It is the intent of the parties that Local 1014 shall receive such information in a timely manner and where feasible, at the same time it is disseminated Department-wide.

Section 2. Assignment of Additional Responsibilities
Effective January 1, 1998, any permanent, full-time employee in a non-Safety Class shall be entitled to additional compensation equivalent to two standard salary schedules for the performance of additional responsibilities which are assigned or approved by the department Head and approved by the Chief Executive Officer.

To qualify for this additional compensation, a full-time, permanent employee must either perform all the significant duties of a higher level class or be assigned a special project or assignment which requires the performance of additional duties and carries additional responsibilities beyond those required of positions typically allocated to the employee’s class. The assignment of additional duties normally performed by incumbents of the employee’s class would not qualify for this additional compensation.
The additional compensation shall begin on the first day the additional responsibilities are performed and shall end on the day the additional responsibilities are no longer performed. In no event shall an employee receive compensation pursuant to this Section and receive the out of class bonus.

The additional compensation provided in this Article shall not constitute a base rate.

Remittance of the aggregate amount of all dues and other proper deductions made from the salaries of employees covered hereunder shall be made to the Union by Management within thirty (30) working days after the conclusion of the month in which said dues and deductions were deducted.

Section 2. Security Clause

The work rules, as so modified, are incorporated herein by reference. The parties agree that they will comply with such work rules during the term of this agreement.

It is understood and agreed that Management has the exclusive right to determine the methods and means of applying and enforcing the Standards of Behavior contained in the Manual of Operations, subject to the rights afforded employees and Local 1014 under federal, state and County law and the provisions of this agreement.

At the request of either party, the parties will meet promptly to discuss proposed changes to the existing work rules in an attempt to reach mutual agreement. In the absence of mutual agreement on any such changes, the existing work rules will remain in full force and effect.

The department shall notify the Union of all intended and final action regarding disciplinary matters affecting persons covered by this bargaining Unit.

Section 2.  Indemnification Clause

The Union agrees to indemnify and hold the County of Los Angeles harmless from any liabilities of any nature which may arise as a result of the application of the provisions of this Article.
ARTICLE 17  GRIEVANCE PROCEDURE

Section 1. Purpose

The purpose of the grievance procedure is to provide a just and equitable method for the resolution of grievances.

Section 2. Definitions

A grievance is any complaint concerning the interpretation or application of this memorandum or rules or regulations governing personnel practices or of Departmental rules or regulations or Manual of Operations or concerning working conditions, which complaint has not been resolved satisfactorily in an informal manner between an employee and his/her immediate supervisor. "Business Days" mean calendar days exclusive of Saturdays, Sundays and legal holidays.

Section 3. General Provisions

1. Departmental management will inform an employee of any limitation of the department's authority to fully resolve the grievance; and supply the employee with the necessary information to process his/her grievance to the proper agency or authority.
2. If an employee fails to initiate a grievance or to appeal from one level to the next level within the time limits established in this grievance procedure, the grievance shall be considered settled and not subject to further appeal. By mutual agreement of both parties, the various steps and time limits set forth in this grievance procedure may be waived or the grievance may revert to a prior level for reconsideration.

3. An employee may present his/her grievance on County time, but the use of County time for this purpose shall not be excessive, nor shall this privilege be abused in any manner. The Department shall determine what constitutes abuse, but such determinations shall be grievable and subject to review under this grievance procedure.

4. If the aggrieved employee wishes, he/she may be assisted at the first step of the formal grievance procedure or any subsequent step by an authorized representative of Local 1014. The representative of Local 1014 must have his/her name on file and be accepted in accordance with the Employee Relations Ordinance of the County of Los Angeles or other such applicable employee Relations law.

5. If an employee grievance involves disciplinary action resulting in discharge, reduction or suspension, the aggrieved employee may waive all preliminary steps in the formal grievance procedure and proceed directly to the final step of the grievance procedure.
The aggrieved employee shall submit the grievance procedure form within ten (10) business days from the date of implementation of disciplinary action. If he/she does not appeal the discharge, reduction or suspension, the disciplinary action taken shall be deemed accepted by the employee. The grievance form shall contain the employee's objections to the disciplinary action and the employee's suggestion as to what he/she considers appropriate corrective action.

In those cases where proper written notice of a contemplated discharge, reduction or suspension is served on and discussed with the employee, the grievance procedure shall be considered completed.

6. If the grievance does not involve a discharge, reduction or suspension, but the aggrieved employee definitely believes that his/her grievance cannot be resolved at any grievance step except by the Fire Chief or his designated representative, he/she may, with the concurrence of the concerned supervisors and managers, waive all the intervening steps.

7. To waive the grievance steps, the aggrieved employee must obtain the signature of all levels of supervisors and managers in the signature spaces on the grievance form. In the alternative, if time precludes the previous step, the employee's Deputy Fire Chief may consent to the waiver of any or all steps up to, and including, Deputy Fire Chief, and so note on the grievance form.
The aggrieved employee shall also write the word "waived" and sign his/her name in the decision section for both steps and forward the form to the Fire Chief or his designated representative.

8. The grievance form shall be prepared by the employee for the formal grievance process. The Union agrees to encourage an employee who files a formal written grievance to state clearly and concisely the specific action(s) being grieved, the Article(s) violated, and the specific remedy requested. The original shall be presented by the employee at the various grievance steps and returned to the employee with the written response. A copy of the original form shall be sent to the Employee Relations Office. A second copy of the original should be retained as the Bureau's record of the grievance discussions. Copies reflecting the outcome of the final step shall be sent to the Personnel Officer and the Bureau's files.

Section 4. Informal Procedures

Most problems or complaints can be settled if the employee will promptly, informally and amicably discuss them with his/her immediate supervisor. This desired initial discussion, a part of the day-to-day supervision, should ideally precede any use of the formal grievance procedure.

Within fifteen (15) business days from the occurrence of the matter on which a complaint is based, or within fifteen (15) business days from his/her knowledge of such occurrence, an employee shall either discuss the complaint with his/her immediate supervisor or file a formal grievance.
If the immediate supervisor either fails to reply within five (5) business days or gives an answer which the employee feels is not satisfactory, the employee may initiate the first step of the formal grievance procedure.

Section 5. Formal Procedure

First Step

(Immediate Supervisor) If the problem has not been resolved within ten (10) business days of the date of the initial discussion with the immediate supervisor (or fifteen (15) business days from the occurrence or knowledge of the occurrence of a grievable matter if informal discussion has not occurred), the employee shall file a formal written grievance with his/her immediate supervisor. The grievance form shall be completed by the employee describing the problem and the remedy he/she believes is merited.

The immediate supervisor shall promptly notify the Employee Relations Office. The supervisor shall consider available pertinent information and give his/her decision in writing (on the original grievance form) to the employee within ten (10) business days. The supervisor shall include the reasons for his/her decision and forward a complete copy of the grievance form to the Personnel Officer, Personnel Section.

If, upon receipt of the decision, the employee takes no further action within ten (10) business days, the grievance will be assumed to have been settled.
If the supervisor has not answered the employee's complaint within ten (10) business days, or if the answer is unsatisfactory in the employee's opinion, the employee may appeal to the next level.

Intermediate Steps
All intermediate steps shall follow the same procedures as described in the First Step until the grievance has passed through all levels of supervision and management with the exception of the Fire Chief or his designated representative, which shall be the Final Step of this grievance procedure.

The Fire Chief or his designated representative shall meet with the employee at the earliest possible date, evaluate the grievance and afterward determine a course of action. Supervisors of all levels who have previously dealt with the grievance may be called by the Fire Chief or his designated representative to appear at the grievance meeting. Within ten (10) business days from his receipt of the grievance, the Fire Chief or his designated representative shall give a written decision to the employee using the original copy of the grievance.

Section 6. Arbitration

1. Within ten (10) business days from the receipt of the written decision of the department head or his/her designated representative, an employee, only if he/she is represented by the Union, may request that the grievance be submitted to arbitration as provided for hereinafter.
2. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding and which are brought by an employee who was represented by the Union may be submitted to arbitration. In no event shall such arbitration extend to:

a. The interpretation, application, merits or legality of any State or local law or ordinance, including specifically all ordinances adopted by County's Board of Supervisors unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such State or local law in order to resolve the grievance which has been submitted to the arbitrator; nor

b. The interpretation, application, merits or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established procedures or processes by which employees or employee organizations may appeal to, or request review by the Civil Service Commission, including but not limited to discharges, reductions, suspensions, and similar matters within the jurisdiction of said Civil Service Commission; nor
c. The interpretation, application, merits or legality of the rules or regulations of the department head, the Chief Executive Office or any other County Department Agency or Commission unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator; nor

d. Any subject matter relating to County-sponsored employee group insurance plans that could impose on the carrier, the provider or the County an obligation which would be in conflict with the applicable law and/or contracts or service agreements between the County and the carrier or provider.

e. Notwithstanding anything above, the County will not issue suspensions of five (5) days or less nor issue a performance evaluation rating below competent without just cause. Further, only those grievances on competent or better performance evaluations which meet the guidelines set forth at the Employee Relations Commission meeting on December 19, 1986, shall be subject to arbitration.

3. In the event the Union desires to request a grievance which meets the requirements or Paragraph 2 hereof be submitted to arbitration, it shall, within the time requirements set forth above, send a written request for arbitration to Employee Relations Branch of the Chief Executive Office which request shall:
a. Set forth the specific issue or issues still unresolved through the grievance procedure and which are to be submitted to arbitration;

b. The parties shall select an arbitrator by mutual agreement and recommend to the Employee Relations Commission that the individual be appointed for the purpose of conducting the arbitration proceeding. In the event the parties cannot agree on a choice within thirty (30) working days from date of receipt of the request of arbitration, the parties shall request that the Employee Relations Commission provide them with a panel of five arbitrators. Upon receipt of the names from the Employee Relations Commission, the parties shall alternately strike one name each from the panel and the last name left will be appointed as the arbitrator in the case by the Employee Relations Commission;

c. Arbitration procedures conducted under the authority of this Section shall be held at an appropriate location in the County Hall of Administration, except when another location is mutually agreed upon by the parties to the case.
4. Arbitration of grievances hereunder will be limited to the formal grievances as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. Arbitration hereunder shall be conducted in accordance with applicable rules and procedures adopted or specified by County’s Employee Relations Commission unless the parties hereto mutually agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the parties involved, it being understood and agreed that all other expenses including but not limited to fees for witnesses, transcripts and similar costs incurred by the parties during such arbitration will be the responsibility of the individual party involved.

5. Prior to a hearing by an arbitrator, a representative of the County and the Union shall meet and prepare a submission statement setting forth the issue(s) to be determined which shall be submitted to the arbitrator. In the event the County and the Union cannot jointly agree on a submission statement, then at the hearing, each party shall present to the arbitrator its own submission statement in which case the arbitrator shall determine the issue(s) to be resolved.

6. The decision of an arbitrator resulting from any arbitration of grievance hereunder shall not add to, subtract from or otherwise modify the terms and conditions of this Memorandum of Understanding.
7. The decision of the arbitrator shall be binding upon the Union. To the extent the
decision and award of the arbitrator does not require legislative action by the Board
of Supervisors, such decision and award shall be binding upon the County. If within
sixty (60) days of receiving notice of a decision and award requiring legislative
action by the Board of Supervisors such legislative action is not taken, the
arbitrator's decision and award shall have no force or effect whatsoever. The Union
may then resort to a court of competent jurisdiction to pursue whatever other legal
remedies are available to it under the provisions of this Memorandum of
Understanding.

8. A written decision of an arbitrator resulting from the arbitration of a grievance under
the following Articles shall be entirely advisory in nature and shall not be binding
upon any of the parties:

    - Recognition
    - Affirmative Action
    - Implementation
    - Term
    - Renegotiation
    - Provisions of Law
ARTICLE 18  GRIEVANCES-GENERAL IN CHARACTER

In order to provide an effective mechanism whereby disagreements between Los Angeles County Fire Fighters Local 1014 and Management concerning the interpretation or application of any of the provisions of this Memorandum of Understanding affecting the rights of the parties or the working conditions of a significantly large number of employees in the Unit may be effectively resolved, the following procedures are agreed upon.

A. Where Los Angeles County Fire Fighters Local 1014 has reason to believe that Management is not correctly interpreting or applying any of the provisions of this Memorandum of Understanding, Los Angeles County Fire Fighters Local 1014 may request in writing, within fifteen (15) business days from the occurrence or knowledge of the matter in dispute, that a meeting be held with the authorized representatives of the County who have authority to make effective recommendations for the resolution of the matters. Such written request shall set forth the proposed resolution sought.

Within five (5) business days of receipt of the request for such a meeting, the parties will meet for the purpose of discussing and attempting to resolve the disagreement.
B. Within ten (10) business days of such meeting, and the event the matter is not satisfactorily resolved, the Los Angeles County Fire Fighters Local 1014 shall have the right to meet with the principal representative(s) of the County who have authority to resolve the matter. For purposes of this provision, Management's principal representative(s) shall mean its Chief Executive Officer or his authorized representative, and any other County department head or his authorized representative who has authority to resolve the matter.

C. Within (10) business days after the meeting provided in (B) above, if the matter is not satisfactorily resolved, and if the disagreement meets the requirements of Section 2 of Article 17 the disagreement may be submitted to arbitration in accordance with the provisions of Section 6 of Article 17 of this Memorandum of Understanding.

It is further understood that this Article is not intended as a substitute or alternative for the grievance procedures set forth in Article 17 of this Memorandum of Understanding. Instead, this Article is intended to provide a procedure to resolve disagreements affecting the rights of the parties or disagreements arising from the application of the terms of this Memorandum of Understanding affecting the working conditions of a significantly large number of employees in the Unit, as distinguished from the rights of individual employees.
Accordingly, the parties agree that the procedures set forth herein shall not be implemented where the dispute or complaint involved is or could be effectively brought by an employee or employees and otherwise processed through the grievance procedures set forth in Article 17 hereof.
ARTICLE 19    EMPLOYEE PAYCHECK ERRORS

Section 1.   Underpayments

Management will rectify a $100 or more underpayment on the employee's payroll warrants within three (3) calendar days, exclusive of Saturdays, Sundays, and legal holidays, after receipt by the Auditor-Controller of a written request from the affected employee's departmental payroll section. An affected employee's departmental payroll section shall promptly forward a written request for a corrected or supplemental pay warrant for the affected employee to the Auditor-Controller. An employee shall be deemed to have waived the above indicated time limits, and to have indicated that he/she is willing to accept an adjustment on the following payroll warrant if he/she does not request a corrected or supplemental warrant within two calendar days after receipt of the regular payroll warrant, exclusive of Saturdays, Sundays, and legal holidays.

Corrected or supplemental warrants will be sent by regular County messenger service to the employee's departmental payroll section. In emergencies the departmental payroll section will arrange to have the supplemental or corrected warrant either hand delivered to the employee or picked up by the employee at the Auditor's public counter.

The provisions of this section may be implemented even if the employee cashes the payroll warrant.
Section 2. Overpayments

Management will endeavor to notify the affected employee of an overpayment on the employee's payroll warrant(s) prior to making any deduction to recover any such overpayment from the employee's subsequent payroll warrant(s). Upon request by the affected employee to the Auditor-Controller's designate, Management will establish a reasonable method of repayment.
ARTICLE 20   MANAGEMENT RIGHTS

It is the exclusive right of the County to determine the mission of each of its constituent departments, boards, and commissions, set standards of service to be offered to the public, and exercise control and discretion over its organization and operations. It is also the exclusive right of the County to direct its employees, take disciplinary action for proper cause, relieve its employees from duty because of lack of work or for other legitimate reasons, and determine the methods, means and personnel by which the County's operations are to be conducted; provided, however, that the exercise of such rights does not preclude employees or their representatives from conferring or raising grievances about the practical consequences that decisions on these matters may have on wages, hours and other terms and conditions of employment. The parties recognize the Board of Supervisors' authority to take legislative action necessary to meet their fiscal responsibility.
ARTICLE 21 EMPLOYEE RIGHTS IN THE EVENT OF TRANSFER OF FUNCTIONS

In the event the County enters into any agreement with another public employer or private entity which involves the transfer of functions now being performed by employees in this representation unit or the law provides for the transfer of functions now being performed by employees in this unit to another public or private agency, the County will advise such public or private entity of the existence and terms of this Memorandum of Understanding and will immediately advise the Union of such agreement or law. In addition, the County will consult with the employer absorbing a County function to encourage utilization of affected employees by the new employer. When a department's Request for Proposal is approved by the Chief Executive Officer, the Labor Relations Office will arrange to meet with representatives of the Union to advise them of this action within five (5) days. When advance knowledge of the impact of pending changes in function, organization, or operations is available which will result in the abolishment of functions from one department to another or to another agency, management will make an intensive effort to either reassign or transfer affected employees to other positions for which they qualify, or train affected employees for new positions in order to retain their services. It is understood and agreed that Management shall have no obligation to negotiate the decision of any reorganization by the County during the life of this agreement. Management acknowledges an obligation to negotiate the impact on wages, hours and working conditions of the employees in this bargaining unit insofar as such subjects are not set forth in Memoranda of Understanding or Civil Service Rules.
ARTICLE 22  OBLIGATION TO SUPPORT

The parties agree that subsequent to the execution of this Memorandum of Understanding, neither Los Angeles County Fire Fighters Local 1014, nor Management, nor their authorized representatives will appear before the Board of Supervisors or meet with members of the Board of Supervisors individually to advocate any amendment, addition or deletion to the terms and conditions of this Memorandum of Understanding. It is further understood that this Article shall not preclude the parties from appearing before the Board of Supervisors nor meeting with individual members of the Board of Supervisors to advocate or urge the adoption and approval of this Memorandum of Understanding in its entirety.
ARTICLE 23  FULL UNDERSTANDING, MODIFICATIONS, WAIVER

Any other prior or existing understanding or agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded or terminated in their entirety.

B. Except as specifically provided herein, it is agreed and understood that each party hereto voluntarily and unqualifiedly waives its right, and agrees that the other shall not be required, to negotiate with respect to any matter covered herein or with respect to any other matters within the scope of negotiations, during the term of this Memorandum of Understanding.

C. No agreement, alteration, understanding, variation, waiver or modification of any of the terms or provisions contained herein shall in any manner be binding upon the parties hereto unless made and executed in writing by the parties hereto, and, if required, approved and implemented by County's Board of Supervisors.

D. However, nothing contained in this Article shall be construed as giving the County nor the Fire Department the right to institute unilateral changes in existing wages, hours or other terms and conditions of employment during the term of this Memorandum of Agreement.
E. The waiver of any breach, term or condition of this Memorandum of Understanding by either party shall not constitute a precedent in the future enforcement of all its terms and provisions.
ARTICLE 24    AUTHORIZED AGENTS

For the purpose of administering the terms and provisions of this Memorandum of Understanding:

A. Management's principal authorized agent shall be County's Chief Executive Officer or his duly authorized representative (Address: 500 West Temple Street, Los Angeles, California, 90012; Telephone: (213) 974-4029), except where a particular Management representative is specifically designated in connection with the performance of a specific function or obligation set forth herein.

It is understood and agreed that this Memorandum of Understanding is subject to all current and future applicable Federal, State and County laws and regulations, the Charter of the County of Los Angeles, and any lawful rules and regulations enacted by County's Civil Service Commission, Employee Relations Commission, or similar independent commissions of the County. If any part or provision of this Memorandum of Understanding is in conflict or inconsistent with such applicable provisions of Federal, State or local law or regulations, or is otherwise held to be invalid or unenforceable by any tribunal of competent jurisdiction, such part or provision shall be suspended and superseded by such applicable law or regulations and the remainder of this Memorandum of Understanding shall not be affected thereby.
IN WITNESS WHEREOF, the parties hereto have caused their duly authorized representatives to execute this Memorandum of Understanding the day, month and year first above written.
