ARTICLE 1 NON-DISCRIMINATION

The parties mutually recognize and agree fully to protect the rights of all employees covered hereby to join and participate in the activities of SEIU Local 721, and all other rights in the Employee Relations Ordinance and Government Code, Section 3500 through 3511.

The provisions of this Memorandum of Understanding shall be applied equally to all employees covered hereby without favor or discrimination because of race, color, sex, sexual orientation, age, national origin, political or religious opinions or affiliations, disability, or other factors not directly related to the successful performance of the job.

ARTICLE 2 IMPLEMENTATION

This Memorandum of Understanding constitutes a mutual recommendation to be jointly submitted to County's Board of Supervisors. It is agreed that this Memorandum of Understanding shall not be binding upon the parties either in whole or in part unless and until said Board of Supervisors:

1. Acts, by majority vote, formally to approve said Memorandum of Understanding;
2. Enacts necessary resolutions and amendments to County ordinances required to implement the full provisions of this Memorandum of Understanding;
3. Acts to appropriate the necessary funds required to implement the provisions of this Memorandum of Understanding which require funding.

Notwithstanding the foregoing, in the event the Board of Supervisors fails to take all actions necessary to timely implement this Memorandum of Understanding, it is understood that the parties may mutually agree to implement appropriate provisions of this Memorandum which do not require specific approval by the Board of Supervisors.

If the parties do not mutually agree to implement appropriate provisions of the Memorandum not requiring approval by the Board of Supervisors, then negotiations shall resume upon the request of either party.

ARTICLE 3 TERM

The term of this Memorandum of Understanding shall commence on the date when the terms and conditions for its effectiveness, as set forth in Article 2, Implementation, are fully met; but in no event shall said Memorandum of Understanding become effective prior to 12:01 a.m. on April 1, 2022. This Memorandum of Understanding shall expire and otherwise be fully terminated at 12:00 midnight on March 31, 2025.

ARTICLE 4 RENEGOTIATION

In the event either party hereto desires to negotiate a successor Memorandum of Understanding, such party shall serve upon the other during the period from November 1, 2024, through November 15, 2024, its written request to commence negotiations.

Upon receipt of proposals, negotiations shall begin no later than December 1, 2024.

ARTICLE 5 RETIREMENTSection 1.

The parties agree to recommend jointly to the County's Board of Supervisors that pursuant to Section 31581.1 of the California Government Code, said Board adopt a resolution that, effective July 1, 2020, and for the term of this agreement only, provides that the County shall pay to the Retirement Fund the amount necessary which, based on actuarial determination, is sufficient to fund the difference between:

- a. The employee contributions that would be paid to said Retirement Fund during the term of this agreement if the employee contribution rates set forth in the Fringe Benefit MOU costs based on June 30, 2019, Actuarial Valuation ~~as of~~ March 2, 2020, by Milliman USA, were implemented, and

- b. The employee contributions that would be paid to said Retirement Fund during the term of this agreement if the employee contribution rates set forth in Section 2 of this Article were implemented in lieu of the contribution rates set forth in said Fringe Benefit MOU costs based on June 30, 2019, Actuarial Valuation.

Section 2.

The parties agree that contingent upon action by the Board of Supervisors to adopt a resolution to implement the provisions of Section 1 of this Article, the negotiated employee contribution rates for the term of this agreement for employees who entered the Los Angeles County Employees Retirement Association prior to October 1, 1978, shall be

as follows; provided, however, such contribution rates shall not apply to employees who are covered by the optional non-contributory plan (hereinafter referred to as Plan E) made operative for General Members of said Retirement Association on and after January 4, 1982.

1. The negotiated employee contribution rates listed below shall apply to the retirement plan for employees who became General Members of the Los Angeles County Employees Retirement Association on or before August 31, 1977, (hereinafter referred to as Plan A for General Members):

Section 4.

The parties agree that General Members in Plans A, B, or C may not transfer to Plan E during the term of this agreement. Members in Plan E may transfer to Plan D, and General Members in Plan D may transfer to Plan E during the term of this agreement. Since Plan E closed to new LACERA members effective November 27, 2012, it is not available for transfer to General Members in Plan G.

Section 5.

The parties mutually agree that the retirement program shall be continued in a manner so that retirement contributions meet the conditions set forth in Section 414(h)(2) of the Internal Revenue Code as presently codified.

Section 6.

The parties agree to meet and confer regarding the impact of any increases in employee retirement contribution rates that may occur during the term of this agreement based on any actuarial valuation required under the County Employees Retirement Law of 1937.

Section 7.

Each newly hired employee shall become a member of Plan G, effective the first day of the month following the date of hire with the following exceptions: 1) Deferred member of LACERA prior to January 1, 2013, who returns to active membership; 2) An individual who becomes a member on or after January 1, 2013, and has established reciprocity based upon membership in a reciprocal system on or before December 31, 2012; or 3) A former

member of LACERA who has re-deposited the accumulated contributions he or she withdrew prior to January 1, 2013, along with the interest those contributions would have earned. Individuals who meet one of these exceptions are entitled to become a member of Plan D or to restore to their former other contributory plan. Former vested Plan E members are entitled to become Plan E members.

For purposes of this Section 7, a "newly hired employee" shall mean an employee appointed to a position which otherwise entitles the incumbent to coverage under General Plan G.

Section 8.

The parties further agree to meet and confer on the integration of County retirement benefits with Social Security Retirement Benefits in the event the County re-enters the Social Security system. The scope of such meet and confer process shall be limited to retirement benefits provided under Plans A, B, C, D, and G for General Members and Plans A, B and C for Safety Members to the extent such plans cover employees who are represented by SEIU Local 721 and are impacted by said re-entry into Social Security.

Section 9.

The parties agree that for the term of this agreement a portion of the County contribution to the Options Plan that may be taken as cash if the employee waives health insurance coverage equal to \$244.00 is considered as earnings for retirement purposes for each employee for whom a contribution is made, whether the employee elects to take cash or

not. This section shall not apply to persons hired on or after January 1, 1996. For such employees, no portion of the County contribution to the Options Plan will be considered as earnings for retirement purposes.

Section 10.

Following completion of 2000–2003 fringe benefit negotiations and the parties' joint sponsorship of legislation (AB 399), the Board approved, and the County implemented the following changes to the retirement plans:

- A. Provided a prospective COLA for Plan E of up to 2% per year based on Consumer Price Index movement for all urban consumers for the Los Angeles/Riverside/Orange County area (1982-1984 bases). Plan E members may purchase the 2% COLA for past service at rates to be determined by LACERA, provided such rates cover the full cost of the COLA for past service.
- B. For Plan E members who retire prior to age 65, reduced to age 62 the age at which the member is:
 - (1) no longer presumed to be working in Social Security covered employment following his or her retirement from the County; and
 - (2) permitted to provide evidence of the member's Social Security primary insurance amount in lieu of the estimated primary insurance amount that would otherwise be applied in the calculation of the member's Plan E benefit. This provision only applies to Plan E members who earned Social Security credits through County employment.

- C. Indexed the pre-disability final compensation figure for a Plan E participant on Long Term Disability by the Consumer Price Index movement for the Los Angeles/Riverside/Orange County area (1982-1984 base), not to exceed 2% per year. This provision shall apply only to Long Term Disabilities occurring on or after July 1, 2001.
- D. Established Plan E early retirement factors at the current levels, regardless of future actuarial valuations.
- E. Increased survivor benefits for Plans A, B, C, and D from 60% to 65% and for Plan E from 50% to 55% for all pre-retirement and post-retirement survivor benefits. Service connected survivor benefits payable at 100% are not affected. Persons already retired and persons already receiving survivor benefits will not receive the increase.
- F. Allowed prospective transfers from Plan E to Plan D (without a service buy back requirement) and from Plan D to Plan E (without in-service cash out). Members in Plan E may also purchase all, some, or none of their time for Plan D credit. Members transferring from Plan E to Plan D must serve a two-year waiting period for all disability retirements. Members who transfer from one plan to another prospectively will receive the appropriate prorated share of benefits from each plan upon retirement.

- G. Increased \$750.00 post-retirement lump sum death benefit for retirees in Plans A, B, C, and D to \$5,000.00
- H. Established a \$5,000.00 post-retirement lump sum death benefit for retirees in Plan E.

Effective July 1, 2001, the County amended the final compensation period for Plans B, C, and D to be the highest one year.

Section 11.

The County will provide LACERA survivor benefits for domestic partners as permitted by State law.

Section 12.

The County will provide retiree health insurance for domestic partners and their minor children who receive survivor benefits under LACERA.

Section 13. Joint Labor Management Retiree Health Committee

The Joint Labor Management Retiree Health Committee established during 2006-2009 Fringe Benefit Negotiations shall be permanent. The Committee will consist of five (5) representatives designated by the Union and five (5) representatives designated by management. The Committee shall establish meeting protocols and appoint a Chairperson and Vice- Chairperson from its members. The Chairperson and Vice-Chairperson positions will alternate annually between Union and Management.

The Committee will continue to develop and make joint labor-management advisory recommendations to the Chief Executive Officer to mitigate and control the cost of future retiree health insurance. The Joint Labor Management Retiree Health Committee has recommended and supports the establishment of a Trust and Investment Services Agreement to mitigate the cost of retiree health insurance.

The Committee will be provided with pertinent documentation/information from the County relating to the establishment of the Trust and Investment Services Agreement. The CEO shall review the Committee's recommendations and prepare an analysis and report to the Board of Supervisors for review and consideration.

Local 721 reserves its right to negotiate any Retiree Health recommendation that affects wages, hours, and other terms and conditions of employment.

The County will negotiate with SEIU Local 721 regarding:

- Amendment of the Trust and Investment Services Agreement
- Appointment of a Successor Trustee
- Termination of the Trust,
- Removal of the Trustee (LACERA)

The County will provide the Joint Labor Management Retiree Health Committee with information relating to the operation and funding of the OPEB Trust.

The Trust and Investment Services Agreement was adopted by the Board of Supervisors on May 15, 2012, and was adopted by the LACERA Board of Investments on June 13, 2012.

ARTICLE 6 LONG TERM DISABILITYSection 1.

The parties agree to recommend jointly to the County's Board of Supervisors that said Board adopt and implement through amendment to the County Code the following modifications to the County's Long-Term Disability and Survivor Benefit Plan (LTD Plan) to be effective on the effective date of the amending ordinance:

- a) Existing provisions of the LTD Plan stipulate that no benefit shall be payable for any "disability resulting from, or contributed to, by mental or nervous disorder, drug addiction, or alcoholism, except while the employee is under the care of a licensed physician." The parties agree that "care" shall mean regular care under a planned program of observation and treatment by a licensed physician as required by applicable medical standards.

- b) Existing provisions of the LTD Plan require that i) an employee who is sufficiently insured for Social Security Disability Benefits be eligible for or actually receiving such benefits as a condition of receiving LTD benefits beyond the initial 24 months of benefit payments, and ii) that LTD benefits be reduced by the amount of the Social Security Disability Benefits that an LTD disability beneficiary receives. The parties agree that an LTD disability beneficiary who receives Social Security Retirement Benefits In lieu of Social Security Disability Benefits shall not have his/her entitlement to LTD benefits impaired by reason thereof, providing the reason for the individual's entitlement to Social Security Retirement Benefits is due solely to

age and not the fact that the individual is not disabled within the meaning of the Social Security Act. The parties further agree that, in such case, the individual's LTD benefit shall be reduced by the amount of the Social Security Retirement Benefit as if it were a Social Security Disability Benefit, provided, however, that no such reduction shall apply to any LTD disability beneficiary who was receiving LTD benefits prior to the effective date of the ordinance implementing the provisions of this Article.

- c) LTD benefits shall not be payable in any case where an employee has been absent from work for six months or more prior to the commencement of total disability, provided, however, that this exclusion shall not apply to any employee whose absence is due to an approved, non-medical leave.
- d) After sending written notice by certified mail, should the surviving spouse fail to cooperate with the County for a period of 90 days, the survivor benefit payable under the LTD Plan shall be payable to the surviving children of the deceased employee or deceased disability beneficiary who otherwise meets all eligibility requirements. In the event that the survivor benefit is paid to the surviving children, duplicate payment for the same eligibility period shall not subsequently be payable to a surviving spouse.
- e) It is agreed that LTD benefits available to Plan E members are the same as those available to members of Plans A through D.

- f) Extend LTD Survivor Benefits to domestic partners. "Domestic Partner", for purposes of this Article, shall parallel the definition used by LACERA.

Section 2.

The parties agree to recommend that the Board of Supervisors amend the LTD plan to:

- A. provide a maximum 2% COLA for LTD disability cases commencing on or after January 1, 2001. The COLA would be based on the Consumer Price Index for all urban consumers for the Los Angeles/Riverside/Orange County area (1982-1984 base) for each calendar year, not to exceed 2% per year, commencing the first month following two years of LTD benefit payments.
- B. increase the survivor continuance benefit under the LTD plan to 55%, effective July 1, 2001.

Section 3.

The LTD Health Insurance Program provides guaranteed access to County-sponsored or County-approved group health insurance for individuals currently enrolled in a health insurance plan and receiving LTD benefits. Effective January 1, 2008, all eligible LTD participants, otherwise eligible to receive LTD benefits, will receive health insurance protection at no cost to the participant. Under this health insurance protection program, the employee would pay 25% of the monthly medical plan premium while receiving LTD benefits, and the County would pay the remaining 75% from an LTD Health Trust Fund.

No person shall be excluded from participating in a County-sponsored or County-approved group health insurance plan solely by virtue of being an LTD Health Plan beneficiary.

Beginning January 1, 2008, employees can elect to “buy-up” 100% LTD Health Insurance subsidy at a cost to the employee to be determined each year by the County. The monthly premium will raise sufficient revenue to fund the program as determined by the County of Los Angeles. Under this optional coverage, the County would pay 100% of the monthly medical plan premium while the employee is receiving LTD benefits.

After two years, LTD recipients who are participants in a contributory retirement plan (i.e., Retirement Plan A, B, C, D or G) must apply for disability retirement benefits with LACERA. Failure to make such application will result in the cessation of LTD benefits. In the event the employee becomes eligible to receive retiree health insurance coverage with LACERA, LTD Health Benefits will cease. The new program would apply only to new disabilities incurred on or after January 1, 2008, and would not apply to employees currently disabled or in the qualifying six month waiting period. Coverage would become effective for those employees after returning to work for a period of six months or more.

The County will ask each health insurance carrier to “experience rate” the LTD group covered in their plans and any increase in premium costs associated with these individuals would be financed from the LTD Health Trust fund.

Employees who do not elect the 100% Optional Coverage would be barred from enrolling in it for two years following that decision. Beginning on January 1, 2005, LTD Health Insurance will be extended to the survivor (including a domestic partner) of an employee who is participating in the LTD health insurance protection program provided that the survivor was listed as an eligible dependent on record prior to the onset of disability.

The definition of “domestic partner” for this purpose will parallel the definition used by LACERA.

ARTICLE 7 INJURY LEAVE

The parties agree that the benefits for persons injured in the course of employment who are not covered by Section 4850 of the Labor Code shall be those set forth in Section 6.20.070 of the County Code and that such benefits shall provide for the following:

- A. The sum of benefits prescribed by the Worker's Compensation Laws of the State of California plus benefits provided by said Section 6.20.070 and earnings from other employment shall equal 70% of an employee's base salary for a period not to exceed one year from the date of injury or the length of his/her continuous service prior to the date of injury, whichever is less. In no event, however, shall an employee receive less than the benefits required under the law.

- B. If an employee charges an absence due to work-related injury to full-pay sick leave, vacation, accumulated overtime, or accumulated holiday time pending a determination as to the compensability of said injury, he/she shall, in the event said injury is determined to be compensable, be entitled to have 70% of such benefits restored. The remaining 30%, having been used to provide a higher benefit than is authorized for injury leave, shall not be restored. For purposes of this Section, restorable time shall be calculated to the nearest 15-minute increment.

- C. From the time an injury is determined to be compensable until either one year from the date of injury, or the length of the employee's continuous service prior to the

date of injury, whichever is less, an employee may not use any other leave benefits to supplement benefits described in this Article.

- D. Nothing herein shall prevent an employee from using leave benefits to supplement Workers' Compensation benefits available after one year from the date of injury, or the length of his/her continuous service prior to the date of injury, whichever is less.

- E. The County and Local 721 shall form a Labor-Management Committee to meet and consult pursuant to County Code Section 5.04.090(A) on health and medical issues that include but are not limited to workers' compensation, temporary and long-term disability, accommodation of employees with disabling health conditions, and mechanisms to ensure compliance with County policies on health and medical issues. The Committee shall consist of no more than five members of Local 721 and five members of Management. The intent of the Committee is to meet quarterly or more often if the parties mutually agree.

ARTICLE 8 OPTIONS - CAFETERIA BENEFIT PLAN AND HEALTH, DENTAL AND LIFE INSURANCE

Section 1. Cafeteria Benefit Plan - Options

The parties agree to recommend jointly to the County's Board of Supervisors for adoption and implementation by amendment to the County Code that a cafeteria benefit plan (hereinafter called Plan or Options), pursuant to Section 125 of the IRS Code be implemented for employees covered by the MOU for the period January 1, 2023, through December 31, 2025. The Plan will operate on a Plan year basis as required by Section 125 of the IRS Code. It is the intent of the parties that this plan year will consist of twelve (12) months, January 1 through December 31 of each year. Each election period shall be an open enrollment, unless otherwise indicated.

Section 2. Benefits Administration Committee

- A. The Labor and Management Committee known as the Local 721 Benefits Administration Committee (BAC or Committee) will jointly administer the benefits provided to employees covered by this MOU through the Plan. The Committee shall use the Joint Labor-Management Health Insurance Cost Containment Strategic Action Plan (Cost Mitigation, Goals and Objectives) in Appendix A as a guideline in the development and design of benefit plans.
- B. The Committee shall be comprised of five (5) representatives designated by Local 721 and five (5) representatives designated by Management. The Committee shall have the authority, subject to CEO and Board of Supervisors approval when required, to:

1. Develop its own internal procedures, including the scheduling of meetings and reports of contacts with insurance carriers.
2. Negotiate with carriers of County-sponsored insurance plans regarding premium rates and benefit plan design for all benefits provided to employees under the Plan.
3. Review utilization and claims experience of all County-sponsored insurance and benefits plans within the Plan, which may require access to all relevant reports, and face-to-face discussions with both providers and the appropriate agencies. This does not preclude the Committee from requesting similar information for other plans.
4. Engage its own consultant. If it does, the cost of such consultant shall be negotiated by the County and Local 721.
5. Recommend to the CEO which County-sponsored benefit options, (including but not limited to voluntary plans such as life, vision, group legal, educational assistance), and plan carriers will be offered through the Plan.

Members may use their individual resources to analyze, research, and develop recommendations to the Committee regarding new benefit plan options.

The parties agree that during the term of this agreement, the parties will discuss ways to mitigate premium increases for subsequent plan years.

Section 3. Employees Eligible For Options

- A. Employees eligible for Options will include all full-time permanent employees who are:
1. Represented by Local 721;
 2. Employees in bargaining units covered by Local 721's Fringe Benefits Memorandum of Understanding;
 3. Non-represented employees who are ineligible to participate in the County's Flexible or Mega Flex Benefit Plan for non-represented employees and who are ineligible to participate in the Choices Plan for represented employees.
- B. For purposes of this Plan, "full-time permanent employee" means any employee appointed to an "A," "D," "M," "N" or "Z" item, as defined in Title 6 of the County Code. An eligible employee shall become a "Participant" in the Plan upon meeting all of the requirements for participation set forth above.

Section 4. How The Plan Works

It is the purpose of the Plan to allow Participants to choose among the various benefits contained within the Plan in a manner that best meets their personal needs, and, further, to

choose, to the maximum extent permitted by applicable law, between taxable and nontaxable compensation. The benefit options available for the Plan Years 2023, 2024 and 2025 and various rules relating to those options, are set forth below:

A. Health Insurance:

Participants may purchase a County-sponsored health insurance plan.

Enrollment Rules:

1. The County-sponsored health insurance plans will be fully open to all Participants, and their dependents, subject to evidence of eligibility as required by the County. The premiums in effect on January 1 of each Plan Year for the County-sponsored health insurance plans will remain unchanged for the duration of that Plan Year unless mid-year premium increases are required due to imposition of State or Federal taxes.
2. Every participant in the Options Plan must be enrolled in a County-sponsored plan or certify that he/she has other health insurance coverage through another employer, retirement plan or Medicare to receive the waiver contribution. Such certification must state the name of the other insurance plan, name of the employer or retirement plan and the name, the Social Security Number and medical record number of the subscriber.

Beginning in January 2015, participants may decline coverage to enroll in an individual health insurance plan (including enrolling in health insurance coverage through a health care exchange). However, there will be no waiver

contribution for participants who choose to decline coverage and enroll in an individual plan.

Effective January 1, 2011, in the event that a participant defaults on providing the required health insurance certification coverage information, he/she shall be defaulted into the lowest cost HMO plan.

B. Dental Insurance:

Plan Participants may purchase a County-sponsored dental plan.

Enrollment Rules:

All dental plans will be fully open to all Participants. As with health insurance, every Participant must be enrolled in a dental plan or certify that he/she has other dental coverage. Such certification shall require the name of the other dental plan, the name of the subscriber and the Social Security number of the subscriber. The premiums in effect on January 1 of each Plan Year for the dental plans will remain unchanged for the duration of each Plan Year unless mid-year adjustments are required due to imposition of State or Federal taxes.

C. Life Insurance:

All Plan Participants will automatically receive \$5,000 of term life insurance coverage if they are members of Retirement Plan A, B, C, D, or G and \$13,000 of term life insurance coverage if they are members of Retirement Plan E.

This coverage is fully paid by the County outside of the Plan.

The effective date of this change is January 1, 2005. Employees in Retirement Plan E may purchase up to \$37,000 of this coverage on a pre-tax basis through the Plan.

Employees in Retirement Plans A, B, C, D or G may purchase up to \$45,000 of coverage on a pre-tax basis through the Plan. Coverage in excess of \$37,000 or \$45,000, whichever is applicable, must be purchased on an after-tax basis outside the Plan.

Subject to the limitations set forth above, participants may purchase optional County-sponsored term life insurance in amounts up to eight (8) times their annual salary. The County will subsidize the three-year rate guarantee for optional term life quoted by the insurer at a 15% subsidized rate for the term of this agreement.

Employees may elect to purchase optional life insurance in increments of \$5,000 to a maximum of \$20,000 for their spouse or domestic partner. The effective date of this option is January 1, 2005. Additional coverage of lesser amounts is available for dependents and domestic partners.

D. Accidental Death and Dismemberment (AD&D) Insurance:

Participants may purchase County-sponsored AD&D insurance in specified amounts from \$10,000 to \$250,000, but not more than ten (10) times their annual salary. Additional coverage in lesser amounts is available for dependents.

Enrollment Rules:

Participants may increase or decrease coverage or continue existing coverage. No evidence of insurability is required.

E. Health Care Spending Account:

Beginning with Plan Year 2023, each Participant may allocate a monthly contribution from \$10.00 to the IRS annual contribution limit divided by 12, to a Health Care Spending Account. If the IRS annual contribution limit divided by 12 is not a whole number, then the monthly maximum contribution limit will be rounded down to the nearest whole number. Money allocated to a Health Care Spending Account may be expended on behalf of a Participant, or of his/her dependents, for "medical expenses," as defined in the Internal Revenue Code, incurred during the current Plan Year. Payments for such expenditures will be made directly to the Participants pursuant to claims procedures established by the Committee. Such procedures will provide that claims must be submitted no later than six (6) months after the close of the Plan Year in which the medical expenses were incurred.

Effective with Plan Year 2023, unused Health Care Spending Account amounts from the prior Plan Year, up to the annual IRS carryover limit, will be carried over to the next Plan Year.

F. Dependent Care Spending Account:

- 1) Each participant may allocate from \$10.00 to \$400.00 per month to a Dependent Care Spending Account. Increases or decreases in the limits will be recommended by the Committee. Money allocated to a Dependent Care

Spending Account may be expended on "employment-related" dependent care expenses, as defined in the Internal Revenue Code. As with the Health Care Spending Account, payments for such expenditures will be made directly to the Participants pursuant to claims procedures established by the Committee. Such procedures will provide that claims must be submitted no later than six (6) months after the close of the Plan Year in which the dependent care expenses were incurred.

- 2) Effective with the Plan year beginning January 1, 2023, the County shall provide a monthly contribution to each participant's Dependent Care Spending Account based on the employee's annual salary as follows:

Employee Gross Annual Salary	Employer Contribution per month
Less than \$34,999	\$375
\$35,000-\$39,999	\$300
\$40,000-\$44,999	\$275
\$45,000-\$49,999	\$200
\$50,000-\$54,999	\$125
\$55,000 or more	\$100

The County contribution towards Dependent Care Spending Account for Local 721 members is subject to an annual limit not to exceed \$6.5 Million Dollars for plan years 2023, 2024 and 2025 (for a total of \$19.5 Million Dollars). Any remaining amount not used in the Plan Year will be returned to the County's General Fund.

Participants in the Options Dependent Care Spending Account will be able to use their account for eligible Child Care and/or Elder Care expenses up to the maximum allowable contribution amount. Participants would be required to sign up for the Dependent Care Spending Account subject to existing administrative rules, IRS regulations, and other requirements governing flexible spending accounts. The implementation of the County contribution towards Options Dependent Care Spending Account shall not change any of the IRS guidelines and/or claims procedures as established by the Committee and outlined in the Health Care and Dependent Care Spending Accounts booklet. The Benefits Administration Committee (BAC) Joint Labor-Management Committee will be responsible for making recommendations regarding the administration of the Dependent Care Spending Account and developing communication materials and election information. The provisions for the Options Dependent Care Spending Account will be provided during the term of this MOU agreement.

- 3) Effective with Plan Year 2023, the participant shall contribute a minimum of \$10 monthly toward the Dependent Care Spending Account to receive the County's monthly contribution to the Dependent Care Spending Account.

G. Election Procedures:

1. Eligible employees shall make their benefit elections pursuant to procedures established by the Chief Executive Office.

2. Newly hired and newly eligible employees shall have sixty (60) days to enroll.
3. An employee shall become a Participant effective on the first day of the month following the date on which the enrollment document is submitted. A newly hired employee who fails to act within the above time limit will be deemed ineligible to participate in the Plan until the next Plan Year. For purposes of this Plan, "hired" means appointment to a position eligible for the Plan.
4. Employees who fail to submit the required enrollment documentation during an annual open enrollment within the established time frame will be subject to the default rules set forth below:
 - a) If the defaulting employee is currently enrolled in a County-sponsored health insurance plan, he/she will become a Participant in the Plan for the subsequent Plan Year and will be deemed to have elected to perpetuate his/her existing benefit coverage relative to health insurance, dental insurance, optional life insurance, and AD&D insurance. The "existing coverage" for this purpose will be the coverage reflected on each Participant's pay warrant on the 15th of the month immediately preceding the effective date of his/her election for all Plan Years. Such employee will not be entitled to receive coverage under a Health Care or Dependent Care Spending Account, and he/she will not receive any taxable cash unless the cost of his/her perpetuated nontaxable benefit coverage is less than the amount of

the County contribution.

- b) If the defaulting employee is not enrolled in a County-sponsored health insurance plan, he/she will be deemed ineligible to participate in the Plan until the next Plan Year.

H. Maintenance of Benefits

Unless otherwise agreed to by the County and the Union, all insurance coverage sponsored by the County shall retain the levels of benefits in effect on January 1, 2023, through December 31, 2025.

The parties agree, notwithstanding any other provisions or limiting language contained in this or any other MOU, (i) the provisions of this section/article shall remain effective during the term of this contract, on condition that the County will be able to undertake a solicitation process (such as a Request for Proposals) with union participation and concurrence with the plan designs to be included in the RFP solicitation document, in accordance with BOS requirements, and (ii) the County, through said solicitation process may amend its health plan offerings and plan design.

Effective January 1, 2003, the parties implemented a \$5.00 mandatory office co-pay for the Kaiser and PacifiCare HMO - (high option) health plans, a \$5.00 prescription co-pay for the Kaiser plan, and a \$5.00 generic/\$10.00 brand name prescription co-pay for the PacifiCare HMO - (high option) plan.

Effective January 1, 2008, the parties implemented a \$10.00 mandatory Office/Urgent Care co-pay for the County sponsored HMO health plans, and a \$5.00

generic/\$20.00 brand name prescription co-pay for the County sponsored HMO health plans.

The parties jointly agree that effective January 1, 2019, the Kaiser Permanente HMO plan is no longer a “grandfathered health plan” under the Affordable Care Act (ACA). Accordingly, the Kaiser HMO plan now includes all consumer protections required by the ACA, including zero dollars (\$0.00) co-pay for preventative health services.

Beginning in plan year 2009, the parties elected to waive co-pays for preventative care for the County sponsored HMO plans.

Beginning in plan year 2009, the parties implemented the following enhancements to the dental PPO:

- 1) Increased the annual plan maximum to \$1,750 across all three network tiers,
- 2) Added orthodontia coverage for adults and children with a 50% coinsurance subject to a \$1,200 lifetime maximum,
- 3) Added coverage for dental implants with 50% coinsurance subject to the annual plan maximum, and
- 4) allowed a third teeth cleaning if medically recommended.

Effective January 1, 2010, the parties increased the United HealthCare (UHC) Choice Plus PPO lifetime maximum benefit to \$5 million.

In accordance with the Affordable Care Act there is no lifetime maximum on any County sponsored health plan.

I. Miscellaneous Rules:

1. Unpaid Leave of Absence:

As stated above, an employee loses the monthly County contribution if he/she is not in a pay status at least eight (8) hours in the preceding month. In all other respects, however, an employee who goes on an unpaid leave of absence will continue to be a Participant in the Plan. If the employee pays for his/her insurance premiums while on leave, coverage(s) will continue, and all deductions will resume upon the employee's return to an eligible pay status. However, if the employee allows his/her insurance coverage(s) to be canceled, when he/she returns to an eligible pay status coverage(s) will resume with a new effective date which will be the 1st of the month after the employee has been in a pay status at least eight (8) hours in the preceding month.

2. Breaks in Service:

An employee who breaks service and then re-enters during the same Plan Year will be required to complete the current Plan Year with the benefit election in place at the time of the break. If the employee returns during a different Plan Year, he/she will be treated as a new hire. An employee who breaks service and who has elected coverage under the Health Care Reimbursement or Dependent Care Reimbursement options will be deemed to be a Participant in the Plan through the end of the current Plan Year for the limited purpose of claiming any amounts set aside for said benefits prior to the break.

3. Change in Family Status:

An employee must submit his/her change in coverage or life event within ninety (90) days from the date of a qualified change in family status to be eligible for any increase in, or alternate use of, the County Contribution. No refund of premium overpayments will be made if a change in coverage or life event is not received within the ninety (90) day period.

Section 5. Contributions

- A. During the term of this Agreement, the County will continue to offer a fully paid single-party, two-party, and family medical and dental coverage with no premium cost to Options eligible bargaining unit members.
- B. The County will make contributions on behalf of each Participant pursuant to the following three rate structure for the term of this agreement:

<u>Coverage</u>	<u>Monthly Contribution</u>		
	<u>2023</u>	<u>2024</u>	<u>2025</u>
Employee who waives health insurance coverage	\$ 228.00	\$ 228.00	\$ 228.00
Employee only	\$1,078.58	\$ 1,105.54	\$ 1,127.65
Employee plus one dependent	\$1,967.91	\$2,017.11	\$2,057.45
Employee plus two or more dependents	\$2,324.72	\$2,382.84	\$2,430.50

Management will contribute a one-time only \$250.00 payment to the Options contribution on January 1, 2014, and July 1, 2014, for a total of \$500.00 during the term of the agreement. The two (2) one-time payments also apply to Options participants who waive

coverage.

C. Taxable Cash

Any portion of any County contribution which is not used to pay for the costs of nontaxable benefits available under this Plan shall be paid to the Participant as taxable cash.

The parties agree effective the 2020 plan year, the Participant may receive up to a maximum of \$325 of taxable cash. Effective the 2021 plan year, the Participant may receive up to a maximum of \$244 of taxable cash.

D. In addition, in Plan Years 2023, 2024 and 2025, the County will buy down the premium of any County or Union sponsored health plan, so the premium is decreased \$6.00 per month for employee only coverage, \$9.00 per month for employee plus one dependent coverage, and \$11.00 per month for employee plus two or more dependents coverage.

E. No employee may receive multiple contributions from the Plan, the Choices Plan, the Los Angeles County Flexible and Mega Flex Benefit Plan, or any other County contribution toward any health or dental insurance plan during the same month. An employee who would otherwise be eligible for more than one such contribution during any month will be entitled to the contribution to which his/her status on the last day of the month entitles him/her.

F. If an employee's nontaxable benefit selections cost more than the amount of the applicable County contribution, the difference will be made up with pretax salary reduction contributions. Salary reduction contributions are additional contributions

made by the County in exchange for an equivalent reduction in an employee's taxable compensation. No County contribution or salary reduction contribution will be made on behalf of any Participant if he/she has not been in a pay status for at least eight (8) hours during the preceding month. Unless otherwise required by State or Federal law, salary reduction contributions shall have no adverse effect on County retirement benefits authorized by the 1937 Retirement Act, the Public Employees Pension Reform Act of 2013 (PEPRA), or any other employee benefit.

G. Options Sustainability Bonus

Effective January 1, 2020, the County agrees to pay full-time, permanent, employees, represented by SEIU Local 721 a four (4) level (1%) Options Sustainability Bonus, as acknowledgment of SEIU Local 721's cooperation with maintaining the bona fide status of the Options Cafeteria Plan.

H. Options Sustainability Step

Effective January 1, 2021, the County also agrees to add a half – step (approximately 2.75%) to the range for all full-time, permanent, employees represented by SEIU Local 721, as acknowledgment of SEIU Local 721's cooperation with continuing to maintain the bona fide status of the Options Cafeteria Plan. Advancement to the additional step shall be granted upon completion of 12 months of service, at the final step, and receipt of a Competent, or better, Performance Evaluation (PE).

Employees who have been on the final step for one year and who have received a Competent, or better, PE will receive the additional step on January 1, 2021.

The parties agree that the Options Sustainability Bonus and Options Sustainability Step are funded from negotiated changes to the Options Cafeteria Plan. As such, if the County is ordered to pay economic damages in excess of \$20 million dollars based on a determination of non - bona fide plan status, under FLSA, the parties agree to immediately begin negotiations pursuant to County Code over reductions to both the Options Sustainability Bonus and Options Sustainability Step.

Section 6. PPO Dental Subsidy

Beginning January 1, 2010, the premiums for these plans will be on a three-tier basis. For each month of the term of this contract, the County contribution to participants in the Indemnity/PPO dental plan shall be as follows:

	<u>2023</u>	<u>2024</u>	<u>2025</u>
Employee Only	\$20.59	\$20.59	\$20.59
Employee plus one dependent	\$36.02	\$36.02	\$36.02
Employee plus two or more dependents	\$56.58	\$56.58	\$56.58

If the County discontinues the buy down of the PPO dental plan, the cost of such buy down shall be added proportionately to the contribution rate of all Options participants, whether such participants purchase the PPO dental plan or not.

Section 7. Administrative Fee

A \$3.79 per month minimum fee shall be charged to each participant for the County costs to administer the Plan. A monthly administrative fee, as determined by the Committee may be charged to each participant. Such fee shall be for enrollment, communications, third party administration, etc.

The above fee shall be collected via tax free salary reduction. It is the intent of the parties that all administrative costs of the Plan be revenue neutral.

Section 8. Health Insurance for Temporary and Recurrent Employees

A. The parties further agree to recommend jointly to the County's Board of Supervisors for adoption and implementation by amendment to the County Code, that the County contribution toward health insurance for certain temporary and recurrent employees who are not eligible for the Plan be as set forth below for the term of this agreement.

<u>Coverage</u>	<u>Monthly Contribution</u>		
	<u>2023</u>	<u>2024</u>	<u>2025</u>
Employee only	\$1,011.56	\$1,036.85	\$1,057.59
Employee plus one dependent	\$1,796.66	\$1,841.58	\$1,878.41
Employee plus two or more dependents	\$2,062.36	\$2,113.92	\$2,156.20

Management will contribute a one-time only \$125.00 payment on January 1, 2014, and July 1, 2014, for a total of \$250.00 during the term of the agreement to the Pension Savings Plan account for temporary and recurrent employees who are not eligible to the Options program.

In addition, the parties agree that the County will provide the same health insurance subsidy listed above to non-student part-time employees as described below.

B. Health Insurance Subsidy for Non-Student Part-time Employees Eligible for Participation

1. An employee will be eligible to enroll in subsidized health coverage if the employee is in a non-student position and is in a pay status for an average of twenty (20) hours a week for the three (3) consecutive months prior to enrollment.

An employee will be deemed to be in a pay status for an average of twenty (20) hours a week for the three (3) consecutive months prior to enrollment if:

- a. The employee is on a daily or hourly item and the employee's total pay status hours for the three (3) consecutive months prior to enrollment is equal to or greater than 244 hours.
 - b. The employee is on a 1/2, 3/5, 5/8 or 2/3 monthly item and the employee's total pay status hours for the three (3) consecutive months prior to enrollment is equal to or greater than 256 hours.
2. The contributions provided for in Section 8A shall be paid on behalf of any employee who a) is employed on a monthly temporary ("O" Item), monthly recurrent ("B" Item), or monthly permanent 3/4 time ("Y" Item) as defined in Section 6.28.020 of the County Code, and b) is not a participant in the

Options Plan. In no event shall a County contribution be made on behalf of any employee who has not been in a pay status for at least eight hours during the preceding month.

C. Initial Enrollment

The initial enrollment will allow for health benefits to be effective July 1, 2001.

To determine eligibility for the initial enrollment, the months of January, February and March of 2001 will be used to determine if an employee is in a pay-status for an average of thirty (30) hours a week.

Effective January 1, 2010, employees in a pay-status for an average of twenty (20) hours a week during, and, any three (3) consecutive month period will be eligible to enroll in subsidized health coverage.

D. Ongoing Eligibility

To receive a contribution to a health insurance for a month, an employee must be in a pay status for at least eight (8) hours in the prior month. Effective January 1, 2007, an employee will be taken off this benefit effective July 1, if an employee is in a pay-status for an average of less-than twenty (20) hours a week during January, February, and March.

Management agrees not to reduce work hours of such employees for the sole purpose of denying them this benefit.

Section 9. Flexible Benefit and Mega-Flex Benefit Plan

Permanent County employees currently participating in, or eligible to participate in the Flexible Benefit Plan (FBP) and/or Mega-Flex Plan (Pensionable and Non-Pensionable), shall continue to be eligible for and participate in said plans upon unit certification or accretion into a Local 721 bargaining unit. Any and all future changes the County makes to the Flex and Mega-Flex Benefit Plans for non-represented employees, including contributions, plan design and benefit changes, shall be extended to and become part of said eligible or participating employee's Flex and Mega-Flex Plans.

It is the intent of Section 9 to provide a "grandfathered" benefit to employees currently receiving or eligible to participate in the Flexible Benefit/Mega-Flex Plans that elect to be represented by a certified employee organization. Any new employee subsequently hired or promoted into an accreted job classification, or a classification covered by unit certification previously covered by the Flex/Mega-Flex Plan shall not participate in the Flex/Mega-Flex Program.

The County shall not discriminate against non-represented employees upon unit certification or accretion into a Local 721 bargaining unit, or otherwise restrict their participation in the Flex and Mega-Flex Benefit Plans, on the basis of their status as represented employees.

The parties agree that the exclusive management, control, and administration of the Flex/Mega-Flex Program shall be at the discretion of the County.

Any current and future changes or modifications to the Flex/Mega-Flex Program will be at the sole discretion of Management subject to the County meeting and consulting with the Union prior to implementing any changes to the plan(s). Any employee currently covered by Flex/Mega-Flex may waive this benefit and opt on a one-time only basis to be covered by Options. Once an employee elects to be covered by Options this choice will be irrevocable.

Section 10. Joint Labor-Management Health Insurance Committee

The parties agree to establish a Joint Labor-Management Health Insurance Committee. The Committee will consist of seven (7) representatives designated by SEIU Local 721 and seven (7) representatives designated by County Management. The Committee shall establish meeting protocols and appoint a Chairperson and Vice-Chairperson from among its members. The Chairperson and Vice-Chairperson positions will alternate annually between Management and Union.

The purpose of the Joint Labor-Management Committee is to meet, explore and review the feasibility of establishing an Operational Plan to utilize Los Angeles County's health care delivery system as an option for employees and new hires to select as part of their health insurance benefit program. County Management and SEIU Local 721 may engage their own consultant to participate in the discussion and engagement process. The Committee will develop and make advisory recommendations to the Chief Executive Officer.

SEIU Local 721 reserves its rights to negotiate any health insurance cost mitigation recommendation that affects wages, hours and other terms and conditions of employment.

ARTICLE 10 BILINGUAL PAY

The parties agree to recommend to the County's Board of Supervisors that said Board adopt and implement, through amendment to the County Code, an increase in the additional compensation which may be received, if all the conditions enumerated in Section 6.10.140 of said code are met, from \$80 per month to \$100 per month (\$50.00 per pay period) effective January 1, 2001.

The parties further agree to recommend to the County's Board of Supervisors that effective January 1, 1992, said Board adopt and implement through amendment to County Code Section 6.10.140 that temporary and recurrent employees who meet the conditions stated in said County Code shall be eligible to receive bilingual pay.

ARTICLE 11 PAYDAYSSection 1.

The parties agree that payroll warrants, including base pay, bonuses, overtime, or any other compensation, will be issued semi-monthly on the 30th day of the month for work performed from the first day through the fifteenth day of the month and on the 15th day of the following month for work performed from the sixteenth day through the last day of the month. If such a day falls on a Saturday, Sunday, or holiday, the payday shall be the immediately preceding regular work day. Employees may opt to participate in the Direct Deposit Program, in which the entire semi-monthly net pay is automatically deposited directly into the employee's checking or savings account at the bank, savings and loan, or credit union of his/her choice which is a member of the Automated Clearing House. Such deposits will be made on or before the 15th and 30th days of each month.

Section 2.

The provisions of this Article will be impacted by the implementation of a new payroll/personnel system commonly known as e-HR in on or after January 2010 through December 31, 2012. Any impact on implementation of the proposed system changes (including bi-weekly pay) on wages, hours, or other terms and conditions of employment will be negotiated with Local 721 in the same manner, and subject to the same conditions, as that provided for in Article 29 e-HR of this Memorandum of Understanding.

ARTICLE 12 SICK LEAVESection 1.

Effective with the pay period ending April 15, 2012, the Sick Leave Pay Period Accrual Rate shall be as follows:

Rule 1. For employees authorized 64 or 80 hours of Sick Leave per calendar year and assigned to a 40-hour workweek, the Sick Leave Pay Period Accrual Rate shall be four hours and 21 minutes (4:21) per pay period.

Rule 2. For employees authorized 64 hours of Sick Leave per calendar year and assigned to a 56-hour workweek, the Sick Leave Pay Period Accrual Rate shall be six hours and 32 minutes (6:32) per pay period.

Rule 3. For employees authorized 96 hours of Sick Leave per calendar year and assigned to a 40-hour workweek, the Sick Leave Pay Period Accrual Rate shall be four hours and 21 minutes (4:21) per pay period.

Rule 4. For employees authorized 96 hours of Sick Leave per calendar year and assigned to a 56-hour workweek, the Sick Leave Pay Period Accrual Rate shall be six hours and 32 minutes (6:32) per pay period.

The aforementioned rates replace the accrual methods formerly utilized under the Countywide Timekeeping and Personnel Payroll System (CWTAPPS). Retroactive adjustments which encompass pay periods prior to the pay period ending April 15, 2012, will be made using the rates formerly in effect under CWTAPPS.

All other provisions prior to eHR implementation and not related to accrual remain the same as described in Sections 5 of this Article.

Section 2.

The parties further agree to recommend jointly to the County's Board of Supervisors for adoption and implementation through amendment to said County Code that during the term of this agreement only, full-time, permanent employees may be paid for unused full-pay sick leave as follows:

- a) An employee may, at his/her option, be paid for up to three (3) sick leave days, in lieu of carrying such days, if the employee uses no sick leave for any reason from July 1, 2022, through December 31, 2022, and if, by December 31, 2022, he/she had completed at least 12 consecutive months of continuous service as defined in this Article. Such payment shall be computed on the basis of the workday rate in effect on December 31, 2022.
- b) An employee may, at his/her option, be paid for up to three (3) sick leave days, in lieu of carrying such days, if the employee uses no sick leave for any reason from January 1, 2023, through June 30, 2023, and if, by June 30, 2023, he/she had completed at least 12 consecutive months of continuous service as defined in this Article. Such payment shall be computed on the basis of the workday rate in effect on June 30, 2023.

- b) A pro rata portion of eight (8) hours in the case of one-half time or more permanent employees.

Section 4.

The parties further agree to recommend to the County's Board of Supervisors that Section 6.20.040 of the County Code shall continue to provide part pay sick leave benefits based on length of service. Such benefits shall be at the rate of 65% and 50% pay and shall be available for use subject to the conditions and limitations set forth in said County Code.

Section 5.

Notwithstanding the provisions of Section 1 above, full pay sick leave was formerly earned and accrued as follows:

Employees hired prior to July 1, 1986, shall, effective January 1, 1994, earn 0.050 of an hour of full pay sick leave (0.075 of an hour for employees working a 56-hour shift) for each

qualifying hour of service during a pay period. Qualifying hours include all active service hours, but do not include regular days off or overtime. Full pay sick leave earned is available for use on the first day of the subsequent pay period. There is no change to the maximum number of days of full pay sick leave that may be earned each calendar year. Employees will no longer receive a lump of sick leave on January 1 of each calendar year. Such employees will receive, on January 1, 1994, a number of days of special usage only sick leave on a one-time only basis. This number of days is equal to such employees' annual maximum number of full pay sick leave days. This special sick leave can be used only after all other full pay sick leave subject to 50% payoff at termination is used, (that sick leave earned on or after January 1, 1971) but may be used before full pay sick leave subject to 100% payoff is used (that sick leave earned prior to January 1, 1971). This special sick leave is not paid off at termination. Upon termination, an employee who otherwise qualifies for payoff of unused full pay sick leave is, in addition to all previously accrued and unused full pay sick leave, paid off for 50% of his or her current annual maximum number of sick leave days less any full pay sick leave taken in the year of termination.

Employees hired on or after July 1, 1986, shall, effective upon the implementation of phase 2 of the County-wide Timekeeping and Payroll-Personnel System (CWTAPPS) earn 0.050 of an hour (0.075 of an hour for employees working a 56-hour shift) for each qualifying hour of service worked during a pay period. Full pay sick leave earned is available for use on the first day of the subsequent pay period. There is no change to the maximum number of days of full pay sick leave that may be earned each calendar year.

Section 6. Personal Leave

Beginning January 1, 2007, employees may use up to 96 working hours (up to 144 working hours for those employees employed on a 56-hour workweek) of accrued full-pay sick leave in any one calendar year for personal reasons pursuant to County Code Section 6.20.030 A(2). When leave pursuant to this Section is needed to attend to the illness or injury of a family member as defined in Article 16, Bereavement Leave, in the Local 721 Fringe Benefit MOU, departmental requirements for prior approval will be applied only to the extent practicable.

Persons employed in positions requiring a California license to practice nursing will be able to use up to 96 working hours for personal reasons in any one calendar year.

ARTICLE 13 PAYING OFF TIME CERTIFICATES

After an employee leaves County service, he/she shall be paid for any unused and payable sick leave, accumulated holiday time, and vacation time at the workday rate of pay in effect on the employee's last day of County Service. Such payment shall be made in one lump sum payment within 30 days or as soon as practicable thereafter. Payment for accumulated overtime shall be paid on the same basis.

Employees, other than those laid off due to a reduction in work force, who are later reemployed or reinstated by the County, shall be considered new employees in all respects with regard to service, compensation, and benefits.

Any full-time permanent employee, who has at least six months continuous service and is laid off pursuant to Civil Service Rules with less than 10 business days' notice, shall be eligible to receive, at the employee's option, one-half of any earned base pay remaining on the books as of the employee's last day of County service. Upon the employee's request to the appointing authority, such payment shall be made within five business days following the employee's last day of County service. The employee's departmental payroll section shall submit the appropriate payroll information to the Auditor-Controller within two business days from the date of the employee's request.

	<u>Effective</u> <u>10/01/09</u>

All employees who are currently provided free meals by the County shall continue to receive free meals for the term of the Memorandum of Understanding.
