ARTICLE 1      PURPOSE

It is the purpose of this Memorandum of Understanding to promote and provide for harmonious relations, cooperation, and understanding between Management and the employees covered herein; to provide an orderly and equitable means of resolving any misunderstandings or differences which may arise, under this Memorandum of Understanding; and to set forth the full and entire understanding of the parties reached as a result of good faith negotiations regarding the wages, hours, and other terms and conditions of employment of the employees covered hereby, which understanding the parties intend jointly to submit and recommend for approval and implementation to County's Board of Supervisors.

ARTICLE 2        RECOGNITION

Pursuant to the provisions of the Employee Relations Ordinance of the County of Los Angeles and applicable State law, Joint Council of Los Angeles County Employees Association, Local 660 and Social Services Union, Local 535, was certified on May 26, 1970 by County's Employee Relations Commission (Employee Relations Commission File No. 27-70) as the majority representative of County employees in the Supervisory Social Services Employees Representation Unit (hereinafter "Unit") previously found to be appropriate by said Employee Relations Commission. On June 21, 1991, the County's Employee Relations Commission divided the Unit into two (2) separate bargaining units (Um 3-91), and on July 19, 1991, the Commission amended this certification and certified the Social Services Union, Local 535 as the majority representative of this unit. The Los Angeles County Employee Relations Commission adopted an Amendment of Certification on February 26, 2007, transferring representational responsibilities to SEIU Local 721 for bargaining units formerly represented by SEIU Local 660 and SEIU Local 535.

Management hereby recognizes SEIU Local 721 as the certified majority representative of the employees in said unit. The term "employee" or "employees" as used herein shall refer only to employees employed by the County in said Unit in the classifications listed in the Salaries Article, as well as such classes as may be added hereafter by the Employee Relations Commission.

Section 2.            Exclusive Recognition

Management agrees to recognize SEIU Local 721 as the exclusive representative of the employees in said Unit when County rules, regulations or laws are amended and SEIU Local 721, has shown it has met the requirements of any such new rules.

ARTICLE 3            IMPLEMENTATION

This Memorandum of Understanding constitutes a mutual recommendation to be jointly submitted to County's Board of Supervisors. It is agreed that this Memorandum of Understanding shall not be binding upon the parties unless and until said Board of Supervisors:

- A.     Acts, by majority vote, formally to approve said Memorandum of Understanding;
- B.     Enacts necessary amendments to all County ordinances, including the Los Angeles County Code, required to implement the full provisions hereof; and
- C.     Acts to appropriate the necessary funds required to implement the provisions of this Memorandum of Understanding which require funding.

Implementation shall be effective as of the date approved by the Board of Supervisors. If the parties do not mutually agree to implement appropriate provisions of this Memorandum not requiring approval by the Board of Supervisors, then negotiations shall resume upon the request of either party.

Upon request, a copy of the decision will be given to the Union representative.
- C. If the Department Head or his/her designated representative fails to give a decision within the specified time limit, the Union shall have the option of referring a grievance alleging a violation of the negotiated agreement between the parties to arbitration.

- D. On matters that are not subject to arbitration pursuant to Section 8 hereafter, the written decision of the Department Head or his/her designated representative shall be final.

Section 8.            Arbitration

1. Within thirty (30) business days from the receipt of the written decision of the Department Head, or his/her designated representative, SEIU Local 721, may request that the grievance be submitted to arbitration as provided for hereinafter.
2. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:
  - A. The interpretation, application, merits or legality of any state or local law or ordinance, including specifically all ordinances adopted by County's Board of Supervisors; unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.
  - B. The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established procedures or processes by which employees or employee organizations may appeal to,

or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, and discrimination.

- C. The interpretation, application, merits or legality of the rules or regulations of the Department Head, the Chief Executive Office, or any other County Department, agency, or commission, unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.
  - D. Grievances on competent or better performance evaluations which do not meet the guidelines set forth at the Employee Relations Commission meeting of December 19, 1986. Management shall notify the Union within fifteen (15) business days prior to hearing if it intends to argue arbitrability. Both parties reserve the right to challenge a Commission decision in other forums.
3. In the event SEIU Local 721 desires to request that a grievance, which meets the requirement of Paragraph 2 hereof, be submitted to arbitration, it shall within the time requirements set forth above send a written request to County's Employee Relations Commission, with a copy thereof simultaneously transmitted to County's Chief Executive Officer and to the County Department Head or Officer affected. The written request shall set forth the specific issue or issues still unresolved through the grievance procedure and which are to be submitted to arbitration.

If the parties cannot agree on an arbitrator, they shall notify the Employee Relations Commission and request that they provide the parties with a list of five names from which the parties will attempt to mutually select an arbitrator. If the parties cannot mutually agree upon an arbitrator from the lists of arbitrators provided by the Employee Relations Commission, they will select an arbitrator through an alternate striking of names from that list. The party to strike the first name will be determined by chance.
5. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. Arbitration hereunder shall be conducted in accordance with applicable rules and procedures adopted or specified by County's Employee Relations Commission, unless the parties hereto mutually agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the parties involved, it being understood and agreed that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party involved.

6. Prior to a hearing by an arbitrator, a representative of the County and the Union shall meet and prepare a submission statement setting forth the issue(s) to be determined which shall be submitted to the arbitrator. In the event the County and the Union cannot jointly agree on a submission statement, then at the hearing, each party shall present to the arbitrator, its own submission statement in which case the arbitrator shall determine the issue(s) to be resolved.
7. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.
8. The decision of the arbitrator shall be binding upon the Union. To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County. If within sixty (60) days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever. The Union may then resort to a court of competent jurisdiction to pursue whatever other legal remedies are available to it under the provisions of this Memorandum of Understanding.

9. A written decision of an arbitrator resulting from the arbitration of a grievance under the following Articles shall be entirely advisory in nature and shall not be binding upon any of the parties:

ARTICLE 12      GRIEVANCE MEDIATION

1. This procedure is an alternate dispute resolution and does not supersede the provision of Article 11, Grievance Procedure.
2. Only those grievances which meet the requirements for submission to arbitration pursuant to Article 11, Section 8, can be submitted to grievance mediation. Both Local 721 and Management must mutually agree to submit a qualifying grievance to grievance mediation.

It is the intent of the parties that the grievance mediation session shall begin as soon as practicable consistent with the mediator's schedule.
4. The parties agree that no stenographic record of the session will be made, there will be no representation by Counsel, and there will be no pre- or post-hearing briefs filed.
5. The mediator's role shall be to assist the parties to reach an agreement. The mediator shall not have authority to impose a settlement on the parties. Any final settlement of the grievance shall be reduced to writing and signed by Management, Local 721, and the grievant. The final agreement shall be binding on all parties. Final agreements reached by the parties shall not be published or precedent setting in any other dispute.

6. The mediator may provide the parties with a private, informal, non-binding assessment of the procedural and substantive merits of the dispute, and how an arbitrator may likely decide the grievance.
7. All mediation sessions shall be confidential. The content of the mediation proceedings including, but not limited to, settlement proposal or any concessions agreed to or offered during mediation shall not be admissible in an arbitration of this grievance or any other similar dispute.
8. The parties agree that the provisions of this Article shall not be subject to arbitration.

ARTICLE 13      GRIEVANCES - GENERAL IN CHARACTER

In order to provide an effective mechanism whereby disagreements between SEIU Local 721 and Management concerning the interpretation or application of any of the provisions of this Memorandum of Understanding affecting the rights of the parties or the working conditions of a significantly large number of employees in the unit may be effectively resolved, the following procedures are agreed upon:

- A. Where SEIU Local 721, has reason to believe that Management is not correctly interpreting or applying any of the provisions of this Memorandum of Understanding, SEIU Local 721, may request in writing that a meeting be held with the authorized representatives of the County who have authority to make effective recommendations for the resolution of the matter with copies to the Department Heads involved and to the Chief Executive Officer. Such written request shall be submitted within thirty (30) business days from the occurrence of the matter on which a complaint is based or within thirty (30) business days from the knowledge of such occurrence and shall set forth in detail the facts giving rise to the request for the meeting and shall set forth the proposed resolution sought.

Within ten (10) business days of receipt of the request for such a meeting, the parties will meet for the purpose of discussing and attempting to resolve the disagreement.

- B. Within ten (10) business days of such meeting, and in the event the matter is not satisfactorily resolved, SEIU Local 721, shall have the right to meet with the principal representative(s) of the County who have the authority to resolve the matter. For purposes of this provision, Management's principal representative(s) shall mean the County Department Heads who have authority to resolve the matter or their authorized representatives, including the Chief Executive Officer or his/her authorized representative.
- C. Within ten (10) business days after the meeting, Management's principal representative(s) shall respond to SEIU Local 721, in writing, setting forth Management's decision and reasons, therefore.
- D. Within ten (10) business days from receipt of Management's written decision, if the matter is not satisfactorily resolved, and if the disagreement meets the requirements of Section 8, Subsection 2 of Article 11 the disagreement may be submitted to arbitration in accordance with the provisions of Section 8 of Article 11 of this Memorandum of Understanding.

It is further understood that this Article is not intended as a substitute or alternative for the grievance procedures set forth in Article 11 of this Memorandum of Understanding. Instead, this article is intended to provide a procedure to resolve disagreements affecting the rights of the parties or disagreements arising from the application of the terms of this Memorandum of Understanding affecting the working conditions of a significantly large number of employees in the unit, as distinguished from the rights of individual employees. Accordingly, the parties agree that the procedures set forth herein shall not be implemented where the dispute or complaint involved is or could be effectively brought by an employee or employees, and otherwise processed through the grievance procedures set forth in Article 11 hereof.

ARTICLE 14      EXPEDITED ARBITRATION

1. This is an alternate to the procedure set forth in Section 8, Arbitration, of Article 11, Grievance Procedure and will only be utilized upon mutual written agreement of the parties.
2. A joint submission statement setting forth the issue(s) to be determined will be prepared prior to the hearing by an arbitrator. If the parties cannot agree to a submission statement, the expedited arbitration procedure will not be utilized.
3. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:
  - A. The interpretation, application, merits, or legality of any state or local law or ordinance, including specifically all ordinances adopted by County's Board of Supervisors; unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.
  - B. The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established procedures

or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, and discrimination.

- C. The interpretation, application, merits or legality of the rules or regulations of the Department Head, the Chief Executive Office, or any other County department, agency or commission, unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.
- 4. It is agreed that representatives of the Chief Executive Office, Employee Relations Division, and SEIU Local 721, will meet and attempt to implement the procedure within sixty (60) business days from the implementation date of this Memorandum of Understanding.
  - 5. The parties shall select an arbitrator from the panel of arbitrators previously agreed to by the parties and established for the purpose of conducting expedited arbitration proceedings:
    - A. The arbitrator will be compensated at the contracted for flat daily rate. The cost of the arbitrator shall be borne equally by the parties. In addition, each party shall pay for all fees and expenses incurred by that party on its behalf, including but not limited to witness fees.

- B. The parties agree that 1) no stenographic record of the hearing will be made, 2) there will be no representation by counsel except for in-house staff counsel and 3) there will be no post hearing briefs.
6. The arbitrator selected shall hear the grievance(s) within ten (10) working days of his/her selection and may hear multiple cases during the course of the day. However, six (6) hours of hearings will constitute one day.
7. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved.
8. The arbitrator shall issue a "bench" decision at the conclusion of the parties' testimony. Only by mutual agreement of the parties and the arbitrator will a written decision be issued.
9. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.
10. The decision of the arbitrator shall be binding upon the Union. To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County.

If within sixty (60) days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever.

Remittance of the aggregate amount of all dues and other proper deductions made from the salaries of employees covered hereunder shall be made to the Union by Management within thirty (30) working days after the conclusion of the month in which said dues and deductions were deducted.

Section 2.            Agency Shop Defined

It is mutually agreed by the parties that the term “agency shop” means that every employee represented by this Unit shall, as a condition of continued employment, either join the certified majority representative organization, or pay the organization a Fair Share Fee equal to Union dues or pay an Agency Shop Fee; or pay a sum equal to the Agency Shop Fee to a non-religious, and non-labor charitable fund exempt from taxation under Section 501(c)(3) of the Internal Revenue Service Code.

Section 3.            Religious Objections

Any employee who is a member of a bona fide religion, body, or sect who has historically held conscientious objections to joining or financially supporting public employee organizations, shall not be required to join or financially support the Union. Such employee shall, in lieu of periodic dues or Fair Share Fees, pay sums equal to Agency Shop Fees to a non-religious, and non-labor charitable fund exempt from taxation under Section 501(c)(3) of the Internal Revenue Service Code. Such sums shall be paid through payroll deduction to eligible charitable agencies available through the Los Angeles County Charitable Giving Program.

Section 4.            Agency Shop

It is mutually agreed by the parties that this Unit is an agency shop Unit. It is the intent of the parties that the agency shop provisions in the Memorandum of Understanding comply with applicable state law (Government Code Section 3502.5).

Section 5.            Rescission

It is mutually agreed by the parties that the agency shop provisions in this Memorandum of Understanding may be rescinded by a majority vote of all the employees represented by this Unit, under procedures established by the Employee Relations Commission. In the event such agency shop provisions are rescinded, then the procedures as described in Section 1 and 6 shall prevail. There can only be one election during the term of this Memorandum of Understanding.

Any employees in this unit who have authorized Union dues deductions on the effective date of this Memorandum of Understanding or at any time subsequent to the effective date of this Memorandum of Understanding shall continue to have such dues deduction made by the County during the term of this Memorandum of Understanding; provided, however, that any employee in the Unit may terminate such Union dues during the twenty-one day period preceding the employee's date of hire anniversary within the last twelve months of this Memorandum of Understanding, by notifying the Union of their termination of Union dues deduction. Such notification shall be by certified mail and should be in the form of a letter containing the following information: employee name, employee number, job classification, department name and name of Union from which dues deductions are to be cancelled. The union will inform a member of his/her dues termination period upon request. The Union will provide the County's Auditor-Controller with the appropriate documentation to process these dues cancellations within ten (10) business days after the close of the withdrawal period.

Section 7.            Union Responsibilities - Hudson Notice

The Union agrees to provide notice and maintain constitutionally acceptable procedures to enable non-member agency shop fee payers to meaningfully challenge the propriety of the use of agency shop fees as provided for in *Chicago Teachers Union, Local No. 1, AFT, AFL-CIO et al. v. Any employee hired by the County subject to this Memorandum of Understanding on or after the date of implementation of this Article, shall be provided, through the employee's department, with a notice advising that the County has entered into an Agency Shop agreement with the Union and that all employees subject to the Memorandum of Understanding must either join the Union; pay a Fair Share Fee equal to Union dues; or pay an Agency Shop Fee to the Union; or execute a written declaration claiming a religious exemption from this requirement. Such notice shall include a payroll deduction authorization form for the employee's signature authorizing payroll deduction of Union dues, Fair Share Fees, Agency Shop Fees or execution of a written declaration claiming a religious exemption from this requirement. Said employee shall have thirty (30) working days following the initial date of employment to fully execute the authorization form of his/her choice and return said form to the Union or departmental payroll office. If the form is not completed and returned within thirty (30) working days, the County Auditor shall commence and continue a payroll deduction of a Fair Share Fee equal to Union dues from the regular pay warrants of such employee.

The effective date of deducting Union dues, Fair Share Fees, Agency Shop Fees, or charitable contributions shall be the first pay period following thirty (30) working days of employment or the pay period this Article becomes implemented for current employees, whichever is later.

Section 9.            List of New Employees/Separations

The County will furnish the Union with a semi-monthly list of employees/separations. The list shall contain the name, employee number, item step, salary rate, classification, title, item number, item sub, department, work location, latest hire date, job appointment date, work phone number, home phone number and home address of all employees who covered by this Memorandum of Understanding. This Article shall be subject to advisory arbitration.

ARTICLE 17      MANAGEMENT RIGHTS

It is the exclusive right of the County to determine the mission of each of its constituent departments, boards, and commissions, set standards of services to be offered to the public, and exercise control and discretion over its organization and operations. It is also the exclusive right of the County to direct its employees, take disciplinary action for proper cause, relieve its employees from duty because of lack of work or for other legitimate reasons, determine the methods, means and personnel by which the County's operations are to be conducted, to reorganize any county department during the term of this agreement; however, Management shall at the earliest time possible meet and confer with the Union on the impact of any decision to reorganize when such issues are not covered by Civil Service rules or Memoranda of Understanding; provided, however, that the exercise of such rights does not preclude employees or their representatives from conferring or raising grievances about the practical consequences that decisions on these matters may have on wages, hours and other terms and conditions of employment.

ARTICLE 18      FULL UNDERSTANDING, MODIFICATIONS, WAIVERSection 1.

It is intended that this Memorandum of Understanding sets forth the full and entire understanding of the parties regarding the matters set forth herein, and any other prior or existing understanding or agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded or terminated in their entirety. It is agreed and understood that each party hereto voluntarily and unqualifiedly waives its right, and agrees that the other shall not be required, to negotiate with respect to any subject or matter covered herein.

With respect to other matters within the scope of negotiations, negotiations may be required during the term of this agreement as provided in Section 2 of this Article.

Section 2.

It is understood and agreed that the provisions of this Section are intended to apply only to matters which are not specifically covered in this agreement.

It is recognized that during the term of this agreement it may be necessary for Management to make changes in rules or procedures affecting the employees in the Unit.

Where Management finds it necessary to make such change it shall notify the Union indicating the proposed change prior to its implementation.

Where such change would significantly affect the working conditions of a significantly large number of employees in the Unit; where the subject matter of the change is subject to negotiations pursuant to the Employee Relations Ordinance and where the Union requests to negotiate with Management, the parties shall expeditiously undertake negotiations regarding the effect the change would have on the employees in the Unit.

The phrase "significantly large number" shall mean (a) a majority of the employees in the Unit, (b) all the employees within a department in the Unit, or (c) all of the employees within a readily identifiable occupation such as Stenographer or Truck Driver.

Any agreement, resulting from such negotiations shall be executed in writing by all parties hereto, and if required, approved and implemented by County's Board of Supervisors. If the parties are in disagreement as to whether any proposed change is within the scope of negotiations, such disagreement may be submitted to the Employee Relations Commission for resolution.

In the event negotiations on the proposed change are undertaken, any impasse which arises may be submitted as an impasse to the Employee Relations Commission.

Section 3.

Nothing herein shall limit the authority of Management to make necessary changes required during emergencies. However, Management shall notify the Union of such changes as soon as practicable. Such emergency assignments shall not extend beyond the period of the emergency. "Emergency" is defined as an unforeseen circumstance requiring immediate implementation of the change.

Section 4.

Where Management makes any changes in working conditions because of the requirements of law, including ordinances adopted by the Board of Supervisors, the County shall not be required to negotiate the matter or manner of compliance with such law where the manner of compliance is specified by such law.

Section 5.

The waiver of any breach, term or condition of this Memorandum of Understanding by either party shall not constitute a precedent in the future enforcement of all its terms and provisions.

Section 6.

The County will advise SEIU Local 721 when there is a need to utilize DSW workers and share centralized recruitment communications for departmental personnel. In addition, when feasible, County will make every effort to provide Union with the ability to consult over communications.

ARTICLE 19      PROVISIONS OF LAW

It is understood and agreed that this Memorandum of Understanding is subject to all current and future applicable Federal, State and County laws; Federal and State regulations; the Charter of the County of Los Angeles, and any lawful rules and regulations enacted by County's Civil Service Commission, Employee Relations Commission, or similar independent commissions of the County. If any part or provision of this Memorandum of Understanding is in conflict or inconsistent with such applicable laws, rules or regulations, or is otherwise held to be invalid or unenforceable by any tribunal of competent jurisdiction, such part or provision shall be suspended and superseded by such applicable law, regulations, or rules, and the remainder of this Memorandum of Understanding shall not be affected thereby.

## ARTICLE 20            CONTRACTING OUT AND CONTRACTING IN

### Section 1.    Los Angeles County-SEIU 721 Contracting-in Committee

The County and the Union shall form a joint labor management committee to discuss minimizing the contracting out of work needed for the County, and to discuss steps to contract-in for this needed work. The Committee shall engage in discussions to:

- Explore establishing workload forecasting by County departments;
- Examine barriers that have previously led to contracting out, such as hiring challenges, and identify solutions to eliminate those barriers;
- Identify opportunities for contracting-in;
- Explore what specific positions can be brought in-house and a potential target timeframe to do so for each of these positions;
- Address other issues or topics as mutually agreed to.

The Committee shall be comprised of six (6) Union representatives and six (6) County representatives. The Committee shall meet as frequently as needed and work release time is to be provided subject to operational needs. Release time for each member shall be limited to no more than 16 hours per month unless otherwise mutually agreed to.

### Section 2.    Contracting Out

If the County desires to contract out Proposition A services that have been historically or traditionally performed by Union-represented employees, the County shall notify the Union and the Los Angeles County-SEIU 721 Contracting-In Committee no later than thirty (30) days prior to issuance of any invitation to bid, request for statement of qualifications, request for proposal, grant for services, or amendment to or extension of an existing contract, whichever comes sooner. If SEIU 721 timely demands to bargain over such proposed contract for services, the County shall thereafter comply with any duty to bargain

and/or participate in applicable impasse resolution procedures required by the Meyers-Milias-Brown Act.

In the event the County enters into any agreement with another public employer or private entity which involves the transfer of functions now being performed by employees in this representation Unit or the law provides for the transfer of functions now being performed by employees in this Unit to another public or private agency, the County will advise such public or private entity of the existence and terms of this Memorandum of Understanding and will immediately advise the Union of such agreement or law. In addition, the County will consult with the employer absorbing a County function to encourage utilization of affected employees by the new employer.

Prior to the release of a Request for Proposal (RFP), the Department shall provide a copy of the RFP to SEIU Local 721 and, in coordination with the Chief Executive Office Employee Relations Division, offer to meet and consult with the Union within fifteen (15) business days. Additionally, prior to the release of any Government Code Section 31000.4 and Proposition A contract RFP, the parties agree to jointly review and consult on said contracts. The review will include, but is not limited to, the cost savings, service delivery, and the quality control aspects of the recommended contract(s).

When advance knowledge of the impact of pending changes in function, organization, or operations is available which will result in the abolishment of positions or when there is any major reassignment of functions from one department to another or to another agency, Management will make an intensive effort to either reassign or transfer affected employees to other positions for which they qualify, or train affected employees for new positions in order to retain their services.

### Section 3. Contracting-in

#### A. Pilot Projects

The County will implement the insourcing pilot projects identified in the Workforce Development Strategies 2018 report. The CEO will provide the Union with regular status updates.

The County recognizes the value of using County employees even for temporary assignments. The County has established the TempLA Temporary Services Registry pilot project. The County will provide the union with regular status updates of the pilot. Upon conclusion of the pilot, the County will meet with the Union to explore its efficacy and expansion.

B. Review and Develop for Consideration a Plan to Contract-In

In conjunction with findings of the Contracting-in Committee and in accordance with the July 16, 2019 BOS directive, the County will review and develop a 3-year phased-in plan for bringing positions in-house, including the identification of barriers for doing so, and develop preliminary recommendations to address these barriers; and examine potential multi-year funding strategies, if any, to address any incremental cost increases associated with bringing-in previously contracted out positions.

Section 4. Information Sharing

To enable the parties to track and monitor contracts submitted to and approved by the Board of Supervisors or their designees, the County will develop a process to share relevant information, which will include a copy of each executed contract and any subsequent amendments; amount of the approved contract; name(s) of contractor(s) and subcontractor(s); duration of the contract; costs encumbered by the County each year for each contract; annual costs for each contract.

Section 5. Neutrality in Labor Relations

The County will prohibit contractors from using any consideration received under a County contract to hinder, or to further, organization of, or collective bargaining activities by or on behalf of the contractor's employees, except that this restriction shall not apply to any expenditure made in the course of good faith collective bargaining, or to any expenditure pursuant to obligations incurred under a bona fide collective bargaining agreement, or which would otherwise be permitted under the provisions of the National Labor Relations Act or Meyers-Milias-Brown Act.

ARTICLE 21      STRIKES AND LOCKOUTS

During the life of this agreement no work stoppages, strikes, slowdowns, or picketing shall be caused or sanctioned by the Union, and no lockouts shall be made by the County.

In the event any employees covered by this agreement, individually or collectively, violate the provisions of this Article and the Union fails to exercise good faith in halting the work interruption, the Union and the employees involved shall be deemed in violation of this Article and the County shall be entitled to seek all remedies available to it under applicable law.

ARTICLE 22            ALTERNATIVES TO LAYOFFS

Section 1.            Board Policy on Work Force Reductions

It is the intent of the parties that during the term of this MOU to comply with the June 21 and April 4, 1995, Board Policy on workforce reductions.

If the County determines that workforce reductions are necessary, it will reduce to the greatest extent feasible the planned number of County personnel to be demoted or laid off by:

- a)     discontinuing non-County contracted temporary personnel (Government Code Section 31000 et seq.) who perform functions comparable to County positions subject to demotion or layoff, and
- b)     take other action appropriate to mitigate the adverse impact on workforce reductions on permanent employees.

Permanent or temporary County employees laid off will not be replaced by a contract employee.

Section 2.            Department of Human Resources

The Department of Human Resources shall coordinate with Departmental management to implement Board Policy on workforce reductions on a County-wide basis and enhance the County's on-going efforts to find alternative placement for employees subject to layoff or demotion due to workforce reductions.

Management shall factor in attrition, implement transfers of qualified employees to available vacancies, recommend to the Board and/or CEO to reduce or discontinue departmental personnel services contracts, and allow voluntary demotions before laying off any member of a bargaining unit.

In order to further mitigate the adverse impact of workforce reductions the Department of Human Resources and Chief Executive Office shall coordinate the use of the County's Enhanced Voluntary Time-off program with operating departments.

The Department of Human Resources and Department Management shall implement a program which will match employees scheduled to be laid off with departments who are hiring workers.

### Section 3.                      Civil Service Rules

Nothing in Section 1 and 2 of this Article shall limit the Director of Human Resources or the appointing authority's discretion to implement layoffs pursuant to Civil Service Rules.

### Section 4.                      Proposition A Contracts

Where permanent employees in this Unit have received a notice of layoff, or are on a County re-employment list, the Department of Human Resources and Department Management will make every reasonable effort to place or, if laid off, rehire such employees prior to using any new Proposition A contract employee provided such County employees are qualified to perform the available work.

Nothing in Section 4 has any impact on Proposition A contracts in effect on October 1, 1993. New Proposition A Contracts do not include Proposition A contract renewals, extensions, or rebids of existing Proposition A contracts.

Section 5.            Notice Provisions for Layoffs and Demotions

To the greatest extent feasible the Department of Human Resources and/or Department Management will give ten (10) business days' notice prior to any layoff, demotion, or involuntary transfer of a permanent County employee.

ARTICLE 23      EMPLOYEE BENEFITS

The parties agree that the provisions of the Memoranda of Understanding regarding Fringe Benefits, Mileage and Retirement between the County of Los Angeles and SEIU Local 721, in effect during the term of this agreement shall apply to employees in this Unit except that bargaining units 711 – Social workers, 723 – Children Social Workers and 777 – Supervising Social Workers, shall only be eligible for Choices Cafeteria Plans (Attachment A of the Coalition of County Unions Fringe MOU) during the term of this MOU.

ARTICLE 24      ASSIGNMENT OF ADDITIONAL RESPONSIBILITIES

Any permanent, full-time employee shall be entitled to additional compensation equivalent to two standard salary schedules for the performance of additional responsibilities of a higher level which are assigned or approved by the Department Head or designated Management representative and approved by the Chief Executive Office.

Within ten (10) business days, the Department shall notify an employee in writing of the approval or denial of his/her written request for the Additional Responsibilities Bonus.

To qualify for this additional compensation, a full-time, permanent employee must either perform significant duties of a higher-level class or be assigned a special project or assignment which requires the performance of additional duties and carries additional responsibilities beyond those typically assigned to the employee's class. The assignment of additional duties normally performed by incumbents of the employee's class shall not qualify for this additional compensation.

This additional compensation shall begin on the first day the additional responsibilities are assigned by Management and performed by the employee and shall end on the day the additional responsibilities are no longer performed. Management shall notify the employee of the termination of any assignment for which he or she qualifies for the Additional Responsibilities Bonus.

In no event shall an employee receive compensation pursuant to this Section and receive the out-of-class bonus pursuant to Article 25 for the same assignment.

The additional compensation provided in this Article shall not constitute a base rate.

## ARTICLE 25            OUT-OF-CLASS ASSIGNMENTS

### Section 1.            Definition

- A. For the purpose of this Article, an out-of-class assignment is the full-time performance of all the significant duties of an allocated vacant\*, funded position in one class by an individual in another class.
  
- B. The amount of the bonus shall be two standard salary schedules and shall not constitute a base rate. When a class is compensated on a flat rate, the amount of the bonus shall not exceed 5% of the base rate. Where the difference between rates of the employee's class and the out-of-class assignment is less than the above bonus, the employee shall receive the rate for the higher class. This bonus is paid pursuant to the conditions described below.

### Section 2.            Conditions

- A. If an employee is assigned to an out-of-class assignment for more than twenty (20) consecutive working days, Management shall upon the employee's or Union's written request for relief either:

appoint the employee according to Civil Service Rules. If the person is appointed within thirty (30) calendar days from the date of request for relief, no bonus under this article is to be paid;

---

\*For the purpose of this article, vacancies due to leaves of absence shall be defined as in County Code Section 6.20.110.

return the employee to an assignment in his/her own class. If such return is made within thirty (30) calendar days of the request for relief, no bonus under this article is to be paid; or

pay the employee the bonus. The bonus is paid from the date of request for relief and terminates when the conditions of this article are no longer met.

This bonus is not applicable to persons employed on a temporary, recurrent, or less than full time basis.

- B. It is the intent of Management to avoid working an employee on an out-of-class assignment for a prolonged period of time.

### Section 3.            Special Provisions

- A. Nothing herein shall be construed to limit the authority of Management to make temporary assignments to different or additional locations, shifts or work duties for the purpose of meeting emergency situations over which the department has no control. However, such assignment shall not extend beyond the period of such emergency.
- B. Nothing in this article shall be construed as limiting Management's authority to make temporary incidental assignments on higher rated classifications work, or to assign employees out-of-class for the purpose of training without any additional compensation for the duration of such training.

Written confirmation of such assignment will be placed in the employee's personnel file upon request of the employee.

- C. It is agreed that the provisions of this article will be applied within departments and districts within the County and is not intended to apply across departmental organizational units.
- D. Upon the employee's written request, a written confirmation of his/her out-of-class assignment shall be placed in the employee's personnel file after completion of the out-of-class assignment. A copy will be provided to the employee.
- E. Grievances filed under this article may be filed under the expedited arbitration procedure set forth in this MOU.

ARTICLE 26            POSITION CLASSIFICATION STUDYSection 1.            Definition and Authority

For the purpose of this article, a classification study is a study by the Director of Personnel or by the Personnel Office of the Department, of the duties and responsibilities assigned to a position in order to determine whether the position is properly classified.

Section 2.            Intent

It is the intention of the parties that this article be included only to inform employees of the established processes and procedures to follow when requesting a classification study on their own behalf, and to further inform them of the parties' understanding on the acknowledgment of such studies and follow-up reports.

Section 3.            Procedures

A request for a classification study by an employee who believes his/her position is misclassified must be submitted in writing to the employee's department. If the employee's department cannot support the employee's request, it will be returned to the employee within thirty (30) days with an explanation. If the employee still believes the request is justified, the employee has the right to resubmit the request to the employee's department, which shall in turn schedule and conduct a classification study as defined by the Director of Personnel.

Section 4.            Acknowledgment and Follow-Up Reports

Management agrees that all employee-initiated classification study requests shall be promptly acknowledged. Further, the department will inform the employee, and the Union may request a status report on the estimated completion date of the study. The departmental Management will keep the employee informed of study progress and forward written objections from the employee to either the Director of Personnel or the departmental Personnel Office, whichever is appropriate. It is further agreed that, if, within ninety (90) days, no action has been taken on an employee-initiated study, the departmental Personnel Officer or the Director of Personnel shall provide progress reports to the employee and to the Union upon the request of either.

The County agrees to provide Local 721 notice and consult pursuant to County Code Section 5.04.090 (A) regarding new classifications, the primary duties of which are derived from Local 721 represented classifications. Further, subject to approval of said new classifications by the Board of Supervisors, and upon accretion of said classes to the appropriate bargaining unit, upon the request of Local 721, the parties agree to negotiate and recommend proposed salaries to the Board of Supervisors for approval. Nothing in this paragraph shall limit Management's authority to classify or reclassify County positions pursuant to Civil Service Rule 5, Classification.

ARTICLE 27      PERSONNEL FILES

An employee, or his/her certified representative with the written consent of the employee, may inspect that employee's personnel file with the exception of all material obtained from other employers and agencies at the time that employee was hired.

An employee shall be advised of, and entitled to read, any written statement by the employee's supervisor or departmental Management regarding his/her work performance or conduct if such statement is to be placed in his/her personnel file. The employee shall acknowledge that he/she has read such material by affixing his/her signature on the copy to be filed, with the understanding that such signature merely signifies that he/she has read the material to be filed but does not necessarily indicate agreement with its content. If the employee refuses to sign, the supervisor shall note his/her refusal on the copy to be filed along with the supervisor's signature and the signature of a witness to the employee's refusal to sign.

The employee may file a grievance regarding any such document within the prescribed time limits of the grievance procedure. If the employee fails to file a grievance within the designated time limits, the document becomes part of the official file. If the employee does file a grievance within the designated time limits, said document shall not be placed in the official file nor referenced in any Performance Evaluation or Appraisal of Promotability until the grievance procedure or civil service appeal rights have been exhausted. Grievances filed under this provision shall not be subject to the Arbitration provisions of the Grievance Procedure unless they involve violation of a specific provision of this agreement.

Management agrees that no properly used full paid sick leave used in the twelve months immediately prior to an Appraisal of Promotability or a Performance Evaluation will be referenced on such forms. The employee may attach his/her statement to any document within twenty (20) business days if he/she chooses not to file a grievance regarding such document or within ten (10) business days following final determination if he/she has filed a grievance regarding such document.

On reviewing his/her personnel file, an employee may request and have any written warnings issued more than one year prior placed in an envelope and sealed in his/her personnel file except as such may be a part of an official permanent record. On the face of the sealed envelope, it shall read "The contents herein shall be disclosed only upon written consent of the subject employee or by subpoena or other legal process from a public body of competent jurisdiction." The date the contents of the sealed envelope will be destroyed shall also appear on the face of envelope. That date shall be two (2) years from the date of issue of the documents in the sealed envelope.

An employee on reviewing his/her personnel file, may request and have any written warnings or reprimand(s) issued more than two (2) years prior removed from his/her personnel file except as such may be a part of an official permanent record.

All departments employing peace officers covered by the Peace Officers Bill of Rights shall comply with its provisions.

ARTICLE 28        LEAVES OF ABSENCESection 1.        Medical Leave

Section 2.        Educational Leave

Pursuant to applicable provisions of the Civil Service Rules, and subject to the staffing needs of the department, educational leaves will be granted to permanent employees upon presentation of a plan for schooling designed to improve the employee's value to the County, and evidence of acceptance by an accredited college or university.

Section 3.        Pregnancy Leave

The parties agree that departmental Management shall grant a leave of absence without pay to any full-time permanent employee who becomes disabled as a result of pregnancy, which disability prevents her from performing the duties of her position. Such leave must be requested in writing by the employee and will be granted pursuant to Civil Service Rules and such procedures as are determined by the Director of Personnel and by the Department Head.

The parties further agree that upon commencement of an authorized pregnancy leave of absence, any full-time permanent employee disabled as a result of pregnancy, which disability prevents her from performing the duties of her position as certified by her primary care giver (physician, nurse practitioner or nurse mid-wife), may use sick leave benefits for which she is otherwise eligible in the same manner as for any other disability resulting from sickness or injury. Additionally, the employee may use accrued vacation, holiday or compensatory time when on an authorized pregnancy leave of absence during such period of disability.

Section 4.            Employee Organization Leave

SEIU Local 721 requests for employee organizational leave for at least thirty (30) calendar days shall be made in writing to the CEO/Employee Relations Division and to the affected Department at least ten (10) business days in advance of the leave. SEIU Local 721 may not have more than ten (10) employees in the Bargaining Unit on leave of absence to accept employment with SEIU Local 721. These leaves are subject to the Civil Service Rules.

The employee must have a minimum of one (1) year's continuous employment with the County. The requested leave shall only be granted if the prime reasons for the leave shall be to conduct SEIU Local 721 business as it is related to County functions. The leave shall be without County pay or benefits of any kind. In no case shall an individual employee's leave extend beyond a year. Except by mutual agreement, no more than one (1) employee shall be on such leave from any given department.

Section 5.            Family Leave

- A.     The parties agree that employees covered by this Memorandum of Understanding are subject to the provisions of the California Family Rights Act of 1993 (CFRA) and the Federal Family and Medical Leave Act of 1993 (FMLA), as amended and the California Fair Employment and Housing Act (FEHA) Pregnancy Disability Leave (PDL).

"Nothing in this Section is intended to provide additional benefits beyond what is mandated by Federal and/or State Law, except that a domestic partner and their children may qualify an employee as eligible for FMLA/CFRA".

- B.     The parties agree that within sixty (60) days of implementation of this contract, upon the request of the employee, the County shall provide the employee with a summary of the County of Los Angeles Family Leave Policy Guidelines.
- C.     Absences incurred for a Family Leave qualifying reason may not be used for purposes of placing or keeping an employee on certified time or cited or referenced in any Performance Evaluation or Appraisal of Promotability. Employees on certified time with FMLA qualifying absences shall not be required to provide medical certifications for those FMLA absences above and beyond the medical certification requirements in the County Family Leave Policy.
- D.     An employee shall be entitled to file a grievance for violation of the provisions of this Article in addition to the rights provided by law.

Section 6.            Jury Duty and Witness Leave

During the time an employee is actually reporting to the court for jury duty and following receipt of "Certificate of Jury Service" (Jury Form 4), the Department Head or his/her designate will convert the employee's usual shift to a regular five-day Monday through Friday day-shift basis.

Any person holding a permanent position ordered to serve on a jury shall be entitled to his/her regular pay provided the employee deposits his/her fees for service, other than mileage, with the County Treasurer.

ARTICLE 29        ENHANCED VOLUNTARY TIME-OFF PROGRAMProgram Description:

EVTO is a special temporary program through which employees may individually volunteer to help reduce County Expenditures during periods of budgetary shortfall by taking one or more unpaid leaves of absence without the full loss of benefits usually associated with unpaid leave. This program will assist in achieving budgetary savings without significant adverse impact on critical public services.

Program Requirements:

The EVTO program includes the following elements and requirements:

- Implementation of the provisions of the Enhanced Voluntary Time – Off Program within each Department shall be subject to prior authorization by the Chief Executive Officer.
- The Chief Executive Officer may establish procedures and issue administrative instructions regarding the operation of the Enhanced Voluntary Time-Off Program.
- In order to maintain critical public services, all requests by employees for unpaid EVTO leave must be in writing and be approved in advance by the Department Head or his/her designee.

- During specific times each fiscal year, employees who wish to participate in EVTO will pledge the number of hours to be taken as EVTO. This will assist the departments in determining projected savings.
- In the event of an industrial injury or unforeseen hardship which significantly impacts an employee's decision to request EVTO, such employee shall be able to rescind or modify his or her EVTO pledge. However, a change or modification in scheduling days off must be approved by department Management.
- In the event of a County emergency affecting public health or safety, a Department Head may rescind all or part of any EVTO pledge and require such employee to return to work immediately. Nothing in this paragraph reduces the authority of a Department Head to terminate any leave of absence as described in Civil Service Rule 16.04.
- An employee may take up to sixty (60) calendar days of EVTO each fiscal year during this program (see below for EVTO after sixty (60) days) with the following benefit guarantees:
  - EVTO may be taken as sixty (60) or fewer consecutive calendar days; as a reduced work-week schedule (4/36 or other); or as occasional days off with Management approval.

- EVTO will not affect flexible benefit plan County contributions, or vacation and sick leave accrual. However, employees may wish to schedule occasional EVTO days to avoid loss of pay for weekend and holiday days.
- An employee will receive retirement credit for each month in which the employee has any retirement eligible earnings. In the event the employee's earnings are less than enough to pay the employee contribution to LACERA, the employee may pay the required employee contribution directly to LACERA to receive retirement credit for that month. Such payments shall be made within thirty (30) days following the end of the month in which the contribution was not made.
- EVTO will not constitute a break in service and will count towards time in service for step advancement and continuous service date.
- An employee may take a total of one (1) year of EVTO with the following parameters:
  - A full year of EVTO will not constitute a break in service and will count towards time in service for step advancement and continuous service date.
  - After the first sixty (60) days of EVTO, the sixty (60) day EVTO benefit guarantees will not apply.

- Retirement service credit will not accrue during this period.
  
- FLSA Non-exempt employees may request EVTO in increments as little as one hour.
  
- FLSA Exempt employees must request EVTO in full work day increments.
  
- EVTO is granted without requiring employees to first use accumulated vacation and compensatory time-off.
  
- EVTO is not available to employees on any other paid or unpaid leave.
  
- Department Heads may continue to approve other unpaid leave of absences.
  
- If the employee's request is not approved, Management will respond in writing to the employee giving the reason(s) for denial.
  
- EVTO will be actively encouraged by Management and Local 721 in order to achieve savings.

The parties agree that staffing will be based on the above span of control/yardsticks to the degree practicable, subject to available funding.

\*It is DCFS management's intent to assign Children's Social Workers to Supervising Children's Social Workers on budgeted ratios approved each year by the Board of Supervisors. In future fiscal years DCFS intends to reduce the supervisory ratios in all programs wherever possible as funding allows. In pursuit of this goal, Supervising

Children's Social Worker may be reassigned within and between offices and regions to achieve equitable supervisory ratios and adequate supervision.

\*\* Includes one (1) clerk/clerical or one (1) paraprofessional support staff and not-to-exceed six (6) Children's Social Workers.

\*\*\* May include one (1) clerk/clerical support or support staff and not to exceed eight (8) Social Workers/Social Worker Trainees or six (6) GAIN Services Workers.

\*\*\*\* May include one (1) clerk/clerical support staff, and not to exceed seven (7) Social Workers/Social Worker trainees.

Management shall not take disciplinary action, including but not limited to suspension, reduction, discharge, or prepare any written reprimands, or make negative reference on performance evaluations due to inadvertent errors or omissions or due to the employees' inability to complete all the tasks associated with the employee's assigned workload, when the supervisor ratio exceeds by one the span of control/yardstick listed for a period of 30 consecutive calendar days. Such protection will apply until such time as the supervisor ratio reflects the above span of control/yardstick.

When the total caseload of the subordinate staff of a Supervising Children's Social Worker exceeds the Caseload Cap as set forth in the Unit 723 Memorandum of Understanding, the provisions of this paragraph shall apply.

Nothing herein shall be construed to limit Management's ability to determine the priorities on an employee's tasks.

Prior to implementation, should Management decide to change span of control yardsticks, Management will notify the Union. If the Union wishes to negotiate with Management regarding the impact of the change on employees affected, the Union shall notify Management's authorized agent within ten (10) working days from the receipt of such notice.

The span of control as well as the total unit caseload for Supervising Children's Social Workers will be factored into any practice-related discipline decisions.

## Section 2.

In addition to the provision above when a services unit has more than 3 newly hired probationary staff consisting of either CSW Trainees, CSW I's, CSW II's or SW Trainees the supervisor may request the office head to reduce the assigned number of such workers to 3. The office head will make every effort to reassign the extra staff in the office within 30 days upon written request from the supervisor. Nothing herein shall be construed to preclude the office head from establishing specialized training units comprised of these employees.

DCFS Management shall make every attempt to assign a unit with a reduced span of control to newly promoted SCSWs on probation for the duration of their probationary period. The unit will consist of 5 CSWs. The newly promoted SCSW shall not be assigned more than one probationary CSW during their probationary period.

Section 3.

Management will continue to meet and confer with the Union regarding the impact of implementing CWS/CMS and other computer systems (i.e. LEADER, FCI, ESCARS, ECLETS, AIS, HARMONY, and the SITE) on wages, hours and other terms and conditions of employment.

Section 4.

The parties agree to meet and confer, upon the Union's written request, if the State conducts a yardstick study which results in a change of yardsticks, or when changes in yardstick results from legislative or regulatory changes. Management will notify the Union of such changes prior to implementation and make available relevant documents.

Section 5.    Review and Analysis of Supervisory Ratios

The County agrees to continue meeting with Local 721 to discuss the impact of CFT and Core Practice Model on the workload of Supervising Children's Social Workers.

Section 6.    Caseload Accountability Panel (CAP)

DCFS will review the caseload goals established by the CAP, which will have a direct impact on the currently established supervisory ratios/span of control for Supervising Children's Social Workers. Two (2) SCSW shall participate in the CAP.

Span of Control Workgroup DCFS

Consistent with Appendix D, within 60 days of Board of Supervisors approval of this MOU, DCFS management and SEIU Local 721 agree to meet and discuss a full range of supervisory duties, including but not limited to newly implemented programs, case review, and span of control for all SCSWs including probationary supervisory ratios, with the goal of reducing SCSW span of control to 6:1.

The workgroup shall include six (6) SCSWs, Local 721 staff and DCFS management. The workgroup shall meet monthly unless cancelled by mutual agreement. Should the workgroup reach agreement by December 30, 2022, such agreement shall be executed by the parties and submitted to the Board of Supervisors for inclusion in the MOU. The parties may mutually agree to waive the timelines.

Section 7.

DCFS management agrees to make reasonable efforts to complete internal affairs investigations that do not involve outside agencies within one year of the date the investigation was initiated. If management is unable to complete the investigation within that time frame, it will not preclude possible disciplinary action.

ARTICLE 48      POSTING OF NOTICES

Notice of Civil Service examinations will be posted by Management within ten (10) days after receipt of such notices, on a bulletin board or distributed electronically.

Notice of DCFS departmental examinations will be posted or distributed electronically at least ten (10) business days prior to the opening of the filing period for the examination on a bulletin board or any other space designated expressly for this purpose.

If DCFS management decides to create a specialized SCSW assignment in an office, management will post a notice of such position in the office where the position will be located at least five (5) business days prior to the application deadline. Said notice will be placed on the office bulletin boards used for Civil Service examination notices.

DCFS management will provide the Union with copies of the examination notices at the time of posting for classifications in Bargaining Unit #777 including the classification of Supervising Children's Social Worker.

For a specialized assignment for classifications in the SCSW Bargaining Unit in a unit, office, division or bureau, DCFS Management shall post a notice of such position in each worksite at least ten (10) business days prior to the application deadline.

ARTICLE 49      LEGAL REPRESENTATION

Upon request of any employee, the County, in accordance with the provisions of the California Government Code, will provide for the defense of any civil action or proceeding brought against the employee on account of an act or omission in the scope of his/her employment as an employee of the County, and will pay any judgment rendered against the employee.

ARTICLE 50      AFFIRMATIVE ACTIONSection 1.

DPSS and WDACS agree that Management shall convene a Departmental Affirmative Action Committee for each department, composed of an equal number of Management representatives and employee representatives (selected from various interested employee organizations representing employees in the department). All recommendations that are mutually agreed to by the Management and employee representatives shall be implemented by the department.

Section 2.

The Department of Children and Family Services shall convene a Departmental Affirmative Action Committee, composed of Management representatives and a total of seven (7) employee representatives with no more than five (5) employee representatives from any employee organization.

The committee's responsibilities shall include, but not be limited to the following:

1. Monitoring of compliance with the DCFS Affirmative Action Plan.
2. Consultation with the DCFS representatives responsible for the development of future DCFS Affirmative Action Plans; and

3. Development of a program to promote cultural awareness among DCFS employees with the goal of enhancing communication among DCFS employees and between DCFS employees and their clients.

All recommendations that are mutually agreed to by the Management and employee representatives shall be implemented by the department.

ARTICLE 51        TRANSFERSSection 1.        Voluntary Transfers - DPSS

An employee who desires to effect a transfer from one office to another office within the Department shall submit a typed memo in quadruplicate addressed to the Division/Region Headquarters indicating where he/she desires to transfer for each request. Requests for transfer will only be considered if the employee has at least 12 months of service at the current office as a supervisor and the employee's last rating of performance is competent or better. All copies of the transfer request shall be submitted to his/her current office head. The office head will indicate on the request for transfer the employee's length of service as a supervisor and skills.

The office head will forward the transfer request to the receiving District, with a copy to Division/Region Headquarters and a copy returned to the employee. If the employee does not meet the above transfer criteria, all copies of the transfer request will be returned to the employee with the reason for denial.

Transfer request forwarded to the Division/Region Headquarters will be valid only for the fiscal year in which filed.

During the months of September, December, March, and June, Management will review transfer requests on file and office vacancies and consider transfers of the most senior employees providing skills are not required. In the event an eligible employee is placed on improvement needed, the request becomes invalid.

Employees who have filed for a transfer shall be notified by the department for final confirmation allowing the employee to accept, alter, or withdraw his/her request. An employee who wishes to alter or withdraw his/her request must respond to management within 5 business days of the notification, or the employee is deemed to have accepted the transfer. Transfers agreed upon by the employee will be affected as expeditiously as possible and will be done prior to any new hiring of supervisors.

Upon an employee's written request, Management will give a written response on the status of a pending transfer request. Such request may not be made more than twice in each fiscal year in which the request was filed.

It is understood that this Section does not modify Management's right to promote an eligible employee who is working in the office where the vacancy occurs.

## Section 2.            Involuntary Transfers - DPSS

The provisions of Department of Public Social Services Personnel Manual Sections 11915 through 11918 shall be applied and incorporated into this Article. Bilingual employees will not be automatically exempt.

Management will make every reasonable effort not to transfer a Steward who objects to transfer, if there is any other employee in the same classification who meets the specific qualifications of the vacancy.

### Section 3. - DCFS

This section will apply to Department of Children and Family Services employees only.

#### Definitions – DCFS

For the purposes of this article a transfer is a change in office location other than to a sub-office. A sub-office is defined as a work location within seven (7) miles from the parent office.

#### Voluntary Transfer – DCFS

Employees requesting a transfer from one office to another, within the Department, shall submit a written request to the Department's Personnel Officer. The request will include the employee's continuous service date and certified bilingual skills, if any. A copy of the request will be given to the employee's office head to serve as notice that the employee wishes to transfer to another office. Requests to transfer will be considered if the following criteria are met: (1) the employee has one year tenure in the office from which he/she is requesting to transfer; newly promoted supervisors, promoted after January 1, 2019, shall have two years tenure (2) the employee has a competent or better rating on the latest performance evaluation; and (3) the employee has completed probation. Transfer requests will be considered for two years until the employee is transferred or the request is withdrawn, in writing, by the employee. When management determines that a transfer request will expire within thirty (30) days, management will notify the employee in writing of the pending expiration.

If the employee wishes to remain on the transfer list the employee must notify the Personnel Officer in writing of this, which will allow them to remain on the transfer list for an additional two years. If the employee does not respond, their name will expire from the list.

If the employee does not meet the above transfer criteria or ceases to meet these criteria while the request is pending, a copy of the transfer request will be returned to the employee by the Personnel Officer with the reason for denial. If the employee meets the transfer criteria, the Departmental Personnel Office will confirm in writing receipt of the employee's transfer request. The confirmation shall state that the request will be valid for 2 years from receipt by the Personnel Office.

Transfers will occur in those months when the department is hiring, according to the following procedure:

1. Current transfer requests will be reviewed.
2. Transfers will be granted to offices where vacancies exist, subject to the condition that such transfers do not exceed, in a calendar year, 10% of the staff justified each January in an office.

Management will not assign newly hired/promoted employees into an office for which a transfer request is pending, except as permitted under Step 2 above.

In addition to the procedure set forth in the above paragraph, Management will match transfer requests each June.

Management will maintain a list of pending transfer requests which will include the date which each employee's request for transfer was received by the Personnel Officer, each employee's Department service date and the employee's certified bilingual skills, if any. Management will transfer employees based upon the dates that employee's request for transfer were received by the Personnel Officer with those employees whose requests were received first being transferred first, except when bilingual needs and/or extreme hardship cases exist. In the event two or more transfers are received on the same date, management will rank employees for transfer by Department seniority. Bilingual employees will not be prevented from transferring if the office from which they are requesting a transfer has no bilingual vacancies. Employees who have an extreme hardship will be transferred ahead of employees with more Department seniority. Extreme hardship is defined as a substantial involuntary change in an employee's life circumstances. Employees who have an extreme hardship are exempt from the requirement of working one year in the current office.

Employee transfer requests are binding until revoked in writing by the employee as long as the written notice is received by the Department prior to posting of a new transfer match. Additionally, approval of employees requesting transfers to specialized functions such as CSAP, Adoptions, RAPP, and Court are at the discretion of Management.

It is understood that this section does not modify Management's right to promote an eligible employee who is working in the office where the vacancy occurs.

Management will provide the Union with a report of granted transfer requests for each month that any transfers are granted, and a quarterly report of all pending requests, which shall include the date the request was received by the Personnel Office, each employee's Department seniority date and identify which employees have an extreme hardship and which employees have certified bilingual skills.

#### Definitions – DCFS

For the purposes of this article a transfer is a change in office location other than to a sub-office. A sub-office is defined as a work location within seven (7) miles from the parent office.

#### Involuntary Transfers – DCFS

##### A. Transfer of Staff:

1. Voluntary requests should be reviewed and honored first. Voluntary requests for specialized functions will be reviewed and honored. For functions requiring a special proficiency or degree, the volunteer must possess that proficiency or degree.
2. The Office Head should request volunteers if an insufficient number of requests are on file.
3. If there are not enough volunteers, involuntary transfers will be made by inverse County seniority within the transferring office.

4. Employees who are to be transferred will receive a written notice ten (10) business days prior to the involuntary transfer date.

B. Employees exempt from involuntary transfers are:

1. Employees on probation or improvement needed.
2. A bilingual worker, if the need for a bilingual worker does not exist in the new office.
3. Employees involuntarily transferred within the past six months.

Section 4.            Stewards

Management shall not transfer a steward who objects to the transfer, if there is any other employee in same classification who meets the specific qualifications of the vacancy.

Section 5.            WDACS

This section shall apply to WDACS employees only.

An employee who wishes to transfer to another office within WDACS shall submit a request in writing to the Human Services Administrator responsible for the facility where the employee is currently assigned. WDACS management will evaluate the request based on service requirements and operational needs and notify the employee of its decision.

WDACS management will keep such transfer requests on file for one year from the date of request. As vacancies occur, WDACS management will review requests on file, and consider filling such vacancies from the transfer requests. If a transfer request is not granted by the end of the calendar year, management will return the expired request to the employee.

If transfers are necessary to correct staffing imbalances, WDACS management will transfer the employee in the office with a surplus who has the least County-wide seniority, unless legitimate operational needs require otherwise.

ARTICLE 55      EMPLOYEE IDENTIFICATION

Department of Public Social Services management will agree to provide employees in the Department that are covered by this Memorandum of Understanding with business cards and formal identification cards within 90 days of the implementation of this Memorandum of Understanding.

ARTICLE 56        OVERTIMESection 1.        Compensation

For all employees in this unit, for the term of this agreement, the County will pay overtime for all hours worked in excess of forty (40) in one week. "Hours worked" will be calculated as provided for by the Fair Labor Standards Act, 29 U.S.C. 201, et seq. Hours worked do not include time for which persons are compensated but do not actually work, including but not limited to, sick leave, vacation pay, and holidays. Hours paid during a workweek for a regular County holiday will be counted in calculating hours worked for overtime purposes.

The County will pay employees for any overtime worked at a rate of one and one half (1½) times his/her regular rate of pay. Regular rate of pay shall be calculated as provided for by the Fair Labor Standards Act.

For employees in DPSS, DCFS DMH, and WDACS, an employee may elect compensatory time off, in lieu of pay, at a rate of one and one-half (1½) hours for each hour of overtime to a maximum of 54 hours worked. The employee may exercise this option when the employee works overtime. Management shall not decide to order or authorize overtime based on an employee's choice of pay or compensatory time off.

If an employee has 81 hours of accumulated compensatory overtime on the books, the employee shall not elect to choose any additional overtime at compensatory time off in lieu of pay.

Section 2.                    Usage of Compensatory Time For DCFS and WDACS  
Employees Only

- A.     An employee shall not be directed by Management to take compensatory time off without at least ten (10) business days prior notice nor be denied a timely request to carry over. Requests for time off will be approved based on the needs of the service as determined by management.
  
- B.     The employee may accumulate compensatory time off. With prior approval of departmental Management, accumulated compensatory time off not used during the calendar year in which it is earned may be carried over for up to two years not to exceed 81 hours total accumulated compensatory time. Compensatory time not used within the above period (and recorded at time and one-half) shall be paid to the employee at the straight time rate rather than lost.

Section 3.

Notwithstanding any other provisions of this Memorandum of Understanding:

- A.     The following provisions shall continue to apply to all overtime accumulated between October 1, 1993, and June 30, 1994, and compensated with compensatory time off (CTO).
  - (1)     Such CTO either (a) may be taken off at the request of an employee subject to management approval or (b) shall be maintained "on the books".
  
  - (2)     Nothing in this paragraph is intended to alter the definition of "overtime" as set forth elsewhere in this MOU or the circumstances under which overtime compensation must be paid.

- B. All overtime worked on or after July 1, 1994, shall be subject to the overtime provisions in effect on September 30, 1993.
- C. On or after August 1, 1995, at the employee's option, time "on the books" may continue to be taken as time off, subject to management approval, or may be converted to pay. An employee electing payment for any portion of his or her CTO accrual balance may submit a request and, within forty-five (45) days of that request, shall be paid at the rate of pay then in effect for the employee.
- D. CTO accrued between October 1, 1993, and June 30, 1994, shall be taken off only at the request of the employee. For any CTO accrued during other periods, nothing in this Section shall be construed to limit management's authority to direct any employee to take accumulated CTO as provided elsewhere in this MOU.

ARTICLE 57            SPECIAL PAY PRACTICES

Section 1.            Shift Differential

Effective with the implementation of this MOU, evening shift employees shall receive a premium as follows: Supervising Children's Social Workers and Social Services Supervisors, \$1.00 per hour. The evening shift is a shift at least five eighths of which falls between 4:00 p.m., and 11:00 p.m.; Effective July 1, 1992, the rate for Supervising Children's Social Worker will be \$1.00 per hour.

Effective 10/1/17, evening shift employees shall receive one dollar and five cents (\$1.05) per hour.

Effective with the implementation of this MOU, night shift employees shall receive a premium as follows: Supervising Children's Social Worker and Social Services Supervisor \$1.00per hour. The night shift is a shift at least five eighths of which falls between the hours 9:00 p.m. and 8:00 a.m.. ; Effective July 1, 1992, the rate for Supervising Children's Social Worker will be \$1.00 per hour.

Effective 10/1/17, night shift employees shall receive one dollar and five cents (\$1.05) per hour.

Effective with the implementation of the 2022 MOU, employees in DMH and WDACS who work the night shift shall receive one dollar and fifty cents (\$1.50) per hour.

Section 2.            Call-Back

Whenever an employee is unexpectedly ordered by his department head or designated Management representative to return to work following the termination of his normal work shift and departure from his work location, the employee shall receive a payment of four hours' pay at the rate of time and one-half of the employee's regular rate of pay. Work performed in excess of four hours will be compensated for in accordance with provisions of Article § 53, Overtime.

If an employee should complete work required, leave the work location, and subsequently be recalled during the four-hour period being compensated for as a result of the initial call back, no additional compensation will be paid until four hours have been worked by the employee, i.e., there shall be no pyramiding of time and one-half pay as a result of call back.

If an employee's work schedule must be altered to accommodate operational requirements on any scheduled work day and the employee is required to report for work up to two hours earlier than his normal shift starting time, this shall be considered an early shift start and not a call back. Employees assigned to an early shift start will be allowed to work to the end of their normal shift provided work is available in their classification.

Section 3.            Standby

Effective October 1, 2018, employees required by Management to remain available to work, at any time during specified hours outside their normal working hours are eligible to receive \$2.50 per hour while on stand-by but not more than \$500.00 per month.

No additional compensation for stand-by status shall be made since the employee placed on stand-by status is not "unreasonably restricted" as defined by the Fair Labor Standards Act.

Effective October 1, 2018, Social Services Supervisors assigned by Management to the APS Program to remain available to work, at any time during specified hours outside their normal working hours are eligible to receive \$2.50 per hour while on stand-by but not more than \$500.00 per month.

Section 4.            Superior-Subordinate Pay

The Chief Executive Officer will authorize compensation for a supervisor at a rate of \$1.00 per month more than the base rate of his highest paid subordinate when the qualifying conditions are met as provided by Section 6.10.070 of the Los Angeles County Code.

Section 5.            Bilingual Pay - DCFS

Effective the date of approval of this MOU by the Board of Supervisors, each Supervising Children's Social Worker who is certified by the County as proficient in a language other than English, and who has predominantly certified bilingual workers in their unit, shall receive an additional bonus of \$85 per month. This is in addition to any

bilingual bonus monies agreed to in the Fringe Benefits MOU.

Management shall make every effort to assign certified bilingual workers to SCSW's who are certified in that language.

Section 6.                    Special Bonus - Adult Protective Services Roll Out Program

Effective July 1, 2000, any Adult Protective Services Supervisor assigned by Management to the Adult Protective Services Roll Out Program on an Evening or Night shift will receive \$75.00 per pay period (\$150.00 monthly).

Section 7.                    Adult Protective Services - After Hours Duty

Whenever a Social Services Supervisor assigned to the Adult Protective Services Program is ordered by his/her Department Head or designated Management representative to work (directing/supervising adult protective services staff performing after hours work) following the termination of his/her normal work shift and departure from his/her work location as a result of the APS Program, the employee shall receive a payment of four hours pay at the rate of time and one-half of the employee's regular rate of pay. Social Service Supervisors who work in excess of four hours following their regularly scheduled shift will be compensated for in accordance with the provisions of Section 1 of Article 53, Overtime.

No additional compensation shall be paid until four hours have been worked by the Social Services Supervisor following their regularly scheduled shift, (i.e., there shall be no pyramiding of time worked for overtime payments during the first four hours of work).

The provisions of Section 6 shall only apply to Social Services Supervisors assigned to the Adult Protective Services Roll Out Program (APS).

Section 8.            Longevity Bonuses

Upon approval of the Board of Supervisors and implementation of this Memorandum of Understanding, members of this bargaining unit shall receive Longevity Pay in accordance with the following implementation schedule:

10/1/06	2%	(8 levels)	after completion of 19 years of service
04/1/07	2%	(8 levels)	after completion of 24 years of service
10/1/07	2%	(8 levels)	after completion of 29 years of service

Longevity Pay is cumulative and shall constitute a base rate.

Section 9.    Retention Bonus Differential

Within 60 days of Board of Supervisors approval of this MOU, DCFS management agrees to meet with SEIU Local 721 to discuss the provision of a retention bonus for the Emergency Response Command Post, and offices where there are documented retention issues.

ARTICLE 58        SALARIESSection 1.        Recommended Salary Adjustments

1.        Effective July 1, 1994, the period of time required for advancement from step 5 to step 6 shall be reduced from 24 months to 12 months for all classes which require 24 months for such advancement prior to July 1, 1994. Each employee who has been at step 5 of the employee's range for at least 12 months shall be advanced to step 6, on July 1, 1994, and a new step anniversary date will be established.
  
2.        a.        Effective July 1, 1994, the parties agree to add a sixth step to the salary range for Supervising Children's Social Worker (Item Number 9074). This sixth step shall be two standard salary schedules (approximately 5-1/2%) above the fifth step. Employees will be eligible for advancement to step 6 after serving 12 months at step 5. Each employee who has been at step 5 for at least 12 months shall be advanced to step 6 on July 1, 1994. Effective October 1, 1995, the parties agree to add a seventh step to the salary range for Supervising Children's Social Worker. This seventh step shall be two standard salary schedules (approximately 5-1/2%) above the sixth step. Employees will be eligible for advancement to the seventh step after serving 12 months at the sixth step.

b. Effective 10/1/95, advancement to Steps 6 and 7 for employees in the class of Supervising Children's Social Worker shall require completion of 16 hours of certified in-service training during the preceding 12 months, subject to the following conditions:

- 1) Management shall offer sufficient in-service training opportunities for Supervising Children's Social Workers to complete the training necessary to move to Steps 6 and 7.
- 2) Management shall offer a significant portion of this training at locations within each region where Supervising Children's Social Workers are assigned.
- 3) In-service training includes departmental training sessions and departmental approved training via video tape.
- 4) Job related outside training will satisfy an employee's training requirement if approved by management.

If management fails to comply with these conditions, affected employees who have a competent or better performance evaluation will advance to the next step independently of their satisfaction of the training requirement.

3. Effective October 1, 1995, the salary for Supervising Children's Social Worker will be increased by 2.25% (9 levels) provided that the 1995-96 Child Welfare Services (CWS) allocation to Los Angeles County (total Federal, State, and County dollars) is no less than the 1994-95 CWS allocation to Los Angeles County.
4. Effective July 1, 1994, the parties agree to add a seventh step to the salary range for each classification in this unit except Supervising Children's Social Worker. This seventh step shall be two standard salary schedules (approximately 5-1/2%) above the sixth step for each classification. Employees will be eligible for advancement to the seventh step after serving 12 months at sixth step.
5. Effective October 1, 1995, the parties agree to add an eighth step to the salary range for each classification in this unit except Supervising Children's Social Worker. This eighth step shall be two standard salary schedules (approximately 5-1/2%) above the seventh step for each classification. Employees will be eligible for advancement to the eighth step after serving 12 months at seventh step.
6. Effective July 1, 1994, any GAIN Services Supervisor (Item Number 9166) who is employed in that class on June 30, 1994, and who possesses a bachelor's degree from an accredited college or university shall receive an increase of two additional steps (approximately 11%) or be advanced to the top of the range, whichever is less. Such action will not set a new step anniversary date. Employees appointed to

GAIN Services Supervisor on or after July 1, 1994, shall not receive the two additional steps for possessing a Bachelor's Degree.

Effective July 1, 1994, those GAIN Services Supervisors whose initial salary upon appointment to their County position fell between two standard salary steps shall be advanced to the next higher step. Such placement will not affect the employee's step anniversary date.

During the term of this MOU, members of the bargaining unit shall receive 10% general salary movement as follows:

### **Performance Evaluations**

Performance evaluation deals with the development, discipline and appraisal of employees on a continuous or routine basis. Evaluation of performance is not the simple preparation of an annual report, but is a continuous process involving the communication of work goals, giving instructions, assigning work, observing and evaluating work progress and the ongoing dialogue between supervisors and workers during the entire rating period.

### **Informal Corrective Actions**

Informal corrective actions represent attempts to handle problems before they seriously hamper employee effectiveness. Because they are informal, they do not get inserted into the employee's official personnel record. Informal correction actions include discussion/coaching, counseling or a written notice of expectations or counseling.

### **School and Child Care Activities**

Any employee who is the parent, guardian, or grandparent with custody may utilize existing vacation, personal leave, compensatory time off, or leave without pay to participate in the school activities of their children who are either enrolled in kindergarten through twelfth grade or are under the age of five and enrolled in a child care or preschool program.

### **Civil Service Examinations**

Any employee shall be allowed time necessary to be absent from work at his or her regular rate of pay to participate in civil service examinations for positions with any public entity as defined in Section 6.04.080 of the Los Angeles County Code.

### **Military Leave**

Any employee shall be allowed a military leave of absence in accordance with the applicable provisions of law including, but not limited to, the Uniformed Services Employment and Reemployment Act, the Family and Medical Leave Act, the California Military and Veterans Code, the Los Angeles County Charter, and the Los Angeles County Code. At the conclusion of such leave, the employee shall be returned to work with all accumulated rights and benefits, including educational benefits, in accordance with all applicable provisions of law. No County employee shall be discriminated against, or adversely impacted, in any manner as a result of utilizing military leave.

**Disaster Leave**

In the event of a disaster emergency as defined by Section 2.68.050 of the County Code and the Emergency Ordinance, Ordinance 10493, that prevents employees from reporting to their positions, the Chief Executive Officer may grant a leave of absence with pay to such employees, subject to ratification by the Board.

## APPENDIX C

### EMPLOYEE RIGHTS AND RESPONSIBILITIES UNDER THE FAMILY AND MEDICAL LEAVE ACT

#### Basic Leave Entitlement

FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons:

- For incapacity due to pregnancy, prenatal medical care or child birth;
- To care for the employee's child after birth, or placement for adoption or foster care;
- To care for the employee's spouse, son or daughter, or parent, who has a serious health condition; or
- For a serious health condition that makes the employee unable to perform the employee's job.

#### Military Family Leave Entitlements

Eligible employees with a spouse, son, daughter, or parent on active duty or call to active duty status in the National Guard or Reserves in support of a contingency operation may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered service member during a single 12-month period. A covered service member is a current member of the Armed Forces, including a member of the National Guard or Reserves, who has a serious injury or illness incurred in the line of duty on active duty that may render the service member medically unfit to perform his or her duties for which the service member is undergoing medical treatment, recuperation, or therapy; or is in outpatient status; or is on the temporary disability retired list.

#### Benefits and Protections

During FMLA leave, the employer must maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

#### Eligibility Requirements

Employees are eligible if they have worked for a covered employer for at least one year, for 1,250 hours over the previous 12 months, and if at least 50 employees are employed by the employer within 75 miles.

#### Definition of Serious Health Condition

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

#### Use of Leave

An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

#### Substitution of Paid Leave for Unpaid Leave

Employees may choose or employers may require use of accrued paid leave while taking FMLA leave. In order to use paid leave for FMLA leave, employees must comply with the employer's normal paid leave policies.

#### Employee Responsibilities

Employees must provide 30 days advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days' notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FMLA leave was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

#### Employer Responsibilities

Covered employers must inform employees requesting leave whether they are eligible under FMLA. If they are, the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FMLA-protected and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FMLA-protected, the employer must notify the employee.

#### Unlawful Acts by Employers

FMLA makes it unlawful for any employer to:

Interfere with, restrain, or deny the exercise of any right provided under FMLA;

Discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

#### Enforcement

An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

FMLA does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.

FMLA section 109 (29 U.S.C. § 2619) requires FMLA covered employers to post the text of this notice. Regulations 29 C.F.R. § 825.300(a) may require additional disclosures.

"NOTICE A"PREGNANCY DISABILITY LEAVE

Under the California Fair Employment and Housing Act (FEHA), if you are disabled by pregnancy, childbirth or related medical conditions, you are eligible to take a pregnancy disability leave (PDL). If you are affected by pregnancy or a related medical condition, you are also eligible to transfer to a less strenuous or hazardous position or to less strenuous or hazardous duties, if this transfer is medically advisable. You are also eligible to receive reasonable accommodation for conditions related to pregnancy, childbirth, or related medical conditions if you request it with the advice of your health care provider.

- The PDL is for any period(s) of actual disability caused by your pregnancy, childbirth or related medical conditions up to four months (or 88 work days for a full-time employee) per pregnancy.
- The PDL does not need to be taken in one continuous period of time but can be taken on an as-needed basis.
- Time off needed for prenatal care, severe morning sickness, doctor-ordered bed rest, childbirth, and recovery from childbirth would all be covered by your PDL.
- Generally, we are required to treat your pregnancy disability the same as we treat other disabilities of similarly situated employees. This affects whether your leave will be paid or unpaid.
- You may be required to obtain a certification from your health care provider of your pregnancy disability or the medical advisability for a transfer or reasonable accommodation. The certification should include:
  - 1) the date on which you become disabled due to pregnancy or the date of the medical advisability for the transfer or reasonable accommodation;
  - 2) the probable duration of the period(s) of disability or the period(s) for the advisability of the transfer or reasonable accommodation; and,
  - 3) a statement that, due to the disability, you are unable to work at all or to perform any one or more of the essential functions of your position without undue risk to yourself, the successful completion of your pregnancy or to other persons or a statement that, due to your pregnancy, the transfer or reasonable accommodation is medically advisable.
- At your option, you can use any accrued vacation or other accrued time off as part of your pregnancy disability leave before taking the remainder of your leave as an unpaid leave. We may require that you use up any available sick leave during your leave. You may also be eligible for state disability insurance for the unpaid portion of your leave.
- Taking a pregnancy disability leave may impact certain of your benefits and your seniority date. If you want more information regarding your eligibility for a leave, the impact of the leave on your seniority and benefits, and our policy for other disabilities, please contact

"NOTICE B"FAMILY CARE AND MEDICAL LEAVE (CFRA LEAVE) AND  
PREGNANCY DISABILITY LEAVE

- Under the California Family Rights Act of 1993 (CFRA), if you have more than 12 months of service with us and have worked at least 1,250 hours in the 12-month period before the date you want to begin your leave, you may have a right to an unpaid family care or medical leave (CFRA leave). This leave may be up to 12 workweeks in a 12-month period for the birth, adoption, or foster care placement of your child or for your own serious health condition or that of your child, parent or spouse.
- Even if you are not eligible for CFRA leave, if disabled by pregnancy, childbirth or related medical conditions, you are entitled to take a pregnancy disability leave of up to four months, depending on your period(s) of actual disability. If you are CFRA-eligible, you have certain rights to take BOTH a pregnancy disability leave and a CFRA leave for reason of the birth of your child. Both leaves contain a guarantee of reinstatement to the same or to a comparable position at the end of the leave, subject to any defense allowed under the law.
- If possible, you must provide at least 30 days advance notice for foreseeable events (such as the expected birth of a child or a planned medical treatment for yourself or of a family member). For events which are unforeseeable, we need you to notify us, at least verbally, as soon as you learn of the need for the leave.
- Failure to comply with these notice rules is grounds for, and may result in, deferral of the requested leave until you comply with this notice policy.
- We may require certification from your health care provider before allowing you a leave for pregnancy or your own serious health condition or certification from the health care provider of your child, parent, or spouse who has a serious health condition before allowing you a leave to take care of that family member. When medically necessary, leave may be taken on an intermittent or a reduced work schedule.
- If you are taking a leave for the birth, adoption or foster care placement of a child, the basic minimum duration of the leave is two weeks and you must conclude the leave within one year of the birth or placement for adoption or foster care.
- Taking a family care or pregnancy disability leave may impact certain of your benefits and your seniority date. If you want more information regarding your eligibility for a leave and/or the impact of the leave on your seniority and benefits, please contact
