

# **Los Angeles County FY 2001-2002 Final Budget**

The Chief Administrative Officer's recommended final changes to the 2001-02 proposed county budget were adopted by the Board of Supervisors by unanimous vote on June 25, 2001 with the exception of item numbers one and three on page one of attachment one. The CAO asked that these items, which would have added several positions to his office, be deleted.
