Dear Supervisors:

## FISCAL YEAR 2016-17 RECOMMENDED COUNTY BUDGET (3-VOTES)

The Fiscal Year (FY) 2016-17 Recommended Budget marks the first step in our annual budget process and culminates with the Supplemental Budget scheduled for late September 2016. The Recommended Budget maintains a balance between service delivery and fiscal sustainability, while addressing the Board of Supervisors (Board's) programmatic priorities, including funding for homeless initiatives, wage enforcement, economic development, affordable housing, diversion and reentry, Proposition 47 programs, and employee cost of living adjustments.

The FY 2016-17 Recommended Budget total of \$28.5 billion reflects an increase of \$282 million in total requirements when compared to the FY 2015-16 Final Adopted Budget. General County funds, comprised of the General Fund and Hospital Enterprise Funds (\$22.2 billion), reflect a net increase of \$441 million. Special Districts/Special Funds reflect a decrease of \$159 million.

Fund	2015-16 Final Adopted Budget	2016-17 Recommended	Change	% Change
Total General County	\$21.729	\$22.170	\$0.441	2.0%
Special Districts/Special Funds	6.466	6.307	-\$0.159	-2.5%
<b>Total Budget</b>	<b>\$28.195</b>	<b>\$28.477</b>	<b>\$0.282</b>	<b>1.0%</b>

## **Economic Outlook**

The current economic outlook for the nation, California, and the County shows positive growth for the remainder of 2016 and into 2017. Growth in the labor market is strong, with experts asserting that the national economy is back to full employment levels and forecasting higher wages supported by market conditions. The housing market continues to improve as prices grow moderately and demand persists for single-family homes, as well as rental units. Consumer spending has demonstrated strong growth, which will bolster the local economy.

The economic outlook also faces some challenges. Instability in global markets and declining oil prices have resulted in uncertainties over manufacturing, exports, and the financial markets. We will continue to monitor economic indicators and analyze their implications throughout the budget process. We must remain mindful that the current expansion will eventually give way to another economic slowdown that will likely challenge our budget. Since World War II, economic expansions have averaged approximately five (5) years. The current economic expansion has already exceeded this average.

Our office, in consultation with the Assessor's office, is forecasting a 5.0 percent increase to the 2016 tax assessment roll. This forecast is preliminary, as the Assessor is scheduled to issue its official forecast in May 2016, and release the final roll in July 2016. Our office will continue to work with the Assessor's office to update our property tax projections accordingly. We are also forecasting a 4.0 percent increase in statewide sales tax growth.

## **Program Changes**

Outlined below are some of the significant program changes that are financed with locally generated revenues.

- **Office of Homelessness** - Reflects \$0.7 million increase to the Chief Executive Officer's (CEO) budget to establish an Office of Homelessness. On February 9, 2016, the Board directed the CEO to establish such an office as part of the FY 2016-17 Recommended Budget to provide executive leadership for this important initiative. We have determined that this office would best be housed within the CEO. This office will oversee, coordinate, and ensure implementation of the 47 Homeless Initiative strategies approved by the Board, as well as act as the County's central point of contact and lead for coordinating with departments on all on-going efforts related to homelessness.

- **Homeless and Housing Programs** - Contains \$98.7 million in appropriation authority for the Homelessness and Housing budget unit, aside from the hundreds of millions of dollars being spent by the various County departments to provide services to the homeless. This budget serves as the central funding source for the Homeless Initiative. This includes \$21.6 million in new one-time funding financed by AB 109 revenues, which was approved by the Board on February 9, 2016, as part of the Homelessness Initiative strategies.
- **In-Home Supportive Services (IHSS) Program** – Increases funding for the IHSS program by \$37.0 million for the following changes:
  - ✓ **Maintenance of Effort (MOE)** – Reflects a \$14.9 million increase based upon State law that requires counties to adjust the MOE base amount by an annual 3.5 percent inflation factor.
  - ✓ **IHSS Wage Increase** – Provides an \$18.7 million increase to annualize the IHSS wage increase approved by the Board on June 16, 2015.
  - ✓ **IHSS Healthcare Benefits** – Allocates \$3.4 million in additional funding to support costs associated with healthcare benefits for IHSS workers.
- **General Relief (GR) Caseload** – Reflects a \$5.0 million reduction in the Department of Public Social Services' Assistance budget unit due to a projected decline in the GR caseload.
- **Sheriff's Department** – Allocates \$4.5 million in additional funding, and adds 21.0 budgeted positions for the following Sheriff priority programs:
  - ✓ **Human Trafficking Bureau** – Adds \$1.6 million and 6.0 budgeted positions to the Sheriff's Detective budget unit to help investigate and combat human trafficking and exploitation cases.
  - ✓ **Emergency Operations Bureau** – Reflects an increase of \$2.9 million in funding, and adds 15.0 budgeted positions to provide around-the-clock operational presence at the Sheriff's Department Operational Center (DOC). Although the Sheriff's DOC opened in August 2015, it remains the only major law enforcement DOC in the nation that does not have a 24-hour and 7-day operational presence.
- **Unincorporated Area Stormwater Program:** Sets aside \$7.4 million in the Provisional Financing Uses (PFU) budget unit to help comply with the 2012 adopted National Pollutant Discharge Elimination System (NPDES) permit in the unincorporated areas.

- **Fire-Lifeguards** – Restores \$2.0 million in funding that was curtailed from the Fire-Lifeguard budget during the Great Recession. This adjustment will restore funding for the rescue boat replacement program along with other operating costs that were curtailed.
- **Budget and Fiscal Policies** – In accordance with County budget and fiscal policies, we are recommending that \$10.4 million be added to the Appropriation for Contingencies to be used as a hedge against any unforeseen fiscal issues during the year, and \$5.0 million be added to the County Extraordinary Maintenance budget unit to help address deferred maintenance needs throughout the County. In addition, FY 2016-17 marks the second year of our multi-year Board-approved plan to prefund retiree healthcare benefits.

In addition, we are recommending important program changes that are primarily financed with outside revenues sources, including State and federal funding.

- **Health Services** – The FY 2016-17 Recommended Budget is fully funded with available resources and also reflects the use of \$84.4 million in fund balance to be transferred to the four hospital enterprise funds for ongoing health care costs. Below are some important changes to the Health Services' Budget.
  - ✓ Provides a \$7.2 million increase for Housing for Health activities to help address the issues of homelessness, primarily in areas such as rapid rehousing, case management services, and employment services;
  - ✓ Allocates an additional \$2.1 million in related funding to establish additional primary care medical homes; and
  - ✓ Reflects an increase of \$0.9 million to establish leadership positions to oversee the implementation of the Integrated Correctional Health Services Plan.
- **Office of Diversion and Re-Entry (ODR)** – On August 11, 2015, the Board created ODR and directed the CEO to finance diversion and re-entry (DR) activities with a combination of one-time and ongoing funding sources. The Department of Health Services was charged with providing oversight and coordination of all countywide DR activities for persons who have mental illness or substance use issues, and persons who are homeless or at risk of being homeless upon discharge from incarceration. ODR supports the redirection of persons in need of physical, mental and public health services from the criminal justice system to appropriate care and treatment in lieu of incarceration. A separate General Fund budget unit was created to account for DR funds, which will be provided to various County departments for approved diversion activities. The DR Recommended Budget reflects the following:

- ✓ Provides \$10.7 million increase in new appropriation and revenue funded by ongoing Public Safety Realignment (AB 109);
  - ✓ Allocates program funding of \$9.1 million for ODR staffing costs; to open a Sobering Center, including space, staffing and overhead costs; and for contracted housing, including interim housing, rental subsidies and move-in assistance costs; and
  - ✓ Earmarks \$1.4 million in first-year funding as part of a multi-year plan to provide Crisis Intervention Training to Sheriff's Department to improve tactics when dealing with the mentally ill and reduce the use of force.
- **Mental Health Services Act (MHSA)** – Reflects the addition of \$141.7 million in appropriation that is completely offset with MHSA funding, and 40.0 budgeted positions for continued implementation of MHSA plans approved by the Board on October 20, 2015 and January 6, 2016.
  - **Children and Family Services** – Provides \$11.8 million in funding and adds 40.0 budgeted positions for the following programs:
    - ✓ **Child Welfare Services** – Adds \$4.5 million in appropriation, and 40.0 budgeted positions that are completely offset with State and federal revenues. This includes 33.0 positions to primarily support the County's effort to combat the commercial and sexual exploitation of children. We are also recommending 7.0 positions for critically needed administrative support (\$1.0 million), and adding 273.0 ordinance only positions to provide the department with flexibility in hiring additional social workers throughout the fiscal year.
    - ✓ **Parent-in-Partnership (PIP) Program** – Provides an increase in appropriation and revenue of \$1.3 million for the PIP program. Parent engagement through the PIP program is an important component of family reunification goals of the department.
    - ✓ **High-Risk Youth Services** – Provides an increase in appropriation and revenue of \$1.0 million to improve child safety and placement opportunities for youth with severe behavioral issues.
    - ✓ **Childcare Program** – Reflects a \$4.0 million increase in appropriation and revenue based upon an increased allocation of funding from the State. This program funds childcare services for children who are with their parents/relatives or are in first-time placements with non-related caregivers (foster parents) in order to ensure the child's safety and to assist in avoiding out-of-home placements.

## **CAPITAL PROJECTS/EXTRAORDINARY MAINTENANCE PROGRAMS**

### **Capital Projects**

The FY 2016-17 Recommended Capital Projects/Refurbishments budget appropriates \$695.9 million for continued development, design, and construction of projects that address high-priority health, public safety, recreation, and infrastructure needs.

The FY 2016-17 Recommended Budget for Capital Projects/Refurbishments reflects a decrease of \$66.3 million from the FY 2015-16 Final Adopted Budget, due to the completion of 30 projects in FY 2015-16. In addition, several bond-financed projects, which are not accounted for in the Capital Projects/Refurbishments Budget once bonds have been issued, were also completed, including the Zev Yaroslavsky Family Support Center Project.

The 2016-17 Recommended Budget allocates \$78.4 million for soil and groundwater investigation, monitoring, and remediation projects at County-owned sites in the cities of Downey, Carson, and portions the unincorporated area.

The 2016-17 Recommended Budget appropriates \$148.0 million to address custody and law enforcement facility improvements throughout the County, including \$5.1 million for the Men's Central Jail replacement planning effort and \$118.2 million for the Mira Loma Detention Center refurbishment.

In addition to these environmental and public protection projects, the County continues to refurbish and construct new libraries, parks, and beach facilities, as well as address its own governmental needs through the construction of new facilities.

### **Extraordinary Maintenance**

The County continues to invest in deferred maintenance to meet performance requirements and expectations for its facilities. The FY 2016-17 Recommended Budget earmarks \$191.7 million for high-priority repairs, maintenance and accessibility modification needs at County facilities, including juvenile halls, animal shelters, County beaches, parks and for various roof repairs.

In FY 2016-17, the second phase of building condition assessments of County-owned and/or County-maintained facilities will continue with the development of prioritized capital plans to address deferred maintenance. It is anticipated that the condition of approximately 12.6 million square feet of buildings will be assessed during the fiscal year.

## **POTENTIAL STATE AND FEDERAL BUDGET IMPACTS**

Since a significant portion of the County budget is comprised of revenues received from the federal and State governments, we continue to monitor budget actions by those entities to determine the impact to the County budget.

### **State Budget**

On January 7, 2016, Governor Jerry Brown released his \$170.7 billion FY 2016-17 Proposed Budget, which provides \$122.6 billion in State General Fund expenditures, includes \$3.2 billion in total reserves, and projects a \$8.0 billion Rainy Day Fund balance by June 2017. The Administration reports that State revenues are expected to increase by \$3.7 billion in FY 2015-16 and \$2.2 billion in FY 2016-17 above the amounts projected in the FY 2015-16 State Budget Act.

Governor Brown indicated that a strengthening State economy continues to push revenues higher, but he cautioned that maintaining a balanced budget for the long-term will be an ongoing challenge requiring fiscal restraint and prudence. The Governor also noted that since the year 2000, short periods of balanced State Budgets have been followed by massive budget shortfalls. The Governor also reported that the State still has billions of dollars in existing liabilities for deferred maintenance projects, infrastructure needs, and for State retiree healthcare benefits, which must be addressed.

The Governor's proposed budget contains no reductions to County-administered programs. The proposed budget reflects an increase in the base allocation for the AB 109/2011 Public Safety Realignment from \$1.1 billion to \$1.2 billion, and it provides an additional \$169.9 million in FY 2016-17 and FY 2017-18 for counties to determine Medi-Cal eligibility. The Governor also proposes \$36.0 billion over the next decade to maintain highways and roads, expand public transit, and improve critical trade routes with funding split evenly between State and local transportation priorities. The Department of Public Works reports that in FY 2016-17, the transportation funding package would provide the County with approximately \$34.0 million in additional revenue that will soften the impact of the recent decline in gas tax revenues. Thereafter, the County would receive approximately \$100.0 million in additional annual funding to address the immediate backlog of maintenance, repair, and rehabilitation needs of the County's streets and highways and to sustain good repair practices in future years.

The Legislature is currently conducting Budget Subcommittee hearings on the Governor's Proposed Budget. However, most actions on the State Budget will be held pending the release of the Governor's May Budget Revision that will contain updated revenue estimates and budget allocations.

## **Federal Budget**

The overall federal budget outlook for the County in FY 2016-17 is positive. The current 114th Congress has not enacted, and is unlikely to enact, legislation that would significantly reduce the County's federal revenue in FY 2016-17. The County receives most of its federal revenue through mandatory spending programs, such as Medicaid and Title IV-E Foster Care and Adoption Assistance, for which continued funding does not require the enactment of federal legislation. This means that most of the County's federal revenue will remain safe, especially this year when divided government, deep partisan differences, and a short legislative calendar should result in the enactment of relatively few federal bills.

The risk of any significant reduction in the County's remaining federal revenue that is received through appropriated discretionary programs also is low. The Bipartisan Budget Act of 2015, which was enacted in November 2015, increased the non-defense discretionary spending cap by a total of \$40 billion in Federal Fiscal Years (FFY) 2016 and 2017, thereby increasing the total pool of funds available for funding discretionary programs through which the County receives funding. Moreover, in recent years, Congress has funded the vast majority of discretionary programs, which the County receives funding at or near their prior year levels.

## **SHORT- AND LONG-TERM BUDGET ISSUES**

The County, like all governmental entities, must balance the demands for new services and unavoidable cost increases within the amount of new revenue estimates. Given the County's limited authority to raise revenues, the Board has maintained a long-standing adherence to conservative budget practices, which helped weather the Great Recession without major service reductions, layoffs or furloughs. As we begin this initial stage of the budget process, we once again are challenged by the demand for County services that far exceeds the available financing sources.

The County has taken steps to address some of its long-term budget issues over the last year. The Board approved a multi-year plan to prefund retiree healthcare benefits, supplemented the County's Rainy Day by \$81.4 million, and added \$20.0 million to a reserve to address information technology capital planning. Looking forward, we recognize that many budgetary hurdles lie ahead and will require significant investment by the County. Most of these challenges require a multi-year funding approach that includes replenishing the County's Rainy Day Fund up to its prescribed level and further supplementing funding for the replacement of legacy information technology systems. In addition, we have forecasted a need of approximately \$1.0 billion to fund deferred maintenance in County buildings and facilities. This does not include ongoing depreciation of facilities, nor does it account for the cost of replacing or conducting major refurbishment of buildings, as these exceed their useful life.

## **BUDGET TIMETABLE**

Below is the schedule for budget hearings and deliberations.

<b>Board Action</b>	<b>Approval Date</b>
Adopt Recommended Budget; Order Printing, Notice and Distribution; and Schedule Public Hearings	April 12, 2016
Commence Public Budget Hearings	May 11, 2016
Commence Final Budget Deliberations and Adopt Budget Upon Conclusion	June 27, 2016

Prior to deliberations on the FY 2016-17 Adopted Budget, we will file reports on:

- May revisions to the Governor's Budget and updates on other 2016-17 State and federal budget legislation and the impact on the County's Recommended Budget;
- Final revisions reflecting the latest estimates of requirements and available funds;
- Issues raised in public hearings or written testimony;
- Specific matters with potential fiscal impact; and
- Issues as instructed by the Board.

## **APPROVAL OF RECOMMENDED BUDGET**

The matter before the Board is the adoption of the Recommended Budget.

- The documents must be available for consideration by the public at least 10 days prior to the commencement of public budget hearings.
- Adjustments to the budget, including revisions to reflect the Board's funding priorities and State and federal budget actions, can be made during budget deliberations, prior to adoption of the Budget.

- Pursuant to State law (the County Budget Act), the Board may make changes to the Recommended Budget with a simple majority (3 votes) until adoption of the Budget, if changes are based on the permanent record developed during public hearings (e.g., Recommended Budget, budget requests and all written and oral input by Supervisors, County staff and the public).
- Changes not based on the “permanent record” require 4/5 vote.

**THEREFORE, IT IS RECOMMENDED THAT THE BOARD:**

Order such revisions, additions, and changes to the Chief Executive Officer’s budget recommendations as deemed necessary, and approve the revised figures as the Recommended Budget for 2016-17; order the publication of the necessary notices; and set May 11, 2016, as the date that public budget hearings will begin.

Respectfully submitted,

SACHI A. HAMAI  
Chief Executive Officer

## County Mission

- **To enrich lives through effective and caring service**

## County Values

Our **philosophy** of **teamwork** and **collaboration** is anchored in our shared values:

- **Accountability** – We accept responsibility for the decisions we make and the actions we take.
- **Can-Do Attitude** – We approach each challenge believing that, together, a solution can be achieved.
- **Compassion** – We treat those we serve and each other in a kind and caring manner.
- **Customer Orientation** – We place the highest priority on meeting our customers' needs with accessible, responsive quality services, and treating them with respect and dignity.
- **Integrity** – We act consistent with our values and the highest ethical standards.
- **Leadership** – We engage, motivate and inspire others to collaboratively achieve common goals through example, vision and commitment.
- **Professionalism** – We perform to a high standard of excellence. We take pride in our employees and invest in their job satisfaction and development.
- **Respect for Diversity** – We value the uniqueness of every individual and their perspective.
- **Responsiveness** – We take the action needed in a timely manner.

## Strategic Plan Goals

- 1. Operational Effectiveness/Fiscal Sustainability:** Maximize the effectiveness of processes, structure, operations, and strong fiscal management to support timely delivery of customer-oriented and efficient public services.
- 2. Community Support and Responsiveness:** Enrich lives of Los Angeles County residents by providing enhanced services, and effectively planning and responding to economic, social, and environmental challenges.
- 3. Integrated Services Delivery:** Maximize opportunities to measurably improve client and community outcomes and leverage resources through the continuous integration of health, community, and public safety services.

<b>TOTAL</b>	<b>\$ 28.195</b>	<b>\$ 28.477</b>	<b>\$ 0.282</b>	<b>1.0%</b>

The 2016-17 recommended net operating budget totals \$28.5 billion, an increase of \$282.0 million, or 1.0 percent higher than the FY 2015-16 budget. The budget represents a balanced plan, devoting limited resources to the highest priority programs while maintaining basic services. These programs cover a wide range of functions, from road and flood maintenance, to ensuring the health and safety of County residents, to providing access to a variety of recreational and cultural opportunities. The proposals for FY 2016-17 are subject to public hearings, scheduled for May 2016, and adoption by the Board, anticipated in June 2016. Changes are detailed by department and/or funds within the 2016-17 Recommended Budget.

The figures displayed on this page reflect the revenues and expenditures of the County as if it were one large department. This display does not include certain non-program expenditures and revenues that are included in the budget for accounting purposes. Inclusion of such amounts increases the budget and gives the impression that more County resources are actually available. These amounts, totaling \$2.1 billion, artificially inflate the budget by approximately 7.3 percent, resulting in an operating budget of \$30.6 billion, which is reflected in the Auditor-Controller’s budget schedules, pursuant to State Controller requirements.

(in Billions of Dollars)				
	2015-16 Budget	2016-17 Recommended Budget	Change	Percent Change
<b>General Fund</b>	\$ 18.533	\$ 18.856	\$ 0.323	1.7%
<b>Hospital Enterprise Funds</b>	3.196	3.314	0.118	3.7%
<b>TOTAL</b>	<b>\$ 21.729</b>	<b>\$ 22.170</b>	<b>\$ 0.441</b>	<b>2.0%</b>

The 2016-17 recommended net operating budget for general County operations is \$22.2 billion, an increase of \$441.0 million, or 2.0 percent higher than the FY 2015-16 budget. General County funds provide for a multitude of services to individuals and communities within the County. These services include: 1) a law enforcement system; 2) justice-related services; 3) extensive regulatory services to ensure public and environmental protection; 4) various health, welfare, and social services; 5) diverse recreational and cultural programs; and 6) essential government services. Changes are detailed by department within the Budget Summaries section of this document.

The figures displayed on this page reflect the revenues and expenditures of general County operations as if they were one large department. This display does not include certain non-program expenditures and revenues that are included in the budget for accounting purposes. Inclusion of such amounts increases the budget and gives the impression that more County resources are actually available. These amounts, totaling \$1.3 billion, artificially inflate the budget by approximately 6.1 percent, resulting in an operating budget of \$23.5 billion.

**BUDGETED POSITIONS  
BY MAJOR FUNCTIONAL GROUP**  
TOTAL BUDGETED POSITIONS: 108,309.0

The 2016-17 Recommended Budget provides funding for 108,309.0 budgeted full-time equivalent positions, which represents an increase of 216.0 from the 2015-16 level of 108,093.0. As depicted in the chart, approximately 60 percent of the budgeted positions in the County are in the law and justice, and the health functional groups.

The major changes in budgeted positions are attributable to the following:

- Child Support Services - decrease of 78.0 primarily to reduce operational costs as part of the Department's deficit mitigation efforts.
- Children and Family Services - increase of 40.0 primarily to support the Commercially Sexually Exploited Children Program, staff dependency courts, improve placement services, and provide various administrative functions within the Department.
- County Counsel - increase of 26.0 primarily to provide additional legal services for six new courtrooms in the Juvenile Dependency Branch of the Superior Court and support attorneys located at the Edelman Children's Court in Monterey Park.
- District Attorney - increase of 28.0 primarily due to the expansion of the Victim Witness Assistance and Workers' Compensation Fraud programs; trial support; and to establish the Community Cyber Investigation Response, Human Trafficking, and Complex Child Abuse units all within the Special Operations Division.
- Fire Department - increase of 27.0 primarily for the opening of Fire Station 143 and to support various administrative functions.
- Health Services/Hospital Enterprise - increase of 60.0 primarily to establish new Board-approved functions within the Diversion and Re-Entry and Integrated Correctional Health Services units, establish additional primary care medical homes, and convert contracted hospital personnel to County staff.
- Mental Health - increase of 54.0 primarily to further support the implementation of the Affordable Care Act and Medi-Cal Expansion.
- Probation Department - decrease of 50.0 vacant positions to offset the reduction of budgeted revenues.
- Public Social Services - increase of 16.0 primarily to support the Los Angeles Eligibility, Automated Determination, Evaluation and Reporting (LEADER) System contract phase out, implementation of the new LEADER Replacement System, and other administrative functions.
- Sheriff - increase of 66.0 primarily to ensure compliance with the Department of Justice requirement to provide additional hours of recreational, programming, and therapy time to inmates outside of their cells.
- Other - net increase of 27.0 in the remaining departments primarily to support various programs within the County.

## CHILDREN AND FAMILY SERVICES

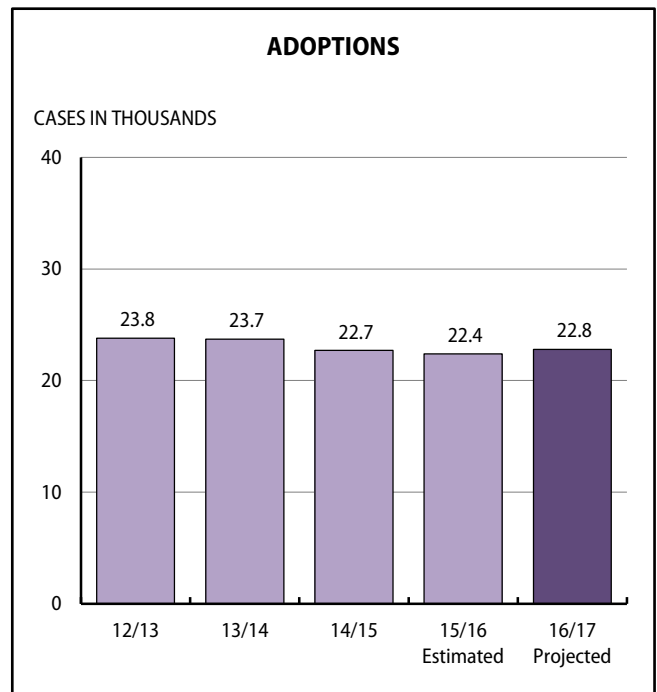

### CHILD PROTECTIVE SERVICES

Child protective services caseloads reflect mandated emergency response, family maintenance and reunification, and permanent placement services.

### ADOPTIONS

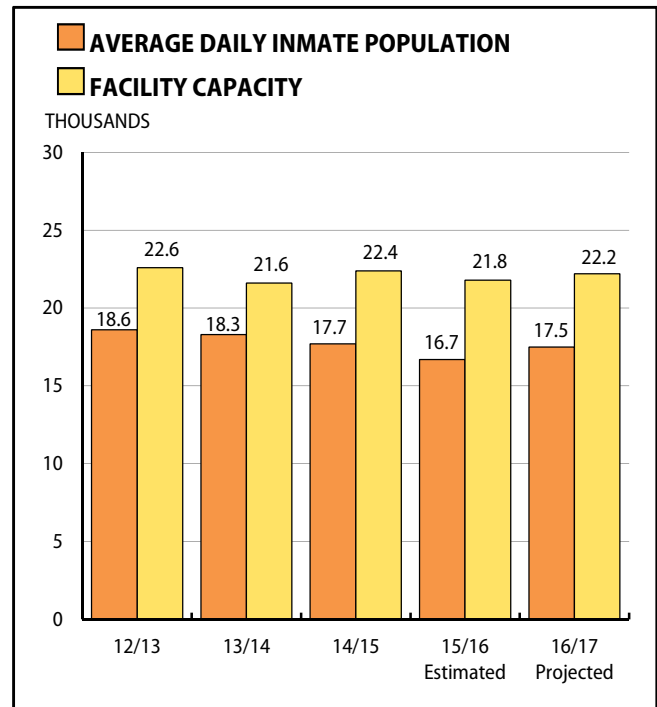

The adoption caseloads represent the average number of families receiving adoption assistance payments.

## DETENTION POPULATION

### SHERIFF INMATE POPULATION

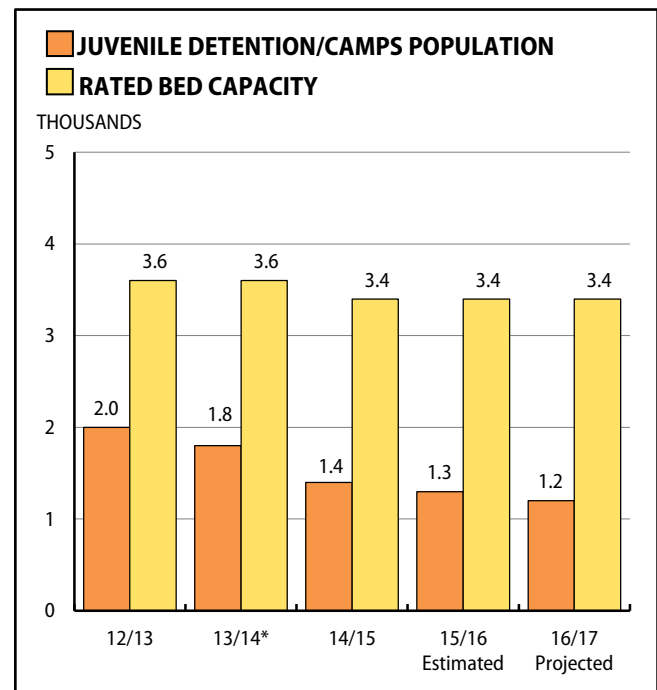

The Sheriff's inmate population, which includes both pre-sentenced and sentenced inmates, is housed in seven custody facilities: Men's Central Jail, Twin Towers Correctional Facility, Century Regional Detention Facility, North County Correctional Facility, North Facility, South Facility, and East Facility. It should be noted the East Facility currently houses approximately 67 fire camp inmates. The estimated average length of stay that an inmate will spend in jail in 2015-16 has decreased to 63.7 days, compared to an average of 66.3 days in 2014-15. For 2016-17, the projected average length of stay is expected to decrease to 57.6 days.

### PROBATION JUVENILE HALLS/CAMPS POPULATION

The juvenile hall population is comprised of minors (generally under the age of 18 years), who are awaiting adjudication and disposition of legal matters as well as for various post-disposition matters, in three separate facilities: Central, Los Padrinos, and Barry J. Nidorf.

The Residential Treatment Services Bureau provides a safe, secure, and therapeutic residential environment for youth in the Probation Camps. The youth are exposed to a rehabilitative camp experience that leads to successful reentry into the community and reduced recidivism. Youth are ordered to a camp commitment by the Juvenile Court for an average of 29 weeks. The estimated 2015-16 and projected 2016-17 figures reflect five camps that are temporarily closed.

**HEALTH SERVICES**

**INPATIENT CENSUS**

The Department of Health Services' (DHS) inpatient census has remained relatively static over the past few years and is estimated to remain at similar levels for 2015-16.

DHS projects the 2016-17 census to be in line with the 2015-16 estimates. DHS continues to review their budgeted census as they evaluate the impact of the Affordable Care Act (ACA), which was implemented on January 1, 2014, on their inpatient census.

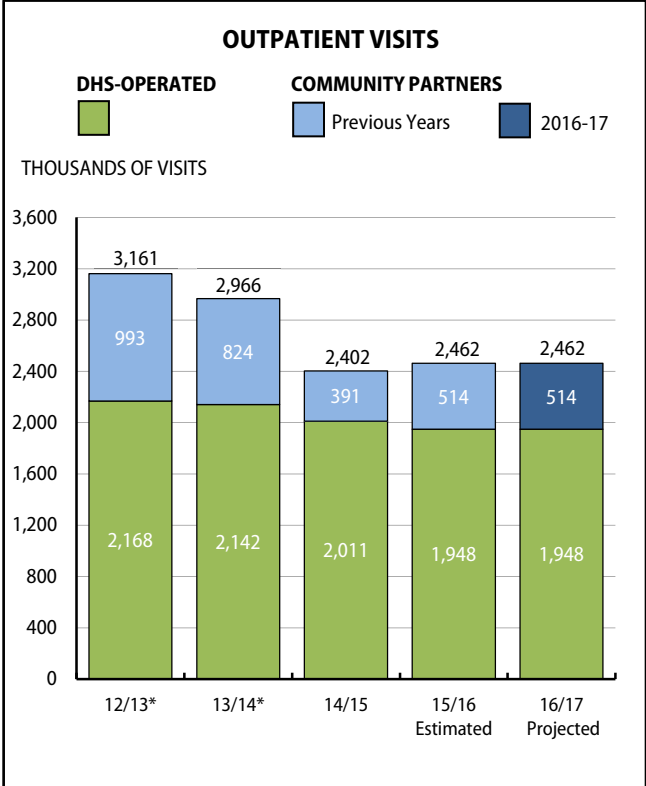

**OUTPATIENT VISITS**

In past years, DHS made substantial progress on increasing outpatient visits while reducing costly hospital inpatient care. This was largely due to the purchase of additional outpatient visits from community-based private providers also known as Community Partners (CP).

Outpatient visits at DHS operated clinics remained static for 2011-12 through 2013-14. For 2014-15 outpatient visits decreased due to DHS' implementation of its electronic health record system, ORCHID. DHS projects visits will remain at similar levels for 2015-16 through 2016-17 as the implementation of ORCHID continues and the Department further evaluates the impact of the ACA on the outpatient visits.

Outpatient visits to CP clinics decreased significantly in 2014-15 as a result of the implementation of the ACA. DHS patients that were in the Healthy Way LA (HWLA) matched program were transitioned to Medi-Cal at that time and DHS no longer purchased those visits from the CP clinics. The DHS patients that remained in the HWLA unmatched program were transitioned to the My Health LA (MHLA) program over the course of 2014-15. Further, DHS refined the way workload is captured under the MHLA program and that was also a factor in reflecting decreased visits. For 2015-16 and 2016-17, DHS projects an increase in visits based on the latest MHLA workload information.

**PUBLIC ASSISTANCE**

**CALIFORNIA WORK OPPORTUNITIES AND RESPONSIBILITY TO KIDS (CalWORKs)**

The federal Temporary Assistance for Needy Families (TANF) block grant program is authorized under Title IV of the Social Security Act. It replaced the Aid to Families with Dependent Children (AFDC) entitlement program, among others. In California, TANF requirements are administered under Division 9, Part 3, Chapter 2 of the Welfare and Institutions Code, as the CalWORKs program. The CalWORKs program provides temporary financial support and supportive services to eligible adults with children to enable them to transition from welfare to work and to achieve economic self-sufficiency. This chart reflects the average number of persons aided each month by fiscal year.

**INDIGENT AID**

Indigent Aid, a State-mandated program administered by counties, is defined by Section 17000 of the Welfare and Institutions Code. The Indigent Aid program provides financial assistance to indigents who are ineligible for other State and federal assistance programs. This program also provides emergency assistance to individuals and families in temporary need. This chart reflects the average number of persons aided each month by fiscal year.

## Reader's Guide to Understanding the Budget

The Recommended County Budget contains the proposed financial and operating plan for the County for the fiscal year, which runs from July 1 to June 30. The following general outline is designed to assist the reader in understanding the information presented in each document. Additional information related to the County and its operations and services can be obtained via its Internet website at <http://lacounty.gov>.

### THE GOVERNING BODY

A five-member elected Board of Supervisors that has legislative and executive authority governs the County, a political subdivision of the State of California.

### FINANCIAL STRUCTURE AND OPERATIONS

To secure uniform accounting standards among California's 58 counties, the State Controller provides administrative directives and recommends practices and procedures relating to the form and content of the annual County Budget. In accordance with State direction, the County uses a modified accrual basis of accounting, and organizes and operates that system on a fund basis. Funds are separate legal or fiscal entities by which resources are allocated and controlled. The County Budget has seven major types of funds:

#### I. General Fund

The General Fund is the principal fund in the County Budget and is used to finance most governmental operations that are general in purpose and not included in another fund.

#### II. Enterprise Funds

Enterprise Funds are used to account for operations of governmental units where the users of the services include the general public, and the costs of providing the services are financed primarily by user charges, similar to a private business. Examples are the Hospital Enterprise Funds.

#### III. Special Revenue Funds

Special Revenue Funds are used to account for the proceeds of revenue sources that must be spent for specific purposes. Examples of Special Funds are the Child Abuse and Neglect Prevention Program Fund and the Sheriff Processing Fee Fund.

#### IV. Capital Project Special Funds

Capital Project Special Funds are used to account for financial resources used for the acquisition or construction of major capital facilities (other than those financed by proprietary and trust funds). Examples are the General Facility Capital Improvement Fund and the Marina Replacement Accumulated Capital Outlay Fund.

#### V. Special District Funds

Funded by specific taxes and assessments, Special District Funds are separate legal entities that provide public improvements and services to benefit targeted properties and residents. Examples are the Garbage Disposal Districts and the Sewer Maintenance Districts.

#### VI. Other Proprietary Funds

Other Proprietary Funds are used to account for financing goods and services provided by one department to another department, or by a department to another governmental unit, on a cost-reimbursement basis. An example of this type of fund is the Public Works Internal Service Fund.

#### VII. Agency Fund

Included in this category are the Community Development Commission and the Housing Authority, which are under the control of the Board, but are separate legal entities.

## VOLUME ONE

### TRANSMITTAL LETTER

The Transmittal Letter provides an overview of the Chief Executive Officer's Recommended County Budget. The letter includes a summary of the key countywide recommendations reflected in the budget and provides a discussion of funding recommendations for major County program areas. The Transmittal Letter also outlines the legal requirements and process for adopting both a Recommended and Final County Budget.

### BUDGET SUMMARIES

The Budget Summaries section of the Recommended County Budget provides information about each budget. The following information is included in this section for each department:

- Budget Summary
- Mission Statement
- Budget Message
- Critical/Strategic Planning Initiatives
- Changes From Prior Year Budget
- Unmet Needs (*as applicable*)
- Budget Detail
- Program Summary
- Organization Chart

### PROGRAM SUMMARY

The Program Summary, a section in the Budget Summaries, provides information such as the legal authority for the program, whether the program is mandated or discretionary, the description of the program and summary budget information reflecting the base budget.

## VOLUME TWO

### BUDGET DETAIL SCHEDULES

The Budget Detail Schedules section displays appropriation by budget unit by object (and in some cases, object class) and provides the Auditor-Controller with budgetary control over expenditures and future financial commitments during the fiscal year. This section is separated into six subsections: Capital Projects/Refurbishments, Special Revenue Funds, Capital Project Special Funds, Special District Funds, Other Proprietary Funds, and Agency Fund.

### CAPITAL PROJECTS/REFURBISHMENTS

The Capital Projects/Refurbishments schedule, a section in the Budget Detail Schedules, provides information about the County's General Fund capital improvement and refurbishment projects. Funds for these projects are appropriated in the Capital Projects/Refurbishments budget as Land Acquisition, Buildings and Improvements, and Infrastructure.

### BUDGET SUMMARY SCHEDULES

These schedules provide summary and detailed information on financing sources and uses.

### AUDITOR-CONTROLLER SCHEDULES

These schedules provide summary and detailed countywide financing source and use information necessary to meet mandated State Controller requirements.

### Mission Statement

To protect the environment, the agricultural industry, consumers and business operators through effective enforcement of federal and State laws and County ordinances in the areas of health, safety, and consumer concerns of County residents. The Department's highly diverse public services include: ensuring the safe and wholesome supply of food and water; protecting consumers and businesses from fraud; preventing the misuse of pesticides; managing and excluding pests; minimizing fire hazards from weeds and brush; and providing useful consumer and agricultural information.

### 2016-17 Budget Message

The 2016-17 Recommended Budget reflects an overall net County cost (NCC) increase of \$0.8 million primarily due to Board-approved increases in salaries and employee benefits, partially offset by the deletion of one-time funding for a specialty truck. The Recommended Budget also reflects a net increase of 5.0 revenue-offset positions including 4.0 positions in Weed Hazard/Integrated Pest Management Bureau, and 1.0 position in Weights and Measures Bureau.

### Critical/Strategic Planning Initiatives

The Department continues to:

- Investigate and pursue increased revenue source opportunities through proactive involvement in legislation and regulation development, coordination with administrators and management of the California Department of Food and Agriculture (CDFA) and the California Department of Pesticide Regulation to influence program funding and levels of local support, and active collaboration with statewide partners to secure enhancements in federal funds.
- Improve Service Excellence and Workforce Excellence through ongoing employee development, specifically for departmental managers. Agricultural Commissioner/Weights and Measures (ACWM) managers are encouraged to participate in the Executive Development Leadership Program. To date, ACWM has four Executive Development Leadership Program graduates, three managers and the Chief Deputy. The Department continues the enhancement of the ACWM Internet website, and other outreach efforts to maximize public awareness of the Department and its services.

- Maintain focus on recruitment efforts to attract qualified and skilled applicants to fill inspector positions to ensure environmental and public safety, provide mandated and increased protections to consumers and businesses, and provide protection to the environment, native plant life and the agricultural industry.
- Utilize the second Productivity Investment Fund (PIF) grant of \$0.2 million from the County Quality and Productivity Commission to support development of a geographic information system (GIS)-mapping and data management system for the Exotic Pest Detection Program and to coordinate efforts with CDFA to establish the system as a statewide standard.

## Departmental Program Summary

### 1. Exotic Pest Detection

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	8,026,000	--	4,351,000	3,675,000	75.0
<i>Less Administration</i>	1,776,000	--	14,000	1,762,000	--
<b>Net Program Costs</b>	6,250,000	--	4,337,000	1,913,000	75.0

**Authority:** Mandated program - California Food and Agricultural Code (CFAC) Sections 401 and 5101.

Protect crops and home gardens from exotic insects known to be pests in other parts of the country or world through a detection trapping system.

### 2. Pesticide Training and Hazardous Materials Inventory Reporting

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	148,000	--	133,000	15,000	1.0
<i>Less Administration</i>	25,000	--	--	25,000	--
<b>Net Program Costs</b>	123,000	--	133,000	(10,000)	1.0

#### Pesticide Training

**Authority:** Non-mandated, discretionary program.

Provide training for private industry, County, and other governmental agencies whose employees handle pesticides.

#### Hazardous Materials Management Plan and Inventory Statement Program

**Authority:** Mandated Program – California Health and Safety Code (CHSC) Division 20, Chapter 6.95 Article 1.

The Commissioner shall conduct inspections of agricultural handlers of hazardous materials, and forward these inventories to the County Certified Unified Program Agency (LACoCUPA) for review and incorporation into LACoCUPA's Business Plan database.

### 3. Agricultural Services

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	288,000	--	250,000	38,000	3.0
<i>Less Administration</i>	49,000	--	--	49,000	--
<b>Net Program Costs</b>	239,000	--	250,000	(11,000)	3.0

**Authority:** Non-mandated, discretionary program.

Enforce apiary laws and regulations. Provide direct services to the public to act as clearing house for other agencies providing service where the Department is unable to offer public outreach on apiary matters, and to make available a public education component. Conduct presentations for public, private, and governmental employees, fairs and seminars. Maintain the Africanized Honey Bee (AHB) Hotline. Respond to general public and private industry AHB infestation complaints by assessing and determining the appropriate course of action.

#### 4. Pesticide Use Regulation

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	3,303,000	--	2,622,000	681,000	23.0
<i>Less Administration</i>	<i>592,000</i>	<i>--</i>	<i>13,000</i>	<i>579,000</i>	<i>--</i>
<b>Net Program Costs</b>	2,711,000	--	2,609,000	102,000	23.0

**Authority:** Mandated program – CFAC Sections 11501, 11501.5, 2272, and 2279.

Provide direct services, regulatory oversight and local administration of pesticide use enforcement; and develop an annual statistical report of County's agricultural production.

#### 5. Nursery and Seed

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	289,000	--	107,000	182,000	2.0
<i>Less Administration</i>	<i>49,000</i>	<i>--</i>	<i>--</i>	<i>49,000</i>	<i>--</i>
<b>Net Program Costs</b>	240,000	--	107,000	133,000	2.0

**Authority:** Mandated program – CFAC Sections 52251 and 6961.

Provide healthy, pest-free plants to consumers for the beautification of their homes and environment through the detection and control of existing and introduced injurious pests and diseases.

The mission of the Nursery Program is to prevent the introduction and spread of agricultural pests through nursery stock and protect agriculture and consumers against economic losses resulting from the sale of inferior, defective, or pest-infested nursery stock.

The Seed Program ensures accurate identification and viability of seeds available for purchase by consumers and industry. Poor quality seeds can cost farmers and home gardeners alike considerable amounts of time, money, and resources by way of reduced yields, poor crop quality, contamination by weeds, or other unwanted species. By enforcing California Seed Law requiring labeling, the Department is able to ensure that consumers receive the desired product.

#### 6. Pest Exclusion

##### High Risk

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	2,525,000	--	2,496,000	29,000	17.0
<i>Less Administration</i>	<i>419,000</i>	<i>--</i>	<i>14,000</i>	<i>405,000</i>	<i>--</i>
<b>Net Program Costs</b>	2,106,000	--	2,482,000	(376,000)	17.0

**Authority:** Mandated program – CFAC Sections 5101 and 6301.

Protect agriculture and natural resources by enforcing both State and federal quarantines established against exotic pests and diseases. County agricultural inspectors seek out unauthorized agricultural shipments at the Los Angeles International Airport (LAX) and high-risk facilities, such as postal carriers, express carriers, air and sea ports, and specialty produce markets. Shipments infested with quarantine pests and/or in violation with established quarantines are required to be treated under the supervision of County agricultural inspectors.

**Low Risk**

	<b>Gross Appropriation (\$)</b>	<b>Intrafund Transfer (\$)</b>	<b>Revenue (\$)</b>	<b>Net County Cost (\$)</b>	<b>Budg Pos</b>
<b>Total Program Costs</b> (Phytosanitary Certification)	2,001,000	--	1,799,000	202,000	16.0
<i>Less Administration</i>	<i>395,000</i>	<i>--</i>	<i>13,000</i>	<i>382,000</i>	<i>--</i>
<b>Net Program Costs</b>	1,606,000	--	1,786,000	(180,000)	16.0

**Authority:** Mandated program – CFAC Sections 5202 and 5205.

Provide an efficient service for the nursery and produce industries by certifying that their highly perishable shipments comply with the entry requirements of other states and countries through the use of Phytosanitary certifications. The program also promotes commerce and supports the ability of industry to export agricultural products domestically and internationally.

**Entomology/Plant Pathology Laboratories/Sudden Oak Death (SOD)**

	<b>Gross Appropriation (\$)</b>	<b>Intrafund Transfer (\$)</b>	<b>Revenue (\$)</b>	<b>Net County Cost (\$)</b>	<b>Budg Pos</b>
<b>Total Program Costs</b>	422,000	--	226,000	196,000	3.0
<i>Less Administration</i>	<i>74,000</i>	<i>--</i>	<i>--</i>	<i>74,000</i>	<i>--</i>
<b>Net Program Costs</b>	348,000	--	226,000	122,000	3.0

**Entomology/Plant Pathology Laboratories**

**Authority:** Non-mandated, discretionary program.

Provide support and assistance to Department programs, such as, Fruit Fly Detection, SOD, and Pest Exclusion, as well as other County departments and municipal governments.

Protect consumers by identifying known and potential agricultural pests entering the County through port facilities.

Produce educational materials, including pest images to augment presentations, to increase the efficiency of departmental pest exclusion staff and the public. Information is provided to the general public via the Department’s website.

**SOD**

**Authority:** Mandated program – Federal Domestic Quarantine 7 Code of Federal Regulations (CFR) 301.92.

The program enforces federal and State quarantine against Phytophthora ramorum (P. ramorum). County agricultural inspectors inspect and sample nurseries in the County for plants infected by P. ramorum. Nurseries found to be free of P. ramorum are issued a compliance agreement that allows them to ship nursery stock out-of-state. Nurseries found to have plants that are infected by P. ramorum are further inspected to determine the extent of the disease within the nursery. All blocks of nursery stock found to have infected plants are required to be destroyed by burial in a landfill. Audits of each nursery with a SOD compliance agreement are conducted quarterly to ensure that the nurseries are following the requirements contained in the compliance agreement.

## 7. Glassy-Winged Sharpshooter (GWSS)

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	1,788,000	--	1,243,000	545,000	18.0
<i>Less Administration</i>	419,000	--	13,000	406,000	--
<b>Net Program Costs</b>	1,369,000	--	1,230,000	139,000	18.0

**Authority:** Mandated program – CFAC Sections 6045, 6046, and 6047.

Provide a mechanism by which wholesale nurseries, a major agricultural producer in the County, can ship intrastate and prevent the artificial spread of the insect pest that carry Pierce's Disease of grapevines, a disease that threatens grape and wine production in Northern California.

## 8. Produce Standardization

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	2,167,000	--	1,163,000	1,004,000	16.0
<i>Less Administration</i>	345,000	--	13,000	332,000	--
<b>Net Program Costs</b>	1,822,000	--	1,150,000	672,000	16.0

**Authority:** Mandated program – CFAC Sections 42801 and 43061.

Ensure fair competition between produce dealers and that fruit, vegetables, and eggs meet minimum California standards for quality. The program provides verification and documentation to growers for produce that is not sold and is donated or destroyed.

## 9. Scales and Meters Accuracy – Device

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	6,808,000	--	5,956,000	852,000	49.0
<i>Less Administration</i>	1,184,000	--	--	1,184,000	--
<b>Net Program Costs</b>	5,624,000	--	5,956,000	(332,000)	49.0

**Authority:** Mandated program – California Business and Professions Code (CBPC) Section 12103.5.

Department employees systematically test the accuracy of weighing and measuring devices used for commercial purposes. Inspectors use mass and volume standards, traceable to the National Institute of Standards and Technology (NIST), and specialized equipment to conduct these tests.

## 10. Scanner Inspection – Price Verification

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	2,916,000	--	2,220,000	696,000	22.0
<i>Less Administration</i>	<i>518,000</i>	<i>--</i>	<i>--</i>	<i>518,000</i>	<i>--</i>
<b>Net Program Costs</b>	2,398,000	--	2,220,000	178,000	22.0

**Authority:** Mandated program - CBPC Section 12103.5.

Department employees conduct undercover test purchases at retail stores. The prices they are charged for items selected are then compared with the stores lowest posted or advertised prices. Any overcharge is a violation of the CBPC.

## 11. Business Practices and Investigations

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	1,691,000	--	329,000	1,362,000	13.0
<i>Less Administration</i>	<i>296,000</i>	<i>--</i>	<i>--</i>	<i>296,000</i>	<i>--</i>
<b>Net Program Costs</b>	1,395,000	--	329,000	1,066,000	13.0

**Authority:** Mandated program – CBPC Section 12103.5

Weighmaster Audits: Employees conduct audits of weighmaster tickets at weighmaster locations.

Test Sales: Employees conduct undercover test sales of pre-weighed recyclable materials at recycling businesses. Any underpayment, beyond scale tolerances, is a violation of CBPC 12512.

## 12. Integrated Pest Management

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos

### Mission Statement

To provide high quality and caring legal representation to indigent persons charged with a crime when a conflict of interest prevents the Public Defender from providing the required legal services, and to represent clients in appellate courts as required.

### 2016-17 Budget Message

The 2016-17 Recommended Budget reflects a net increase in NCC of \$1.3 million primarily due to Board-approved increases in salaries and employee benefits partially offset by the deletion of one-time carryover funding and a decrease in retirement costs. The Recommended Budget also reflects the addition of 1.0 position fully offset by grant revenue.

### Critical/Strategic Planning Initiatives

The Department continues to:

- Work with the Superior Court, Public Defender, District Attorney, and Probation Department to implement Proposition 47;
- Develop an integrated program for pre-filing and post-arrest mental health diversion in collaboration with the District Attorney, Public Defender, Superior Court, Countywide Criminal Justice Coordination Committee, Departments of Mental Health, Public Health, Public Social Services and Sheriff;
- Collaborate with the Internal Services Department to implement Microsoft Office 365 cloud based services; and
- Develop and replace the Department's Legacy Case Management System with a new system that is fully capable of sharing mission critical information with its justice partners, and complies with all County security requirements.

### Mission Statement

The Department of Animal Care and Control, operating under State law and County ordinance, creates safer, healthier communities through the enforcement of local and State laws relating to stray animals, animal abuse and neglect, dangerous dogs, rabies vaccination and licensing, and the rescue of animals during wildfires or other emergencies. The Department also provides compassionate sheltering and care for lost, abandoned, neglected and abused pets while seeking positive outcomes for those animals by reuniting lost pets with their families and through its adoption program and partnership with adopting organizations. The Department also offers public education programs, low cost spay and neuter surgeries, vaccination, and microchip services. The Department operates six animal shelters which have veterinary medical clinics as part of their operations. Department costs are partially offset by revenue from pet licenses, income from contract cities, and fees collected for various activities in the shelters.

### 2016-17 Budget Message

The 2016-17 Recommended Budget reflects an overall decrease in NCC of \$2.8 million primarily due to the deletion of one-time funding associated with operating carryovers, CCTV video surveillance systems, Wi-Fi installation at various care centers, dead animal pick-up services, Palmdale Care Center start-up costs, as well as furniture, fixtures and equipment. The Recommended Budget also includes funding for Board-approved increases in salaries and employee benefits, and a Volunteer Program Coordinator position for the Carson Animal Care Center.

### Critical/Strategic Planning Initiatives

The Department has finalized its strategic plan which incorporates eight key areas that align with County strategic goals and initiatives:

- Animal Care Center Vision - Encompasses a desire for facilities to be "clean, open, modern, well-equipped, organized with professional, smiling, and engaged employees working harmoniously with co-workers, volunteers, customers, and adoption partners, creating an enriched environment for animals and a welcoming environment to the public."

- Integration of Shelter Medicine and Shelter Services - Memorialize the shared leadership vision and develop a plan to share, implement and actualize that vision to further integrate shelter medicine and services.
- Financial Planning and Decision Making - To provide more effective information to support strategic decision making and prudent financial management. Revenue-producing recommendations will be included.
- Staff Development and Succession Planning - To improve the Department's strategy for succession planning, enhance the comprehensive new hire orientation and training, and establish annual reorientation.
- Contract Methodology and Practices - Develop a plan to improve contract city rates, including engaging a consultant to recommend and implement new rate setting methodology, and assessment of organizational barriers to obtaining accurate data.
- Emergency Response Program - Develop a written manual that includes all areas of strategic response to ensure continuity of the Department's current Emergency Response Program.
- Establish Staffing Standards - Develop a projection for staffing needs for the year 2020 and recommendations work towards these needs on an annual basis. Recommendations will align with the long-term facilities plan.
- Facility Improvement and Replacement Plan - Collaborate with the Department of Public Works and the Chief Executive Office's Real Estate Division to develop a formal Capital Plan.

### Unmet Needs

The Department's unmet needs request covers a wide array of requirements. The Department is specifically requesting funding for facilities improvement and deferred maintenance projects to repair and improve the Department's animal care infrastructure as well as to mitigate safety risks to the public, its employees, and the animals in its care. Further, the Department is requesting funding for critically needed positions to augment staffing in field, kennel, and clerical services. Additionally, with the soft opening of the Palmdale Animal Care Center scheduled for April 2016, the Department is requesting ongoing funding for costs associated with the operation of the care center.

The 2016-17 Recommended Budget sets aside \$2.0 million in the Provisional Financing Uses budget unit for the staffing needs of the Department.

<b>Net Program Costs</b>	11,233,000	--	4,637,000	6,596,000	118.0

**Authority:** Mandated program - California Food and Agriculture Sections 30501, 31101, 31105, and 31602; California Penal Code Section 597.

The program includes: 1) impound, housing, and provision of medical care to stray and abandoned animals; 2) return of licensed, microchipped, or tagged animals to owners of record; 3) adoption of available animals to the public, animal rescues, and adoption partners; and 4) emergency sheltering of animals displaced by wildfires or other disasters.

### 2. Revenue Services (Licensing and Canvassing)

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	4,061,000	--	3,947,000	114,000	50.0
<i>Less Administration</i>	--	--	--	--	--
<b>Net Program Costs</b>	4,061,000	--	3,947,000	114,000	50.0

**Authority:** Mandated program - California Food and Agricultural Code Sections 30801-05, 30952, 31105-08, 31252, 31254, and 32252-53; County Code Section 10.20.030.

The Licensing program is responsible for the maintenance of new license information and processing of annual renewal notices to animal owners in the unincorporated communities of the County and cities.

The Canvassing program performs neighborhood animal license enforcement at residences and other locations in the unincorporated areas of the County and contract cities. Department representatives collect past due licenses, verify rabies vaccination compliance, and perform annual inspections of businesses that care for, sell, or house animals.

### 3. Field Services (Includes Call Center)

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	13,459,000	--	5,106,000	8,353,000	157.0
<i>Less Administration</i>	--	--	--	--	--
<b>Net Program Costs</b>	13,459,000	--	5,106,000	8,353,000	157.0

**Authority:** Mandated program - California Food and Agriculture Code Sections 30501, 31101, 31105, and 31602; California Penal Code Section 597.

Respond to calls in the unincorporated areas of the County and contract cities for the capture and removal of dangerous and aggressive, stray, and unwanted dogs, cats, and other non-wildlife animals. Provide direct customer services including the removal of dead animals from the public and acceptance of relinquished animals. Assist other public service agencies in providing emergency services during natural or man-made disasters.

#### 4. Medical Services (Shelter and Clinic)

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	6,493,000	--	969,000	5,524,000	38.0

**Authority:** Mandated program - California Food and Agricultural Code Sections 30501, 30503, 31101, 31105, 31602, and 31751.3.  
Provides general medical services to stray, relinquished, and abandoned animals brought in from the field by Animal Control Officers and the public. Medical Services provides examinations, vaccinations, deworming treatments, surgical repairs, and sterilizations consistent with the Spay and Neuter Program, and services provided by private veterinarians.

#### 5. Special Enforcement (Includes Spay/Neuter Program, Major Case and Critical Case Processing Unit)

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	2,213,000	--	--	2,213,000	25.0
<i>Less Administration</i>	--	--	--	--	--
<b>Net Program Costs</b>	2,213,000	--	--	2,213,000	25.0

**Authority:** Spay and Neuter Program: Mandated program - California Food and Agricultural Code Sections 30503 and 31751.3.  
Major Case Unit: Mandated program - California Food and Agricultural Code Sections 31645 and 31646; California Penal Code Sections 399.5, 597, and 599aa; County Code Sections 10.20.010, 10.20.020, 10.20.350, 10.28.270, 10.28.280, and 10.40.010.

The Spay and Neuter Program supports the mandated spaying or neutering of all shelter dogs or cats prior to adoption and the County's mandated program in the unincorporated communities of the County.

The Major Case Unit responds to calls or requests, investigates, and prosecutes incidents of animal cruelty or dangerous animals.

The Critical Case Processing Unit conducts administrative hearings to determine whether certain offending dogs are potentially dangerous or vicious, and to investigate and process potentially dangerous and vicious dog cases.

### Mission Statement

To foster excellence, diversity, vitality, understanding and accessibility of the arts in the County. The Arts Commission provides leadership in cultural services for the County, including information and resources for the community, artists, educators, arts organizations and municipalities.

### 2016-17 Budget Message

The 2016-17 Recommended Budget reflects an NCC decrease of \$88,000 primarily due to the deletion of one-time funding, partially offset by Board-approved increases in salaries and employee benefits. Also reflects funding for the John Anson Ford Theatre, Community Impact Arts Grants, unavoidable cost increases and research capability enhancements.

### Critical/Strategic Planning Initiatives

- Re-open and program a full summer season of the John Anson Ford Amphitheatre with significant upgrades completed, including stage and hillside reconstruction, new sound wall and picnic terrace with concessions and office buildings.
- Continue a multi-year initiative to implement the Board-adopted *Arts for All* strategic plan to make the arts core in K-12 for 1.7 million students in the County by providing critical support to school districts, collecting data on arts education in the County and expanding teacher professional development offerings through online systems in partnership with the Los Angeles County Office of Education (LACOE) through an initiative funded by the Productivity Investment Fund.
- Implement the first year of the Community Impact Arts Grants to non-arts organizations providing essential services throughout the County.
- Continue the inaugural comprehensive inventory of County-owned artwork in more than 900 facilities.
- Form an advisory committee and initiate a countywide discussion on cultural equity and inclusion in the arts to report back to the board with actionable recommendations.
- Launch new Arts Commission websites and, with funding by Metro, roll out an updated cultural calendar platform integrated with LA Tourism's website, DiscoverLosAngeles.com.

## Departmental Program Summary

### 1. Organizational Grants and Professional Development

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	5,448,000	--	21,000	5,427,000	--
<i>Less Administration</i>	--	--	--	--	--
<b>Net Program Costs</b>	5,448,000	--	21,000	5,427,000	--

**Authority:** Non-mandated, discretionary program.

The program provides financial support, technical assistance, and professional development services to approximately 364 nonprofit arts organizations annually. Programs assist and strengthen nonprofit organizations and municipal programs to provide arts services to enrich the lives of County residents. All applications undergo a rigorous peer panel review and scoring process to determine the quality of proposed projects and services, which are then approved by the Board. Grantees are provided additional opportunities, which include in depth leadership training for executive, artistic and managing directors; workshops on advancement and capacity building topics such as human resources, marketing, board development and fundraising; grant application workshops; and scholarships for arts administrators to take courses at the Center for Nonprofit Management and Long Beach Nonprofit Partnership, and to attend local conferences.

### 2. Arts Internships

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	704,000	--	44,000	660,000	--
<i>Less Administration</i>	--	--	--	--	--
<b>Net Program Costs</b>	704,000	--	44,000	660,000	--

**Authority:** Non-mandated, discretionary program.

The program provides approximately 132 paid, 10 week summer internships for undergraduate college students at approximately 108 performing and literary arts nonprofits and municipal arts agencies. In addition, interns participate in an arts summit. This program develops future arts leaders to serve in staff positions, as board members, and volunteers in organizations that provide cultural services to County residents. The program works in partnership with the Getty Foundation, which supports internships in visual arts organizations.

**3. Arts Education**

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	2,230,000	--	1,704,000	526,000	--
<i>Less Administration</i>	--	--	--	--	--
<b>Net Program Costs</b>	2,230,000	--	1,704,000	526,000	--

**Authority:** Non-mandated, discretionary program.

*Arts for All* is the County's initiative dedicated to making the arts core in K-12 public education. Established in 2002 by the Board, *Arts for All* is a public-private collaborative with backbone support from the Arts Commission, and in partnership with LACOE. *Arts for All* currently works with 62 of 81 County school districts, plus three charter school networks, to implement policies and plans that support high-quality arts education for the 1.6 million public school students in the County.

**4. Community Programs – John Anson Ford Theatres**

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	1,450,000	--	48,000	1,402,000	--
<i>Less Administration</i>	--	--	--	--	--
<b>Net Program Costs</b>	1,450,000	--	48,000	1,402,000	--

**Authority:** Non-mandated, discretionary program.

Operates and programs the John Anson Ford Theatres and supports its flagship program, the Ford Amphitheatre Summer Partnership Program, which provides resources to County resident arts organizations and assists them in successfully presenting performances in its historic 1,180 seat amphitheater. This appropriation does not reflect earned income, which is deposited in the Ford Theatre Special Development Fund, and contributed income, which is in the budget of the Ford Theatre Foundation, the nonprofit fundraising arm of the Ford.

**5. Community Programs – Holiday Celebration**

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	1,042,000	--	332,000	710,000	--
<i>Less Administration</i>	--	--	--	--	--
<b>Net Program Costs</b>	1,042,000	--	332,000	710,000	--

**Authority:** Non-mandated, discretionary program.

The County Holiday Celebration, which celebrated its 55th year in 2014, is a three-hour music and dance production held every December 24th at the Music Center's Dorothy Chandler Pavilion. The show is free to the public and honors the diverse cultures and holiday traditions that are celebrated in the many communities of the County. The Holiday Celebration is broadcast live on PBS SoCal, streamed on the Internet, and watched by an estimated one million local viewers. The program is also aired on the Armed Forces Network, bringing the show to United States service men and women living on military bases around the world.

## 6. Community Programs – Free Concerts in Public Sites

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	10,000	--	--	10,000	--
<i>Less Administration</i>	--	--	--	--	--
<b>Net Program Costs</b>	10,000	--	--	10,000	--

**Authority:** Non-mandated, discretionary program.

Free Concerts in Public Sites includes concerts and participatory workshops that are free to the public. Events include concerts at nonprofit, municipal, and County sites that apply for funding from the Board to support musician fees, and interactive music and dance workshops designed to engage communities in the performing arts by encouraging direct participation in diverse art forms.

## 7. Civic Art

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos

<i>Less Administration</i>	--	--	--	--	--
<b>Net Program Costs</b>	805,000	805,000	--	--	--

**Authority:** Non-mandated, discretionary program.

The program provides leadership in the development of high-quality civic spaces by integrating the work of artists into the planning, design and construction of County infrastructure and facilities. The program encourages innovative approaches to civic art and provides access to artistic experiences of the highest caliber to residents and visitors of the County. It also provides educational resources and ensures stewardship to foster broad public access to artwork owned by the County. The program develops and maintains the records and inventory for County-owned civic artwork.

## 8. Administration

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos

### Mission Statement

To value people and property by creating an accurate and timely assessment roll while delivering exceptional and professional public service with integrity.

### 2016-17 Budget Message

The 2016-17 Recommended Budget reflects a net NCC decrease of \$8.6 million primarily due to the deletion of one-time carryover funding for the Assessor Modernization Project (AMP) (formerly known as the Legacy System Replacement Project), Voice over Internet Protocol (VoIP) project and live scan requirements, overtime, training room reconfiguration, outside counsel services to assist with Assessment Appeals Board (AAB) caseloads, and bridge-funding associated with the Bristol Parkway lease cost increase. The Recommended Budget also includes funding for Board-approved increases in salaries and employee benefits, the final of a multi-year restoration of prior-year curtailments, and the continuation of one-time funding for Appraiser positions within the Business Solutions Group to serve as subject matter experts for AMP.

### Critical/Strategic Planning Initiatives

The Assessor's Office will continue to:

- Introduce operational efficiencies to improve work activities and public services;
- Increase the use of social media and the Internet to disseminate critical service messages to the public about Assessor programs and operations;
- Initiate the second phase of development of the AMP while partnering with County stakeholders and tax system departments;
- Recruit, train and develop additional staff to increase operational effectiveness; and
- Pursue shorter duration projects that automate and improve the assessment process.

<b>Net Program Costs</b>	98,134,000	48,000	36,976,000	61,110,000	797.0

**Authority:** Mandated program - Article XIII of the State Constitution and the California Revenue and Taxation Code.

The primary function of this program is to appraise real estate properties that undergo a change of ownership or are subject to new construction or a change in market conditions, as well as to appraise business personal properties. This includes well over 2.3 million parcels throughout the County and almost 300,000 business properties, which together have a revenue-producing assessment value of over \$1.0 trillion. This program also provides public service throughout the Assessor's Office. The district offices also handle approximately 168,000 telephone calls a year and assist nearly 54,000 taxpayers in person.

### 2. Roll Services

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	50,208,000	25,000	19,223,000	30,960,000	408.0

<b>Net Program Costs</b>	50,208,000	25,000	19,223,000	30,960,000	408.0

**Authority:** Mandated program - Article XIII of the State Constitution and the California Revenue and Taxation Code.

This program is responsible for processing transfers and new construction permits; providing advice on legal and ownership matters to staff; creating and maintaining over 3,141 map books; processing property tax exemptions; serving as the nucleus of the Assessor's public information efforts, handling over 141,367 telephone calls, of which 103,703 were public service issues and 37,664 were ownership issues in 2015. In addition, the Ownership Division responded to 110,365 telephone and public counter inquires related to ownership issues.

### 3. Information Technology

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	11,041,000	5,000	4,226,000	6,810,000	107.0

<b>Net Program Costs</b>	11,041,000	5,000	4,226,000	6,810,000	107.0

**Authority:** Mandated program - Article XIII of the State Constitution and the California Revenue and Taxation Code.

This program is responsible for the development, support and production of the Department's automated systems. It is composed of a highly technical group of analysts, programmers and production operations specialists who manage systems in a multi-platform and multi-discipline environment. Key activities include developing the annual tax roll, facilitating solutions in response to tax law changes, and supporting customers and technical contracts management through the Help Desk. This program also supports its multi-departmental property tax websites, which provided information on assessments, taxation and appeals to over 58.5 million visitors in 2015.

### Mission Statement

The Auditor-Controller provides the County with financial leadership and expert advice on a wide range of fiscal matters, and advocates for financial integrity and accountability in all County business practices. Responsibilities include statutory duties outlined in Sections 26880 and 26900 of the California Government Code; establishing County fiscal and internal control policies and procedures; operating eCAPS and eHR, the County's integrated accounting, disbursing, procurement, purchasing, time collection and payroll systems; administering the countywide payroll; conducting audits and fraud investigations of departments, employees, and contractors; responding to requests by the Board for special reviews, investigations, and analyses; providing fiscal, payroll, and procurement services for 18 client departments in a shared services environment; monitoring social services contracts; performing mandated property tax functions, including extending property tax rolls, apportioning property tax allocations to taxing entities, including Successor Agencies and issuing property tax refunds due to property value reductions; disbursing warrants to vendors, judgment recipients, and

claimants; and providing system development and support to a variety of countywide financial systems. In addition, the Auditor-Controller provides the State and other agencies with mandated reports including the Comprehensive Annual Financial Report.

### 2016-17 Budget Message

The 2016-17 Recommended Budget reflects a net increase in NCC of \$0.8 million primarily due to Board-approved increases in salaries and health insurance subsidies, the Department's proportional share of the costs to prefund the County's retiree healthcare benefits, and the addition of 1.0 position to address increased workload associated with new guidelines cited in the Federal Uniform Guidance. These increases are partially offset by the deletion of one-time carryover funding for training and miscellaneous renovation costs, and a decrease in retirement costs. The Recommended Budget also includes 2.0 revenue offset positions for enterprise systems support and Ombudsman services to the Department of Children and Family Services (DCFS).

## Critical/Strategic Planning Initiatives

The Auditor-Controller advocates for fiscal responsibility and service excellence through various initiatives, including:

- Ensuring public trust in County government by implementing the Board-approved annual audit plan and conducting investigations of fraud and malfeasance;
- Working with the Chief Executive Office to fully fund compliance audits and enhancing service delivery by ensuring that such services can be provided in a manner consistent with government and accounting industry standards and best practices for audit independence;
- Reinforcing countywide information technology (IT) security by conducting annual IT risk assessments, periodically seeking best practices to improve these assessments, and performing a risk-based program of audits of departments' application systems and IT security policy compliance;
- Improving the fiscal accountability of social services contractors by resolving issues related to federal recovery of questioned costs, ensuring auditor access to contractor records, and continuing to enhance the Contractor's Manual to ensure compliance with contract terms and conditions;
- Proposing a Board mandate to require all new, renewed, and materially modified County contracts and agreements to include language stipulating the County's policy to issue payments to contractors, vendors, and other payees electronically. The default form of payment shall be electronic funds transfer or direct deposit, or in the most appropriate, efficient, secure, and timely form of payment as determined by the Auditor-Controller;
- Continuing to work with the Assessor and Treasurer and Tax Collector to explore options for development of an integrated, enterprise Property Tax System to replace aging, obsolete and inefficient legacy applications that require high levels of staff and technical support;
- Continuing enhancement and update of eCAPS and the Advantage eHR suite of applications to centralize, consolidate, and fully utilize the County's financial management, reporting, human resources, and talent management functions; and
- Promoting County efficiency initiatives such as use of electronic forms, expanding the Countywide Contract Management System, archiving financial/human resource records to reduce operating costs and supporting the Countywide Open Data Initiative.

<b>Net Program Costs</b>	5,747,000	4,906,000	765,000	76,000	32.0

#### OCI

**Authority:** Mandated program - United States Federal Sentencing Guidelines Section 8B2.1(b)(5); California Penal Code Section 830.13; and County Code Section 2.10.

The OCI is responsible for conducting criminal and administrative investigations of alleged fraud and misconduct committed by County employees, contractors, and vendors. OCI responds immediately to all Board special requests for investigations, and investigates and reports on allegations of fraud reported to the County Fraud Hotline or referred by other sources. In addition, OCI provides countywide consulting services, policy development, training, and fraud monitoring and prevention services.

## Children’s Group Home Ombudsman

**Authority:** Non-mandated, discretionary program.

The Children’s Group Home Ombudsman serves as an advocate and problem solver for children placed in group homes who believe that their personal rights have been violated. The Ombudsman is independent from the agencies that place children in homes. Children are encouraged to contact the Ombudsman, via the hotline, e-mail, or in person during outreach visits, to look into issues that are raised and provide assistance in resolving problems.

## HIPAA Privacy

**Authority:** Mandated program – The federal HIPAA and Health Information Technology for Economic Clinical Health Act (HITECH) 45 CFR Parts 160, 162 and 164.

The HIPAA Compliance Unit maintains oversight of and provides guidance to the County’s HIPAA-covered and business associate functioning departments on the HIPAA Privacy Rule. The principal activities of the HIPAA Compliance Unit are: liaison to the U.S. Department of Health and Human Services Office for Civil Rights; implement the HIPAA and HITECH privacy regulations to the covered and business associate functioning departments; audit covered departments to ensure compliance; develop and update policies and procedures in order to maintain compliance with the regulations; investigate complaints and breaches; ensure departments train workforce members on HIPAA and HITECH regulations; coordinate efforts with the Chief Information Office on HIPAA/HITECH Security Rule matters; and provide periodic reports to the Board.

## 7. Shared Services

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	9,151,000	3,318,000	--	5,833,000	92.0
<i>Less Administration</i>	--	--	--	--	--
<b>Net Program Costs</b>	9,151,000	3,318,000	--	5,833,000	92.0

**Authority:** Non-mandated, discretionary program.

Shared Services provides a consolidated business processing center for accounts payable, accounts receivable, grants accounting, procurement and payroll functions. It delivers optimum service in a cost-effective, high-quality manner to enhance overall organizational effectiveness. These services are currently provided to 18 County departments.

## 8. Systems Programs (Countywide IT Development and Maintenance and IT Network and Personal Computer (PC) Support Services)

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	18,339,000	13,259,000	3,258,000	1,822,000	102.0
<i>Less Administration</i>	--	--	--	--	--
<b>Net Program Costs</b>	18,339,000	13,259,000	3,258,000	1,822,000	102.0

## Countywide IT Development and Maintenance

**Authority:** Non-mandated, discretionary program.

While the program is not specifically mandated, it provides support for separately reported, mandated programs (i.e. Accounting and reporting, property tax, countywide payroll and disbursements programs). The program develops, installs, and maintains automated systems which support operations of the Department and provide business services for all other departments through countywide programs which include the following major automated systems: eCAPS; eHR; Secured Tax Roll (STR) System and property tax systems.

## IT Network and PC Support Services (ITS)

**Authority:** Non-mandated, discretionary program.

While ITS is not specifically mandated, its many functions support the performance of both mandated and non-mandated programs. ITS develops, installs, and maintains the departmental network of servers and desktop computers; monitors network connectivity; implements and maintains various software applications relating to messaging and office productivity; implements backup and disaster recovery procedures to ensure business continuity; implements security features mandated by the Chief Information Security Officer; and supports the Administration Program.

### 9. Property Tax

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	13,864,000	229,000	11,904,000	1,731,000	85.0
<i>Less Administration</i>	--	--	--	--	--
<b>Net Program Costs</b>	13,864,000	229,000	11,904,000	1,731,000	85.0

**Authority:** Mandated program - State Controller OMB 87; California Government Code Sections 30051-30056 and 30067; California Revenue and Taxation Code Sections 75, 1647-49, 4655, 4658, 5102 and 5452-5454; and California Health and Safety Code Division 24.

The program determines property tax allocations; distributes and accounts for property taxes collected; and issues overpayment refunds to taxpayers. Throughout the year, additions and changes to the tax roll are processed which result in new or corrected tax bills or refunds. Taxes once collected are apportioned and distributed to nearly 2,300 local agencies (one percent general tax levy, debt service, and direct assessment accounts) including the County, cities, school districts, education revenue augmentation fund, special districts, and successor agencies.

### 10. Administration

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	7,486,000	1,108,000	572,000	5,806,000	30.0

### Mission Statement

The Auditor-Controller – Integrated Applications budget includes the costs associated with the development and operation of enterprise applications managed by the Auditor-Controller and other County departments. The current budget reflects funding for costs associated with the eCAPS/eHR Project, enterprise licenses, and other enterprise applications. eCAPS is the County’s integrated financial application that includes accounting, budget, disbursement, procurement, inventory, vendor self-service, contracts, contract management, debt management, grant lifecycle management, and cost accounting. eHR is the integration of countywide human resources applications for payroll, timekeeping, personnel administration, position control, recruitment, mileage reimbursement, manager self-service,

talent management, and other functions. In the future, other Auditor-Controller managed or major County enterprise applications will be included in this budget.

### 2016-17 Budget Message

The 2016-17 Recommended Budget reflects a decrease in NCC of \$2.4 million primarily due to the elimination of one-time funding for contract, development, and maintenance costs associated with the enterprise system. The Recommended Budget also includes one-time funding for the continuation of eCAPS Phase V project deliverables and the absorption of ongoing various system development, hosting, and maintenance costs.

### 2016-17 Budget Message

The Transportation Clearing Account is a central receiving point for charges for transportation costs incurred by departments. All charges are then distributed to the appropriate departments leaving this budget unit with no net appropriation. The 2016-17 Recommended Budget reflects the continuation of the countywide transportation program.

### Mission Statement

The Department of Beaches and Harbors is dedicated to caring for the County's coastline and Marina del Rey.

### 2016-17 Budget Message

The 2016-17 Recommended Budget reflects a \$5.7 million net decrease in NCC primarily attributable to the deletion of one-time funding, partially offset by Board-approved increases in salaries and employee benefits. The Recommended Budget includes the addition of 1.0 Public Information Officer I position, fully offset with services and supplies savings. The Department increased funding for Board-approved contracts, offset by increases in Beach and Marina revenues. The Recommended Budget also reflects budgetary realignments based on historical experience and anticipated requirements.

### Critical/Strategic Planning Initiatives

Implementation of the County's and the Department's Strategic Plans will accomplish the following outcomes: 1) visitors to County beaches and Marina del Rey will experience world renowned recreational opportunities and quality customer service through accessible, clean, attractive and safe facilities; and 2) Marina boaters, visitors and residents will enjoy experiencing the County's "Crown Jewel" through redeveloped leasehold properties and beautiful and well maintained public amenities.

### Mission Statement

The Board of Supervisors (Board), as the governing body of the County, enacts ordinances, directs overall operation of County departments and districts, and oversees the delivery of services within the County.

The Executive Office of the Board (Executive Office) provides a full range of administrative support to the Board. The mission of the Executive Office is to be recognized as the County's leading department providing innovative and efficient government services through quality information and customer service.

### 2016-17 Budget Message

The 2016-17 Recommended Budget reflects the current levels necessary to provide efficient and responsive delivery of services to the Board and the public. The overall NCC decrease of \$0.6 million is primarily attributed to the deletion of one-time funding and carryovers related to various programs, partially offset by Board-approved increases in salaries and employee benefits, funding adjustments related to various community programs and funding to enhance compliance function.

### Critical/Strategic Planning Initiatives

The Executive Office is in the process of implementing its strategic plan, in alignment with the County's Strategic Plan, with multiple goals for FY 2016-17. Resources are needed to achieve those goals which continue to focus on the use of technology-driven services.

**Authority:** Mandated program with discretionary service levels – California Constitution, California Government Code 26227.

The program is comprised of the five Board offices and the Clerk of the Board. The Board provides for the public welfare by establishing County and special district policies, supervises activities of County departments and special districts, adopts annual budgets, and sets salaries. The Executive Office prepares Board agendas, prepares minutes of the meetings, posts actions taken by the Board, maintains Board records, and provides the Board with administrative and information technology (IT) support.

### 2. Assessment Appeals Board (AAB)

<b>Net Program Costs</b>	15,093,000	12,152,000	2,608,000	333,000	8.0

**Authority:** Non-mandated, discretionary program.

ISAB consists of two programs, the Integration Services program and the Video Conferencing program. The Integration Services program provides funding to support the criminal justice systems participating in ISAB. It coordinates and ensures appropriate systems interface, and provides technical and administrative support and workload data analysis. The Video Conferencing program provides funding for the maintenance, operations, and expansion of additional video conferencing and interviewer stations throughout the County.

#### 5. OIG

### Mission Statement

The Capital Projects/Refurbishments Budget reflects the Chief Executive Officer's funding recommendations for the acquisition, development, design, construction, and refurbishment of General Fund capital assets and infrastructure. These recommendations support projects that are currently funded and underway, as well as projects that are anticipated to commence in the coming fiscal year and for which viable and sufficient funding has been identified.

### 2016-17 Budget Message

The 2016-17 Recommended Budget reflects the Board's continuing commitment to allocate a significant amount of available one-time funding to expand, replace, or refurbish the County's capital assets and infrastructure. The Recommended Budget appropriates \$994.1 million for 293 active projects that address high priority health, public safety, recreation, and infrastructure needs.

Of the total 2016-17 Recommended Budget appropriation, \$695.9 million is allocated to General Fund projects that encompass a broad range of recreational, cultural, public safety, health, and general government functions funded by \$223.2 million in one-time revenue from grants and other sources, and \$472.8 million in local discretionary monies. The General Fund appropriation represents the 2016-17 budgetary requirements of 230 projects that are currently in acquisition or under development, design, or construction. The total appropriation for the 2016-17 Recommended Budget represents a decrease of \$66.3 million and the completion of 30 projects from the 2015-16 Final Adopted Budget.

\*Departments not listed have no budgeted Capital Projects

In addition to those projects appropriated in the General Fund, the capital program includes certain critical projects which are financed with special district revenue, commercial paper proceeds, and are appropriated in certain special funds, summarized in Volume Two. These projects address capital needs in the areas of infrastructure repair and development, health services, public safety, and general government, and include, but are not limited to, Rancho Los Amigos Accessible Gym Wellness and Aquatic Therapy Center and New Outpatient Facilities Projects, Los Angeles County Museum of Art East Campus Replacement Building, Olive View-Medical Center and ValleyCare Network-San Fernando Valley Comprehensive Health Center/Health Clinics Project, and various Fire District projects. There are 63 projects in acquisition, development, design, or construction with a total project value of \$1.75 billion.

The 2016-17 Recommended Budget does not reflect projects that have been financed through the issuance of long-term bonds. Such projects include the Zev Yaroslavsky Family Support Center, the Harbor-UCLA Medical Center Emergency Services Expansion Project, and the Hall of Justice Rehabilitation Project with a total value of \$96.6 million. Bond financed funds are held and administered by independent bond trustees.

### Mission Statement

On behalf of the Board, provide fiscal and management leadership to facilitate policy development and effective program implementation to achieve the County's mission.

### 2016-17 Budget Message

The 2016-17 Recommended Budget reflects an increase in NCC of \$2.2 million primarily due to \$3.3 million for Board-approved increases in salaries and employee benefits; \$0.7 million for 2.0 additional positions to establish the Office of Homelessness; and \$0.1 million for the assessment of the Chief Executive Officer's (CEO) network infrastructure upgrade at the Hall of Administration (HOA); partially offset by the deletion of \$1.3 million in one-time carryover funds and a decrease of \$0.6 million to properly reflect intrafund transfers from the Emergency Preparedness and Response (EPR) budget unit.

### Critical/Strategic Planning Initiatives

As part of the Board action to amend the County Governance Structure, the Board directed the CEO to assess various functions and responsibilities assigned to the CEO to ensure that the CEO is more responsive to emergency requirements

and focused on supporting the Board's strategic policies and priorities. A comprehensive review of the Department and the resulting organizational assessment identified CEO functions and units that are primarily strategic, versus those that are primarily transactional/operational.

Pending Board approval to formally adopt the recommended changes to the CEO organizational structure, the new structure will address key Board priorities such as:

- Establish the Office of Homelessness to provide strategic leadership, oversight and administrative support to departments in implementing 47 homeless strategies and coordinate the County's overall comprehensive effort to combat homelessness;
- Transfer transactional functions (with 77 budgeted positions) that are more closely aligned to the core mission of other County departments;
- Transfer the Chief Information Office strategic functions (with 19 budgeted positions) to the CEO to better support the Board's strategic initiatives; and
- Enhance the CEO's asset management functions, including master planning, sustainability, asset lifecycle management, and economic development.

<b>Net Program Costs</b>	15,938,000	4,991,000	549,000	10,398,000	77.0

**Authority:** Mandated program with discretionary level of funding. California Government Code Sections 29040, 29042, 20944, 29060 to 29062, and 29065 and County Code Sections 2.08.090 to 2.08.100 and Chapter 4.12.

This program provides for the overall resource management of the County's financial and operational functions in order to meet critical service requirements and enhance fiscal stability. The primary activities performed by this function include: coordination of the Board budget policy implementation at the departmental and non-departmental level; preparation of the County Budget, including changes in the Final Budget and ongoing adjustments based on monthly analysis of expenditures and revenue collections by departments, Special Districts, Special Revenue Funds, and other funds; and projection and management of the General Fund cash flow.

### 2. Facilities and Asset Management

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	17,446,000	9,553,000	4,381,000	3,512,000	96.0

<b>Net Program Costs</b>	17,446,000	9,553,000	4,381,000	3,512,000	96.0

**Authority:** Asset Management: Mandated program with discretionary level of funding. California Government Code Sections 25350.51, 25350.060, and 31000.9 and County Code Sections 2.08.150 to 2.08.165.

This program provides for the overall management of the County's physical resources in order to meet critical service requirements. The primary activities performed by this function include planning, implementation, and management of real property related matters including: the Board capital projects program; commercial development of potentially surplus property, new property purchases, and sales; lease acquisitions and renewals necessary to carry out various departmental missions; and coordination of the County's efforts to maximize Federal Emergency Management Agency funding of disaster recovery efforts and Homeland Security grants.

### 3. Employee Relations, Classification, and Benefits and Compensation

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	9,950,000	6,798,000	1,419,000	1,733,000	50.0

<b>Net Program Costs</b>	9,950,000	6,798,000	1,419,000	1,733,000	50.0

**Authority:** Non-mandated, discretionary programs.

Employee Relations manages the overall employer-employee relations' functions to ensure uniform administration of labor relations policies, procedures, and statutory compliance. The primary activities of the division include the development of recommendations to the Board on policies and on broad bargaining strategies, and conducting negotiations and consultations with labor unions within the scope of authority granted by the Board, resulting in agreements that govern the wages, hours, and working conditions of represented employees. Employee Relations also administers Memorandas of Understanding and coordinates employee relations matters within the jurisdiction of the Employee Relations Commission. As such, Employee Relations serves as the County's advocate in arbitration hearings to determine whether or not contract violations occurred, in unfair hearings to determine whether there has been a violation of the Employee Relations Ordinance, and in hearings on issues such as bargaining unit determinations.

The Classification function is the systematic establishment of appropriate job titles, job descriptions, and salaries for positions established under authority of the Board. General guidelines are established under the County Charter, Civil Service Rule 5 (Classification), long-standing County practice, and generally accepted principles of public sector classification.

Benefits and Compensation oversees the management of the plan and design of employee benefits including health, life and disability insurance, paid time off policies, and other employee services including the Defined Contribution Program comprised of four supplemental retirement plans (Horizons Plan, Savings Plan, Termination Pay Pick-Up Plan, and Pension Savings Plan). The CEO has overall administrative responsibility of the \$7.7 billion (in assets) program and has contract and management authority. The County is the plan sponsor for the Los Angeles County Employees' Retirement Association (LACERA). The primary responsibility of the Benefits section is to oversee retirement policy and monitor the Board of Investment and Board of Retirement meetings, ensure that the County as plan sponsor has a sustainable and cost effective retirement system, and is responsible for the policies governing the County-sponsored health plans for retirees administered by LACERA.

Countywide Compensation oversees the provisions of Title 5 and 6 of the County Code pertaining to the compensation of County employees, including recommending changes to existing policies to the Board. The compensation function provides for the development of strategic planning and advance strategies in support of countywide economic issues. The section is also responsible for ensuring that the County's compensation policies are in compliance with federal and State laws and recommending the County's position in bargaining negotiations.

### 4. Unincorporated Area Services (UAS)

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	1,880,000	280,000	--	1,600,000	7.0
<i>Less Administration</i>	--	--	--	--	--
<b>Net Program Costs</b>	1,880,000	280,000	--	1,600,000	7.0

**Authority:** Non-mandated, discretionary program.

This program provides coordination between Board deputies and the municipal service departments, and support for enhanced unincorporated community municipal services and interdepartmental projects requiring facilitation and leadership by the UAS staff.

## 5. Health and Human Service Integration

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	3,896,000	3,118,000	125,000	653,000	19.0
<i>Less Administration</i>	--	--	--	--	--
<b>Net Program Costs</b>	3,896,000	3,118,000	125,000	653,000	19.0

**Authority:** Non-mandated, discretionary program.

The program's main mission is to enhance and integrate services for children and families by supporting and coordinating collaborative policy development initiatives, assisting County departments to integrate service delivery systems, and providing children and families with needed information. Services include providing project management planning and oversight; coordinating and conducting program evaluations; and coordinating revenue maximization efforts.

## 6. Child Care

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	21,975,000	505,000	21,247,000	223,000	15.0
<i>Less Administration</i>	--	--	--	--	--
<b>Net Program Costs</b>	21,975,000	505,000	21,247,000	223,000	15.0

**Authority:** Non-mandated, discretionary program.

The Office of Child Care provides collaborative policy development and implementation support on issues related to child care and development services in the County. Key initiatives include the implementation of the Investing in Early Educators Program (AB212) and the administration of the California State Preschool Program Quality Rating and Improvement System.

## 7. Homeless Prevention Initiative (HPI) and Homeless and Housing Program Fund (HHPF)

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	1,394,000	169,000	--	1,225,000	5.0
<i>Less Administration</i>	--	--	--	--	--
<b>Net Program Costs</b>	1,394,000	169,000	--	1,225,000	5.0

**Authority:** Non-mandated, discretionary program.

HPI was initially launched with a \$100.0 million investment, and unanimously approved by the Board in 2006 to reduce and/or prevent homelessness. In 2015, the Board and the CEO established a Homeless Initiative to confront the growing homeless population. In early 2016, the Board approved 47 coordinated strategies to: prevent homelessness; subsidize housing; increase income; provide case management and services; create a coordinated system; and increase affordable/homeless housing. The Board also approved \$99.7 million in one-time funding, included in the HPI and departmental budget units.

## 8. Legislative Affairs and Intergovernmental Relations

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	5,423,000	1,415,000	20,000	3,988,000	23.0
<i>Less Administration</i>	--	--	--	--	--
<b>Net Program Costs</b>	5,423,000	1,415,000	20,000	3,988,000	23.0

**Authority:** Non-mandated, discretionary program.

The purpose of the CEO Legislative Affairs and Intergovernmental Relations (CEO-IGR) program is to serve as the focal point of coordination of federal and State legislative policy and advocacy strategy for the County. In consultation with the Board and County departments, CEO-IGR develops the County's legislative priorities and policies, and analyzes legislative proposals. Major elements of this program include the annual development of federal and State Legislative Agendas, which are prepared in collaboration with County departments and Board offices. The Legislative Agendas are approved by the Board and contain principles and policies that serve as the basis for the development and advocacy of positions on federal and State legislative, administrative, and budget issues that could significantly affect County programs, finances, and the residents we serve; and to pursue specific legislation to remediate, enhance, or increase flexibility of existing County programs and services. Throughout the year, program staff analyze proposed federal and State legislation and budget proposals to identify impacts to County programs, finances, and operations and recommend County positions and advocacy strategies, as well as lead efforts to enact County-sponsored legislation.

The County's policies and advocacy positions are represented in Washington, D.C. and Sacramento in coordination with affected County departments and mutual interest organizations and entities such as the National Association of Counties, the California State Association of Counties, the Urban Counties Caucus, and other jurisdictions and entities. Other intergovernmental aspects include acting as liaison to the cities within the County; administering General Services Agreements with the cities to provide services through County departments; and representing the County's interests with external organizations, jurisdictions and entities.

## 9. Risk Management (RM)

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	19,729,000	13,213,000	3,337,000	3,179,000	99.0
<i>Less Administration</i>	--	--	--	--	--
<b>Net Program Costs</b>	19,729,000	13,213,000	3,337,000	3,179,000	99.0

**Authority:** Creation of the RM program as approved by the Board on April 30, 2002. RM Operations: Non-mandated, discretionary program. Workers' Compensation: Mandated program with discretionary level of funding - California Labor Code 3700 and County Code Sections 5.31.050, 5.31.060, 5.31.070, and 6.20.070. Loss Control and Prevention: Non-mandated, discretionary program. RM Inspector General: Non-mandated, discretionary program.

The overall purpose of the RM programs is to use available RM tools to evaluate County risks, to develop methodologies and programs to minimize those risks (and financial losses), and to advise the Board and County departments regarding ways to better control those risks. RM services are provided through a wide range of risk management programs, either directly by RM staff and/or through specialized contractors and consultants. RM programs and services include: Commercial Insurance; Loss Control and Prevention; Liability Claim Management (including Small and Property Claims); Workers' Compensation (including Return-to-Work and Medical Management); and RM Inspector General functions (including Corrective Action Plans).

These programs include the development and purchase of commercial insurance for a wide range of County insurance needs; administration and management of liability and workers' compensation claims; review of departmental contractual risk exposures; various loss control and prevention training to assist departments to reduce exposure and meet federal and State workplace safety requirements; monitoring of Corrective Action Plans; and assisting employees and departments with return-to-work efforts.

## 10. Emergency Management

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	3,507,000	2,745,000	--	762,000	21.0
<i>Less Administration</i>	--	--	--	--	--
<b>Net Program Costs</b>	3,507,000	2,745,000	--	762,000	21.0

**Authority:** Non-mandated, discretionary program.

The Emergency Management program creates, develops, coordinates, administers, and implements all-hazards emergency plans, procedures, and programs within County government including the unincorporated areas, and supports the Operational Area. This program ensures that the County is prepared and ready to prevent, mitigate, respond to, and recover from major emergencies and disasters by effectively mobilizing public and private resources within the County, as well as accessing outside resources through mutual aid, federal, and State governments.

## 11. Countywide Support Services

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	12,655,000	1,747,000	3,938,000	6,970,000	70.0

<b>Net Program Costs</b>	12,655,000	1,747,000	3,938,000	6,970,000	70.0

**Authority:** Non-mandated, discretionary programs.

**Countywide Communications:** Serves as the County's centralized source of information for the public and serves as the media liaison for the County. The office also provides tours of the Civic Center, and serves as liaison for departments' public information officers. The Public Information Office assists the Board with special projects, including community events, plaques to honor community members, and development of memorabilia.

**Cable and Multimedia:** Leads and coordinates countywide projects related to cable and multimedia, including launch of the County Channel, collection and review of franchise fee revenues, one-stop service for cable customer complaints and inquiries, and policy analysis and recommendations for innovative and pragmatic solutions such as two-way videoconferencing, wireless strategies, and management of the public rights-of-way. This program also provides photographic and graphic arts services to Board and County departments as well as maintaining the County's website.

**Office of Protocol:** Extends official hospitality on behalf of the Board to visiting foreign dignitaries primarily at the level of ambassador and above, and maintains a liaison with the Consular Corps and internationally focused organizations to promote international goodwill and understanding, business, tourism, and cultural awareness.

**Strategic Initiatives:** Leads and coordinates several high profile countywide and multi-departmental initiatives including review of redevelopment activities of the County's cities and managing various task force efforts to address Board-identified issues.

Strategic Planning Coordination: Provides central leadership and support services for continued advancement, refinement, and implementation of the County Strategic Plan and related strategic initiatives, including the County's performance measurement and management framework, *Performance Counts!*.

Countywide Information Technology Services: Provides support for countywide systems involving programs led by the CEO, including the budget system and emergency management.

### Mission Statement

The Chief Information Officer (CIO) provides vision and strategic direction for the effective and secure use of information technology (IT) to improve the delivery of services and achieve operational improvements and County business goals. The CIO is responsible for enterprise IT planning, cross-departmental IT issues, countywide IT practices and policies, and providing recommendations to the Board regarding prudent allocation of IT resources.

### 2016-17 Budget Message

The 2016-17 Recommended Budget reflects a decrease in NCC of \$0.3 million primarily due to deletion of one-time funding, partially offset by Board-approved increases in salaries and employee benefits.

### Critical/Strategic Planning Initiatives

The Department continues to:

- Support the County's Strategic Plan by participating actively as both owner and supporter of many County strategies and objectives;
- Maintain a countywide strategic IT planning program including an IT governance structure, which ensures alignment of IT initiatives with County strategic goals, strategies and objectives;
- Review Board-approved IT contracts and department business automation plans to ensure alignment with departmental and countywide goals; and
- Foster better management of County IT resources to improve service delivery and increase organizational effectiveness.

### Mission Statement

The mission of the Child Support Services Department (CSSD) is to enrich the community by providing child support services in an efficient, effective, and professional manner, one family at a time.

### 2016-17 Budget Message

The 2016-17 Recommended Budget reflects \$179.6 million in gross appropriation. The budget fully utilizes both the Administrative and Electronic Data Processing Maintenance and Operation allocation from the California Department of Child Support Services (DCSS). It leverages the County's share of welfare recoupment collections, enabling the drawdown of a 66 percent Federal Financial Participation match. The Recommended Budget reflects a net reduction of 78.0 vacant positions and contains a \$3.8 million dollar placeholder to balance the budget as the Department continues to work with DCSS as well as the Chief Executive Office (CEO) to identify further mitigation strategies and secure necessary resources. The balance between fiscal sustainability and delivery of services to County residents continues to be a challenge as the Department continues to face flat funding from the State every year, along with consistent salaries and employee benefits cost

increases, and increases in other unavoidable costs of doing business.

### Critical/Strategic Planning Initiatives

- The Child Support Statistical (CSTAT) and AdminStats tools continue to assist senior, mid-level, and line staff to engage in discussions regarding strategizing the refinement of its business practices, using current and real-time statistical data to align resources and improve performance. The Department remains committed to best practices that ensure effective and professional service delivery to support the County's Strategic Plan goals and the federal and State performance measures for local child support agencies.
- The Department continues to refine the utilization of the Predictive Analytics tool and has implemented a new business model of segmentation and assignment of cases based on the needs of each case. In addition, specialized quadrant workgroups identify targeted strategies and projects tailored to each specific case type. These workgroups perform a double duty of identifying and implementing best practices as well as mentoring the Department's future leaders. The Department has developed a practice of specialization in and a tailored approach to case management, without adding additional staff or resources.

■ The Department has placed considerable focus on its case processing operations by combining all case establishment functions into a single division and reengineering early intervention activities into a single specialized unit. This

provides parents with their paternity and support orders more rapidly. More importantly, by having a specialized focus on each and every new judgment, CSSD is placing financial support into the hands of families sooner.

### Unmet Needs

The 2016-17 Recommended Budget represents the 14th consecutive year of a fixed administrative cost allocation from DCSS, as well as the exhaustion of the remaining trust funds that have assisted the Department in previous years. In addition, CSSD has had to absorb nearly all increases in salaries and employee benefits, and other unavoidable costs of doing business with little to no assistance. Therefore, in an effort to present a balanced budget, this budget reduces funding for a net of 78.0 vacant positions and contains a placeholder of \$3.8 million, as the Department continues to actively seek additional funding solutions, as well as work with CEO, to maintain a balanced budget.

## Mission Statement

The Department of Children and Family Services (DCFS) will practice a uniform services delivery model that measurably improves: child safety, permanency, and access to effective and caring services.

## 2016-17 Budget Message

The 2016-17 Recommended Budget for Administration reflects a \$77.3 million increase in gross appropriation, funded with increases of \$28.4 million in revenue, and \$48.9 million in NCC.

The growth in revenue consists primarily of an increase of \$30.7 million in federal revenue and an increase of \$3.0 million in State general funds offset by a decrease of \$5.1 million in 2011 Realignment uses and a reduction of \$0.2 million in other financing sources. The \$48.9 million NCC is a result of \$9.7 million in Katie A. PFU funds and anticipated carryover to support the Katie A. Strategic Plan; \$1.1 million in Provisional Financing Uses (PFU) funds from the Board Priorities/Blue Ribbon Commission fund; \$30.5 million in PFU funds generated from prior-year Title IV-E Waiver reinvestment funds; and \$19.3 million to fund the County's Share of the Board-approved salary and employee benefits cost increases. These are partially offset by a \$9.7 million deletion of prior-year one-time funding for the Katie A. Strategic Plan; \$1.1 million deletion of prior-year one-time funding from the Board Priorities/Blue Ribbon Commission fund; \$0.4 million deletion of prior-year one-time funding for vehicle replacement, Edelman Children's Court Capital Project and the Electronic Suspected Child Abuse Reporting System (E-SCARS) project; and \$0.5 million decrease in rent charges.

The Recommended Budget also reflects 40.0 additional positions consisting of: 1) 22.0 positions to support the County's efforts to address Commercially Sexually Exploited Children (CSEC); 2) 8.0 positions for dependency courtrooms; 3) 3.0 positions for placement services; and 4) 7.0 positions for program and administrative support.

## Critical/Strategic Planning Initiatives

The focus of DCFS's efforts in FY 2016-17 will continue to be guided by their Strategic Plan, which emphasizes the overarching goals of engaging in child centered practices, pursuing workforce excellence and continuous operational excellence aimed at achieving child safety, permanency, and well-being/self-sufficiency.

Playing a key role in achieving that vision is progressing with the implementation of a departmentwide cultural change via the Core Practice Model (CPM). The CPM is focused on relationships, approaches, and techniques used at the practitioner level to enable youth and families to achieve the Department's specific goals. It emphasizes effective engagement and team approaches with staff and families to identify children's underlying needs and develop interventions which will address these needs. The CPM is a requirement of the Title IV-E Waiver and the Katie A. Settlement.

DCFS has recognized the value of collaborating and teaming with families via Child and Family Team (CFT) meetings to address unique needs relating to safety, risk and the child's well-being. Teaming is a key component of the CPM and lies at the heart of the CFTs. By utilizing CFTs, the Department works with families to identify a support structure based on people the families trust to help sustain them once their case with DCFS has been closed. This approach has the added benefit of curbing the amount of time needed in order for each case to be sufficiently and effectively addressed.

In collaboration with other departments, DCFS developed an inter-agency Immersion Approach to the CPM implementation. The Immersion Approach emphasizes working with the Department of Mental Health to implement the CPM via CFTs by providing targeted case management that starts with a mental health assessment and moves through treatment plans designed to uniquely address each family's needs. The three goals of this approach are: 1) to prevent out-of-home placements; 2) to place the child with kin (if possible); and 3) to ensure that the child's first placement is their last placement.

A key strategy to achieving this goal is by reducing caseloads for Children's Social Workers (CSW). This fiscal year the Department has requested this fiscal year the ability to hire up to 300 additional CSWs which will continue to reduce caseloads and allow staff time to learn, train, and implement the CPM throughout the Department.

The Department anticipates a potential decrease in placements once the CPM has been fully integrated departmentwide. However, until that time comes, a necessity for addressing current placement needs remains.

The increased number of detained children combined with the dwindling number of available emergency placement options created an urgency to prevent overstay at the Department's Emergency Response Command Post, Children's Welcome Center (CWC) and Youth Welcome Center (YWC).

This heightened concern has led the Department to spearhead several different Emergency Shelter Care Service Initiatives to ensure children will have a safe and structured out-of-home environment for 24-hours a day, seven days a week, when removed from their homes in an emergency. Part of this fiscal year's Recommended Budget will contribute towards the

Department's efforts to establish the 72-Hour Transitional Shelter Care (TSC) Program, which increases the number of contracted beds for children and youth taken into protective custody after-hours. The TSC has been contracted to operate for three years, which should allow the Department time to reduce the need for placement via the CPM implementation.

### Mission Statement

The DCFS-Assistance Budget funds programs that: 1) support children who are placed in out-of-home care because of abuse or neglect; 2) aid prospective adoptive parents in meeting the additional expenses of caring for children with special needs; 3) incur expenses in the recruitment and placement of children with relative caregivers while legal guardianship is finalized; and 4) assist public and private agencies in providing child abuse and neglect prevention and intervention programs to meet the needs of high-risk children and their families.

### 2016-17 Budget Message

The 2016-17 Recommended Budget for Assistance Payments reflects a \$4.3 million increase in NCC due to an increase in the California Necessities Index (CNI) and changes to caseloads of 1) \$1.2 million in the Emergency Assistance (EA) program, 2) \$0.6 million in the General Relief Ineligible (GRI) program, 3) \$0.3 million in the Approved Relative Caregiver (ARC) program, 4) \$1.2 million in the KinGAP program, and 5) \$1.0 million in the Adoption Assistance program (AAP). Furthermore, the Department has committed \$2.0 million in ongoing funds to support the County's overall effort to combat homelessness by providing rapid re-housing and case management services to families in the child welfare system where the parent(s)' homelessness is the sole barrier to reunification with their child or children.

### Critical/Strategic Planning Initiatives

The Department is currently implementing a number of strategies to ensure safety, stability and permanency for children under its care. The efficiencies, as a result of the strategic changes, are projected to reduce foster care costs, while maintaining the best interest of each child. The three key areas that are projected to affect the assistance costs for foster care include: 1) ensuring that only those children and families who would be appropriately served by the child welfare system enter the system; 2) reducing the time children spend in out-of-home care; and 3) providing services to children and families that enable children to remain in their homes or achieve timely permanency.

Matches the unique needs of children and families with available services and resources in their community. Services are provided through Family Support and Alternative Response Program. The services are a proactive approach toward the prevention of family conflict that may lead to child abuse or neglect. The focus of these services is on strengthening and empowering families and communities to promote the growth of children, youth, adults, and family members.

Responsible for assessing and investigating allegations of child abuse and neglect; initiating legal action, when appropriate, to petition for court dependency status; and coordinating departmental response to child abduction cases. The Child Protection Hotline receives calls of alleged abuse and neglect, and determines whether to refer the allegations for investigation. Emergency response staff conducts in-person investigations and provides family-centered, strength-based planning processes, such as Family Preservation Services. When a decision is made to seek court supervision for a child, Juvenile Court Services takes action to establish court dependency status and functions as the liaison between the Department and the court.

Provide services to children and families at high or very high risk for abuse, neglect, abandonment, or exploitation. Services include case management and support, wraparound, emancipation, respite care, health, mental health, substance abuse treatment, and educational development. These services are provided to children and families when a child remains in the home of a parent/guardian with child and family maintenance or when they have been placed in out-of-home care Family Reunification and Permanent Placement.

### 4. Permanency

Provides a continuum of services to promote permanency for children. These services include family reunification, legal guardianship, and adoption. Family reunification is the preferred permanency plan since it preserves family connections. Family reunification services include: case management and support, wraparound, emancipation, respite care, health, mental health, substance abuse treatment, and educational development. When it is not possible to reunify families, a plan of adoption or legal guardianship (with relatives or non-relatives) is considered. If adoption is the permanent plan, the services provided include recruitment and placement of children in adoptive homes, placement supervision until adoption is finalized, and post-adoptive services to birth, adoptive parents, and adoptee. The Department also provides recommendations to the Superior Court on independent adoptions arranged by the birth parents and stepparent.

## Mission Statement

Community and Senior Services (CSS) and its community partners deliver quality services to youth, adults, and seniors that promote independence, dignity, choice, and social well-being.

## 2016-17 Budget Message

The 2016-17 Recommended Budget reflects a net increase of \$1.5 million in gross appropriation primarily due to realignment growth funding for Adult Protective Services (APS); increases in Board-approved salaries and employee benefits; one-time funding for the administration of the Youth Jobs Program; and User Utility Tax (UUT) Cy Pres funding for the Seniors In Motion programs. These increases are partially offset by reductions in one-time and prior-year carryover funding from FY 2015-16 for programs and services; one-time funding for the administration of the Youth Jobs Program; and funding for retirement costs.

## Critical/Strategic Planning Initiatives

- Support major countywide initiatives and priorities in the areas of child protection, homelessness, County efficiencies, and succession planning.
- Redesign nutritional services to seniors to minimize the impact of expected cost increases in the preparation and distribution of meals with current funding levels.
- Develop and implement client-centered approaches through integrated services and best practices.
- Implement new mandates of the Workforce Innovation and Opportunity Act (WIOA).
- Build on collaborative efforts to expand comprehensive services to participants.

### Mission Statement

CSS and its community partners deliver quality services to youth, adults, and seniors that promote independence, dignity, choice, and social well-being.

### 2016-17 Budget Message

The 2016-17 Recommended Budget reflects a net NCC decrease of \$5.5 million primarily due to the deletion of prior-year, one-time funding of \$12.1 million for the Youth Jobs and Senior Nutrition Programs, partially offset by \$6.6 million for the aforementioned programs. The Recommended Budget also includes \$0.4 million in grant funding from the QPC for the County's JB-AJCC pilot program.

### Critical/Strategic Planning Initiatives

- Support major countywide initiatives and priorities in the areas of child protection, homelessness, County efficiencies, and succession planning.
- Redesign nutritional services to seniors to minimize the impact of expected cost increases in the preparation and distribution of meals with current funding levels.
- Develop and implement client-centered approaches through integrated services and best practices.
- Implement new mandates of the WIOA.
- Build on collaborative efforts to expand comprehensive services to participants.

## Unmet Needs

In FY 2015-16, the County provided \$12.9 million in one-time funding to support the Youth Jobs Program. The Department requests \$12.9 million in ongoing funding for FY 2016-17 and in future years as well for this program. Chronic youth unemployment has long-term implications that impede individual and regional prosperity. Youth who do not engage in work experience or skills attainment early on will experience lower wages in the future. In addition to providing work experience, the countywide Youth Jobs Program introduces youth to potential career pathways in high-growth industries.

The Department provides approximately 2.5 million meals to about 41,000 seniors through its nutrition programs. Effective in FY 2016-17, the cost of meals is expected to increase as the Department will procure new providers. In order to maintain the number of meals and seniors served, the Department is requesting \$2.5 million for FY 2016-17.

## Departmental Program Summary

### 1. APS

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	30,739,000	27,917,000	--	2,822,000	244.0
<i>Less Administration</i>	--	--	--	--	--
<b>Net Program Costs</b>	30,739,000	27,917,000	--	2,822,000	244.0

**Authority:** Mandated program – Federal Social Security Act Title XX; California Welfare and Institutions Code (§ 15630-15637, 15640, 15750-15755, 15760, and 15762-15763); and, California Department of Social Services Regulations (§§ 33-100 through 33-805).

The APS program helps elders (age 65 or older) and dependent adults (physically or cognitively impaired 18-64 year olds) who are suspected victims of abuse or neglect (including self-neglect). APS social workers investigate reports of alleged abuse; assess an individual's abilities and limitations; provide referrals to community services; and provide general case management to help those that are unable to protect themselves.

### 2. WIOA – Adult, Dislocated and Youth

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	7,565,000	766,000	6,527,000	272,000	48.0
<i>Less Administration</i>	--	--	--	--	--
<b>Net Program Costs</b>	7,565,000	766,000	6,527,000	272,000	48.0

**Authority:** Mandated program – Federal Workforce Investment Act 1998, Public Law 113-128.

The WIOA program provides services that lead to successful transition into the workforce, continued training, or education. The program goal is to increase the self-sufficiency of persons residing in the County.

### 3. Aging and Adult Services

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	6,184,000	--	3,829,000	2,355,000	19.0
<i>Less Administration</i>	--	--	--	--	--
<b>Net Program Costs</b>	6,184,000	--	3,829,000	2,355,000	19.0

**Authority:** Non-mandated, discretionary program.

The Aging and Adult Services program ensures that home delivered meals are provided to the frailest and those least able to prepare meals for themselves. Also, nutritious meals are provided to seniors (aged 60+) and their spouses in a congregate meal social setting, and support services are provided to caregivers of older adults and to senior grandparents caring for grandchildren. The program also provides various care management services to frail, elderly, and younger adults with disabilities who are at risk of being placed in an institutional setting.

#### 4. Community and Senior Centers

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	8,120,000	--	605,000	7,515,000	60.0
<i>Less Administration</i>	--	--	--	--	--
<b>Net Program Costs</b>	8,120,000	--	605,000	7,515,000	60.0

**Authority:** Non-mandated, discretionary program.

Community and Senior Center staff provide oversight or coordinate programs and services for people of all ages through partnerships with community businesses, volunteers, and public and private agencies. These services reduce the isolation faced by constituents, improves their health and well-being, and simplifies access to information such as income tax preparation, notary services, and other services.

#### 5. Dispute Resolution Program

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	294,000	--	217,000	77,000	2.0
<i>Less Administration</i>	--	--	--	--	--
<b>Net Program Costs</b>	294,000	--	217,000	77,000	2.0

**Authority:** Non-mandated, discretionary program.

The Dispute Resolution program provides various dispute resolution services as an alternative to more formal court proceedings. Services include mediations, telephone conciliations, group facilitators and arbitrations. Services are provided through contracts with nonprofit organizations and government entities. Contract goals are based on the number of individuals, businesses, and organizations accessing the services and the cost per dispute resolved. Participation in the program is strictly voluntary.

#### 6. Human Relations Commission (HRC)

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	1,792,000	--	--	1,792,000	19.0
<i>Less Administration</i>	--	--	--	--	--
<b>Net Program Costs</b>	1,792,000	--	--	1,792,000	19.0

**Authority:** Mandated program - Article XXIX of County Ordinance No. 4099, No. 7425, as amended by Ordinance No. 8118, No. 10, 532, and No. 10, 921, and the County Administrative Code.

The HRC teams with law enforcement, schools, cities, community-based organizations, youth, academics, policy makers, businesses and other leaders to bring key players together to resolve immediate inter-cultural conflicts. The HRC's goal is to develop programs that proactively address racism, homophobia, religious prejudice, linguistic bias, anti-immigrant sentiment, and other divisive attitudes that can lead to inter-cultural tensions, hate crimes, and related violence.

## 7. Administration

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	20,463,000	7,283,000	6,744,000	6,436,000	156.0

### Mission Statement

To promote a fair and vibrant marketplace, we serve consumers, businesses, and communities through education, advocacy, and complaint resolution.

### 2016-17 Budget Message

The 2016-17 Recommended Budget reflects an increase in NCC of \$1.2 million primarily due to implementation of the Board-approved Wage Enforcement Program (WEP) associated with the County's minimum wage ordinance and Board-approved increases in salaries and health insurance subsidies. The Recommended Budget also includes expansion of the Homeowner Notification Program funded through increased Senate Bill (SB) 62 revenue.

### Critical/Strategic Planning Initiatives

- Identify and secure additional office space to accommodate increased staffing and provide improved public access to services;
- Implement the new WEP to provide answers to questions regarding the new minimum wage ordinance, educate employers and workers in order to bring them into compliance, and accept complaints and conduct investigations into allegations of minimum wage ordinance violations; and
- Expand the Real Estate Fraud Homeowner Notification Program.

### Mission Statement

The mission of the County Counsel's Office is to provide the highest quality legal services to governmental clients by fully understanding their business needs; being accessible, responsive, and timely; proactively helping them guard against risk; providing sound advice and counsel; providing creative solutions and viable alternatives to achieve goals; and always acting in a responsible, professional, and ethical way.

### 2016-17 Budget Message

The 2016-17 Recommended Budget reflects an increase in NCC of \$1.4 million, primarily due to Board-approved salaries and employee benefits and front funding for the fifth year of a five-year program for the Employment Advice and House Counsel Services Programs.

### Critical/Strategic Planning Initiatives

County Counsel will continue ongoing strategic plan initiatives to support the County's Strategic Plan, including:

- Developing and implementing new initiatives, strengthening current practices, and enhancing client relations through communication.
- Creating a new Board Liaison Division to continue to provide the highest level of service to the Board and assist in achieving its goals and initiatives.
- Utilizing new and effective technologies to update office systems and programs to improve organizational effectiveness. In addition, the Office is working towards the implementation of a web-based electronic case management and e-filing system for the Workers' Compensation Division and an electronic case management system for the Dependency Division.

- Managing resources more effectively by promoting prudent fiscal policies and practices and exploring innovative methods that help ensure fiscal stability. For instance, the Office continues to ensure that its risk management practices are aligned with the rest of the County by enhancing current ergonomic and wellness awareness programs to better manage risks associated with employee safety.
- Assessing, enhancing, implementing and monitoring the cybersecurity and privacy framework to better protect and preserve the privacy, confidentiality, integrity and availability of the County's information technology infrastructure. For example, County Counsel's Health Insurance Portability and Accountability Act (HIPPA) Privacy and Security Officer and members of the legal staff participate in the HIPPA/Health Information Technology for Economic and Clinical Health Act (HITECH) Privacy and Security Committee to ensure departmental compliance.

## Unmet Needs

The Office needs \$3.0 million for the refurbishment and reconfiguration of existing County Counsel office space located at the Edmund D. Edelman Children's Court in Monterey Park. The Dependency operation, which provides services exclusively to the Department of Children and Family Services, occupies this space. Due to its age and water leakage issues, the dilapidated furniture and carpet need replacement as they pose health and safety concerns. The refurbishment will result in a better use of the existing space by consolidating legal and support staff by court and other relevant assignments and will create sufficient file storage space. The library space and cubicles will be reconfigured. The Redaction Unit will be further secured to better enable the processing of confidential files. This project includes lighting improvements and ceiling replacement to address damage from multiple water leaks.

### Mission Statement

The County District Attorney's Office (Office) is dedicated to protecting our community through the fair and ethical pursuit of justice and the safeguarding of crime victims' rights.

### 2016-17 Budget Message

The 2016-17 Recommended Budget reflects an NCC increase of \$14.0 million primarily due to Board-approved increases in salaries and employee benefits, one-time funding to continue the Sexually Violent Predator (SVP) program, and funding for 5.0 positions for the Trial Support unit, 2.0 positions for the Bureau of Investigation (BOI), 1.0 position for the Community Cyber Investigation Response Team (CIRT), 3.0 positions for the Human Trafficking unit and 1.0 position for the Complex Child Abuse unit, partially offset by the deletion of one-time funding for the Hall of Justice (HOJ) project and an increase in public safety sales tax (Proposition 172) revenue. The Recommended Budget also reflects the addition of 15.0 positions for the Victim Witness Assistance Program (VWAP) and 1.0 position for the Workers' Compensation Fraud program, fully offset by grant funding.

### Critical/Strategic Planning Initiatives

The Office's FY 2016-17 strategic planning efforts are as follows:

- Fulfill the District Attorney's leadership responsibilities related to public safety and the pursuit of justice in furtherance of the office mission of promoting fair and ethical policies and practices and ensuring compliance with constitutional and statutory duties.
- Identify and implement operational and organizational strategies to improve public safety and the pursuit of justice. This will include identifying opportunities for engagement in collaborative relationships with justice partners and community stakeholders.
- Actively and effectively communicate our duties, goals, successes, and challenges to the public to instill confidence in our commitment to the pursuit of justice, and promote public awareness of justice and safety issues and trends.

- Create efficiencies, reduce redundancy, and manage information to be used for improved decision making. This will include identifying relevant data to employ in the decision making process.
- Identify and implement effective administrative and employment practices to promote fiscally responsible decision making, employee safety, a well-trained workforce and succession planning.

<b>Net Program Costs</b>	167,435,000	--	45,199,000	122,236,000	933.0

**Authority:** Mandated program with discretionary service level – Government Code Sections 26500 – 26502.

The Office represents the People of the State of California in all general felony prosecutions, as well as in all misdemeanor prosecutions where there is no city prosecutor. The program consists of 11 branch offices, nine area offices, and all central trial courts.

### 2. Special Prosecution

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	152,364,000	9,904,000	70,247,000	72,213,000	705.0

<b>Net Program Costs</b>	152,364,000	9,904,000	70,247,000	72,213,000	705.0

**Authority:** Mandated program with discretionary service level – Government Code Sections 26500 – 26502.

The Office represents the People of the State of California in all felony special prosecutions, as well as in all misdemeanor prosecutions where there is no city prosecutor. The program utilizes vertical prosecution techniques to handle the most complex and victim-oriented prosecutions.

### 3. Community Prosecution

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	8,021,000	392,000	4,760,000	2,869,000	69.0

<b>Net Program Costs</b>	8,021,000	392,000	4,760,000	2,869,000	69.0

**Authority:** Non-mandated, discretionary program.

Community prosecution includes a number of programs, three of which are highlighted below. The Abolish Chronic Truancy (ACT) program enforces compulsory education laws by focusing on parents' responsibility and accountability to get children to (and keep them in) school. The Juvenile Offender Intervention Network (JOIN) program provides swift intervention (before court filing) through an accountability-based program for juveniles ages 10-17 who have committed a fileable, non-violent, first-time offense. The multi-agency Code Enforcement Unit, active since 2005, has made it possible for County inspectors to gain entry into previously inaccessible properties, thereby allowing inspectors to issue citations and/or refer cases to the Office for investigation, remediation, and/or prosecution.

#### 4. Prosecution Support

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	29,930,000	--	25,207,000	4,723,000	231.0
<i>Less Administration</i>	--	--	--	--	--
<b>Net Program Costs</b>	29,930,000	--	25,207,000	4,723,000	231.0

**Authority:** Prosecution support services are non-mandated, discretionary services except for Charter Executive positions. The Victim Witness Assistance Program (VWAP) is authorized by Penal Code Section 13835.

Prosecution support encompasses a number of programs including Trial Support, Parole Revocation, VWAP and Lifer Hearings. The two largest are highlighted below.

VWAP: The VWAP mission is to alleviate the trauma and devastating effects of crime on the lives of victims and their families. Victim and witness advocates guide victims through the court process; help victims receive restitution; provide crisis intervention and emergency assistance; offer referrals to counseling and community services and follow-up with victims and witnesses; provide additional assistance when members are located at numerous sites throughout the County; and assist crime victims and their families as closely as possible to their home.

Lifer Hearings: The Office represents the County in all parole hearings for inmates sentenced to life in prison.

#### 5. Administration

### Mission Statement

The Office of Diversion and Re-Entry (ODR) was created by the Board on September 1, 2015, to oversee and coordinate community-based treatment and housing for persons with serious mental illness and/or substance use disorders who encounter the justice system, and to enhance public safety while improving the lives of the individuals deemed eligible for services. The ODR budget was established to control funding earmarked for ODR activities and will be transferred to other budget units to be spent on approved programs.

### 2016-17 Budget Message

The 2016-17 Recommended Budget reflects a net increase of \$10.7 million.

The following is a description of the programs that are being funded in other budget units:

#### Health Services

Reflects \$9.1 million in funding for Health Services to hire the ODR Director, funding to open a Sobering Center, including space, staffing and overhead costs, and a pool of funding for contracted housing for health options, including interim housing, rental subsidies, and move-in assistance.

#### Sheriff

Reflects \$1.4 million in funding for Sheriff to begin year one of six of Crisis Intervention Training to allow Sheriff personnel to improve tactics when dealing with the mentally ill and reduce the use of force.

### Mission Statement

The EPR budget was created to support County and the operational area's emergency preparedness, with high priority given to planning, training, exercising, and coordinating response and recovery operations.

### 2016-17 Budget Message

The EPR budget provides funding for the County Office of Emergency Management to prepare and implement plans and policies for the protection of life and property within the County in the event of an emergency or disaster; operate and maintain the County Emergency Operations Center (EOC); train personnel assigned to County government, special districts, and other jurisdictions throughout the County; plan support for Homeland Security; develop and provide emergency and disaster related educational materials for County residents; and conduct countywide disaster exercises.

Management of the County EOC includes the Operational Area Response and Recovery System, an internet-based information reporting and notification system used by jurisdictions and agencies in the County operational area to convey conditions and operational status as a result of an incident, emergency, or disaster. In addition, the County uses *Alert LA County*, a mass notification system, to notify residents and businesses via recorded phone, text, and/or email messages, of emergencies or critical situations with information regarding necessary actions, such as evacuations.

The budget also incorporates funds for Homeland Security Grants including the State Homeland Security Grant Program (SHSGP); Urban Area Security Initiative (UASI); and the Emergency Management Performance Grant (EMPG) for County departments, unincorporated areas, special districts, and cities within the operational area.

The 2016-17 Recommended Budget reflects an increase in NCC of \$0.5 million, primarily due to a posting correction of \$0.6 million, partially offset by the deletion of \$0.1 million in one-time carryover funding.

### Mission Statement

The Extraordinary Maintenance Budget reflects appropriations for major maintenance of County facilities and assets, including legally required building alterations, unanticipated emergency repairs, disaster-related repairs that are not funded by the Federal Emergency Management Agency, and high-priority building maintenance activities that exceed the resources available to County departments.

### 2016-17 Budget Message

The County's infrastructure requires ongoing investment to meet continuous performance requirements. The 2015-16 budget appropriated funds for critical repairs, including heating, ventilating and air conditioning (HVAC), elevators, fire safety, roof repairs, and other maintenance needs throughout the County. The 2016-17 Recommended Budget appropriates \$196.5 million for critical and other high-priority repairs, roof replacements, HVAC unit improvements, elevator and fire alarm system upgrades, and accessibility modification needs at County facilities, including beaches, parks, juvenile halls and camps, senior centers, and health centers.

### Mission Statement

Financing Elements reflect those appropriations and revenues that are not contained in the departmental or nondepartmental budget summaries.

### 2016-17 Budget Message

The 2016-17 Recommended Budget includes financing sources and financing uses as follows:

#### Financing Sources

For budget planning purposes, the Chief Executive Office considers total financing sources the difference generated in FY 2015-16 from County revenues exceeding expenditures

(fund balance available), the use of prior-year obligated fund balance, and property taxes. Any decrease in fund balance available from the budgeted amount will require expenditure reductions or the identification of additional financing.

The recommended fund balance of \$1,423.4 million is comprised of \$150.9 million from General Fund operations; and \$1,272.5 million of unused FY 2015-16 funds carried over to FY 2016-17 for the following:

- \$455.0 million of Capital Projects funds for the completion of various projects and refurbishment needs;
- \$173.5 million of Extraordinary Maintenance funds for major repairs and maintenance of County facilities and assets;

- \$40.1 million of Project and Facility Development funds for consultant and specialized services related to projects that are under development, as well as improvements to County facilities;
- \$390.7 million of Provisional Financing Uses funds primarily for the Departments of Children and Family Services, Board of Supervisors, Sheriff, Probation, Public Social Services, and Mental Health, as well as the Correctional Enhancement Program and future budget uncertainties;
- \$64.5 million of Homeless and Housing Program funds for Homeless Prevention Initiative projects;
- \$60.2 million of Diversion and Re-Entry funds for the redirection of persons in need of physical, mental, and public health services from the criminal justice system to appropriate care and treatment in lieu of incarceration;
- \$52.6 million of Board of Supervisors funds for various community programs;
- \$31.7 million of Children and Family Services funds for the Katie A. Settlement Agreement;
- \$2.2 million of Public Social Services funds for General Relief anti-homelessness projects;
- \$1.8 million of Child Support Services funds for various operational needs; and
- \$0.2 million for extended hours for cooling centers in response to inclement weather emergencies as declared by the Department of Public Health.

Obligated fund balance of \$32.9 million is decreased for the following:

- \$11.0 million for Phase 5 of the eCAPS Financial System project;
- \$9.8 million of Health Services Tobacco Settlement funds for health-related costs;
- \$5.0 million for Sheriff programs including Phase III of the recommendations of the Citizens' Commission on Jail Violence, additional sworn staffing to patrol all unincorporated areas, and Phase I of the Body Worn Camera system;
- \$5.0 million for continued support of the Los Angeles Regional Interoperability Communications System Joint Powers Authority administrative operations;

- \$1.5 million for the Assessor's Legacy System Replacement Project to ensure that the design, functionality, and operational effectiveness of the replacement system meet the County's operational and business objectives;
- \$0.5 million for the Seniors in Motion program to support healthy lifestyle activities for senior citizens; and
- \$0.1 million for Public Library Homework Centers at various libraries.

Property tax revenues reflect a net increase of \$242.2 million from the FY 2015-16 Final Adopted Budget. This includes an increase of \$222.7 million due to a projected 5.0 percent increase in assessed valuation; a \$31.4 million increase in property tax revenue residual based on the current trends of the County's General Fund share of the redistribution of property tax revenue as a result of Redevelopment Dissolution; a \$4.0 million increase in one-time revenues for asset sales related to Redevelopment Dissolution; partially offset by a \$15.9 million decrease in sales tax revenue as part of the Triple Flip unwind due to the State's payment of the 2004 Economic Recovery Bonds. Property tax revenues include in-lieu vehicle license fee revenue as part of the State's Local Government Agreement (2004 Budget Act).

The recommended property tax revenue changes are comprised of the following:

- \$253.9 million increase in the Regular Roll;
- \$0.2 million increase in the Supplemental Roll; and
- \$11.9 million net decrease primarily due to the elimination of the Triple Flip.

### **Financing Uses**

Financing Uses include funding for appropriations for contingencies as outlined in the revised Board Policy 4.030 "Budget Policies and Priorities", approved on September 30, 2014.

Provision for obligated fund balance may be nonspendable, restricted, committed, or assigned for specific needs including future legal or contractual obligations.

Obligated fund balance of \$45.1 million is committed for various information technology legacy replacement projects.

FIRE DEPARTMENT	PUBLIC PROTECTION		FIRE PROTECTION			

### Mission Statement

To protect lives, the environment, and property by providing prompt, skillful, and cost-effective fire protection and life safety services.

### 2016-17 Budget Message

The Fire Department provides 24-hour, emergency services to over four million people living and working in 57 of the County's 88 cities, the unincorporated communities and the City of La Habra in neighboring Orange County, and over one million housing units. The Department's vast 2,300 square mile jurisdiction also includes 158 lifeguard towers spanning 72 miles of coastline to protect millions of annual beach visitors. The Department is one of the largest emergency service organizations in the country, and enjoys a world-renowned reputation for its adeptness and innovation in managing large-scale wildfires, earthquakes, and other disasters in Southern California.

The Department, as a Special District, is funded independent of the County General Fund, and relies primarily on property taxes and a special tax approved by the voters in 1997 to provide essential fire protection and emergency medical services. As the Department moves forward, it will continue to focus its efforts on establishing the Emergency Medical Services (EMS) Bureau; ensuring fiscal sustainability by identifying new revenue streams and maintaining sufficient levels of reserves; minimizing risk; and enhancing the culture of the organization through continued training. These efforts will provide the foundation to sustain the current levels of emergency staffing and essential support services.

The 2016-17 Recommended Budget includes funding for 21.0 positions for Emergency Operations including the opening of Fire Station 143 in the Santa Clarita Valley, and expanded operations at Fire Station 51 to provide truck services to the unincorporated area of Universal City; funding for the Department's share of Lifeguard restorations and unmet needs; 1.0 position to oversee the Grants and Cooperative Agreements Division and maximize grant opportunities; funding for four additional fire fighter trainee recruit classes; replacement of apparatus and heavy equipment; replacement of necessary personal protective

equipment for firefighters; and 5.0 support positions which will improve efficiencies and help generate additional revenue. The budget also includes funding for Board-approved increases in salaries and health insurance subsidies, unavoidable costs, retiree health other-post employment benefits (OPEB), and other charges; partially offset by decreases in retirement, services and supplies and capital assets expenditures.

### Critical/Strategic Planning Initiatives

The Department's Strategic Plan includes 12 goals designed to support the Department's envisioned future. These goals are: Preventing Injury and Illness; Delivering Exemplary Emergency Services; Innovating New Delivery Systems; Fostering Workforce Excellence; Ensuring Financial Stability and Accountability; Developing the Leader in Each Employee; Strengthening our Infrastructure; Automating our Systems; Containing Risks; Mitigating Disasters; Preparing the People We Serve; and Communicating our Value. At this time, the Department is particularly concentrating on five areas: Critical Infrastructure, Fiscal Sustainability, Emergency Medical Services, Mitigating Risk, and Education/Training.

## Unmet Needs

The 2016-17 budget request includes funding to sustain departmental operations. The Department utilizes a multi-year fiscal forecast for financial planning purposes. The Department is anticipating slight increases in its primary funding source (property taxes) and will continue to evaluate new revenue streams which may help support ongoing operations.

### Mission Statement

To protect lives, the environment, and property by providing prompt, skillful, and cost-effective fire protection and life safety services.

### 2016-17 Budget Message

The Fire Department - Lifeguard budget provides funding for lifeguard services at County-operated beaches, which are the financial responsibility of the General Fund. The budget unit establishes an appropriation for a General Fund transfer to the Fire Department's budget, which includes a percentage of all costs and budgeted positions for ocean lifeguard services. The 2016-17 Recommended Budget reflects a net increase of \$2.6 million in NCC primarily due to funding for restorations and other critical needs of \$2.0 million and Board-approved increases in salaries and health insurance subsidies, partially offset by the deletion of one-time funding of \$0.6 million for a dock house.

### Critical/Strategic Planning Initiatives

The Fire Department's Strategic Plan includes 12 goals designed to support the Department's envisioned future. These goals are: Preventing Injury and Illness; Delivering Exemplary Emergency Services; Innovating New Delivery Systems; Fostering Workforce Excellence; Ensuring Financial Stability and Accountability; Developing the Leader in Each Employee; Strengthening its Infrastructure; Automating its Systems; Containing Risks; Mitigating Disasters; Preparing the People We Serve; and Communicating the Department's Value. At this time, the Department is particularly focused on five areas: Critical Infrastructure, Fiscal Sustainability, Emergency Medical Services, Mitigating Risk, and Education/Training.

The 2016-17 Recommended Budget supports the Fire Department's Strategic Plan efforts as it relates to lifeguard operations.

### Mission Statement

The Los Angeles County Civil Grand Jury investigates and reports on the operations, accounts, and records of County departments, cities, and any special legislative district or other district in the County created pursuant to State law, for which the officers of the County are serving in their capacity as officers of the districts pursuant to Article 1, Section 23, among other sections, of the California Constitution.

The Criminal Grand Jury makes inquiries into public offenses committed or triable within the County and presents them to the Court by indictment. The Criminal Grand Jury also conducts investigations brought to them by the District Attorney's Office.

### 2016-17 Budget Message

The 2016-17 Recommended Budget reflects an increase in NCC of \$9,000 primarily due to Board-approved increases in salaries and employee benefits partially offset by a decrease in retirement contributions.

### Critical/Strategic Planning Initiatives

The Grand Jury continues to:

- Increase recruitment of Civil Grand Jurors to better represent the varied population of the County;
- Safeguard valuable Grand Jury original records and develop long-term storage solutions; and
- Plan for a third Grand Jury to be used for Criminal Grand Jury matters when needed.

### Mission Statement

The mission of Grand Park is to provide a central gathering place to come together to celebrate, and to protect and expand green and open spaces for public use.

### 2016-17 Budget Message

The 2016-17 Recommended Budget reflects an NCC decrease of \$46,000 due to the deletion of one-time funding, partially offset by an increase in funding for unavoidable custodial contract costs and additional security services for the 4<sup>th</sup> of July and New Year's Eve events.

### Critical/Strategic Planning Initiatives

Consistent with the County's vision to improve the quality of life in the County, Grand Park exists to serve the people of Los Angeles by assuring open space for casual sitting, leisurely strolling and civic gatherings. Grand Park serves the community by providing access to community groups, neighbors, schoolchildren, and sponsored performing events.

### Mission Statement

The mission of the County Health Agency (Agency) is to improve the health and wellness of County residents through effective, integrated, comprehensive, culturally appropriate services, programs, and policies that promote healthy people living in healthy communities.

This will be achieved through the aligned efforts of the Departments of Health Services (DHS), Mental Health (DMH), and Public Health (DPH), and in partnership with clients and their families and communities, County residents, organized labor, faith-based organizations, community providers and agencies, health plans, academia, and other stakeholders.

### 2016-17 Budget Message

On January 13, 2015, the Board unanimously approved in concept the integration of DHS, DMH, and DPH, to create the Agency. The Board requested the CEO to report back with a proposed structure for the Agency and a timeline of how it would be implemented, including a stakeholder/public participation process, which the CEO submitted on June 30, 2015. Finally, on September 29, 2015, the Board formally approved an ordinance to create the Agency, as well as approved strategic priorities and an operational framework for the Agency.

One component of the operational framework indicates that the budgets for the three departments included in the Agency will remain separate. Therefore, the 2016-17 Recommended Budget reflects the summation of the three department's budgets, after which each department follows.

## Critical/Strategic Planning Initiatives

The Agency's strategic priorities and operational framework were developed by a temporary steering committee comprised of the Directors of DHS, DMH, DPH, and the Public Health Officer. Public convenings were held and formal written comments were accepted to obtain input from community stakeholders. The strategic priorities and operational framework reflect the steering committee's efforts to develop and fulfill the Agency's mission to improve the health and wellness of County residents through the provision of coordinated care and services.

The Board-approved strategic priorities, which each include defined goals and outcomes for the Agency, are as follows:

- Consumer access to and experience with clinical services.
- Housing and supportive services for homeless consumers.
- Overcrowding of emergency departments by individuals in psychiatric crisis.
- Access to culturally and linguistically competent programs and services.
- Diversion of corrections-involved individuals to community-based programs and services.
- Implementation of the expanded substance use disorder benefit.
- Vulnerable children and transitional age youth.
- Chronic disease and injury prevention.

**Mission Statement**

The mission of the Department of Health Services (DHS) is to ensure access to high-quality, patient-centered, cost-effective health care for County residents through direct services at DHS facilities and through collaboration with community and university partners.

On behalf of the community, the Department provides vital inpatient acute care services in four hospitals, and outpatient services at two outpatient centers (OC), six comprehensive health centers (CHC), 11 health centers, and over 100 Community Partners' clinics. The Department works in close collaboration with other County departments, such as Mental Health, Public Health, Probation, Children and Family Services, and the Sheriff, to provide targeted, coordinated services to fragile residents with specific needs in the

communities. The Department also manages emergency medical services for the entire County, and trains over 1,000 physician residents annually.

The Department ensures that the medically indigent have appropriate access to health care in their communities. DHS serves as a provider, contractor, and coordinator of health care services that are effective, efficient, and comprehensive, and that lower the cultural, linguistic, financial, and disability-related barriers to access.

**2016-17 Budget Message**

The 2016-17 Recommended Budget is fully funded with available resources, and reflects the minimum maintenance of effort (MOE) required by law (\$336.1 million and vehicle license fees (VLF) realignment revenue of \$273.7 million), plus an

additional \$81.4 million in County funding. The additional County funding components include \$19.0 million from the General Fund and \$62.4 million in Tobacco Settlement funds. The Recommended Budget also reflects \$22.3 million in County resources allocated to the Department of Public Social Services (DPSS) for the In-Home Supportive Services Provider Health Care Plan and \$15.9 million allocated to the Capital Projects/Refurbishments budget unit for health-related capital projects.

The Recommended Budget reflects a net increase in NCC of \$17.5 million, consisting primarily of increases in VLF of \$8.1 million, a one-percent increase of \$3.3 million in the MOE related to AB 85, which governs the Affordable Care Act (ACA) implementation in California, and \$6.1 million related to rapid rehousing.

The Recommended Budget includes an increase of 80.0 positions, offset with 24.0 positions, for a net increase of 56.0 positions and related operational costs, primarily associated with Board-approved functions, including 15.0 positions related to the Office of Diversion and Re-Entry (ODR) to hire the ODR Director and establish a County-operated Sobering Center, 5.0 positions for Integrated Correctional Health Services (ICHS) primarily to establish the

ICHS leadership structure within DHS, 25.0 positions to expand primary care medical homes, and 35.0 positions to convert contracted hospital personnel to County staff.

The Recommended Budget reflects \$210.3 million in Measure B Special Tax revenue, of which \$208.5 million is allocated for County hospital emergency and trauma care costs and \$1.8 million is allocated for services related to trauma centers and emergency medical services in Health Services Administration-Emergency Medical Services.

The Recommended Budget also reflects the use of \$84.4 million in estimated obligated fund balance to be transferred to the four hospital enterprise funds for ongoing health care costs.

### Critical/Strategic Planning Initiatives

The ACA was implemented on January 1, 2014 and the Department is continuing to refine its analysis of the impact. The Department is making good progress on key initiatives and operational changes that will help the health system succeed under the ACA. With the support of the Board, DHS and its many partners are working together to transform its system into an integrated care delivery model that will enable it to provide the right care, at the right time, in the right location, by the right kind of provider.

The Board approved the integration of correctional health services on June 9, 2015, to enhance the quality and delivery of healthcare to the incarcerated population in the County Jails. The new Integrated Correctional Health Services (ICHS) budget unit will oversee the development and delivery of integrated medical, mental health, and substance use disorder treatment services to the inmate population and ensure that this vulnerable population's healthcare treatment continues upon re-entry into the community by arranging comprehensive transition services that will be provided by County Departments and community based organizations.

The 2016-17 Recommended Budget reflects 5.0 new positions to establish the unit and provide leadership to ICHS. In the future, additional ICHS resources will be transferred from the Department of Mental Health and the Sheriff to the ICHS budget unit, to complete the integration of these services.

Juvenile Court Health Services (JCHS) is responsible for providing health care services to juveniles in the County Probation Department's detention and residential treatment facilities, either directly or through referral for specialty or emergency services. Accredited by the National Commission on Correctional Health Care, JCHS provides comprehensive health services to Probation youth, including pediatric medical care, nursing, dental, pharmacy, laboratory, radiology, and optometry, all of which are fully integrated in the Probation Electronic Medical Records System (PEMRS). All physicians are licensed and credentialed through LAC+USC Healthcare Network's Department of Pediatrics. These services are primarily funded by the Probation Department.

The Managed Care Services Division (MCS), formerly known as the Office of Managed Care (OMC), functions as the medical services organization for DHS and coordinates the delivery of health care to improve the quality of care provided by DHS in a managed care environment. MCS' main function is to support patients, providers, health plan partners and staff in fulfilling DHS' managed care responsibilities. MCS' goals are to improve DHS outcomes and patient experience, while reducing the cost of providing care. MCS monitors compliance with managed care contractors, including health plans and medical groups, health care quality, standardizes processes across DHS clinical settings and assesses potential new lines of business given new opportunities under the Affordable Care Act.

The Online Real-Time Centralized Health Information Database (ORCHID) budget unit, also known as the Electronic Health Record Information System (EHRIS), was established in November 2012 to account for the staffing costs associated with the development of DHS' electronic health record system. It has since been expanded to include all costs related to the development, design, and construction activities of ORCHID, including the related capital projects, that will be paid for out of DHS' operating budget.

A separate special fund was established to account for the development of the system and related capital projects that may be funded through the issuance of tax-exempt commercial paper.

The MetroCare Network consists of the Harbor-UCLA (H-UCLA) Medical Center, the Martin Luther King, Jr. Outpatient Center (MLK OC), the Hubert Humphrey Comprehensive Health Center and Long Beach Comprehensive Health Center, and four health centers. Affiliated with the UCLA School of Medicine, H-UCLA Medical Center provides a full spectrum of medical, surgical and psychiatric inpatient services and outpatient ambulatory care services including: cardiovascular surgery, intensive and acute respiratory care, family medicine, general internal medicine, gynecology, interventional radiology, neurology, neurosurgery, obstetrics, pediatrics, radiation therapy and renal transplants. H-UCLA provides emergency services and is designated as a Level I Trauma Center. Additionally, MLK OC provides comprehensive care through the patient-centered medical home (PCMH) model, where patients receive quality, coordinated, and continuous care for all of their healthcare needs. In addition to ancillary, diagnostic, and treatment services, the facility also houses an ambulatory surgery and urgent care center. Dental, behavioral health and HIV/AIDS services are also provided.

The Department of Laboratories and Pathology includes clinical pathology and anatomic pathology. Anatomic pathology consists of surgical, cytologic and autopsy pathology, hematopathology and electron microscopy. Clinical pathology sections include blood bank/transfusion medicine, chemistry, hematology and coagulation, immunology, microbiology, and urinalysis. Activities are designated as pre-analytical, analytical and post-analytical which range from patient preparation and specimen collection, transport of specimen, specimen processing, testing/analysis, results reporting and, in some cases, test interpretations. Specimens include blood, tissues, and various human sources for culture. The blood bank/transfusion services may range from donor

collection/procurement, testing for transfusion compatibility, release for transfusion, to apheresis of patients. Blood products range from whole blood, red cells, and fresh frozen plasma to apheresis units. Some testing is performed off-site in either another hospital laboratory or in a contract reference laboratory.

<i>Less Administration</i>	--	--	--	--	--
<b>Net Program Costs</b>	54,664,000	--	4,000	54,660,000	317.0

**Authority:** Non-mandated, discretionary program.

The MCS Division functions as the medical services organization (MSO) for DHS and coordinates the delivery of health care to improve the quality of care provided by DHS in a managed care environment. MCS' main function is to support patients, providers, health plan partners, and staff in fulfilling DHS' managed care responsibilities. MCS' goals are to improve DHS outcomes and patient experience, while reducing the cost of providing care. MCS monitors compliance with managed care contractors, including health plans and medical groups, health care quality, standardizes processes across DHS clinical settings, and assesses potential new lines of business given new opportunities under the ACA.

### Mission Statement

"Partnering with clients, families, and communities to create hope, wellness, and recovery" is the vision adopted by the Department of Mental Health (DMH), its stakeholders, and community partners in the County's public mental health system. DMH developed a strategic plan designed to achieve this vision and guide the system's mission, "to enrich lives through partnerships designed to strengthen the community's capacity to support recovery and resiliency for all clients and their families." More specifically, DMH, through its large network of directly-operated and contracted agencies, aims to provide clinically competent, culturally sensitive and linguistically appropriate mental health services to its clients in the least restrictive manner possible. These services are tailored to help individuals achieve their personal goals, increase their ability for independence, and develop skills to lead the most constructive and satisfying life possible. In addition to providing direct services to more than 250,000 individuals with mental illness each year, DMH also

makes a significant contribution to prevention and early intervention for those at risk of developing mental health conditions. DMH prevention efforts include, but are not limited to: decreasing stigma, preventing suicide, and strengthening families with young children.

### 2016-17 Budget Message

The 2016-17 Recommended Budget reflects the Department's focus on enhancement of mental health programs with other County departments, and a significant expansion of programs that support countywide priorities including addressing the needs of homeless individuals, jail diversion, and improving the system of care for children and youth, particularly those involved with the child welfare system. In addition, the Recommended Budget reflects the Department's dedication to ensuring required access and treatment capacity for individuals of all ages and addressing the needs of various vulnerable and underrepresented populations.

Included in the Recommended Budget is funding for contract provider implementation of expanded Mental Health Services Act (MHSA) Community and Services Supports (CSS) programs, which began pursuant to a mid-year MHSA plan adjustment in FY 2015-16. Among the initiatives supported by the additional MHSA funding are innovative programs focusing on ameliorating the mental health impact of trauma, outreach to underrepresented populations, temporary shelter and support to those in crisis, services to persons reintegrating into the community after incarceration, and expansion of the capacity of various current MHSA programs such as field capable clinical services. The Recommended Budget also supports additional services for children and youth by increasing funding for Katie A. Wraparound Programs, offset with federal and County funding.

The Recommended Budget reflects 40.0 new positions to further support the implementation of the Affordable Care Act (ACA) and Medi-Cal expansion. Through greater awareness of mental health issues and the decreasing stigma regarding seeking help, DMH's directly-operated clinics are working to ensure required access to treatment capacity for individuals with serious mental illness.

The Recommended Budget additionally reflects 13.0 new positions to accommodate current and expected workload in the Office of the Public Guardian. The new positions will

alleviate caseload increases due to shorter timeframes for investigation of State hospital referrals; new responsibilities for some medical decisions and administration of psychotropic drugs; and additional workload for investigations, lower-level locked placements, and responses to judicial inquiries by Superior Court community courtrooms.

The Recommended Budget reflects annualized funding for DMH to strengthen mental health services for inmates in County jails, which is a collaborative effort with DHS under the new Health Agency. DMH will complete hiring for positions allocated for this purpose in FY 2015-16. These positions will improve screening when individuals enter the jail, provide more intensive treatments for inmates with a high level of mental health needs, creating a better linkage to community care upon release from jail. The Recommended Budget also includes federal funding to establish an inpatient facility under contract to DMH that will enhance the County's capacity to deliver acute hospital-level mental health treatment for inmates.

Finally, the Recommended Budget includes adjustments to better align DMH's actual expenses and revenues with budgeted expenses and revenues.

### Mission Statement

The mission of the Department of Public Health (DPH) is to protect health, prevent disease and injury, and promote health and well-being for everyone in the County.

### 2016-17 Budget Message

As the County Health Agency takes shape, DPH continues a transformational period that began in 2016. DPH moves forward with an organizational restructuring, and opportunities for new roles and relationships are assessed and developed.

The Recommended Budget provides for total appropriation funding of \$976.9 million supported by grants, fees, and revenue resulting in an NCC of \$201.8 million. This reflects an NCC increase of \$4.0 million primarily attributable to Board-approved adjustments to salaries and employee

benefits, partially offset by a reduction in Tobacco Settlement funds. Notable changes in the Department's Recommended Budget include:

- Measure B revenue of \$0.7 million to fund a co-established trauma prevention program with DHS.
- Division of HIV and STD Programs – \$4.5 million revenue increase for two new federal awards from the Centers for Disease Control and Prevention centered on Bio Medical HIV Prevention services and client re-engagement to HIV medical services (established in September 2015).
- 14.0 new positions to support the areas of chronic disease and injury prevention, health facilities inspections, and children's medical services.
- A placeholder for the Department's pending implementation of the Online Real-Time Centralized Health Information Database (ORCHID) electronic health record (EHR) system.

## Critical/Strategic Planning Initiatives

The Department's Strategic Plan, developed through an extensive process involving stakeholders, data and trend analysis, and policy assessments, includes goals and objectives that contemplate the existing and emerging Health Agency landscape in the County. The Department's Recommended Budget is consistent and aligned with the following Strategic Plan priorities: healthy and safe community environments; preventive health care; empowered health consumers; health equity; public health protection; and improved infrastructure.

The Health Agency Strategic Priorities have presented collaborative opportunities and allowed member departments to leverage capacity and expertise. DPH is collaborating with Health Agency departments on these Strategic Priorities, such as establishing a single unified ORCHID EHR system as well as collaborating with DHS in seeking billing solutions that maximize reimbursement and minimize County cost.

Grant and Revenue Funded Positions:</b> Reflects the addition of 14.0 positions and appropriation for Chronic Disease and Injury Prevention; Health Facilities Inspection Division; Maternal, Child, and Adolescent Health; and CMS, fully offset with intrafund transfers and grant funding.	217,000	217,000	--	--	14.0
<b>3. Electronic Health Record:</b> Reflects a placeholder for the Department's EHR system. The Department is currently developing plans to implement ORCHID, consistent with the Board's direction to establish a single unified system in the County, and will adjust this placeholder as necessary in future budget phases.	2,906,000	--	--	2,906,000	--
<b><i>Other Changes</i></b>					
<b>1. Operational Position Changes:</b> Reflects the addition of 3.0 positions to strengthen functions in the Environmental Toxicology Lab and Public Health Information Systems, partially offset by the deletion of 2.0 vacant positions.	176,000	--	--	176,000	1.0
<b>2. Salaries and Employee Benefits:</b> Primarily reflects Board-approved increases in salaries and health insurance subsidies.	21,548,000	222,000	13,678,000	7,648,000	--
<b>3. Retirement:</b> Reflects a decrease primarily due to prior-year investment gains in Los Angeles County Employees Retirement Association's investment portfolio.	(2,503,000)	--	(1,609,000)	(894,000)	--

	<b>Gross Appropriation (\$)</b>	<b>Intrafund Transfer (\$)</b>	<b>Revenue (\$)</b>	<b>Net County Cost (\$)</b>	<b>Budg Pos</b>
<b>4. Retiree Health Insurance:</b> Reflects a projected increase in retiree health insurance premiums, as well as a scheduled increase in the department's proportional share of the costs to prefund the County's retiree healthcare benefits.	3,183,000	--	2,661,000	522,000	--
<b>5. Unavoidable Costs:</b> Reflects changes in workers' compensation and long-term disability costs due to anticipated benefit increases and escalating medical cost trends.	(159,000)	--	(159,000)	--	--
<b>6. Funding Reversals:</b> Reflects the reversal of one-time funding for vehicle purchases in Public Health Services and the Antelope Valley Rehabilitation Centers and fund balance carryovers from FY 2015-16.	(1,251,000)	(25,000)	(426,000)	(800,000)	--

## Unmet Needs

The Department has the following unmet funding needs for: 1) the continuous delivery of core chronic disease prevention programs; 2) modernization of County-owned facilities; and 3) the Los Angeles County Health Survey (LACHS), a population-based telephone survey that provides DPH and its many stakeholders with critical information concerning the health of County residents.

The mission of the Antelope Valley Rehabilitation Centers (AVRC) is to strive to be a leader in providing specialized integrated substance use disorder treatment by creating a safe, nurturing, trusting environment that promotes wellness and facilitates the client's self-discovery of life goals. The AVRCs provide residential and outpatient services to adult men and women, which include assessment, treatment, and recovery support. These services are cost-effective, of the highest quality, evidence-based, and include trauma-informed care (TI-C). The TI-C model is designed to address the consequences of trauma in the individual and facilitate substance abuse healing.

The Division of Communicable Disease Control and Prevention and its five programs (Acute Communicable Disease Control, Tuberculosis Control, Immunization, Veterinary Public Health, and the Public Health Laboratory) work to reduce the risk factors for contracting or transmitting communicable diseases and communicable disease burdens, when preventable, for all persons and animals in the County, in partnership with other programs within the Department, other County and city agencies, residents, organizations, communities, and health care providers. This is accomplished through: promotion of healthy behaviors; surveillance of diseases and risk factors; early detection and screening; state-of-the-art laboratory services; effective preventive public health, personal health and animal health services; work with health care providers, hospitals, and treatment centers to implement appropriate procedures and guidelines for treatment and prevention of communicable diseases; and communicable disease investigations and control measures in humans and animals.

*Note: The HIV Epidemiology and STD Programs are budgeted within Public Health Programs, as described under Section 6, but report to DHSP.*

A cluster of Public Health Programs provide services that protect the population of the County from environmental hazards, prevent chronic disease, promote healthy lifestyles, and maximize maternal, child and adolescent health.

The Environmental Health Division is a regulatory agency that performs mandated services including, but not limited to, inspections, or investigations related to food, housing, ocean water, drinking water, lead exposure, vector management, radiation control, and solid waste management. State and local health and safety codes provide the Division authority to carry out regulatory activities to protect public health and safety. The Division also performs non-mandated services such as initiatives related to climate change, water adequacy, and community toxic risk reduction.

The Community Health Services Division (which includes public health nurses) coordinates and carries out field investigations, surveillance activities, and, where needed, clinical treatment of populations with communicable disease; and also coordinates community level outreach and education activities within Service Planning Areas (SPA) and local community stakeholders and local governmental agencies.

**Authority:** Non-mandated, discretionary program.

SAPC is responsible for coordinating the overall response to alcohol and drug related problems in the County, including alcohol and drug data collection, coordinated care and treatment services, and prevention and youth services. In contract with more than 150 community-based agencies, SAPC services target the needs of specific populations such as adolescents, women, and individuals referred by primary care providers, as well as the criminal justice and child and family welfare systems. SAPC monitors, audits; and provides evidence-based training to these programs to ensure compliance with federal, State, County, and local requirements.

As the grantee and administrator of funding from the Substance Abuse and Mental Health Services Administration (SAMHSA), the California Department of Health Care Services, and other County departments, SAPC manages the full spectrum of alcohol and drug prevention, intervention, treatment and recovery services for County residents.

<b>Net Program Costs</b>	111,641,000	355,000	92,094,000	19,192,000	817.0

**Authority:** California Children's Services (CCS): Mandated program – California Welfare and Institutions Code and the California Code of Regulations, Title 22, Section 51013. Enabling statute – California Health and Safety Code, Section 123800 et seq.

Child Health and Disability Prevention Program (CHDP): Enabling statute – California Health and Safety Code Sections 124025, 124060, 124070, and 124075.

Health Care Program for Children in Foster Care (HCPCFC): Legal authority: California Welfare and Institutions Code, Section 16501.3 (a) through (e).

CMS administers three programs within the Department - CCS, CHDP, and HCPCFC.

CCS provides defined medically necessary benefits to persons less than 21 years of age with physically disabling conditions who meet the medical, financial, and residential eligibility requirements of the program. CCS provides administrative case management in the coordination of care and benefits for families and children with special health care needs. CCS also provides physical and occupational therapy through its Medical Therapy Program for which there is no financial eligibility requirement.

CHDP provides persons less than 21 years of age with Medi-Cal or persons less than 19 years of age without Medi-Cal in low- to moderate-income families with free immunizations and health check-ups. Families may choose from among CHDP-approved private doctors, clinics, or other health care providers. Services include regular and complete health check-ups, certain screening tests, and immunizations, as well as referrals for diagnosis and treatment. To ensure that children receive high-quality services, CHDP staff conduct monthly provider orientations and make periodic site visits to monitor providers' compliance with program requirements.

CHDP also administers the HCPCFC. This program provides public health nurse expertise in meeting the medical, dental, mental, and developmental needs of children and youth in foster care. Program nurses are located in the Departments of Children and Family Services and Probation.

## 6. Division of HIV and STD Programs (DHSP)

**Authority:** Non-mandated, discretionary program.

DHSP is responsible for coordinating the overall response to HIV and STD infections in the County, including disease surveillance, field investigation, prevention and treatment programming, and monitoring and evaluation of the quality of services related to HIV and STDs in the County.

DHSP is the designated official administrative agency for the County to prevent and control the spread of HIV and STD infections utilizing epidemiologic and surveillance systems, coordinated care and treatment services, and public, private, and community partnerships and by developing and implementing evidence-based programs and policies that promote health equity and maximize health outcomes in the County. As the grantee and administrator of funding from Health Resources and Services Administration (HRSA), Centers for Disease Control and Prevention (CDC), and SAMHSA, DHSP is uniquely positioned to manage the full spectrum of HIV prevention, care, and treatment services in the County. In addition to surveillance, field investigation, direct programming, and research and evaluation, DHSP utilizes over 200 contracts with a network of nearly 100 community-based organizations and 10 County entities in an effort to maximize access to HIV services.

Program activities to prevent and control STD infections include sexually transmitted infection surveillance and medical consultation for patients who are diagnosed with a sexually transmitted disease.

#### Mission Statement

The Martin Luther King, Jr. (MLK) Community Hospital Financial Assistance budget unit was created by the Board of Supervisors on December 17, 2013 to monitor funding related to assisting Martin Luther King, Jr.-Los Angeles (MLK-LA) Healthcare Corporation with establishing the new MLK Community Hospital.

#### 2016-17 Budget Message

The 2016-17 Recommended Budget reflects no activity since the final \$10.0 million annual installment payment for pre-hospital opening activities was provided to MLK-LA in FY 2014-15. MLK-LA successfully opened the MLK Community Hospital on May 14, 2015 and as such, the MLK Financial Assistance budget unit is no longer needed.

### Mission Statement

The Chief Executive Officer (CEO), in collaboration with the Board, created the Homeless Initiative (HI) in August 2015 to address the growing homeless crisis in the County. The initial primary objective of the HI was to develop a coordinated set of recommended strategies to combat homelessness. During the fall of 2015, the HI convened 18 policy summits which brought together a diverse array of County departments, cities and other public agencies, and community partners and stakeholders. This effort resulted in 47 strategies divided into six areas, which are key to combatting homelessness:

- Prevent Homelessness;
- Subsidize Housing;
- Increase Income;
- Provide Case Management and Services;
- Create a Coordinated System; and
- Increase Affordable/Homeless Housing

The Board approved these strategies on February 9, 2016, which build on the County's \$100.0 million Homeless Prevention Initiative (HPI) launched in 2006.

### 2016-17 Budget Message

The 2016-17 Recommended Budget provides continued funding for homeless services as well as support for the implementation of the 47 strategies approved by the Board including: homeless prevention programming for families; expansion of subsidized housing programs, particularly rapid re-housing; developing interim/bridge housing for those exiting institutions; increasing employment opportunities for homeless adults via social enterprise; expanding the Jail In Reach Program; developing a uniform countywide outreach and engagement protocol; establishing a decriminalization policy and first responders training to effectively address homeless encampments and unsheltered homeless individuals; enhancing the emergency shelter system; and other strategies that seek to coordinate a seamless homeless services system to better support single adults, families, and youth.

Although the recent economic downturn has been reversed nationally, the negative impact on the homeless population continues to exist as documented by the 2015 Homeless Count conducted by the Los Angeles Homeless Services Authority (LAHSA), which recorded a 12.4 percent increase in homelessness from 2013. The County has prioritized its commitment to homelessness via the HI and associated funding for the 47 approved strategies, supported by the creation of the Office of Homelessness, within the CEO, to continue to support the work of the initiative to reduce entries into and expedite exits from homelessness for single adults, families, and youth.

### Mission Statement

Provide innovative and efficient human resource solutions to support public service by recruiting, developing, and retaining a highly qualified, diverse workforce.

### 2016-17 Budget Message

The 2016-17 Recommended Budget reflects a decrease in NCC of \$0.1 million. The decrease is primarily attributed to the deletion of one-time funding, partially offset by increases for Board-approved salaries and employee benefits and front funding for the final year of a 5-year program for the Impact Team.

### Critical/Strategic Planning Initiatives

The FY 2016-17 Base Budget Request reflects a gross appropriation of \$83.4 million, an increase of \$10.7 million from the FY 2015-16 Budget. The Base Budget Request will enable the Department to continue its focus on providing innovative, effective, and efficient human resources (HR) solutions to County departments and the public served, by recruiting, developing, and retaining exceptional and diverse talent for public service.

Key accomplishments of the Department over the past year include: 1) completion of the Dependent Eligibility Verification Audit, which lead to the removal of ineligible dependents from County medical and dental benefit plans and generated savings in the amount of \$7.7 million and \$17.8 million for 2015 and 2016 respectively; 2) implementation of a new application and examination processing system, NEOGOV, which for the first time provides a countywide end-to-end recruitment and selection platform with online application tracking, exam scheduling, exam scoring, and class specifications; 3) launch of the new HR website, which serves as an effective recruitment asset through enhanced social media presence and information delivery that broadcasts employment opportunities and benefits to the general public and potential candidates; and 4) support of the Fire Department in expediting and overseeing the administration of the Fire Fighter Trainee exam that included the review of over 6,700 applications and administration of 4,500 written tests.

Other notable accomplishments include: 1) the publication of “How To” guides on career and workforce development topics such as resume, employee onboarding, and the stay interview; 2) navigation of the largest County recruitment and outreach forum at the “Taste of Soul” event, reaching over 10,000 members of the public; 3) expansion of the Career Development Intern Program to the County’s 88 cities and public and private businesses; 4) collaboration with selected County departments in response to the Merit System Services Personnel Management Audit conducted by the State (Cal HR)

and recognition for meeting all federal merit principals and maintaining some best HR practices; 5) County recognition by Forbes Magazine as one of America’s Best Employers of 2015; 6) winning the Productivity and Quality Top Ten Award as collaborator in the Women’s Veterans Program; 7) assistance to the Fire Department in expediting the background investigation associated with the hiring of Fire Fighter Trainees; and 8) winning the National Association of Counties Award for both the Executive Leadership Program and the Absence Management System.

## Unmet Needs

The Department's unmet needs include funding of a position to develop career path trainings and establish a career development program similar to the Executive Leadership Development Program for mid-level managers, emerging leaders, and new supervisors. The Department also needs funding for a position to address increased workload demands in personnel investigations.

### Mission Statement

The Internal Services Department (ISD) supports the County by providing excellent in-house, contracted, and advisory services in the areas of purchasing, contracts, facilities, information technology (IT), energy and environmental programs, and other essential support services.

### 2016-17 Budget Message

The 2016-17 Recommended Budget reflects an NCC increase of \$4.2 million primarily due to additional one-time funding for data center relocation costs and ongoing funding for data center lease and power costs, building maintenance workload, increases in salaries and employee benefits, and countywide cost allocation charges. These increases are partially offset by the deletion of one-time funding needed in FY 2015-16 for various projects and programs such as consultant services to complete a feasibility analysis, email migration, enterprise network infrastructure, a contract tracking system, and the installation of bike racks.

### Critical/Strategic Planning Initiatives

The ISD Strategic Plan for 2016-17 identifies strategic areas of focus and associated goals that will enhance its ability to provide effective and cost efficient internal and external customer service, as well as take a leadership role in implementing the County's Environmental Policy. This year's plan includes the following new or continuing strategic objectives:

- Continue working with the Chief Executive Office (CEO) on the acquisition of a leased Data Center space which will become the County's Enterprise Data Center, replacing the current Downey Data Center.
- Develop a business strategy to revitalize Application Development Best Practices utilizing more sophisticated App Dev and Dev Ops technology.
- Work actively on new open source solutions to replace the incumbent legacy, mainframe-based solution. Moving from the current WebSphere 7.0 platform to an open source solution will give the County the ability to provide on-demand service to County constituents in a more responsive manner.

- Expand the cloud-based services for Microsoft Office 365 (O365) Suite by implementing other key products to effect greater collaboration capabilities such as Skype for business instant messaging, conference calling bridges and point-to-point video calling, and SharePoint collection sites.
  - Continue to operate and maintain a number of essential legacy computing systems on behalf of County departments and the courts.
  - Continue expanding broadband capacity to accommodate videoconferencing, electronic medical records, server virtualization, data center centralization, Wi-Fi access, and the increased use of personal computing devices.
  - Continue the expansion of ISD's customer service quality assurance program to ensure strong customer feedback mechanisms.
  - Establish new vehicle purchasing agreements and coordinate with ISD-managed departments to support County efforts to comply with the recently updated Board Policy 3.020 (Clean Fuel Sustainable Fleet) standards and vehicle replacement plan.
  - Continue to work with CEO on County facility assessments to identify repair needs. ISD will continue to work with the CEO to alleviate the deferred maintenance backlog by prioritizing roofs, heating ventilation air conditioning systems, and fire/safety systems.
  - Establish a gasoline fuels centralization purchasing program as a Board and County priority. Propose centralized funding for: risk management, electric vehicle infrastructure development, user "charge-back" development, and central program management.
  - Develop an alternative governance model and proposal for sustainability programs serving the region (outside of County operations). This includes a potential Joint Powers Authority for Community Choice Aggregation (CCA) and might include Southern California Regional Energy Network (SoCalREN) programs.
  - Launch the Green Building Program which encourages, emphasizes, and provides technical assistance for Leadership in Energy and Environmental Design certification of existing County buildings.
  - Continue to work on countywide water saving initiatives, including plumbing upgrades, cooling tower retrofits and drought-tolerant landscaping projects. An anticipated Water Revolving Loan Fund will help fund these projects.
  - Work with the California Public Utility Commission (CPUC) and the Local Government Commission to create a local government-specific, Cap-and-Trade Program for installation of comprehensive measures to reduce greenhouse gases in all sectors (energy, water, green building, transportation, and waste). ISD will require coordination with the CEO-Legislative Affairs and Intergovernmental Relations Unit, state agencies, legislators, and the Governor's office.
  - Work with the County Sustainability Council and the Department of Regional Planning to implement the Municipal Climate Action Plan into the County General Plan update.
- Major accomplishments from last year include:
- Established residential Property Assessed Clean Energy (PACE) as a County priority.
  - Completed installation of 117 electric vehicle charging stations at various County locations as part of the initial Electric Vehicle Infrastructure Pilot Project.
  - Worked with CPUC to approve up to a 10-year program funding cycle for the SoCalREN which provides region-wide energy programs administered through ISD.
  - Established a CCA as a Board and County priority. Led a CCA task force, with funding authorized by the Board from ISD, to develop a feasibility study (schedule shows CCA in operation in early 2017).
  - Completed the County's consolidation of centralized email system users and moved all 95,000 users to the O365 government cloud for email services.
  - Expanded ISD's private cloud hosting solution from 2,060 servers to 2,311. Implemented the user self-service server deployment, which brought the average server deployment time to less than 25 minutes.
  - Completed the Federal Communications Commission mandate calling for an 800 MHz re-band of the Countywide Integrated Radio System. Completed opt out with Sprint/Nextel to upgrade all 7,000 user radios to P-25 technology at no cost to the County.
  - Completed facility assessments with the CEO on more than 500 buildings out of a total of 1,150 with over 6 million square feet of space surveyed.
  - Provided the Zev Yaroslavsky Family Support Center (Center) with building, custodial and grounds maintenance along with IT shared services. ISD continues to support and work collaboratively with the CEO and all seven tenant department representatives to provide excellent support services. The public demonstrates continued support for the facility with its patronage.

#### Mission Statement

The Los Angeles County Capital Asset Leasing (LAC-CAL) Corporation was established as a non-profit corporation by the Board in 1983 to assist the County in the financing of its critical capital assets equipment needs. Equipment purchases are initially financed by LAC-CAL through the issuance of bond anticipation notes (BANs). Outstanding BANs are periodically redeemed through the issuance of intermediate-term tax-exempt bonds or certificates of participation, or through leases with third-party lessors. The term of each bond issue or lease reflects the useful life of the financed equipment. The Corporation's outstanding bonds or leases are redeemed through semi-annual payments from the County.

#### 2016-17 Budget Message

The 2016-17 Recommended Budget provides for the collection of lease payments due on LAC-CAL equipment leases from County departments and the transfer of such payments to the LAC-CAL Corporation. Also reflected is the payment of insurance premiums for which expenditures will be distributed to affected departments.

#### Mission Statement

The mission of the Los Angeles Regional Interoperable Communications System (LA-RICS) budget unit is to provide funding and support for County's efforts as part of the LA-RICS Joint Powers Authority (JPA), an independently operated governmental entity. The mission of the JPA is to construct, operate and maintain a shared, secured voice and data communications system that supports first responders and mission-critical personnel within the greater Los Angeles area.

#### 2016-17 Budget Message

In prior fiscal years, the JPA issued separate and independent request for proposals (RFP) for the design and construction of public safety-grade Land Mobile Radio (LMR) voice and Long-Term Evolution (LTE) data wireless networks. The JPA then selected, negotiated and awarded separate contracts to the prevailing vendor in both RFPs and began to implement each system.

The 2016-17 Recommended Budget reflects operational funding for the JPA as the implementation of the LMR and LTE systems continues.

### Mission Statement

The Department of Medical Examiner-Coroner is mandated by law to inquire into and determine the circumstances, manner, and cause of all violent, sudden, or unusual deaths occurring within the County, including all homicides, suicides, accidental deaths, and natural deaths where the decedent has not seen a physician within 20 days prior to death.

The Medical Examiner-Coroner strives to provide compassionate, quality service to all of its customers, including decedents' families, funeral directors, law enforcement, courts, the District Attorney, Public Defender and other justice agencies, foreign consulates, and the news media. Responsibilities and priorities are designed to improve the level of service provided to the community, by delivering complete work products in a timely, accurate, efficient and usable manner. The Department is proud to be a leader in death investigation and maintains the following accreditations: National Association of Medical Examiners, Institute of Medical Quality/California Medical Association, Accreditation Council for Graduate Medical Education, Peace Officers Standards and Training (POST), and, American Society of Crime Laboratory Directors/Laboratory Accreditation Board-ISO (ASCLD/LAB-ISO).

### 2016-17 Budget Message

The 2016-17 Recommended Budget reflects a \$1.8 million NCC decrease primarily due to the deletion of one-time funds and a reduction in services and supplies, partially offset by Board-approved increases in salaries and employee benefits.

### Critical/Strategic Planning Initiatives

- Regional efforts to improve services include the move to a building adjacent to the former High Desert Multi-service Ambulatory Care Center facility in the Antelope Valley and the establishment of an investigative response office in Lomita to offer quicker response time, and greater efficiencies, including reduction in fuel consumption and employee drive time.
- The Department has a need to recruit and retain key management, physician, and line positions, and is in the process of recruiting and selecting a Chief of Operations and Chief of Laboratories. The Department also has a critical need for forensic pathologists, criminalists and investigators. Recruiting and retaining qualified managers and staff will lead to an improvement in services.

- The Department will improve departmental efficiency, productivity, and quality using selected and focused IT development. The Department will assess and re-prioritize new and ongoing departmental IT projects including migration of outdated operating systems to current ones, improvement of remote access capabilities, and further development and implementation of a Documentum-based electronic case file management system (ECFS). Additionally, the acquisition, implementation, and staff training for a CT-scanner is underway, which will also provide a much needed radiographic adjunct in evaluating occult trauma in decedents, and assist the Department in resolving matters of religious objection.
- With the anticipated implementation of ECFS, the possibility of having real-time metric capability is realized. The Department will develop a managerial "dashboard" that will provide useful and factual metrics and turnaround times for gross case, investigator response and report, autopsy protocol and toxicology, and other metrics as necessary.

## **Unmet Needs**

The Department continues to evaluate its current staffing needs and organizational structure that has been in place for several years. A departmental reorganization plan will be presented to the CEO to ensure that appropriate staffing levels are allocated in a manner that aligns positions with duties, scope, and level of responsibility. In addition, the Department is considering the expansion of the Antelope Valley Regional Office.

<b>Net Program Costs</b>	2,157,000	--	1,006,000	1,151,000	28.0

**Authority:** Mandated program by State – Chapter 498/77 Coroner’s State Hospital Patient Death, Chapter 284 Statutes of 2000 Postmortem Examinations: Unidentified Bodies, Human Remains (California Government Code Sections 27460 to 27540, 68096.1 and 68097, California Health and Safety Code 7100 to 7114, and County Code Chapter 2.22, Section 2.22.010 to 110).

The Forensic Services Division is responsible for providing 24/7 decedent transportation from death scenes and hospitals to the Forensic Science Center for the County. It is also responsible for crypt management services such as the accurate marking of decedents with identification tags, the processing of each individual decedent’s paperwork, and the proper storage of the decedent’s body while maintained at the Forensic Science Center. Lastly, the Division is responsible for the release of the decedent from the facility to a private mortuary or the County morgue for final disposition.

### 2. Operations Bureau – Medicolegal Death Investigations - At-Scene and Hospital Deaths

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos

<b>Net Program Costs</b>	8,282,000	2,000	108,000	8,172,000	71.0

**Authority:** Mandated program by State – Chapter 498/77 Coroner’s State Hospital Patient Death, Chapter 284 Statutes of 2000 Postmortem Examinations: Unidentified Bodies, Human Remains (California Government Code Sections 27460 – 27540, 68096.1, and 68097, California Health and Safety Code 7100 - 7114, and County Code Chapter 2.22, Sections 2.22.010 to 110).

The Operations Bureau Investigations Division is responsible for providing 24/7 field investigator response to at-scene death investigations and conducts hospital death investigations throughout the County. Staff takes the initial and preliminary information regarding certain deaths that are reportable by State law to be investigated by the Coroner. The medicolegal death investigation is performed by sworn staff who investigate the death, interview witnesses, take photographs, and collect evidence for use in criminal and civil matters, identify deceased persons, and notify the legal next of kin.

### 3. Forensic Laboratory Services

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	3,623,000	--	208,000	3,415,000	23.0
<i>Less Administration</i>	--	--	--	--	--
<b>Net Program Costs</b>	3,623,000	--	208,000	3,415,000	23.0

**Authority:** Mandated program by State – Chapter 498/77 Coroner’s State Hospital Patient Death, Chapter 284 Statutes of 2000 Postmortem Examinations: Unidentified Bodies, Human Remains (California Government Code Sections 27460 – 27540, 68096.1, and 68097, and County Code Chapter 2.22, Sections 2.22.010 to 110).

The Forensic Laboratory provides essential forensic services to the Department. The toxicology laboratory analyzes post-mortem biological specimens for the presence of drugs and other poisons. These analyses are used by deputy medical examiners to help determine the cause and manner of death, and are also used by decedent families, law enforcement, insurance companies and the courts. Department criminalists are on call 24/7 to respond to crime scenes for the purpose of physical evidence identification, collection, documentation and preservation. Laboratories also provide gunshot residue testing for the Department as well as for law enforcement agencies throughout California. Laboratory services also include tissue processing for microscopic evaluation by deputy medical examiners. The Forensic Laboratory is also responsible for maintaining all physical evidence on Coroner cases in a manner that ensures its analytical integrity and the chain-of-custody documented from the time of collection to final disposition. Evidence control is based on departmental policies and procedures as well as guidelines set forth by ASCLD/LAB-ISO whose accreditation the Department holds.

### 4. Forensic Medicine

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	9,349,000	--	200,000	9,149,000	27.0
<i>Less Administration</i>	--	--	--	--	--
<b>Net Program Costs</b>	9,349,000	--	200,000	9,149,000	27.0

**Authority:** Mandated program by State – Chapter 498/77 Coroner’s State Hospital Patient Death, Chapter 284 Statutes of 2000 Postmortem Examinations: Unidentified Bodies, Human Remains (California Government Code Sections 27460 to 27540, 68096.1, 68097, and County Code Chapter 2.22 Sections 2.22.010 to 110).

The Forensic Medicine program is responsible for the professional medical investigation and determination of the cause and manner of each death handled by the Department. Forensic pathologists evaluate sudden unexpected natural deaths, and unnatural deaths such as deaths from firearms, sharp and blunt force trauma, etc. In addition, physicians are frequently called to court to testify on cause of death and their medical findings and interpretations, particularly in homicide cases.

## 5. Forensic Medicine - Photo and Support Division - Autopsy Support Services

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	2,476,000	--	13,000	2,463,000	25.0
<i>Less Administration</i>	--	--	--	--	--
<b>Net Program Costs</b>	2,476,000	--	13,000	2,463,000	25.0

**Authority:** Mandated program by State – Chapter 498/77 Coroner’s State Hospital Patient Death, Chapter 284 Statutes of 2000 Postmortem Examinations: Unidentified Bodies, Human Remains (California Government Codes 27460 to 27540, 68096.1, and 68097, California Health and Safety Code 7100 to 7114, and County Code Chapter 2.22, Section 2.22.010 to 110).

The Forensic Photo and Support Division is responsible for providing technical support services in the form of autopsy assistance, radiographs, photography and specialized graphics support to deputy medical examiners, prior to, during, and after post-mortem examinations. Additionally, it provides field capable photographers to document high-profile death scenes and major incidents.

## 6. Administration

### Mission Statement

The Department values the dedication and sacrifice of the military, veterans, and their families by promoting awareness of their contributions through programs that advance veterans' services and benefits. The Department also advocates on behalf of veterans for legislation and changes in laws that enrich their quality of life. In essence, we serve those who serve.

### 2016-17 Budget Message

The 2016-17 Recommended Budget reflects an NCC increase of \$0.8 million primarily due to Board-approved increases in salaries and employee benefits, 1.0 position for building operations at Patriotic Hall and an adjustment to the Countywide Cost Allocation (2CFR Section 225), partially offset by the deletion of one-time carryover funding for the Veterans Outreach Program, digital monitors and a surveillance system.

### Critical/Strategic Planning Priorities

The Department continues to:

- Expand and fully integrate service delivery with partners creating a seamless system to meet the ongoing needs of veterans and families.
- Improve staff productivity through training, promotions, hiring qualified candidates to fill vacancies and improve customer satisfaction through team development and leadership training.
- Maximize building operations and capacity through tenant license agreements, shared service contracts, and events planning and scheduling.
- Assist the needs of County employees and families serving in the Military Reserves.

**Authority:** Non-mandated, discretionary program.

Provides assistance with veterans' benefit claims, Medi-Cal benefits, veteran and indigent burials, housing vouchers, and education. Medi-Cal benefits provide medical care to veterans and their dependents who do not qualify for Veterans Administration healthcare. The Department assists veterans who qualify for pensions, compensation, and Aid and Attendance. The college fee tuition waiver program is administered to dependents of disabled veterans. The Department also administers the Veteran System Navigator Program that assists veterans transitioning from military to civilian life (combat to community). Other services include employment, education, substance abuse, housing, and mental health services and referrals.

### Mission Statement

The Los Angeles County Museum of Art's (LACMA) mission is to serve the public through the collection, conservation, exhibition and interpretation of significant works of art from a broad range of cultures and historical periods; and to translate these collections into meaningful educational, aesthetic, intellectual, and cultural experiences for the widest array of audiences.

### 2016-17 Budget Message

The 2016-17 Recommended Budget reflects a net NCC increase of \$0.6 million primarily due to an increase in the Consumer Price Index-based cost-of-living (COLA) adjustment pursuant to the 1994 operating agreement amended on May 20, 2008. The Recommended Budget also includes funding for Board-approved increases in salaries and health insurance subsidies fully offset with a decrease in services and supplies funding consistent with the Board-approved operating agreement.

The Recommended Budget continues support for a full exhibition schedule, including special presentations of works by Pablo Picasso and Diego Rivera, Toba Khedoori, Guillermo

Del Toro, and John McLaughlin, as well as an installation highlighting Chinese paints. The permanent collection will be highlighted with installations of pre-Columbian, Chinese, Korean, and Japanese works. Several LACMA-organized exhibitions will continue to travel domestically and abroad, raising the museum's image and prestige in the field, including Diana Thater (Chicago), Agnes Martin (New York), and Reigning Men (Australia).

Art Programs with the Community continues its multi-year partnership with schools, libraries, and other organizations in Compton, Van Nuys, and Torrance. Through this program, LACMA provides curricula for teachers that make connections with the State Content Standards for the visual arts, language arts, and social science. With the Quality and Productivity Fund grant received from the County, LACMA is overseeing architectural improvements to the Charles White Elementary School, where they've partnered for the last eight years setting up exhibitions, artist residencies, and workshops. LACMA received a grant from the Institute for Museum and Library Services to offer film-making workshops for veterans and their families, as a way to shed light on the veteran experience.

LACMA also received a three-year grant from the Irvine Foundation to engage diverse audiences and participants in the communities of East Los Angeles, the San Fernando Valley, and Inglewood to create exhibitions and programs influenced by community input and interests. Evenings for Educators continues to be a successful professional development program for K-12 teachers, presenting strategies to incorporate the visual arts into the classroom with activities to enhance creativity, curiosity, and critical-thinking skills. Through these and many other Educational Outreach programs, LACMA is able to engage over 530,000 guests, in addition to those who visit the galleries every day throughout the year.

### Critical/Strategic Planning Initiatives

The Museum of Art will continue implementation of its long-range strategic objectives:

- Improve the quality and presentation of the collections;
- Attract and engage a broader audience through expanded international recognition of LACMA as a quality art institution and continued commitment to educational programs and overall scholarship;
- Improve the museum campus; and
- Develop a stable and sustainable financial and organization plan.

### Mission Statement

The mission of the Natural History Museum (Museum) is to inspire wonder, discovery and responsibility for our natural and cultural worlds.

### 2016-17 Budget Message

The 2016-17 Recommended Budget is based on the 1994 operating agreement amended on September 26, 2006, and further amended on June 24, 2013, October 8, 2013, June 23, 2014, and June 22, 2015 between the County and the Museum of Natural History Foundation, which established each entity's operational and financial responsibilities. This public-private partnership enables the Museum to maintain educational and research programs and basic operations at the Museum located in Exposition Park, the George C. Page

Museum at the La Brea Tar Pits, and the William S. Hart Museum in Newhall. The Recommended Budget reflects an NCC decrease of \$0.1 million primarily attributed to the deletion of one-time carryover funding, partially offset by an increase in the Consumer Price Index-based cost-of-living adjustment (COLA).

### Critical/Strategic Planning Initiatives

The Museum continues to implement its strategic plan, which is consistent with the County's strategic plan. Through the strategic planning process, the Museum will identify and prioritize programs for funding in FY 2016-17 that further its mission.

### Mission Statement

The Music Center (Center), a private nonprofit corporation, in partnership with the County, provides world class music, opera, theatre, dance, arts education programs, participatory arts, and community special events to the Southern California community and visitors. Each year, the Center welcomes more than 1.3 million visitors to tour its venues and attend performances by its four internationally-renowned performing arts companies. The Center provides leadership in arts learning in schools and the community by engaging people in the arts and advancing the quality and scope of arts education. Its educational programs serve over 300 schools, totaling over 600,000 students.

The County supports the Center through a budget that provides for building and grounds maintenance, custodial, security, usher services, utilities, insurance, long-term lease, and miscellaneous administrative support services at the Center.

### 2016-17 Budget Message

The 2016-17 Recommended Budget reflects an NCC increase of \$1.1 million due to cost-of-living and countywide cost allocation adjustments. Consistent with established contractual obligations, and demonstrating a commitment to maintaining public-private partnerships, the Recommended Budget continues to provide County funds to maintain and operate the facility.

### Critical/Strategic Planning Initiatives

Consistent with the County's vision to improve the quality of life in the County, the Center exists to serve the people of Los Angeles by assuring the presentation of the very best of the performing arts in its theaters and concert hall. The Center serves the community by providing access to the performing arts to families and children on the Center's campus and by providing educational services in the region's schools.

### 2016-17 Budget Message

Nondepartmental revenues are derived largely from revenue-generating activities not related to any specific County department.

The 2016-17 Recommended Budget primarily reflects:

- An increase of \$20.5 million in sales and use tax revenue associated with anticipated growth in collections (\$4.6 million) and the conclusion or "unwind" of the Triple Flip (\$15.9 million), as authorized by Proposition 57;
- An increase of \$11.0 million in deed transfer tax revenue based on actual trend and steady growth in the County's housing values; and
- An increase of \$1.4 million in transient occupancy tax revenue based on actual trend and projected growth in collections.

### Mission Statement

The Nondepartmental Special Accounts budget provides for special General Fund expenditures and revenues, which are not directly related to any single County department and, if included in any department's budget, would distort the true operating costs of that budget. The appropriation reflects charges for services of countywide benefit and for special contracts that are not related to any single department's main mission. Also, included are interest expense and earnings associated with the Treasury Management Program.

### 2016-17 Budget Message

The 2016-17 Recommended Budget reflects:

- A decrease in salaries and employee benefits due to the transfer of funding for Board-approved salaries and employee benefits to various departments.
- A decrease in services and supplies due to the deletion of one-time funding for the National Association of Counties annual conference, executive recruitment for the Office of Child Protection, and the bike racks project.
- A decrease in other financing uses primarily due to the deletion of one-time funding for projects relating to the Public Library, information technology infrastructure, and the Productivity Investment Fund.
- A decrease in revenue due to the deletion of a one-time SB90 interest payment, partially offset by projected growth in interest earnings from the treasury pool.

### Mission Statement

Through a vision of improving the quality of life in the County, the Department strives to provide residents and visitors alike with quality recreational opportunities that promote a healthy lifestyle and strengthen the community through diverse physical, educational, and cultural programming, and enhance the community environment by acquiring, developing, and maintaining County parks, gardens, golf courses, trails and open space areas.

### Critical/Strategic Planning Initiatives

The Department remains committed to supporting the County's Strategic Plan Goals of Operational Effectiveness/Fiscal Sustainability (Goal 1), Community Support and Responsiveness (Goal 2), and Integrated Services Delivery (Goal 3) by continuing and enhancing efforts found in efficiencies, exploring new possibilities to augment revenue, and discovering creative methods to sustain, with minimum funding, the Department's operations.

### 2016-17 Budget Message

The 2016-17 Recommended Budget reflects a \$5.1 million decrease in NCC primarily attributable to the deletion of one-time funding, partially offset by increases for Board-approved salaries and employee benefits, the Trails Planning Section, Virginia Robinson Gardens, the County Cost Allocation Adjustment, and the backfill of Proposition A revenue. The Recommended Budget also reflects realignments based on historical experience and anticipated needs.

## **Unmet Needs**

The Department's 2016-17 critical needs consist of ongoing funding for Parks after Dark Programs at the existing nine parks and expansion at nine additional areas of high gang activity, as well as the restoration of programs (recreation, lake, and crafts positions) and services and supplies curtailed as a result of the economic downturn.

Funding and augmentations for the aforementioned needs would allow the Department to continue its operations without disruptions and in some cases, may allow the Department to operate its facilities at a preferred service level. Full reinstatement of programs include full accessibility to lake swim beaches and nature centers; various recreational positions associated with children and senior recreation programs; and various craft positions for facility maintenance and repairs.

Other unmet needs include funding for additional personnel to ensure the health and protection of trees and other plant life in park facilities; water specialist and support positions to ensure that all water-related operations are conducted at the highest supportable standard; ongoing funding to enhance support services for recreational programming; and funding to update the Department's strategic plan.

Community Services consists of recreation programs and local park facilities designed to provide community members of all ages the opportunity to participate in activities and programs that promote physical health, community enrichment, and personal growth. Physical health programs include competitive athletics, aquatics, and exercise and fitness classes. Enrichment programs include after-school computer clubs, day camps, senior programs, cultural programs and special events. In addition, local parks support the communities' passive recreational activities, promoting both physical health and enrichment, and include walking, jogging, play in play areas, and picnic facilities.

### Mission Statement

To promote and enhance public safety, ensure victims' rights, and facilitate a positive change in adult and juvenile probationers.

The Probation Department recommends and enforces court-ordered sanctions for probationers, including the detention of juvenile offenders and the return to court of non-compliant adult offenders; provides supervision and monitoring of probationers; and prevents and reduces criminal activity by developing and implementing strategies from early intervention through suppression. In an expanded role under Public Safety Realignment (AB 109), the Probation Department will also provide services to post-release supervised persons (PSPs). The Department proactively seeks resources and collaborations to maximize opportunities to positively impact the behavior of probationers by providing them with educational and vocational services, as well as access to health and mental health services that will build upon the strengths and capabilities of probationers, their families, and their communities.

Departmental services are administered and financed through five separate budget units. The Support Services budget funds administrative, information technology, quality assurance, training, and management services. The Juvenile Institutions Services budget, which consolidated the former Detention and Residential Treatment budget units, funds the three juvenile halls (Central, Los Padrinos, and Barry J. Nidorf), intake and detention control, community detention services, transportation, Dorothy Kirby Center (DKC), and probation camps. The Field Services budget funds juvenile and adult investigation and supervision services. The Special Services budget funds juvenile special services and juvenile placement services. The Care of Juvenile Court Wards budget provides funding for the placement of juvenile court wards in residential facilities, foster homes, and the California Department of Corrections and Rehabilitation housing as parole placements as mandated by law.

## 2016-17 Budget Message

The 2016-17 Recommended Budget reflects a NCC increase of \$21.6 million, primarily due to Board-approved increases in salaries and health insurance subsidies and revenue backfill; partially offset by the deletion of one-time funding for Title IV-E Waiver, Education Reform, and Succeeding Through Achievement and Resilience (STAR) Court programs, vehicle replacement, and commercially sexually exploited children (CSEC) training. The budget also reflects a realignment of revenue based on historical trends and the deletion of 53.0 vacant positions to offset overstated budgeted revenues.

## Critical/Strategic Planning Initiatives

The Probation Department has developed a strategic plan transforming from a custodial and supervision model to an evidence-based practices treatment and rehabilitation model. The Probation Department also continues to expand

collaborative efforts and community capacity. The Strategic Plan has five top priorities for the Department that includes the following:

- Reduction of recidivism by six percent from the baseline by 2018 by promoting positive behavioral change among its clients;
- Operate facilities that promote healthy development and skill acquisition for justice involved youth;
- Enhance the protection of victims' rights and ensure victim sensitivity;
- Attract, develop, and maintain an exemplary and motivated workforce utilizing ongoing training, mentoring, and coaching to ensure professional development of staff; and
- Enhance the culture of the Department including the implementation of the PROBSTAT data gathering and analysis system to achieve mission critical tasks and hold all levels of departmental management accountable.

## Departmental Program Summary

### 1. Detention Services

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	219,380,000	--	44,234,000	175,146,000	1,714.0
<i>Less Administration</i>	--	--	--	--	--
<b>Net Program Costs</b>	219,380,000	--	44,234,000	175,146,000	1,714.0

**Authority:** Mandated program - California Welfare and Institutions (W&I) Code Section 850.

The three juvenile halls provide temporary housing for youth detained on an arrest, awaiting a court date and/or awaiting disposition (sentencing). Juvenile hall staff assess youth as to the risk they pose to the community, the need to remove them from the community, and their service needs. Those youth who pose a significant threat to the community are detained pending the court process. While in juvenile hall, minors are provided physical health, mental health, and educational assessments, and treatment as required. Youth also attend school and engage in recreation and social activities.

The Community Detention Program (CDP) provides intensive supervision for both adjudicated and pre-adjudicated youth. Under CDP guidelines, youth must comply with specific court ordered terms as a condition of their community release, pursuant to Section 628.1 of the California W&I Code. Youth are both electronically monitored and supervised by an assigned Deputy Probation Officer (DPO), who holds the minor accountable to a pre-approved schedule of sanctioned activities.

### 2. Residential Treatment

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	158,952,000	432,000	42,617,000	115,903,000	1,222.0
<i>Less Administration</i>	--	--	--	--	--
<b>Net Program Costs</b>	158,952,000	432,000	42,617,000	115,903,000	1,222.0

**Authority:** Non-mandated, discretionary program.

Aids in reducing, through the camp program, the incidence and impact of crime in the community by providing a residential experience that introduces effective life skills to each ward. The camps provide a valuable, intermediate sanction alternative to probation in the community or incarceration in the California Department of Corrections and Rehabilitation (CDCR). The program provides intensive intervention in a residential setting over an average stay of six months for youth committed by the Juvenile Court. Each minor receives mental health, physical health, educational, and family assessments that allow for treatment to be tailored to meet individual needs. The camps provide structured work experience, vocational training, education, specialized tutoring, athletic participation, and various kinds of social enrichment. The goal of the program is to reunify the minor and family, to reintegrate the minor into the community, and to assist the minor in achieving a productive, crime-free life.

### 3. Juvenile Services

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	128,566,000	78,000	99,846,000	28,642,000	961.0
<i>Less Administration</i>	--	--	--	--	--
<b>Net Program Costs</b>	128,566,000	78,000	99,846,000	28,642,000	961.0

**Authority:** Mandated program with discretionary service level – California W&I Code Sections 206, 280, 602, 628.1 and 652 - 654.

The Camp Community Transition Program (CCTP) targets probationers transitioning from one of the Department’s camps to the community. Many of these youth are gang-involved, drug and alcohol users, low academic performers and have multiple risk factors across multiple behavior domains. CCTP uses goal-directed and multimodal intervention approaches that are family-focused. Behavior interventions are organized and designed to promote behavioral change in the probationer's home environment, emphasizing the systemic strengths of the family, peer group, school, and neighborhood in order to facilitate the desired behavioral change.

The School-Based Probation Supervision Program is designed to provide more effective supervision of probationers, increase the chances of school success for these youth, and promote campus and community safety. Participants include probationers and at-risk youth in 85 school service areas that are accepted into the program by School-Based DPOs. These DPOs are assigned and placed on school campuses with a focus on monitoring school attendance, behavior, and academic performance. Programs target high schools and select feeder middle schools with a focused early intervention approach.

### 4. Juvenile Suitable Placement

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	33,186,000	1,383,000	26,243,000	5,560,000	224.0
<i>Less Administration</i>	--	--	--	--	--
<b>Net Program Costs</b>	33,186,000	1,383,000	26,243,000	5,560,000	224.0

**Authority:** Mandated program with discretionary service level – California W&I Code Section 16516.

Provides, through suitable placement, a dispositional option for the Juvenile Court for minors whose delinquent behavior may be explained by a contributory family environment and/or emotional/psychiatric problems. Most suitable placement minors are removed from their homes and placed in a safe environment (group home, psychiatric hospital, DKC, etc.) pending resolution of the minor’s issues. DPOs work with the minor and the family to identify needed services and prepare case plans to assist them with accessing the services. Through monitoring the minor’s progress, the DPO is able to determine what long-term living arrangement would be in the best interest of the minor and develop/implement a permanency plan to return the minor to a safe and stable environment, such as reunification with family, emancipation, placement in a relative/non-relative home, or long-term foster care.

## 5. Adult Services

### Mission Statement

The Project and Facility Development Budget was established to reflect and account for appropriation necessary to fund specialized County services and consultant activities related to projects that are under development, as well as improvements to County facilities executed by other governmental agencies or jurisdictions pursuant to funding agreements approved by the Board.

### 2016-17 Budget Message

The 2016-17 Recommended Budget appropriates \$21.4 million in services and supplies to fund consultant studies that quantify departmental space needs; develop master plans; provide technical, structural, and environmental impact assessments; and assist in the development of facility programs and capital planning efforts.

The Recommended Budget also incorporates \$28.2 million in other charges to fund County contributions for improvements to County and other public facilities executed by other agencies or jurisdictions; \$0.8 million in capital assets—equipment to fund the acquisition of trailers to mitigate operational impacts to recreation and public-oriented programs that are displaced during construction; and \$13.9 million in other financing uses which represents transfers of unspent funds from capital projects for reallocation, project related funds to be transferred to departments' operating budgets for the purchase of furniture and equipment, and transfers to the Civic Art Special Revenue Fund, per Board policy, to fund public art projects.

### Critical/Strategic Planning Initiatives

The budget provides a funding mechanism for departmental and countywide capital development and planning activities. The activities funded from this budget contribute to the multi-year planning efforts of departments, and the County as a whole, by ensuring that capital programs appropriately reflect operational and programmatic requirements and departmental strategic plans.

### 2016-17 Budget Message

The Provisional Financing Uses budget unit serves as a temporary budget for program funding that has yet to be allocated to a specific budget unit. Once funding needs have been determined, funds are transferred to the affected budget unit by Board order.

The 2016-17 Recommended Budget reflects a net increase of \$44.0 million.

The following is a description of each budget category change.

#### Children and Family Services

Reflects a decrease of \$36.1 million due to the transfer of one-time funding to the Department of Children and Family Services for the Title IV-E Waiver program (\$30.5 million), Katie A. Settlement Strategic Plan (\$4.5 million), and implementation of the Blue Ribbon Commission recommendations (\$1.1 million).

#### Health Services

Reflects a net increase of \$4.6 million primarily due to the set aside of contingent funding for potential costs associated with the transfer of the Sheriff's Department's Medical Services Bureau to the Department of Health Services (\$5.1 million), partially offset by a decrease in prior-year carryover savings (\$0.5 million).

#### Parks and Recreation

Reflects a net increase of \$5.0 million for anticipated operational costs associated with newly constructed or refurbished park facilities (\$5.3 million), partially offset by the transfer of ongoing funding (\$0.3 million) to the Department of Parks and Recreation for the Trails Planning Section.

### **Sheriff**

Reflects a net increase of \$24.8 million primarily due to the redirection and increase for future Sheriff facilities debt service payments (\$23.3 million). In addition, funds set aside for operational needs (\$5.0 million), partially offset by a funding transfer (\$3.5 million) to the Sheriff's Department for settlement costs and implementation of the Citizens' Commission on Jail Violence recommendations.

### **Various**

Reflects a net increase of \$45.7 million for housing and economic development initiatives (\$17.9 million), Stormwater Urban Runoff Quality Program (\$7.4 million), mental health needs in County jails (\$6.1 million), Assessor's Legacy System (\$4.7 million), costs related to Proposition 47 implementation (\$3.2 million), San Fernando Valley Family Center (\$2.4 million), Animal Care and Control staffing plan (\$2.0 million), Office of Child Protection (\$1.6 million), budget uncertainties (\$5.6 million), community programs (\$8.0 million), and various other programs (\$5.0 million). These increases are partially offset by decreases due to funding transfers to the Internal Services Department for data center relocation costs (\$4.0 million), Sheriff's Department for implementation of the Department of Justice recommendations (\$3.4 million), Probation Department for backfill of revenue losses (\$3.0 million), several departments for various programs (\$3.6 million), as well as a decrease in prior-year carryover savings (\$4.2 million).

### Mission Statement

The Public Defender provides constitutionally mandated legal representation to indigent criminal defendants and juveniles in the Superior Court of the County as well as in State and federal Appellate Courts. The Department strives to defend the interests of indigent clients; protect their rights and advocate for clients' access to resources in order to be productive members of the community.

### 2016-17 Budget Message

The 2016-17 Recommended Budget reflects an NCC increase of \$7.5 million primarily due to Board-approved increases in salaries and employee benefits, partially offset by the deletion of one-time carryover funding and a decrease in retirement contributions. The Recommended Budget also reflects one-time funding to continue the Sexually Violent Predator (SVP) Program and one-time funding for overtime to address an increase in the Department's workload.

### Critical/Strategic Planning Initiatives

The Department's Strategic Planning Initiatives include:

- Working to address County priorities of child protection, ensuring treatment for the mentally ill, elimination of homelessness and reduction of the jail inmate population.
- Assessing the Juvenile Client Assessment Recommendation and Evaluation (CARE) Program for compliance with best practices in serving children with critical educational and mental health needs.
- Improving assessment and performance measures through the acquisition and development of a case management system (CMS). The Public Defender continues to develop its new statistics system, which employs key performance indicators as a basis for assessing and comparing attorney workloads.
- Addressing support staff's operational needs to create capacity and flexibility to respond to changes in court practices and the law.

In addition, the Department collaborated with justice partners in applying for a MacArthur Foundation Safety and Justice Challenge grant targeted at reducing the number of clients confined in jail.

ACTIVITY  
LIBRARY SERVICES

### Mission Statement

To provide diverse communities with easy access to information and knowledge they need to nurture cultural exploration and lifelong learning.

### 2016-17 Budget Message

The 2016-17 Recommended Budget reflects a reduction of \$24.1 million primarily attributed to the deletion of one-time funding from the Utility User Tax-Measure U allocations, new construction projects, and various Board-funded refurbishment and capital projects. This reduction is partially offset by a 5.30 percent anticipated property tax growth rate. The Department's budget also includes Board-approved increases in salaries and retiree health insurance benefits and the addition of 4.0 positions.

### Critical/Strategic Planning Initiatives

The Public Library's strategic plan establishes a roadmap for sustaining the delivery of quality library services and support for the Department's leadership as a 21<sup>st</sup> century library. Our purpose statement, "The Library Gives You the Freedom to Connect, Explore, Create - Whatever Your Needs or Dreams", along with eight key initiatives, sets the framework for developing innovative service models that will meet the increasing needs of our diverse communities.

In 2016-17, the Public Library will continue to have a key focus on its strategic initiatives and funding solutions for the Department's operating budget, in concert with the construction of new libraries and refurbishment of aging library buildings. These buildings will be designed with

sustainable features that incorporate self-service models; spaces that encourage creativity; larger meeting rooms for civic engagement and community events; and equipped with robust and emerging technologies that support our digital initiatives.

## **Unmet Needs**

The Public Library's unmet needs include \$5.6 million for facilities and maintenance budget to address critical structural and building maintenance issues due to extended deferred maintenance at various library facilities throughout the County. Additional unmet needs include \$0.5 million for additional public safety services due to the increased needs for security services at various library facilities; \$4.0 million to augment operating revenues to sustain ongoing library service levels; and \$0.3 million to purchase two bookmobiles to replace the aging bookmobiles and continue to provide library services to patrons living in remote locations without a library near them.

## Mission Statement

To enrich lives through effective and caring service.

## 2016-17 Budget Message

The 2016-17 Recommended Budget for the Department of Public Social Services (DPSS) – Administration reflects a \$68.3 million increase in gross appropriation and a \$12.1 million increase in NCC. The NCC increase is primarily due to Board-approved salary increases and the County's share of increases in employee benefits and CalFresh expenditures, offset by the elimination of one-time funding.

The Recommended Budget reflects a net increase of 16.0 positions. The new positions are primarily for the Los Angeles Eligibility, Automated Determination, Evaluation and Reporting (LEADER) Replacement System (LRS), In-Home Supportive Services (IHSS), and administrative support.

Although there was an increased demand for the full range of DPSS services in the last few years, with the economic recovery, cash assistance caseloads are projected to flatten or slightly decline, while caseloads for non-cash programs such as Medi-Cal are projected to continue rising.

## Critical/Strategic Planning Initiatives

The Department remains committed to measures that ensure effective and professional service delivery and support the County's goal of Operational Effectiveness/Fiscal Sustainability and Integrated Services Delivery.

The Department continues to enhance its Customer Service Centers (CSC) to improve the service provided to participants. The current service population of the CSCs have reached over 2.4 million cases with a monthly average of 752,046 calls. The CSCs recently implemented a feature allowing participants to leave a call back number instead of waiting in queue during extended wait periods. In addition, a simplified authentication system was added to the Integrated Voice Response (IVR) system that allows participants to use personal information to access case information.

DPSS also continues to maximize leading edge technology to improve outcomes and program excellence. The Department recently started to implement restricted wireless connectivity in its district offices to support lobby self-service, lobby check-in, and allow customers online access to case and program information. In FY 2016-17, the Department plans on expanding its Electronic Bulletin Boards (EBB), Electronic Document Management System (EDMS), and point of services scanning projects.

The Department is also working to lower the annual cost of workers' compensation. Between June and December 2015, 47 additional employees were returned to work and

17 employees retired after being on a six month or more leave of absence. Based on the risk management mitigation strategies implemented during the fiscal year, the Department achieved a 27.6 percent reduction in workers' compensation expenses from the prior year.

DPSS programs provide a vast array of services to families, children, single adults, and the elderly and are designed to alleviate financial hardship and promote family health, personal responsibility, and economic self-sufficiency. Over 3.5 million participants are served monthly. In addition, the Department continues to focus on homeless prevention and housing relocation. In the first quarter of FY 2015-16, a total of 5,313 families were served through the Temporary Homeless Assistance Program, 1,177 families received assistance to secure permanent housing, 855 families were assisted through the Eviction Prevention Program, and 163 families via the 4-month Rental Assistance Program. In addition, 475 families were placed in permanent housing, 384 families received crisis housing placements via the Homeless Family Solutions System and 586,129 households received CalFresh benefits, representing 1,180,615 individuals.

DPSS continues to partner with other County departments to improve service delivery and to provide integrated services. The Department's partnership with the Department of Children and Family Services (DCFS) provides integrated services for mutual families and resources for other needy DCFS families and caretaker relatives. Approximately 18,000 families benefited from this service coordination from July 2015 to November 2015. Additionally, the Department continues to assist DCFS youth to find employment via the Child Family Team (CFT) meetings and Non-CFT subsidized employment. The Department's partnership with Community and Senior Services (CSS) has also enabled the placement of over 5,400 California Work Opportunities and Responsibility to Kids (CalWORKs) and foster youth in subsidized employment since July 2014 through December 2015. This, along with other efforts, allowed the County to meet the federal work participation rate standard resulting in hundreds of millions of dollars of State cost avoidance in federal penalties. Lastly, DPSS plans on expanding the Family Stabilization Care Coordinator Program with the help of the Department of Mental Health (DMH). The coordinators are co-located DMH social workers who consult with family stabilization participants in need of services outside the scope of DPSS in order to provide referrals to various community resources.

As DPSS moves into 2016-17, it will continue to devote resources towards one of its primary initiatives; to reduce and prevent homelessness through various programs and numerous partnerships with other County departments and local agencies.

## Unmet Needs

Funding for programs the Department administers depend largely on State and federal subvention. The FY 2016-17 Recommended Budget assumes sufficient funding to support the current operational level. Due to the volatile nature of the State budget process, the Recommended Budget does not factor in the Governor's January budget proposal. The final State funding allocations will not be known until after the State's FY 2016-17 Budget is signed.

The Department's unmet needs are primarily focused on additional staffing needed to meet increased demands. Over the past several years, funding did not increase at the same rate as caseload and program demands. Currently, case workers for the approved caseload in the Department's core programs are staffed significantly below the full need level, though the level of understaffing varies significantly by program. Thus, it would require a significant number of workers to fulfill the unmet needs for case workers and administrative staff.

### 2016-17 Budget Message

The Public Social Services Assistance Budget funds mandated and discretionary public assistance and social services programs, financed with federal, State, and County funds. These programs include: CalWORKs; Indigent Aid General Relief (GR); General Relief Anti-Homelessness (GRAH); IHSS; Cash Assistance Program for Immigrants (CAPI); Refugee Resettlement Program/Refugee Cash Assistance (RRP/RCA); Refugee Employment Program (REP); Community Services Block Grant (CSBG); and Work Incentive Nutritional Supplement (WINS).

The 2016-17 Recommended Budget reflects a \$23.1 million increase in appropriation and a \$12.8 million net increase in revenue primarily due to 1991 Realignment Sales Tax Growth in IHSS. Also reflected is a \$10.3 million net increase in NCC primarily due to the annual Maintenance of Effort (MOE) inflation factor of 3.5 percent and wage increases in the IHSS program.

### 1. Social Services

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	198,661,000	--	188,415,000	10,246,000	1,442.0
<i>Less Administration</i>	--	--	--	--	--
<b>Net Program Costs</b>	198,661,000	--	188,415,000	10,246,000	1,442.0

**Authority:** Mandated program – Federal Social Security Act, Title XIX, California Welfare and Institutions Code 9 (Sections 12300-12317.2, 13275-13282, and 14132.95); Federal Omnibus Budget Reconciliation Act of 1981.

The APS/CSBG are authorized under the Federal Social Security Act, Title XX; California Welfare and Institutions Code (Sections 15630-15637, 15640, 15750-15755, 15760, and 15762-15763), California Department of Social Services Regulations (Sections 33-100 through 33-805).

Programs included are IHSS, Out-of-Home Care for Adult Supplemental Security Income recipients, APS, and CSBG. IHSS provides low-income elderly (65 years or older), blind, or disabled individuals, including children, with supportive services so that they can remain safely in their own home. APS/CSBG provides assistance and protective services to elder and dependent adults who are functionally impaired, unable to meet their own needs, and who are victims of abuse, neglect, or exploitation.

### 2. CalWORKs

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	640,274,000	1,649,000	638,625,000	--	3,086.0

<b>Net Program Costs</b>	640,274,000	1,649,000	638,625,000	--	3,086.0

**Authority:** Mandated program – United States Code Title 42, Chapter 7, Subchapter IV, Part A, Sections 601 – 619 and California Welfare and Institutions Code 9, Sections 11200 through 11526.5.

Programs included are CalWORKs Eligibility, WtW, Cal-Learn, and Child Care. Programs provide temporary assistance to children and families for basic needs and child care services. CalWORKs includes the GAIN WtW program that is designed to move participants towards self-sufficiency. GAIN helps participants with a full range of training, educational, employment, post-employment, and supportive services.

### 3. Other Public Welfare

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	1,169,751,000	827,000	1,071,150,000	97,774,000	8,362.0

<b>Net Program Costs</b>	1,169,751,000	827,000	1,071,150,000	97,774,000	8,362.0

**Authority:** Mandated program – CalFresh: Federal Food Stamp Act of 1977 as amended through Public Law 108-269, July 2, 2004; California Welfare and Institutions Code Sections 18900-18923 and 19000; United States Government Code Title XIX, Social Security Act; and California Code of Regulations Title 22.

Medi-Cal: Title XIX of the Social Security Act authorizes Medicaid as a joint federal/State entitlement program to pay for medical assistance to both ‘categorically’ and ‘medically’ eligible groups with limited resources. Welfare and Institutions Code Sections 14100 et seq. and 10800 authorize the County to administer this public assistance program.

GR: Welfare and Institutions Code Sections 17000-17030.1. Every county and every city shall relieve and support all incompetent, poor, indigent persons, and those incapacitated by age, disease, or accident, lawfully resident therein, when such persons are not supported and relieved by their relatives or friends, by their means, or by state hospitals or other state or private institutions.

CAPI authorized under Welfare and Institutions Code Sections 18937-18944; RCA authorized under the Welfare and Institutions Code, Sections 13275 through 13282; and REP authorized under the Welfare and Institutions Code, Sections 13275-13282.

Programs included are CalFresh (formerly known as Food Stamps), Medi-Cal, GR, RCA, CalFresh Employment and Training, and CAPI. These programs provide benefits for low-income households to obtain food and health care services, as well as financial assistance for indigent adults, refugees, and blind or disabled legal immigrants. The CSBG program assists low-income individuals and families to transition from crisis situations to stable living situations. This is achieved through the provision of services by community-based organizations or referrals to other programs. Services include before or after school programs, employment training/support, education, temporary shelter, food, health care, domestic violence intervention, youth, family development, and legal assistance.

### Mission Statement

The Department of Public Works (Public Works) is committed to accomplishing its mission of providing public infrastructure and municipal services to protect and enrich the daily lives of over ten million people in the County. Services include planning, engineering, design, construction, project management, operation, and/or maintenance of roads, highways, bridges, flood control facilities, water conservation programs, sanitary sewers, water distribution systems, airports, facility capital projects, and regulatory programs such as hazardous and solid waste, land development, and other activities for the County and contract cities. Specific to County communities, the mission is to provide an improved quality of life through the promotion of safe building construction, orderly land development, and maintenance of clean and secure properties. Specific to County Improvement Studies, the mission is to provide assistance via a statutory process that allows private property owners in County unincorporated areas to construct capital infrastructure to County standards and transfer these improvements to the County for operation and maintenance. In addition, the Department administers the County's Unincorporated Area Stormwater Urban Runoff Quality Program and provides graffiti abatement, crossing guard services, landslide mitigation, and unincorporated area services in the form of Community Enhancement Teams (CET) in order to enhance the quality of life for residents in the community.

### 2016-17 Budget Message

The majority of services provided through the Public Works - General Fund are required by federal, State, and local mandates and are funded by fees for services. Crossing guard, landslide mitigation, graffiti abatement, pre-County improvement district studies, property rehabilitation and nuisance abatement, and unincorporated area services programs continue to rely on funding from the County.

The 2016-17 Recommended Budget reflects a \$19.4 million net NCC decrease primarily attributable to the elimination of one-time funding for Unincorporated Area Stormwater Urban Runoff Quality Program (\$9.0 million); Unincorporated County Road projects (\$6.8 million); Waterworks projects (\$1.1 million); Oxford Basin Vegetation Project (\$1.0 million); High Desert Corridor (\$0.8 million); Hauled Water Initial Study Plan (\$0.6 million); Holiday decorations in East Los Angeles (\$0.3 million); Graffiti Abatement (\$0.2 million); Claremont Sewers (\$0.1 million); and other Board-funded programs and projects (\$0.1 million). The decrease is partially offset by a \$0.7 million increase for Board-approved salaries and health insurance subsidies.

## Critical/Strategic Planning Initiatives

- To maximize public safety, ongoing training is provided to employees to promote technical growth. Specialized training is provided in mandated subjects such as the California Building Code to ensure a higher standard of compliance.
- The Public Works - General Fund budget relies on NCC to fund various activities in the Department. Public Works projects the available NCC from the previous year to determine the funding level required for the activities in the coming year and will adjust each activity accordingly so that NCC does not exceed the adjusted allowance approved by the Board.
- The Department's Strategic Plan provides for a structured approach to strategic planning and budgeting for individual programs and services. The four main components of the Public Works' Integrated Planning Process include program, financial and staffing plans, and the budget request. Program plans strategically establish management objectives for outcomes/results, situation analyses, comprehensive needs assessments, results-based work plans, and funding requests. Financial plans project revenue sources and financing uses for each operating fund and set preliminary budget allocations for individual programs. Based on these funding allocations, staffing plans are then developed as part of divisional operational plans. The budget request is then prepared based upon the program, financial, and staffing plans.

<b>FUND</b>	<b>FUNCTION</b>	<b>ACTIVITY</b>
PUBLIC WORKS - FLOOD CONTROL DISTRICT	PUBLIC PROTECTION	FLOOD CTRL & SOIL & WATER CONSERVATION

### Mission Statement

Public Works is committed to accomplishing its mission of providing public infrastructure and municipal services to protect and enrich the daily lives of over ten million people in Los Angeles County. Specific to the Flood Control District (District), the mission is to provide flood protection services that incorporate an integrated water resource management approach in providing flood protection; increase local water availability through conservation efforts; and provide passive recreational opportunities.

### 2016-17 Budget Message

The 2016-17 Recommended Budget reflects a \$52.6 million increase primarily attributable to increases in the anticipated award of infrastructure project contracts for flood protection and water conservation efforts and obligated fund balance set aside for future infrastructure and facility improvements projects. The primary sources of revenue of the District are property taxes and benefit assessments. The objectives of the District are outlined within the Flood Control Act, which mandates the District to carry out flood protection and water conservation programs. These objectives include keeping the existing flood protection system in a safe and effective condition to respond to emergencies, perform maintenance and repair, and conserve water.

## Critical/Strategic Planning Initiatives

The Department's Strategic Plan provides for a structured approach to strategic planning and budgeting for individual public works programs and services. The four main components of the Public Works' Integrated Planning Process include program, financial, staffing plans, and the budget request. Program plans strategically establish management objectives for outcomes/results, situation analyses, comprehensive needs assessments, results-based work plans,

and funding requests. Financial plans project revenue sources and financing requirements for each operating fund and set preliminary budget allocations for individual programs. Based on these funding allocations, staffing plans are then developed as part of divisional operational plans. The budget request is then prepared based upon the program, financial, and staffing plans.

### Mission Statement

Public Works is committed to accomplishing its mission of providing public infrastructure and municipal services to protect and enrich the daily lives of over ten million people in the County. Specific to the Transportation Core Service Area, the mission is to provide safe, clean, efficient transportation choices and rights of way, to enhance mobility and quality of life. The Road Fund provides for the operation, maintenance, safety, repair and improvements of unincorporated area municipal streets and highways; multimodal transportation improvements; and the installation, operation, and maintenance of traffic signals. The Road Fund is also utilized to provide public works services to cities and agencies, which are entirely reimbursed by the respective agency, with the mission to provide quality and efficient public works services through effective interagency collaborations.

### 2016-17 Budget Message

The 2016-17 Recommended Budget reflects an \$85.6 million decrease primarily due to reductions in fund balance available; gas tax revenues; federal aid urban project revenues; and the deletion of one-time funding for unincorporated area road projects; partially offset by an increase in MTA grants revenue for various roadway intersection improvement projects.

The FY 2016-17 budgeted revenues for the Highway User Tax Account (gas tax) is approximately \$150.0 million. It reflects a \$13.0 million (8 percent) decrease from the FY 2015-16 budget of \$163.0 million and a \$39.0 million (21 percent) decrease from the FY 2014-15 actuals of \$189.0 million. This trend of lower gas tax revenues is expected to continue due to the drop in gasoline prices and growing prevalence of fuel-efficient, alternative fuel, and zero-emission vehicles.

Although the precipitous drop in gas tax revenues in FY 2016-17 will not result in any reductions in levels of service for the road maintenance and operations programs, there will be a reduction in the number of roadway pavement rehabilitation and preservation construction projects. While Public Works has budgeted conservatively, the continued drop in gas tax revenues will necessitate the department to implement further reductions to the transportation improvement programs. Public Works will continue to monitor gas tax revenues and budget accordingly for future fiscal years.

unincorporated County areas with safe roads that provide the necessary mobility options for work, education, and recreation.

- The Department’s Strategic Plan provides for a structured approach to strategic planning and budgeting for individual public works programs and services. The four main components of Public Works’ Integrated Planning Process include program, financial, staffing plans, and the budget request. Program plans strategically establish management objectives for outcomes/results, situation analyses, comprehensive needs assessments, results-based work plans, and funding requests. Financial plans project revenue sources and financing requirements for each operating fund and set preliminary budget allocations for individual programs. Based on these funding allocations, staffing plans are then developed as part of divisional operational plans. The budget request is then prepared based upon the program, financial, and staffing plans.

### Critical/Strategic Planning Initiatives

- The Recommended Budget was assembled with an emphasis on optimizing the use of new gas tax (formerly Proposition 42) funds for maintenance and preservation of the existing roadway system. This strategy meets the County Strategic Plan goal of Operational Effectiveness by maximizing the use of available limited revenues while providing residents in

### Mission Statement

Public Works is committed to accomplishing its mission of providing public infrastructure and municipal services to protect and enrich the daily lives of over ten million people in the County. Public Works services include planning, engineering, design, construction, project management, operation, and/or maintenance of roads, highways, bridges, flood control facilities, water conservation programs, sanitary sewers, water distribution systems, airports, facility capital projects, and regulatory programs, such as hazardous and solid waste, land development, and other activities for the County and contract cities.

### 2016-17 Budget Message

The Internal Service Fund is designed to simplify billings for services provided between the multiple funds that finance Public Works operations. This fund allows for salaries and employee benefits, materials and supplies, and equipment charges to be paid through the fund and the appropriate amounts recovered from other departmental funds.

The 2016-17 Recommended Budget reflects an \$18.0 million increase primarily due to Board-approved increases in salaries and health insurance subsidies; retiree health increases; administrative support services to align the budget to anticipated costs; and various position changes to meet the operational needs of the Department. These increases are partially offset by decreases in retirement costs; capital project management services for County capital projects; capital asset-equipment purchases; and contingencies.

## Critical/Strategic Planning Initiatives

- The Recommended Budget presents Public Works with a challenge in projecting future budgetary requirements for services that will be rendered to other Public Works funds, for the construction management of capital projects, and for services to other County departments. The Capital Building Projects Program relies heavily on the Board's approval of funding for County capital projects. A work plan is prepared for the coming budget year to detail the capital project work that will be funded. Rates and fees are analyzed each year and adjusted to ensure that the Internal Service Fund recovers all costs for services performed.
- The Department's Strategic Plan provides for a structured approach to strategic planning and budgeting for individual public works programs and services. The four main components of the Public Works' Integrated Planning Process include program, financial and staffing plans, and the budget request. Program plans strategically establish management objectives for outcomes/results, situation analyses, comprehensive needs assessments, results-based work plans, and funding requests. Financial plans project revenue sources and financing requirements for each operating fund and set preliminary budget allocations for individual programs. Based on these funding allocations, staffing plans are then developed as part of divisional operational plans. The budget request is then prepared based upon the program, financial, and staffing plans.

### Mission Statement

To plan and help shape the development of safe, healthy, equitable and sustainable communities while respecting individual rights and protecting the natural environment through excellent public service provided in the unincorporated areas of the County.

create and produce a wide variety of diverse professional quality graphic material and creative designs artwork, partially offset by decreases in County retirement costs and the deletion of one-time funding.

### 2016-17 Budget Message

The 2016-17 Recommended Budget provides for the maintenance of core mission activities including public counseling services at the downtown headquarters office and eight field offices, case processing, community planning and outreach, and zoning enforcement. Environmental impact review and the activities of the Environmental Review Board and the Significant Ecological Area Technical Advisory Committee will continue as well as specifically funded programs, including public hearings and workshops on the Airport Land Use Compatibility Plan, West Carson Transit Oriented District Specific Plan (TODSP), West Athens-Westmont TODSP, and Willowbrook TODSP.

The 2016-17 Recommended Budget reflects a \$0.9 million NCC increase primarily attributable to Board-approved increases in salaries and health insurance subsidies and retiree health cost increases; and the addition of 1.0 Graphic Artist position to

### Critical/Strategic Planning Initiatives

The Department continues to implement its Strategic Plan while supporting the County's Strategic Plan including the following initiatives:

- Providing responsive and proactive code enforcement of discretionary permits, zoning and subdivision regulations in unincorporated areas, and participating in the countywide Nuisance Abatement Team (NAT);
- Enhancing public service through improved permitting processes and databases, web-based case filing pilot projects, new electronic transactions, Geographic Information Systems (GIS) based land use and zoning information, and smart phone enforcement operation;
- Enhancing communication with landowners, neighbors, constituents, and other governmental agencies by carefully allocating resources to incorporate local area network enhancements and other web-based technologies;

- Building stronger and healthier communities through development of land use, circulation, open space, noise, safety and housing elements of the General Plan Update; and
- Securing Regional Planning Commission and Board approval of community plans and zoning standards for unincorporated areas.

Current Planning is a local program related to the implementation of zoning regulations adopted by the County pursuant to State and federal enabling legislation. Zoning regulations are the mechanism by which the County's General Plan is carried forth. Zoning regulations are embodied in Title 22 of the County Code. Zoning of land and development standards constitute the County's use of its police power to ensure the proper distribution of land uses for the protection of public health, safety, and welfare. Because of their unique characteristics, certain land uses require discretionary permitting which is accomplished through the filing of various types of zoning and planning applications. These discretionary actions include changes of zoning and to the General Plan, in addition to implementation of subdivision regulations adopted by the County pursuant to State and federal enabling legislation. Subdivision regulations are embodied in Title 21 of the County Code, and regulate the creation of lots or units for sale, lease or financing purposes.

### 2. Advance Planning

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	5,143,000	20,000	413,000	4,710,000	32.0
<i>Less Administration</i>	--	--	--	--	--
<b>Net Program Costs</b>	5,143,000	20,000	413,000	4,710,000	32.0

**Authority:** Mandated program with discretionary service level - California Government Code Sections 65088-65089, 65103, 65302, 65350 - 65357, 65400, 65402, 65581, 65588-65589, 65654-65857, and 65860; California Health and Safety Code Section 44244; California Public Resources Code Chapter 7.8, 30500, 30511, 30513, 30519.5, and 4000; California Public Utilities Code 21670.2; and California Revenue and Taxation Code 2227.

The Advance Planning Program is a State-mandated program to prepare and implement a General Plan for the County. This is accomplished by preparing a long-range countywide General Plan for the entire unincorporated area of the County and by preparing more detailed area, coastal, and community plans for certain unincorporated areas. In order to implement these plans, the Zoning Ordinance (Title 22 of the County Code) must be amended, and Community Standards Districts and zoning studies need to be prepared. Periodic reports are prepared for the Board to advise them on a variety of land use planning issues. Citizens' participation is an important part of the Advance Planning Program and is accomplished through a variety of community outreach events including public workshops, town council meetings, and public hearings.

### 3. Land Use Regulation

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	6,180,000	--	428,000	5,752,000	43.0
<i>Less Administration</i>	--	--	--	--	--
<b>Net Program Costs</b>	6,180,000	--	428,000	5,752,000	43.0

**Authority:** Mandated program with discretionary service level - California Government Code Sections 54988, 65103 (b)(d), 65402; 65800, 65850 and California Public Resources Code Division 20 (California Coast Act).

The Land Use Regulation Program is a State-mandated program with discretionary service levels. This program is aimed at correcting zoning code violations in County unincorporated communities and to eliminate blight and improve the quality of life. Code enforcement is accomplished by conducting complaint based code inspections and enforcing land development, zoning and subdivision regulations in the unincorporated County areas in accordance with County and State regulations and statutes. Zoning enforcement staff respond to zoning complaints and address code violations on many different fronts including conducting Conditional Use Permit checks, referring unresolved code violations to the District Attorney and County Counsel, using noncompliance fees and administrative fines to encourage compliance, and participating on multi-agency NATs.

### 4. Information and Fiscal Services

<b>Net Program Costs</b>	6,799,000	32,000	57,000	6,710,000	46.0

**Authority:** Non-mandated, discretionary program.

The Information and Fiscal Services Program supports all departmental programs by providing policy guidance resulting in effective risk management and fiscal controls. This program focuses on the management of human resources, information technology, fiscal services, and administrative services. These areas include, but are not limited to, the departmental budgeting process, emergency management, strategic planning, contracting and related monitoring, personnel management, and administrative control mechanisms consistent with the County Fiscal Manual. In addition, computer systems and GIS databases are developed and maintained in support of departmental planning operations and public access.

ACTIVITY  
ELECTIONS

### Mission Statement

To register voters; conduct federal, State, local and special elections; verify initiatives and referendum petitions; record real estate documents; maintain birth, death and marriage records; issue marriage licenses; and file business documents. All these activities are conducted under the provisions of the federal and State Constitutions, State Codes and County Ordinances.

### 2016-17 Budget Message

The 2016-17 Recommended Budget includes resources necessary to conduct the November 2016 Presidential General Election as well as to perform Recorder/County Clerk operations. The budget also includes funding to move forward with new programs that promote efficiency, while taking into consideration the fluctuations in the real estate market and continuing high costs of conducting elections.

In FY 2012-13, recorder fee revenues were beginning to show improvement; however, in FY 2013-14, recorder fee revenues declined 30 percent and real estate purchasing indicators show trends have now leveled-off. In addition, the Department

continues to absorb the high cost of unscheduled special elections. The 2016-17 Recommended Budget reflects a decrease in NCC of \$6.6 million primarily due to the deletion of one-time funding from the previous year and a reduction in retirement costs, partially offset by Board-approved increases in salaries and employee benefits, and funding to stabilize core operations due to declines in recorder fee revenues.

### Critical/Strategic Planning Initiatives

The Department's Critical/Strategic Plan will continue to implement automated and enhanced processes to improve public service and employee workforce in the elections, voter registration, Recorder, and County Clerk services. As such, the Department will:

- Continue development of the multi-year Voting Systems Assessment Project (VSAP) to modernize the County's voting system;
- Conduct voter outreach and multi-media efforts to engage voters for the November 2016 Presidential General Election and increase access to election information;

- Continue implementation of the Archives and Records Management Program to standardize countywide archives records management practices and establish a County archives program;
- Continue partnering with the UCLA Anderson School of Business to develop revenue forecasts based on economic predictors that affect recording activities, hence departmental revenue;
- Expand eCheck, the Department’s electronic payment system, to additional large-volume document recording customers. This will enhance service through a secure and efficient method of payment and improve accounting business processes;
- Migrate the Department’s legacy system infrastructure to eBlock, a cloud-based solution that will facilitate seamless migration of digital vital records and other information assets to a countywide central data center;
- Enhance information security efforts in compliance with information technology (IT) standards to ensure maximum data security measures are implemented to safeguard highly-sensitive Recorder, County Clerk, and Election data and related systems;
- Implement a paperless, automated Campaign Finance Disclosure System to improve management of campaign statement filing requirements;
- Continue the Emerging Leaders program, which provides mentorship opportunities for non-supervisory staff to enhance career development and offer a pathway to become successful future County leaders; and
- Continue to use Lean Six Sigma (LSS) to provide solutions for inefficient and/or costly internal processes. LSS allows knowledge transfer of “best practices” and encourages staff participation in increasing efficiencies and decreasing operating costs as part of the normal course of business.

<b>Net Program Costs</b>	52,021,000	--	28,327,000	23,694,000	237.0

**Authority:** Mandated program - United States Constitution, Articles I-II and Amendment XVII; California Constitution Article II, Sections 3-5; California Government Code Section 26802; and County Charter Article IV, Section 14.

The program fulfills the legal role of the Registrar-Recorder/County Clerk (RR/CC) as the principal election officer by conducting federal, State, local and special elections. Included in this program are election functions consisting of program planning and development, precincting, ballot preparation, signature verification, vote by mail (absentee voting), tally and canvass, pollworker services and candidate services. Through these functions, the Elections Program provides voters with convenient access to election information; verifies signatures on initiative, referendum, candidate nominations, petitions, absentee and provisional ballots; mails and processes Vote by Mail requests; tallies and canvasses ballots within legal deadlines; issues appropriate legal documents to candidates and provides instructions on how to access candidate information; ensures that eligible voters are assigned to correct precincts; trains pollworkers; and distributes voting instructions and materials at each voting precinct.

### 2. Voter Registration, Education and Outreach

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	11,304,000	--	2,925,000	8,379,000	141.0
<i>Less Administration</i>	--	--	-	-	--
<b>Net Program Costs</b>	11,304,000	--	2,925,000	8,379,000	141.0

**Authority:** Mandated program - United States Constitution, Articles I-II and Amendment XVII; California Constitution Article II, Sections 3-5; California Government Code Section 26802; and County Charter Article IV, Section 14.

This program fulfills the legal role of the RR/CC as the principal voter registration official through promoting voter registration, maintaining voter registration files, providing public access to registration records for the County; and verifying petition, nomination and vote by mail signatures. This program ensures that eligible County residents have access to information and locations to obtain voter registration materials; educates voters, including those with specific needs, about registration and the voting process; and fosters partnerships with advocacy and community-based organizations to maximize resources and the dissemination of election process information. This program also oversees various committees such as the Community Voter Outreach Committee, and other action-oriented subcommittees; analyzes precinct statistical data including demographic data; and recruits and establishes permanent voter outreach distribution sites.

### 3. Recorder/County Clerk Services

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	39,499,000	656,000	38,843,000	--	425.0
<i>Less Administration</i>	--	--	--	--	--
<b>Net Program Costs</b>	39,499,000	656,000	38,843,000	--	425.0

**Authority:** Mandated program - California Government Code, Section 27201; Civil Code Section 1172; and the non-judicial portions of the California Government Code Section 26800.

This program meets the legal requirement of the RR/CC as the principal recording officer through recording documents; maintaining birth, death and marriage records; issuing marriage licenses; issuing real estate records; filing fictitious business names and notary bonds, and collection of documentary transfer tax for the County General Fund.

#### 4. Technical Services Administration

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	14,632,000	--	3,287,000	11,345,000	86.0
<i>Less Administration</i>	--	--	--	--	--
<b>Net Program Costs</b>	14,632,000	--	3,287,000	11,345,000	86.0

**Authority:** Mandated and discretionary program. Elections: Mandated program - United States Constitution, Articles I-II and Amendment XVII; California Constitution Article II, Sections 3-5; California Government Code Section 26802; and County Charter Article IV, Section 14. Recorder: Mandated program - California Government Code, Section 27201; Civil Code Section 1172; and the non-judicial portions of California Government Code Section 26800.

This program designs and maintains the infrastructure for connectivity of personal computers within the Department; maintains the Department's website; maintains the Voter Information Management System database; maintains computer systems used in candidate filing, ballot layout, tally and reporting election results; maintains and supports changes in jurisdictional boundaries at the precinct level; maintains precinct information; produces political district boundary maps; supports all Recorder/County Clerk business functions through computer systems technology; and provides departmentwide data security and printing services.

#### 5. Administration

### Mission Statement

This budget provides centralized financing of real property lease payments, annual obligations for long-term debt financing of capital constructions, and other costs necessary to facilitate real property management. All federally allowable lease and debt service costs are financed from departmental operating budgets of the benefitting departments, with some exceptions (e.g., Walt Disney Concert garage, Hall of Justice, and Coroner buildings).

### 2016-17 Budget Message

The 2016-17 Recommended Budget reflects an \$8.5 million increase in NCC primarily due to a decrease in billable use allowance expenditures, partially offset by the deletion of one-time funding for centrally financed commercial paper programs and non-capital related expenditures.

### Mission Statement

State law charges the Sheriff with the responsibility of being the chief law enforcement officer of the County. The Sheriff enforces State laws and County ordinances in the unincorporated area (UA), which covers 77 percent of the total square miles within the County, and is responsible for maintaining law and order in all cities within the County. The Sheriff provides general law enforcement and traffic services through contract to 42 cities, the Los Angeles Superior Court, the Southern California Regional Rail Authority (Metrolink), the Los Angeles County Metropolitan Transportation Authority (Metro), and the Community College Districts. In addition, the Sheriff provides placement, secure housing, and care for a daily average population of approximately 17,500 pre-sentenced and sentenced county jail inmates at seven custody facilities.

### 2016-17 Budget Message

The 2016-17 Recommended Budget reflects an overall NCC increase of \$61.1 million primarily due to: \$108.4 million in Board-approved increases in salaries and employee benefits; \$5.7 million to prefund retiree healthcare benefits; \$1.6 million and 6.0 positions for the Human Trafficking Bureau (HTB); \$2.9 million and 15.0 positions for the Emergency Operations Bureau (EOB)/Department's Operation Center (DOC); \$0.6 million and 6.0 positions for the Criminal Intelligence Bureau (CIB); \$0.3 million for the Summer Violent Crime Enforcement Program (SVCEP) (also known as Summer Gang Suppression); and \$3.4 million for equipment and consultant services to replace the Department's mission-critical Computer Aided Dispatch (CAD) system. In addition, the Recommended Budget includes the transfer of \$6.9 million from the Provisional Financing Uses (PFU) budget unit to the Department's operating budget for 46.0 existing and 38.0 additional positions phased-in to address the Citizens'

Commission on Jail Violence (CCJV) recommendations, as well as Rosas, Americans with Disabilities Act (ADA), and Department of Justice (DOJ) settlement agreements.

The above increases are partially offset by a \$17.5 million decrease in retirement costs; \$16.7 million anticipated increase in public safety sales tax receipts; \$15.0 million decrease resulting from the deletion of various one-time funded programs; \$13.3 million decrease in rent charges; and a \$6.1 million reduction in debt service.

The Recommended Budget also includes a net increase of 1.0 position due to the following ministerial changes: 2.0 positions for the new Crisis Intervention Training (CIT) program fully offset by an intrafund transfer (IFT) from the Diversion and Re-Entry (DR) budget unit; 2.0 Constitutional

Policing Advisor positions fully offset by a reduction in services and supplies; 2.0 positions for the Mentally Ill Offender Crime Reduction (MIOCR) grant program fully offset by IFT from the Department of Mental Health; addition of 1.0 position for the Automated Fingerprint Identification System (AFIS); and 7.0 positions for the Taskforce for Regional Auto-Theft Prevention (TRAP) fully offset by the Vehicle Theft Prevention Program Special Revenue Fund, partially offset by the deletion of: 5.0 positions due to the expiration of the Affordable Care Act (ACA) grant; net deletion of 3.0 positions to gain an Assistant Division Director in custody-specialized programs; and a net deletion of 5.0 positions for contract law enforcement services as requested by contract agencies.

## Unmet Needs

The Department's most critical needs, in addition to restoring any reductions in funding, are the following: 1) \$2.0 million and 7.0 positions for year 1 of 5 of the Mental Evaluation Team (MET) to respond to mentally ill persons in crisis, barricaded suspects, suicides in progress, and other potential self-inflicted injury calls; 2) \$2.9 million and 8.0 positions to support the FastTest Program for computer Adaptive Testing of Deputy Sheriff Trainee; 3) \$4.7 million and 43.0 Custody Assistants positions for station jail staffing, to adequately perform all duties required at patrol stations, consistent with a study completed by the Department's Contract Law Enforcement Bureau in April 2014; 4) \$7.0 million to address the Department's revenue loss from the Inmate Welfare Fund due to the Federal Communications Commission's (FCC) reduction in approved calling rates; and 5) \$24.3 million for critical infrastructure projects, such as the replacement of air handlers, generators, chillers, and roofs; replacement of sewer and plumbing lines at the North County Correction Facility; and the installation of a boating dock system in Marina del Rey.

The Department is also requesting funding for the following critical programs: 1) \$8.1 million and 35.0 positions for CCJV Phase III; 2) \$10.6 million and 56.0 positions for UA Patrol Phase II; and 3) \$17.3 million and 52.0 positions for the implementation of a multiple-year initiative to outfit sworn departmental personnel with body-worn cameras.

The Department is requesting \$266.0 million to address a structural deficit related to unavoidable cost increases as follows: 1) \$42.8 million in employee benefits; 2) \$4.0 million associated with Bonus I and II benefits; 3) \$12.0 million to backfill the loss of federal funding for the State Criminal Alien Assistance program; 4) \$59.1 million to address the Department's structural budget shortfall relative to Peace Officer Standards and Training (POST) bonus (\$16.6 million) and leaves of absences (\$42.5 million); and 5) \$148.1 million to fill 300 vacant Deputy and 1,000 civilian positions that are currently being used to address salary savings.

**Authority:** Mandated program with discretionary service level – Sections 26600-26777 of California Government Code.

The County Services budget unit represents the transfer of the Office of Public Safety into the Sheriff's Department, as approved by the Board on December 15, 2009. Comprised of both professional and sworn staff, the County Services budget unit's responsibilities include the following: oversight and monitoring weapons screening at numerous client facilities where metal screening devices are located; specialized law enforcement services at County-owned or operated hospitals, healthcare centers, and properties; and policing services at all County parks and recreational facilities.

### 2. Court Services

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
<b>Total Program Costs</b>	306,285,000	98,000	172,947,000	133,240,000	2,032.0

<b>Net Program Costs</b>	306,285,000	98,000	172,947,000	133,240,000	2,032.0

**Authority:** Mandated program with discretionary service level – Sections 26600-26777 of California Government Code.

The Court Services budget unit funds the Courts Services Division, which provides security services to the Superior Court, serves civil process papers throughout the County, and participates in the recovery of DNA from qualified inmates. The Division's mission seeks to ensure a safe and secure environment for the public accessing the courts, employees, other personnel performing duties within the courts, and inmates appearing in court while in the custody of the Sheriff. In addition to court security services, the Division is responsible for the service and enforcement of several hundred thousand civil and criminal process items annually. This includes the seizure and sale of personal and real property, evictions, and the service of Temporary Restraining Orders (TROs) related to domestic violence.

### Mission Statement

Telephone Utilities is a centralized appropriation administered by the Internal Services Department (ISD) to fund telephone utilities carrier costs and equipment; Enterprise Network, Internet and Administration (ENIA) and other County departments' networks; and telephone utilities administration.

### 2016-17 Budget Message

The 2016-17 Recommended Budget reflects net increases of: 1) \$1.8 million for telephone utilities; 2) \$1.3 million for ENIA; 3) \$0.5 million for Voice-over Internet Protocol (VoIP) maintenance and equipment costs; and 4) \$50,000 for Criminal Justice Information Systems (CJIS).

### Critical/Strategic Planning Initiatives

- ISD will continue to enhance the performance of the County's telecommunications systems and simultaneously minimize costs.

### Mission Statement

The mission of the Treasurer and Tax Collector is to bill, collect, invest, borrow, safeguard, and disburse monies and properties. The Department does this on behalf of the County, other government agencies and entities, and private individuals as specified by law. The Department also provides enforcement, consulting, estate administration, and public information services.

### 2016-17 Budget Message

The 2016-17 Recommended Budget reflects a net decrease in NCC of \$34,000 primarily due to the deletion of one-time funding for replacement of the Department's Collection and Accounts Receivable System (CARS). The Recommended Budget also includes Board-approved increases in salaries and health insurance subsidies, an increase of 2.0 positions to address appropriate supervision in the Public Service and Revenue and Enforcement Divisions, and partial restoration of prior-year curtailments.

### Critical/Strategic Planning Initiatives

The following are examples of the Department's continuing efforts to create efficiencies, work collaboratively with other departments, and maximize revenue:

- Continue the refunding project, with the support of the CEO, for bonds issued by the former redevelopment agencies. This program received the National Association of Counties 2015 Achievement Award. Since the first bond sale in December 2013, the program has issued in excess of \$350.0 million of refunding bonds on behalf of eight former redevelopment agencies. The total debt savings are in excess of \$101.0 million and will benefit the County, State, and each city that participated in the program.
- Conduct an online solution to receive property tax payments automatically and securely from organizations responsible for a large number of parcels. The property tax eCommerce portal usage continues to grow, reaching 14 percent of total collections in 2015.

- Continue the expansion of remote deposit service from 90 to 261 remote deposit devices which allows County departments and agencies to deposit checks received from the public electronically, reducing physical depositing of paper items.
- Expand the public counter on the first floor at the Kenneth Hahn Hall of Administration to include space for Assessor and Auditor-Controller staff to provide a one-stop customer service experience for taxpayers.

### Mission Statement

The Lockyer-Isenberg Trial Court Funding Act of 1997, AB 233, Chapter 850, Statutes of 1997 requires counties to make an annual Maintenance of Effort (MOE) payment to the State for support of trial courts and to continue to fund certain court-related expenditures such as indigent defense, collections enhancement, and local judicial benefits. The Trial Court Facilities Act, SB 1732, Chapter 1082, Statutes of 2002 authorized the transfer of responsibility for court facilities from the counties to the State and requires that counties make County Facilities Payment (CFP). Revenue from court fines and fees is used to partially finance the MOE obligation to the State and other court-related expenditures.

### 2016-17 Budget Message

The 2016-17 Recommended Budget reflects funding for the County's \$290.6 million MOE payment to the State, which is comprised of \$245.9 million base MOE, \$37.6 million CFP, and \$7.1 million representing 50 percent of any excess above the AB 233 fines and forfeitures MOE. In addition, the budget includes \$109.6 million for court-related expenditures that are the County's responsibility. The Recommended Budget also reflects Board-approved increases in salaries and employee benefits, partially offset by an increase in revenue and the deletion of one-time carryover funding.

### Mission Statement

Utilities is a centralized appropriation administered by the Internal Services Department to fund utility costs, including electricity, natural gas, water, industrial waste collection, energy management leadership programs and related regulatory and legal activities, and day-to-day operations of the County cogeneration and power plants.

NCC-funded facilities. The Recommended Budget also reflects a decrease in funding for electricity, natural gas, water, other utilities, and California Public Utility Commission (CPUC) programs, offset by increases in power plant operations, energy management programs, and grant funding for the Southern California Regional Energy Network (SoCalREN) for calendar year 2016.

### 2016-17 Budget Message

The 2016-17 Recommended Budget reflects an NCC increase of \$1.5 million primarily due to the Water Conservation Revolving Loan Fund, partially offset by decreases in utility costs for

### Critical/Strategic Planning Initiatives

- Continue to complete energy retrofit projects, increase water conservation efforts, and centrally administer utilities costs throughout the County.

### 2016-17 Budget Message

On November 4, 2008, unincorporated County voters approved the passage of the Utility User Tax - Measure U. The revenues are generated from user taxes on gas, electricity, and communication. These revenues are fully offset with appropriations in various budget units including the Departments of Board of Supervisors, District Attorney, Parks and Recreation, Public Library, Public Works, and Sheriff for various programs within the unincorporated areas.

The 2016-17 Recommended Budget reflects no change from the 2015-16 Final Adopted Budget based on current revenue trends.

## Cultural and Recreational Opportunities

The County offers a wealth of cultural and recreational opportunities rivaled by few other places in the world. Its geographic and ever-expanding economic diversities have aided in the development of a rich heritage of educational, artistic, and athletic organizations and sites, of which only a few are shown below (as of February 2016). Additional information on many of the cultural and recreational opportunities, located throughout the County, can be obtained via the County's website at: <http://lacounty.gov>, under the "Things To Do" section. *Italicized* items are funded and/or operated by the County.

## Glossary

**ACTIVITY:** A major work effort performed to meet a program objective.

**ACTUAL FISCAL YEAR:** Amounts represent actual expenditures and financing sources for two fiscal years prior to the Recommended Budget fiscal year.

**AGENCY FUND:** Includes the Community Development Commission and the Housing Authority, which are under the authority of the Board, but are separate legal entities.

**APPROPRIATION:** A legal authorization to make expenditures and incur obligations for specific purposes.

**APPROPRIATIONS FOR CONTINGENCIES:** A budgetary provision representing a portion of the financing uses set aside to meet unforeseen expenditure requirements.

**ASSIGNED FUND BALANCE:** That portion of the fund balance approved by the Board to reflect a government's intended use of resources that are neither restricted nor committed fund balance.

**AUDITOR-CONTROLLER SCHEDULES:** Provide summary and detailed countywide financing source and use information necessary to meet mandated State Controller requirements.

**BOND ANTICIPATION NOTES:** An interim financing instrument issued in anticipation of permanent long-term financing. BANs are issued by Joint Powers Authorities and Nonprofit Corporations as authorized by the California Government and Corporations Codes, respectively. Abbreviation: BANs

**BUDGET FISCAL YEAR:** Provides the current year's budgeted amounts as a yardstick for measuring the recommendations for next year's Recommended Budget. Reflects the Board-adopted budget, but does not incorporate any budget adjustments or changes that may occur during the year.

**BUDGET MESSAGE:** A general discussion of the Recommended Budget as presented in writing to the legislative body. The budget message contains an explanation of the principal budget items and their financial status at the time of the message.

**BUDGET SUMMARY SCHEDULES:** Provide summary and detailed information on financing sources/uses and budgeted positions.

**BUDGET UNIT:** The classification of expenditures and revenues into appropriately identified accounting or cost centers deemed necessary or desirable for control of financial operations. Unless provided by law, such units may be devised at the discretion of the Board.

**BUDGETED POSITIONS:** A unit of measure used to standardize positions with different bases (e.g., hours, months). All items are converted to full-time equivalent positions, which are represented as budgeted positions in departmental operations. A full-time equivalent represents one item working full time for one year; this facilitates analytical comparisons.

**CANCEL OBLIGATED FUND BALANCES:** An accounting transaction to release obligated fund balances to finance appropriations. Abbreviation: CANCEL OBLIGATED FD BAL

**CAPITAL ASSETS-BUILDINGS AND IMPROVEMENTS:** Expenditures for the acquisition of buildings and improvements. Abbreviation: CAPITAL ASSETS - B & I

**CAPITAL ASSETS-EQUIPMENT:** Expenditures for the acquisition of physical property of a permanent nature, other than land, buildings, and improvements.

**CAPITAL ASSETS-INFRASTRUCTURE:** Public domain capital assets such as roads, bridges, curbs and gutters, streets and sidewalks, drainage systems, lighting systems, and similar assets that are immovable and of value only to a government unit.

**CAPITAL ASSETS-LAND:** Expenditures for the acquisition of land.

**CAPITAL PROJECT:** Capital improvements to buildings that result in an increase of square footage, construction of new facilities, or the acquisition of land. Abbreviation: CAP PROJ

**CAPITAL PROJECTS/REFURBISHMENTS SCHEDULES:** A section in the Budget Detail Schedules (Volume 2) that provides a summary of the County's Capital Program and detailed information on each capital improvement and refurbishment project. Funds for these projects are appropriated in the Capital Projects/Refurbishments budget as capital assets-land and capital assets-buildings and improvements.

**CAPITAL PROJECT SPECIAL FUNDS:** Funds used to account for financial resources used for the acquisition or construction of major capital facilities (other than those financed by proprietary and trust funds). Examples are the General Facility Capital Improvement Fund and the Marina Replacement Accumulated Capital Outlay Fund.

**CHANGE FROM BUDGET:** The resulting variance when the Recommended Budget is compared to the current budget.

**COLLABORATIVE PROGRAM CHANGES (COLLABORATIVE PROGRAMS):** Reflects changes to the budget that are a result of County departments working together or with stakeholders to improve County programs or services.

**COMMITTED FUND BALANCE:** That portion of the fund balance to be used for specific purposes as determined by the Board through County ordinance or resolution. Committed fund balance may be changed or lifted only by the Board taking the same formal action that imposed the constraint originally. The underlying action by the Board needs to occur no later than the close of the fiscal year.

**CRITICAL ISSUES CHANGES (CRITICAL ISSUES):** Reflects changes to the budget that are significant in nature and are mandated by the State or federal governments.

**CURTAILMENT CHANGES (CURTAILMENTS):** Reflects reductions to the budget that are generally necessary to address projected funding reductions at either the federal, State, or local level.

**DEBT SERVICE FUND:** A fund used to account for the accumulation of resources to make payments of principal and interest on general obligation bonds and other long-term debt.

**DEPARTMENTAL PROGRAM SUMMARY:** Provides information such as the legal authority for the program, whether the program is mandated or discretionary, the description of the program and summary budget information reflecting the base budget.

**EFFICIENCY CHANGES (EFFICIENCIES):** Reflects changes to the budget that are the result of performing or functioning in a more effective manner.

**ENCUMBRANCES:** Resources committed for future expenditures as a result of unperformed (executory) contracts such as purchase orders and specific contracts for goods or services.

**ENTERPRISE FUNDS:** Funds used to account for those operations that are financed and run like commercial entities, where the intent is to recover the cost of providing ongoing services, primarily by user charges.

**ESTIMATED FISCAL YEAR:** Reflects estimated expenditures and financing sources for the entire current fiscal year.

**ESTIMATED TAX DELINQUENCIES:** The amount of estimated property taxes that will remain uncollected at the end of the fiscal year.

**EXPENDITURE:** The spending or disbursement of financial resources.

**EXPENDITURE DISTRIBUTION:** Transactions that constitute reimbursement for expenditures or expenses initially made from a fund or organization that are charged to another fund or organization. Abbreviation: EXPENDITURE DIST

**EXPENDITURE OBJECT:** A chart of accounts element that classifies expenditures into groups.

**FINANCING SOURCES:** Reflects the total resources (e.g., revenue, taxes, and fund balance available) utilized to finance expenditure needs.

**FINANCING USES:** Total needs requiring financing for the fiscal year.

**FISCAL YEAR:** A yearly accounting period, beginning on July 1 and lasting through June 30 of the next year, to which the annual operating budget applies. Fiscal years are designated by the calendar year in which they begin and end. Abbreviation: FY

**FUNCTION:** A group of related activities aimed at accomplishing a major service or regulatory program.

**FUND:** A separate fiscal and accounting entity with a self-balancing set of accounts recording financing sources, financing uses, assets, and liabilities.

**FUND BALANCE AVAILABLE:** That portion of the fund balance not obligated and therefore available for financing the budgetary requirements.

**GENERAL COUNTY:** A term referencing all General Fund operations, general obligation bond, other long-term debt service requirements, and Hospital Enterprise Fund operations.

**GENERAL FUND:** Fund used to account for all countywide operations except those required to be accounted for in another fund.

**GENERAL PURPOSE (DISCRETIONARY) REVENUE:** Monies that are not legally earmarked by the State or Federal Government for a specified program or use. Included in this category are sales and use taxes, business license and utility user taxes, and property taxes.

**GENERAL RESERVES:** A fund equity restriction to provide for legally declared emergency expenditures. Authorization from the Board is required to expend these monies. General Reserve is now classified as assigned fund balance.

**GOAL:** A long-term organizational target or direction. It states what the organization wants to accomplish or become over the next several years. Goals provide the direction for an organization and define the nature, scope, and relative priorities of all projects and activities. Everything the organization does should help it move toward attainment of one or more goals.

**INTERNAL SERVICE FUND:** Fund used to account for the financing of goods or services provided by one department or agency to other departments or agencies, or to other governments, on a cost-reimbursement basis.

**INTRAFUND TRANSFER:** An accounting mechanism used to reflect expenditure transfers between operations within the same fund, thereby identifying the true location of actual cost. For example, the cost of some data processing services is budgeted in the Internal Services Department. To the extent those services are rendered to other General Fund departments, the related costs are also transferred to the appropriate departmental budget units to more accurately reflect total operating expenditures. Abbreviation: IFT

**JOINT POWERS AUTHORITY:** A separate legal entity, authorized by the California Government Code, that is empowered to act on behalf of a governmental entity to acquire capital assets, utilizing long-term financing. Abbreviation: JPA

**MISSION STATEMENT:** A statement of organizational purpose.

**MODIFIED ACCRUAL BASIS OF ACCOUNTING:** The County's basis of accounting. Revenues are recognized when they become both measurable and available to finance expenditures. Expenditures are generally recognized when incurred, except for self-insurance, litigation, and employee benefits, which are accounted for on a cash basis.

**NET COUNTY COST:** The amount of the operation financed by general purpose revenues, such as property taxes. Abbreviation: NCC

**NEW/EXPANDED PROGRAMS:** Reflects changes to the budget for new programs or the expansion of existing programs.

**NONOPERATING EXPENSES:** Expenses that are not directly related to the fund's primary activities.

**NONOPERATING REVENUES:** Revenues that are not directly related to the fund's primary activities.

**NONPROFIT CORPORATION:** A separate legal entity authorized by the California Corporations Code, that is empowered to act on behalf of a governmental entity to acquire or construct capital assets, utilizing long-term financing. Abbreviation: NPC

**NONSPENDABLE FUND BALANCE:** That portion of the fund balance that cannot be spent because it is either (a) not in spendable form or (b) legally or contractually required to be maintained intact. The "not in spendable form" criterion includes items that are not expected to be converted to cash, such as inventories and long-term notes receivable.

**OBJECTIVE:** A measurable target that must be met on the way to implementing a strategy and attaining a goal.

**OBLIGATED FUND BALANCE:** Amounts that are unavailable for financing budgetary requirements in the budget year. This would include nonspendable, restricted, committed, and assigned fund balances.

**OPERATING BUDGET:** Reflects plans for expenditures and the means of financing them. The operating budget is the primary means that most financing of acquisitions, spending, and service delivery activities of the County is controlled.

**OTHER CHANGES:** Reflects changes such as: across-the-board salaries and employee benefits changes; accounting adjustments; ministerial appropriation, intrafund transfer, and revenue changes; and other changes that do not directly affect programs and service levels.

**OTHER CHARGES:** An object of expense that reflects costs not directly associated with the daily expenses of running an operation. Includes payments for California Work Opportunities and Responsibility to Kids (CalWORKs), In-Home Supportive Services (IHSS), General Relief, Foster Care, interest and principal charges, capital lease payments, payments to other governmental agencies, and judgments and/or settlements.

**OTHER FINANCING USES:** Operating transfers out from one governmental fund to another.

**OTHER PROPRIETARY FUNDS:** Funds to account for those governmental activities that are similar to those in the private sector (includes Enterprise Funds, other than Hospital Enterprise and Internal Service Funds).

**PROGRAM:** A combination of resources, personnel, materials, and facilities that are combined to provide a service for an identifiable group or target population to achieve a specified result.

**PROGRAM PRIORITIZATION:** The process of evaluating and ranking programs based upon program objectives, required resources, and effectiveness. The intent is to identify low-priority programs for possible reduction or elimination if funding is not available, and use the resulting savings to maintain or enhance high-priority programs.

**PROGRAM REALIGNMENT:** Transfer of program funding between the State and the counties to more accurately reflect responsibilities. Realigned programs include Mental Health, Indigent Health, Foster Care, Child Welfare Services, CalWORKs, IHSS, certain juvenile justice programs, and other miscellaneous programs. Revenues from increased vehicle license fees and sales taxes finance the increased County program responsibilities.

**QUALITY:** The degree that customers are satisfied with a program and/or compliance with accepted standards.

**RECOMMENDED BUDGET:** Upon approval by the Board, the recommendations of the Chief Executive Officer become the official Board proposals for appropriation and revenue for the next fiscal year. The Board normally approves the Recommended Budget in April. It may be amended following public budget hearings and Board deliberations anticipated in May and June, respectively.

**REFURBISHMENT:** A renovation of existing space that costs in excess of \$100,000. Refurbishments are characterized by an overall enhancement in space decor, functional design, configuration, etc., for the purpose of improving aesthetic image, operational efficiency, or staff productivity.

**REGULAR (EQUALIZED) ASSESSMENT ROLL:** The listing of the assessed values of all properties within the County as of January 1 of each year. The regular roll contains values for both secured (real) and unsecured (personal) properties.

**REQUESTED FISCAL YEAR:** Respective operation's official request for appropriation and financing sources to implement its stated objectives for the next fiscal year.

**RESTRICTED FUND BALANCE:** That portion of the fund balance based on constraints placed on their use that are either (a) externally imposed by creditors, grants, contributors, or laws and regulations of other governments or (b) imposed by law through constitutional provisions of enabling legislation. Restrictions may be effectively changed or lifted only by changing the condition of the constraint.

**REVENUE:** A source of income to an operation other than debt issue proceeds or the transfer from another fund.

**SALARIES AND EMPLOYEE BENEFITS:** An object of expense reflecting the County's costs for employee compensation. Includes salaries and wages, insurance (health, dental, life, and unemployment), workers' compensation, retirement, bonuses, overtime, flexible benefit plans, and deferred compensation plans.

**SERVICES AND SUPPLIES:** An object of expense reflecting the purchase of goods and services within the year.

**SPECIAL ASSESSMENTS:** Fees that are charged to property owners in certain geographical areas for public improvements. A fee is levied only to those property owners that receive a direct benefit.

**SPECIAL DISTRICT FUNDS:** Funded by specific taxes and assessments that provide public improvements and services to benefit targeted properties and residents. Examples are the Garbage Disposal Districts and Sewer Maintenance Districts.

**SPECIAL DISTRICTS:** An independent unit of local government established to perform a single specified service. The Special Districts listed in this document are governed by the Board.

**SPECIAL REVENUE FUNDS:** Funds used to account for the proceeds of specific revenue sources that are restricted in the way they may be spent.

**STRATEGIC PLAN:** The framework that outlines how the County will move in the direction defined by the County's Mission and Vision. The Plan describes the desired goals, strategies to accomplish the goals, and measurable objectives to accomplish each strategy.

**STRATEGY:** The means that the County intends to accomplish a goal as it moves to achieve outcomes or results. A strategy captures a defined intent across policies, programs, projects, actions, decisions, and resource allocations to achieve an outcome. A coherent collection of actions that have a reasonable expectation of improving outcomes.

**SUBVENTION:** A grant (usually from the State or Federal Government).

**SUPPLEMENTAL ROLL:** Property taxes generated pursuant to Senate Bill 813 (Chapter 498, Statutes of 1983), whereby changes to property taxes are made effective the date the property ownership title is transferred.

**TRANSFERS IN:** The transfers in of funding from one governmental fund to another. This increase in current financial resources is reported separately from revenue to avoid distorting revenue trends.

**TRANSFERS OUT:** All interfund transfers legally authorized from a fund receiving subsidy to the fund through which the resources are to be expended.

**UNMET NEEDS:** A department's critical unmet requirements not currently addressed in the budget.
