ANIMAL CARE AND CONTROL

FUNCTION PUBLIC PROTECTION	FUND GENERAL FUND		ACTIVITY OTHER PROTECTION			

The Department of Animal Care and Control (Department), operating under State law and County ordinance, creates safer, healthier communities through the enforcement of local and state laws relating to stray animals, animal abuse and neglect, dangerous dogs, rabies vaccination and licensing, and the rescue of animals during wildfires or other emergencies. The Department also provides compassionate sheltering and care for lost, abandoned, neglected and abused pets while seeking positive outcomes for those animals by reuniting lost pets with their families and through its adoption program and partnership with adopting organizations. The Department also offers public education programs, low cost spay and neuter surgeries, vaccination, and microchip services. The Department operates six animal shelters which have veterinary medical clinics as part of their operations. Department costs are partially offset by revenue from pet licenses, income from contract cities, and fees collected for animals in the shelters.

2014-15 ADOPTED BUDGET

The 2014-15 Adopted Budget reflects an overall net increase of 753.0 budgeted positions for the Department of Health Services (DHS) and includes funding for ongoing costs for existing programs and revenue-offset program expansions at the various County hospitals, health facilities, and central administration in order to achieve departmental priorities and other operational needs. The budget is fully funded with available resources.

The 2014-15 Adopted Budget also reflects a decrease in NCC, primarily due to a decrease in Vehicle License Fees – Realignment revenue, a decrease in the use of Tobacco Settlement funds, a decrease in one-time Community Partner program carryover claims and Clinic Capacity Expansion Program funding; partially offset by a one percent increase in the County's maintenance of effort as required by Assembly Bill 85 for the Affordable Care Act implementation. The Adopted Budget also reflects increases in the NCC transferred to the capital projects budget and to the Department of Public Social Services for the In-Home Supportive Services Provider Health Care Plan.

HOMELESS AND HOUSING PROGRAM

FUNCTION PUBLIC ASSISTANCE	FUND GENERAL FUND	ACTIVITY OTHER ASSISTANCE
-------------------------------	----------------------	------------------------------

The Homeless and Housing Program (HHP) was designed to prevent and reduce homelessness in Los Angeles County by using a regional and multi-dimensional approach to increase housing and supportive services for individuals, families, and youth. The HHP continued to implement specific programs in partnership with County departments, the Los Angeles Homeless Services Authority (LAHSA), Community Development Commission (CDC), and various cities. The program focused on preventing and reducing homelessness through the following six strategies: housing assistance to maintain permanent housing; discharge planning at hospital and jails; community capacity building with local housing developers and service providers; regional planning to develop housing resources and service networks; supportive services integration and linkages to housing; and innovative programs for the most vulnerable chronically homeless.

The 2014-15 Adopted Budget continues to provide funding for both one-time and ongoing homeless assistance programs focusing on preventing and reducing homelessness for individuals, families, and youth through various strategic initiatives and collaborations. The Adopted Budget reflects a net County cost decrease of \$8.1 million, primarily due to the elimination of one-time carryover funding and the transfer of HHP funding to Health Services and the implementation of the Single Adult Model program, as well as funding for various capital projects with the Community Development Commission.

2014-15 ADOPTED BUDGET

The 2014-15 Adopted Budget reflects a net County cost decrease of \$2.9 million, primarily due to the deletion of one-time funding for the email migration costs of seven departments, the upgrade of the water pumping system and controls at the Hall of Administration (HOA), the replacement of Private Branch eXchange (PBX) systems with Voice-over Internet Protocol (VoIP) for the most critical locations, power and sustainability improvements at the Downey Data Center, building maintenance workload, architectural and engineering fees associated with the new Disaster Recovery Data Center, and a reduction for the countywide Cost Allocation adjustment. These decreases are partially offset by the one-time funding provided in FY 2014-15 for email migration costs, server consolidation, expand power infrastructure in the Downey Data Center, funding for a settlement, and hybrid electric vehicle purchases, combination of one-time and on-going funding for building maintenance workload, and funding for salary cost-of-living increases as well as various centrally planned employee benefits. The Adopted Budget also reflects a net increase in gross appropriation of \$10.7 million and 35.0 positions in various reimbursable services provided to County departments and other agencies, such as computing services, custodial services, facilities operations services, and office of sustainability services.

“Partnering with clients, families and communities to create hope, wellness and recovery” is the vision adopted by the Department of Mental Health (DMH), its stakeholders, and community partners in the County’s public mental health system. DMH’s current strategic plan is designed to achieve this vision and guide the system’s mission “to enrich lives through partnerships designed to strengthen the community’s capacity to support recovery and resiliency for all clients and their families.” More specifically, DMH, through its directly operated and contracted agencies, aims to provide services and supports utilizing best practices that are client-centered, recovery-focused, well-integrated, clinically and culturally competent, and linguistically appropriate. These services and supports are provided in the least restrictive manner possible and include a focus on prevention and early intervention. They are tailored to help individuals achieve their personal goals, increase their ability for independence, and develop skills to lead the most constructive and satisfying life possible.

2014-15 ADOPTED BUDGET

The 2014-15 Adopted Budget provides the minimum net County cost needed to meet State Maintenance of Effort (MOE) requirements. Continued funding of the MOE allows the Department to receive ongoing Sales Tax Realignment funding. The budget reflects an \$8.1 million net County cost increase compared to the 2013-14 adjusted budget, primarily to fund increased Institute for Mental Disease beds designed to mitigate overcrowding in County hospital psychiatric emergency rooms, and for various program augmentations to treat and mitigate mental health issues for vulnerable homeless populations. The budget includes \$41.7 million in General Fund overmatch, which provides funding for County Hospitals' psychiatric emergency services decompression efforts, staffing for the Public Guardian's office, and funding for Institutions for Mental Disease Residential beds. The budget includes changes for the following programs: 1) State funding for the continued implementation of Mental Health Services Act plans, including Community Services and Supports, Prevention and Early Intervention, Workforce Education and Training, Information Technology, and Innovations, which will restructure the mental health delivery system with a commitment to outcomes, wellness and recovery, and an emphasis on underserved ethnic populations; 2) additional funding for State hospital bed cost increases; 3) continued implementation of mental health services to parolees and low-level offenders as part of the State's public safety realignment plan; 4) increases in federal Affordable Care Act-funded programs throughout the mental health service delivery system to support newly eligible populations; and 5) increases in the cost of various Board-approved salaries and employee benefits, primarily salary cost-of-living adjustments and retirement plan contributions.

2014-15 ADOPTED BUDGET

The 2014-15 Adopted Budget reflects estimates based on historical and economic forecasting data for various revenue sources. Economic growth and higher levels of consumer spending allowed for anticipated increases in deed transfer tax and sales and use tax revenues. Also reflected are decreases associated with the general County overhead charges assessed to County hospitals, hospital interest earnings, as well as the dissolution of the Huntington Municipal Water District.

NONDEPARTMENTAL SPECIAL ACCOUNTS

FUNCTION	FUND	ACTIVITY
GENERAL	GENERAL FUND	OTHER GENERAL

The Nondepartmental Special Accounts (NDSA) budget provides for special General Fund expenditures and revenues, which are not directly related to any single County department and, if included in any department's budget, would distort the true operating costs of that budget. The appropriation reflects charges for services of countywide benefit and for special contracts that are not related to any single department's main mission. Also included are interest expense and earnings associated with the Treasury Management Program.

The Lockyer-Isenberg Trial Court Funding Act (TCFA) of 1997 (Assembly Bill 233, Chapter 850, Statutes of 1997) provides long-term fiscal relief to counties by capping the counties' contribution for court operations. The TCFA requires counties to make an annual Maintenance of Effort (MOE) payment to the State for support of trial courts. The Trial Court Facilities Act (Senate Bill 1732, Chapter 1082, Statutes of 2002) authorized the transfer of responsibility for court facilities from the counties to the State and requires that counties make County Facilities Payment (CFP). This budget also provides funding for certain court-related expenditures such as indigent defense, local judicial benefits, and collection enhancement.

The equipment identified on this page reflects County equipment requirements to be financed through the Los Angeles County Capital Asset Leasing (LAC-CAL) Corporation in 2014-15. The Board has not allocated, reserved or otherwise set aside any funds in the County's 2014-15 Final Budget to purchase the equipment identified above.

It is officially the intention of the Board that the acquisition of such equipment be initially funded through the issuance of Bond Anticipation Notes (BANs) or another short-term financing mechanism. The BANs will be issued by LAC-CAL and purchased as an investment by the County Treasury Pool in an amount sufficient to acquire and deliver the identified equipment. Any such costs, which are initially funded by BANs, will be properly capitalized under general federal income tax principles.

Further, the Board expects the outstanding BANs to be redeemed and the County Treasury Pool to be reimbursed, through the issuance of taxable or tax-exempt, intermediate-term lease revenue bonds, certificates of participation, or through a lease with a third-party lessor. The amounts specified above represent the maximum principal amounts of such intermediate-term obligations to be issued for the specified equipment.

These official intentions of the Board with respect to the LAC-CAL Equipment Program have been specified in accordance with U.S. Treasury Regulation 1.150-2.

2014-15 ADOPTED BUDGET

The 2014-15 Adopted Budget reflects a \$9.2 million reduction primarily attributable to lower Obligated Fund Balance Committed for Program Expansion, lower General County Overhead, and lower Measure U funding due to completed projects. The reduction is partially offset by additional funding to restore Library service days and hours to the levels prior to the FY 2010-11 curtailments and increase in the books and materials budget.

This fund, established by the Board of Supervisors on September 15, 1991 to comply with the mandates of the California Integrated Waste Management Act of 1989 (AB 939), provides for the continual implementation of the Countywide Integrated Waste Management Summary Plan and the Countywide Siting Element; including the Development and implementation of countywide waste reduction programs. Fund requirements are primarily financed by the Integrated Waste Management Fee, franchise fees, conditional use permit compliance fees, and the imposition of a per-parcel service charge on real property in the unincorporated areas.

2014-15 ADOPTED BUDGET

The 2014-15 Final Adopted Budget reflects a \$6.3 million increase due to an increase in Provision for Obligated Fund Balance to finance the future expansion of the Solid Waste Management Program, including the expansion of the Household Hazardous and Electronic Waste Management Program, development of Smart Gardening Learning and Information Centers, and the Illegal Dumping Program. The increase is primarily offset by increases in Fund Balance Available, Cancel Obligated Fund Balance, and an increase in the commercial franchise fee approved by the Board of Supervisors on April 10, 2012, effective Fiscal Year 2014-15.

2014-15 ADOPTED BUDGET

The 2014-15 Adopted Budget reflects a \$29.9 million increase due to increases in Board-approved salaries and employee benefits; the addition of 13.0 positions as a result of the transfer of 51 Landscape Maintenance Districts from the Department of Parks and Recreation, 2.0 positions for the Management Fellows Program, and 1.0 position to administer high priority assignments/projects (funded with NCC in DPW-GF budget); administrative support services (overhead); and capital assets - equipment due to the purchase of vehicles and equipment to meet the operational needs of the department. The increase is primarily offset by increases in other charges for services and DPW - equipment transfer in - equipment revenues.

This fund consists primarily of appropriation and federal revenue, including Housing and Community Development Act funds required for the Commission's expenses related to housing and community revitalization. The 2014-15 Adopted Budget reflects a \$15.4 million decrease in funding primarily due to the completion of Homelessness projects, the timing of External County Construction projects, offset by new funding received for First Five program and increased activity in the HOME program.

Please note, the actuals submitted for Fiscal Year 2013-14 are pre-audit figures and are subject to change.

2014-15 ADOPTED BUDGET

This fund consists of appropriation and federal revenue primarily received from the Department of Housing and Urban Development (HUD) to fund Housing Authority expenses related to Conventional Housing, Modernization and Section 8 Housing Choice Voucher Rental Subsidy Programs. The 2014-15 Adopted Budget reflects a \$3.8 million increase from the Fiscal Year 2013-14 Adjusted Budget. The increase is primarily due to increased funding from CDBG and other sources for Public Housing Rehabilitation projects. In addition, the Housing Choice Voucher program is receiving additional funds from HUD due to a higher proration of funding offset by the prior year's use of reserves and near completion and closeout of Affordable Housing - COI projects.

Please note, the actuals submitted for Fiscal Year 2013-14 are pre-audit figures and are subject to change.

2014-15 ADOPTED BUDGET

The 2014-15 Adopted Budget reflects a \$7.3 million decrease primarily due to a decrease in Fund Balance Available. The Final Adopted Budget also reflects the transfer of operations and fund management of 51 Landscape Maintenance Districts from the Department of Parks and Recreation to Department of Public Works as approved by the Board on September 30, 2014.

REGIONAL PARK & OPEN SPACE DISTRICT SUMMARY

FUNCTION	FUND	ACTIVITY
RECREATION & CULTURAL SERVICES	VARIOUS	RECREATION FACILITIES

This District was established as a result of voters' approval of the Safe Neighborhood Parks Proposition on November 3, 1992, under the provisions of the Landscape and Lighting District Act of 1972 and Section 5506.9 of the Public Resources Code. The District provides for park, recreation and open space capital projects in unincorporated and incorporated areas of Los Angeles County, and is financed with special assessments. On November 5, 1996, the voters approved a second Safe Neighborhood Parks Proposition. This second Proposition levied an additional assessment within the District, amended the method of the assessment, and authorized expenditure of District revenues for any authorized purpose of the District.

2014-15 ADOPTED BUDGET

The 2014-15 Adopted Budget reflects a \$5.4 million decrease primarily due to a decrease in Cancel Obligated Fund Balance. The decrease is offset by decreases in the Other Charges and Services and Supplies due primarily to the transfer of jurisdiction of County Lighting Maintenance District 1616 and the detachment of the Palmdale Zone from County Lighting District Landscaping and Lighting Act-1 to the City of Palmdale effective July 1, 2014, as previously approved by the Board on August 27, 2013.

The Garbage Disposal Districts (GDD) provide garbage and disposal services within specified unincorporated areas of Los Angeles County. Funding is provided through the garbage collection and disposal service fee levied upon real properties in each of the GDD and a limited amount of ad valorem property taxes for six of the seven GDD.

FINAL COUNTY BUDGET
REFERENCE SCHEDULES TO
THE BUDGETARY FINANCIAL STATEMENTS
IN THE COMPREHENSIVE ANNUAL FINANCIAL REPORT
FISCAL YEAR ENDED JUNE 30, 2014

In addition to the Final County Budget, the County also prepares a Comprehensive Annual Financial Report (CAFR), which contains financial statements that have been prepared in accordance with generally accepted accounting principles. Included in the CAFR are budgetary financial statements which have been prepared for certain governmental fund types. Because of the large number of individual funds and budget units, the CAFR financial statements are presented on an aggregated basis to combine funds, also known as fund groups, which are similar in nature.

These reference schedules identify the name of the individual fund or budget unit that makes up the detail for each CAFR fund group at the expenditure level by function. The reference schedule columns are defined below.

- 2014-15 Final Budget Page Reference column represents the detailed budgeted schedules for each fund or budget unit as shown in the 2014-15 Final County Budget Book.
- Adopted Budget column represents the original budget adopted by the County Board of Supervisors as shown in the 2013-14 Final County Budget Book.
- Adjusted Budget column represents the final fiscal year 2013-14 budget as shown in the 2014-15 Final County Budget Book.
- Actual on the Budgetary Basis column represents the actual expenditures, including encumbrances, and the actual revenue as shown in the 2014-15 Final County Budget Book.

The information is presented to demonstrate the budgetary control for each individual fund or budget unit within the fund group for each Statement/Schedule of Revenue, Expenditures, and Changes in Fund Balances - Budget and Actual on a Budgetary Basis as shown in the CAFR.
