In the event it becomes necessary for the County to use Funds from its reserves for operational purposes, or in the event of an unanticipated event or natural disaster which results in the Board of Supervisors declaring a fiscal emergency, the County shall have the right to reopen the MOU on issues of pay and/or benefits.

A. Effective September 1, 1992, notwithstanding any other provision of this MOU, persons in the bargaining unit, in the Department of Public Works, who, at the request of Management obtain or re-new a class "A" or "B" motor vehicle license, restricted chemical applicator certificate, or other license or certificate, that is not as normal practice, required for the class in which they are employed, shall be reimbursed for the specific cost of such license or certificate as charged by the issuing agency.

B. Apprenticeship

1. All Journey Level positions shall receive appropriate compensation above the full time apprentice employed by the county for that Craft under this MOU.
2. Within ninety (90) days of the ratification of this agreement, Management and Labor will convene a BU 411 Apprenticeship Program Committee to discuss, develop, and implement an Apprenticeship Program that will be of mutual benefit. This Committee shall sunset after successful implementation of the Apprenticeship Program and by mutual agreement of both parties.
3. The County of Los Angeles shall employ full time Apprentices as part of this MOU through the Joint Labor Management Apprenticeship programs of the Craft Unions representing employees under this MOU and Management of the County of Los Angeles.

4. References to apprenticeship including, but not limited to wages, tables, percentages and language were negotiated in good faith to facilitate implementation and employment of apprentices through the Joint Labor Management Apprenticeship programs of the Craft Unions based off Journey-level rates (BU 411).
5. Los Angeles County Civil Service Rules shall be applicable to the BU 411 Apprenticeship Program. The employees selected by the County to become County Apprentices shall meet the minimum requirements of the Joint Labor-Management apprenticeship training program.
6. The County shall pay all apprenticeship training cost for each apprentice to the respective Joint Labor-Management apprenticeship training program. The County of Los Angeles shall not pay apprentices to attend school.
7. The Council (either directly or via the Craft Unions and/or their respective apprenticeship training programs) shall notify the County (Department and CEO's Office) in writing when a County Apprentice has advanced to the next period within his/her apprenticeship training program, and thereafter the County shall increase the County Apprentice's base wage rate that corresponds with that next period's corresponding rate. The County shall complete and return any apprentice evaluations request by the apprenticeship program.

8. Upon the County's, the Council's or a Craft Union's termination of participation in the MOU, the terms of this MOU shall remain in force and will be applicable to any County Apprentice enrolled in a Craft Union's apprenticeship training program for the remainder of his/her enrollment in such apprenticeship training program unless and until his/her apprentice agreement ("DAS 1") is terminated or transferred to any other employer. Otherwise, the terms of this MOU shall remain in effect unless mutually amended by the parties, notwithstanding the expiration of the MOU 411 Agreement.)

9. As a condition of employment, an Apprentice will be required to agree that he/she will:
 - Remain in good standing with the Joint Apprenticeship Committee and Program in which they are being trained.

 - Agree to reimburse the County for the direct and indirect cost of Apprenticeship Training that he/she receives, if the Apprentice chooses to leave the employer, the County of Los Angeles at any time during the Apprenticeship Program, or after three years of completion of their Apprenticeship. Repayment shall be waived in the event the employee retires from the County or in the event of the employee's death or physical or mental disability which precludes the employee from returning to County employment. Other waivers shall be considered on case by case bases, example: an employee is no longer available for employment because they need to provide care to a family member in need.

The parties having jointly reviewed and considered available salary and wage information data, agree that the recommended salaries set forth herein were negotiated in good faith, and that said salaries were determined independently of race, gender, age or national origin.

Section 3. Step Advances

- (a) Full-time permanent employees in this Unit who are below the top step of the salary range and who are eligible for an annual step advance will be granted a step advance only when a competent or better Performance Evaluation has been filed by the employee's department head. The Performance Evaluation shall be filed at least one month prior to the employee's step advance anniversary date and within a period which does not exceed one year prior to that date.

- (b) If no performance review is filed as defined in (a) above, or if an employee receives an Improvement Needed Performance Evaluation, the employee's step advance will not be granted on the date due.

Where no Performance Evaluation is issued in accordance with paragraph (a) above, the employee may request his department head in writing to issue a Performance Evaluation. The department head shall issue a Performance Evaluation within five days of the employee's request. If said evaluation is competent or better, the employee shall be granted a step advance effective to his step advance anniversary date.

- (c) Grievances arising out of this section shall be processed as follows:
- (1) Where no Performance Evaluation has been issued in accordance with (b) above, the employee may file a grievance with the Department of Human Resources. If the Department of Human Resources fails to obtain issuance of such Performance Evaluation within ten days after the grievance is filed with the Department of Human Resources, the employee shall be deemed competent and the step advance shall be processed within 30 days effective to his step anniversary date.
 - (2) Where the department head issues a Performance Evaluation upon request of the Department of Human Resources, and said Performance Evaluation is competent or better, the employee shall be provided a step advance within 30 days effective to his step advance anniversary date.
 - (3) Grievances based on an Improvement Needed Performance Evaluation shall be filed within ten days of issuance with the department head or his designated representative who shall respond to the grievance within ten days. Appeals from a department head decision shall be processed in accordance with Civil Service Rules.
- (d) During the term of this agreement, should any changes be made in the existing categories of Performance Evaluations which adversely impacts the application of this section, the parties agree to meet and renegotiate this section.

In the event an agreement cannot be reached through negotiations, it is agreed that the Union may submit the dispute to arbitration. The arbitrator shall issue an award on the step advances as affected by the changes in existing categories of Performance Evaluations.

Section 5. Elevator Adjustor Duties

Any employee in the unit, in the classification of Elevator Mechanic (Item 6504), who is regularly assigned to perform elevator adjusting duties shall be entitled to additional compensation in the amount of five (5) percent above the rate established for that classification in Article 7 of this Memorandum of Understanding. (Add bonus to base pay)

Section 6.

It is agreed and understood that a temporary employee appointed to a permanent position who has more than one year of full-time continuous service in a temporary position as of January 1, 1995, shall retain his/her current step placement for one year after his/her appointment to the permanent position. After one year, the employee shall advance to the next step of the salary range and shall remain on that step for one year.

Thereafter, the employee shall be placed on the step of the range of the permanent position to which he/she would be entitled if his/her entire continuous service on both the temporary and permanent positions had been on a permanent monthly basis.

Appointments to permanent positions shall be in accordance with applicable Civil Service Rules. This section shall terminate on September 30, 1995, but it is the intent of the parties that the foregoing provisions shall continue to apply to all eligible temporary employees appointed to a permanent position before that date.

The parties agree that the provisions of this section are not intended to establish a precedent.

ARTICLE 8 SPECIAL PAY PRACTICESSection 1. Call Back Pay

Whenever an employee is unexpectedly ordered by his department or district head to return to duty because of unanticipated work requirements, such return to duty shall be deemed to be a callback if the order to return is given to the employee following termination of his normal work shift and departure from his work location. Compensation for a callback shall be a minimum payment of four (4) hours of pay at a rate of time and one-half.

If an employee is unexpectedly called in within the two (2) hours before the start of the regularly-scheduled shift, it shall be considered an early shift start and not a callback. The employee shall be permitted, if work is available in the employee's classification, to work to the end of the regularly-scheduled shift. Work performed in excess of four (4) hours will be compensated for in accordance with the provisions of Article 9, Overtime.

If an employee should complete work required, leave the work location, and subsequently be recalled during the four-hour period being compensated for as a result of the initial callback, no additional compensation will be paid until four hours have been worked by the employee; i.e., there shall be no pyramiding of time and one-half pay as a result of callback.

Section 2. High Work

The parties agree to jointly recommend to the County's Board of Supervisors that said Board adopt and implement by amendment to the applicable provision of the Los Angeles County Code that all employees in the Unit shall, in addition to all other compensation, receive 40 cents per hour commencing September 1, 1987 and 50 cents per hour commencing September 1, 1988, for each hour worked on a ladder, scaffold, swing stage or other like device at or above 30 feet above grade and subject to direct fall.

Section 3. Evening and Night Shift Differential

The parties agree to jointly recommend to the County's Board of Supervisors that said Board adopt and implement by amendment to the applicable provision of the Los Angeles County Code that:

Effective, October 1, 2017, employee employed in a classification in this Unit who is assigned to a regularly established evening or night shift as defined herein shall receive \$1.00 per hour bonus for each hour worked during such shift. An evening shift is a regularly established work shift at least five-eighths of which fall between the hours of 4:00 p.m. and 11:00 p.m. A night shift is a regularly established work shift at least five-eighths of which fall between the hours of 9:00 p.m. and 8:00 a.m.

The parties agree jointly to recommend to the County's Board of Supervisors that effective September 1, 1988, the evening, and night shift differential shall increase by ten cents (\$.10) per hour for a total of sixty cents (\$.60) per hour above the established rate for the classification.

Section 4. Standby Pay

Effective October 1, 2015, it is understood and agreed that employees in this Unit who are assigned regularly-scheduled periods of authorized standby service at off-duty times shall receive a \$1.05 per hour bonus for such service to a maximum of \$400.00 per month.

Effective January 1, 2016, it is understood and agreed that SHERIFF employees in this Unit who are assigned regularly-scheduled periods of authorized standby service at off-duty times shall receive a \$1.50 per hour bonus for such service to a maximum of \$400.00 per month.

Effective January 1, 2016, it is understood and agreed that PUBLIC WORKS employees in this Unit who are assigned regularly-scheduled periods of authorized standby service at off-duty times shall receive a \$1.50 per hour bonus for such service to a maximum of \$400.00 per month.

- A. Management shall specify at the beginning of each quarterly period commencing September 1, 1987, the number of employees by classification that are required to be available for standby work. In the event an insufficient number of voluntary employees are available for such standby work, then the department may assign standby work to the employees on the basis of the least senior employees in the department being so assigned.

- B. Management will attempt to assign standby as equitably as possible among all qualified employees in the same classification in the same organizational unit and work location; however, Management may consider special skills required to perform particular work in the making of such standby assignments.
- C. If an employee assigned to standby duty fails to respond when contacted, no compensation shall be paid for standby duty that day.
- D. No additional compensation for standby status shall be made since the employee placed on standby status is not "unreasonably restricted" as defined by the Fair Labor Standards Act.
- E. Employee on standby duty when ordered to return to duty shall be covered by Article 8, Section 1, Call Back Pay, and shall not receive standby pay during the time they are receiving appropriate hourly rate of pay.

Section 5. Bonus Assignments

Whenever a permanent employee in a Journeyman or Senior Journeyman classification in this Unit is assigned to either: (1) Facilities Design and Planning functions in the Department of Health Services or Sheriff; or (2) the Production Management Section, Alterations and Improvements; or

Energy Management System Section (BEAS); or Project Management Section in the Facilities Operation Service of the Internal Services Department, the employee shall receive an additional bonus of 10 percent of the base monthly rate.

Section 6. Backhoe Compensation

Upon the annual review and approval of the Chief Executive Office, employees in the classification Water Service Worker, Item No. 7849, who are trained and are regularly required to operate a backhoe in the performance of their duties, shall be paid at the step of the salary range for the classification of Item No. 7365, Utility Tractor Operator, which provides a salary increase. This additional compensation shall be paid only for that period of time actually spent operating a backhoe.

Section 7.

In accordance to County Code Section 6.109.020, persons assigned to the Waterworks and Sewer Maintenance Division in the classes of Assistant Electro-Mechanic (Item No. 6490), Electro-Mechanic (Item No. 6492), Electro-Mechanic Working Supervisors (Item No. 6495), Electro-Mechanic Supervisors (Item No. 6498), Helper, Electric (Item No. 6349), who are engaged on a permanent full-time basis in sewer maintenance duties shall be compensated at a rate of four salary schedules higher than that otherwise provided in Section 6.28.140 of the County Code.

Effective January 1, 2016, persons in the same classes above assigned to the Waterworks Division, engaged in drinking water treatment and distribution duties shall be compensated at a rate of four salary schedules higher than that otherwise provided in Section 6.28.140 of the County Code.

Section 8. Sheriff Department Assignment Bonus to Aero Bureau-Avionics Shop

Effective October 1, 2018, any full time, permanent employee in the classification of Electronics Communications Technician (Item No. 6541) or Senior Electronics Communications Technician (Item No. 6542), who is assigned to the avionics shop within the Sheriff's Department's Aero Bureau, shall receive a 5.5% bonus.

Section 9. Sheriff Department – Water Systems Bonus

Any full time, permanent employee in the classification of Plumber (Item No. 7269), or Senior Plumber (Item No. 7270), who holds the required certification and is designated by Management to act as the Shift Operator for the Sheriff's Department's water systems, shall be compensated at a rate 5% higher than that established for such position in this Memorandum of Understanding.

Section 11. Public Works Waterworks District 29 – Malibu

Effective October 1, 2023, all classifications permanently assigned to the South Maintenance Area (Malibu Office), in the Department of Public Works shall receive additional compensation of four salary schedules higher than that provided in Section 6.28.140.

Section 10. California Driver's License A/B Bonus

Effective October 1, 2018, notwithstanding other provisions of this Memorandum of Understanding, persons in the bargaining unit who, with the approval of management, obtain or renew a class "A" or "B" motor vehicle license, that is not as a normal practice required for the class in which they are employed, shall be entitled to a three percent (3%) bonus. This provision does not apply to employees that acquire an "A" or "B" Motor vehicle license in connection with their voluntary participation in a departmental training program.

ARTICLE 9 WORK SCHEDULEPurpose

This Article is intended to define the normal hours of work and shall not be construed as a guarantee of hours of work per day or per week, or of days of work per week.

A. Work Week

For purpose of work schedules, the normal work week shall be five (5) consecutive eight (8) hour work days, except as provided in Section D. Each eight-hour shift shall include, exclusive of at least a thirty (30) minute lunch period, two 15-minute rest periods, one scheduled during each half of the assigned shift. During rest periods, employees shall be relieved of all duties and may leave their immediate work locations but must remain within general area as prescribed by Management.

B. Work Shifts

Employees shall be scheduled to work on regular work shifts having regular starting and quitting times. Except for emergencies (see Section D), employees' work schedules shall not be changed without written notice to the employee at least ten (10) working days prior to the date the change is to be effective. Shift changes shall be for a minimum of five (5) consecutive days.

C. Saturday and Sunday Schedules

Work schedules which include Saturday and Sunday will be established only when essential to the County's public service. In no event shall such schedules be established to deprive employees of payment for overtime.

D. Alternate Work Schedules

Employees may request alternative work schedules such as a nine (9) day, 80-hour two-week schedule or a four (4) day, 40-hour week schedule. Management will respond to an employee's request within thirty (30) calendar days. Should a majority of bargaining unit employees at a County facility and/or work location request to work an alternate work schedule, Management has the option of placing all or some of the bargaining unit employees at the County facility and/or work location on the requested alternate work schedule. Any changes from existing work schedules will be based on the needs of the service as determined by Management. Employees covered by the Fair Labor Standards Act will not be placed on alternate work schedules that mandate the payment of overtime under the Act.

An employee who wants to submit a hardship request for review and consideration must submit his/her request to departmental Management within ten (10) calendar days of Management's notification to implement an alternate work schedule.

E. Emergencies

Nothing herein shall be construed to limit the authority of Management to make temporary assignments to different or additional locations, shifts or work duties for the purpose of meeting emergencies. Emergencies shall be defined as acts of God, flood, fire, power failure, and other circumstances beyond the control of Management or an official emergency declared by the Board of Supervisors of the County of Los Angeles. Emergency assignments shall not extend beyond the period of such emergency.

F. Nothing herein shall be construed to affect in any manner whatsoever irregular work day or work week assignments required for the maintenance of necessary operations.

ARTICLE 10 OVERTIME

Section 1. Compensation

The parties agree to jointly recommend to the County's Board of Supervisors that overtime shall be compensated as follows:

- A. The County will pay overtime for all hours worked in excess of forty (40) in one week. "Hours worked" will be calculated as provided for by the Fair Labor Standards Act, 29 U.S.C 201 et seq. Hours worked do not include time for which persons are compensated but do not actually work, including but not limited to, sick leave and vacation pay, with the exception that those hours paid during a workweek for the regular County holiday will be counted in calculating hours worked for overtime purposes.

The County will pay employees for any overtime worked at a rate of one and one-half (1 1/2) times his/her regular rate of pay. Regular rate of pay shall be calculated as provided for by the Fair Labor Standards Act.

- B.  - b. Supply the employee with the necessary information to process his grievance to the proper agency or authority.
 - c. The Council agrees to encourage an employee, who files a formal written grievance, to state clearly and concisely the specific action(s) being grieved, the article(s) violated and the specific remedy requested.

Section 4. Waivers and Time Limits

1. Failure by Management to reply to the employee's grievance within the time limits specified automatically grants to the employee the right to process the grievance to the next level.
2. Any level of review, or any time limits established in this procedure, may be waived or extended by mutual agreement confirmed in writing.
3. If an employee fails to appeal from one level to the next level within the time limits established in this grievance procedure, the grievance shall be considered settled on the basis of the last decision and the grievance shall not be subject to further appeal or reconsideration.
4. By mutual agreement, the grievance may revert to a prior level for reconsideration.

Section 5. Employee Rights and Restrictions

2. A County employee selected as a representative in a grievance is required to obtain the permission of his immediate supervisor to absent himself from his duties to attend a grievance meeting. The employee representative shall give his supervisor reasonable advance notice to ensure that his absence will not unduly interfere with departmental operations.

3. An employee may represent his grievance to Management on County time. In scheduling the time, place and duration of any grievance meeting, both the employee and Management will give due consideration to the duties each has in the essential operations of the department. No employee shall lose his rights because of Management imposed limitations in scheduling meetings.

Section 6. The Parties' Rights and Restrictions

1. Only a person selected by the employee and made known to Management prior to a scheduled formal grievance meeting shall have the right to represent or advocate as an employee's representative.

2. If the employee elects to be represented in a formal grievance meeting, the department may designate a Management representative to be present at such meeting.

5. If the Council representative elects to attend any formal grievance meeting, he must inform departmental Management prior to such meeting. The department may also designate a Management representative to be present at such meeting.

Section 7. Procedure

The supervisor shall verbally reply to the employee's complaint within ten business days from the date of the discussion.

Step 1. Supervisor

- A. Within ten business days from the date of the informal discussion with the supervisor, or within ten business days from the occurrence of the matter on which a complaint is based, or within ten business days from his knowledge of such occurrence, an employee shall file a formal written grievance.

Three copies of the departmental grievance form shall be completed by the employee stating the nature of the grievance and the remedy he/she requests from his/her departmental Management. The employee shall submit two copies to his/her immediate supervisor and retain the third copy.

Step 2. Middle Management

- A. The department head has the authority to waive the middle Management step if such step is not appropriate because of the size of his/her department. The middle Management representative shall discuss the grievance with the supervisor concerned and the employee before a decision is reached by him/her.

- B. Within ten business days from receipt of the grievance, the middle Management representative shall give a written decision to the employee using the original copy of the grievance.

Step 3. Department Head

- A. Within ten business days from his/her receipt of the decision resulting from the previous step, the employee may appeal to the department head using the original copy of the grievance.

- B. Within ten business days from the receipt of the employee's grievance, the department head or his/her designated representative who has not been involved in the grievance in prior levels shall make a thorough review of the grievance, meet with the parties involved and give a written decision to the employee.

- C. On matters that directly concern or involve the interpretation or application of the specific terms and provisions of the Memorandum of Understanding, the written decision of the department head or his/her designated representative shall be final, unless the grievance is submitted to arbitration pursuant to Section 8 hereof.

Section 8. Arbitration

1. Within thirty business days from the receipt of the written decision of the department head, or his/her designated representative, the Council may request that the grievance be submitted to arbitration as provided for hereinafter.

2. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:
 - a. The interpretation, application, merits, or legality of any state or local laws or ordinance, including specifically all ordinances, adopted by County's Board of Supervisors; unless the arbitrator, in his discretion finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.

 - b. The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established procedures or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission, including, but not limited to discharges, reductions, discrimination; nor

- c. The interpretation, application merits or legality of the rules or regulations of the department head, the Chief Executive Office, or any other County department, agency, or commission, unless the arbitrator, in his discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.
 - d. Grievances on competent or better performance evaluation which do not meet the guidelines set forth at the Employee Relations Commission meeting of December 19, 1986.
3. In the event the Council desires to request a grievance, which meets the requirements of paragraph 2 hereof, be submitted to arbitration, it shall within the time requirements set forth above send a written request for arbitration to the Employee Relations Division of the Chief Executive Office, which request shall:
- a. Set forth the specific issue or issues still unresolved through the grievance procedure and which are to be submitted to arbitration.
 - b. The parties shall select an arbitrator by mutual agreement and recommend to the Employee relations Commission that the individual be appointed for the purpose of conducting the arbitration proceeding. In the event the parties cannot agree on a choice within thirty working days from date of receipt of the request for arbitration, the parties shall request that the

Employee Relations Commission provide them with a panel of five arbitrators. Upon receipt of the Employee Relations Commission panel, the parties shall alternately strike one name each from the panel and the last name left will be appointed as the arbitrator in the case by the Employee Relations Commission.

- c. Arbitration procedures conducted under the authority of this Article shall be held at an appropriate location in the County Hall of Administration except when another location is mutually agreed upon by the parties to the case.
4. Arbitration of grievances hereunder will be limited to the formal grievances as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. Arbitration hereunder shall be conducted in accordance with applicable rules and procedures adopted or specified by County's Employee Relations Commission, unless the parties hereto mutually agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the parties involved, it being understood and agreed that all other expenses including but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party involved.

5. Prior to a hearing by an arbitrator, a representative of the County and the Council shall meet and prepare a submission statement setting forth the issue(s) to be determined which shall be submitted to the arbitrator. In the event the County and the Council cannot jointly agree on a submission statement, then at the hearing, each party shall present to the arbitrator, its own submission statement in which case the arbitrator shall determine the issue(s) to be resolved.

6. The decision of an arbitrator resulting from any arbitration of grievance hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.

7. The decision of the arbitrator shall be binding upon the Union. To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County. If within 60 days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever. The Union may then resort to a court of competent jurisdiction to pursue whatever other legal remedies are available to it under the provisions of this Memorandum of Understanding.

ARTICLE 33 GRIEVANCES - GENERAL IN CHARACTER

In order to provide an effective mechanism whereby disagreements between the Council and Management concerning the interpretation or application of any of the provision of this Memorandum of Understanding affecting the rights of the parties or the working conditions of a significantly large number of employees in the unit may be effectively resolved, the following procedures are agreed upon:

- A. Where either the Council or Management has reason to believe that the other is not correctly interpreting or applying any of the provisions of this Memorandum of Understanding, such party may request in writing that a meeting be held with the authorized representatives of the other party who have authority to make effective recommendations for the resolution of the matter. Such written request shall set forth in detail the facts giving rise to the request for the meeting and shall set for the proposed resolution sought.

Within five (5) business days of receipt of the request of such a meeting, the parties will meet for the purpose of discussing and attempting to resolve the disagreement.

- B. Within fifteen (15) business days of such meeting, and in the event the matter is not satisfactorily resolved; the initiating party shall have the right to meet with the principal representative(s) of the other party who have the authority to resolve the matter. For purposes of this provision, Management's principal representative(s) shall mean its Chief Executive Officer or his authorized representative, and any other County department head or his authorized representative, who has authority to resolve the matter.
- C. Within 30 calendar days after the meeting provided in B above, if the matter is not satisfactorily resolved, and if the disagreement meets the requirements of Section 8, Subsection 2 of Article 33 the disagreement may be submitted to arbitration in accordance with the provisions of Section 8 of Article of this Memorandum of Understanding.

It is further understood that this Article is not intended as a substitute or alternative for the grievance procedures set forth in Article of this Memorandum of Understanding.

Instead, this Article is intended to provide a procedure to resolve disagreements affecting the rights of the parties or disagreements arising from the application of the terms of this Memorandum of Understanding affecting the working conditions of a significantly large number of the employees in the unit, as distinguished from the rights of individual employees.

Accordingly, the parties agree that the procedures set forth herein shall not be implemented where the dispute or complaint involved is or could be effectively brought by an employee or employees, and otherwise processed through the grievance procedures set forth in Article 33 hereof.

ARTICLE 34EXPEDITED ARBITRATION

1. This is an alternate to the procedure set forth in Section 8, Arbitration, of Article 133, Grievance Procedure and will only be utilized upon mutual written agreement of the parties.
2. A joint submission statement setting forth the issue(s) to be determined will be prepared prior to the hearing by the parties. If the parties cannot agree to a submission statement the expedited arbitration procedure will not be utilized.
3. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:
 - a. The interpretation, application, merits or legality of any state or local law or ordinance, including specifically all ordinances adopted by County's Board of Supervisors; unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.
 - b. The interpretation, application, merits or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established

procedures or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, and discrimination; nor

- c. The interpretation, application, merits or legality of the rules or regulations of the department head, the Chief Executive Office, or any other County department, agency, or Commission, unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.
 - d. Grievances on competent or better performance evaluations which do not meet the guidelines set forth at the Employee Relations Commission meeting of December 19, 1986.
4. The parties shall select an arbitrator from the panel of arbitrators previously agreed to by the parties and established for the purpose of conducting expedited arbitration proceedings:
- a. The arbitrator will be compensated at the contracted for flat daily rate. The cost of the arbitrator shall be borne equally by the parties. In addition, each party shall pay for all fees and expenses incurred by the party on its behalf, including but not limited to witness fees.

- b. The parties agree that 1) no stenographic record of the hearing will be made, 2) there will be no representation by outside counsel, and 3) there will be no post hearing briefs.
5. The arbitrator selected shall hear the grievance(s) within 10 working days of his/her selection and may hear multiple cases during the course of the day. However, six (6) hours of hearings will constitute one day.
6. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved.
7. The arbitrator shall issue a "bench" decision at the conclusion of the parties' testimony. Only by mutual agreement of the parties and the arbitrator will a written decision be issued.
8. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.
9. The decision of the arbitrator shall be binding upon the Union. To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County.

If within sixty (60) days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever.

10. Election of this binding forum shall constitute a waiver by all parties to this process of all other administrative processes for the resolution of this dispute in whole or in part and the award shall not be appealed. The decision from this arbitration shall not be precedent setting.

11. The decision of an arbitrator resulting from the arbitration of a grievance under the following Articles shall be entirely advisory in nature and shall not be binding upon any of the parties:
 - Recognition
 - Non-Discrimination
 - Implementation
 - Term
 - Renegotiation
 - Safety and Health
 - Payroll Deductions and Dues
 - Leaves of Absence for Union Business
 - Authorized Agents
 - Provisions of Law

ARTICLE 35 ASSIGNMENT OF ADDITIONAL RESPONSIBILITIES

Upon the employee's written request, any permanent, full-time employee shall be entitled to additional compensation for the performance of additional responsibilities which are assigned and approved by the Department Head or designated management representative and the Chief Executive Office.

The Department shall notify an employee in writing of the approval or denial of his/her written request within 45 business days of receipt of the request for the additional responsibilities bonus.

If an employee is placed in an assignment requiring the performance of additional responsibilities prior to the Department obtaining CEO approval, he/she shall be returned to an assignment in his/her own classification and notified of the action in writing.

To qualify for this additional compensation on a full-time permanent employee must either:

1. Be assigned to a special project or assignment which requires the performance of additional duties and carries additional responsibilities beyond those typically allocated to the employee's class. The assignment of additional duties normally performed by incumbents of the employee's class would not qualify for this additional compensation. The bonus for being assigned a special project or assignment shall be two standard salary schedules. When a class is compensated on a flat rate, the amount of the bonus shall not exceed 5% of the base rate; or
2. Performs all the significant duties of a higher level class for which there is no vacant funded position. The bonus shall be two standard salary schedules, unless the difference between the employee's class and the higher level class is less than two standard schedules. In this case, the bonus shall be the difference between the two classes. When a class is compensated on a flat rate, the amount of the bonus shall not exceed 5% of the base rate.

The bonus provision of paragraph 2 above does not apply to employees on short term higher level assignments of two weeks or less.

In no event shall an employee receive compensation pursuant to this Section and receive out of class bonus pursuant to Article 14 for the same assignment.

The additional compensation provided in this section shall not constitute a base rate.

ARTICLE 36 NOTICE OF LAYOFF

Section 1. Board Policy on Work Force Reduction

It is the intent of the parties during the term of this MOU to comply with the June 21st and April 4th, 1995 Board policy on workforce reductions.

If the County determines that workforce reductions are necessary, it will reduce to the greatest extent feasible the planned number of County personnel to be demoted or laid off by:

- a. Discontinuing non-County contracted temporary personnel Government Code Section 31000 et seq. who perform functions comparable to County positions subject to demotion or layoff, and

- b. Take other action appropriate to mitigate the adverse impact on workforce reductions on permanent employees.

Permanent or temporary County employees laid off, will not be replaced by a contract employee.

Section 2. Department of Human Resources

The Department of Human Resources shall coordinate with Departmental management to implement Board Policy on workforce reductions on a County-wide basis and enhance the County's ongoing efforts to find alternative placement for employees subject to layoff or demotion due to workforce reductions. Management shall factor in attrition, implement transfers of qualified employees to available vacancies, recommend to the Board and/or CEO to reduce or discontinue departmental personnel services contracts and allow voluntary demotions before laying off any members of a bargaining unit.

Section 3. Notice Provisions for Layoffs and Demotions.

To the greatest extent feasible the Department of Human Resources and/or Department Management will give ten (10) business days notice prior to any layoff, demotion, or involuntary transfer of a permanent County employee.

ARTICLE 37 TELEWORKSection 1. Telework Benefits

The Union and the County agree that telework is an effective tool to promote operational efficiencies, support employee recruitment, retention, and engagement, lower overhead costs and parking expenses, fulfill our responsibility to reduce carbon footprints through trip reduction, advance digital government, contribute significantly to the work-life balance of participating employees, and safeguard health and safety during public health or other emergencies.

Section 2. Telework Selection Criteria

The parties also recognize that telework is a management option and not an employee right or universal benefit and will only be offered to employees whose job functions make feasible such work arrangement.

Telework may be requested by or offered to any employee. Employee requests to telework are subject to the approval of management. The department has the sole discretion to designate which job functions are compatible with telework; criteria will be based on the suitability of employee's job functions and impact on operations. Telework is considered a voluntary arrangement and may be terminated by the Teleworker or the Department at any time. If a telework assignment is terminated by management, the teleworker shall be given a reason.

Section 3. Expand Telework Opportunities

Departments will make reasonable efforts to expand telework opportunities to realize the benefits listed in Section 1 where job functions are compatible with telework. Likewise, departments will take reasonable steps to ensure that eligible staff are telework-ready, to best ensure continuation of work functions in case of a declared disaster or other emergency.

Section 4. Materials and Equipment

Management will make reasonable efforts to provide teleworking employees with all equipment necessary to support the employee's ability to work remotely. If a teleworking employee is required and authorized by management to purchase specific materials or equipment for telework, they will be reimbursed for expenses incurred. Maintenance of County-issued equipment will be a management responsibility.

References to the apprenticeship including, but not limited to wages, tables, percentages and language from the previous MOU shall be revised to facilitate implementation and employment of apprentices through the Joint Labor Management Apprenticeship Programs of the Crafts Union representing employees under this MOU in the BU 411 Apprenticeship Program Committee.

BU 411 Apprenticeship Program Committee Structure

- Management and Labor (CEO's office and the Council) shall each appoint a reasonable number of representatives to the BU 411 Apprenticeship Program Committee, absent operational impact.
- Management and Labor shall have an equal number of votes.
- Provide an agenda in advance of the meeting.
- Items that can be progressed without the full committee may be delegated to a subcommittee
- Management and Labor will respond in a timely manner, not exceeding sixty (60) calendar days.
- If the meeting must be postponed by either party, every effort will be made to reschedule the meeting to a date/time mutually agreed by the parties.
- The matters discussed by the parties here under shall be subject to advisory arbitration and shall not be binding upon any of the parties.

APPENDIX B

CONTINUING EDUCATION PROGRAM COMMITTEE

60 Days from the date of Board of Supervisors approval of MOU, the parties shall convene to create a Continuing Education Program Committee (Committee) on a mutually agreed upon date time and location.

The Committee shall appoint equal number of members comprised of management and labor.

The Committee shall collectively develop a Continuing Education Program Agenda in advance of each meeting.

The Committee shall provide a timeline for response to each action item.

If the meetings are postponed by either party, every effort will be made to reschedule to a mutually agreed upon date/time.
