Special Revenue Funds

Special Revenue Funds

Services and programs provided by Special Revenue Funds are entirely financed by independent revenue sources which include State and federal subventions, property taxes, fines and forfeitures, fees, and other operating revenue.

Agricultural Commissioner - Vehicle A.C.O. Fund 2.12

This fund finances the replacement cost of vehicles utilized by the Department in the State-financed Pest Detection Program. The Department invoices the State for the depreciation of its existing vehicle fleet and the revenues are deposited into the fund. The 2013-14 Recommended Budget reflects the continuation of funding for replacement vehicles.

Air Quality Improvement Fund 2.13

This fund was established by Assembly Bill (AB) 2766, Chapter 1705, Statutes of 1990, for vehicle emissions reduction programs. The 2013-14 Recommended Budget reflects the continuation of the air pollution reduction programs.

Asset Development Implementation Fund 2.14

This fund provides for loans or grants to finance high priority capital projects that provide long-term benefits, cost savings, or opportunities to mitigate potential costs or liabilities. The 2013-14 Recommended Budget reflects an increase in fund balance due to the sales of capital assets and collection of loan repayments exceeding payments for high priority capital project expenditures.

Cable TV Franchise Fund 2.15

This fund finances cable-related activities and other programs, including telecasting the meetings of the Board of Supervisors (Board). The fund is financed by revenues generated from a 2.5 percent fee on the gross receipts of cable operators in the unincorporated areas of the County. The 2013-14 Recommended Budget reflects continued funding for various cable-related projects with an anticipated decrease in fund balance and receipt of revenue based on prior-years' experience.

Child Abuse and Neglect Prevention Program Fund 2.16

This fund finances programs for child abuse and neglect prevention services through contracts with private, non-profit organizations and public institutions of higher education with recognized expertise in fields related to child welfare. The program is financed through special fees collected for birth certificates. The 2013-14 Recommended Budget reflects an overall increase in total financing uses due to projected increases in revenue and anticipated fund balance.

Civic Art Special Fund 2.17

In December 2004, the Board adopted the Civic Art Policy which required that one percent of design and construction costs on new County capital projects and certain refurbishments be allocated to provide or finance civic art. The 2013-14 Recommended Budget reflects continued funding for implementation of identified civic art projects primarily from anticipated fund balance carryover, which is projected to decrease due to the completion of projects in the current year.

Civic Center Employee Parking Fund 2.18

This fund provides for the administration of the Board-approved Civic Center Employee Parking Program (CCEPP), which includes parking fees and a monetary incentive to encourage alternate means of transportation to and from work. The CCEPP meets all South Coast Air Quality Management District Rule 2202 requirements, and conforms to the Board's traffic mitigation policy approved on January 5, 1988. The 2013-14 Recommended Budget reflects funding necessary for the continuation of the traffic mitigation program.

Courthouse Construction Fund 2.19

This fund is authorized by Government Code Section 76219, restricted to construction of specified courts within the County, and is financed by parking violation fines and forfeitures, and penalty assessments on non-parking offenses. Senate Bill 256 became effective January 1, 2004, and requires the County to obtain the approval of the Administrative Director of the Courts prior to any future expenditure or encumbrance of funds from the Courthouse Construction Fund. The fund balance of the Courthouse Construction Fund, together with any interest earned, is required to support ongoing debt service in future years. The 2013-14 Recommended Budget reflects a reduction in fund balance due to payments of capital lease and debt service.

Criminal Justice Facilities Temporary Construction Fund 2.20

This fund is authorized by Government Code Section 76101 for the construction, expansion, improvement, operation, or maintenance of County criminal justice and court facilities and is financed by parking violation fines and forfeitures, and penalty assessments on non-parking offenses. The 2013-14 Recommended Budget reflects a decrease in fund balance due to the payment of justice related expenditures.

Dependency Court Facilities Program Fund 2.21

This fund provides for the debt service requirement of the Edmund D. Edelman Children's Court and is financed by a contribution from the Criminal Justice Facilities Temporary Construction Fund. The 2013-14 Recommended Budget reflects an increase in carryover fund balance as a result of interest earnings in fiscal year (FY) 2012-13 from the treasury pool. The debt service requirement of the Edmund D. Edelman Children's Court has been paid in full and the remaining fund balance will be transferred to the Criminal Justice Facilities Temporary Construction Fund.

Dispute Resolution Fund 2.22

The Dispute Resolution program provides for the operation of dispute resolution mediation centers which offer face-to-face mediation, telephone conciliations, and arbitrations as an alternative to the court system. The program is available to any County resident, business, or organization involved in a dispute. This fund is financed by a surcharge on certain civil court filings. The 2013-14 Recommended Budget reflects an overall decrease in available funding due to projected decreases in revenue and fund balance.

District Attorney - Asset Forfeiture Fund 2.23

This fund was established in 1995 in accordance with Section 11489 of the California Health and Safety Code and provides for the distribution of assets forfeited in connection with the violation of laws governing controlled substances. The 2013-14 Recommended Budget reflects a reduction in financing uses due to a projected decrease in fund balance available for the continuation of narcotics prosecution programs.

District Attorney - Drug Abuse/Gang Diversion Fund 2.24

This fund was established in 1995 in accordance with Section 11489 of the California Health and Safety Code for the purpose of funding programs designed to combat drug abuse and to divert youth from gang activity through the involvement of such groups as educators, parents, community-based organizations, local businesses, and uniformed law enforcement officers. The 2013-14 Recommended Budget reflects carryover of available fund balance.

DNA Identification Fund - Local Share 2.25

This fund was established on January 1, 2005 in accordance with Proposition 69 of 2004 to provide for reimbursement to eligible agencies for costs related to DNA sample collection and storage. The funding source is a \$1.00 penalty assessment for every \$10.00 or fraction thereof for traffic and criminal fines, penalties, or forfeitures levied and collected by the courts for criminal-related offenses. Based on the collection distribution requirements of Proposition 69, distributions to the County from total collections are: 30 percent for 2005 and 2006; 50 percent for 2007; and 75 percent for 2008 and thereafter. The remaining collections are to be submitted to the State. The 2013-14 Recommended Budget reflects a decrease in program funding for allowable activities due to decreases in fund balance and interest earnings.

Domestic Violence Program Fund 2.26

The Domestic Violence Shelter Based Program (DVSBP) provides victims of domestic violence with the opportunity to take charge of their own lives and gain independence by providing them shelter, transitional housing, food, clothing, transportation, case management, and individual and family counseling. The DVSBP is funded by a special assessment on marriage license fees through Senate Bill 1364, and a court fine assessed to domestic violence offenders through Assembly Bill 352. The 2013-14 Recommended Budget reflects a service reduction of \$39,000. Revenues from the fees and fines decreased in prior years, resulting in the depletion of the program's reserve funding. The service level must be reduced to align it with the revenue collections.

Fire Department Developer Fee Fund Summary 2.27

This fund was established by a resolution adopted by the Board on July 12, 1990 for the purpose of accumulating revenue collected to fund fire station facilities and related equipment costs. Fees generated within specific geographic areas are restricted for use within those areas. The Developer Fee Program is administered by the Fire Department and encompasses the Malibu/Santa Monica Mountains, the Santa Clarita Valley, and the Antelope Valley. The 2013-14 Recommended Budget reflects an increase in financing uses to carry out authorized activities due primarily to an anticipated increase in fund balance.

Fire Department Helicopter A.C.O. Fund 2.28

This fund, established by the Board in 1989 and administered by the Fire Department, accounts for Measure B funds that are used for the continuation of the Fire Department's Helicopter Replacement Program. The 2013-14 Recommended Budget reflects a reduction in financing uses primarily due to decreases in available fund balance and interest earnings.

Fish and Game Propagation Fund 2.29

This fund provides for the protection and propagation of fish and wildlife and is financed from the County's share of fines assessed for violations of State Fish and Game Regulations. The 2013-14 Recommended Budget reflects a reduction in financing resources due to an anticipated decrease in fund balance and revenues based on prior years' experience. Previous grants awarded include catfish stocking at various County lakes, fishing trips for underprivileged youth, and the installation of devices to feed and protect wildlife.

Ford Theatre Development Fund 2.30

This fund provides cultural programming at the John Anson Ford Amphitheatre, a 1,245-seat outdoor performance venue, and [Inside] the Ford, an 87-seat indoor theatre. The fund is primarily financed by revenue generated from facility rentals, concessions operations and event ticket sales. Other financial support is received through donations from the Ford Theatre Foundation and funding for special projects associated with the facility. The 2013-14 Recommended Budget reflects an overall decrease in available funding due to a projected exhaustion of fund balance and decrease in revenue.

Hazardous Waste Special Fund 2.31

This fund was established in 1988 to accumulate the proceeds from fines collected for violation of hazardous waste laws. In accordance with the California Health and Safety Code, Section 25192(a)(3), the use of these funds is restricted to fund hazardous waste enforcement activities. The 2013-14 Recommended Budget reflects an increase in financing uses due to an increase in available fund balance.

Health Care Self-Insurance Fund 2.32

This fund was established by the Board on September 15, 1992, which became effective on January 1, 1993, to provide non-represented employees with self-funded health plans that offer a variety of health care options. The 2013-14 Recommended Budget reflects increases in appropriation and revenue due to projected increases in health insurance premiums.

Health Services - Hospital Services Fund 2.33

This fund is used to reimburse private hospitals for emergency medical services provided to indigents in the County, through revenue from court fines and collections under: 1) Senate Bill (SB) 612, Chapter 1240, Statutes of 1987, as amended by Chapter 945, Statutes of 1988 and SB 623, Chapter 679, Statutes of 1999; and 2) SB 1773, Chapter 841, Statutes of 2006, as amended by SB 1236, Chapter 60, Statutes of 2008. The 2013-14 Recommended Budget reflects a decrease in program funding consistent with available revenues.

Health Services - Measure B Special Tax Fund 2.34

This fund, approved by voters in November 2002, provides revenue to support the countywide system of trauma centers, emergency medical services and bioterrorism response activities. The 2013-14 Recommended Budget reflects a decrease in program funding consistent with available resources.

Health Services - Physicians Services Fund 2.35

This fund is used to pay private physicians for emergency medical services provided to indigents in non-County settings, through revenue from court fines and collections under: 1) SB 612, Chapter 1240, Statutes of 1987, as amended by Chapter 945, Statutes of 1988, and SB 623, Chapter 679, Statutes of 1999; and 2) SB 1773, Chapter 841, Statutes of 2006, as amended by SB 1236, Chapter 60, Statutes of 2008. The 2013-14 Recommended Budget reflects a decrease in program funding consistent with available resources.

Health Services - Vehicle Replacement (EMS) Fund 2.36

The Emergency Medical Services (EMS) Vehicle Replacement Fund finances the replacement of ambulances and/or patient vans used for patient transportation services primarily between County hospitals and clinics. Capital Project Special Funds

Capital Project Special Funds

Capital Project Special Funds are used to account for financial resources used for the acquisition or construction of major capital facilities (other than those financed by proprietary and trust funds).

Del Valle A.C.O. Fund..... 3.3

This fund was established by Board order in 1987 to finance development of the Del Valle Firefighting Training Facility. The fund received revenues in FY 2011-12 primarily generated by transfers in from the Fire operating budget. The 2013-14 Recommended Budget reflects an anticipated decrease in available fund balance and a reduction in financing uses available to continue facility projects.

Electronic Health Record Information System (EHRIS) Fund 3.4

This fund was established in November 2012 to properly account for the expenditures of the development of the EHRIS and related capital projects that are funded through the issuance of tax-exempt commercial paper. The 2013-14 Recommended Budget reflects the appropriation and revenue necessary to fund the system, and development, design, and construction activities for Board-approved related EHRIS capital projects based on current project implementation schedules.

Gap Loan Capital Project Fund 3.5

This fund provides for grants to finance high priority capital projects that provide long-term benefits, cost savings, or opportunities and is financed pursuant to Section 10754.11 of the California Revenue and Taxation Code, known as the Vehicle License Fee (VLF) Law. The VLF Law, as amended, required the State to provide for the repayment to local agencies of redirected VLF revenue on or before August 15, 2006. In December 2004, the County issued Receivable Notes 2005 A and B to securitize the State's repayment obligation. Note proceeds were utilized to fund high priority capital projects. The 2013-14 Recommended Budget reflects a decrease in fund balance due to payment of high priority capital project expenditures.

General Facility Capital Improvement Fund 3.6

This fund was established in March 2010 to properly account for the expenditures of various general County capital projects funded through the issuance of tax-exempt commercial paper. The 2013-14 Recommended Budget reflects the appropriation and revenue necessary to fund development, design, and construction activities for Board-approved general County capital projects based on current project implementation schedules.

Health Facilities Capital Improvement Fund 3.7

This fund was established to properly account for the expenditures of high priority, health-related, capital projects and funded through the issuance of tax-exempt commercial paper. Each of the projects financed under this fund have been previously Board-approved. This fund was authorized by the Board on April 11, 2006. The 2013-14 Recommended Budget reflects the required appropriation and revenue necessary to fund development, design, and construction activities for Board-approved health capital projects based on current project implementation schedules. It also reflects a reduction in appropriation related to the issuance of long-term bonds to finance certain projects.

LAC+USC Replacement Fund 3.8

This fund was established to provide a single reporting entity to account for the receipt and disbursement of commercial paper, disaster assistance monies from the Governor's Office of Emergency Services and the Federal Emergency Management Agency, and other budgetary resources used to finance the capital project expenditures related to the design, development, and construction of a replacement hospital at the LAC+USC Medical Center. This replacement facility was completed and opened in 2008. The 2013-14 Recommended Budget reflects the final accounting of project expenditures.

Marina Replacement A.C.O. Fund 3.9

This fund provides for the improvement, repair, and replacement of Marina del Rey infrastructure. The 2013-14 Recommended Budget reflects a decrease in available financing primarily due to a decrease in available fund balance.

Park In-Lieu Fees A.C.O. Fund 3.10

County ordinance requires a residential developer to dedicate land or pay in-lieu fees, or a combination thereof, to be used for the purposes of local park acquisition, development, or rehabilitation. This fund was established as a method of retaining these in-lieu fees until their expenditure for the acquisition or development of specific park sites. The 2013-14 Recommended Budget reflects the use of fund balance and revenue to finance small rehabilitation projects and capital project expenditures budgeted in the General Fund.

Public Library A.C.O. Fund 3.11

This fund is administered by the Public Library to finance capital improvements and large equipment purchases. The 2013-14 Recommended Budget reflects an increase primarily due to cumulative Surplus City Library Tax funds for the Manhattan Beach Library Project.

Special District Funds

Special Districts

The following Special Districts provide a variety of specialized services to various locations throughout the County. They are financed by a combination of property taxes, benefit assessments, and user charges as a means of equitably distributing the costs of providing services to benefited properties and residents.

Fire Department/Fire Department A.C.O. Fund.....4.3, 4.5

These funds are administered by the Fire Department. The A.C.O fund provides funding for capital improvements including the replacement and construction of additional fire stations. The 2013-14 Recommended Budget reflects a reduction in financing uses for existing capital projects due to decreases in projected fund balance and revenues. For additional information on the budget, please refer to the Fire Department section in Volume One.

Parks and Recreation - Landscape Maintenance Districts and LLAD Summary 4.6

These districts are administered by the Department of Parks and Recreation. Landscape Maintenance Districts and Landscaping and Lighting Act Districts (LLAD) provide maintenance for landscaping on road medians, parkways, greenbelts, and other open space areas designated within the boundaries of the districts, for which maintenance easements have been granted to the County and for which property owners pay a benefit assessment. The 2013-14 Recommended Budget reflects a decrease in financing sources primarily due to a decrease in fund balance and benefit assessment revenue.

Parks and Recreation - Recreation and Park Districts and LLAD Summary..... 4.7

These districts are administered by Parks and Recreation. Recreation and Park Districts are special tax districts which receive ad valorem property taxes. These districts were formed under the provisions of Section 5780 et seq. of the Public Resources Code to make landscape improvements and provide for their continued maintenance. The 2013-14 Recommended Budget reflects a decrease in appropriation to fund development and maintenance of parkway panels, median strips, slopes, and open space areas mainly due to a decrease in fund balance.

Public Works - Flood Control District 4.8

This budget is administered by Public Works. For additional information, please refer to the Public Works section in Volume One.

Public Works - Garbage Disposal Districts Summary 4.10

The Garbage Disposal Districts (GDDs) provide garbage and disposal services within specified unincorporated areas of the County. Funding is provided through the garbage collection and disposal service fee levied upon real properties in each of the GDDs and a limited amount of ad valorem property taxes for six of the seven GDDs. The 2013-14 Recommended Budget reflects a \$1.0 million increase primarily attributable to additional provision for obligated fund balance set aside to minimize future fee increases to the residents and businesses of the GDDs.

Public Works - Other Special Districts Summary..... 4.11

Other Special Districts include the Antelope Valley Drainage Fee District, Drainage Special Assessment Areas, and Bridge and Major Thoroughfare Construction Fee Districts. These districts provide a variety of services including the construction, maintenance, and operation of flood control facilities; the construction of highway and bridge infrastructure; and the maintenance and operation services for drainage benefit assessment areas. The 2013-14 Recommended Budget reflects a \$551,000 decrease primarily due to a decrease in appropriations for contingencies and provides continued funding for services provided by each special district entity.

Public Works - Sewer Maintenance Districts Summary 4.12

These funds provide for the operation, construction, and/or upgrades of sewer systems for two sewer maintenance districts, one accumulative capital outlay fund, and nine tax zones. The primary source of revenue is the sewer service charge imposed on parcels of real property. The 2013-14 Recommended Budget reflects a \$2.9 million increase primarily attributable to rising operational costs and demands of increasingly stringent regulatory requirements.

Public Works - Special Road Districts Summary 4.13

These funds were established to provide street and highway maintenance improvements in the unincorporated areas of the County. Property taxes collected under the authority of the Street and Highway Code Section 1550 help finance construction and maintenance projects such as pavement widening; sidewalk work to prevent erosion; construction of concrete driveways, sidewalks, curbs, and gutters to improve drainage; and graffiti removal work. The 2013-14 Recommended Budget reflects a \$326,000 decrease primarily due to a decrease in fund balance available. The Recommended Budget includes a \$20,000 provision for obligated fund balance for unanticipated maintenance costs for the Quartz Hill Drain Project in Special Road District No. 5.

Public Works - Street Lighting Districts/LLAD Summary 4.14

These funds provide for the operation, maintenance, and repair of street lighting in various districts throughout the County. Funding is provided through property tax and benefit assessment collections. The 2013-14 Recommended Budget reflects a \$517,000 decrease primarily due to a decrease in fund balance

Regional Park and Open Space District Summary 4.15

On November 3, 1992, Los Angeles voters approved the Safe Neighborhood Parks Proposition, which established the Regional Park and Open Space District to fund the acquisition and development of park, recreation, and open space resources in the unincorporated and incorporated areas of the County through the collection of a benefit assessment on property. Subsequently, on November 5, 1996, the voters approved a second Safe Neighborhood Parks Proposition, which levied an additional assessment within the District, amended the method of the assessment, and authorized expenditure of excess District revenues for any authorized purpose of the District. In March 2007, the District issued Refunding Revenue Bonds Series 2007A, which was available for delivery on July 5, 2007, to refund the then outstanding 1997 Revenue Bonds, which allowed more assessments to be utilized for authorized purposes of the District. The 2013-14 Recommended Budget reflects funding for both County and other public agency park and beach capital projects, financed through the benefit assessment.

Other Proprietary Funds

Other Proprietary Funds

Other Proprietary Funds (Enterprise and Internal Service Funds) account for those governmental activities that are similar to those found in the private sector.

Internal Service Funds account for the financing, on a cost-reimbursement basis, of goods or services provided by one department or agency to other departments or agencies of the County or other governmental units.

Enterprise Funds account for operations providing goods or services to the general public that are recovered primarily through user charges.

Public Works - Aviation Capital Projects Fund 5.2

This fund provides financing for new construction improvements, projects, airport operations, maintenance and repairs at the County's five general airports. The main sources of revenue for this budget are State and federal revenue and operating transfers from the Aviation Enterprise Fund. The 2013-14 Recommended Budget reflects a \$1.7 million increase primarily due to the allocation of funding for construction of the following projects: Brackett Field Helipads, El Monte Airport Apron Pavement Rehabilitation, and Whiteman Airport Parking Apron. The Recommended Budget also includes \$3.9 million in provision for obligated fund balance to provide funding for the Terminal Relocation Project at Whiteman Airport, the Pump Station Project at Brackett Field, and the Water Connection Project at Fox Airfield.

Public Works - Aviation Enterprise Fund 5.3

This fund provides for the operation, maintenance, and repair of airport grounds, facilities, and equipment as well as the initiation and management of airport facility leases. This fund also provides for development and financing of County airport planning studies and improvement projects. The main sources of revenue for this fund are payments from the airport management contractor, and fuel and oil sales. The 2013-14 Recommended Budget reflects an \$877,000 increase primarily due to increases in federal and State grant revenues, partially offset by a reduction in fund balance.

Public Works - Internal Service Fund 5.4

This budget is administered by Public Works. For additional information, please refer to the Public Works section in Volume One.

Public Works - Waterworks Districts Summary 5.5

This fund provides funding for the construction, operation, and maintenance of the five operating Waterworks Districts and the Marina del Rey Water System. The 2013-14 Recommended Budget reflects a \$6.2 million increase primarily due to higher costs for purchased water, operation and maintenance, and water system improvement projects in several districts. These costs will be financed by the release of funds committed for water system improvements, and additional water sales revenue generated from rate increases in Waterworks District Nos. 29, 36, 37, and the Marina del Rey Water System.

Agency Fund

Agency Fund

The Community Development Commission (Commission) is responsible for the County's housing and community development programs and services, including distribution of the Urban County Community Block Grant funds, administration of County redevelopment projects and management of a variety of housing programs.

Services are funded through federal grant allocations and program income. These services include low- and moderate-income housing development and rehabilitation in unincorporated areas of the County and participating cities; community revitalization and loan assistance for small businesses; maintenance, management, and security of conventional public housing; and subsidies for privately owned rental units (Section 8) in unincorporated areas and cities.

Consistent with past practices, the Commission is submitting its detailed budget recommendations to the Board under separate cover. The final County budget will be updated to reflect the revised final estimates contained in the Commission's detailed submission.

Community Development Commission Fund 6.2

This fund consists primarily of appropriation and federal revenue, including Housing and Community Development Act funds required for the Commission's expenses related to housing, redevelopment and community revitalization. The 2013-14 Recommended Budget reflects an increase of \$1.9 million primarily due to new programs absorbed by the Commission for First Five and Traffic Violator School Court Administration.

Housing Authority Fund 6.3

This fund consists of appropriation and federal revenue primarily received from the Department of Housing and Urban Development to fund Housing Authority expenses related to Conventional Housing, Modernization and Section 8 Housing Choice Voucher Rental Subsidy programs. The 2013-14 Recommended Budget reflects a \$8.3 million decrease primarily related to a decrease in federal funding for Public Housing, Section 8 Housing Assistance Program/Administration and Capital Fund programs due to an 8.2% sequestration anticipated for FY 2013-14.

The equipment identified on this page reflects County equipment requirements to be financed through the Los Angeles County Capital Asset Leasing (LAC-CAL) Corporation in 2013-14. The Board has not allocated, reserved or otherwise set aside any funds in the County's 2013-14 Recommended Budget to purchase the equipment identified above.

It is officially the intention of the Board that the acquisition of such equipment be initially funded through the issuance of Bond Anticipation Notes (BANs) or another short-term financing mechanism. The BANs will be issued by LAC-CAL and purchased as an investment by the County Treasury Pool in an amount sufficient to acquire and deliver the identified equipment. Any such costs, which are initially funded by BANs, will be properly capitalized under general federal income tax principles.

Further, the Board expects the outstanding BANs to be redeemed and the County Treasury Pool to be reimbursed, through the issuance of taxable or tax-exempt, intermediate-term lease revenue bonds, certificates of participation, or through a lease with a third-party lessor. The amounts specified above represent the maximum principal amounts of such intermediate-term obligations to be issued for the specified equipment.

These official intentions of the Board with respect to the LAC-CAL Equipment Program have been specified in accordance with U.S. Treasury Regulation 1.150-2.

REGIONAL PARK & OPEN SPACE DISTRICT SUMMARY

FUNCTION	FUND	ACTIVITY
RECREATION & CULTURAL SERVICES	VARIOUS	RECREATION FACILITIES

This District was established as a result of voters' approval of the Safe Neighborhood Parks Proposition on November 3, 1992, under the provisions of the Landscape and Lighting District Act of 1972 and Section 5506.9 of the Public Resources Code. The District provides for park, recreation and open space capital projects in unincorporated and incorporated areas of Los Angeles County, and is financed with special assessments. On November 5, 1996, the voters approved a second Safe Neighborhood Parks Proposition. This second Proposition levied an additional assessment within the District, amended the method of the assessment, and authorized expenditure of District revenues for any authorized purpose of the District.
