2006-07 ADOPTED BUDGET

The 2006-07 Adopted Budget reflects a net County cost decrease of \$12.3 million primarily due to the transfer of appropriation (including 47.0 positions) and revenue from the former Level One budget unit, Beaches and Harbors, into the newly created Level Two Marina budget unit. The new organization structure effective in FY 2006-07 consists of a new Level One summary organization, Beaches and Harbors, and two new Level Two organizations, Beaches and Marina.

BEACHES & HARBORS-MARINA

FUNCTION	FUND	ACTIVITY
RECREATION & CULTURAL SERVICES	GENERAL FUND	SMALL CRAFT HARBORS

The Beaches and Harbors Marina Revenues Budget was established upon the retirement of the Marina Del Rey Certificates of Participation, which resulted in the elimination of the Marina Del Rey Debt Service Fund and subsequent transfer of all Marina related revenues to the Beaches and Harbors Marina Revenues Budget. This negative net County cost budget unit provides funding for the Beaches and Harbors operating budget, the Marina Replacement A.C.O. Fund, and other general countywide functions.

CHILDREN AND FAMILY SERVICES ADMINISTRATION

FUNCTION	FUND	ACTIVITY
PUBLIC ASSISTANCE	GENERAL FUND	ADMINISTRATION

The Department of Children and Family Services, with its community partners, will provide a comprehensive children protection system to ensure that children grow up safe, physically and emotionally healthy, educated, and in permanent homes. The system design will facilitate the following outcomes for children: (a) Improved Permanence – shortening the timelines for permanency for children removed from their families with a particular emphasis on reunification, kinship and adoption, including reductions in the emancipation population; (b) Improved Safety – significantly reducing the recurrence rate of abuse or neglect for children investigated, and reducing the rate of abuse in foster care; (c) Reduced Reliance on Detention – reducing reliance on removing children from their homes through expansion of alternative community-based strategies to help families.

PUBLIC ASSISTANCE	GENERAL FUND	OTHER ASSISTANCE

The Assistance budget unit consists of seven components, which give direct assistance to recipients either in the form of cash payments or social services through contract agencies. They are subsidized by State and federal funds. Foster Care provides support to children who are placed in out-of-home care due to actual or potential abuse or neglect. Adoption Assistance provides aid to prospective adoptive parents to meet the additional expenses of special needs children. Seriously Emotionally Disturbed Children Program provides board and care costs for children who require services as part of an Individual Educational Plan. Child Abuse Prevention Program (authorized by AB 1733) assists public and private agencies in providing child abuse and neglect prevention and intervention programs to meet the needs of high-risk children. KinGAP provides assistance to relatives who assume guardianship for children and dependency is dismissed. Special Programs provides funding for services, for which little or no funding source is available, that would enable children to remain safely with their families or achieve timely permanency. Promoting Safe and Stable Families Program provides family support, Time Limited Family Reunification, family preservation, and adoption Promotions and Support Services to individuals and families through contracts with private agencies.

2006-07 ADOPTED BUDGET

The 2006-07 Adopted Budget reflects the adjustments for the creation of the new Department of Public Health (DPH) and separation from the Department of Health Services (DHS) as approved by the Board on May 30, 2006. The new DPH consists of the following transferred budget units: Public Health, Office of AIDS Programs and Policy, Alcohol and Drug Programs Administration, Children's Medical Services, and Antelope Valley Rehabilitation Centers.

The 2006-07 Adopted Budget also includes funding for ongoing costs for existing programs, for negotiated increases in medical school affiliation agreements and Public-Private Partnership Clinics agreements, and for the purchase of critical medical equipment; and an increase in budgeted positions primarily related to nursing positions in order to meet mandated nurse-to-patient staffing ratios, positions to provide trauma/urgent care services at Harbor-UCLA, orthopedic services at Olive View/UCLA, health information management positions

at the various hospitals and health facilities, and critical administrative support positions. The budget reflects a net increase in Medi-Cal revenue related to Medi-Cal Redesign for hospital financing. The 2006-07 Adopted Budget is fully funded with available resources, including \$141.3 million from the designation.

The 2006-07 Adopted Budget reflects the phased-in reduction of the budgeted census at LAC+USC, as long as expanded outpatient services are established and operational efficiencies are achieved; and a budgeted census reduction at Rancho Los Amigos National Rehabilitation Center. These adjustments are consistent with the terms of the Harris-Rodde Settlement Agreements.

2006-07 ADOPTED BUDGET

The 2006-07 Adopted Budget reflects a net County cost (NCC) reduction of \$999,000, primarily attributable to an increase in General County overhead recoveries which help fund the costs of the Department's NCC programs; the reduction is partially offset by increased funding for non-reimbursable salaries and employee benefits approved by the Board, higher non-reimbursable utilities costs due to rate increases for electricity and natural gas, an additional position for the Facilities Service Coordinator Program, and increased funding for

the Cooperative Extension Program. The Adopted Budget also reflects a net increase of 31.0 positions, including 25.0 for the expansion of IT Services, 16.0 positions to augment Facilities Operations Services, 1.0 position for Purchasing and Contract Services, and 3.0 positions for Administration and Finance Services, partially offset by a deletion of 14.0 vacant custodial positions.

2006-07 ADOPTED BUDGET

The 2006-07 Adopted Budget reflects an overall decrease in net County cost primarily due to the elimination of one-time Performance Incentives – Net County Cost (PI-NCC) funding approved by the Board of Supervisors on April 20, 2004 and June 21, 2004 and increased Realignment revenue. The Adopted Budget also reflects an increase in available funding for: 1) Medi-Cal Administration to

reduce caseload per worker; 2) CalWorks Welfare-to-Work activities to reduce sanctions and increase participation; 3) increased enrollment in the IHSS Provider Health Care Plan; 4) PI-NCC to finance stakeholder's recommendations approved by the Board on May 10, 2005; and 5) support of the three Board-approved General Relief projects for the homeless.

TRIAL COURT OPERATIONS

FUNCTION	FUND	ACTIVITY
PUBLIC PROTECTION	GENERAL FUND	JUDICIAL

The Trial Court Funding Act (TCFA) of 1997 (Assembly Bill 233, Chapter 850, Statutes of 1997) provides long-term fiscal relief to counties by capping the counties' contribution for court operations. The TCFA requires counties to make an annual Maintenance of Effort (MOE) payment to the State for support of trial courts and to continue to fund certain court-related expenditures such as indigent defense, collections enhancement, local judicial benefits, judicial and court support positions created prior to July 1, 1996, and court facilities (including building/grounds maintenance and alterations/improvements). Revenue from court fines and fees is used to partially finance the MOE obligation to the State and court-related expenditures.

The equipment identified on this page reflects County equipment requirements to be financed through the Los Angeles County Capital Asset Leasing Corporation (LAC-CAL) in 2006-07. The County Board of Supervisors has not allocated, reserved or otherwise set aside any funds in the County's 2006-07 Final Budget to purchase the equipment identified above.

It is officially the intention of the County Board of Supervisors that the acquisition of such equipment be initially funded through the issuance of Bond Anticipation Notes (BANs) or another short-term financing mechanism. The BANs will be issued by LAC-CAL and purchased as an investment by the County Treasury Pool in an amount sufficient to acquire and deliver the identified equipment. Any such costs, which are initially funded by BANs, will be properly capitalized under general federal income tax principles.

Further, the Board of Supervisors expects the outstanding BANs to be redeemed and the County Treasury Pool to be reimbursed, through the issuance of taxable or tax-exempt, intermediate-term lease revenue bonds, certificates of participation, or through a lease with a third-party lessor. The amounts specified above represent the maximum principal amounts of such intermediate-term obligations to be issued for the specified equipment.

These official intentions of the Board of Supervisors with respect to the LAC-CAL Equipment Program have been specified in accordance with U.S. Treasury Regulation 1.150-2.

PW - SOLID WASTE MANAGEMENT FUND

FUNCTION	FUND	ACTIVITY
HEALTH AND SANITATION	PW - SOLID WASTE MANAGEMENT FUND	SANITATION

This fund was established by the Board of Supervisors on September 15, 1991 to comply with the mandates of the California Integrated Waste Management Act of 1989 (Assembly Bill 939). This Act required Los Angeles County and each city in the County to prepare, adopt, and implement their own waste diversion program in order to achieve the Act's waste reduction mandate. The Act also requires the Department to prepare the Countywide Integrated Waste Management Summary Plan and the Countywide Siting Element for all 88 cities within the County. Fund requirements are primarily financed by landfill tipping fees and the imposition of a per-parcel service charge on real property in the unincorporated areas.

2006-07 ADOPTED BUDGET

The Internal Service Fund is designed to simplify billings for services provided between the multiple funds that finance the Public Works' operations. This fund allows for salaries and employee benefits, material and supplies, and equipment charges for Public Works to be paid through the fund and the appropriate amounts recovered for each special fund.

The 2006-07 Adopted Budget reflects an overall increase primarily due to increases in salaries and employee benefits, fixed asset equipment, and additional staff needed to meet requirements for Watershed Management, Waterworks and Sewer Maintenance and enhanced zoning enforcement in the Unincorporated County Areas.

HEALTH CARE SELF-INSURANCE FUND

This fund was established by the Board of Supervisors on September 15, 1992, and became effective January 1, 1993. The fund provides non-represented employees with a self-funded health plan that offers a variety of health care options.

LANDSCAPE MAINTENANCE AND LLAD-LANDSCAPE DISTRICTS SUMMARY

FUND
VARIOUS

Landscape Maintenance Districts are established pursuant to the provisions of the Improvement Act of 1911, Streets and Highways Section 500 et seq. These Districts are specifically designed to create a tax entity in perpetuity for the purpose of maintaining landscape road medians, parkways, greenbelts, and other areas specifically designated in the formation of the District. Funding for these Districts is through ad valorem taxes.

The Landscaping and Lighting Act Districts are formed pursuant to the provisions of the Landscaping and Lighting Act of 1972 of Part 2 of Division 15 of the Streets and Highways Code of the State of California. These Districts provide for maintenance of landscaped areas and other open space areas designated within the boundary of the Districts for which maintenance easements have been granted to the County. Benefiting properties pay an assessment through their property taxes to maintain and service the landscaping and appurtenant improvements within these Districts.

2006-07 ADOPTED BUDGET

The 2006-07 Adopted Budget reflects a decrease in appropriation which reflects the deletion of \$2.4 million due to the completion of a capital project. This deletion is offset by an increase in appropriation to fund development and maintenance of parkway panels, median strips, and open space areas including new areas and zones.

2006-07 ADOPTED BUDGET

The 2006-07 Adopted Budget continues funding for the routine administration and management of the drainage systems and anticipated activities in the various BMTCFD. The overall increase reflects additional funding for construction activities in the Valencia and the Route 126 Districts partially offset by a decrease in funding requirements for the Castaic District.

The 2006-07 Adopted Budget reflects funding requirements for several major projects such as the Termino Avenue Drain, Outlet Rehabilitation at Oxford Basin, Big Tujunga Seismic Rehabilitation, and Watershed Enhancement, offset by a short-term reduction in construction costs due to delays in Total Maximum Daily Loads Implementation schedule.

FUND
VARIOUS

Lighting Districts are established pursuant to the Streets and Highway Code, Highway Lighting District Act of 1909 and 1911, for the installation and maintenance of street lighting systems. Street Lighting Assessment Districts are formed under the provisions of the Landscaping and Lighting Act of 1972, Part 2, Division 15, of the Streets and Highways Code. The purpose of these districts is to levy an assessment on each lot or parcel based on benefits to be received from the existing street lighting improvements. This appropriation provides for the operation, maintenance, and repair of street lighting in various districts throughout Los Angeles County.

The 2006-07 Adopted Budget reflects an increase in appropriation to fund development and continued maintenance of parkway panels, median strips, slopes, and open space areas.

REGIONAL PARK & OPEN SPACE DISTRICT SUMMARY

FUND
VARIOUS

This District was established as a result of voters' approval of the Safe Neighborhood Parks Proposition on November 3, 1992, under the provisions of the Landscape and Lighting District Act of 1972 and Section 5506.9 of the Public Resources Code. The District provides for park, recreation and open space capital projects in unincorporated and incorporated areas of Los Angeles County, and is financed with special assessments. On November 5, 1996, the voters approved a second Safe Neighborhood Parks Proposition. This second Proposition levied an additional assessment within the District, amended the method of the assessment, and authorized expenditure of District revenues for any authorized purpose of the District.

FINAL COUNTY BUDGET
REFERENCE SCHEDULES TO
THE BUDGETARY FINANCIAL STATEMENTS
IN THE COMPREHENSIVE ANNUAL FINANCIAL REPORT
FISCAL YEAR ENDED JUNE 30, 2006

In addition to the Final County Budget, the County also prepares a Comprehensive Annual Financial Report (CAFR), which contains financial statements that have been prepared in accordance with generally accepted accounting principles. Included in the CAFR are budgetary financial statements which have been prepared for certain governmental fund types. Because of the large number of individual funds and budget units, the CAFR financial statements are presented on an aggregated basis to combine funds, also known as fund groups, which are similar in nature.

These reference schedules identify the name of the individual fund or budget unit that makes up the detail for each CAFR fund group at the expenditure level by function. The reference schedule columns are defined below.

- 2006-2007 Final Budget Page Reference column represents the detailed budgeted schedules for each fund or budget unit as shown in the 2006-2007 Final County Budget Book.
- Adopted Budget column represents the original budget adopted by the County Board of Supervisors as shown in the 2005-2006 Final County Budget Book.
- Adjusted Budget column represents the final fiscal year 2005-2006 budget as shown in the 2006-2007 Final County Budget Book.
- Actual on the Budgetary Basis column represents the actual expenditures, including encumbrances, and the actual revenue as shown in the 2006-2007 Final County Budget Book.

The information is presented to demonstrate the budgetary control for each individual fund or budget unit within the fund group for each Statement/Schedule of Revenue, Expenditures, and Changes in Fund Balances - Budget and Actual on a Budgetary Basis as shown in the CAFR.
