**Public Health - Statham Fund** ..... 2.69

The Statham Fund was established by Chapter 661, Statutes of 1980, which imposed a penalty assessment on convicted drunk drivers. These funds must be deposited into a special fund by the courts in each county, and must be used to offset the cost of treating alcohol abuse. The 2008-09 Proposed Budget reflects a decrease in program funding consistent with available resources.

**Public Library** ..... 2.70

This budget unit is formed pursuant to California Government Code Sections 19100 - 19116 and reflects appropriation for Public Library operations. The 2008-09 Proposed Budget reflects additions and reductions in funding from various sources. The Department's primary source of funding is property tax and voter-approved special tax revenues. For additional information, please refer to the Public Library section in Volume One.

**Public Library - A.C.O. Fund** ..... 2.72

This budget unit is administered by the Public Library. It funds capital improvements and large equipment purchases for the Public Library. Its primary source of funding is operating transfers from the Public Library's operating budget. The 2008-09 Proposed Budget reflects a decrease in funding as a result of reducing services and supplies and fixed assets appropriation for contract services related to the Integrated Library System.

**Public Library - Developer Fee Summary** ..... 2.73

These funds, administered by the County Public Library, accumulate revenue generated by the Library Facilities Mitigation Fee Program, as authorized by Chapter 22.72 of the County Code, adopted in 1998, to acquire land, construct facilities, and purchase equipment and library materials. This program encompasses all unincorporated areas served by the County Library, with funds being accumulated in seven developer fee planning areas. The 2008-09 Proposed Budget reflects an increase in carryover fund balance, offset by a reduction in revenue from developer fees.

**Public Works - Article 3 - Bikeway Fund** ..... 2.74

This budget provides for the operation and maintenance of the bikeway network in unincorporated County areas. Any remaining funds are utilized as the required local match to various discretionary grants for the design and construction of new pedestrian and bicycle facilities. Bikeway activities are financed by a percentage of State sales tax and various local, State and federal discretionary grants. The 2008-09 Proposed Budget reflects an overall decrease of \$844,000 primarily due to a reduction of fund balance, offset by cancellation of designations, and the transfer of funding to the Proposition C Local Return Fund for the South Bay Bike Trail and San Gabriel River Bike Trail projects.

**Public Works - Aviation Capital Projects Fund** ..... 2.75

This budget provides funding for new construction improvements, projects, airport operations, maintenance and repairs at the County's five general airports. The main sources of revenue for this budget are State and federal revenue and operating transfers from the Aviation Enterprise Fund. The 2008-09 Proposed Budget reflects a decrease of \$4,712,000 primarily due to the completion of major projects such as the Fox Field Pavement Rehabilitation, Compton Airport Storm Drain Retrofit, and Whiteman Airport Parking Ramp projected to be completed in the prior fiscal year.

**Public Works - Off-Street Meter and Preferential Parking Districts Fund** ..... 2.76

This fund provides for the operation and maintenance of five Off-Street Parking Meter Districts; security guard services for selected County-owned parking lots; issuance of parking permits to the residents of Poulter Drive, Young Drive, Ramona, El Camino, Marcheta, and Ladera Heights Preferential Parking Districts; and the installation of parking meters. The fund is financed by revenues from parking meter collections, permit fees, and reimbursements from community agencies. The 2008-09 Proposed Budget reflects continued funding for the off-street parking programs and provides funds for needed maintenance and repair of parking meter equipment.

**Public Works - Proposition C Local Return Fund** ..... 2.77

This fund provides financing for street, bikeway, road and highway improvements; and five major multi-year traffic signal synchronization and intelligent transportation system forums in Los Angeles County. On November 6, 1990, the voters approved Proposition C, which added one-half of one percent to the local sales tax in Los Angeles County for street improvements, public transit projects, and bikeway improvements. The 2008-09 Proposed Budget reflects an overall decrease of \$39.3 million primarily

due to the anticipated completion of projects such as the Transportation Systems Management program funded by a Metropolitan Transportation Authority grant, pavement rehabilitation programs funded by federal Urban Aid revenue, as well as a reduction in fund balance required to fund those projects and the unincorporated County roads programs in 2007-08.

**Public Works - Road Fund** ..... 2.78

This budget unit is administered by the Department of Public Works. For additional information, please refer to the Public Works section in Volume One.

**Public Works - Solid Waste Management Fund** ..... 2.80

This fund, established by the Board of Supervisors on September 15, 1991 to comply with the mandates of the California Integrated Waste Management Act of 1989 (Assembly Bill 939), provides for the continual implementation of the Countywide Integrated Waste Management Summary Plan and the Countywide Siting Element; including the development and implementation of countywide waste reduction programs. Fund requirements are primarily financed by landfill tipping fees and the imposition of a per-parcel service charge on real property in the unincorporated areas. The 2008-09 Proposed Budget reflects a net decrease of \$4,962,000 due to delays in the Integrated Waste Management fee increase previously anticipated to take effect in the prior fiscal year, and a decrease in anticipated settlements with waste haulers. The Proposed Budget includes an estimated increase in the Integrated Waste Management fee from \$0.86 to \$1.50 per ton.

**Public Works - Special Road Districts Summary** ..... 2.81

These funds were established to provide street and highway maintenance improvements in the unincorporated areas of Los Angeles County. Property taxes collected under the authority of the California Street and Highway Code Section 1550 help finance construction and maintenance projects such as pavement widening; sidewalk work to prevent erosion; construction of concrete driveways, sidewalks, curbs, and gutters to improve drainage; and graffiti removal work. The 2008-09 Proposed Budget reflects a decrease in appropriation primarily due to a reduction of appropriation for contingency and a reduction in estimated property tax receipts. The budget reflects a continuation of current service levels.

**Registrar-Recorder - Micrographics Fund** ..... 2.82

This fund, authorized by Assembly Bill 3332 (California Government Code Section 27361.4), provides the funding to defray the cost of converting the County Recorder's document storage system to micrographics/images. The fund is financed by a \$1.00 fee charged for filing every instrument, paper or notice for record. The 2008-09 Proposed Budget reflects anticipated fund balance and receipt of revenue based on prior years' experience.

**Registrar-Recorder - Modernization/Improvement Fund** ..... 2.83

This fund, authorized by Senate Bill 21 (California Government Code Section 27361), is used to support, maintain, improve and provide for the modernization, retention and retrieval of information in the County's system of recording documents. The fund is financed by a \$1.00 per page fee charged for recording documents. The 2008-09 Proposed Budget reflects anticipated fund balance and receipt of revenue based on prior years' experience.

**Registrar-Recorder - Vitals and Health Statistics Fund** ..... 2.84

This fund, authorized by Senate Bill 1535 (California Health and Safety Code Section 10605.3), provides for the modernization of vital record operations, including the improvement and automation of vital record systems and collection and analysis of birth and death certificate information. The fund is financed by fees charged for certified copies of vital records. The 2008-09 Proposed Budget reflects anticipated fund balance and receipt of revenue based on prior years' experience.

**Sheriff - Automated Fingerprint Identification System Fund** ..... 2.85

This fund, authorized by Section 76102 of the California Government Code, provides for the operation and maintenance of the Automated Fingerprint Identification System. Funding is provided from an assessment of 50 cents on every \$10.00, or fraction thereof, for fines, penalties, or forfeitures levied and collected by the courts for criminal offenses. Pursuant to California Vehicle Code Section 9250.19, an additional fee of one dollar is paid to the Department of Motor Vehicles and passed through to the County, at the time of vehicle registration renewal, for the purchase and upgrade of Livescan technology. The 2008-09 Proposed Budget reflects carryover of prior year funds and appropriation for various automation enhancement projects.

**Sheriff - Automation Fund** ..... 2.86

Section 26731 of the California Government Code provides that \$10.00 of any fee collected by the Sheriff’s Court Services Division shall be deposited into this special fund for the exclusive use of the Sheriff’s Court Services Division. These funds may only be used for the purchase of auxiliary automation equipment and other operational equipment deemed necessary for the Division. The 2008-09 Proposed Budget reflects an increase in appropriation primarily due to an increase in carryover fund balance and revenue.

**Sheriff - Countywide Warrant System Fund** ..... 2.87

Section 40508.5 of the California Vehicle Code authorizes an assessment of \$15.00 upon persons who violate their written promise to appear, or for failure to pay a fine lawfully imposed by the court. These funds are to be used exclusively for the development and operation of the Automated Countywide Warrant System. The 2008-09 Proposed Budget reflects ongoing system maintenance requirements.

**Sheriff - Inmate Welfare Fund** ..... 2.88

Pursuant to Section 4025 of the California Penal Code, this fund provides for the benefit, education, and welfare of inmates confined within County jails. Expenditures from this fund are restricted by State law and are fully funded from commissions earned from vending machine sales, pay-telephone usage, and interest on deposited funds. The 2008-09 Proposed Budget provides for the continuation of existing inmate welfare programs and maintenance of custody facilities.

**Sheriff - Narcotics Enforcement Special Fund** ..... 2.89

This fund was established in 1984 in accordance with Section 11489 of the California Health and Safety Code. It provides for the distribution of assets forfeited in connection with violation of laws governing controlled substances. The 2008-09 Proposed Budget reflects continued funding to support the Success Through Awareness and Resistance Program, vehicle tracking systems, and vehicle purchases.

**Sheriff - Processing Fee Fund** ..... 2.90

Section 26746 of the California Government Code provides that a processing fee shall be assessed for each disbursement of money collected under a writ of attachment, execution, possession, or sale. Proceeds are used to offset the Sheriff’s cost for replacement and maintenance of vehicles and equipment. The 2008-09 Proposed Budget reflects increased funding for acquisition of vehicles and inmate transportation buses due to an increase in carryover fund balance and revenue.

**Sheriff - Special Training Fund** ..... 2.91

This fund was established by Board order in 1996 to fund law enforcement training programs. Revenue is received from law enforcement training provided to other law enforcement jurisdictions. The 2008-09 Proposed Budget reflects continued funding for services and supplies and fixed assets requirements for training.

**Sheriff - Vehicle Theft Prevention Program Fund** ..... 2.92

This fund is authorized by California Vehicle Code Section 9250.14 and must be used for programs to deter, investigate, and prosecute vehicle theft crimes. The 2008-09 Proposed Budget reflects funding for the continuation of this program.

**Small Claims Advisor Program Fund** ..... 2.93

Pursuant to Section 116.230 of the California Code of Civil Procedure, a portion of the fee imposed on Small Claims Court filings is deposited in this fund to finance the Small Claims Advisor Program. The program is operated by the Department of Consumer Affairs. The 2008-09 Budget Request reflects continued financing for this program.

**Tobacco Revenue Capital Project Fund** ..... 2.94

In November 1998, the State of California ("the State") and other states and U.S. jurisdictions entered into a settlement of certain cigarette smoking-related litigation ("MSA") with participating cigarette manufacturers which entitle settling jurisdictions to certain payments from these manufacturers in future years. The County has the right, title and interest, pursuant to agreements with the State and other participating jurisdictions, to a share of the tobacco settlement revenues ("TSRs") received by the State under the MSA. In 2006, the County issued bonds to securitize 25.9 percent of its right, title and interest to TSRs to be received starting in 2011. The 2008-09 Proposed Budget reflects the full utilization of fund balance in 2006-07 from the issuance of the securitized bonds for the LAC+USC Medical Center Replacement Project.

## Special Districts

The following Special Districts provide a variety of specialized services to various locations throughout the County. They are financed by a combination of property taxes, benefit assessments, and user charges as a means of equitably distributing the costs of providing services to benefited properties and residents.

### **Fire Department/Fire Department A.C.O. Fund** .....3.3, 3.5

These funds are administered by the Fire Department and provide funding for capital improvements, including the replacement and construction of additional fire stations. The 2008-09 Proposed Budget request anticipates bond financing to provide sufficient funding for existing capital projects.

### **Parks and Recreation - Landscape Maintenance Districts and LLAD Summary** ..... 3.6

These districts are administered by the Department of Parks and Recreation. Landscape Maintenance Districts and Landscaping and Lighting Act Districts (LLAD) provide maintenance for landscaping on road medians, parkways, greenbelts, and other open space areas designated within the boundaries of the districts, for which maintenance easements have been granted to the County and for which property owners pay a benefit assessment. The 2008-09 Proposed Budget includes the transfer of Zone No. 47- North Park to the City of Santa Clarita, and reflects an overall increase in appropriation and available financing to fund development and continued maintenance of parkway panels, median strips, slopes, and open space areas.

### **Parks and Recreation - Recreation and Park Districts and LLAD Summary** ..... 3.7

These districts are administered by the Department of Parks and Recreation. Recreation and Park Districts are special tax districts which receive ad valorem property taxes. These districts were formed under the provisions of Section 5780 et seq. of the California Public Resources Code to make landscape improvements and provide for their continued maintenance. The 2008-09 Proposed Budget reflects an increase in appropriation and available financing to fund development and continued maintenance of parkway panels, median strips, slopes, and open space areas.

### **Public Works - Flood Control District** ..... 3.8

This budget is administered by the Department of Public Works. The Flood Control District constructs and maintains dams, debris basins and storm drain systems to provide regional and local flood protection in the County. Funding is provided mainly through property tax and benefit assessment collections. The 2008-09 Proposed Budget reflects an overall net increase of \$24.0 million primarily due to a \$25.0 million increase in State revenue mainly for partial reimbursement for prior year expenditures associated with the Los Angeles County Drainage Area project. Additionally, there are significant revenue increases such as: a \$9.0 million increase in revenue for charges to cities for the Hansen Spreading Grounds Improvements-Basin Reconfiguration and interbasin structures and perimeter landscaping; a \$7.0 million increase in Federal Hazard Mitigation grant revenue for the Big Tujunga Dam Seismic Rehabilitation; and a \$4.0 million increase in other governmental revenue for the Rio Hondo/San Gabriel Cost Basin Spreading Grounds Pipeline Project; offset by the cancellation of designations and a reduction in fund balance. This one-time net increase will be used to offset cost increases of \$3.7 million for the Integrated Water Resource Planning, Watershed Management and Flood Plan Management Programs; \$4.3 million for the Stormwater and Urban Runoff Quality Program; and \$24.0 million for the Water Conservation Program. The Proposed Budget also reflects a \$9.0 million decrease in the Flood Control, Public Information Services Real Property Management, and Survey Support Services Programs.

### **Public Works - Flood Control/Debt Services Summary** ..... 3.10

The Flood Control/Debt Services Budget provides for the redemption and interest payment of Flood Control District Storm Drain Bonds approved by the electorate in 1970. The 2008-09 Proposed Budget reflects final payment and maturity of the 1970 Storm Drain Bond No. 4 in 2007-08. Any remaining fund balance will be deposited into the Flood Control Fund.

**Public Works - Garbage Disposal Districts Summary** ..... 3.11

The Garbage Disposal Districts (GDD) provide garbage and disposal services within specified unincorporated areas of Los Angeles County. Funding is provided through the garbage collection and disposal service fee levied upon real properties in each of the GDD and a limited amount of ad valorem property taxes for six of the seven GDD. The 2008-09 Proposed Budget reflects an overall increase of \$4.3 million primarily due to anticipated increases in garbage collection contract costs, offset by increases in proposed garbage collection and disposal service fees needed to offset increased operating costs.

**Public Works - Other Special Districts Summary** ..... 3.12

Other Special Districts include the Antelope Valley Drainage Fee District, Drainage Special Assessment Areas, and Bridge and Major Thoroughfare Construction Fee Districts (BMTCFD). These districts provide a variety of services including: maintenance of dewatering wells; cleaning of catch, storm, and retention basins; and construction of roads and highways required for future development. The 2008-09 Proposed Budget continues funding for the routine administration and management of the drainage systems, and anticipated construction activities in various BMTCFD, reflecting a \$3,967,000 net increase primarily due to the anticipated completion of construction projects in the Valencia District, funded by increased revenues and fund balance. Other BMTCFD ongoing projects are funded by reductions of various financing elements such as other charges, other financing uses and contingencies.

**Public Works - Sewer Maintenance Districts Summary** ..... 3.13

This budget provides for the operation, construction and/or upgrades of sewer systems for two sewer maintenance districts, one accumulative capital outlay fund, and nine tax zones. The primary source of revenue is the sewer service charge imposed on parcels of real property. The 2008-09 Proposed Budget reflects an overall decrease of \$2.1 million primarily due to a reduction in appropriation for contingencies and designations of \$2.4 million and \$2.3 million, respectively, used to finance an additional \$2.6 million in increased sewer maintenance operating costs required to meet State mandated sanitary sewer overflow regulations, adopted May 2, 2006, to eliminate sewer overflows; and a reduction of revenue due to the transfer of a parcel from the Consolidated Sewer Maintenance District, anticipated to be incorporated in the City of Lancaster, effective July 1, 2008.

**Public Works - Street Lighting Districts/LLAD Summary** ..... 3.14

This budget provides for the operation, maintenance, and repair of street lighting in various districts throughout Los Angeles County. Funding is provided through property tax and benefit assessment collections. The 2008-09 Proposed Budget reflects an increase in appropriation primarily due to increases in energy cost and refurbishment of lighting standards in many districts, offset by a reduction in contingencies and designations.

**Regional Park and Open Space District Summary** ..... 3.15

On November 3, 1992, Los Angeles voters approved the Safe Neighborhood Parks Proposition, which established the Regional Park and Open Space District to fund the acquisition and development of park, recreation, and open space resources in the unincorporated and incorporated areas of the County through the collection of a benefit assessment on property. Subsequently, on November 5, 1996, the voters approved a second Safe Neighborhood Parks Proposition, which levied an additional assessment within the District, amended the method of the assessment, and authorized expenditure of excess District revenues for any authorized purpose of the District. In March 2007, the District issued Refunding Revenue Bonds Series 2007A which was available for delivery on July 5, 2007, to refund the then outstanding 1997 Revenue Bonds, which allowed more assessments to be utilized for authorized purposes of the District. The 2008-09 Proposed Budget reflects funding for both County and outside agency capital projects, financed through the benefit assessment.

# Other Proprietary Funds

## Other Proprietary Funds

Other Proprietary Funds (Enterprise and Internal Service Funds) account for those governmental activities which are similar to those found in the private sector.

Internal Service Funds account for the financing, on a cost-reimbursement basis, of goods or services provided by one department or agency to other departments or agencies of the County or other governmental units.

Enterprise Funds account for operations providing goods or services to the general public which are recovered primarily through user charges.

### **Health Care Self-Insurance Fund** ..... 4.2

This fund was established by the Board of Supervisors on September 15, 1992, which became effective on January 1, 1993, to provide nonrepresented employees with self-funded health plans that offer a variety of health care options. The 2008-09 Proposed Budget reflects increases in expenses and revenue to reflect increases in enrollment from the prior year and projected increases in health insurance premiums.

### **Public Works - Aviation Enterprise Fund** ..... 4.3

This fund provides for the operation, maintenance, and repair of airport grounds, facilities and equipment, as well as the initiation and management of airport facility leases. This fund also provides for development and financing of County airport improvement projects and planning studies. The main sources of revenue for this fund are payments from the airport management contractor and fuel and oil sales. The 2008-09 Proposed Budget reflects a net decrease of \$1.0 million primarily due to a reduction in fund balance resulting from funds transferred to the Aviation Capital Projects Fund for projects in the prior fiscal year.

### **Public Works - Internal Service Fund** ..... 4.4

This budget unit is administered by the Department of Public Works. For additional information, please refer to the Public Works section in Volume One.

### **Public Works - Transit Operations Fund** ..... 4.6

The Transit Operations Fund was created in 1979 to finance the operations of various bus transit projects and transit assistance programs throughout Los Angeles County. This fund finances the Edmund D. Edelman Children's Court Shuttle, the East Los Angeles Shuttle, the Hahn's Trolley and Shuttle, the Los Nietos Community Shuttle, the Rosewood Flex Route Shuttle, the Avocado Heights Flex Route Shuttle, the unincorporated Whittier area Shuttle, the Summer Beach Bus Program, the Bus Pass Subsidy Program, the Dial-A-Ride services in unincorporated areas, and the operation and maintenance of park-and-ride lots. The main sources of revenue are local sales tax and State/federal grant funds. The 2008-09 Proposed Budget reflects funding for continued construction of a pedestrian walkway connecting the Florence and Slauson Metro Blue Line Stations, next phase of the Rowan-Dozier bus layover improvement, installation of Rapid Bus Shelters, and the future purchase of nine 21- to 25-foot transit buses and 16 five-passenger vans due to anticipated increase in public transportation requirements. Those current projects and future program expansions are funded by a reduction of contingencies and increased designations for future program expansions.

### **Public Works - Waterworks Districts Summary** ..... 4.7

This budget provides funding for the construction, operation, and maintenance of the five operating Waterworks Districts and the Marina del Rey Water System. The 2008-09 Proposed Budget reflects an overall increase of \$7.3 million primarily due to increased operational, maintenance and repair costs, as well as capital projects for District No. 29 Malibu and District No. 40 Antelope Valley; offset by reductions in contingencies and designations, and funded by anticipated increases in revenues.

The Community Development Commission is responsible for the County's housing and community development programs and services, including distribution of the Urban County Community Block Grant funds, administration of County redevelopment projects and management of a variety of housing programs.

Services are funded through federal grant allocations and program income. These services include low- and moderate-income housing development and rehabilitation in unincorporated areas of the County and participating cities; community revitalization and loan assistance for small businesses; maintenance, management, and security of conventional public housing; and subsidies for privately owned rental units (Section 8) in unincorporated areas and cities.

Consistent with past practices, the Community Development Commission is submitting its detailed budget recommendations to the Board of Supervisors under separate cover. The final County budget will be updated to reflect the revised final estimates contained in the Community Development Commission's detailed submission.

### **Community Development Commission Fund** ..... 5.2

This fund consists primarily of appropriation and federal revenue, including Housing and Community Development Act funds, required for the Commission's expenses related to housing, redevelopment and community revitalization. The 2008-09 Proposed Budget reflects a decrease of \$13.8 million or 9.6 percent from the previous year. The decrease is primarily attributable to the La Alameda Shopping Center project nearing completion, delays in the Homeless Shelter Program, and reduced tax increment activity.

### **Housing Authority Fund** ..... 5.3

This fund consists of appropriation and federal revenue primarily received from the United States Department of Housing and Urban Development (HUD) to fund Housing Authority expenses related to Conventional Housing, Modernization and Rental Subsidy Programs. The 2008-09 Proposed Budget increased by \$9.9 million or 3.4 percent primarily related to increased activity in the City of Industry Funds Program, additional rehabilitation planned for Kings Road as well as additional Community Development Block Grant Program funding.

The equipment identified on this page reflects County equipment requirements to be financed through the Los Angeles County Capital Asset Leasing Corporation (LAC-CAL) in 2008-09. The County Board of Supervisors has not allocated, reserved or otherwise set-aside any funds in the County's 2008-09 Proposed Budget to purchase the equipment identified above.

It is officially the intention of the Board of Supervisors that the acquisition of such equipment be initially funded through the issuance of Bond Anticipation Notes (BANs) or another short-term financing mechanism. The BANs will be issued by LAC-CAL and purchased as an investment by the County Treasury Pool in an amount sufficient to acquire and deliver the identified equipment. Any such costs, which are initially funded by BANs, will be properly capitalized under general federal income tax principles.

Further, the Board of Supervisors expects the outstanding BANs to be redeemed and the County Treasury Pool to be reimbursed through the issuance of taxable or tax-exempt, intermediate-term lease revenue bonds, certificates of participation, or through a lease with a third-party lessor. The amounts specified above represent the maximum principal amounts of such intermediate-term obligations to be issued for the specified equipment.

These official intentions of the Board of Supervisors with respect to the LAC-CAL Equipment Financing Program have been specified in accordance with United States Treasury Regulation 1.150-2.

## LANDSCAPE MAINTENANCE AND LLAD-LANDSCAPE DISTRICTS SUMMARY

FUND  
VARIOUS

Landscape Maintenance Districts are established pursuant to the provisions of the Improvement Act of 1911, Streets and Highways Section 500 et seq. These Districts are specifically designed to create a tax entity in perpetuity for the purpose of maintaining landscape road medians, parkways, greenbelts, and other areas specifically designated in the formation of the District. Funding for these Districts is through ad valorem taxes.

The Landscaping and Lighting Act Districts are formed pursuant to the provisions of the Landscaping and Lighting Act of 1972 of Part 2 of Division 15 of the Streets and Highways Code of the State of California. These Districts provide for maintenance of landscaped areas and other open space areas designated within the boundary of the Districts for which maintenance easements have been granted to the County. Benefiting properties pay an assessment through their property taxes to maintain and service the landscaping and appurtenant improvements within these Districts

## REGIONAL PARK &amp; OPEN SPACE DISTRICT SUMMARY

FUND  
VARIOUS

This District was established as a result of voters' approval of the Safe Neighborhood Parks Proposition on November 3, 1992, under the provisions of the Landscape and Lighting District Act of 1972 and Section 5506.9 of the Public Resources Code. The District provides for park, recreation and open space capital projects in unincorporated and incorporated areas of Los Angeles County, and is financed with special assessments. On November 5, 1996, the voters approved a second Safe Neighborhood Parks Proposition. This second Proposition levied an additional assessment within the District, amended the method of the assessment, and authorized expenditure of District revenues for any authorized purpose of the District.

Lighting Districts are established pursuant to the Streets and Highways Code, Highway Lighting District Act of 1909 and 1911, for the installation and maintenance of street lighting systems. Street Lighting Assessment Districts are formed under the provisions of the Landscaping and Lighting Act of 1972, Part 2, Division 15, of the Streets and Highways Code. The purpose of these districts is to levy an assessment on each lot or parcel based on benefits to be received from the existing street lighting improvements. This appropriation provides for the operation, maintenance, and repair of street lighting in various districts throughout Los Angeles County.
