Summary Corrective Action Plan

The intent of this form is to assist departments in writing a corrective action plan summary for attachment to the settlement documents developed for the Board of Supervisors and/or the County of Los Angeles Claims Board. The summary should be a specific overview of the claims/lawsuits' identified root causes and corrective actions (status, time frame, and responsible party). This summary does not replace the Corrective Action Plan form. If there is a question related to confidentiality, please consult County Counsel.

Date of incident/event:	July 28, 2012
Briefly provide a description of the incident/event:	A 78 year old woman alleges she was injured when she tripped on the edge of the concrete pad in the picnic area at Castaic Lake when she stood up from the picnic table.

1. Briefly describe the root cause(s) of the claim/lawsuit:

The distance between the edge of the concrete pad and the picnic table made it difficult to walk between the edge of the concrete pad and picnic table without coming into close proximity to the edge of the concrete pad.

2. Briefly describe recommended corrective actions:

(Include each corrective action, due date, responsible party, and any disciplinary actions if appropriate)

All picnic tables at Castaic Lake that have a similar distance to the edge of their respective concrete pads as the table and concrete pad where the incident occurred have been scheduled to be removed to provide more clearance.

An investigation was conducted and no administrative violations were found; however, a memo will be sent out reminding employees to obtain the necessary approval for construction projects. In the event that modifications or construction to the original design needs to be made; copies of the original design will be kept in perpetuity at the Department of Public Works Building and Safety in both hardcopy and microfiche copy, and a hardcopy will be kept in perpetuity in the Department's Planning and Development section and Regional headquarters for easy access so as to ensure any modifications comply with the original design.

3. State if the corrective actions are applicable to only your department or other County departments: (If unsure, please contact the Chief Executive Office Risk Management for assistance)

- ☒ Does not appear to have County-wide or other department implications.
- ☐ Potentially has an implication to other departments (i.e., all human services, all safety departments, or one or more other departments).
- ☐ Potentially has County-wide implications.

Date of incident/event:	November 26, 2014
Briefly provide a description of the incident/event:	<p>Incident</p> <p>On October 4, 2011, Decedent was housed in the Correction Treatment Center (CTC). He requested to take a shower and was escorted to the showers unhandcuffed by Deputy.</p> <p>As they reached the showers, Decedent suddenly turned and ran away. The Deputy chased after him. Used force to subdue him. Decedent was handcuffed and returned to his cell.</p> <p>Decedent sustained facial injuries.</p> <p>On October 6, 2011, decedent was observed to be lying on the floor next to his bunk bed, on his left side, unresponsive, with deep, labored breathing with some wheezing. The Clinical Director of the CTC, was notified and responded immediately.</p> <p>Deputies entered the cell and removed him for examination by medical personnel. Decedent not breathing and had no pulse. CPR was initiated at 00:47 hours. Paramedics arrived at 00:58 hours and transported him from the unit to the hospital at 01:16 hours. Decedent was pronounced dead at 01:30 hours.</p>

1. Briefly describe the root cause(s) of the claim/lawsuit:

The primary **Department** root cause in this incident involves the lack of handcuffing Decedent. This incident could have potentially been prevented had the Deputy maintained control of him. However the Deputy used his professional judgement (per policy) and chose not to handcuff the inmate as he was not exhibiting any signs of non-compliance.
