ARTICLE 1            RECOGNITION

Section 1.

Pursuant to the provisions of the Employee Relations Ordinance of the County of Los Angeles and applicable State law, Los Angeles County Fire Fighters Local 1014 was certified on August 21, 1969, by County's Employee Relations Commission (Employee Relations Commission File No. R-10-69) as the majority representative of County employees in the Fire Fighters Employee Representation Unit (hereinafter "Unit") previously found to be appropriate by said Employee Relations Commission.

Management hereby recognizes Los Angeles County Fire Fighters Local 1014 as the certified majority representative of the employees in said Unit. The term "employee" or "employees" as used herein shall refer only to employees employed by County in said Unit in the employee classifications comprising said Unit as listed in Article 9, Salaries.

Section 2.

Management agrees to recognize Los Angeles County Fire Fighters Local 1014 as the exclusive representative of the employees in said Unit when County rules, regulations, or laws are amended and Local 1014 has shown it has met the requirements of any such new rules.

ARTICLE 2            AFFIRMATIVE ACTION

The provisions of this Memorandum of Understanding shall be applied equally to all employees covered hereby without favor or discrimination because of race, color, sex, age, national origin, political or religious opinions or affiliations.

Management of the Department of Forester & Fire Warden agrees to consult with designated representatives of the Union regarding departmental affirmative action programs. Further, the parties agree that consultation shall take place prior to the implementation of such programs.

ARTICLE 3            DRUG TESTING

Effective July 1, 1991, Fire Fighters serving their first probationary period may be randomly selected for drug testing a maximum of four (4) times during such probationary period.

Management may require employees in the Unit to be tested for drugs based on a reasonable suspicion of impairment on the job.

Testing protocol, the drugs for which testing will be conducted and the cutoff levels for a positive drug test shall be that agreed to between the County and Coalition of County Unions.

The intent of this program is to identify substance abuse and provide assistance for rehabilitation of Department members; however, it is understood that a positive drug test may result in disciplinary action, including discharge.

Drug testing, as used in this Article, includes alcohol.

The parties agree to discuss substance abuse testing and treatment as part of the ongoing efforts in behavioral health best practices in the labor management behavioral health program.

ARTICLE 4            MUTUAL COOPERATION

The parties recognize the necessity of cooperating on matters of mutual concern and interest and agree to work together to maximize the effectiveness of the Fire Department and the County and to accomplish legislative and funding goals in their mutual interest.

ARTICLE 5            IMPLEMENTATION

This Memorandum of Understanding constitutes a mutual recommendation to be jointly submitted to County's Board of Supervisors.

It is agreed that this Memorandum of Understanding shall not be binding upon the parties unless and until said Board of Supervisors:

- A.     Acts, by majority vote, formally to approve said Memorandum of Understanding;
  
- B.     Enacts necessary amendments to all County ordinances, including the Los Angeles County Code, required to implement the full provisions of Articles; and
  
- C.     Acts to appropriate the necessary funds required to implement the provisions of this Memorandum of Understanding which require funding.

Notwithstanding the foregoing, in the event the Board of Supervisors fails to take all actions necessary to timely implement this Memorandum of Understanding, it is understood that the parties may mutually agree to implement appropriate provisions of this Memorandum which do not require specific approval by the Board of Supervisors.

If the parties do not mutually agree to implement appropriate provisions of this Memorandum not requiring approval by the Board of Supervisors, then negotiations shall resume upon the request of either party.

ARTICLE 6      TERM

The term of this Memorandum of Understanding shall commence on the date when the terms and conditions for its effectiveness, as set forth in Article 5, Implementation, are fully met, but in no event shall said Memorandum of Understanding become effective prior to 12:01 a.m., on January 1, 2022. This Memorandum of Understanding shall expire and otherwise be fully terminated at 12:00 Midnight on December 31, 2024.

ARTICLE 7            STRIKES AND LOCKOUTS

During the life of this agreement no work stoppages, strikes, slowdowns, or picketing shall be caused or sanctioned by the Union, and no lockouts shall be made by the County.

In the event any employees covered by this agreement, individually or collectively, violate the provisions of this Article and the Union fails to exercise good faith in halting the work interruption, the Union and the employees involved shall be deemed in violation of this Article and the County shall be entitled to seek all remedies available to it under applicable law.

ARTICLE 8            RENEGOTIATION

Section 1.            Calendar for Negotiations

In the event either party hereto desires to negotiate a successor Memorandum of Understanding, such party shall serve upon the other during the period from July 1, 2024, through August 1, 2024, its written request to commence negotiations as well as its full and entire written proposal for such successor Memorandum of Understanding.

Upon receipt of such written notice and proposal, negotiations shall begin thirty (30) days after such receipt or September 1, 2024, whichever is later. An impasse concerning the items under negotiations shall be declared automatically if full and entire agreement on the terms of a successor Memorandum of Understanding is not reached by October 31, 2024, unless the parties mutually agree to continue negotiations.

ARTICLE 9            SALARIESSection 1.            Recommended Salary Adjustment

The parties agree jointly to recommend to County's Board of Supervisors that said Board adopt and implement the following salaries applicable to employees in the Unit on the effective dates indicated.

The parties agree that the recommended salaries set forth herein were negotiated in good faith, and that said salaries were jointly determined independently of race, gender, age or national origin.

This provision is agreed to solely to address uncertainties regarding forecasted revenues versus expenditures in year three of the contract as it applies to a year three COLA up to 3.25%. Both Parties agree to work through a Joint Labor/Management Financial Committee (JLMFC). The JLMFC will be distinguished from all other similar committees in the County in that it will be comprised of six members (principals only)- Fire Chief, County Assessor, County Auditor-Controller, Chief Executive Officer, 1014 President, and the County's Treasurer and Tax Collector. The 1014 President, Fire Chief, and Chief Executive Officer shall serve as Co-Chairs. All committee principals shall be allowed to form sub-committees and enlist subject matter experts to assist with the data analysis.

The Parties agree to work collaboratively to address any predicted financial shortfalls through revenue growth, expenditure reduction and revenue enhancement strategies.

The work of the JLMFC shall commence in January 2023 and the committee shall provide a status update to the Board of Supervisors every 90 days. The Parties shall work diligently to affect the overall positive financial health of the Fire District. The purpose of the negotiations in any such re-opener (as referenced below) shall include, but not be limited to, finding solutions to realize the amount of ongoing funding needed to fund a COLA in year three or implementing other agreed upon measures if the funding target is not met.

Both conditions below must be met in order to trigger the reopener and negotiations language referenced below:

- A. During this agreement, with respect to the third year of the contract, if the JLMFC forecasts that the Fire District will need to use reserves to fund ongoing operational expenses, and/or the Assessor determines that the Special District's assessment rate will be less than 3.6%, (i.e. the (i.e. the growth percentage forecasted in CY 2022 for FY 2024/25), and/or any additional ongoing revenue or ongoing cost savings measures through expenditure reduction are insufficient to fund a 3.25% COLA; and
- B. The JLMFC shall issue public findings forecasting whether the Fire District will need to use reserves to support ongoing operational expenses (i.e. Fiscal Crisis). It is the expectation of the parties, but not a requirement of this agreement, that the Board of Supervisors adopt the findings of the JLMFC.

If the conditions stated in Paragraphs A and B are met, then the Parties agree that negotiations will commence within ten business days of the JLMFC's issuance of the public findings of a forecasted fiscal crisis as defined in Paragraph B. The Parties will meet and confer on an expedited basis, in good faith, to reach an agreement. The Parties agree that they will meet on a weekly basis (or as mutually agreed upon) in order to reach an agreement.

If the revenue growth, expenditure reduction, and revenue enhancement strategies, individually or collectively, are forecasted to yield insufficient revenue/savings to fully fund a 3.25% COLA in year 3, then the difference between the amount of COLA that can be sustained by the additional forecasted ongoing revenue/savings and the 3.25% COLA sought by 1014, shall become the subject of negotiation.

During negotiations, if a party declares impasse, the Parties agree that any mediation or fact finding must be completed by June 1, 2024. Impasse will be automatically declared at three months from the date of the start of negotiation unless the Parties mutually agree in writing to extend the time to declare impasse or complete mediation or fact finding.

All financial data and records including all sources of revenue and all expenditures shall be shared between and amongst the Parties and the JLMFC members transparently and expeditiously before and during any such re-opener.

If the County takes action to rescind or adjust the third year COLA it will treat all non-sworn, non-represented management staff and all sworn staff the same as Local 1014 members.

This agreement shall apply to year 3 COLA up to 3.25% only, and expire at the end of the MOU term.

- (2) Where the department head issues a Performance Evaluation upon request of the Department of Human Resources, and said Performance Evaluation is competent or better, the employee shall be provided a step advance within 30 days effective to his/her step advance anniversary date.
- (3) Grievances based on an Improvement Needed Performance Evaluation shall be filed within ten days of issuance with the department head or his designated representative who shall respond to the grievance within ten days. - d. During the term of this agreement, should any changes be made in the existing categories of Performance Evaluations which adversely impacts the application of this section, the parties agree to meet and renegotiate this section. Section 1.      Employees Covered Under 207 (k)

a.      207 (k) Partial Exemption

The Forester and Fire Warden shall adopt and implement a 207 (k) partial exemption under the Fair Labor Standards Act (hereinafter FLSA) for employees in the Fire Fighter, Pilot and Firefighting Construction Equipment Operator Series. Such employees shall be treated as if covered by FLSA without prejudice to the parties' position regarding exemptions which may be legally available under the FLSA for certain classes in the Unit.

Employees in the Fire Fighter Series who are regularly assigned as arson investigators in the Arson Fire Investigation Unit shall be treated as if covered by FLSA 207(k) partial exemption standards as applicable to law enforcement employees.

b.      Work Period

The work period for employees regularly assigned to a platoon schedule shall be eight (8) shifts in 24 consecutive days. Each shift shall be 24 hours, (from 8:00 a.m. to 8:00 a.m. the following day).

The work period for employees regularly assigned to a 40-hour schedule who are covered by the 207 (k) partial exemptions shall be 28 consecutive days.

The work period for employees regularly assigned to a 40-hour schedule in the Fire Suppression Camps who are covered by the 207 (k) partial exemptions shall be 7 consecutive days.

c. Definition of Hours Worked

All benefit time, such as holidays, sick leave, vacation, etc., shall be counted as hours worked for overtime purposes. Benefit time is compensated leave time for which an employee does not actually work.

d. Regular Rate of Pay and Hourly Rate of Pay For a Platoon Shift

Effective July 1, 1991, an employee's regular rate of pay for overtime purposes shall include base pay plus all non-discretionary bonuses, e.g., longevity, EMT, post and non-post paramedic, etc.

The regular hourly rate of pay for an employee assigned to platoon duty shall be derived by dividing his/her monthly base pay plus all non-discretionary bonuses by 243.6.

e. Overtime Compensation

(1) Platoon Personnel

- (a) Employees regularly assigned to a platoon schedule shall be compensated at the rate of time and one-half their regular rate of pay for all hours worked in their regular classification and position (i.e., a position which does not involve a different type of work for which different straight-time rates have been established) on a platoon schedule in excess of 182 hours in a 24 consecutive day period.

Employees regularly assigned to a platoon schedule in the Arson Fire Investigations Unit shall be compensated at the rate of time and one-

half their regular rate of pay for all hours worked in their regular classification and position (i.e., a position which does not involve a different type of work for which different straight-time rates have been established) on a platoon schedule in excess of 147 hours in a 24 consecutive day period.

- (b) If an employee regularly assigned to a platoon schedule, in a single work period, works one or more overtime shifts in his/her regular classification, but in a position(s) with a different type of work for which different straight-time rates have been established, the first 10 hours of overtime (between 182 and 192) shall be compensated in accordance with subparagraph (a) above, and the remaining overtime hours, in excess of 192 shall be compensated by the weighted average method provided under FLSA. That is, the straight-time compensation from the employee's regular scheduled hours of work and from overtime shift(s), if any, in his regular position is added to the straight-time compensation from overtime shift(s) in the different position and the total straight-time compensation is divided by the total number of hours worked. The result is the weighted average hourly rate. The straight-time compensation for the employee's regular scheduled hours of work and overtime shift(s) in his regular position will be based upon the employee's regular rate of pay, as set forth in Section 1, subsection d. above. The straight-time compensation for the overtime shifts in the different position will be based on the established regular rate for the position, including EMT

bonus, any bonuses applicable to the position, and longevity bonus, if applicable to the employee.

The half-time overtime premium for the extra shifts is derived by multiplying the total number of hours worked in excess of 192 by one-half the weighted average hourly rate.

- (c) If an employee regularly assigned to a platoon schedule in a single work period works down, i.e., works an overtime shift in a lower job classification, overtime for the work-down shift(s) shall be calculated by the rate-in-effect method provided under FLSA. That is, the employee shall be paid time and one-half of the top step, EMT rate of pay (including any bonuses applicable to the position) of the position(s) worked. Overtime worked by the employee in his regular classification will be compensated in accordance with subparagraph (a) above.

(2) 40-Hour Personnel

- (a) Hours worked in regular classification and position on a 40-hour schedule

Employees regularly assigned to a 40-hour schedule shall be compensated at the rate of time and one-half their regular rate of pay for all hours worked in their regular classification on a 40-hour schedule in excess of 160 hours in a 28 consecutive day period.

Employees regularly assigned to a 40-hour schedule in the Fire Suppression Camps shall be compensated at the rate of time and one-half their regular rate of pay for all hours worked in their regular classification on a 40-hour schedule in excess of 40 hours in a 7 consecutive day period.

Employees regularly assigned to a 40-hour schedule in the Arson Fire Investigations Unit shall be compensated at the rate of time and one-half their regular rate of pay for all hours worked in their regular classification on a 40-hour schedule in excess of 171 hours in a 28 consecutive day period.

Employees assigned to a 40-hour work schedule may elect to receive compensatory time off at the straight time rate in lieu of pay for work performed in excess of 160 hours but less than 212 hours on a 40 hour schedule.

Employees assigned to a 40-hour work schedule in the Fire Suppression Camps may elect to receive compensatory time off at the straight time rate in lieu of pay for work performed in excess of 40 hours but less than 53 hours on a 40-hour schedule.

Employees assigned to a 40-hour work schedule in the Arson Fire Investigations Unit may elect to receive compensatory time off at the straight time rate in lieu of pay for work performed in excess of 160 hours but less than 171 hours on a 40-hour schedule.

An employee who elects compensatory time off for such hours worked may take such time off subject to the approval of departmental Management. In approving compensatory time off Management will accommodate employee convenience to the degree possible in light of operational requirements.

Accumulated compensatory time off shall remain to the employee's credit until it is taken off at the employee's request, subject to the approval of Management. The Fire Chief may compensate an employee at the employee's straight time rate of pay for accumulated compensatory time off in lieu of retaining it on the books.

(b) Hours worked on a platoon shift(s) in addition to regular 40-hour schedule

If an employee on a 40-hour schedule works a platoon shift(s) in a work period, the employee shall be compensated at the rate of time and one-half the regular rate of pay (including EMT bonus, any bonuses applicable to the position and longevity bonus, if applicable to the employee) of the position worked for all hours worked on the platoon shift(s) pursuant to Section 1, subsection d. above.

f. Henninger Flats Duty

The provisions of this Article shall not apply to Forestry personnel assigned to extra service as a watchperson at Henninger Flats. Such duty shall be compensated pursuant to County Code Section 6.76.020 (D).

g. Compensatory Time Off

With Department Head (Appointing Authority) approval, and at the discretion of Management, a Fire Captain regularly assigned to a platoon schedule may elect to receive compensatory time off (CTO), in lieu of paid overtime, at the rate of one and one-half hours for each hour worked in excess of 182 hours in a 24-day consecutive work period/corridor. CTO shall be accumulated for a maximum of 240 hours of overtime worked, subject to the following conditions:

1. CTO shall only be available for overtime worked in the firefighter's regular classification. CTO shall not be available from employee's regularly scheduled hours; or for 56-hour fire fighters working overtime on a temporary 40- hour assignment; or unless expressly approved by management, for overtime worked during disaster periods or emergencies declared by the Board of Supervisors, State or Federal governments.
2. 56-hour fire series employees shall accrue CTO in whole hour (1 hour) increments; up to 24-hours per shift.

3. CTO is provided at the time and one-half rate for each hour of FLSA overtime worked. The straight portion of the CTO shall be accumulated by the fire fighter to be taken off at a later date with the prior approval of department management. CTO shall be available for use as time off by the employee at his/her option and used in 24-hour or 12-hour increments. The premium portion of the CTO shall not be accumulated but shall be paid at the regular rate as provided under FLSA.
4. Unused accumulated CTO shall be paid upon termination of employment at the employee's regular rate in effect as of the date of payment.
5. Accrued compensatory time shall be paid in total prior to any classification changes at the employee's regular rate in effect as of the date of payment.

To use compensatory time, employee must submit a written request to the immediate supervisor in accordance with manuals of operations (V2-C2-S1). Such accumulated compensatory time may be taken off subject to the staffing requirements and with prior written approval of departmental management.

Management may direct an employee to use accumulated compensatory time provided the employee is given (10) business days' notice.

Section 2.            Employees Not Covered Under 207 (k)

The parties agree that employees in the Unit who are not covered by the 207 (k) partial exemption will be paid for all hours worked in excess of 40 in one week. "Hours worked" will be calculated as provided for by the Fair Labor Standards Act, 29 U.S.C. ' 201. et seq. Hours worked do not include time for which persons are compensated but do not actually work, including but not limited to, sick leave and vacation pay, with the exception that those hours paid during a workweek for a regular County holiday will be counted in calculating hours worked for overtime purposes.

Notwithstanding the above, all benefit time such as holidays, sick leave, vacation, etc., for employees in the Forestry Series shall count as hours worked for overtime purposes.

The Department will pay employees for any overtime worked at a rate of time and one-half (1/2) his/her regular rate of pay. Regular rate of pay shall be calculated as provided for by the Fair Labor Standards Act.

Section 3.            Saving Clause

If the Federal Fair Labor Standards Act (FLSA) becomes inapplicable to employees in this Unit, in whole or in part, for any reason, during the term of this agreement or before a successor memorandum of understanding is approved by all parties, such employees shall be compensated for overtime work under the overtime provisions of the 1983-85 Memorandum of Understanding for this Unit, effective on the date the FLSA becomes inapplicable, but no sooner than the date a successor MOU is approved by all parties or impasse procedures on a successor MOU are exhausted, whichever is first.

Section 4.            Management Authority

It is agreed and understood that nothing herein is intended to limit or restrict the authority of Management to require an employee to perform overtime work, and it is further agreed that overtime will be ordered and worked only when it is determined by Management that overtime is required to meet the Department's public service obligations.

Section 5.            Fair Labor Standards Act (FLSA)

Article 25, Provisions of Law, is applicable to the provisions of this Article and the County remains responsible for complying with all provisions of the FLSA legally applicable to the County. It is understood and agreed that Management has the exclusive right to determine the methods and means of applying and enforcing the Standards of Behavior contained in the Manual of Operations, subject to the rights afforded employees and Local 1014 under federal, state and county law and the provisions of this agreement.

ARTICLE 17            GRIEVANCE PROCEDURE

Section 1.            Purpose

The purpose of the grievance procedure is to provide a just and equitable method for the resolution of grievances.

Section 2.            Definitions

A grievance is any complaint concerning the interpretation or application of this memorandum or rules or regulations governing personnel practices or of Departmental rules or regulations or Manual of Operations or concerning working conditions, which complaint has not been resolved satisfactorily in an informal manner between an employee and his/her immediate supervisor. "Business Days" mean calendar days exclusive of Saturdays, Sundays and legal holidays.

Section 3.            General Provisions

1. Departmental management will inform an employee of any limitation of the department's authority to fully resolve the grievance; and supply the employee with the necessary information to process his/her grievance to the proper agency or authority.
  
2. If an employee fails to initiate a grievance or to appeal from one level to the next level within the time limits established in this grievance procedure, the grievance shall be considered settled and not subject to further appeal. By mutual agreement of both parties, the various steps and time limits set forth in this grievance

procedure may be waived, or the grievance may revert to a prior level for reconsideration.

3. An employee may present his/her grievance on County time, but the use of County time for this purpose shall not be excessive, nor shall this privilege be abused in any manner. The Department shall determine what constitutes abuse, but such determinations shall be grievable and subject to review under this grievance procedure.
4. If the aggrieved employee wishes, he/she may be assisted at the first step of the formal grievance procedure or any subsequent step by an authorized representative of Local 1014. The representative of Local 1014 must have his/her name on file and be accepted in accordance with the Employee Relations Ordinance of the County of Los Angeles or other such applicable employee Relations law.
5. If an employee grievance involves disciplinary action resulting in discharge, reduction or suspension, the aggrieved employee may waive all preliminary steps in the formal grievance procedure and proceed directly to the final step of the grievance procedure.

The aggrieved employee shall submit the grievance procedure form within ten (10) business days from the date of implementation of disciplinary action. If he/she does not appeal the discharge, reduction or suspension, the disciplinary action taken shall be deemed accepted by the employee. The grievance form shall contain the employee's objections to the disciplinary action and the employee's suggestion as to what he/she considers appropriate corrective action.

In those cases where proper written notice of a contemplated discharge, reduction or suspension is served on and discussed with the employee, the grievance procedure shall be considered completed.

6. If the grievance does not involve a discharge, reduction or suspension, but the aggrieved employee definitely believes that his/her grievance cannot be resolved at any grievance step except by the Fire Chief or his designated representative, he/she may, with the concurrence of the concerned supervisors and managers, waive all the intervening steps.

7. To waive the grievance steps, the aggrieved employee must obtain the signature of all levels of supervisors and managers in the signature spaces on the grievance form. In the alternative, if time precludes the previous step, the employee's Deputy Fire Chief may consent to the waiver of any or all steps up to, and including, Deputy Fire Chief, and so note on the grievance form. The aggrieved employee shall also write the word "waived" and sign his/her name in the decision section for both steps and forward the form to the Fire Chief or his designated representative.
  
8. The grievance form shall be prepared by the employee for the formal grievance process. The Union agrees to encourage an employee who files a formal written grievance to state clearly and concisely the specific action(s) being grieved, the Article(s) violated, and the specific remedy requested. The original shall be presented by the employee at the various grievance steps and returned to the employee with the written response. A copy of the original form shall be sent to the Employee Relations Office. A second copy of the original should be retained as the Bureau's record of the grievance discussions. Copies reflecting the outcome of the final step shall be sent to the Personnel Officer and the Bureau's files.

#### Section 4.            Informal Procedures

Most problems or complaints can be settled if the employee will promptly, informally and amicably discuss them with his/her immediate supervisor. This desired initial discussion, a part of the day-to-day supervision, should ideally precede any use of the formal grievance procedure.

Within fifteen (15) business days from the occurrence of the matter on which a complaint is based, or within fifteen (15) business days from his/her knowledge of such occurrence, an employee shall either discuss the complaint with his/her immediate supervisor or file a formal grievance.

If the immediate supervisor either fails to reply within five (5) business days or gives an answer which the employee feels is not satisfactory, the employee may initiate the first step of the formal grievance procedure.

#### Section 5.            Formal Procedure

##### First Step (Immediate Supervisor)

If the problem has not been resolved within ten (10) business days of the date of the initial discussion with the immediate supervisor (or fifteen (15) business days from the occurrence or knowledge of the occurrence of a grievable matter if informal discussion has not occurred), the employee shall file a formal written grievance with his/her immediate supervisor. The grievance form shall be completed by the employee describing the problem and the remedy he/she believes is merited.

The immediate supervisor shall promptly notify the Employee Relations Office. The supervisor shall consider available pertinent information and give his/her decision in writing (on the original grievance form) to the employee within ten (10) business days. The supervisor shall include the reasons for his/her decision and forward a complete copy of the grievance form to the Personnel Officer, Personnel Section.

If, upon receipt of the decision, the employee takes no further action within ten (10) business days, the grievance will be assumed to have been settled.

If the supervisor has not answered the employee's complaint within ten (10) business days, or if the answer is unsatisfactory in the employee's opinion, the employee may appeal to the next level.

#### Intermediate Steps

All intermediate steps shall follow the same procedures as described in the First Step until the grievance has passed through all levels of supervision and management with the exception of the Fire Chief or his designated representative, which shall be the Final Step of this grievance procedure.

The Fire Chief or his designated representative shall meet with the employee at the earliest possible date, evaluate the grievance and afterward determine a course of action. Supervisors of all levels who have previously dealt with the grievance may be called by the Fire Chief or his designated representative to appear at the grievance meeting. Within ten (10) business days from his receipt of the grievance, the Fire Chief or his designated representative shall give a written decision to the employee using the original copy of the grievance.

Section 6.                    Arbitration

1.     Within thirty (30) business days from the receipt of the written decision of the department head or his/her designated representative, an employee, only if he/she is represented by the Union, may request that the grievance be submitted to arbitration as provided for hereinafter.
  
2.     Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding and which are brought by an employee who was represented by the Union may be submitted to arbitration. In no event shall such arbitration extend to:

The interpretation, application, merits or legality of any State or local law or ordinance, including specifically all ordinances adopted by County's Board of Supervisors unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such State or local law in order to resolve the grievance which has been submitted to the arbitrator; nor
  
- b. The interpretation, application, merits or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established procedures or processes by which employees or employee organizations may appeal to, or request review by the Civil Service Commission, including but not limited to discharges, reductions, suspensions, and similar matters within the jurisdiction of said Civil Service Commission; nor
  
- c. The interpretation, application, merits or legality of the rules or regulations of the department head, the Chief Executive Office or any other County Department Agency or Commission unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator; nor

- d. Any subject matter relating to County-sponsored employee group insurance plans that could impose on the carrier, the provider or the County an obligation which would be in conflict with the applicable law and/or contracts or service agreements between the County and the carrier or provider.
  - e. Notwithstanding anything above, the County will not issue suspensions of five (5) days or less nor issue a performance evaluation rating below competent without just cause. Further, only those grievances on competent or better performance evaluations which meet the guidelines set forth at the Employee Relations Commission meeting on December 19, 1986, shall be subject to arbitration.
3. In the event the Union desires to request a grievance which meets the requirements or Paragraph 2 hereof be submitted to arbitration, it shall, within the time requirements set forth above, send a written request for arbitration to Employee Relations Branch of the Chief Executive Office which request shall:
- a. Set forth the specific issue or issues still unresolved through the grievance procedure and which are to be submitted to arbitration;
  - b. The parties shall select an arbitrator by mutual agreement and recommend to the Employee Relations Commission that the individual be appointed for the purpose of conducting the arbitration proceeding.

- c. In the event the parties cannot agree on a choice within thirty (30) working days from date of receipt of the request of arbitration, the parties shall request that the Employee Relations Commission provide them with a panel of five arbitrators. Upon receipt of the names from the Employee Relations Commission, the parties shall alternately strike one name each from the panel and the last name left will be appointed as the arbitrator in the case by the Employee Relations Commission;
  - d. Arbitration procedures conducted under the authority of this Section shall be held at an appropriate location in the County Hall of Administration, except when another location is mutually agreed upon by the parties to the case.
4. Arbitration of grievances hereunder will be limited to the formal grievances as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. Arbitration hereunder shall be conducted in accordance with applicable rules and procedures adopted or specified by County's Employee Relations Commission unless the parties hereto mutually agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the parties involved, it being understood and agreed that all other expenses including but not limited to fees for witnesses, transcripts and similar costs incurred by the parties during such arbitration will be the responsibility of the individual party involved.

5. Prior to a hearing by an arbitrator, a representative of the County and the Union shall meet and prepare a submission statement setting forth the issue(s) to be determined which shall be submitted to the arbitrator. In the event the County and the Union cannot jointly agree on a submission statement, then at the hearing, each party shall present to the arbitrator its own submission statement in which case the arbitrator shall determine the issue(s) to be resolved.
  
6. The decision of an arbitrator resulting from any arbitration of grievance hereunder shall not add to, subtract from or otherwise modify the terms and conditions of this Memorandum of Understanding.
  
7. The decision of the arbitrator shall be binding upon the Union. To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County. If within sixty (60) days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever. The Union may then resort to a court of competent jurisdiction to pursue whatever other legal remedies are available to it under the provisions of this Memorandum of Understanding.

When advance knowledge of the impact of pending changes in function, organization, or operations is available which will result in the abolishment of functions from one department to another or to another agency, Management will make an intensive effort to either reassign or transfer affected employees to other positions for which they qualify, or train affected employees for new positions in order to retain their services. It is understood and agreed that Management shall have no obligation to negotiate the decision of any reorganization by the County during the life of this agreement.
