

01:22:49.310 --> 01:22:53.450

AUDIO VIDEO Main: Right now, there's nothing else here, which means that the entire...

580

01:22:58.240 --> 01:23:01.709

AUDIO VIDEO Main: 4.976 million will go to this.

581

01:23:02.090 --> 01:23:04.859

AUDIO VIDEO Main: So, let's talk about this, this funding area.

582

01:23:06.200 --> 01:23:07.589

AUDIO VIDEO Main: How much was that again, sorry.

583

01:23:07.830 --> 01:23:11.789

AUDIO VIDEO Main: I'll put it up on the screen, too. This,

584

01:23:13.000 --> 01:23:17.520

AUDIO VIDEO Main: What number is that? Number 3. 4.976...

585

01:23:17.700 --> 01:23:31.109

AUDIO VIDEO Main: 9, 10 would go to this. It's a very broad stroke, though, so it can cover folks who just need a little support, folks that are flailing, small businesses that may be going out of business, it covers a lot of things, but,

586

01:23:31.290 --> 01:23:32.260

AUDIO VIDEO Main: Thoughts.

587

01:23:34.580 --> 01:23:35.550

AUDIO VIDEO Main: No, I like that.

588

01:23:37.210 --> 01:23:47.069

AUDIO VIDEO Main: Including thoughts about the description, right? So if you're like, I support that, but I want to make sure that this is funded right, or this is clear, that's appropriate as well.

589

01:23:48.150 --> 01:23:51.029

AUDIO VIDEO Main: Yeah. Member Eakins? Thank you, I couldn't see.

590

01:23:53.230 --> 01:23:57.519

AUDIO VIDEO Main: Yes, as I stated in the last meeting,

591

01:23:58.080 --> 01:24:09.079

AUDIO VIDEO Main: this particular area is important to me because, you know, I know many small businesses are the only ones that, hire folks that are re-entering the community, and so somehow, if we could link

592

01:24:09.240 --> 01:24:17.190

AUDIO VIDEO Main: Or make it... make a little cause or something that, you know, a certain percentage of it go towards those who, agree to hire.

593

01:24:17.520 --> 01:24:35.069

AUDIO VIDEO Main: those that are re-entering, because jobs are hard to come by, and I can just think of many places that probably wouldn't hire a lot of these people, and so that keeps the unemployment rate, you know, high. But if there's somehow a way we could bridge the two to, you know, broaden that access for those that are re-entering, that'd be great.

594

01:24:35.070 --> 01:24:40.629

AUDIO VIDEO Main: That's a great point. I'm looking at JCOD to confirm we can do that, because if so, we can put that language in here.

595

01:24:41.760 --> 01:24:43.350

AUDIO VIDEO Main: Can we do that?

596

01:24:45.650 --> 01:24:53.619

AUDIO VIDEO Main: I just confirmed with counsel that it shouldn't be an issue per any, like, legal Prop 209 concerns or anything. Great. Okay.

597

01:24:54.000 --> 01:24:57.169

AUDIO VIDEO Main: So, think about, like, a percentage, like, you know.

598

01:24:57.320 --> 01:25:01.130

AUDIO VIDEO Main: Certain amount has to go to... employers that...

599

01:25:02.840 --> 01:25:11.940

AUDIO VIDEO Main: higher... you know, y'all think about the language or help me, because I'm going to put it in here before we're done. All right, Member Williams, and then, Member for Winches Miranda, and Member Coates thereafter.

600

01:25:12.110 --> 01:25:14.129

AUDIO VIDEO Main: Yeah, when I think about this,

601

01:25:14.770 --> 01:25:23.969

AUDIO VIDEO Main: funding, section where I think about a brother at a Homeboy Industries who has started a coffee shop. They just got their second one, in Pasadena.

602

01:25:23.970 --> 01:25:43.040

AUDIO VIDEO Main: And he's Gabrilino Tongva, the land-based tribes that we talk about every land acknowledgement. He's also formerly incarcerated, impacted, and he hires formerly incarcerated folks inside of his business. And I think about the talks we have about access to capital and equity, and like, I think specifically for, like.

603

01:25:43.310 --> 01:25:57.120

AUDIO VIDEO Main: the community agreements that we should be centering Black and Indigenous businesses, not just minority businesses, but specifically Black and Indigenous Native businesses inside the language of this small business,

604

01:25:57.390 --> 01:25:59.009

AUDIO VIDEO Main: Entrepreneurship, whatever it's called.

605

01:26:03.250 --> 01:26:05.960

AUDIO VIDEO Main: Thank you. Member Moretta... Fuentes, Moretta?

606

01:26:06.580 --> 01:26:18.189

AUDIO VIDEO Main: Yeah, no, I just, I really support this. I like that it's not just capital, it's also education. I do really support adding to this, like, possibly incentives for, fair chance employers.

607

01:26:18.530 --> 01:26:34.669

AUDIO VIDEO Main: But I don't know that I would separate out to, like, a separate project altogether. I think that, you know, the community can apply for this and kind of decide, like, is my focus going to be on engaging fair chance employment, or is it going to be on capital, or is it gonna be on education? So, I like that... I like how broad it is.

608

01:26:34.970 --> 01:26:37.070

AUDIO VIDEO Main: Thank you.

609

01:26:37.360 --> 01:26:51.469

AUDIO VIDEO Main: Member codes, I just added the language, if y'all can see it, I don't know if you can see it on the screen, that minimum 40% of the funds, and I took the language while you were literally talking. At least 40% of the funds must be allocated to fair chance employers, so you all let me know what you think about the member codes, and then...

610

01:26:51.480 --> 01:26:57.669

AUDIO VIDEO Main: I was just gonna say that we could also phrase it as prioritizing fair chance employers so that

611

01:26:57.930 --> 01:27:05.289

AUDIO VIDEO Main: Anyone who's applying, if they have fair chance employment, they would get priority, and that could incentivize people applying to offer that.

612

01:27:05.690 --> 01:27:07.209

AUDIO VIDEO Main: I don't really have a preference.

613

01:27:09.680 --> 01:27:11.369

AUDIO VIDEO Main: Thank you, Member Blackwood.

614

01:27:13.410 --> 01:27:16.050

AUDIO VIDEO Main: Yes, maybe I can't...

615

01:27:16.430 --> 01:27:28.949

AUDIO VIDEO Main: maybe C, because it's kind of tiny, but can someone let me know if included in the education portion is the general understanding that some of the education would be application assistance?

616

01:27:29.200 --> 01:27:31.370

AUDIO VIDEO Main: Because I know that, at least in...

617

01:27:31.770 --> 01:27:40.110

AUDIO VIDEO Main: Our region, that's a constant request, request for technical support that's paired with the funding as a guardrail.

618

01:27:40.250 --> 01:27:44.500

AUDIO VIDEO Main: I'll read the whole thing, is that okay? And then you can plug in? Okay, I'll read the whole thing to you.

619

01:27:44.560 --> 01:28:02.550

AUDIO VIDEO Main: This program will increase access to capital and other education and information, technical assistance, and community connections for aspiring entrepreneurs and small businesses who are system impacted or face historic disinvestment that leads to small business sustainability, growth, and success.

620

01:28:02.590 --> 01:28:19.810

AUDIO VIDEO Main: Projects and programs that align with the funding for small minority-owned business goals may be provided by a single organization and or a team of organizations that include, but are not limited to, education programs, including academies and workshops, technical assistance, access to capital and space facilities.

621

01:28:19.810 --> 01:28:27.280

AUDIO VIDEO Main: Space and facilities, mentorship and networking opportunities, and other customized entrepreneurship and small business development opportunities.

622

01:28:27.280 --> 01:28:51.040

AUDIO VIDEO Main: Projects and programs may serve specific districts or spas, or countywide, with a focus on system-impacted business owners and or customers, and other high and highest-tier need communities or areas according to the ArtsEndex Explorer tool, Jenny Index or Jesse Index, and then I just added that we'll play with. At minimum, 40% of the funds must be prioritized, allocated to the fair chance employers.

623

01:28:55.530 --> 01:29:00.300

AUDIO VIDEO Main: So, is something missing that you want to lift up for consideration to be added?

624

01:29:02.130 --> 01:29:03.140

AUDIO VIDEO Main: Okay.

625

01:29:03.410 --> 01:29:06.319

AUDIO VIDEO Main: be included in education. Okay. Yeah.

626

01:29:07.150 --> 01:29:13.599

AUDIO VIDEO Main: All right, Member Williams, was your... did you have something else to say? Your tent card is still a... okay. Member Holm?

627

01:29:13.720 --> 01:29:22.950

AUDIO VIDEO Main: Just a question, is there, just for the group, is there a reason why it wouldn't be 100% to Parekhance? I mean, just given the alignment with CFCI? I'm just asking the question, I don't know.

628

01:29:23.100 --> 01:29:30.909

AUDIO VIDEO Main: Would we be excluding certain folks that we really... It already focuses on system-impacted employers, right? But yeah, good question. I don't... can we do that?

629

01:29:36.890 --> 01:29:41.810

AUDIO VIDEO Main: I think I heard, I'm sorry, I forgot who said it.

630

01:29:42.550 --> 01:29:48.339

AUDIO VIDEO Main: maybe... Well, go ahead. Go ahead, Member Steele.

631

01:29:49.130 --> 01:29:56.740

AUDIO VIDEO Main: I just, again, in the same vein of what I was saying about the housing piece, just being knowledgeable of the things that are coming.

632

01:29:56.820 --> 01:30:13.549

AUDIO VIDEO Main: Like, I want to make sure that we put an emphasis on, the incarcerated populations, but we want to make sure that there is also space for general need of community members who are also going to need to utilize these resources as well.

633

01:30:13.760 --> 01:30:14.650

AUDIO VIDEO Main: So...

634

01:30:14.800 --> 01:30:30.369

AUDIO VIDEO Main: I'm cool with, like, 80-20, that's cool, but, like, I just want to just make sure that there's still room for other businesses that might be, that... well, not just businesses, but, like, there's space and opportunity for these resources being supportive of regular community members as well.

635

01:30:31.960 --> 01:30:35.949

AUDIO VIDEO Main: non-system impacted community members. Thank you very much.

636

01:30:36.200 --> 01:30:38.659

AUDIO VIDEO Main: Okay, so...

637

01:30:39.220 --> 01:30:51.970

AUDIO VIDEO Main: increase the percentage from 40... 40 was an arbitrary number, I was just getting us started. But other thoughts about that? Do y'all want to increase it? Do you all want to do 100%, like Member Hong said? Remember Bokta?

638

01:30:52.180 --> 01:31:03.510

AUDIO VIDEO Main: And then Member Patti? Yeah, I would... I would agree with Member Steele to do, like, 80-20. I... yeah, I think going... having majority go to, you know, fair chance.

639

01:31:03.700 --> 01:31:05.690

AUDIO VIDEO Main: hiring, but I think about...

640

01:31:06.100 --> 01:31:20.389

AUDIO VIDEO Main: I think one of the previous meetings where our youth member talked about one of the businesses being the nail salon, but just, you know, being able to support kind of that entrepreneurship

641

01:31:20.740 --> 01:31:28.500

AUDIO VIDEO Main: And if it's... and using the index of, you know, ARD and some of the other kind of data

642

01:31:29.090 --> 01:31:38.329

AUDIO VIDEO Main: to target, you know, again, communities, minority-owned, I think we, you know, that's... that's where I think we should...

643

01:31:38.470 --> 01:31:48.330

AUDIO VIDEO Main: the way the description is written, I think it does kind of hit, I think, some of the priority populations and impact, so I would support, like, an 80-20.

644

01:31:49.740 --> 01:31:52.619

AUDIO VIDEO Main: Okay. Remember, Bettino? Then I'mma do a post check.

645

01:31:52.950 --> 01:31:56.220

AUDIO VIDEO Main: I just want to flag, and I think as I read through

646

01:31:56.850 --> 01:32:02.609

AUDIO VIDEO Main: language we've heard prioritized, and then we put a percentage and some other things. I think it's... it is helpful.

647

01:32:02.790 --> 01:32:15.540

AUDIO VIDEO Main: on the back end, when we allocate this through the third-party administrator to keep it as... to keep it fairly broad. So, capture all the things that we want to capture, but if we're too specific, we sometimes run into the problem of trying to, like, put a grantee in that...

648

01:32:15.680 --> 01:32:30.220

AUDIO VIDEO Main: box, if that makes sense, and we don't want to do that either. So, it's important to be as inclusive as possible, which I think we've captured here, but not be too restrictive, because it makes it more difficult to, like, find that exact grantee that can do that exact thing, if that makes sense.

649

01:32:30.250 --> 01:32:43.520

AUDIO VIDEO Main: So, are you suggesting prioritize is broader language? I think the way that must be prioritized slash allocated, I think, is probably fine. Okay. But just as, like, a general comment, as we go through these categories, it's important to think about. That's helpful.

650

01:32:43.870 --> 01:32:44.880

AUDIO VIDEO Main: Thank you.

651

01:32:45.730 --> 01:32:51.969

AUDIO VIDEO Main: I'm sorry, so does it mean that the percentage can just be a guidance? Not necessarily a...

652

01:32:52.040 --> 01:33:06.340

AUDIO VIDEO Main: like, written into the rule of the... you know what I'm saying? But just keep in mind that we want to generally think... okay. Yeah, so I think... I think I would really appreciate you all's input, and I'm gonna do a post-check on the language. Do you want to say that's what it... I mean, obviously the CEO may shift it.

653

01:33:06.340 --> 01:33:23.670

AUDIO VIDEO Main: Our friend Jack is here. Shout out to Jack, he's been very helpful. But if we want to prescribe it... wave your hands, Jack. If you want to... if we want to prescribe it, then let's prescribe it. And we heard what Adam said, but if we don't want wiggle room, then the language makes sense. I mean, the language choice is really critical. Remember, Colts?

654

01:33:23.770 --> 01:33:33.070

AUDIO VIDEO Main: just off of that, we could do, like, at least a certain percentage, right? So then we're not... it's a little more flexible, right? We could say at least 70% has to go to...

655

01:33:34.090 --> 01:33:38.209

AUDIO VIDEO Main: Fairchance employers, and then that gives us more flexibility, if we don't want to do prioritize.

656

01:33:39.190 --> 01:33:44.690

AUDIO VIDEO Main: Okay, so post check... I'mma... Up to?

657

01:33:45.150 --> 01:33:47.840

AUDIO VIDEO Main: Up to and at least are two very different things.

658

01:33:48.110 --> 01:33:56.880

AUDIO VIDEO Main: So, I think at least is what I understood you all to be going for. So, I'mma do a poster, like, you get one, one thumb vote.

659

01:33:57.060 --> 01:34:02.139

AUDIO VIDEO Main: For at least 70% and at least 80%. Does everybody understand what at least means?

660

01:34:02.560 --> 01:34:05.340

AUDIO VIDEO Main: I'm not trying to be funny, I just want to make sure, because...

661

01:34:05.550 --> 01:34:08.820

AUDIO VIDEO Main: Okay, so you only put your thumb up one time.

662

01:34:09.500 --> 01:34:13.750

AUDIO VIDEO Main: Put your thumb up if you wanted to say at least 70%. The other option is 80%.

663

01:34:14.260 --> 01:34:19.579

AUDIO VIDEO Main: Okay, somebody help me count, my vice chair's not here. 1, 2, 3, 4, 5, 6, 7.

664

01:34:20.350 --> 01:34:22.149

AUDIO VIDEO Main: 8, 9, 10?

665

01:34:22.850 --> 01:34:27.940

AUDIO VIDEO Main: Or... okay. I don't know that I counted either. Did somebody else count?

666

01:34:31.220 --> 01:34:32.440

AUDIO VIDEO Main: 70.

667

01:34:35.320 --> 01:34:36.300

AUDIO VIDEO Main: I got 12.

668

01:34:36.840 --> 01:34:49.010

AUDIO VIDEO Main: 13. 13. Alright, thumb up if you wanted to say at least 80%. That means it's a higher... that means more has to be allocated to those populations. Remember Bug Day, so...

669

01:34:49.270 --> 01:34:58.440

AUDIO VIDEO Main: Okay, so I'm gonna put at least 70, based on the majority, all right? Any other discussion on this, this, funding area? Are we good to move on?

670

01:35:02.480 --> 01:35:14.240

AUDIO VIDEO Main: Okay, I plugged the numbers in. You can always come back, y'all, because we gotta come back once we finish this whole slate, in terms of, like, who's administering it, so there's a little time to come back. Alright, so moving us along to...

671

01:35:14.540 --> 01:35:17.110

AUDIO VIDEO Main: Category, or Funding Area 8?

672

01:35:17.540 --> 01:35:22.920

AUDIO VIDEO Main: which is the community-based health services. There are currently two things here.

673

01:35:24.500 --> 01:35:35.179

AUDIO VIDEO Main: One is, line 13... row 13, culturally responsive, there is in blue. Culturally responsive health and wellness programs focused on Indigenous wellness.

674

01:35:35.850 --> 01:35:43.029

AUDIO VIDEO Main: Prevention services, health promotion, emotional and mental health, that are culturally responsive.

675

01:35:43.030 --> 01:36:00.349

AUDIO VIDEO Main: And then, the other one is, healthcare payment assistance for low-income and underinsured individuals. This was related to some of the implications of HR1 we talked about, so it could be related to the \$30 copay, right? It could be related to something else. I do want to flag that at the end of this.

676

01:36:00.350 --> 01:36:03.800

AUDIO VIDEO Main: Road, we did lift up Measure ER.

677

01:36:04.590 --> 01:36:07.219

AUDIO VIDEO Main: To see it as a possible alternative.

678

01:36:07.450 --> 01:36:24.910

AUDIO VIDEO Main: resource, so I just want to flag that. So comments on this one. Member Coates, is that a carryover, or are you... okay. Member Williams? Yeah, I just wanted a correction inside of the description. Can you use the mic, folks, so the folks that don't... There's a correction in the, description. It says a wet lodge, and it's a sweat lodge.

679

01:36:25.030 --> 01:36:26.690

AUDIO VIDEO Main: SWEH.

680

01:36:27.310 --> 01:36:32.350

AUDIO VIDEO Main: Where, it does get wet, but after you sweat.

681

01:36:32.500 --> 01:36:40.910

AUDIO VIDEO Main: Thank you. Okay, reactions to this? The available dollar amount for this one... Category 8?

682

01:36:41.340 --> 01:36:46.550

AUDIO VIDEO Main: is 8.29... 5 million.

683

01:36:47.570 --> 01:36:51.270

AUDIO VIDEO Main: So, thoughts about what's here, thoughts about things that are not here...

684

01:36:54.050 --> 01:37:07.649

AUDIO VIDEO Main: And as a reminder, I said this last time, these were put here as ideas based on the conversations and the community input. It didn't just come out of thin air. So, comments? Member Fuentes Miranda, and then Member Hong after that.

685

01:37:07.730 --> 01:37:14.830

AUDIO VIDEO Main: Yeah, well, we also need to identify a third-party administrator or county department for... We're gonna do that after we finish the entire slate.

686

01:37:15.070 --> 01:37:22.099

AUDIO VIDEO Main: That's why I'm not doing that per program. We'll do that when we're done with the full slate, and we're at zero, and then we're gonna come back and do that part.

687

01:37:22.210 --> 01:37:22.940

AUDIO VIDEO Main: Sounds good.

688

01:37:24.280 --> 01:37:27.050

AUDIO VIDEO Main: Member Hong and then Member Steele?

689

01:37:27.720 --> 01:37:36.680

AUDIO VIDEO Main: Yeah, so the... I just wanted to talk through a little bit the Measure ER. Measure ER is going to be operated out of the

Department of Health Services under Community Programs, which I oversee, so...

690

01:37:36.750 --> 01:37:53.689

AUDIO VIDEO Main: That is a program that uses tax dollars, measuring our past, to sort of fund healthcare services for those that are uninsured, right? So, it'll provide basic primary care and some specialty care, for those individuals. It won't be quite like having Medicaid, and we don't...

691

01:37:53.690 --> 01:38:11.099

AUDIO VIDEO Main: for instance, we don't pay hospitals, hospitals are covered by Medicaid under Emergency Medi-Cal, but there is some funding there. I think this is talking... this might have been developed before Measure ER passed, I'm not sure, I'm trying to figure out what that is. Well, we pulled this from a program language in the existing, so... Okay.

692

01:38:11.100 --> 01:38:24.519

AUDIO VIDEO Main: But the one piece here that could fit still, I just wanted to, like, specifically call it this piece, is the idea of, like, premium assistance. So, people who are undocumented, or what we call unsatisfactory immigration status.

693

01:38:24.520 --> 01:38:41.229

AUDIO VIDEO Main: starting in July of next year, there'll be a \$30 per month premium, right, for them to continue on Medicaid. And that's really the best thing for folks, because it covers hospital care, it covers a lot more robust services, and so one thing that could be interesting is, like, funding premium assistance, right?

694

01:38:41.230 --> 01:38:54.850

AUDIO VIDEO Main: So that people can go to either a community-based organization, or the county of the county... it's the issue of, like, how much money do you sort of give in terms of... it's sort of like a form of income, right, for them to pay the premiums and stay on Medicaid. So that's the one piece, I think.

695

01:38:55.170 --> 01:39:15.450

AUDIO VIDEO Main: you know, might make a lot of sense here. And to clarify, Measure ER will not cover the... I said co-pays, but the premium will not cover that. There's challenges to Measure ER covering premiums for Medicaid. It's not off the table, but there are some challenges that we're trying to work through. So this could potentially do that, right? So potentially suggesting revising the language to focus on that?

696

01:39:15.740 --> 01:39:35.519

AUDIO VIDEO Main: I mean, it's one option. I don't know what else was in here, so I'm just trying to clarify what Measure ER does, and then,

because I'm not sure who wrote this language, but that the premium assistance piece could really complement Measure ER in that it helps people keep their Medicaid, right? People who are... have unsatisfactory immigration status, and not have to pay out of pocket the \$30 a month to keep their health insurance, right? So that's...

697

01:39:35.520 --> 01:39:42.159

AUDIO VIDEO Main: what I'm suggesting could be put in here, whether it's the whole thing, I don't know who else wrote the language, so I just want to propose that as one option.

698

01:39:43.350 --> 01:39:45.689

AUDIO VIDEO Main: Okay, Member Steele and then Member Fisher?

699

01:39:48.460 --> 01:40:06.910

AUDIO VIDEO Main: I just wanted to note, over the last several meetings, particularly for this area, we've had the food folks come and organize in this space. I know, to... what I normally say is that we have funded these things in different

700

01:40:07.030 --> 01:40:10.579

AUDIO VIDEO Main: Time frames, but in the same vein of the,

701

01:40:10.900 --> 01:40:18.279

AUDIO VIDEO Main: Think about the world through the social determinants of health, my commentary on the housing, my commentary on the business for, like, people, economics.

702

01:40:18.510 --> 01:40:37.820

AUDIO VIDEO Main: on food, too, in this same idea of, like, what is coming, or what is already here for us. Just... just thinking about, being able to, possibly add that into this in some... in some form or fashion. I know we're only talking about

703

01:40:38.260 --> 01:40:51.359

AUDIO VIDEO Main: we're only talking about... It's \$8.2 million. 8.2 million, you know what I mean? So, you know, I know it's not a lot, but still. Well, before we... before I come to you, Member Fisher, if you'll allow me, JCOD, they're talking, but I...

704

01:40:51.510 --> 01:41:01.519

AUDIO VIDEO Main: As they've come, I looked at the year 5 spending plan, and I thought they were funded, and then money that literally is going out now. So can you all clarify? We're talking about...

705

01:41:03.930 --> 01:41:21.209

AUDIO VIDEO Main: The food stuff, I wasn't supposed to say the food folks, but the advocacy that's been happening over the last several months, but I thought it was covered in the year 5 distribution that literally just went out. That's correct, there is... That's why..

706

01:41:21.670 --> 01:41:25.520

AUDIO VIDEO Main: And I think they're... even though they're advocating for renewal, I think they're..

707

01:41:25.700 --> 01:41:34.459

AUDIO VIDEO Main: Yeah. Money just was distributed. Can you all tell us how much, like, just so folks know, because somebody looked that up? But literally, that money just went out the door.

708

01:41:35.460 --> 01:41:46.379

AUDIO VIDEO Main: So, if you can tell us a dollar amount, and then maybe you all can say, well, we want to give them more, let me know, but that's why I didn't include it, because I remember we looked at year 5 a couple of meetings ago? That's on there.

709

01:41:46.710 --> 01:41:49.570

AUDIO VIDEO Main: So, I'm not saying we can't add it, but let's find out how much it is.

710

01:41:51.130 --> 01:41:52.430

AUDIO VIDEO Main: Member Fisher?

711

01:41:54.810 --> 01:42:00.799

AUDIO VIDEO Main: Both of the programs here, I really support. They're very important, but I wanted to propose two more.

712

01:42:00.840 --> 01:42:15.570

AUDIO VIDEO Main: One from the CO set-aside Memo is the Represent LA program under DCBA to provide legal support to immigrants, especially with the federal enforcement that continues to go on and really hurt our communities.

713

01:42:15.670 --> 01:42:17.550

AUDIO VIDEO Main: And the other,

714

01:42:17.560 --> 01:42:32.879

AUDIO VIDEO Main: is to support, I think what was called before, expanding safety in LA County, which funds community-driven public

safety, community violence intervention, and safe passage work. This is work that has faced a lot of local and federal funding cuts.

715

01:42:32.880 --> 01:42:38.009

AUDIO VIDEO Main: It's really critical for reducing retaliation and contact with the justice system.

716

01:42:38.080 --> 01:42:48.530

AUDIO VIDEO Main: So I'd like to propose those two to the committee first. Can you repeat the name of the second one you said? It was called before Expanding Safety in LA County.

717

01:42:49.180 --> 01:43:05.700

AUDIO VIDEO Main: That's on the set-aside memo as well, or no, it was in one of the previous funding areas? Yeah, it was in the previous funding areas, not in the set-aside memo. Okay, let me see if I can find... because it... those of you who have access to the table, you can click on the other tabs as well, because we have the full funding allocation, so let me see if I can find that one.

718

01:43:05.700 --> 01:43:19.639

AUDIO VIDEO Main: The Represent LA one, that one's on the side. I need to pull up the set-aside memo. I don't have that... I have all this other stuff staged for you all, so I need to pull that up and look at it.

719

01:43:20.080 --> 01:43:34.729

AUDIO VIDEO Main: Member Gibson, and then I want to, get you all's reaction to what was just offered by Member Fisher. Very quickly, Chair Lewis, if we could clarify the number around the CareFresh Healthy Living, it was \$19 million that was allocated. Right.

720

01:43:35.130 --> 01:43:51.100

AUDIO VIDEO Main: Thank you. Okay, just quickly, I think, obviously very supportive of all of the work that's related to, assisting folks with HR1 and Medi-Cal and things like that. I think I just want to also flag the importance of the prevention work that we do, coming from the Department of Public Health.

721

01:43:51.100 --> 01:44:07.319

AUDIO VIDEO Main: I think the opportunities to be able to work with individuals early, be able to create those connections in ways that are culturally appropriate are also important to elevate. I see that the population here is specific, and that's fine, but just wanted to kind of highlight the importance of the prevention work as well.

722

01:44:09.850 --> 01:44:13.199

AUDIO VIDEO Main: Okay, so is there something specific you wanted to lift up, or no?

723

01:44:13.450 --> 01:44:15.999

AUDIO VIDEO Main: Nope. Okay. Thank you.

724

01:44:17.100 --> 01:44:23.379

AUDIO VIDEO Main: member Williams and their member code, so I'm trying to look up some of the stuff. Yeah. Fisher brought.

725

01:44:23.410 --> 01:44:37.230

AUDIO VIDEO Main: Yeah, quickly, as we look at this pot of 15% of the overall and the \$8 million, and I'm thinking about the addition of two new programs, I feel like that's going to be eating into the Indigenous, and I feel like throughout the last 5 years.

726

01:44:37.230 --> 01:44:47.649

AUDIO VIDEO Main: we've been very... worked together across the table, and we've made lots of concessions and things, but when it comes to the health of Native people and Indigenous people and...

727

01:44:47.730 --> 01:44:54.460

AUDIO VIDEO Main: and other, folks, I just feel like this is kind of a non-negotiable, unless we're going to...

728

01:44:54.550 --> 01:45:05.150

AUDIO VIDEO Main: increase the pot if we have other funding from other areas to put in there to expand these other two programs. Because what I was thinking is about where it's at currently with these two programs.

729

01:45:05.260 --> 01:45:08.799

AUDIO VIDEO Main: Is, a 60-40 split.

730

01:45:08.920 --> 01:45:10.740

AUDIO VIDEO Main: You know, with...

731

01:45:11.010 --> 01:45:18.609

AUDIO VIDEO Main: And, to be, you know, equitable. But, when we talk about... when you look on the right side, you'll see tribal focus.

732

01:45:18.750 --> 01:45:22.530

AUDIO VIDEO Main: All those folks that you talk about in that land acknowledgement are those tribes.

733

01:45:22.640 --> 01:45:25.039

AUDIO VIDEO Main: So, it goes beyond just being,

734

01:45:25.200 --> 01:45:42.280

AUDIO VIDEO Main: something we rehearse every meeting to actual resources and dollars that go there. So, however the breakdown goes down, it's in the addition, I just want it to be a free-for-all, like, oh, let's add more and more programs, because that's going to diminish the amount of funding that's going to our communities and, for this important work. So, the healing work.

735

01:45:45.330 --> 01:45:47.260

AUDIO VIDEO Main: Thank you. Member Colts?

736

01:45:47.610 --> 01:46:04.250

AUDIO VIDEO Main: Yeah, acknowledging what you just said, Member Williams, because Measure ER did pass, and maybe that's an alternative funding source for this, I would support reducing the amount going towards that part to go towards Represent LA, because we know that the ICE raids have been

737

01:46:04.250 --> 01:46:09.909

AUDIO VIDEO Main: heightened since we created Represent LA, and they're wreaking havoc on our communities, so I would support that.

738

01:46:14.210 --> 01:46:17.549

AUDIO VIDEO Main: Okay, remember, Forenz Miranda?

739

01:46:18.290 --> 01:46:36.749

AUDIO VIDEO Main: Yeah, I definitely support Member Fisher's recommendation to add an additional area for expand safety in Los Angeles. We were kind of talking about, like, last few meetings, just in regards to, like, a reduction in community safety, that also supports a lot of prevention work.

740

01:46:40.350 --> 01:46:46.670

AUDIO VIDEO Main: Okay, so represent LAC specifically, is what you're saying? No, expanding safety. The expanding safety, okay.

741

01:46:48.250 --> 01:46:56.399

AUDIO VIDEO Main: Alright, I don't, I'm trying to find the expanding safety one. I have not been able to find it yet, because I'm also trying to listen to you all.

742

01:46:56.510 --> 01:47:00.529

AUDIO VIDEO Main: And you don't have a laptop, so I don't... let me see,

743

01:47:00.680 --> 01:47:08.799

AUDIO VIDEO Main: Because we need to see the description for that. Well, let... let me do a pulse check. So, we've heard a few different perspectives, inclusive of...

744

01:47:10.660 --> 01:47:30.640

AUDIO VIDEO Main: for the two that are here, possibly a more narrow focus for row 14, for those of you that are following along, or the second one, for those of you that are looking at the paper, because Measure ER may cover some of these things, but still, there's the potential to cover the premium cost, right, which is a lot less than thinking about broader. And then we've also heard, potentially.

745

01:47:30.640 --> 01:47:41.230

AUDIO VIDEO Main: the interest in adding two additional programs, Represent LA, which is on the set-aside memo. The other one, I can't find the description, so I don't know if the JCOD team can help us find it and read it out.

746

01:47:41.620 --> 01:47:56.599

AUDIO VIDEO Main: Because I want to... my brother to focus on what you all are saying. So, and then we had some support, so, please, let's do a post check. Thumbs up if you're interested in adding anything, if you're interested in adding

747

01:47:57.280 --> 01:48:03.669

AUDIO VIDEO Main: both programs that were lifted up, or maybe just one of the programs? I want you to think about the vote. Like, one program...

748

01:48:03.790 --> 01:48:11.060

AUDIO VIDEO Main: or two programs that were offered up to be added. So, put your thumbs up if you're interested in adding one program.

749

01:48:13.830 --> 01:48:18.679

AUDIO VIDEO Main: Well, if you're interested in adding no programs and leaving it as is, put your thumb up.

750

01:48:19.630 --> 01:48:32.399

AUDIO VIDEO Main: Okay, so everybody's open to adding. Okay, we have one, but the majority of you are open to adding at least another program, it sounds like. So, put your thumb up if you're interested in adding one more program to this... to the existing slate.

751

01:48:34.550 --> 01:48:37.829

AUDIO VIDEO Main: Put your thumb up if you're interested in adding two programs.

752

01:48:39.500 --> 01:48:47.920

AUDIO VIDEO Main: Okay. Well, something is missing, because either you don't want to add any, like most of you, and maybe you don't understand what I'm saying. Okay, if you want to leave it as is.

753

01:48:49.650 --> 01:48:51.889

AUDIO VIDEO Main: And we just allocate between these two.

754

01:48:52.250 --> 01:48:58.219

AUDIO VIDEO Main: with the nuances that I just mentioned, please put your thumb up if you do not want to add anything.

755

01:48:58.840 --> 01:49:00.940

AUDIO VIDEO Main: To this community health category.

756

01:49:02.920 --> 01:49:03.840

AUDIO VIDEO Main: Okay.

757

01:49:04.230 --> 01:49:07.339

AUDIO VIDEO Main: You changed your mind, remember, Blackwood? Okay, so we got one...

758

01:49:07.560 --> 01:49:10.529

AUDIO VIDEO Main: So we have two people who want to leave it as is.

759

01:49:11.140 --> 01:49:17.829

AUDIO VIDEO Main: Okay. If you would be open to adding one of the two programs that were mentioned, please put your thumb up.

760

01:49:22.850 --> 01:49:24.909

AUDIO VIDEO Main: Can you tell me which one it is?

761

01:49:25.780 --> 01:49:38.669

AUDIO VIDEO Main: Okay, what about you, Member Coates? Just because I haven't seen a description for the safety anywhere, and I see Represent LA here, I would do Represent LA. Okay. If you're open to adding two... both of the programs that Member Fisher lifted up.

762

01:49:38.790 --> 01:49:40.369

AUDIO VIDEO Main: Please put your thumbs up.

763

01:49:43.350 --> 01:49:49.039

AUDIO VIDEO Main: 1, 2, keep them up, please. 1, 2, 3, 4, 5, 6, 7, 8.

764

01:49:50.590 --> 01:50:00.290

AUDIO VIDEO Main: Okay, we need the safe passage. I don't... we need the safe passage description, though. I don't... I can't move forward without that. Member Hong, and then Jay... JCOD, are you ready?

765

01:50:00.550 --> 01:50:08.040

AUDIO VIDEO Main: Yes, I also sent it to you via email, but I can share my screen and show you all the description as well. You can just read it, I don't think you can see it. Okay.

766

01:50:09.480 --> 01:50:18.090

AUDIO VIDEO Main: Well, for the general public, yeah. The, ongoing allocation for that, that particular program area, which was allocated to the TPA in year two.

767

01:50:18.260 --> 01:50:31.010

AUDIO VIDEO Main: is \$12.8 million per year, and the description is, provide communities in Los Angeles County with the resources to combat and prevent violence within predominantly black and brown communities.

768

01:50:31.110 --> 01:50:42.850

AUDIO VIDEO Main: By expanding the capacity of violence intervention agencies, they can have an increased impact in engaging in crisis response and creating community safety for underserved and marginalized individuals.

769

01:50:43.980 --> 01:50:45.920

AUDIO VIDEO Main: Yes, I recall that one now.

770

01:50:46.270 --> 01:50:51.539

AUDIO VIDEO Main: Okay. Member Holm? I just wanted to revise what I said, because I'm realizing that

771

01:50:51.740 --> 01:51:07.009

AUDIO VIDEO Main: the premiums don't even go into effect until July of next year, which would be in the next budget year, so I don't think that the premium piece is necessary this budget year, so I think we can probably pull that. And then the question just is, what else is in this row 14? I don't know who else had submitted something, so...

772

01:51:07.010 --> 01:51:24.429

AUDIO VIDEO Main: we could probably remove the premium stuff. Talk about it for round 7? Yeah, you could talk about it for next year, because... and the governor might even repeal it, whoever the new governor is, so I think we should just take it off the premium piece, and then take it up later. Or maybe take this whole thing off, since... Yeah, so that's why I'm asking, is like, if there's no one else supporting anything in this row, we can take the whole thing off. I just don't know who...

773

01:51:24.990 --> 01:51:42.050

AUDIO VIDEO Main: who proposed it in the first place, so... It came from an existing program area description. I have to look at it to see where it came from. All right, let's hear from Member Colts, and then, just really quickly for JCOD, did you say that they got allocated \$12 million ongoing, or one time in year two?

774

01:51:42.360 --> 01:51:46.279

AUDIO VIDEO Main: It's \$12 million of ongoing funding, and

775

01:51:46.490 --> 01:51:49.369

AUDIO VIDEO Main: And it was granted out through the third-party administrator.

776

01:51:49.870 --> 01:51:50.900

AUDIO VIDEO Main: Okay, thanks.

777

01:51:51.200 --> 01:51:59.549

AUDIO VIDEO Main: And what that typically means is usually that 12.8 annually will be a portion among several grantees to be able to address the need.

778

01:51:59.850 --> 01:52:05.150

AUDIO VIDEO Main: So, Member Fisher, were you proposing to expand it, since it's an ongoing \$12 million every year?

779

01:52:06.790 --> 01:52:17.130

AUDIO VIDEO Main: Yes, I was proposing to expand it. I believe that the year 2 funding is ending at the end of this fiscal year as well, but there is a great need out there to support this work.

780

01:52:17.130 --> 01:52:27.229

AUDIO VIDEO Main: I would recommend expanding it. Well, our next process is gonna... our next process for Round 7 is gonna be connected to how do we assess for renewals and all that kind of stuff, so...

781

01:52:27.610 --> 01:52:32.970

AUDIO VIDEO Main: Although I know the TPA is a little bit different. Okay. So,

782

01:52:34.330 --> 01:52:43.320

AUDIO VIDEO Main: you all have heard Member Hong, and if you all aren't clear, he represents the Department of Health Services. It's important for people to know. So,

783

01:52:43.630 --> 01:52:52.699

AUDIO VIDEO Main: Does anybody have any objections to removing row 14, or the second one on the list, given what we just heard? And it may come up for consideration in Round 7.

784

01:52:53.260 --> 01:52:55.170

AUDIO VIDEO Main: Any objections to that?

785

01:52:56.600 --> 01:52:57.580

AUDIO VIDEO Main: Okay.

786

01:52:58.190 --> 01:53:01.750

AUDIO VIDEO Main: How many of you, by thumbs up, want to add Represent LA?

787

01:53:05.250 --> 01:53:08.940

AUDIO VIDEO Main: Does anybody need us to read the description of what it is, or did you find it?

788

01:53:09.700 --> 01:53:14.709

AUDIO VIDEO Main: Can... JCOD, can you read the Represent LA description? I think I should have that one.

789

01:53:15.750 --> 01:53:23.950

AUDIO VIDEO Main: I'm trying to think it's on the set-aside, but is it... Jack, is it... did that stuff carry over to the August 10th one? Because if so, I haven't opened.

790

01:53:30.160 --> 01:53:33.830

AUDIO VIDEO Main: Okay, I'm gonna share my screen, and I'll read it as well.

791

01:53:35.190 --> 01:53:40.200

AUDIO VIDEO Main: Thank you to members of the public, as we have a true working meeting. Thank you for your patience.

792

01:53:40.940 --> 01:53:45.979

AUDIO VIDEO Main: Alright, and it's in your handout as well, you all. It's connected to the August 10th set-aside memo.

793

01:53:46.470 --> 01:53:59.509

AUDIO VIDEO Main: So, Represent LA, provides programmatic... the funding will ensure continued capacity for legal representation while prioritizing individuals and communities impacted by aggressive federal immigration enforcement.

794

01:54:00.250 --> 01:54:00.950

AUDIO VIDEO Main: Yeah.

795

01:54:01.960 --> 01:54:02.710

AUDIO VIDEO Main: Hi, Chris.

796

01:54:03.080 --> 01:54:04.060

AUDIO VIDEO Main: Okay.

797

01:54:05.380 --> 01:54:14.009

AUDIO VIDEO Main: So again, thumbs up if you rep... if you, we have to figure out the allocations, but if you support including Represent LA,

798

01:54:16.510 --> 01:54:23.489

AUDIO VIDEO Main: Okay, I need a second person to count with me. 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12. Okay.

799

01:54:23.950 --> 01:54:25.910

AUDIO VIDEO Main: Raise your hand if you support

800

01:54:26.050 --> 01:54:29.600

AUDIO VIDEO Main: Adding more money, you know, even though this would be one time.

801

01:54:29.910 --> 01:54:40.220

AUDIO VIDEO Main: So one consideration, Member Fisher, though, is do we wait to make sure we prioritize it for round 7, so that it's an increase in ongoing support?

802

01:54:40.450 --> 01:54:46.330

AUDIO VIDEO Main: Because this is one time. That's one consideration. I mean, it's not... not to say that, but I'm just... I just want to flag that.

803

01:54:46.730 --> 01:54:49.579

AUDIO VIDEO Main: Given that we have another round of funding coming up.

804

01:54:50.300 --> 01:55:03.110

AUDIO VIDEO Main: Yeah, I appreciate that. I will leave it to the group, what they think is right. I mean, it could be in here, and it could be in there, right? I just... you know, JCOD deals with complexities all the time, so they will figure it out, but...

805

01:55:03.110 --> 01:55:22.200

AUDIO VIDEO Main: So there's \$12 million ongoing that's set to conclude in June for safe passage, and I think most of us know community safety, community violence continue, unfortunately, is beginning to escalate again, right? Even more so than before. So, if we do this, if we include it here and CEO moves it forward, it'll be one time.

806

01:55:22.200 --> 01:55:36.010

AUDIO VIDEO Main: And, you know, possibly up for consideration for renewal for the \$12 million or more. So, please thumbs up if you are interested in adding the Safe Passage to this Round 6 one-time spending.

807

01:55:37.730 --> 01:55:40.710

AUDIO VIDEO Main: 1, 2, 3... 4.

808

01:55:43.440 --> 01:55:44.660

AUDIO VIDEO Main: You saw 5?

809

01:55:44.770 --> 01:55:45.770

AUDIO VIDEO Main: Oh.

810

01:55:46.110 --> 01:55:49.319

AUDIO VIDEO Main: Okay, so I get the sense that...

811

01:55:49.490 --> 01:55:54.210

AUDIO VIDEO Main: Adding... based on your thumbs up, represent LA,

812

01:55:57.180 --> 01:56:05.449

AUDIO VIDEO Main: And the Culturally Responsive Wellness will be the two programs in this funding area. Do you all... does that sound right?

813

01:56:06.310 --> 01:56:07.120

AUDIO VIDEO Main: Okay.

814

01:56:07.680 --> 01:56:15.589

AUDIO VIDEO Main: Alright, so talk about distribution, and I'm gonna update this spreadsheet in real time, so some... y'all throw out some ideas for distribution.

815

01:56:19.220 --> 01:56:23.400

AUDIO VIDEO Main: Yeah, I had a recommendation when there was, like.

816

01:56:24.140 --> 01:56:39.820

AUDIO VIDEO Main: Like, four, now there's 2, but it was, like, like, 60-40, but, considering, you know, I think, like, anywhere 55, 45 can work, or, you know, I'm open to recommendations, or even just a 50-50.

817

01:56:39.920 --> 01:56:41.629

AUDIO VIDEO Main: But, just think,

818

01:56:42.150 --> 01:56:47.970

AUDIO VIDEO Main: Yeah, they're both gonna go through really good areas of support, and it's one time, so, you know.

819

01:56:48.260 --> 01:56:54.739

AUDIO VIDEO Main: We'll start the work, and then... Hopefully we can... Revisited, and 7, and wherever.

820

01:57:00.390 --> 01:57:02.670

AUDIO VIDEO Main: Okay, did you say 50-50?

821

01:57:02.990 --> 01:57:11.179

AUDIO VIDEO Main: I said 50-50, 55, 45, whatever. I work in elections, so sometimes the math don't math. Pick a number so we can respond to it, please.

822

01:57:11.490 --> 01:57:16.430

AUDIO VIDEO Main: If you have a... or somebody else can make a suggestion. I'll leave it to other folks.

823

01:57:17.380 --> 01:57:18.390

AUDIO VIDEO Main: Oh, shoot.

824

01:57:18.710 --> 01:57:19.670

AUDIO VIDEO Main: Sorry.

825

01:57:20.080 --> 01:57:22.690

AUDIO VIDEO Main: I would support a 55-45.

826

01:57:23.620 --> 01:57:25.509

AUDIO VIDEO Main: 55 for which one?

827

01:57:27.010 --> 01:57:33.889

AUDIO VIDEO Main: The 55 for the cultural... Culturally Responsive Health and Wellness Program.

828

01:57:35.330 --> 01:57:37.559

AUDIO VIDEO Main: And 45 for Representative Lay.

829

01:57:37.740 --> 01:57:46.369

AUDIO VIDEO Main: 55% for the Culturally Responsive Program, 45% for, Represent LA. Can I see your thumbs if you support that?

830

01:57:49.540 --> 01:57:51.970

AUDIO VIDEO Main: I don't think we're a half. 1, 2, 3...

831

01:57:52.160 --> 01:57:55.840

AUDIO VIDEO Main: 4, 5, 6, 7, 8, 9, 10, 11, 12.

832

01:57:56.220 --> 01:58:00.659

AUDIO VIDEO Main: Anybody object to that or want to offer something else? It sounds like we have more than half the folks.

833

01:58:01.370 --> 01:58:04.350

AUDIO VIDEO Main: Okay. Can somebody tell me that dollar amount, please?

834

01:58:07.820 --> 01:58:09.299

AUDIO VIDEO Main: Oh, the total dilemma?

835

01:58:10.010 --> 01:58:16.259

AUDIO VIDEO Main: On the split? For this funding area, no one put the formula in. \$294,800.

836

01:58:20.380 --> 01:58:24.330

AUDIO VIDEO Main: No, that's wrong. No, that's right. That's right. That's right.

837

01:58:25.480 --> 01:58:27.120

AUDIO VIDEO Main: Yes. 8294, yes.

838

01:58:42.140 --> 01:58:46.389

AUDIO VIDEO Main: Okay, let me check my formulas...

839

01:58:47.620 --> 01:58:52.060

AUDIO VIDEO Main: All right. Okay, any other comments on community health?

840

01:58:54.300 --> 01:59:02.390

AUDIO VIDEO Main: Great work. We'll fill in the DCBA one a little bit more. I'll just put the placeholder there so you guys can see it in real time, but we'll fill in more details.

841

01:59:02.520 --> 01:59:04.910

AUDIO VIDEO Main: Okay.

842

01:59:05.130 --> 01:59:12.879

AUDIO VIDEO Main: So, row 15, the orange one is the JC one we already voted on earlier, so I'm gonna keep going.

843

01:59:13.310 --> 01:59:20.120

AUDIO VIDEO Main: And so the final category... is,

844

01:59:20.180 --> 01:59:39.529

AUDIO VIDEO Main: Funding Area 9, Alternative to Incarceration. Funding area non-Custodial Diversion and reentry programs, including housing and services. Again, want to acknowledge that part of the \$11 million in the orange row above includes some of these. So the... there are only two programs here now because

845

01:59:39.590 --> 01:59:42.799

AUDIO VIDEO Main: The other programs that were here that are already a part of...

846

01:59:43.050 --> 01:59:48.940

AUDIO VIDEO Main: that crossed over with the JC program have... are not accounted for here, because they're accounted for there. Everybody clear?

847

01:59:49.340 --> 01:59:52.180

AUDIO VIDEO Main: So there's two program areas.

848

01:59:52.810 --> 01:59:56.110

AUDIO VIDEO Main: As ideas here, let's talk about them. So we have...

849

01:59:56.140 --> 02:00:15.509

AUDIO VIDEO Main: I don't know why TPA is in front of this, but mental health, diversion, and crisis alternatives to incarceration. I want to, also flag for those of you who have laptops, JCOD sent some suggestions yesterday. I didn't... I didn't take all of their suggestions, but I did. There is a tab right here at the bottom if you want to see some of their suggested language changes. I incorporated

850

02:00:15.740 --> 02:00:31.980

AUDIO VIDEO Main: some of the ones that were easy, but I didn't want to just change stuff without you all weighing in. So, if you want to see JCOD's recommendations for some of the shift in language for this one, I think in particular, then you can look at it, but this is the original description that you all saw two weeks ago. So, mental health diversion and crisis alternatives.

851

02:00:32.210 --> 02:00:43.940

AUDIO VIDEO Main: to incarceration, it's a variety of different diversion, services. And then the Row 17 ODR, Diversion and Term Housing Plus.

852

02:00:44.080 --> 02:00:49.119

AUDIO VIDEO Main: Remember Hong? I don't know if you want to say just a little bit about it.

853

02:00:50.460 --> 02:01:13.150

AUDIO VIDEO Main: Yeah, just when we... when we divert people with serious mental illness to the community who are homeless from the jails, and we move them into an interim housing site initially, and then wrap around mental health treatment, case management, all the services around it. Interim Housing Plus allows us to take care of someone who's just a little bit sicker, and earlier, so it allows us to remove people earlier, like, when they're a little bit less than

854

02:01:13.150 --> 02:01:14.460

AUDIO VIDEO Main: fully treated.

855

02:01:14.460 --> 02:01:32.049

AUDIO VIDEO Main: and be in a community-based setting where they're free to leave and those sorts of things, and so it's kind of like an intermediate between a locked subacute facility and a regular interim housing site that has just much more service-enriched services, so it's a

way to get people out a little bit earlier who are a little bit sicker, and we're dealing with a pretty sick population, so...

856

02:01:32.240 --> 02:01:39.350

AUDIO VIDEO Main: That's a summary of it Thank you. There is \$11.6 million available in this category.

857

02:01:39.870 --> 02:01:42.120

AUDIO VIDEO Main: So, in...

858

02:01:42.290 --> 02:01:50.250

AUDIO VIDEO Main: Same process, share your thoughts about what's here. If there's things that are not here that you want to lift up, share that as well. Member Colts?

859

02:01:50.680 --> 02:02:08.879

AUDIO VIDEO Main: Thank you. My question is for JCOD. I would like you guys to explain more what this mental health diversion and crisis alternatives to incarceration is. I'm confused by it. There's a lot of diversion programs that exist. JCOD has RDP and pretrial. SAPC has

860

02:02:08.880 --> 02:02:14.810

AUDIO VIDEO Main: Sens, ODR has Mist Fist, ODR Housing, ODR Interim Housing.

861

02:02:14.810 --> 02:02:22.770

AUDIO VIDEO Main: DMH has mental health court linkage. Is this trying to add new diversion programs, or is it trying to expand the existing ones we have?

862

02:02:22.820 --> 02:02:28.049

AUDIO VIDEO Main: So, it is a little bit of both. From JCOD perspective.

863

02:02:28.140 --> 02:02:35.560

AUDIO VIDEO Main: it encompasses a lot of the work that we're trying to do in the independent pretrial space. So it's...

864

02:02:36.400 --> 02:02:51.740

AUDIO VIDEO Main: the requests that we're getting to do more, right, even around conditional releases and some of the things, and everything that we do there requires some assistance, with services as well. So, the need to continue to do more diversion is also...

865

02:02:52.000 --> 02:03:05.510

AUDIO VIDEO Main: it needs expansion of the other services, so case management, housing, employment, all the other things that we do. We would be diverting folks to those things when folks are conditionally released.

866

02:03:05.510 --> 02:03:15.559

AUDIO VIDEO Main: bench officers expect that folks are diverted to something, and we would... we would use these dollars to expand those programs that are... that are already in place. So, is the focus

867

02:03:15.610 --> 02:03:27.440

AUDIO VIDEO Main: pre-trial conditional release, as opposed to official formal diversion, which is through the penal code that allows judges to divert people to a program.

868

02:03:27.550 --> 02:03:36.040

AUDIO VIDEO Main: So it's... it's really seeking to do both. So, pre-filing diversion, stop.

869

02:03:36.540 --> 02:03:51.769

AUDIO VIDEO Main: some of the other programs that we already have in place. And one of the areas that is growing, that we're seeking to get into space is workforce diversion. There was a comment earlier that there's some funding for workforce education that the state is trying to allocate, but it doesn't quite get us there.

870

02:03:51.770 --> 02:04:09.060

AUDIO VIDEO Main: And so, there's a... there's ongoing conversation with the courts and with our justice partners about how to make sure that there's an impactful amount of services in that space. So it would be both for the diversion cases, and then also all the pretrial work that we're doing as well.

871

02:04:09.800 --> 02:04:24.690

AUDIO VIDEO Main: Okay, I'm a little concerned about how vague this is, and I'm still kind of confused, because we have so many diversion programs that exist that need expansion, and I wanted... I would want to be sure that this isn't...

872

02:04:25.590 --> 02:04:43.590

AUDIO VIDEO Main: taking away from those, that it's actually fitting a need that isn't being met from those, as opposed to expanding the ones we already have. Like, I know RDP wants to expand, you know, ODR wants to expand, like, a lot of things that already exist want to expand, and economies of scale, you know, expansion of something that we already know works.

873

02:04:43.750 --> 02:04:46.039

AUDIO VIDEO Main: So maybe just, like, more detail of...

874

02:04:46.520 --> 02:04:52.780

AUDIO VIDEO Main: Are you trying to expand RDP and stop in this? Are you trying to add new things? Just a little...

875

02:04:53.060 --> 02:04:59.040

AUDIO VIDEO Main: So... so this is... this is a description that is old, that is pulled from...

876

02:04:59.230 --> 02:05:14.999

AUDIO VIDEO Main: from, I think, past either, like, TPA categories that are... that are in program description areas. Some of it is pulled also, as... as Chair Lewis mentioned, from the community survey, so we could do some refinement to this. I mean, we didn't... we didn't write this, right? So, like, this came from other places, but...

877

02:05:15.140 --> 02:05:26.680

AUDIO VIDEO Main: those are exactly the types of services that we would be seeking to expand, and exactly to your point, right, even the portfolio of things that are in the... like, the JCP portfolio, right? There's...

878

02:05:27.120 --> 02:05:37.780

AUDIO VIDEO Main: serious opportunity there to collaborate and coordinate with public defender, for example, right? And some of the things that they're asking for. And so, I think it's seeking to

879

02:05:37.960 --> 02:05:44.099

AUDIO VIDEO Main: catch all of that, right? Truthfully, but there's some specific areas where.

880

02:05:44.210 --> 02:05:51.890

AUDIO VIDEO Main: stop hasn't been discussed, right? It's something that JCD has put forward in their first year plan, and something that they are seeking to fund.

881

02:05:51.930 --> 02:06:10.130

AUDIO VIDEO Main: on an ongoing basis, we could use some one-time dollars specifically for STOP to make sure that we can continue that. And then, as you know, right, the pre-trial work that we've been seeking to do has been slow, to say the least. And so, is this an opportunity to be very specific about the things that we need so that we can

882

02:06:10.230 --> 02:06:25.300

AUDIO VIDEO Main: we can expand into those... into additional courts. Let me make this point a little bit more clear. Pettino, can I... do you mind... can I read the... so this is on the tab of JCOD suggested language that I have. I tried to blow up as big as possible on the screen.

883

02:06:25.360 --> 02:06:30.639

AUDIO VIDEO Main: Can I read this revised description that I got from Maleka yesterday, and then...

884

02:06:30.940 --> 02:06:43.389

AUDIO VIDEO Main: you can chime in if people have more questions. And I should say, Chair Lewis, that it's almost exactly the same, because we didn't want to adjust what your wording was from before, so it could be that... Okay, well, never mind, I have Infra Pattino, though, I don't... we got... we short on time, so...

885

02:06:43.390 --> 02:06:54.380

AUDIO VIDEO Main: Just to be clear, any kind of expansion in the independent pretrial space, anytime we move into space, anytime a bench officer asks us to work with them to do more conditional releases, it requires

886

02:06:54.380 --> 02:07:05.749

AUDIO VIDEO Main: that the portfolio of services be built out, whether that's JCOD services or any of our partners, frankly, because we need to make sure that there's something for those folks to be diverted to, or there's something waiting for them.

887

02:07:05.750 --> 02:07:13.510

AUDIO VIDEO Main: Right? If... if we're doing... if we're doing, any kind of, like, release in lieu of... of detention, right? So...

888

02:07:13.730 --> 02:07:34.390

AUDIO VIDEO Main: all of that has to happen commensurate with the court that's being expanded to. If we go to Norwalk, for example, we have to ensure that there's housing resources in the area. Or we work with the bench officer to determine what is the highest need service in the Norwalk area, or Norwalk Downey, or whatever the catchment area is. We have to have housing there, we have to have workforce programs there, all of those things.

889

02:07:34.390 --> 02:07:37.410

AUDIO VIDEO Main: Are being considered as we... as we build out these sites.

890

02:07:38.430 --> 02:07:57.440

AUDIO VIDEO Main: I'll end now. I just... I would feel more comfortable voting on something like this if it was laid out pre-trial services, supports, stop expansion, RDP expansion, because this, to me, I mean, this even mentions, like, crisis facilities, like, you know, there's a lot in here, and we're talking about, you know, \$11 million, not a ton of money, so...

891

02:07:57.600 --> 02:07:59.350

AUDIO VIDEO Main: Would like to know what it's going towards.

892

02:08:03.640 --> 02:08:12.940

AUDIO VIDEO Main: Okay, do you all have that list to offer up now? For, like, so I can type it and people can understand it? Is that possible, or something I can put the bullets and...

893

02:08:12.940 --> 02:08:27.950

AUDIO VIDEO Main: the committee can look at it? Is that possible? Like, literally just bullets to say, we're gonna pay for this, this, this, this, this, this, and that, so the committee can be informed. So somebody could type that up really quick. All right, so other comments on this one, or, any questions... so...

894

02:08:28.120 --> 02:08:32.220

AUDIO VIDEO Main: Or questions about the, Intermim Housing Plus, Member Gibson.

895

02:08:32.500 --> 02:08:34.790

AUDIO VIDEO Main: And then, Member Fisher, I'll come to you. Yeah.

896

02:08:35.150 --> 02:08:53.970

AUDIO VIDEO Main: this might be answered as JCOD goes and looks at the information, but I was kind of, you know, along the similar lines, just some clarity on if this is more about service connections or service delivery, and asking because, you know, it specifically references substance use and mental health services as well.

897

02:08:54.000 --> 02:08:59.999

AUDIO VIDEO Main: And just want to know how that would complement the existing systems that we currently have with the departments.

898

02:09:09.690 --> 02:09:13.529

AUDIO VIDEO Main: So, I apologize, I was... Can you ask the last part again for me?

899

02:09:14.650 --> 02:09:28.859

AUDIO VIDEO Main: Yeah, the short of it was just, if you are going to be providing services, wondering, particularly in the substance use and mental health space, how that would be complementary to other services that are being provided under the Medicaid program, as well, under mental health and substance use.

900

02:09:29.270 --> 02:09:37.940

AUDIO VIDEO Main: Yeah, I mean, it's the same way that we coordinate with your teams now. I think it would be ongoing referrals when those issues arise.

901

02:09:39.160 --> 02:09:46.800

AUDIO VIDEO Main: Did that answer your question? Yeah, so perhaps the beginning of the question is more about maybe service connections than versus direct service delivery. So it's both.

902

02:09:49.940 --> 02:09:51.579

AUDIO VIDEO Main: Okay, so the bullets...

903

02:09:51.950 --> 02:09:57.689

AUDIO VIDEO Main: All that. All that in the bullets. We need to see it all in the bullets. Okay. Member Fisher?

904

02:09:59.100 --> 02:10:05.120

AUDIO VIDEO Main: For the divergence strategy, I want to lift up prioritizing youth and young adults for these services.

905

02:10:05.160 --> 02:10:21.920

AUDIO VIDEO Main: Including transition-age youth. I know a lot of diversion programs have been mentioned, but they all focus on the adult population. DYD has a really robust youth diversion program, that is countywide and working with many different departments to get referrals to support youth.

906

02:10:21.920 --> 02:10:34.090

AUDIO VIDEO Main: funding community-based organizations, so I wanted to put that on the table as well, whether it's calling out, TAE population for JCOD's proposed program, or considering, DYD.

907

02:10:39.120 --> 02:10:48.980

AUDIO VIDEO Main: Thank you. Other thoughts as JCOD prepares... To give us more details?

908

02:10:50.850 --> 02:10:52.120

AUDIO VIDEO Main: Okay, any...

909

02:10:52.320 --> 02:11:06.320

AUDIO VIDEO Main: Member Blackwood, and then also I want to see if there's any questions. We could pivot to the ODR, Interim Housing Plus, while they're working on that. Member Blackwood? Yes, after hearing Member Bettino's description of ODR, I'm a lot more,

910

02:11:06.570 --> 02:11:15.910

AUDIO VIDEO Main: in support of what it could be, but because we're still kind of learning the potential, I just wanted to lift up that TPA

911

02:11:16.270 --> 02:11:21.869

AUDIO VIDEO Main: I feel like that program area is a little more aligned.

912

02:11:22.010 --> 02:11:37.609

AUDIO VIDEO Main: And it keeps CFCI funding kind of closer to our community-led purpose, right? When we read the description as listed for line 16, it's primarily community-based mental health, and I just want to...

913

02:11:37.730 --> 02:11:43.060

AUDIO VIDEO Main: you know, if I had to support something, I feel like maybe 60% in that area.

914

02:11:43.280 --> 02:11:46.899

AUDIO VIDEO Main: As we're exploring what ODR kind of entails.

915

02:11:47.240 --> 02:11:59.820

AUDIO VIDEO Main: Okay, and just for clarity, it's the flip. So JCOD is trying to determine what row 16 is, and then 17 is what Member Hong shared that's pretty prescribed. So does that... does that change your percentage?

916

02:12:00.700 --> 02:12:03.180

AUDIO VIDEO Main: flipped is... Okay.

917

02:12:03.400 --> 02:12:08.630

AUDIO VIDEO Main: So, I think... And Member Coats, I don't know if this is,

918

02:12:09.270 --> 02:12:21.160

AUDIO VIDEO Main: if this will be sufficient, but we can bullet out and kind of list the programs towards the end of the description. Something

like this would include programs, but not be limited to... Can we see the... can you pull it up? Sure.

919

02:12:21.570 --> 02:12:27.780

AUDIO VIDEO Main: The other thing that I want to flag here, and I know we're leaking into the other part of this conversation, the...

920

02:12:27.890 --> 02:12:31.660

AUDIO VIDEO Main: But just because the comment was made by Member Blackwood.

921

02:12:31.760 --> 02:12:39.819

AUDIO VIDEO Main: These specific programs, because they're so tightly linked to the court and our justice partners.

922

02:12:39.940 --> 02:12:54.170

AUDIO VIDEO Main: We have been, we've been administering these programs, and I would strongly recommend that the county continue to do so, because of the relationships that have had to be forged, and the difficulty that any community-based organization would have, and... and...

923

02:12:54.460 --> 02:13:13.229

AUDIO VIDEO Main: 85% of the dollars that we get goes to community. We keep an administrative portion for staffing, but the other 85% goes out in service contracts. I just want to be very, very clear about that, that almost all the money that we receive here doesn't pay for staff, it doesn't do those things.

924

02:13:13.300 --> 02:13:26.079

AUDIO VIDEO Main: it really does cover the contracts that we have with the community-based organizations who are providing the case management, the workforce development, the housing services, and all of the above. So I just want to make that really clear as we get into that discussion.

925

02:13:27.010 --> 02:13:28.330

AUDIO VIDEO Main: Are you gonna read the poets?

926

02:13:28.960 --> 02:13:31.849

AUDIO VIDEO Main: So, so, the first part of the question is if...

927

02:13:31.980 --> 02:13:34.779

AUDIO VIDEO Main: And I don't know, I think we're trying to frantically type it up, but...

928

02:13:34.900 --> 02:13:37.369

AUDIO VIDEO Main: But we would sort of add that

929

02:13:37.640 --> 02:13:40.730

AUDIO VIDEO Main: As an addition to the description as it reads now.

930

02:13:41.420 --> 02:13:42.959

AUDIO VIDEO Main: Also, I just want to thank

931

02:13:43.460 --> 02:13:45.330

AUDIO VIDEO Main: Oh, actually, I won't say that part.

932

02:13:46.850 --> 02:13:50.890

AUDIO VIDEO Main: Not to be... whatever, but... It's a slippery slope.

933

02:13:51.560 --> 02:13:52.560

AUDIO VIDEO Main: Okay.

934

02:13:54.770 --> 02:13:57.030

AUDIO VIDEO Main: Y'all ready to share your screen?

935

02:14:01.630 --> 02:14:20.170

AUDIO VIDEO Main: We're not. I'm working in real time, I'm thinking everybody's working in real time, too. Okay, so, Member Coats Express and Reddit, I mean, it sounds like there's a general... well, there will be a general appreciation for more detail, but you've provided, I think, a lot of input. Adam, do other... Member Pattino, do other folks have questions about...

936

02:14:20.350 --> 02:14:24.159

AUDIO VIDEO Main: This first, row 16, the mental health diversion.

937

02:14:25.260 --> 02:14:31.910

AUDIO VIDEO Main: Other folks want more clarity before I do my post check, and then we're gonna talk about percentages and,

938

02:14:32.010 --> 02:14:33.690

AUDIO VIDEO Main: Which ones stay or not?

939

02:14:34.110 --> 02:14:41.750

AUDIO VIDEO Main: No one had questions about the ODR one, so that... I'm gonna presume that means you all support that one. It's just a matter of the dollar amount. So...

940

02:14:42.010 --> 02:14:50.350

AUDIO VIDEO Main: Alright, put your... Please lift... Thumbs up.

941

02:14:50.480 --> 02:14:56.340

AUDIO VIDEO Main: If you, support both of these programs staying in this funding category... funding area?

942

02:14:59.280 --> 02:15:00.649

AUDIO VIDEO Main: Well, both of them.

943

02:15:01.010 --> 02:15:06.780

AUDIO VIDEO Main: 1, 2, 3, 4... 5, 6, 7, 8.

944

02:15:08.990 --> 02:15:10.030

AUDIO VIDEO Main: Okay.

945

02:15:10.990 --> 02:15:18.280

AUDIO VIDEO Main: Those of you who did not raise your hand, is it the mental health diversion that you don't support, or the other one?

946

02:15:18.560 --> 02:15:22.860

AUDIO VIDEO Main: waiting for the bullets. I'll... Okay.

947

02:15:23.000 --> 02:15:27.619

AUDIO VIDEO Main: So, I'm gonna... cause we're... we're doing really good on time, so I'm gonna...

948

02:15:31.290 --> 02:15:45.469

AUDIO VIDEO Main: No, just put it on the Word document. I'm putting it on a Word document, it's gonna take me a little time. I'm CFCI, I'm not the rest of JCOD, so I'm pulling up those bullet points as we speak, okay? You got 10 minutes, so can we... I could do it in 10 minutes, less. We have...

949

02:15:45.650 --> 02:15:58.729

AUDIO VIDEO Main: If I can direct your attention back to the screen, so let's do these two, right, and do some of the other work, because we need to make use of all of our time. So, because of the increase in the available underspan, we have 453

950

02:15:58.830 --> 02:16:09.310

AUDIO VIDEO Main: \$1,960 left for job training, and \$378,300 for youth, so I'm gonna,

951

02:16:11.370 --> 02:16:16.360

AUDIO VIDEO Main: I want to... let's start with the youth, right? So again, 378.

952

02:16:18.430 --> 02:16:19.690

AUDIO VIDEO Main: 300.

953

02:16:21.630 --> 02:16:25.219

AUDIO VIDEO Main: Do you all want to divide that across

954

02:16:25.380 --> 02:16:30.820

AUDIO VIDEO Main: these two existing programs. I, briefly,

955

02:16:30.910 --> 02:16:41.910

AUDIO VIDEO Main: did a chat with, Member Fisher because of what she said about youth diversion, was asking, since generally this group seems to support diversion, would \$378,000 do anything?

956

02:16:41.910 --> 02:16:52.709

AUDIO VIDEO Main: to expand the youth diversion, she said possibly one additional service provider to do youth diversion in the community as an option, to use that money for that. So thoughts about this?

957

02:16:57.459 --> 02:17:06.070

AUDIO VIDEO Main: member coats, I would support that. Okay. Well, Member Fisher, do... is that something... can the money be used to ex... to expand?

958

02:17:06.350 --> 02:17:18.540

AUDIO VIDEO Main: the youth diversion, even if it's by one additional community? Yes, it could, and we're in the middle of a work order solicitation now, so it's good timing, actually. Oh, so the ramp down... the ramp-up time would be short? Yes. Okay.

959

02:17:18.700 --> 02:17:31.149

AUDIO VIDEO Main: Do you all understand what I just said? Like, building off of the comment she just made about youth-focused diversion, the 378,300 could potentially be used to expand that, or to add to the existing pot.

960

02:17:32.270 --> 02:17:37.649

AUDIO VIDEO Main: Any questions about what I'm saying? Okay, thumbs up if you support that.

961

02:17:38.120 --> 02:17:41.869

AUDIO VIDEO Main: Member Eakin, sorry, I can't... Okay, I just want to be clear, so...

962

02:17:42.000 --> 02:17:54.439

AUDIO VIDEO Main: you would not add that language to the... the non... the previous one we just discussed, but you would create its own youth diversion program? At the top, in the... in the... yeah, in the... as a youth program.

963

02:17:54.629 --> 02:17:56.799

AUDIO VIDEO Main: In the, in the, in the,

964

02:17:57.090 --> 02:18:06.020

AUDIO VIDEO Main: funding area one for community-based youth programs. It's on its own area, okay. So there's currently two, we would add one more, if this committee agrees to that.

965

02:18:06.450 --> 02:18:08.529

AUDIO VIDEO Main: Okay. Thumbs up.

966

02:18:10.549 --> 02:18:13.059

AUDIO VIDEO Main: \$378,300.

967

02:18:13.160 --> 02:18:18.070

AUDIO VIDEO Main: Okay, 1, 2... 3, 4, 5, 6, 7, 8, 9...

968

02:18:19.580 --> 02:18:32.209

AUDIO VIDEO Main: Oh, you don't wanna... 13. 13? Okay. So, am I okay just to put a placeholder, and then we have to get... can you get a stuff description, Member Fisher, like, by tomorrow?

969

02:18:33.230 --> 02:18:34.000

AUDIO VIDEO Main: Yes.

970

02:18:34.209 --> 02:18:35.049

AUDIO VIDEO Main: Okay.

971

02:18:36.209 --> 02:18:40.590

AUDIO VIDEO Main: Okay, same question as I do that work for the,

972

02:18:43.059 --> 02:18:48.320

AUDIO VIDEO Main: For category, excuse me, for Funding Area 2, the job training and jobs to low-income residents.

973

02:18:48.510 --> 02:19:02.190

AUDIO VIDEO Main: 450... just shy of 454,000. Take a look and see if you just want to distribute, which I would support, just given all of the economics. If you want to split that across the existing programs, and I'm going to update the youth section.

974

02:19:08.680 --> 02:19:09.810

AUDIO VIDEO Main: And spy programs?

975

02:19:14.410 --> 02:19:15.700

AUDIO VIDEO Main: That was the 5.

976

02:19:24.860 --> 02:19:26.580

AUDIO VIDEO Main: Member Lewis? Care Lewis?

977

02:19:28.299 --> 02:19:42.660

AUDIO VIDEO Main: Yes, can I just offer that, the... the proposal around, HR1, it was, sort of a set dollar amount, so if that's to building into your considerations about distribution, so...

978

02:19:44.850 --> 02:19:53.399

AUDIO VIDEO Main: Oh, the 625. Okay, thank you. So, to add it to the other... thank you, four programs, thanks for lifting that up.

979

02:20:04.690 --> 02:20:08.140

AUDIO VIDEO Main: So feel free to make... I'm trying to, you know, I'm doing double duty.

980

02:20:08.290 --> 02:20:15.919

AUDIO VIDEO Main: Anybody got a proposal for how to distribute that money across the... if not, I'll make one in a second, I'm just trying to add to...

981

02:20:16.260 --> 02:20:17.909

AUDIO VIDEO Main: Do this in real time.

982

02:20:31.480 --> 02:20:35.940

AUDIO VIDEO Main: Okay... 378300.

983

02:20:43.930 --> 02:20:46.220

AUDIO VIDEO Main: Okay, nobody has any suggestions?

984

02:20:46.670 --> 02:20:51.450

AUDIO VIDEO Main: Y'all want me to do it? Okay, so there's 400 and..

985

02:20:52.460 --> 02:20:58.639

AUDIO VIDEO Main: 53, do you want to just divide it by 4 and add it to the... Remaining four programs?

986

02:21:01.000 --> 02:21:04.140

AUDIO VIDEO Main: Yes, can I see your thumbs, if you support that?

987

02:21:05.950 --> 02:21:13.719

AUDIO VIDEO Main: 1, 2, 3, 4, 5, 6, 7... 8, 9, 10, 11, 12.

988

02:21:13.950 --> 02:21:15.010

AUDIO VIDEO Main: Okay.

989

02:21:15.120 --> 02:21:17.260

AUDIO VIDEO Main: I'll do that math in a second.

990

02:21:17.540 --> 02:21:23.060

AUDIO VIDEO Main: Alright, the other thing we can do while JCOD... oh, you ready?

991

02:21:24.760 --> 02:21:34.629

AUDIO VIDEO Main: Okay. We have the programs listed out here, and we have some descriptions as well, but just so folks can see here, the specific things that Adam called out.

992

02:21:36.590 --> 02:21:39.180

AUDIO VIDEO Main: Can you guys make it a little bigger? Can you zoom in? Sure.

993

02:21:41.120 --> 02:21:44.269

AUDIO VIDEO Main: Man, a lot bigger. Yeah, there we go.

994

02:21:44.820 --> 02:21:46.269

AUDIO VIDEO Main: Is that better? Yes.

995

02:21:51.420 --> 02:21:58.130

AUDIO VIDEO Main: So, to clarify, these are existing programs, because this is one-time money, so we don't want to waste any time trying to do any kind of ramp-up or anything like that.

996

02:22:03.510 --> 02:22:05.319

AUDIO VIDEO Main: Okay, is somebody gonna walk through them?

997

02:22:06.930 --> 02:22:08.449

AUDIO VIDEO Main: Just brief descriptions?

998

02:22:10.490 --> 02:22:15.560

AUDIO VIDEO Main: I have to scrapped these, but... You already did it, but... Yeah, but...

999

02:22:15.680 --> 02:22:18.910

AUDIO VIDEO Main: I mean, does anybody have any questions about any of the...

1000

02:22:19.890 --> 02:22:39.299

AUDIO VIDEO Main: I have some descriptions at the... at the bottom, but, but not for some of the pre-filing. Again, I'm doing this, but it's also something that... interest of time, so, hold on just a second. You see the list. Does anybody want clarity or more information on any of the programs on the list?

1001

02:22:43.960 --> 02:22:47.259

AUDIO VIDEO Main: Okay, Member Bok Day, go... you all go ahead and go for it.

1002

02:22:47.390 --> 02:22:50.790

AUDIO VIDEO Main: Please use your mic so the folks online can hear you.

1003

02:22:51.330 --> 02:22:56.319

AUDIO VIDEO Main: Thank you. I'd like clarification on the sector workforce diversion.

1004

02:22:56.770 --> 02:22:57.669

AUDIO VIDEO Main: What is that?

1005

02:22:57.940 --> 02:22:59.520

AUDIO VIDEO Main: Sure,

1006

02:22:59.580 --> 02:23:13.789

AUDIO VIDEO Main: sector is our workforce training job placement program. Everyone gets a stipend along with some care management services associated with, with the workforce training. So it's not just a workforce development program, they're getting a stipend

1007

02:23:13.840 --> 02:23:21.519

AUDIO VIDEO Main: they're getting some... some care, and then we're... we're working to place them in 7 sectors, Joe? Is it up to 9? 7.

1008

02:23:21.580 --> 02:23:25.880

AUDIO VIDEO Main: 7 total different sectors. Construction,

1009

02:23:26.440 --> 02:23:28.679

AUDIO VIDEO Main: Lots of different things that we're doing.

1010

02:23:30.350 --> 02:23:31.040

AUDIO VIDEO Main: Thank you.

1011

02:23:32.850 --> 02:23:48.620

AUDIO VIDEO Main: Still. In the same vein, and guidance. I'm not... I'm not putting this in the document, but the coordination between that and also the workforce piece that we already added, a guidance of, like, 80% for this particular population.

1012

02:23:48.680 --> 02:23:59.559

AUDIO VIDEO Main: Like, just making sure that there is some synergy and flow from what you are doing to what we're already also talking about, guiding through the, the jobs piece.

1013

02:24:00.170 --> 02:24:09.360

AUDIO VIDEO Main: I mean... Absolutely, that is who we serve, right? Justice-impacted and vulnerable populations, transition-age youth, veterans, so... Absolutely.

1014

02:24:12.030 --> 02:24:14.350

AUDIO VIDEO Main: Other questions or clarification?

1015

02:24:16.230 --> 02:24:17.230

AUDIO VIDEO Main: Okay.

1016

02:24:18.170 --> 02:24:23.590

AUDIO VIDEO Main: Please put your thumbs up if you would support funding the mental health diversion.

1017

02:24:24.560 --> 02:24:33.109

AUDIO VIDEO Main: I think it's broader than that, but whatever the... right now it shows us mental health diversion programs in the, non-custodial

1018

02:24:33.220 --> 02:24:35.770

AUDIO VIDEO Main: Programs, funding area, please put your thumbs up.

1019

02:24:36.850 --> 02:24:44.400

AUDIO VIDEO Main: 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11. Is your thumb up?

1020

02:24:45.330 --> 02:24:46.340

AUDIO VIDEO Main: 12.

1021

02:24:46.490 --> 02:24:59.020

AUDIO VIDEO Main: And I don't... I don't know if I got you, Member Eakins? Yes, you should have. Okay. So, well, I'm saying, I think you may be 13. Okay, so can we talk about distribution, then? I'll... you all will send me the language so we can update it, right?

1022

02:24:59.900 --> 02:25:04.700

AUDIO VIDEO Main: Okay. Can we talk about distribution? So, I think there were some ideas earlier.

1023

02:25:09.240 --> 02:25:14.580

AUDIO VIDEO Main: You can't say it, but... You could, but...

1024

02:25:15.040 --> 02:25:18.040

AUDIO VIDEO Main: Okay, so, thank you. Member Blackwood?

1025

02:25:19.130 --> 02:25:28.720

AUDIO VIDEO Main: Yeah, thank you for getting me correct on the switch. So, 60-40, I'm... if I'm saying it correctly, I'm... I'm looking at,

1026

02:25:28.840 --> 02:25:35.899

AUDIO VIDEO Main: 64... Mental Health Diversion, 40 for diversion interim.

1027

02:25:37.700 --> 02:25:38.820

AUDIO VIDEO Main: Okay.

1028

02:25:39.740 --> 02:25:41.379

AUDIO VIDEO Main: How many of you support that?

1029

02:25:42.250 --> 02:25:44.650

AUDIO VIDEO Main: Show of thumbs. I see there's other...

1030

02:25:44.900 --> 02:25:47.810

AUDIO VIDEO Main: Okay, there's not a lot of support for that.

1031

02:25:47.910 --> 02:25:50.850

AUDIO VIDEO Main: Alright, member codes.

1032

02:25:51.500 --> 02:25:53.789

AUDIO VIDEO Main: I'm gonna propose a 50-50 split.

1033

02:25:54.550 --> 02:25:59.159

AUDIO VIDEO Main: Okay. Pulse check. Put your thumbs up if you support 50-50.

1034

02:26:01.590 --> 02:26:10.649

AUDIO VIDEO Main: Between the two. I mean, I would, you know, housing is more expensive, y'all, but... 1, 2, 3, 4, 5, 6, 7, 8.

1035

02:26:11.190 --> 02:26:12.290

AUDIO VIDEO Main: Okay.

1036

02:26:13.870 --> 02:26:16.390

AUDIO VIDEO Main: Okay, what about 60-40 the other way?

1037

02:26:17.020 --> 02:26:23.550

AUDIO VIDEO Main: So, 60% to the interim housing plus, 40% to the Dela Diversion. Thumbs up for that.

1038

02:26:24.260 --> 02:26:30.230

AUDIO VIDEO Main: 1, 2, 3, 4, 5, 6... 7, 8, 9.

1039

02:26:33.240 --> 02:26:34.310

AUDIO VIDEO Main: You'll go kit.

1040

02:26:34.760 --> 02:26:36.280

AUDIO VIDEO Main: Is that the highest number?

1041

02:26:38.900 --> 02:26:40.859

AUDIO VIDEO Main: Did I get the most?

1042

02:26:44.510 --> 02:26:50.249

AUDIO VIDEO Main: Okay, any objection to that? Did anybody want to voice and share a different perspective?

1043

02:26:51.100 --> 02:26:53.740

AUDIO VIDEO Main: Okay. Can somebody give me that number?

1044

02:26:58.750 --> 02:27:03.800

AUDIO VIDEO Main: What's the total allocation? 11612790.

1045

02:27:04.590 --> 02:27:07.660

AUDIO VIDEO Main: 11-612-790? Yes.

1046

02:27:08.120 --> 02:27:09.899

AUDIO VIDEO Main: Okay, so 40%?

1047

02:27:18.230 --> 02:27:19.669

AUDIO VIDEO Main: Guess what, John?

1048

02:27:20.510 --> 02:27:40.410

AUDIO VIDEO Main: all of the money is allocated. We still have to take a formal vote, but that's a major feat. So let's, let's see if we can do this in 10 minutes. Some of these are obvious, and then definitely want to leave time for public comment. Who should administer the grant? The rest of this stuff we could fill in. I think we're pretty clear. So...

1049

02:27:40.590 --> 02:27:50.330

AUDIO VIDEO Main: Some of them are obvious, so we're gonna go through. I think we can do it in 10 minutes or less, but congratulations! Let's take a pause. We've been working on this for 9 months!

1050

02:27:51.140 --> 02:28:10.129

AUDIO VIDEO Main: Thanks to all the support from JCOD, from Jack, and the CEO folks, more recently from JC, like, man, we still gotta vote, but this is a major accomplishment. Remember still? I could say this after the vote, but thanks for your leadership and also the coordination of all this stuff.

1051

02:28:10.130 --> 02:28:12.070

AUDIO VIDEO Main: Because this is a... this was definitely a lift.

1052

02:28:12.070 --> 02:28:17.029

AUDIO VIDEO Main: For sure. So, thank you and the leaders for... Calling my unpaid job, yes.

1053

02:28:18.040 --> 02:28:21.489

AUDIO VIDEO Main: Appreciate that. Alright, let's do it. So I'm going back to row 2.

1054

02:28:21.670 --> 02:28:26.320

AUDIO VIDEO Main: Which is... so we're doing the youth, funding area first.

1055

02:28:26.720 --> 02:28:33.159

AUDIO VIDEO Main: For the youth, career, and education programs, I believe that,

1056

02:28:35.580 --> 02:28:43.160

AUDIO VIDEO Main: There was a couple... there was some discussion points around, should it be the county or TPA? Open to your thoughts here.

1057

02:28:43.890 --> 02:28:53.189

AUDIO VIDEO Main: It may have been Member Lobianco that said something about this one, I think, but... It's a quick question. Yes. Can you name, the TPAs again that we have?

1058

02:28:53.370 --> 02:28:57.680

AUDIO VIDEO Main: Well, for this round, who... we... they have... they're procuring it.

1059

02:28:57.820 --> 02:29:05.759

AUDIO VIDEO Main: Right, so... I apologize, Chairless. So we'll need to procure and get the dollars out. We have 4 TPAs currently.

1060

02:29:05.960 --> 02:29:07.130

AUDIO VIDEO Main: Amity?

1061

02:29:07.550 --> 02:29:08.780

AUDIO VIDEO Main: United Way.

1062

02:29:09.030 --> 02:29:10.120

AUDIO VIDEO Main: Paluna Health.

1063

02:29:10.820 --> 02:29:12.950

AUDIO VIDEO Main: Community partners. Community partners.

1064

02:29:13.420 --> 02:29:23.419

AUDIO VIDEO Main: Got them, Joey. Sorry. Sorry, Member Williams. So, it may be them, or it may not be them. It may be them, it may not be them. And just... just note, I, I will... I will...

1065

02:29:23.570 --> 02:29:30.649

AUDIO VIDEO Main: I will state that we will seek to do this as quickly as possible, and we'll seek consultation from you all about how we do it.

1066

02:29:31.040 --> 02:29:37.629

AUDIO VIDEO Main: So it's Amity Community Partners... Use your mic for me, Member Williams? Oh, yeah. Amity Community Partners...

1067

02:29:38.990 --> 02:29:42.220

AUDIO VIDEO Main: Halluna. Halluna? And United Way. United Way.

1068

02:29:42.840 --> 02:29:51.939

AUDIO VIDEO Main: But they're gonna do procurement, so those four are welcome to apply, but it may not be them. Is that clear? So it may or may not be them.

1069

02:29:53.330 --> 02:29:56.440

AUDIO VIDEO Main: Did you... your TIN card... I can't... man.

1070

02:29:56.920 --> 02:29:58.119

AUDIO VIDEO Main: Did you have a comment?

1071

02:29:59.400 --> 02:30:02.589

AUDIO VIDEO Main: Yeah, your 10 card is up. Did you have a comment? Yes.

1072

02:30:02.840 --> 02:30:06.259

AUDIO VIDEO Main: Sorry, and I can't see your name. Remember Shayk? Yes, got it.

1073

02:30:06.620 --> 02:30:08.830

AUDIO VIDEO Main: Just on the... Please use the mic.

1074

02:30:12.390 --> 02:30:29.969

AUDIO VIDEO Main: Please put the mic... Sorry. I'm so not used to using a mic. Sorry. The... on the... I think my, Kelly Lobianco raised this on the youth workforce development programs, this is row 2, we actually have, just to... for the committee.

1075

02:30:30.010 --> 02:30:34.049

AUDIO VIDEO Main: We, as a department, released, an...

1076

02:30:34.130 --> 02:30:51.259

AUDIO VIDEO Main: we have a TPA who released an RFA, and we have about... basically, we have a vehicle that runs, what we call the High Road Training Partnerships Program, and it essentially has funded at least 20 different grantees, community-based organizations, who probably have applied through the TPA as well for funding here.

1077

02:30:51.260 --> 02:30:58.010

AUDIO VIDEO Main: And overall, we've been able to service about, I think we've got 631 hires, enrolled about

1078

02:30:58.010 --> 02:31:05.070

AUDIO VIDEO Main: 2,500 participants, and most of those folks have actually gone into training programs that... with a job at the end of it. So...

1079

02:31:05.070 --> 02:31:21.810

AUDIO VIDEO Main: We'd be happy to continue using that vehicle as a way to get them. So, for anybody that may not know, MemberSheck is representing the Department of Economic Opportunity, DEO. So, thumbs up if you support DEO, given that DEO passes the money through their own TPA, and it still goes to the community, it sounds like, primarily.

1080

02:31:21.810 --> 02:31:26.460

AUDIO VIDEO Main: Thumbs up if you support the Department of Economic Opportunity or DEO.

1081

02:31:26.470 --> 02:31:30.879

AUDIO VIDEO Main: Being the grant administrator for these funds, please put your thumbs up.

1082

02:31:32.160 --> 02:31:32.900

AUDIO VIDEO Main: Yee.

1083

02:31:33.910 --> 02:31:43.889

AUDIO VIDEO Main: Row... no, 5 million... 5.9 million. 1, 2, 3, 4, 5, 6... 7, 8. 9.

1084

02:31:45.040 --> 02:31:45.920

AUDIO VIDEO Main: Yeah.

1085

02:31:46.070 --> 02:31:46.950

AUDIO VIDEO Main: I can...

1086

02:31:50.160 --> 02:32:04.050

AUDIO VIDEO Main: No, we... we're... we've moved on to... we're... we're looking at the full amount, so it's \$5.9 million for that program, if you look at the, the legal size. Okay, that was 9, that's... how many people are here?

1087

02:32:04.150 --> 02:32:05.040

AUDIO VIDEO Main: Right now?

1088

02:32:07.610 --> 02:32:11.099

AUDIO VIDEO Main: Okay, I'm sorry, I could have counted, I thought you knew, I'm sorry, I could have counted.

1089

02:32:11.510 --> 02:32:14.050

AUDIO VIDEO Main: 17. 18. 18?

1090

02:32:14.680 --> 02:32:17.560

AUDIO VIDEO Main: Whoa. I'm a kind of voting... voting member.

1091

02:32:20.000 --> 02:32:21.550

AUDIO VIDEO Main: 18, including you, Chair.

1092

02:32:22.010 --> 02:32:25.080

AUDIO VIDEO Main: Oh, yeah. Okay, so 9 is exactly half...

1093

02:32:25.540 --> 02:32:30.719

AUDIO VIDEO Main: How many of you would be adamantly opposed to DEO administering these dollars? Put your thumbs up.

1094

02:32:31.320 --> 02:32:36.680

AUDIO VIDEO Main: I put my phone... Previously? Okay.

1095

02:32:36.790 --> 02:32:40.290

AUDIO VIDEO Main: I'm gonna put DE out and keep going, okay? Alright.

1096

02:32:40.330 --> 02:32:57.240

AUDIO VIDEO Main: The next line is... I think it's already established that we have DYD here because of the nature of this program, and I think we

added this last two weeks ago in relation to what DYD is already doing.
Does anybody have any objections or com- or comments they want to make?

1097

02:32:59.500 --> 02:33:00.490

AUDIO VIDEO Main: Okay.

1098

02:33:00.700 --> 02:33:05.059

AUDIO VIDEO Main: And then, obviously, we added... we just added the
\$378,000.

1099

02:33:05.270 --> 02:33:12.449

AUDIO VIDEO Main: For those of you looking at printouts, that's not going
to be on there, because we just added it for the youth diversion, and
that's DYD as well, so I'm gonna keep going.

1100

02:33:12.560 --> 02:33:15.030

AUDIO VIDEO Main: So moving on to,

1101

02:33:15.490 --> 02:33:22.400

AUDIO VIDEO Main: Funding Area 2, the Job Readiness Training Program for
Adults, 1.1 million.

1102

02:33:23.420 --> 02:33:28.599

AUDIO VIDEO Main: Is this TPA, or is this DEO?

1103

02:33:31.640 --> 02:33:33.709

AUDIO VIDEO Main: Member Steeleger, do you have a comment?

1104

02:33:34.210 --> 02:33:35.090

AUDIO VIDEO Main: Okay.

1105

02:33:36.280 --> 02:33:54.709

AUDIO VIDEO Main: Yeah, just the same comment. We've used previous
allocations from this category in the same program, High Road Training
Partnerships, and we have additional round of applications going out
there. And it goes out to community-based organizations? Okay.
Everything, yeah. Anybody opposed to this going to DYD? And I'm not... I'm
going fast, but I'm not rushing you. Like, please feel free to make a
comment, right?

1106

02:33:54.710 --> 02:33:59.210

AUDIO VIDEO Main: Member Williams? I got a comment. Considering this is
going to veterans.

1107

02:33:59.210 --> 02:34:01.179

AUDIO VIDEO Main: Would it make sense to include...

1108

02:34:01.520 --> 02:34:04.410

AUDIO VIDEO Main: Isn't this the number line 5?

1109

02:34:04.520 --> 02:34:16.650

AUDIO VIDEO Main: Yes. Yeah, it talks about the populations, all some allocations for veterans. Would it make sense that the Department for Veterans is involved in this, or TPAs that are working with the veterans?

1110

02:34:18.520 --> 02:34:31.659

AUDIO VIDEO Main: Okay, I mean, could you... do you all currently work with CBOs that work with veterans? When we release our applications, we ask for priority populations, so people who apply, or organizations that apply.

1111

02:34:31.890 --> 02:34:33.660

AUDIO VIDEO Main: They have to serve that population.

1112

02:34:33.950 --> 02:34:37.439

AUDIO VIDEO Main: So, we can put a line in here, Member Williams, about...

1113

02:34:37.920 --> 02:34:45.100

AUDIO VIDEO Main: you know, at least, some allocation going to veteran serving organizations. How is that? Yeah, that works. Is that satisfy? Yeah. Okay.

1114

02:34:45.210 --> 02:34:49.819

AUDIO VIDEO Main: I'mma write that down so I can keep going, but I promise you I'll put it in there. Alright.

1115

02:34:50.640 --> 02:34:56.260

AUDIO VIDEO Main: All right, any, any other comment, any objections or any concerns about this going to, DEO?

1116

02:34:58.030 --> 02:35:00.290

AUDIO VIDEO Main: Alright, I'm moving on to line 6.

1117

02:35:00.420 --> 02:35:05.069

AUDIO VIDEO Main: The Transitional Subsidized Employment Co-Investment Model,

1118
02:35:07.020 --> 02:35:12.630
AUDIO VIDEO Main: It's programmed for, right now, well, placeholder, it says TPA.

1119
02:35:12.760 --> 02:35:15.930
AUDIO VIDEO Main: Any comments or concerns about that?

1120
02:35:18.990 --> 02:35:23.240
AUDIO VIDEO Main: The same thing as the one above it, because it talks about veterans as well. I don't know if it's a typo.

1121
02:35:23.350 --> 02:35:31.209
AUDIO VIDEO Main: But, same. I think it might be... I think it's supposed to just be all adults. Okay. Yeah, it says it twice. So...

1122
02:35:32.140 --> 02:35:34.860
AUDIO VIDEO Main: Okay.

1123
02:35:35.360 --> 02:35:38.879
AUDIO VIDEO Main: It's also listed in the program description on the last line.

1124
02:35:40.030 --> 02:35:41.100
AUDIO VIDEO Main: Member Williams?

1125
02:35:41.240 --> 02:35:47.579
AUDIO VIDEO Main: Remember, for line 6? If you look in the last paragraph that starts priorities should be given. It lists out the

1126
02:35:47.760 --> 02:35:55.349
AUDIO VIDEO Main: Yeah. Oh, youth veterans and other populations face a significant... so just vulnerable populations, though. Same thing as 5, if we can. Okay.

1127
02:35:59.000 --> 02:35:59.860
AUDIO VIDEO Main: Okay.

1128
02:36:01.750 --> 02:36:19.459
AUDIO VIDEO Main: All right, and then the next line for 6... the line 7, related to the, expanding the pool of employers, in particular in relation to HR1 impacts, 625, that's a DPSS program, so... or it makes sense, given DPSS's role, for it to go through them. Any objections to that?

1129

02:36:22.620 --> 02:36:23.600

AUDIO VIDEO Main: Okay?

1130

02:36:24.630 --> 02:36:28.720

AUDIO VIDEO Main: This last one is really big, so I'm gonna change my view.

1131

02:36:29.000 --> 02:36:34.330

AUDIO VIDEO Main: So, row 8.

1132

02:36:35.340 --> 02:36:52.909

AUDIO VIDEO Main: the reentry programming for underserved populations, it's a JCOD program, you all can read the details there. This is the one where I changed... I adjusted the language based on the Prop 209 advice from Council, but it's still TGI-focused programming. That's what this one is.

1133

02:36:53.880 --> 02:36:55.719

AUDIO VIDEO Main: Okay, any objection?

1134

02:36:55.940 --> 02:36:57.920

AUDIO VIDEO Main: For this going through JCOD?

1135

02:36:58.140 --> 02:37:00.620

AUDIO VIDEO Main: To be given to community partners.

1136

02:37:02.640 --> 02:37:03.650

AUDIO VIDEO Main: Okay.

1137

02:37:04.620 --> 02:37:09.519

AUDIO VIDEO Main: Same, the final one under this category of workforce development is,

1138

02:37:10.720 --> 02:37:19.829

AUDIO VIDEO Main: the, American Indian Alaska Native focus job and other comprehensive services, so that's through the TPA.

1139

02:37:20.740 --> 02:37:22.500

AUDIO VIDEO Main: Any objections to that?

1140

02:37:24.380 --> 02:37:25.370

AUDIO VIDEO Main: Okay.

1141

02:37:25.910 --> 02:37:29.350

AUDIO VIDEO Main: Moving on to the housing funding area.

1142

02:37:29.560 --> 02:37:43.289

AUDIO VIDEO Main: So, this first one, again, is related to the DPSS program, so I think you all were okay with that. I'm gonna keep going. This rental assistance breaking barriers one currently goes through JCOD. Any objection to that? I mean, it's just an expansion of the existing program.

1143

02:37:44.360 --> 02:37:59.380

AUDIO VIDEO Main: I'm going through because I don't want to make any assumptions, y'all, y'all. I just want to... okay, and then, the DCBA program would be a continuation of that one as well. I think you guys are okay with that from that discussion. All right, moving on to the next... the next... Chair Lewis.

1144

02:37:59.390 --> 02:38:07.559

AUDIO VIDEO Main: Speaking on the DCBA program. Talk a little bit more in the mic. Sorry, on the spirit of CFCI for the DCBA program? Yes.

1145

02:38:07.560 --> 02:38:19.810

AUDIO VIDEO Main: We do think that there is value in a hybrid model. Okay. So, we have existing county infrastructure, obviously, for that. That could be expanded, but we do think that perhaps a TPA could also provide

1146

02:38:19.810 --> 02:38:35.389

AUDIO VIDEO Main: another avenue for community-based organizations, so we'd support that. Do you have a suggestion about the split? Because we would want to probably give that recommendation to the CEO's office. I believe that the updated amount was about 4.8, so I think a 50-50 split could work.

1147

02:38:36.500 --> 02:38:40.470

AUDIO VIDEO Main: I don't think there will be objections to that, but any objections to that?

1148

02:38:41.130 --> 02:38:46.409

AUDIO VIDEO Main: Okay, I'mma make that note, I'll put that in here. I'll put that in the body,

1149

02:38:48.810 --> 02:38:50.709

AUDIO VIDEO Main: But I'll just put the slash.

1150

02:39:02.200 --> 02:39:04.729

AUDIO VIDEO Main: Okay, and I added to the bot. Thank you for that.

1151

02:39:05.060 --> 02:39:10.579

AUDIO VIDEO Main: Alright, so the access to capital for small, minority-owned businesses, row 13.

1152

02:39:10.860 --> 02:39:13.490

AUDIO VIDEO Main: we had TPA or DEO,

1153

02:39:16.580 --> 02:39:25.020

AUDIO VIDEO Main: thoughts about this one? Definitely want this as much... we want this as accessible as possible, but... remember, Shaik?

1154

02:39:25.400 --> 02:39:36.489

AUDIO VIDEO Main: put this thing down. So, we're happy to split between TPA and us. We do have a vehicle to get this money out pretty quickly. It's the Commercial Acquisition Fund. Basically, it talks about the affordability, makes it

1155

02:39:36.630 --> 02:39:40.340

AUDIO VIDEO Main: Easy for businesses, particularly in over-policed communities.

1156

02:39:40.470 --> 02:39:55.210

AUDIO VIDEO Main: to buy abandoned and vacant properties and turn them into commercial use, and we tie covenants to it to make sure that, they remain affordable, and then if there's a fair chance component to it, we'd love that as well. But happy to split and get the resources out as soon as possible.

1157

02:39:55.460 --> 02:40:04.850

AUDIO VIDEO Main: Thank you for sharing that, Member Williams. Also, I was going to propose a split DEO and TPA. Is it 50-50, or is it a different... I say 50-50. Member Shaik?

1158

02:40:05.180 --> 02:40:06.690

AUDIO VIDEO Main: Any thoughts about that?

1159

02:40:08.080 --> 02:40:09.989

AUDIO VIDEO Main: Any other comments about that?

1160

02:40:10.870 --> 02:40:11.720

AUDIO VIDEO Main: Okay.

1161

02:40:16.460 --> 02:40:17.270

AUDIO VIDEO Main: Okay.

1162

02:40:18.870 --> 02:40:23.350

AUDIO VIDEO Main: I'm gonna change this to Ann, because I do need this part to... because we have to vote, so...

1163

02:40:25.780 --> 02:40:40.760

AUDIO VIDEO Main: Okay, and then, we're almost over the finish line, and then we'll take public comment and vote. Moving on to community-based health, so for this Culturally Responsive Health Wellness Program, TPA, I think that's appropriate. Any objections to that?

1164

02:40:42.930 --> 02:40:51.049

AUDIO VIDEO Main: Okay, and then the, Represent LA, it's a DCBA program, so unless there's objections, we'll leave it as that.

1165

02:40:53.730 --> 02:41:02.159

AUDIO VIDEO Main: We already voted on the road 16 allocation going to JCD, so that's...

1166

02:41:02.370 --> 02:41:11.340

AUDIO VIDEO Main: JCD and respective county departments, just to recognize that the money eventually goes to them. And then, moving on to row 17, to the non-custodial.

1167

02:41:11.640 --> 02:41:15.130

AUDIO VIDEO Main: And reentry programs, and so,

1168

02:41:16.430 --> 02:41:30.260

AUDIO VIDEO Main: Currently it has the TPA and JCOD, is that... can you speak to that a little bit? Yeah, I would strongly recommend that it come to JCOD, because these are programs that are already in existence, it's one-time funding, there's no lapse in service, we go.

1169

02:41:30.510 --> 02:41:31.410

AUDIO VIDEO Main: Okay.

1170

02:41:31.510 --> 02:41:39.000

AUDIO VIDEO Main: Any of... I mean, that makes sense, and I think it's commonly known that JCOD gets the money out to the community. So, any objections to that?

1171

02:41:39.690 --> 02:41:40.900

AUDIO VIDEO Main: Or comments?

1172

02:41:41.160 --> 02:41:43.920

AUDIO VIDEO Main: Quick comment. Yes.

1173

02:41:44.880 --> 02:41:50.060

AUDIO VIDEO Main: Yeah, I support that, but also want to know, I know on the topics we talked about before, relationships between

1174

02:41:50.060 --> 02:42:08.409

AUDIO VIDEO Main: courts and county and JCOD, I just hate for, like, those relationships and things to get stagnant, because there's so much that depend... or people depend on to be able to be released, and to be free, and to be out in the community that it becomes like a type of gatekeeper type thing, but how are we also ushering in these other,

1175

02:42:08.410 --> 02:42:19.879

AUDIO VIDEO Main: community orgs to build the relationships with the courts and the judges to be able to be, and that also benefits JCOT, because it helps you do your job well. So I just wanted to lift that up, but I'm supportive of that.

1176

02:42:21.230 --> 02:42:22.530

AUDIO VIDEO Main: Thank you.

1177

02:42:22.980 --> 02:42:27.859

AUDIO VIDEO Main: Chair Lewis, we just had a comment from CEO.

1178

02:42:29.840 --> 02:42:48.059

AUDIO VIDEO Main: just a small clarification, because of rounding in the total dollar available, the set-aside was listed as 26,700 on your spreadsheet, but because it's actually 26668, there is a \$32,000 overage in the total figure. I just wanted to plug that in, so...

1179

02:42:48.090 --> 02:42:52.840

AUDIO VIDEO Main: Wherever you'd like to shave that off from. JCODS. JCOD's admin.

1180

02:42:53.070 --> 02:43:00.850

AUDIO VIDEO Main: No. I'm looking... I thought you understood why I was looking at you, remember, Pettino?

1181

02:43:01.900 --> 02:43:03.060

AUDIO VIDEO Main: 32,000.

1182

02:43:03.450 --> 02:43:21.450

AUDIO VIDEO Main: Sure. JCOD's admin. We'll take it from there. Yes. The one thing I also want to flag, thank you, Jack, is that these numbers are going to eventually have to be rounded to the thousands, so there may be a variation. I just... we didn't... it would be way too much to try to do that in here, but everybody understands, CEOs ask for them to be rounded to the thousands, so...

1183

02:43:22.430 --> 02:43:25.749

AUDIO VIDEO Main: They'll... they'll vary a little bit. Everybody clear? Okay.

1184

02:43:26.010 --> 02:43:29.220

AUDIO VIDEO Main: All right, chair Lewis, I have a question.

1185

02:43:30.610 --> 02:43:43.480

AUDIO VIDEO Main: Yes. The programs that are listed for one-time suggested funding by CEO on this... on the end of the packet, can they be considered as part of this process? Like, just like we did with DCBAs? Or...

1186

02:43:43.700 --> 02:43:47.699

AUDIO VIDEO Main: Can they be rolled over into the next round of allocations?

1187

02:43:48.100 --> 02:43:53.670

AUDIO VIDEO Main: As we were thinking through some of the priority listings here. And we...

1188

02:43:54.960 --> 02:43:58.190

AUDIO VIDEO Main: So... Everything can potentially be considered for round 7.

1189

02:43:58.820 --> 02:44:00.689

AUDIO VIDEO Main: And the Round 7 timeline is...

1190

02:44:02.240 --> 02:44:14.229

AUDIO VIDEO Main: we start that... we start that next month. We have to get our spending recommendations to CEO by January, because the programs are affected July 1st. So, the ones listed at the end of this packet could be considered as part of that round?

1191

02:44:14.310 --> 02:44:24.389

AUDIO VIDEO Main: Just for clarification on process. Nothing is excluded from consideration for Round 1. I'm not trying to be ambiguous, but literally, I mean round 7. Nothing is excluded from consideration from Round 7.

1192

02:44:26.230 --> 02:44:34.390

AUDIO VIDEO Main: Thank you for asking that. I think it's clear that everybody understands that. All right, so where were we? We're almost done, y'all. Where were we? Row 17?

1193

02:44:35.070 --> 02:44:36.909

AUDIO VIDEO Main: Row nec... row 18.

1194

02:44:37.080 --> 02:44:42.189

AUDIO VIDEO Main: This is ODR, I don't... What happened to this number?

1195

02:44:42.400 --> 02:44:48.100

AUDIO VIDEO Main: So I... I don't think there's any objections. It's DHS ODR, right?

1196

02:44:48.610 --> 02:44:49.750

AUDIO VIDEO Main: Okay.

1197

02:44:49.930 --> 02:44:57.739

AUDIO VIDEO Main: All right, y'all, and obviously the JCOD admin goes to JCOD. We're gonna... we'll make the number adjustments based on what Jeff just shared.

1198

02:44:58.810 --> 02:45:07.400

AUDIO VIDEO Main: Wow. We haven't voted yet, but I'm sure we'll have an affirmative vote, but congratulations. Alright, let's hear from the public.

1199

02:45:07.870 --> 02:45:20.259

AUDIO VIDEO Main: And I'm gonna need about at least 10 more minutes, if you all are able to spare it, because I need to keep quorum to take the vote. Before we go to public comment, I just want to thank you, Chair Lewis, for your organization and your leadership to get us through this as quickly as we have. Excellent.

1200

02:45:21.040 --> 02:45:22.489

AUDIO VIDEO Main: Thank you for that.

1201

02:45:23.100 --> 02:45:26.859

AUDIO VIDEO Main: It is a labor of love indeed. All right, let's go to public comment.

1202

02:45:39.340 --> 02:45:50.399

AUDIO VIDEO Main: We will now open the general public comment period. As a reminder, the public comment period is 1 minute per person. Telephone users, please dial star 9 to raise your hand, and...

1203

02:45:52.170 --> 02:45:57.750

AUDIO VIDEO Main: and star 6 to unmute yourself. Computer and smartphone users locate

1204

02:45:57.850 --> 02:46:07.559

AUDIO VIDEO Main: Your raise hand feature to be placed in the queue. General public comment is limited to the matters within the subject jurisdiction of the CFCI Advisory Committee.

1205

02:46:13.320 --> 02:46:17.530

AUDIO VIDEO Main: Please go ahead and state your first and last name for the record. You have one minute to speak.

1206

02:46:19.650 --> 02:46:22.890

AUDIO VIDEO Main: My name is Nicholas Siamis, and ladies and gentlemen, good evening.

1207

02:46:23.220 --> 02:46:26.919

AUDIO VIDEO Main: I'm here today as a participant of Breaking Barriers by Bruno Corners.

1208

02:46:27.000 --> 02:46:36.620

AUDIO VIDEO Main: And as somebody who knows firsthand what it feels like to come home and have to rebuild your life from the ground up. I spent over 17 years of my life incarcerated, throughout 9 different prison terms.

1209

02:46:36.640 --> 02:46:49.179

AUDIO VIDEO Main: I experienced homelessness, addiction, and years of going in and out of the system. When I finally came home, I didn't have

some perfect plan waiting for me. I needed stability, I needed somewhere safe to live so I could actually have a chance to do something different.

1210

02:46:49.180 --> 02:47:02.739

AUDIO VIDEO Main: Breaking barriers and breaking corners gave me that chance. Housing gave me somewhere to plant my feet. It gave me the opportunity to focus on recovery, go back to school, become a rising scholar, graduate... a graduate from the UCLA Bruin Underground Scholars Ambassador Program.

1211

02:47:02.820 --> 02:47:05.490

AUDIO VIDEO Main: become involved with the Youth Law Center, and create

1212

02:47:05.560 --> 02:47:15.340

AUDIO VIDEO Main: Co-Direct The Struggle Is Real, a documentary focused on the real challenges people face after incarceration, and what it takes to rebuild a life. I'm standing here because this program is working.

1213

02:47:15.340 --> 02:47:29.529

AUDIO VIDEO Main: When we talk about funding breaking barriers, we're not talking about paying somebody's rent. We're talking about giving somebody coming home a real chance to stay out, recover, get educated, find employment, rebuild relationships, become a leader, and get back to their community. I'm living proof

1214

02:47:29.530 --> 02:47:48.399

AUDIO VIDEO Main: of what can happen when somebody gets that opportunity. The best highlight I can give is the reunification with my 72-year-old son, who stays with me 3 or 4 days out the week for school and weekends, if he chooses to. Please continue funding breaking barriers, because there is another man or woman coming home right now who deserves the same chance I received. Thank you. Thank you. Thank you.

1215

02:47:55.210 --> 02:47:56.379

AUDIO VIDEO Main: Please, go ahead.

1216

02:47:56.850 --> 02:48:16.619

AUDIO VIDEO Main: Good evening, Chair and members of the committee. My name is Danielle Beal, and I serve as the Director of Case Management at Brilliant Corners, overseeing programs and services that support housing stability and successful community reintegration, including the Breaking Barriers program, led by my team, in partnership with our amazingly supportive funders at JCOD.

1217

02:48:17.150 --> 02:48:28.509

AUDIO VIDEO Main: One of the clearest lessons from our work is that housing is the foundation for successful reentry. Without stable housing, it is significantly more difficult for people to engage in services, secure employment.

1218

02:48:28.670 --> 02:48:36.750

AUDIO VIDEO Main: and reconnect with their families and communities. Through breaking barriers, we have seen how housing coupled with supportive services

1219

02:48:37.430 --> 02:48:52.939

AUDIO VIDEO Main: Creates meaningful opportunities for long-term stability and reduces the risk of homelessness and future system involvement. We appreciate the committee's support to continue to fund this important work, and we really appreciate you all coming out to the east side of the county, so thank you.

1220

02:49:00.730 --> 02:49:19.440

AUDIO VIDEO Main: Good evening, my name is Joe, I'm the Division Director of Workforce and Housing at the Justice Care and Opportunities Department. I just wanted to quickly go back to the RDP \$6 million and adjacent board motion that we could use that instead of ongoing funds to do a one-time funding over 3 years to launch programming in about 3 new courthouses.

1221

02:49:19.440 --> 02:49:22.359

AUDIO VIDEO Main: I know that you asked a question about the diversion.

1222

02:49:22.360 --> 02:49:38.579

AUDIO VIDEO Main: aspect of the last one, and it would also include informal diversion, not just ones tied to penal codes for the workforce, emergency housing, reentry interim housing, everything that we listed up there. And then, in general, just want to thank you for, voting to continue funding JCOD programs. Thank you.

1223

02:49:43.890 --> 02:49:45.400

AUDIO VIDEO Main: We have two... oh.

1224

02:49:46.100 --> 02:49:47.109

AUDIO VIDEO Main: Go ahead, sir.

1225

02:49:50.880 --> 02:50:00.639

AUDIO VIDEO Main: Good evening, ladies and gentlemen. My name is Fernando Reyes. I'm Chief Officer of Operations with the Children's Collective, Inc. We've been serving children, youth, and families in LA since 1972.

1226

02:50:00.900 --> 02:50:06.280

AUDIO VIDEO Main: Since April, we've been implementing the The Food Access and Resilience

1227

02:50:06.540 --> 02:50:21.409

AUDIO VIDEO Main: Food Access Investing and Resilience Program, and thanks to your commitment, we've been able to serve and distribute over 1,300 bags of produce, and distribute nearly 15,000 pounds of fresh produce to our community, especially in Super Rosario District Number 2.

1228

02:50:21.640 --> 02:50:26.429

AUDIO VIDEO Main: We continue to see firsthand, however, the struggles, that families face.

1229

02:50:26.730 --> 02:50:30.009

AUDIO VIDEO Main: with, excuse me, with affordable health, with,

1230

02:50:30.080 --> 02:50:48.800

AUDIO VIDEO Main: Facing rising costs of basic needs, like housing, utilities, transportation, and childcare. FAIR allows us to address these immediate... excuse me, these immediate food insecurities and justice-impacted communities, while connecting families to much-needed resources that can support their other needs. We respectfully ask CFCI to continue

1231

02:50:48.880 --> 02:50:50.740

AUDIO VIDEO Main: Investing in a fair social justice impact.

1232

02:50:50.740 --> 02:50:51.570

Audio shared by Kassy Angel, JCOD (she/her): It's an issue.

1233

02:50:51.680 --> 02:50:52.210

Audio shared by Kassy Angel, JCOD (she/her): Thank you.

1234

02:50:52.210 --> 02:50:55.360

AUDIO VIDEO Main: to have access to healthy food and resources. Thank you.

1235

02:50:59.590 --> 02:51:01.819

AUDIO VIDEO Main: There are 3 hands raised online.

1236

02:51:02.340 --> 02:51:08.880

AUDIO VIDEO Main: Kristina Meza, you've been unmuted. Please state your first and last name for the record. You have 60 seconds to speak.

1237

02:51:09.170 --> 02:51:23.099

Kristina Meza: Hi, Kristina Meza with the Poverty Alleviation Initiative, here to speak on a project we're working on with the Department of Public Social Services, the General Relief Guaranteed Income Program, and just wanted to offer more information and insight on data.

1238

02:51:23.100 --> 02:51:42.239

Kristina Meza: We have 115,000 general relief recipients every single month on our caseload, of which more than half have already touched our justice system before they actually enroll in the program. 36% of those will touch our justice system in the year that they enroll, and 73% are actively experiencing homelessness.

1239

02:51:42.270 --> 02:52:01.760

Kristina Meza: And so this proposal really, frames economic justice for the 32% Black African American men that are on our caseload and the 27% Hispanic-Latino men. So really, looking forward to launching an expansion of the program that includes this population and me. Thank you.

1240

02:52:09.730 --> 02:52:15.390

AUDIO VIDEO Main: The next hand raised is Byron Jose. Please state your first and last name for the record. You have 60 seconds to speak.

1241

02:52:16.180 --> 02:52:28.990

Byron | TransLatin@ Coalition: Thank you, this is Byron Jose, Constituency 1. Thank you, Chair, and the whole committee for all your work, and your long hours of labor of love. Doesn't take away how hard you've been, even if it's

1242

02:52:28.990 --> 02:52:39.980

Byron | TransLatin@ Coalition: written in deep love. In the spirit of Meza J, it's interesting that Rep LA was squeezed under a community safety, category, especially when

1243

02:52:40.310 --> 02:52:46.960

Byron | TransLatin@ Coalition: community violence intervention programs wasn't. That is not to speak on the merits, or the importance, or the...

1244

02:52:47.090 --> 02:53:01.970

Byron | TransLatin@ Coalition: urgency of that program, but the board should be leveraging all of its funds, NCC and otherwise, a response to federal enforcement. Similarly, in the same way that it was uplifted for Black and Indigenous communities in the...

1245

02:53:02.460 --> 02:53:27.220

Byron | TransLatin@ Coalition: and the workforce development and the small business program, we want to make sure that that money doesn't go to pay off for the small businesses because of lineage, not that the communities in East Dela don't deserve it, but again, the county should be looking at NCC and not just the pressure, limited Metro J dollars. Similarly, for the Emergency Renter Relief Program, we want to make sure that there's a very specific focus for vulnerable populations, specifically folks impacted by our systems, such as Black, Indigenous.

1246

02:53:27.220 --> 02:53:34.769

Byron | TransLatin@ Coalition: and as well as aging and TGI communities, so as we expand the rental relief program, we'll look at what is being rolled out. Thank you.

1247

02:53:37.120 --> 02:53:43.549

AUDIO VIDEO Main: Last hand raised is Anthony Martinez. You have 60 seconds to speak. Please state your first and last name for the record.

1248

02:53:45.240 --> 02:53:56.289

Anthony Martinez: Good evening, members of the ADVISORA community. My name is Anthony Martinez. I am the Program Coordinator for the FAIR program at the Children's Collective Incorporated, serving communities in the LACounties 2nd District.

1249

02:53:56.510 --> 02:54:10.499

Anthony Martinez: We want to thank the community for its investment in the FAIR program. Because of this support, we have been able to bring fresh, healthy food and essential resources into justice-impacted communities, including Rancho Dominguez, Vermont, Manchester, and Florence Firestone.

1250

02:54:10.700 --> 02:54:23.779

Anthony Martinez: However, it's more than providing food. Youth distribution is an opportunity to build trust and connect community members to CareFresh. Housing, healthcare, employment services, and other resources that address the broader needs affecting their well-being.

1251

02:54:23.920 --> 02:54:43.709

Anthony Martinez: We see firsthand that when we meet people where they are and provide multiple resources in one place, we can create stronger pathways. The need continues to grow, and we respectfully ask for continued investment into FAIR so organizations like ours can continue reducing food insecurity, connecting residents to critical resources, and strengthening trust with impacted communities across LA County.

1252

02:54:43.780 --> 02:54:45.629

Anthony Martinez: Thank you for your continued support.

1253

02:54:49.600 --> 02:54:51.860

AUDIO VIDEO Main: That concludes the public comment period online.

1254

02:54:52.540 --> 02:55:07.830

AUDIO VIDEO Main: Thank you so much. And so, I've made the updates around including veteran serving organizations and the job readiness ones. I've added 50% distribution between county departments and TPAs for those two that do CPA and, DEO,

1255

02:55:07.950 --> 02:55:11.469

AUDIO VIDEO Main: agreed to split the dollars for, and so I would like to move

1256

02:55:11.570 --> 02:55:24.080

AUDIO VIDEO Main: That, we adopt the funding recommendations and allocations for program areas, as well as the grant administrator assignments, as shown on the screen in the shared document that many of you are looking at.

1257

02:55:26.120 --> 02:55:27.769

AUDIO VIDEO Main: I'll second it.

1258

02:55:30.080 --> 02:55:31.520

AUDIO VIDEO Main: I will second it.

1259

02:55:31.780 --> 02:55:36.710

AUDIO VIDEO Main: Thank you. Any other comments or questions before we call for the vote?

1260

02:55:39.200 --> 02:55:51.400

AUDIO VIDEO Main: Question... oh, yes, sorry, we have to... yeah. I'm about to do the recusal stuff in a minute. Is that what you were about to ask? Okay. All right, so is there anybody that needs to... because,

1261

02:55:51.560 --> 02:55:58.250

AUDIO VIDEO Main: JCOD is working on the sectioning, hopefully we can just do it in two votes. Please raise your hand if you need to recuse yourself for the vote.

1262

02:55:59.660 --> 02:56:01.040

AUDIO VIDEO Main: one...

1263

02:56:01.260 --> 02:56:09.770

AUDIO VIDEO Main: 2... 3... 1, 2, 3, 4, 5, 6, 7, 8, 9. So, do we need to do 3 votes?

1264

02:56:15.800 --> 02:56:21.050

AUDIO VIDEO Main: It's recuse or abstain, right? Is that what you're asking? Because last time I abstained.

1265

02:56:21.730 --> 02:56:29.799

AUDIO VIDEO Main: Yeah, I mean, I'll put the conflict of interest language on the screen again, and you all can make that determination.

1266

02:56:30.080 --> 02:56:32.429

AUDIO VIDEO Main: Where is it?

1267

02:56:32.800 --> 02:56:35.540

AUDIO VIDEO Main: Here, there we go.

1268

02:56:38.320 --> 02:56:41.820

AUDIO VIDEO Main: Three votes is a... seems like a good... good call.

1269

02:56:42.820 --> 02:56:52.320

AUDIO VIDEO Main: Just flagging that Council came by to let me know that we should also name explicitly the recusal wording, and not just the abstainment wording.

1270

02:56:53.750 --> 02:56:55.570

AUDIO VIDEO Main: I don't know what that means.

1271

02:56:56.480 --> 02:57:06.990

AUDIO VIDEO Main: So, recuse yourself, meaning you step out of the room, you don't participate in the discussion, even if there's an appearance of impropriety, you might want to leave.

1272

02:57:08.030 --> 02:57:14.470

AUDIO VIDEO Main: So, I think that the language that I saw seemed a little bit more permissive than,

1273

02:57:14.710 --> 02:57:25.670

AUDIO VIDEO Main: I advised earlier? Well, yeah, we had an extensive discussion two weeks ago, and people made the decisions based on the discussion. So, for right now, just, do you have any guidance around

1274

02:57:25.790 --> 02:57:41.539

AUDIO VIDEO Main: Because people... I asked about recruiters, people made the decision to stay in the discussion, so we're just talking about voting right now. So did you... is there something you wanted to add? It sounds like most people understand they need to recuse themselves, so there was just one question around if their department is listed here.

1275

02:57:41.950 --> 02:57:46.689

AUDIO VIDEO Main: Can they abstain, or should they recuse? I think that's what you were asking, right? That's the question.

1276

02:57:46.800 --> 02:57:51.450

AUDIO VIDEO Main: If you feel like there's a possibility, then you should recuse yourself, yes. Okay.

1277

02:57:51.630 --> 02:58:07.620

AUDIO VIDEO Main: But I believe that the guidance from last time was that departments would just need to abstain and not necessarily recuse. Okay. We've already had the hands raised for people that think they need to recuse. Are you already with the list of the sectioning so we could do the three votes?

1278

02:58:10.870 --> 02:58:14.189

AUDIO VIDEO Main: We'll need to take a look at the spreadsheet and do this in real time.

1279

02:58:19.080 --> 02:58:24.620

AUDIO VIDEO Main: For the first... 3 rows, potentially?

1280

02:58:26.570 --> 02:58:34.169

AUDIO VIDEO Main: There's only three of you that have multiple, so JCOD has multiple.

1281

02:58:34.360 --> 02:58:41.680

AUDIO VIDEO Main: JCOD doesn't vote. Okay. DYD has multiple, and DEO. Nobody else has multiples.

1282

02:58:42.740 --> 02:58:46.739

AUDIO VIDEO Main: I know, I'm saying who has multiple ones, so it should be fairly simple.

1283

02:58:48.630 --> 02:59:04.329

AUDIO VIDEO Main: So, to make this as easy as possible, doing this in 3... 6 months? So we could do 3 funding categories at a time, or 4 funding

categories at a time, that just may be the easiest way to separate this out. So, if we were to do the first...

1284

02:59:04.920 --> 02:59:08.470

AUDIO VIDEO Main: 3 categories, or four categories at once.

1285

02:59:09.530 --> 02:59:16.700

AUDIO VIDEO Main: That would mean that... We would have DEO, DYD?

1286

02:59:19.460 --> 02:59:21.200

AUDIO VIDEO Main: VPF tests?

1287

02:59:22.640 --> 02:59:24.340

AUDIO VIDEO Main: and DCBA.

1288

02:59:27.260 --> 02:59:33.410

AUDIO VIDEO Main: DEO, DYD, DPSS, and DCBA would need to abstain from the vote.

1289

02:59:35.070 --> 02:59:37.849

AUDIO VIDEO Main: She's gonna recuse herself as well.

1290

02:59:38.070 --> 02:59:49.109

AUDIO VIDEO Main: So, how many people... that's 5. How many people are still here? And how many voting members do we have online? I believe I'm also seeing some hands raised that they may recuse themselves.

1291

02:59:50.280 --> 02:59:54.090

AUDIO VIDEO Main: Who all would be recusing themselves for youth development?

1292

02:59:54.470 --> 03:00:02.139

AUDIO VIDEO Main: job development, housing, and access to capital for small businesses. How many recusals are there?

1293

03:00:02.670 --> 03:00:08.799

AUDIO VIDEO Main: 1, 2, 3, 4, 5, 6, 7. So, we have to have a smaller pot.

1294

03:00:09.090 --> 03:00:15.030

AUDIO VIDEO Main: Yes, that's right. Okay. So, if we do the first few rows.

1295

03:00:15.450 --> 03:00:22.280

AUDIO VIDEO Main: or the first few categories, and not that last category, that removes only DCBA.

1296

03:00:24.610 --> 03:00:26.779

AUDIO VIDEO Main: Dtss.

1297

03:00:27.170 --> 03:00:30.799

AUDIO VIDEO Main: And, that we would need quorum in the room.

1298

03:00:31.060 --> 03:00:36.410

AUDIO VIDEO Main: And, if we did... right, because if there's...

1299

03:00:36.640 --> 03:00:41.670

AUDIO VIDEO Main: a couple more folks in the room, we would be able to take this vote. So, so that...

1300

03:00:41.840 --> 03:00:45.400

AUDIO VIDEO Main: Might mean that we need just to...

1301

03:00:46.910 --> 03:01:01.300

AUDIO VIDEO Main: We can only do two categories at once. You want me to do six votes? I don't think we need to do six votes. So let me just try this one time. How many of you have to recuse yourself for the first two? Because I think we're pretty good after that, just for the first two. I think a lot of people have to, yeah.

1302

03:01:01.580 --> 03:01:02.460

AUDIO VIDEO Main: Alright.

1303

03:01:02.950 --> 03:01:13.370

AUDIO VIDEO Main: But after that... okay, so maybe we can do those two, and then after that, maybe... I think we have enough, maybe, to do the rest of the slate? Is that possible? Yes, I think that might be right. Okay.

1304

03:01:14.370 --> 03:01:19.520

AUDIO VIDEO Main: Alright, so if you need to recuse yourself for youth development, please do so at this time.

1305

03:01:22.170 --> 03:01:28.209

AUDIO VIDEO Main: Yeah. How many people are left? 12?

1306

03:01:28.800 --> 03:01:39.839

AUDIO VIDEO Main: Sorry. So it's both? Okay. So... No, just, just Youth Development. DEO is the first one. DEO and DYD are listed in Youth Development.

1307

03:01:40.490 --> 03:01:41.360

AUDIO VIDEO Main: Okay.

1308

03:01:42.360 --> 03:01:51.519

AUDIO VIDEO Main: How many people are left? Just the first one. Five, six? No, just the yellow one. 7, 8, 9, 10. We have quorum in the room for this vote.

1309

03:01:51.770 --> 03:01:58.070

AUDIO VIDEO Main: with those recusals. So, they'll have to do a... we'll have to do a different motion then, is that correct, or does it...

1310

03:01:58.340 --> 03:02:17.350

AUDIO VIDEO Main: Yes, we would need to do a different motion. So I'm going to rescind the previous motion, and we're gonna take the spending plan by program areas. Okay, so I move to approve the funding allocations and grant administration, assignments for funding area one, community-based youth development programs.

1311

03:02:17.440 --> 03:02:20.300

AUDIO VIDEO Main: Is there a second? Second. Thank you.

1312

03:02:20.680 --> 03:02:22.010

AUDIO VIDEO Main: Let's call the vote.

1313

03:02:24.040 --> 03:02:28.890

AUDIO VIDEO Main: Before we call to vote, there are 15 folks in the room, maintaining quorum.

1314

03:02:34.500 --> 03:02:42.899

AUDIO VIDEO Main: We will now conduct a vote for the motion to approve the funding allocation and grant assignment for community-based youth programs.

1315

03:02:45.130 --> 03:02:56.149

AUDIO VIDEO Main: Members who have conflict of interest must recuse themselves from the vote. Members who are unsure if there are conflict of interest or believe there is a potential conflict of interest should consider abstaining.

1316

03:03:00.050 --> 03:03:04.789

AUDIO VIDEO Main: When I call on your name, please indicate your vote of either yes, no, or abstain.

1317

03:03:09.790 --> 03:03:11.790

AUDIO VIDEO Main: Remember Bhatti or alternate?

1318

03:03:13.180 --> 03:03:15.910

AUDIO VIDEO Main: Member Blackwood? Abstain.

1319

03:03:16.900 --> 03:03:19.789

AUDIO VIDEO Main: Member Carbajal or Alternet? Aye.

1320

03:03:20.560 --> 03:03:21.870

AUDIO VIDEO Main: Remember Carol?

1321

03:03:23.400 --> 03:03:25.160

AUDIO VIDEO Main: Remember Carol or Alternate?

1322

03:03:26.770 --> 03:03:28.280

AUDIO VIDEO Main: Member Castillo?

1323

03:03:32.940 --> 03:03:34.500

AUDIO VIDEO Main: Member Castillo?

1324

03:03:34.500 --> 03:03:35.020

Megan Castillo: Bye.

1325

03:03:36.720 --> 03:03:38.880

AUDIO VIDEO Main: Remember Cecilia Clark, our alternate?

1326

03:03:38.990 --> 03:03:39.960

1327

03:03:40.350 --> 03:03:47.400

AUDIO VIDEO Main: Member Contreras or alternate? Alternate aye. Member Crocker alternate? Alternate, aye.

AUDIO VIDEO Main: Member Eakins? Aye.

1330

03:03:53.270 --> 03:03:55.839

AUDIO VIDEO Main: Member for Andes, Miranda? Aye.

1331

03:03:56.930 --> 03:03:58.960

AUDIO VIDEO Main: Member Garcia or alternate?

1332

03:04:00.480 --> 03:04:08.640

AUDIO VIDEO Main: I'm gonna... I'm gonna abstain. Okay. Member Garcia, alternate, abstain.

1333

03:04:08.970 --> 03:04:11.330

AUDIO VIDEO Main: Michelle Gibson, or alternate?

1334

03:04:11.490 --> 03:04:12.370

AUDIO VIDEO Main: Aye.

1335

03:04:12.900 --> 03:04:14.900

AUDIO VIDEO Main: Remember Hendricks or alternate?

1336

03:04:18.100 --> 03:04:18.900

AUDIO VIDEO Main: Shiloh.

1337

03:04:20.870 --> 03:04:22.190

AUDIO VIDEO Main: Member Hong?

1338

03:04:23.340 --> 03:04:24.740

AUDIO VIDEO Main: Member Jackson?

1339

03:04:26.350 --> 03:04:28.150

AUDIO VIDEO Main: Member Knight or alternate?

1340

03:04:30.460 --> 03:04:32.230

AUDIO VIDEO Main: Chair Lewis? Aye.

1341

03:04:32.460 --> 03:04:34.540

AUDIO VIDEO Main: Remember Lobianco or Alternate?

1342

03:04:36.360 --> 03:04:38.330

AUDIO VIDEO Main: Member Miller or alternate?

1343

03:04:38.700 --> 03:04:39.590

AUDIO VIDEO Main: Yes.

1344

03:04:40.160 --> 03:04:42.100

AUDIO VIDEO Main: Remember Soto or Alternate?

1345

03:04:43.050 --> 03:04:44.460

AUDIO VIDEO Main: Member Steele?

1346

03:04:44.930 --> 03:04:47.110

AUDIO VIDEO Main: Member Williams? Aye.

1347

03:04:47.420 --> 03:04:50.010

AUDIO VIDEO Main: Remember Lisa Wong or alternate? Aye.

1348

03:04:52.240 --> 03:04:54.419

AUDIO VIDEO Main: Motion passes with 14 votes.

1349

03:04:55.280 --> 03:04:57.530

AUDIO VIDEO Main: Thank you. Can someone from the JCOD team?

1350

03:04:57.870 --> 03:05:03.490

AUDIO VIDEO Main: Let the folks that recuse themselves know. Okay, does somebody else want to move for the next slide?

1351

03:05:03.740 --> 03:05:10.360

AUDIO VIDEO Main: Somebody else want to put a motion on the table? And then after that, I think we could do the rest together. I think we'll have enough people, right?

1352

03:05:10.580 --> 03:05:22.000

AUDIO VIDEO Main: Somebody want to put a motion forward? Is that just for the job trainings? Yes, because I think we have to do that one separate. Yeah, I'll make a motion that we approve, the section for job training.

1353

03:05:22.650 --> 03:05:24.130

AUDIO VIDEO Main: Do I need to add anything else?

1354

03:05:26.240 --> 03:05:27.010

AUDIO VIDEO Main: Okay.

1355

03:05:27.710 --> 03:05:33.550

AUDIO VIDEO Main: Okay. If you need to recuse yourself for the funding area.

1356

03:05:33.650 --> 03:05:37.649

AUDIO VIDEO Main: Job training, are there any other program areas, please do so at this time.

1357

03:05:38.420 --> 03:05:44.900

AUDIO VIDEO Main: This would include... It's just a purple one. DEO, DPSS...

1358

03:05:52.260 --> 03:05:55.449

AUDIO VIDEO Main: Member Fuentes Miranda has also recused herself for the record.

1359

03:05:55.690 --> 03:06:09.869

AUDIO VIDEO Main: Thank you. And Member Steele was... and he... you all know that he recused himself for the first one, right? Yes, we have that. Thank you. Okay. We have one more. Okay, anybody else need to recuse themselves for the job training funding area, or program areas?

1360

03:06:10.580 --> 03:06:17.389

AUDIO VIDEO Main: Okay, let's call the vote, please. I don't think we need to repeat the conflict of interest language, let's just get to the roll, please.

1361

03:06:33.560 --> 03:06:36.739

AUDIO VIDEO Main: We will now conduct a vote for the motion to...

1362

03:06:37.960 --> 03:06:41.589

AUDIO VIDEO Main: Approve the funding allocations for drop training.

1363

03:06:43.140 --> 03:06:46.369

AUDIO VIDEO Main: Funding allocation and grant assignments for job training.

1364

03:06:48.360 --> 03:06:51.199

AUDIO VIDEO Main: When I call on your name, please either

1365

03:06:52.660 --> 03:06:55.979

AUDIO VIDEO Main: Indicate your vote of either yes, no, or abstain.

1366
03:07:03.380 --> 03:07:04.910
AUDIO VIDEO Main: Member Battie?

1367
03:07:07.560 --> 03:07:10.200
AUDIO VIDEO Main: Member Blackwood? Abstain.

1368
03:07:11.210 --> 03:07:14.040
AUDIO VIDEO Main: Member Carbajal or alternate? Aye.

1369
03:07:14.580 --> 03:07:17.739
AUDIO VIDEO Main: Member Carol or Alternate? Aye.

1370
03:07:18.720 --> 03:07:21.010
AUDIO VIDEO Main: Member Castillo or alternate?

1371
03:07:21.290 --> 03:07:22.250
Megan Castillo: Hi.

1372
03:07:24.240 --> 03:07:26.549
AUDIO VIDEO Main: Member Cecilia Clark, our alternate?

1373
03:07:26.660 --> 03:07:27.650
AUDIO VIDEO Main: Aye.

1374
03:07:29.350 --> 03:07:31.570
AUDIO VIDEO Main: Member Contreras or alternate?

1375
03:07:34.920 --> 03:07:36.759
AUDIO VIDEO Main: Remember Crocker Alternate?

1376
03:07:37.030 --> 03:07:38.280
AUDIO VIDEO Main: Alternate I.

1377
03:07:38.980 --> 03:07:41.510
AUDIO VIDEO Main: Member Cyrus-Franklin? Aye.

1378
03:07:42.630 --> 03:07:44.120
AUDIO VIDEO Main: Member Eakins?

1379
03:07:44.300 --> 03:07:45.100

AUDIO VIDEO Main: Aye.

1380

03:07:47.320 --> 03:07:49.220

AUDIO VIDEO Main: Member Fuentes Miranda?

1381

03:07:51.110 --> 03:07:53.500

AUDIO VIDEO Main: Member Garcia or alternate?

1382

03:07:53.880 --> 03:07:55.430

AUDIO VIDEO Main: Alternate aye.

1383

03:07:57.110 --> 03:07:59.819

AUDIO VIDEO Main: Member Gibson or alternate? Aye.

1384

03:08:01.070 --> 03:08:03.159

AUDIO VIDEO Main: Remember Hendricks or alternate?

1385

03:08:07.350 --> 03:08:10.279

AUDIO VIDEO Main: Remember Hong or Alternate? That's MSI.

1386

03:08:11.340 --> 03:08:12.750

AUDIO VIDEO Main: Member Jackson?

1387

03:08:15.880 --> 03:08:17.780

AUDIO VIDEO Main: Member Knight or alternate?

1388

03:08:19.080 --> 03:08:21.060

AUDIO VIDEO Main: Chair Lewis? Aye.

1389

03:08:21.410 --> 03:08:23.710

AUDIO VIDEO Main: Remember Lobianco or alternate?

1390

03:08:25.340 --> 03:08:27.560

AUDIO VIDEO Main: Member Miller, our alternate?

1391

03:08:30.250 --> 03:08:32.270

AUDIO VIDEO Main: Remember Soto or alternate?

1392

03:08:33.990 --> 03:08:35.360

AUDIO VIDEO Main: Member Steele?

1393

03:08:37.480 --> 03:08:38.410

AUDIO VIDEO Main: Aye.

1394

03:08:39.190 --> 03:08:40.650

AUDIO VIDEO Main: Member Williams?

1395

03:08:41.130 --> 03:08:41.880

AUDIO VIDEO Main: Hi.

1396

03:08:42.970 --> 03:08:45.300

AUDIO VIDEO Main: Member Wong or Alternate? Aye.

1397

03:08:46.920 --> 03:08:49.660

AUDIO VIDEO Main: Motion passes with 14 votes, thank you.

1398

03:08:50.260 --> 03:08:51.570

AUDIO VIDEO Main: Thank you.

1399

03:08:53.090 --> 03:08:57.990

AUDIO VIDEO Main: Based on my quick glance, I think we'll have enough people to do the remaining four categories, is that correct?

1400

03:08:58.790 --> 03:08:59.880

AUDIO VIDEO Main: Together?

1401

03:09:01.530 --> 03:09:14.729

AUDIO VIDEO Main: If... with the JCIT, allocation, did we already vote for JCIT? Yeah, that's not one of the four. That's not one of the four. Then, it would be DEO, DCBA...

1402

03:09:16.550 --> 03:09:17.950

AUDIO VIDEO Main: and DHS.

1403

03:09:18.580 --> 03:09:29.220

AUDIO VIDEO Main: Unless folks choose to recuse themselves for some other reason, those would be the only... We've had some folks that abstained, I think, that are with dotted lines, right? That's right. So, okay, is everybody back in?

1404

03:09:29.980 --> 03:09:30.910

AUDIO VIDEO Main: Okay.

1405

03:09:32.230 --> 03:09:43.889

AUDIO VIDEO Main: Alright, so... I'll move that... We approve the funding allocations and grant administrator assignments for the rental assistance.

1406

03:09:44.340 --> 03:09:54.439

AUDIO VIDEO Main: Access to capital for small minority businesses, community-based health, and non-custodial diversion and reentry program, funding areas.

1407

03:09:55.530 --> 03:09:59.770

AUDIO VIDEO Main: I second. Oh. Okay. They're seconded.

1408

03:09:59.910 --> 03:10:03.289

AUDIO VIDEO Main: If you need to recuse yourself, please do so at this time.

1409

03:10:06.420 --> 03:10:08.009

AUDIO VIDEO Main: Do we have enough people?

1410

03:10:09.630 --> 03:10:13.619

1411

03:10:15.780 --> 03:10:18.390

AUDIO VIDEO Main: I... but DPSS doesn't need to recuse himself.

1412

03:10:18.580 --> 03:10:19.680

AUDIO VIDEO Main: Member Blanchett?

1413

03:10:22.970 --> 03:10:24.760

1415

03:10:26.660 --> 03:10:31.880

1420

03:10:51.400 --> 03:10:55.750

AUDIO VIDEO Main: Then we have to do one more separate category, and then we could do the other ones together. That's right.

1429

03:11:27.290 --> 03:11:33.369

AUDIO VIDEO Main: We have to separate it out. In the green section, we just have DPSS and DCBA.

1430

03:11:34.640 --> 03:11:35.930

AUDIO VIDEO Main: Bring Clemons back.

1431

03:11:36.120 --> 03:11:43.360

AUDIO VIDEO Main: Okay, we're good. Let me forget to vote. Okay, is there anybody else outside that needs to vote that can vote?
